The Republican county convention was held last Tuesday afternoon at the court house as per call.

Every township in the county was represented by a full delegation. As from two to eight worthy men were assigned for every nomination there are some unavoidable disappointments and while personal preferences in some cases were balked, the ticket as a whole is a strong one and deserves the support of every true Republican.

The convention was called to order by County Chairman Bronson who read the call.

Mr. W. F. Crane was elected temporary chairman and Charles R. Orr secretary pro tem.

Upon motion the chair appointed the following committees:

Resolutions—W. C. Bronson, E. A. Tighe, A. A. Craver.
Order of Business and Permanent Organization—A. P. Niebling, O. A. Bowen, J. B. Pich.

Credentials—C. E. Kelso, S. Mix and J. J. Bekite.

Just prior to the recess Chairman Bronson read the following telegram from A. T. Bliss, our candidate for governor:

"You will nominate winning ticket. Three cheers for McKinley and Roosevelt."

After a recess of fifteen minutes the convention reconvened and the reports of the several committees were submitted.

The report of the committee on Permanent Organization and Order of Business follows:

The report of the committee on resolutions follows:

We, the Republicans of Schoolcraft county in convention assembled, do hereby reaffirm our allegiance to the Republican party and the platform adopted at Philadelphia.

We take pride in the wise and statesman-like administration of William McKinley and predict with confidence his reelection as well as that of that intrepid warrior and statesman, Theodore Roosevelt.

We commend the action of the state convention at Grand Rapids in placing before the people a ticket made up of strong and capable men under whose management the affairs of the state will be administered in a business-like manner.

We point with pride to the splendid record of Hon. George D. Shelton and believe that under his leadership the 12th congressional district will return a larger majority than ever.

We commend the nomination of Hon. O. B. Fuller, senator from the 30th senatorial district, knowing that from his past service in the House the interests of this district will be faithfully taken care of.

We also commend the action of the representative convention in his re-nomination of Hon. Geo. P. McCallum, for representative of the Delta district and predict his reelection by an increased majority, as a reward for his faithful services during the last legislature.

THE REPUBLICAN COUNTY TICKET.
The Republican county convention was held last Tuesday afternoon, and upon the whole a good ticket was placed in nomination. While there were many disappointments—the inevitable result of a contest where more than one candidate is announced for every nomination, the convention acting for the whole Republican party of the county, should be upheld in its work and the ticket named should have the undivided support of every Republican in the county.

Mr. E. D. Carr, the candidate for sheriff, is not a stranger to the voters of the county. He served two terms as sheriff in the past, and in the administration of the duties of his office made many friends. He is a quiet, unassuming gentleman, and is deservedly popular.

Ed. Ashford, who has so acceptably filled the office of county clerk and register of deeds during the past eight years was unanimously re-nominated. He is a very accommodating official and in the performance of his official duties has conducted himself in such a manner as to win the confidence and respect of all.

George G. Rogers the nominee for treasurer, has been a resident of Manistique for more than seven years and during the whole of that time has been in the employ of A. S. Putnam & Co., druggists. He is a good book-keeper and is elected to the position for which he was nominated Tuesday, will personally attend to the duties of the office. He is a man of unimpeachable character and very popular among those knowing him.

Mr. V. I. Hixson was the unanimous choice of the convention for prosecuting attorney. Mr. Hixson was at one time a democrat but for some time past has affiliated with the Republicans and participated in Republican causes. He has been practicing law here for nearly ten years; is an able attorney, universally popular, and his name on the ticket has added strength to it. He did not ask for or solicit the nomination and the unanimity with which he was nominated proves that he has the confidence of the party to a marked degree.

Mr. J. Henry VanTassel, of the Chicago, Lumbering Co's general office, was chosen for probate judge. Mr. VanTassel is amply qualified for the position being a graduate of the state university and a full-fledged attorney. His father was for years the probate judge of a county in the lower peninsula, and he was his deputy. He is thoroughly conversant with the duties of the office and if elected, will make an ideal probate judge.

Mr. A. C. Carpenter was re-nominated for county surveyor. That his official duties were performed satisfactorily was attested by his re-nomination.

Messrs. J. C. Messenger of Inwood and Samuel Mix of Hiawatha, were nominated for coroner. Mr. Messenger has been one of the coroners of the county for years and has a clear record. Mr. Mix is well and favorably known throughout the county and will be in position to "sit upon the dead" after next November.

Every candidate on the ticket deserves the support of the party placing it in nomination and we predict its success at the polls next November.

EDITORIAL COMMENT

A Baltimore inventor has hit up on the scheme of carbonizing saw dust and extracting the by-products. He claims that every ton of sawdust is worth \$500.

The Democratic tide are announced in their election lists, and that hour but Democratic candidates are millions of negroes are shown the right of ballot in the South north.

Railroad Commissioners' O'Brien reports that there has been an increase of over 500,000 miles in the mileage of the railroad of Michigan this year as compared to the earnings of last year.

As Aginaldo is alive he will hardly venture to come over to the States and take the stump for Bryan, but he will be useful in helping to raise that \$5,000,000 Filipino Bryan campaign fund.—Minneapolis Tribune.

What Lincoln accomplished for the black man McKinley is doing for the brown man and as the African has erected monuments to the memory of his great ancestor, the Filipinos, when he realizes the work accomplished for him will build monuments to memory of his liberator.

The Bryan Press continues to greet with ghoulish glee every isolated report of a reduction of work force because of midsummer dullness, without realizing that by exploiting on this state of affairs is sustaining the Republican contention of credit for good times.—Minneapolis Tribune.

When Bryan saw the returns in 1896 he observed the fact that the States in which he had the largest audiences he had the smallest vote, yet he is coming again to try to win converts in the enemy's territory. The Republican managers should welcome him cordially.—Jersey City (N. J.) "Journal."

The Germans whom the Democratic leaders expected to welcome into the Bryan fold this year do not seem to be coming over in as large droves as was expected. The Germans will probably vote as they did in 1896—that is, for McKinley, honest money and good government.—Seattle "Post-Intelligencer."

The practical disfranchisement of the negro in North Carolina is hailed as a great Democratic victory. So far as we are able to learn no Democrats are urging that similar restrictions should be applied in the Philippine Islands. According to Democratic theories the half tamed Filipino, still running about in his gunny sack, is better fitted to help run a free republic than is the Afro-American voter in the Southern States.

The shirt waist fad is not popular. A few masculine "sissies" persist in endeavoring to popularize the fad. Plain shirt sleeves are all the go in Manistique during the heated term but the man who would venture on the streets of the town wearing a feminine looking shirt waist would evidently invite a shower of eggs, carrots and cabbage. Men should dress cool during the summer but shirred, embroidered dreams should not be resorted to.

THE PARAMOUNT ISSUE.
(After Ocean.)
Former United States Senator Lee Mantle of Montana, chairman of the silver Republican party organization of his state, has issued a letter renouncing all allegiance to party, renouncing all allegiance to party.

"To my mind," he adds, "the paramount issue today is the issue of maintaining the honor and dignity of the flag wherever it is rightfully flying. It is the issue of whether we shall preserve the fruits of all the blood and treasure expended and all the splendid courage and patriotism exhibited in the cause of humanity and in defense of undeniable rights, or whether we shall resolutely discharge the great obligations which have devolved upon us, or whether we shall abandon our advanced position, throw down our arms, cravenly hoist the white flag, and admit to the world that we are incapable of solving the problems which confront us."

The paramount issue of this campaign could not be expressed in more truthful or eloquent language.

The Brooklyn Eagle, the ablest Democratic paper in the metropolis, speaks patronizingly of the speech as couched in very good English when the deficient training, the want of humor and the somber and solemn egotism of the candidate are pointed out. The paper is "splendid," in the opinion of those who are not good judges, and up to the testimony of those who swim in their emotions, and "partisan" in the estimation of those who know just enough of the figures to parrot their phrase and ignore the application of them, and whose idea of duty is the enunciation of their country, the arrest of its spirit, the trailing of its flag, the revival of its course and the re-entrance into its olden glory.

L. ROSENTHAL'S

ALTERATION and ENLARGEMENT SALE.

This Store Never Stands Still.
It's Advancing and Progressive Always.

Having outgrown our present store we have purchased the building at present occupied by Patterson & Parker and will remove the wall separating the two rooms, thereby giving us one of the very largest store rooms in the city. Owing to the fact that the change will necessitate the rehandling of many of our goods, we have decided to INAUGURATE A GRAND SALE, in order to dispose of the goods. During this sale we will sacrifice values as our prices will prove.

This Sale Will Continue For Thirty Days Only.

Shortly after September 1st we will occupy the double store.
We always do as we advertise. Our prices are always the Lowest.

--- L. ROSENTHAL.

THE WINNERS NAMED.

For chairman of the county central committee several nominations were made and it required three ballots to decide the matter. Mr. W. C. Bronson was re-elected to the position. The ballots follow:

W. C. Bronson	12	13	14
Geo. P. McCallum	3	4	2
V. P. Chappie	3	2	2
J. H. McNaughton	4	3	4
E. N. Orr	1	2	1
A. E. Burdick	1	2	1
A. C. Carpenter	1	2	1

A recess was then taken to allow the delegates to select the county central committee. The selections follow:

Manistiquic—C. E. Kelo.
Harrison—Solomon P. Held.
Thompson—J. G. Robinson.
Hillsdale—A. E. Bercht.
Seney—John I. Bellare.
Doyle—Carl Blomquist.
German—O. D. Sheppard.
Inwood—E. A. Tighe.

The convention then adjourned after which the new county central committee met and re-elected Geo. E. Holbein as secretary of the committee. The delegates were entertained at dinner at 9:30 o'clock at the Hiawatha Hotel in which several local politicians also participated.

The 2:30 p. m. train on the M. & N. W. R. R. carried to South Manistiquic the home of Mr. and Mrs. A. J. Robinson, about twenty-five members of the above named society, besides several visitors, whom a very interesting and delightful afternoon was spent. The meeting was called to order by the president, Mrs. Crittenden. Mrs. Bronson had charge of the devotional exercises. The business of the meeting was interspersed by two songs by Mrs. Wilson and a recitation by Mrs. Flitz which were very well rendered indeed. After the business session the ladies engaged in social chat until the invitation to supper was given, when almost fifty people did ample justice to the good things provided. Following is the menu:

Salad	Cold Mashed Potatoes
Olive	Fruit
Apple Sherbet	Assorted Cakes

When the shadows began to darken Mr. Robinson very kindly brought the

company home via M. & N. W. R. R. and too much can not be said of his kindness and courtesy to all.

The society wishes hereby to extend to Mr. and Mrs. Robinson a vote of thanks for the treatment received at their hands.

The society will hold its next regular meeting next Wednesday, Aug. 22 at the home of Mrs. Geo. Tustle.

Resolutions of Condolence.

The following resolutions of condolence received from Mrs. Geo. Tustle, A. C. O. E. S.:

Whereas, in the death of our beloved sister, Nettie M. Thomas, this Chapter has lost an earnest, sincere and helpful member, one whose desire it was to make the most of her opportunity to do good within the order;

And whereas, though we mourn her departure, yet despair has no place in our hearts, for the bright ray of hope cheers us, and we are permitted to look beyond the grave to the glorious resurrection morn when we shall meet our sister who has only gone before;

Therefore be it resolved that this Chapter testify to the noble and womanly qualities of our departed sister, to her faithfulness and devotion as a wife and mother, to her earnestness and effectiveness as a member of our Chapter and to her nobility and usefulness as a member of society.

Resolved that, as a visible token of our deep sorrow at the loss we have sustained, the charter of this Chapter be draped in mourning for a period of sixty days.

Resolved that the charter of this Chapter be draped in mourning for a period of sixty days.

There are more people killed by the railroads each year than have been killed in the Cuban, the Philippine and the Boer-British wars. In other words the total killed in the three wars is 30,000. Yet in the past year 51,000 have been killed by the railroads. The danger of railroad men is estimated to be four times greater than the danger of service in the Philippines. The toll of railroading is to be more deplored than the toll of war.

Alden Bonifacio "Quo Vadis."

That the earnest handling of religious themes and the portrayal of religious characters before the footlights is not in doubtful taste is thoroughly proven by the success which has greeted Chas. W. Chas's dramatization of Henry Sienkiewicz's famous novel, "Quo Vadis." It is everywhere described as a wonderful production, recently played, finely staged and beautifully costumed, filled with interest and so realistic that even one can never be forgotten. The prayer scene by the Apostle Peter in the third act is so beautiful in its simplicity that nothing can exceed the intense emotional stiffness with which it is received by the audience. It is a play in which those in front live the scenes with theactors and everything else is forgotten in the keen interest felt. It will be presented at the opera house on Monday night, Aug. 27th.
