WHEAT YIELD ABOVE AVERAGE

Which Proves That Grain Can Be Raised Here at a Profit.

From the twenty-third annual report of the secretary of the state of Michigan for 1900-1 we glean the following excerpts that will be read with interest by our Schoolcraft county readers.

Schoolcraft county has 2917 farms averaging 100 acres per farm. There are 7,280 acres of improved land and 16,387 unimproved lands in the farms above mentioned. Doyle township has 90 farms which contain 1100 acres of improved land and 7152 acres unimproved, or a total of 8252 acres. Inwood township is next in the list having 1003 acres of improved land. Thompson has 577 acres, Manistique 839, Hiawatha 1087, and Genesee 1416 acres, while no improved lands are reported in Harrison and Seney townships.

In 1900 there were 381 acres of wheat harvested in Schoolcraft county. The total yield was 6,164 bushels and the average yield per acre was 16.07 bushels. This record was exceeded by nine counties of the state.

Of the 6,134 bushels of wheat raised in the county is divided among the townships of the county as follows:

TOWNSHIP	ACRES	BUSHELS	AVERAGE
Doyle	80	922	12
Genesee	69	1216	17
Hiawatha	99	672	17
Inwood	91	2716	18
Manistique	80	1352	18
Thompson	57	271	20

Of course there was 150 bushels of the shelled article raised. Doyle township reports 50 bushels from two acres and Manistique 100 bushels from four acres.

There were 271 acres planted in potatoes and the yield was 30,519 bushels. Doyle township yielded in the number of acres cultivated and total yield as will be seen by the following table:

TOWNSHIP	ACRES	BUSHELS
Doyle	80	7,697
Genesee	69	7,485
Hiawatha	99	6,119
Inwood	91	6,085
Manistique	80	4,219
Thompson	57	4,338

BASE BALL ENTHUSIASTS

Are Much Interested in the Coming Series of Games Between Manistique and Marquette.

The Beavers, Marquette's crack indoor base ball team will play the Manistique club at the opera house Tuesday and Wednesday evenings. As the Manistique Club consists of first class talent—some of the best in the city, and their opponents have an unbroken record of victories in many a hard fought contest, very interesting and exciting games may be expected.

The reserved seat charts for the games are filling rapidly. Five rows of reserved seats will be placed on the stage and several rows behind the net at the rear of the diamond can also be reserved.

The charts are at E. N. Orr & Co's drug store.

John Williams, the captain of the local team announces that the probable line-up of the Club for the first game will be:

Catcher, John Williams.
Pitcher, Wm. S. Crowe.
First Base, Victor Demmer.
Second Base, John Forslar.
Third Base, Frank Guinan.
Left Short, Dean Crowe.
Right Short, Will Paulsen.
Left Field, Dr. Munson.
Right Field, Chas. Robinson.
Every-body hopes that the boys will win.

Installed Officers.
The L. O. T. M. of Forest Hive, No. 245, of Thompson, Mich., held their installation of officers on Wednesday evening, Jan. 29. The following officers were installed by Past L. O. T. M. viz:

A GOOD COMPANY.

Four tables were played, and the game making the largest score for first prize, Mrs. Kohn winning out. She received aluminum brass candlesticks. Those who lost the greatest number of points also cut and Mrs. Gero was the recipient of a box of chocolates.

Delicious ice cream, cake and bonbons were served and all present had a very enjoyable evening. The guests were: Mesdames Mallette, Hancock, Kiehlberg, Duntun, Mereween, Bowen, Crane, MacNaughton, Kelen, Emmett, Rose, Tucker, Putnam, Phippney, McKinney and Childs.

A delightful program was rendered on the piano by Mr. Benjamin zero throughout the evening.

DEATH OF FRANK CLARK SR.

Occurred at Stevens Point, Wis., Last Sunday.

Frank Clark was called to Stevens Point, Wis., this week to attend the funeral of his father who died last Sunday. The deceased was one of the oldest and best known residents of Stevens Point, and was 71 years of age at time of his death. He is survived by a widow, two sons and two daughters. The sons are Frank Clark Jr., one of our prominent businessmen, and Thomas S. Clark, at present a student at the College of Physicians and Surgeons Milwaukee. The elder daughter, Mrs. Margaret Glover, is principal of an Indian school in Oklahoma.

Early in the winter Mr. Clark was stricken with typhoid fever which reduced his vitality to a low ebb and the end was not unexpected.

Mr. Clark has the sympathy of his Manistique friends in his bereavement.

Michael Spellmacher of Inwood township died last Tuesday morning of pneumonia after an illness of twelve days. He was forty-six years of age and unmarried and had been a resident of this county for many years. He leaves aged parents and three brothers, Joseph and Saml. of this city, and John of West Superior, Wis., to mourn his loss. Less than a month ago another brother, David, died of the same illness at Coombs. Funeral services were held at Coombs Saturday morning after which the remains were brought to this city for burial. A delegation of Women of America accompanied them.

Lady Minstrels.
Only a few more days to wait for Thos. P. Kelley's big production of lady minstrels. Everything up-to-date. The famous comedians on the stage will be presented here just the same as in all large cities. Lady singers, lady dancers, lady musicians, lady acrobats, lady jesters; more original ideas, more novelties, more imaginable situations, more fun than any other traveling combination. Don't forget the sale. Wednesday, Feb. 19th.

Constructor W. S. Ramsey expects to go to St. Paul and Minneapolis tomorrow evening to look after the shipment of supplies for the new court house.

"Parlor Base Ball" Social.

The social which was given by the Manistique High School Alumni Association at the home of Miss Amy McGrogan last Friday evening was a very pleasant affair and a decided success both socially and financially. There were various menus provided for amusement, chief among them being the "base ball" feature. This was entered into with much zest by all. The company was divided into six clubs and the playing was very exciting.

We suggest that the Alumni give more of their entertainments in the very near future if this social is a true sample of their kind of work.

Sunday School Institute.

The Sunday School workers of this city and of the surrounding county will enjoy a rich treat next Sunday and Monday, Feb. 14th and 15th. The occasion will be the visit of our community of Mr. Alfred Day of Detroit, secretary of the State Sunday School Association, and Mrs. Mary Foster Bryner of Chicago, a specialist in primary work. On Sunday morning Mr. Day will speak at the M. E. church, and Mrs. Bryner at the Presbyterian church. In the afternoon will be a Workers' conference at the Baptist church; and in the evening, a Rally Sunday School service will be held at the Presbyterian church. On Monday afternoon there will be a children's service, conducted by Mrs. Bryner at the Baptist church, and in the evening a meeting of the City S. S. Association in the Manistique High School work, including all scholars are urged to be present. Offerings will be made at each of the evening general meetings for the Michigan State Sunday School Association. Let all attend.

Easter comes this year on the 30th of March, which is very nearly as early a date as it ever occurs. It falls on the first Sunday after the first full moon following the vernal equinox, or the 21st of March. It is an old saying that an early Easter will surely bring an early spring.

The city election will be held during the fore part of April instead of March as was the case under the village charter. Thus far very little is being said as to candidates. We hear the names of W. F. Crane, Geo. Bouschor and Benj. Gero mentioned for mayor. Many people think that if Mayor Crane desires a re-nomination he cannot secure it and he may decide to listen to the many friends that are urging him to enter the race.

In discussing the above question some one remarked that a good well fitting shoe for a woman at a medium price was almost impossible to obtain and that person has probably never heard of the "Queen Quality" the famous shoe for women, or he would never have made the above remark. In Queen Quality shoes a woman not only gets good and well fitting shoes, but there is style about them that cannot be surpassed by the highest priced custom made article, and then they wear. Wear like the best; for the nominal price of only \$9.00 a pair, a price that is not beyond the ability of the most economical shoe buyers. The spring styles have just arrived and a large variety is shown by Rose Bros.
