THE CELEBRATION.

A RESUME OF THE DAYS HAPPENINGS, FROM THE MORNING AND A GOOD TIME.

THE BICYCLE RACES VERY GOOD.

Rev. Branch's oration a masterpiece. The Sun Battle and Display of Fireworks Pleasing All.

Well, the much talked of Fourth of July celebration has been held. Sizing it up from all points it was not the equal of one or two former celebrations held in this city, yet everything passed off very nicely, and upon the whole everybody was satisfied. The weather was propitious, the crowd very large, and Rev. Branch's address a masterpiece.

The day was interfered in by sleep-dispelling rattles and a salute of 21 guns in which the cannon was utilized. Promptly at nine o'clock the parade was formed by Marshal Atkins and his aides, at the corner of Oak and Lake streets. The formation follows:

Marching in front of the parade, Mr. V. X. Lyons was the "all man" in the parade, and his unexpended march merited.

The procession marched to the "West Side"—Chandler's corner. Returning they marched to the court house square, where the address of the day was made by Rev. Branch at 10:30 o'clock.

Chairman Thomas of the committee on program, apologized for the fact that the Declaration of Independence would not be read this year. He said that for two consecutive years it had been his lot to read it upon similar occasions, and having been unable to secure any one to essay the task this year it was decided to dispense with its reading.

In his introductory speech, Mr. Thomas enumerated the reasons why we should feel prouder than ever of our country. He touched upon the fact that America had grown wonderfully in the estimation of the other countries of earth during the past year and that the secret of this admiration was the exhibition of skill, tact and efficiency displayed during the life of the present war.

Rev. Branch, the orator of the day, entertained his address to the fact that no provisions had been made for the seating of the audience. He spoke for half an hour. He did not waste any of his time in meaningless platitudes but entered at once upon the development of his theme. Which a series of mental moving pictures he portrayed the condition of affairs at the time the question of independence was being discussed by the continental congress. The various steps that led up to the drafting and signing of the

declaration of independence were portrayed in graphic language, as was the despoiling of the august body under whose auspices the republic was born. Despite the fact that King George's troops were at that time landing upon the eastern shores of the country for the purpose of crushing independence and that the British were ready against the weak, the oppressor as the government were unbalanced in their determination to establish a republic where civil and religious liberty would prevail.

He reviewed at length the marvelous progress of this land of the free since its inception.

The oration was a masterpiece. This concluded the morning program.

Shortly after dinner the crowd began to assemble at the driving park where the sports of the afternoon were to be held.

The first on the program was the novice bicycle race, participated in by the following parties whose names appear in the order in which they crossed the tape.

Frank Gibson, Herbert Baker, Chas. Nelson, Victor Bremer.

Time 2:10.

The boys' half mile race was second on the program and afforded much amusement. Those entering were: DeSole Dubb, Earl Benson, Victor Bremer and Albert Wiegarter, who crossed "home base" in order named, Time 1:30.

The mile long bicycle race was won by Carl Ekstrom, Peter Jube second, Herbert Baker third and Carl Klingstad fourth. Chas. Nelson was thrown from his wheel by running into the Zachary boy did not finish. Time 2:32.

The 200 yard race was very much anticipated. Carl Case's "Pattinador," distant Derby Master's "Sleepy George." The winner made the half mile in 2:37. He would have beaten that record at least 40 seconds had he not stopped to bark at the spectators.

Frank Guinness cleared 17 feet and three inches and won first prize in the running jump. Rufus Dill won second prize and Alex Goodread third.

The fat men's bicycle race had only two entrants—John Schuster and Albert Garcia. Schuster won an easy winner in 1:30.

The five mile handicap was the most exciting feature of the day. There were seven entrants. Joe Miller, Victor Doemer and Herby Brice were given two minutes, Herby Baker and Frank Guinan 1:20, with Carl Ekstrom and Peter Dube scratch. The scratch men were unable to reach the full owing to the great handicap

given and Joey Miller, Morley Brice and Frank Guinan won first, second and third prizes respectively.

The time makes the several contestants follows: Ekstrom, 1:02; Dubb, 1:03; Guinan, 1:20; Baker, 1:21; Brice, 1:32; Miller, 1:32.

In the 100 yard dash Bill won first prize, Herbert Baker second and Peter Dube third.

In the boys 75 yard foot race Herby Canarot, Ralph Brown and Herby Canarot, were winners in the order named.

"Run for your shoes" created much sport. The fourteen boys piled their shoes and stockings on a heap. They then ran fifty yards to the pile, changed their shoes and stockings and put them on. Herman Kiefer won first prize, John St. Ours second and Leonard Peterson third. There was a great scramble.

The stock race for boys was won by George Varin, Leonard Peterson and Paul Klingstad, in the order named.

Gust Ekstrom was starter in the various races and A. M. LeRoy, R. B. Baker and John Jennings were judges.

Knocked Down by River.

During the bicycle races held at the driving park last Tuesday afternoon, Chas. Nelson one of the contestants in the novice race, ran into their year old son of Mr. and Mrs. C. H. Zerk.

The boy started to cross the track in front of Nelson who was riding quite fast. The impact was sufficient to throw the rider and the boy handling. The latter was picked up in an unconscious condition, while Nelson was badly injured internally. The boy recovered consciousness in a short time, and is recovering rapidly. It was reported during the evening that he had died, but the fatality of the rumor was soon proven. The rider cannot be censured, as no one is expected to cross the track during a race.

Car Dropped Through the Platform.

A carload of lath dropped through the platform in front of the C. L. mill Saturday morning. Joe Casey, who was on the car at the time, fell with it but miraculously escaped injury.

Dark Burial.

Married at the residence of the bride's parents, July 3, 1899, by Rev. David Casler, Frank A. Dolk and Geo. E. Burnett, both of this city. Mr. Dolk is a member of the firm of Rainward & Dolk, tailors, and is very estimable young business man. The bride has been a resident of this city for years, and also has many friends.

Deputy Oil Inspectors.

State Oil Inspector William Jusko took charge of his office on July 5, and is engaged at present in appointing deputies for the various districts. Among the upper peninsula appointments we notice the following:

Geo. E. Holben of Manistique, vice John E. Jones of Menominee; A. P. Howard of Manistique vice P. L. Baldwin of Manistique; A. P. Hamilton of Houghton, respectively.

Dark Mysterious Handicaps.

Handicaps you can't account for, that burning eyes usually come from eye strain. Properly adjusted glasses will entirely relieve. This necessitates the nicety in adjustment and judgment that only the metropolitan and specialist possess. G. D. Broeze, Optician, M. A. O., The Optical Co.'s Eye Expert of St. Paul, will be at the store of their agent, the Chicago Lumbering Co., Manistique on Monday and Tuesday July 24 and 25, for the purpose of diagnosis and correcting all irregular eye defects. If you think you have anything the matter with your eyes or your spectacles do not suit you we should advise to see him. No charge for thorough examination.

What Others Say.

Following are a few testimonials of the Canadian Jubilee Singers, which appear at the opera house, Friday July 14, under the auspices of the Epworth League of the M. E. church.

Rev. W. H. Wright, pastor of Congregational Church of Dwight, writes to Rev. D. K. Campbell, saying—"The Jubilee Singers are perfectly grand. Everyone should hear them."

RECORDS: 1st, Dec. 28, '98. My Dear Brothers:—The Canadian Jubilee Singers were with us Monday evening, 26th. They are all right every way, and will give your people a new treat. Everybody seemed delighted. They will fulfill your highest expectations. Yours truly,

Rev. A. W. Lamont, Pastor First M. E. Church.

You can not use too strong superlatives concerning these Jubilee Singers. Orchestra fine. Pianist superb. Tone to nature. Other vocal selection rendered in the best of style. They far surpass the Plaks. (Signed), Rev. J. M. Johnson.—Telegram to Rev. N. H. Swensen, Lock Haven, Pa.

STEEPHEN KESIN KILLER.

A Tale of Frank Fox Upon His Knees Him Almost Instantly.

While at work in the yards last Saturday morning Stephen Kesin sustained injuries from which he did not recover later.

A partially filled sewer was being towed into "C" ship. The sewer struck a pile of two inch planks detaching two boards. The plank fell on Kesin who was on the sewer. He sustained fearful injuries about the head and remained unconscious until he died. He was removed to his boarding house and medical aid summoned.

Funeral services were held from the Catholic church Wednesday morning. The deceased was about 40 years of age, and leaves a wife and two children, residing in Austria. It has been a resident of this city for several years and was industrious and well liked by his associates.

A number of Manistique boys fired up the boiler on Anderson's steam launch on Indian Lake a few days ago and ruined fourteen flues. Low water and extreme heat was the combination that did the damage. The boys will pay about \$25 for their sport.

Chief Loos of the fire department took every precaution to have everything in ship shape order at headquarters last Tuesday. He reexamined all about the engine house all day, had a team hired and everything in readiness to answer an alarm. Lucky no fires occurred.

Miss Bennett, was the guest of Miss Sherwood on Tuesday. She was on her way to her home in Thompson, being taken in Harper Hospital, Detroit, for treatment of an injury sustained in falling from a bicycle. She was greatly helped by the surgeons.—St. Ignace Republican.

Between six and seven hundred people listened last evening in Gore St. Methodist church for two hours to the concert provided by the members of this justly celebrated company of jubilee singers. The program was begun promptly on time, and no time was wasted during the evening, and encores were promptly and without the slightest delay responded to. In all this our colored brethren showed a good example to other public singers. The company is with one exception, composed of Hamiltonians and is certainly a credit to the city. It has been in existence for some seventeen years, traveling over the United States, Canada and a large portion of the United States, and is a very respect an up-to-date company of colored artists.—Hamilton, Ontario, Evening Times.

A Genuine Surprise.

Last Monday evening Mr. and Mrs. Critten's house was filled by members of G. A. I. Post, Sons of Veterans and W. R. C. to help celebrate Mrs. Critten's 53rd birthday. Todd with a few well chosen remarks in behalf of the G. A. R. S. C. and W. R. C. presented Mrs. Critten with a handsomely bound Bible. She was so pleased with the token that she was almost unable to express her gratitude to those who had gathered there, but in a few words thanked them and said she hoped to moulder her life after the pattern in the book presented to her so as to merit such kindness. After this delicate refreshments were served and at a late hour the guests bade their good night with many wishes of future occasions like the same.
