Get off the Earth! That's what the Democrats said to the Republican two years ago, that's what the Republicans are saying to the Democrats this year. Ordinarily it would be kind of "off" to have to get off the earth, but this year a great many people wouldn't mind getting off the earth for a few months. It is different with us, for we are doing business all the time and never get "off." You see we sell better goods for less money than any other store in town.
