

The Manistique Pioneer-Tribune.

VOL. 22, NO. 2065. NEW SERIES, 577

MANISTIQUE, MICHIGAN, FRIDAY, OCTOBER 11, 1901

\$1.50 PER YEAR.

WILL DISSOLVE PARTNERSHIP.

Rose Bros. decide to terminate their partnership. Mr. Leo Rose will continue to operate the store at Manistique, Wis., on or before January 1, 1902 the firm of Rose Bros. will be dissolved. Mr. Leo Rose of Marshfield, Wis., retiring. The business will be continued by Mr. Harry Rose as sole proprietor.

Nine years ago, Harry and Leo Rose began their business career in Manistique, with a capital made up chiefly of pluck and energy. They rented the Olson building at the street and started in an unpretentious manner. In a few years their business compelled them to seek larger quarters. They secured by erecting a large one-story building farther down the street.

Two years ago their business had outgrown that building and they were compelled to seek still larger quarters and the mammoth two-story building at the corner of Oak and Cedar streets, was the result.

About two years ago they purchased a stock at Marshfield, Wis., where they have also been conducting a large store, under the personal supervision of Leo Rose, and Harry has since that time devoted his personal attention to the Manistique store which he now becomes sole proprietor.

Harry Rose is one of Manistique's foremost business men, is universally esteemed, has always endeavored to keep abreast of the times, and success has crowned his efforts. We speak for him a continuance of the prosperity that has been the lot of the old firm.

VERY GOOD REPORTS

Submitted by Delegates to the Branch and Mrs. Brooks.

Rev. Rollo Branch and Mrs. Anna Brooks who attended the biennial sessions of the National Protective Legion recently held at Jamestown, N. Y., the representatives of Manistique Legion, No. 108, rendered an account of their stewardship before the members of the Legion, at the meeting held last Monday evening. Mrs. Brooks devoted her remarks to the social features of the session, while Mr. Branch gave a brief and concise resume of the business transaction.

The N. P. L. has been growing rapidly during the past two years and now has a surplus of \$150,000 in round numbers being an increase of \$82,000 since the last report was made.

The Legion is now prepared to furnish insurance from \$200 to \$2,000 on the step rate plan, although its chief feature is from the investment standpoint. By the payment of \$2.00 monthly it pays \$15 per week in case of accident or illness. At the end of each five year period the policy holder is paid his proportion of the net profits during the term, from which any losses will be deducted with interest at 6 per cent. As far as the policy holder is concerned \$20 for every \$100 that they have paid in. A number of Manistiqueans will draw their dividends next spring.

Atkinson-Williams.

John Williams and Miss Florence Atkinson were married at the home of the groom's parents last Tuesday evening by Rev. Rollo Branch.

Mr. Tony Holzknecht of Green Bay, Wis., was the best man and Miss Laura Williams, bridesmaid. The relative and a few invited guests were present. The home was handsomely decorated, the flowers being carnations and roses.

The presents included china, silverware and furniture.

Mr. and Mrs. Williams left for Buffalo Wednesday morning, where they will visit the exposition for a few days.

The contracting parties are well and success follows each effort. His intellects are not, easy and forcible. Each session is replete with pleasure and knowledge, so skillfully combined, that at no time is there lack of interest on the part of any. If the words of praise heard on all sides from those who took part in the convention are any criterion, Mr. Jacobs is a leader and teacher of no mean ability. The fact that he can sail is that Par Fax has not known such an awakening in singing in years, and it is to be hoped that permanent results have been accomplished which will lead to better singing in our choirs and on other public occasions. The best wishes and good will of the members of the class go with Prof. Jacobs wherever he may labor in the field of song.

COMPETENT MUSICAL INSTRUCTION VERY CHEAP.

Prof. Jacobs, a Well Known Contributor of Music Conventions, to Organize a Choral Union at Home Tonight.

Prof. P. D. Jacobs, of Chicago, who has a wide reputation as a conductor of music conventions and organizer of Choral unions, has decided to organize a union in Manistique. A meeting will be held at the opera house this evening for the purpose of organization. Four lessons each of one hour's duration will be given daily. The lessons will be so arranged that there will be no interference with the schedule of the public schools. The course will consist of twenty lessons, and will close Thursday evening with a concert. The charges for the course will be \$1.00 which includes a song book of 170 pages.

Mr. Jacobs is an energetic competitor and enthusiastic instructor and will no doubt have a monster class.

In speaking of the Professor's labors at Law Park, Mich., the True Northerner says:

The closing concert last Friday evening was a fitting climax to the work done in the four days convention under Prof. Jacobs. It is surprising to note what can be accomplished through the efforts of one who knows what to do and how to do it. An energetic leader, who employs vigorous as well as pleasing ways, Prof. Jacobs inspires all to try, and scarcely does he listen the capabilities of the classes, that to try to do, and success follows each effort. His intellects are not, easy and forcible. Each session is replete with pleasure and knowledge, so skillfully combined, that at no time is there lack of interest on the part of any. If the words of praise heard on all sides from those who took part in the convention are any criterion, Mr. Jacobs is a leader and teacher of no mean ability. The fact that he can sail is that Par Fax has not known such an awakening in singing in years, and it is to be hoped that permanent results have been accomplished which will lead to better singing in our choirs and on other public occasions. The best wishes and good will of the members of the class go with Prof. Jacobs wherever he may labor in the field of song.

SCOTTISH ENTERTAINMENT.

One of Rare Excellence to be Given Next Tuesday Evening at Opera House.

An entertainment of high merit will be that given at the opera house next Tuesday evening by Gavin Spence and Miss Flora Macdonald, under the auspices of the ladies of the Presbyterian church. This is what the Rochester Democrat and Chronicle has to say of the attraction:

It is not too much to say that the entertainment given last night by Gavin Spence and Miss Flora Macdonald at the First Baptist church, was one of the best character. Gavin Spence is a justly celebrated tenor, and Miss Flora Macdonald is a Scottish soprano with a remarkably clear and sweet voice. Scotch songs and charmingly told tales in the Scottish dialect deservedly earn for Mr. Spence the title of "Prince of Scottish Entertainers." Mr. Spence and Miss Macdonald were active in full Scottish costume most attractively. It would require a column, to tell the interesting things Mr. Spence told about Scotland and its people. The several duets by Mr. Spence and Miss Macdonald were greatly appreciated. It was one of the most refined, interesting and thoroughly pleasing entertainments given in Rochester in a long time.

Received a Bronze Medal.

The Manistique Iron Co. was awarded a bronze medal by the Pan American on its exhibit of charcoal, iron and Redwood Water. This is quite an honor for the company and for Manistique. There isn't a better iron made in the world than that made at Manistique, which test shows that Manager Nelson thoroughly understands the business.

Mr. George MacLennan received a gold nugget from William Briggs who was found at Seattle, during the past week. The nugget originally came from the Klondike. The following notes accompanied the nugget:

This nugget came from Dawson at the foot of Gold Hill. It was found 50 feet below the surface and 10 feet above bed rock. It is not like the usual run of nuggets which are free gold, this is a quartz and it was found this mine that this nugget was found which started out the run of prospectors from Dawson to Gold Hill to try and locate where this quartz came from, as it is claimed it is not very far away from where it is found, and they claim it must have been a very rich vein to send out such a nugget. It took it to an expert in Seattle and he said there was probably \$2,000 in gold.

The nugget is a curiosity as the gold almost completely enters a small piece of quartz. It was found fifty feet below the surface.

THE SIMMONS FUNERAL

Was Held Last Monday Afternoon, and Lately Attended.

Mrs. Mary Simmons, whose demise occurred last Friday morning, was buried Monday afternoon. Street services were held from the home at which Rev. Branch officiated.

The floral tributes were numerous and handsome, giving out expression of the respect and esteem entertained by the friends of the deceased.

The out of town relatives attending the obsequies, were: Rev. William Simmons of Mt. Pleasant, and Charles Simmons of Warren, Pa., sons of the deceased, and Mr. and Mrs. Charles Thomas of Barclay, Mich., the latter a daughter of deceased.

The pall bearers were Rev. Simmons, Charles Simmons, Charles Thomas, Charles R. Orr, Corwin Atkins and A. M. Leloff.

The deceased was universally respected by all knowing her and the strict family have the heartfelt sympathy of all.

RARE HONOR FOR YOUNG ALLAN FOX.

Elected to Phi Beta Kappa for his Scholarship at Yale.

(Detroit Journal.)

"Father: You'll be pleased to hear I have made P. B. K. ALLAN FOX."

This modest telegram yesterday from their boy at Yale told a Detroit father and mother that the highest academic honor the old college gives had been conferred upon their son, the right of membership in the Phi Beta Kappa fraternity.

Though the father, A. J. Fox of 623 Alfred street, the underman, has been in business so many years that he has not just sure this morning of the exact meaning of the honors granted to college boys, he was as happy as a boy himself over his son's achievement, and waited for a letter from Yale to tell him the story in full. Allan Fox is but 19 years old and is just entering upon his junior year. He is at present the assistant manager of Yale's football team, an office that leads to promotion to the management in the senior year.

The young man graduated from the Irving school in this city. At Andover he prepared for college, winning the first prize for oratorical ability when he graduated. Last June, at Yale, he won the sophomore first prize in oratory with an oration on Wendell Phillips. He has been editor of his class

RECEIVED A BRONZE MEDAL.

The Manistique Iron Co. was awarded a bronze medal by the Pan American on its exhibit of charcoal, iron and Redwood Water. This is quite an honor for the company and for Manistique. There isn't a better iron made in the world than that made at Manistique, which test shows that Manager Nelson thoroughly understands the business.

Mr. George MacLennan received a gold nugget from William Briggs who was found at Seattle, during the past week. The nugget originally came from the Klondike. The following notes accompanied the nugget:

This nugget came from Dawson at the foot of Gold Hill. It was found 50 feet below the surface and 10 feet above bed rock. It is not like the usual run of nuggets which are free gold, this is a quartz and it was found this mine that this nugget was found which started out the run of prospectors from Dawson to Gold Hill to try and locate where this quartz came from, as it is claimed it is not very far away from where it is found, and they claim it must have been a very rich vein to send out such a nugget. It took it to an expert in Seattle and he said there was probably \$2,000 in gold.

The nugget is a curiosity as the gold almost completely enters a small piece of quartz. It was found fifty feet below the surface.

The young man graduated from the Irving school in this city. At Andover he prepared for college, winning the first prize for oratorical ability when he graduated. Last June, at Yale, he won the sophomore first prize in oratory with an oration on Wendell Phillips. He has been editor of his class

All bills due me have been left with the First National Bank where payments can be made up to Jan. 1st, 1901. After which they will be in the hands of Geo. P. McCullum for collection. Any person wishing duplicates or repairs of glasses which I have fitted can secure the same from A. S. Patterson & Co., as I have left with them the duplicates of all prescriptions for glasses. My address will be Care of Thos. Cook & Son, Vienna, Austria. Respectfully,

Dr. E. B. PATTERSON.

If you want lots of eggs, get your best egg food and oyster shell. I have

An Unparalleled Offer to New Subscribers. Now is the time to plan for your winter's reading. If you are not a subscriber of THE PROGRESSIVE PIONEER-TIMES you should enroll your name at once. By paying \$1.50 we will send you THE PROGRESSIVE PIONEER-TIMES and the Chicago Inter-Ocean for one year. Those subscribing now and paying \$1.50 will receive the PROGRESSIVE PIONEER-TIMES until January 1, 1902, thereby getting the paper nearly three months free of charge.

Marriage License. The following marriage licenses were issued this week by County Clerk Ashford: Carl E. Nelson and Alma Anderson, both of Gulliver.

Albert Neveux of Gulliver and Josephine Fishaw of Luria.

John E. Williams and Florence Atkinson, both of Manistique.

William R. White and Hattie Marks, both of Manistique.

We are Headquarters...

For Saws, Axes and Cedar Maker's Tools. In these lines we carry only standard goods, goods that we can warrant. . . If you need a new Stove or Range, remember that we are agents for the famous Garland Stoves and Majestic Ranges.

E. L. Company
Hardware, H. M. LeRoy, Mgr.

...To the Public...

The majority of Manistique's public can easily recollect the time when this firm started into being. It is not so very long ago. The beginning was small and unpretentious, but by the energy, ability and upright business integrity of the members of the firm, and by honest and fair treatment to our patrons, by judicious advertising and by doing as we advertised, by taking advantage of all the new and up-to-date methods of doing business, we have, within the short space of only nine years, been able to make our store not only the largest and best in Manistique, but one of the largest, most complete, modern, up-to-date, and most desirable stores in this part of the country.

Three years ago we gained possession of the large general store in Marshfield, Wis., formerly owned by Ex-Governor Upham. This compelled Mr. Leo Rose to move to Marshfield while Mr. Harry Rose remained here, both stores being in different sections of the country.

By judicious advertising and by doing as we advertised, by taking advantage of all the new and up-to-date methods of doing business, we have, within the short space of only nine years, been able to make our store not only the largest and best in Manistique, but one of the largest, most complete, modern, up-to-date, and most desirable stores in this part of the country.

Recollect that Rose Bros. keep faith with the people, that we deal only in reliable goods, that our building is large and our store safe and commodious.

Prices Lowest, Safety and Satisfaction Guaranteed
