

"EL FAUSTO" CIGAR. TEN CENTS STRAIGHT. NOW MADE CLUB HOUSE SHAPE

The Manistique Pioneer-Tribune.

VOL. 24, NO. 2244 NEW SERIES, 756

MANISTIQUE, MICHIGAN, FRIDAY, MARCH 17, 1905.

PER YEAR, \$1.50

PARTY ORGANIZATION

held a meeting last Monday evening and made plans for coming caucuses.

"THE MEETING NOT PUBLIC"

was called by W. G. Evans, chairman of the "Competition Committee."

Last Monday evening Messrs. Patsy McNamara, W. V. Parker, C. W. Dunlap, Benj. Gore, F. E. Barrett, Walter and a few others representing "the people" in their fight against the "politicians" met at the Record office in response to the following call issued by Chairman Evans of the competition committee. The call follows:

Headquarters Campaign Committee.

Manistique, Mich., March 11, 1905.

Dear Sir:—There will be a meeting of the party organization held at the Record office Monday evening at 8 o'clock. You are earnestly requested to be present. The meeting will not be public.

W. G. Evans, Chairman.

"The representatives of the people" were called to order by the chairman who has been unremittingly championing the cause of the people against the politicians and who has been eloquently portrayed here "the people" represented at the private gatherings being over-riden by the politicians and impressed it upon their minds that the "politicians" at such times and places had hold their chamber sessions, perfecting plans for the overthrow of "the people."

The participant viewed with alarm the rumors the politicians were making of several of the "people's" candidates as officers and that effective methods, including a big campaign fund, were necessary to counteract the efforts of the politicians.

Patsy McNamara after explaining how he intended to clean up his opponent in the first ward, made a motion, seconded by Parker, that McNamara was the choice of the party organization for attorney in the first ward. Barroll voted "yea."

Patsy also moved that Messrs. Barrett and Fox be supported for attorney in the third and fourth wards, and from force of habit Parker seconded the motion, and Barrett for the second time voted "yea."

The plans for capturing a sufficient number of delegates to name the nominees of Bowen for mayor, Lindsey for treasurer and LaFrance for clerk were discussed.

The chairman hinted that he should be compensated for his proposed valuable services in behalf of the "people," and some one suggested that at his last spring was scaled from \$75 to \$85, but he would present a bill for \$100 this time so that the minimum amount allowed would compensate him for his invaluable services.

The issue was discussed at length. One suggested that while the franchise question was not the issue it would still be advisable to elect a city council that would pass an ordinance franchise in its favor.

The usual course of procedure municipal caucuses in case the "people" are defeated by the "politicians," was also detailed again.

At that moment the head man upon which the reporter was standing, looked, and a consternation reigned supreme. This audience one of the participants who thinking that Patsy had made another motion, voted "yea."

Evans who has been so strenuously advocating the cause of the "people" as against the politicians, who has even gone so far as to write up petitions meetings held by the "politicians," in order to score a point certainly was caught napping in this affair of Monday evening.

A copy of the notes above stated is in the possession of the writer and its authenticity cannot be denied.

The voters now are aware of the fact that there is a "party organization" and a campaign committee and that W. G. Evans, self appointed, perhaps, is the chairman.

BOUSCHER WINS

In Thompson Township Caucus for Supervisor.

Simon J. Bouscher was nominated for supervisor at the union caucus held in Thompson township last Wednesday, defeating Fred Miller, who was an aspirant for re-nomination, by twenty votes.

Mr. Bouscher, the nominee, has acceptably served his township in the same capacity for several years in the past and is quite popular. Miller, his opponent has also occupied the position for three or four terms. Notwithstanding the fact that the caucus was a union caucus, there are rumors of another ticket with Miller at the head. If this is true there certainly will be a lively scene in the township next fall after the votes are counted April 3rd. Peter Quilan defeated H. Van Gorder for highway commissioner by a majority.

Geo. Williams was nominated for clerk.

Ed Fitzgerald was the choice of the caucus for treasurer, and James Dixon for over-seer.

THE OFFICIAL RECORDS

Show What the Manistique Light Co. Has Been Striving For.

THE PRESENT FRANCHISE

With its Exorbitant Rates, It's Only This It Has Asked For This Far.

Just now the manager of the Light Company and his pals are spending a great deal of time in endeavoring to persuade the average voter that the franchise matter is not the issue that the company stands ready to do the right thing that it would not accept a franchise unless it was satisfactory to the people; that it does not want a franchise; only a permit to do business.

All this sums set, but the previous record of the Light Company in its efforts to secure a franchise here, the stamp of insincerity upon the new tack taken by its manager with a view to beguile the voters into supporting candidates biased in favor of the company.

Here is the condensed record of the Light Company's effort to secure a franchise as gleaned from the official proceedings of the city council. It certainly proves that up to the present campaign there has been no disposition upon the part of that company, its manager or its aids in the council to help the interests of the people, and judging the future by the past its readers will have no hesitations to presume the voters that it is going to be good.

At a meeting of the city council held Feb'y, 8th, 1901, Benj. Gore, then president of the Light Company sent a communication to the city council in which appeared the following prayer:

"Therefore we humbly pray your honorable body to grant us a franchise to continue for a period of thirty years from date of granting same."

The following disposition of the matter was then made, according to the official proceedings of the council.

"A motion was then made by Ald. McKinnon, supported by Ald. W. W. Parker that the franchise that was being granted to Manistique Light Co. and the city of Manistique be extended for five years."

A committee was appointed to draft an ordinance and Mr. Gore refused to confer with said committee and the matter was tabled for that year.

The matter was reopened early in January of this year as is proven by the official proceedings of the city council for the meeting held January 9th. We quote as follows:

"A communication from the Manistique Light and Power Co., asking that the franchise asked for on Feb'y, 6, 1904

be granted, was upon motion of Ald. Wickrose, supported by Ald. Wadell laid on the table.

On Feb'y, 6, 1904, the company asked for a thirty year franchise and on January 9th of this year they asked that the franchise asked for then be granted.

At the meeting held on January 25, a committee consisting of Messrs. Parker, Burns and Wadell were appointed to meet the officers of the Light Company and draw up a franchise. This was a failure for the official proceedings of the council meeting held January 25th state that:

"Ald. Parker, chairman of the committee appointed to meet with the officers of the Electric Light Company and draft an ordinance governing same, in order that the officers supply water to the city of Manistique, called and said they asked for an extension of the old franchise for a period of fifteen years.

The company stepped from thirty to fifteen years but insisted on extension of old franchise. When it is understood that the present contract includes the excessive maximum rates now in vogue including a 20 cent meter rate, it will be hard for the company to prove that it has been showing a disposition to do the right thing.

Later another committee was appointed and after consulting the members of the Light Company cleaned it a waste of time to draw up another franchise for their rejection.

It may be added here that the franchise rejected by the Company and which its officers "simply refused to sign," embodied a minimum meter rate of 10 cents with reductions to large consumers.

This disposition to ignore the rights of the people has been shown so strongly and so recently that it is so disturbing to the public mind that it is now the object of indignation that has set in against candidates that will, if elected, sustain the Light Company in carrying out a long term franchise offering an excessive rate upon the people.

Its disposition is clearly outlined in the official proceedings of the council from which above quotations have been made and we doubt the ability of any one to convince the voters that the Light Company is sincere in its protestations and promises at the present time.

At any rate no mistake will be made if you vote for men that are in favor of granting a franchise limited short with restrictions and limitations so to bring Manistique cannot afford to price the laughing stock of the commercial world by granting an unlimited franchise to a conscienceless corporation that would a 20 cent meter rate, and at 15 cents or thirty year franchise.

If the Light Company is sincere in its protestations that it will do the right thing, it would have reduced rates voluntarily long ago.

PUBLIC UTILITIES

The City Council Unanimously in Favor of a General Sewerage and Waterworks System.

A SPECIAL ACT REQUIRED

Before Manistique Can Legally Vote Therefor.

The city council wisely decided by unanimous vote last Monday evening to give the people an opportunity of voting for a proposition to bond the city for the construction of water-works and sewerage systems, and as the legality of the bond might be questioned if issued for the dual purpose, the hall was adjourned on the evening in question whereby our representative and senator will be urged to present and urge the passage of a law through the legislature covering said vote.

Alderman Wickrose presented the following resolutions, which were passed unanimously:

"Whereas this council deems it advisable to have a general system of water works and sewerage constructed in this city, and

"Whereas, we deem it advisable to have the sewer and water works system constructed, and

"Whereas, we are advised that under the present charter provisions the authority of the city to borrow money for a combined system might be questioned, resolved, that the city attorney be instructed to prepare a special act to be passed by the legislature authorizing the city to issue bonds to raise by loan some such sum as may be necessary, and to cover the estimate now being made, to construct a combined system of water works and sewers."

Resolved, That the city attorney, J. B. Clark and Senator W. N. Mills be requested to use all honorable means to have such act passed by the legislature and give immediate effect in order that the proposition to raise said sum may be submitted at the coming annual city election.

While the time is short no doubt the bill asked for will be pushed through the legislature in ample time so that the question of bonding the city may be voted upon at the city election to be held April 3rd.

There is a well nigh unanimous consensus of opinion among the voters that the utilities should be constructed and no complaint of education is needed.

How so be it that the necessary two-thirds majority will be forthcoming when an opportunity is given the public to vote thereon.

Don Dupires has recovered from his attack of pneumonia and is on the road again.

Always the Best

Dear Sir: If you are in the habit of shaving with a straight razor, you will find it a very convenient and safe thing to use. It has no blades, and is therefore safe to use. Each blade gives you a thirty day's use. You can buy a Gillette razor and a safety razor for 20 cents. Each razor is made in the U.S.A. and is made of the finest material.

No Stropping or Honing

You cannot get strop or honing or fall to pieces. It is made of the finest material and will last for years. When you have used each of the blades, you can buy a new one for 10 cents. You can buy a Gillette razor and a safety razor for 20 cents. Each razor is made in the U.S.A. and is made of the finest material.

C. L. HARDWARE STORE,
A. M. LeROY, Manager.

IN HONOR OF HER GUEST

Mrs. Geo. G. Rogers Entertains a Number of Ladies in Honor of Mrs. Egbert.

Mrs. Geo. G. Rogers very pleasantly entertained a number of friends in honor of her guest, Mrs. E. Egbert of Manistique, last Wednesday evening.

In the game of progressive Pinch, Messrs. Thomas, Brown and Hollicken cut for first prize. Mrs. Hollicken won, receiving a silver nail file. Messrs. Cox, Tuberson, Orr and Bowen cut for consolation prize. Mrs. Bowen winning a small beautifully dressed doll.

Misses Tucker, Orr and Brown, assisted in serving delicious refreshments.

The following were present:

Manisses:	Hixon	Pattann
	Tucker	Powell
	Carro	Bowen, O. C.
	Hollicken	Thomas
	Brown	Cole
	Brooks	W. G. L.
	Garr	Orr, W. N.
	Waters	Monier
	Hains	Cox
	Manufacturer	Orr, C. R.
	Sattler	Robertson
	Burlock	MacNaughton
	Henson	Brown
	McMillan	Davidson
	Misses	Burrell and Packard.

FROM VERNAL, UTAH

James Richardson Sends Rich Specimens of Orches.

James Richardson an ex-resident of Manistique, who now resides a ranch in the vicinity of Vernal, Utah, sent a number of specimens of ore to Andrew Richardson last week, which give one an idea of the mineral wealth of that country. The territory is to be opened up by the construction of at least two railroad lines and it looks as though Mr. Richardson had struck it rich in the location of his really holdings. The samples he has is the following:

Charcoal a mineral rubber. It will ignite when in contact with a lighted match. It is very valuable. Paints are made from it.

Asphaltum said to be 80 per cent pure. Said asphaltum not so rich as the black but better for paving.

Earl Vastlander has accepted the position of lumber estimator in the yards of the C. L. Co., succeeding Peter. Hendson. The position is a responsible one and his friends are pleased to learn of his good fortune.

Big Sale of Muslin Underwear

FRIDAY, SATURDAY and MONDAY

The Display Embraces a Vast Assortment of the Daintiest Snowy White Garments---Manufactured in the Most Sanitary Condition in Large, Well Ventilated Workrooms, by Expert Needle Workers.

WOULD YOU DO IT ?

Would you go to any store in Manistique and pay 30 cents for an article you could buy at another store for 10 cents? We think not; still some people buy express and postal money orders and pay 30 cents for a hundred-dollar order when they could buy a bank draft for 10 cents. Remitting by bank draft is the safest and cheapest way of sending money and the only reason why some people do not always use bank drafts is because they are not posted on rates of exchange and methods of remitting.

Comparative Rates

AMOUNT NOT OVER	OUR RATES	EXPRESS COMPANIES	POST OFFICE ORDER

JOHN I. JENNINGS, City Clerk

COUNCIL PROCEEDINGS.

(OFFICIAL)

Manistique, Mich., March 13th 1905.

At a regular meeting of the City Council of the City of Manistique held on the above date, at 8 o'clock P. M.

Present at roll call, Mayor, O. C. Bowen, Aldermen, McNeil, Schuster, Durso, Parker, Waddell, Wickwire and Gunnarson.

Absent, Alderman Ward.

Minutes of regular meeting of Feb. 13th 1905 read and approved as read and signed by mayor.

The following bills were then audited:

Street Fund	\$270.35
Contingent Fund	\$182.07
Fire Fund	\$65.45
Police Fund	\$10.50

Upon Motion of A. M. Wickwire supported by Ald. McNeil the above bills were allowed by following vote:

Yeas—Ald. McNeil, Schuster, Durso, Parker, Waddell, Wickwire and Gunnarson.

Nays none.

Upon motion Street Commissioners report for month of February was received and placed on file.

Report of Andrew P. Ekstrom chief of police, for month of February was on motion received and placed on file.

Chief of Police reported that street lights were all burning each night during February.

On motion the report of Chief of Police of animals impounded and proceeds thereof, was received and placed on file.

Chairman of Electric Light Committee reported, recommending that lights be placed on corner of Steuben street and Manistique Ave. and also one on corner of Steuben street and Park ave.

On motion of Alderman Parker supported by Alderman Wickwire the street commissioner was instructed to place poles for said lights and the said lights were established.

Fire Committee reported that they had arranged for J. W. Bowser to bring the bell at each fire alarm, also to receive fifty cents for each fire, for his service.

The Fire Committee reported a proposed ordinance governing the control of the Fire Department which was read as follows.

Ordinance No. 28.

AN ORDINANCE RELATIVE TO THE CONTROL AND MANAGEMENT OF THE FIRE DEPARTMENT.

EDITORIAL COMMENT.

An aspirant for office should at least be a natural citizen of the United States.

Wonder who the "day farmer" is that is the main spring in the concerted attack upon the experiment station at Chatham by the Record of this city and the Iron Mountain.

As usual there were two Republican tickets in Manistique this year. An effort was made to harmonize the factions in the parties but the olive branch and the dove of peace were lost in the shuffle.

As long as the upper peninsula shows itself so anxious to secure the lieutenant governorship as to spring candidates and aspirants two years in advance, just so long will the "State of Superior" fail to secure the governorship.

S. August Erikson, who has been mentioned as a candidate for superior of the Fourth ward will accept the nomination if it is tendered him but he is not making an effort to win. The same can also be said of J. H. McCallum, W. S. Ramsey, and Chas. A. Johnson. Any of these gentlemen if nominated and elected, would no doubt attend to their official duties to the entire satisfaction of their constituents.

The fight for civic parity has reached such an acute stage in Iron Mountain that the saloon men and others have made arrangements for the issuance of a tri-weekly to be temporarily published at Millwaukee. It is their intention to establish an office on Mountain later, but Hanna is pouring such broadsides into their camp that they cannot wait until material can be installed. They'll be equally hasty to get rid of it later.

O. B. Fuller of Delta county, who was temporarily retired from politics by the success of the friends of Senator Mills of Monmouth in sending the latter gentleman to the upper house at Lansing, is also mentioned as a candidate for lieutenant governor before the next state Republican convention. Mr. Fuller is now at Hot Springs, Ark., for his health and it is reported that if he returns in improved physical condition he will be in the race to stay. Next—Mining Journal.

From all that we can learn, Representative J. B. Clark is scoring high marks right along at Lansing. He has gained influence and standing in the House, and the confidence of his conferees. This is shown strikingly in the success he has met with in securing favorable action on measures he has introduced. He has secured the passage of more bills without a dissenting vote in the House or Senate than any other member can be credited with, and he is complimented by the Republican press and the leading men of his district on the good work he is doing.—St. Ignace Republican.

The editor of the Manistique Record complains that Leo M. Geismar wrote him a torrid letter. What did the dear editor expect; did he think that Mr. Geismar would turn the other cheek? The Record man still sputters about Mr. Geismar "making good." Those who know the superintendent best assert that he has made very good, inadequate facilities and insufficient appropriations considered. If there are any facts behind the Record's slurring hints it ought to act with them, or apologize to Mr. Geismar, and pretty much everyone else.—Mining Journal.

At the Chatham experiment station Superintendent Geismar has been the whole thing the past year. Like the car celebrated in verse who was "The midshipman, the boatman tight and the crew of the captain's gig," he has been superintendent, ploughman ditcher, threshing machine and stenographer, all because the state could only spare the station a thousand or two of the hundreds of thousands of dollars that are scattered with such liberality about every where else. And still some of our U. P. papers complain because the Chatham station isn't selling supporting and doesn't in addition, make enough money to run the Agriculture college. Upper peninsula soil may be extraordinarily fertile, but like everything else it has its limits.—Mining Journal.

EDITORIAL COMMENT.

Anna may tell you what she knows about the backbone," said Miss Jones, the trolley. Anna did not let her tremble and embarrassed. She rided her little hands up and down her hips and began. "The backbone is a bone that runs down your back and holds you together, and keeps you from being legs clear up to the neck."

NEW SCHOOL TEACHER STORY.

"Anna may tell you what she knows about the backbone," said Miss Jones, the trolley. Anna did not let her tremble and embarrassed. She rided her little hands up and down her hips and began. "The backbone is a bone that runs down your back and holds you together, and keeps you from being legs clear up to the neck."

WHERE HE STANDS

Gen. A. White is a candidate for the nomination for mayor desires us to announce the platform upon which he is making the race.

He is heartily in favor of securing water works and sewerage systems for Manistique and will if elected do all in his power to bring about their long-expected public utility.

He believes in the enforcement of all ordinances and will if elected see that they are enforced until such time as they are repealed.

His platform is not lengthy and certainly cannot be objectionable to law abiding and progressive citizens.

FOR ALDERMAN THIRD WARD.

Mr. Geo. H. Brusik has announced his candidacy for the nomination of alderman on the third ward to succeed R. B. Waddell who is filling the vacancy caused by the removal from the ward of Alderman Ross.

Mr. Brusik who by the way is a model young business man as well as citizen, holds a responsible position in the office of the Manistique Iron Co., and it is the wish of that company, which is the second largest tax payer in the city, that Mr. Brusik be elected as their representative.

When clean bright young men of the Brusik type take sufficient interest in local politics to aspire for office they should be encouraged, and judging from the enthusiasm his candidacy has evoked in the ward he will no doubt secure the nomination.

He should receive an overwhelming majority at the caucus and if the people do their duty and ignore the politicians, the result will not be in doubt.

NOTHING START ABOUT IT.

The best way to fight whiskey is to assist in riding the world of the fool notion that whiskey drinking is "smart." There never was a larger fool rick than paying you hard earned money for that which injures you physically and morally, yet thousands of men—particularly young men—think whiskey drinking is "smart." Kill that silly notion, and whiskey is doomed, because it never once did good, and does harm millions of times every day. Men who dislike whiskey drink it occasionally because they somehow think it is "smart" and "manly." Seven-tenths of the intoxicants are consumed by men who don't care for them; who order wine at dinner because they think it the "proper thing." The old sets will soon kill themselves, and they don't amount to much anyway, but the millions of good and useful fellows who drink when they do not want it because of custom; they are worth saving. And the best way to save them is to assist in getting rid of the fool notion that whiskey drinking is "smart."

THE SITUATION AT IRON MOUNTAIN.

We rather like the spirit of Mayor Cruze of Iron Mountain and the enthusiasm which the editor of the Iron Mountain Press puts into the campaign for the mayor's re-election in that city. It has turned out just as such things usually do. A certain element in the city of Iron Mountain desires to absolutely control the mayor, the council and everything else in the town. They want a wide, wide open town. The mayor insisted on at least a semblance of decency in an apparent if not actual observance of laws regulating the liquor traffic. When the mayor went after this he was frustrated in every attempt. The saloon men formed an organization, fought the mayor and now they are even going to the extent of boycotting business men who are suspected to being in sympathy with the mayor in his efforts to bring about an observance of the law. Iron Mountain citizens, some of them, at least, need a very liberal dose of straight talk. They might find that the Governor of the state of Michigan is a live one if they will push the ridiculous thing to him. The editor of the Iron Mountain Press is giving them their kind of talk they need. We hope, for the sake of Iron Mountain and its decent citizens, that Mayor Cruze wins in his fight for decency. When he became so brazen in their violations of the law that they defy a mayor to enforce the law and then blackmail him for so doing, it is time somebody woke up.—Mining Gazette.

STOCK REDUCE SALE

We are compelled to AT ONCE reduce our stock of Shoes so as to give room for our spring goods which are arriving faster than we can make room for them in our store. These Goods We Sell Cheap,
But We Don't Sell Cheap Goods

EKSTROM & NELSON

Leading Shoe Dealers of Manistique.

EDITORIAL COMMENT.

Petitions endorsing the local option measure at present before the legislature, have been very largely signed by the citizens of Manistique during the past week. The proposed law is framed on the same lines as the law in Ohio, which has brought about such satisfactory results, from a temperance standpoint, in the state.

WE OFFER MEN REPRESENTING YOUR SENTIMENTS.

If you are against the idea of giving the Light Company a charter mortgage on the town, viz: a franchise without a reduction in maximum rates, you will express your sentiments by voting for the following candidates for aldermen in the caucuses next Wednesday evening:

- Sherman McNeil, First ward.
- Seymour Graham, Second ward.
- George H. Brusik, Third ward.
- Robert C. McKesson, Fourth Ward.

How's This?

- We offer one hundred dollars Reward for any case of catarrh that cannot be cured by Hall's Catarrh Cure.
- F. J. CHENEY & Co., Toledo, O.
- We, the undersigned, have known F. J. Cheney for the last 15 years, and believe him perfectly honorable in all business transactions and financially able to carry out any obligations made by him.
- W. ALDRICH, KINNAN & MARVIN, Wholesale Druggists, Toledo, O.
- Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system. Testimonials for it are everywhere. Price 75c per bottle. Sold by all druggists.
- Take Hall's Family Pills for constipation.
- Well Drilling.
- I am prepared to drill wells and an iron position to guarantee satisfaction as I have new and improved machinery.
- Call on or address, CHAS. BAARZ, Manistique, Mich.

NOTICE TO TEACHERS.

The examination of teachers for the school district will be held at the Court House in Manistique on the following dates: Aug 11-12, 1904. Mar 10-16, 1905. Oct 20-21, 1905. June 10-16, 1906.

Third grade—average 70.
Second grade—average 80 and proof of having taught successfully at least seven months.
Miscellaneous certificates will be granted to those who can pass only one of the above written examinations and who are otherwise qualified.
Applicants required to be present at 8 o'clock.

W. W. CORNELL, Examiners.
W. W. DUTTON, BELLAH BOWEN, COM.

EXTENSIVE BUILDING PLAN.

Cleveland-Cliffs Iron Co. Will Erect Houses at Munising.

Unless there is a hitch in the present program, the town of Munising will be the scene of considerable building activity the coming summer. For some months the Cleveland-Cliffs company has had under advisement a plan for the erection of twenty-five houses there, in order to accommodate an increasing population and for the further purpose of encouraging the erection of a better class of building.

Nearly the entire plat of the village of Munising was at one time the property of the Cleveland-Cliffs Iron company, and aside from those lots upon which buildings are now standing, the entire acreage of vacant property is retained. In the past it was the policy of the company to reserve the choice building sites for the better class of residences, but this plan has been found to have defects, inasmuch as there was no sale for the lots under the restrictions exacted in the contract.

It is now given over by the land department of the company as Neguense that the property held at Munising will be placed on the market and sold without regard to the value of the building to be erected, and encouragement to build substantial structures will be given by rather than by terms of a contract. The plans for the company's proposed cottages have been carefully made by a well known upper peninsula architect, and they will be modern in every respect. There is to be no similarity in design, each house being of a different style, and the range of cost will be from \$1,000 to \$3,500. Contractors in Marquette, Ishpeming and Neguense are now figuring on the plans, and it is expected that the awarding of contracts will follow shortly. The present movement for the development of Munising is said to be but an indication of greater plans held in mind by the Cleveland-Cliffs Iron company—Mining Journal.

U. P. MEMBERS

Senator Mills Proposes toEnlarge State Board of Agriculture.

Senator Mills of Menominee, proposes to introduce a bill providing for the increase of the state board of agriculture from six to eight members, with a provision that the additional members shall be appointed from the upper peninsula. At present all six members of the board are lower Michigan men and while they are said to be well disposed towards this region they are unacquainted with its needs, thus the upper peninsula suffers in failing to get its share of attention in the agricultural work being carried on in the state. An instance of this is the neglect of the Upper Peninsula Experiment station at Chatham, in the building of which upper peninsula newspaper men and the delegation at Lansing now shows a disposition to interest themselves. It is said that the bill will be introduced by Senator Mills will have Governor Warner's support, and naturally it will be backed by all the northern Michigan members—Mining Journal.

PROTEST FROM DOYLE

Concerning the Partition of That Township.

EDITOR PIONEER-TRIBUNE: The people of Doyle township, were thrown into a panic last week by the announcement that their most valuable towns have been partitioned and that a petition was circulating to take two more towns to compensate the town of Genaruff for their loss by reason of territory taken from them to organize the town of Mesher. The people of this town realize that the loss is irreparable and what Doyle did expect and rightly so was that after paying \$1600.00 that was against the town 41 and 42.13 that they would be consulted. They naturally looked to their representative for an explanation but it seems because nothing of the matter only that the whole thing was done in three days. Your understanding of the law is that this should first come before the board of supervisors, and the writer is informed that it was brought before that honorable body, and if such was the case we have a right to ask why did not Mr. Wood know nothing of the matter.

Why did he not let the people he so dearly misrepresents on the county board know something so they could have at least been heard in opposition to such a piece of robbery. Some of the people who follow him best are not surprised. His whole history has been a list of petty to the township. Two years ago or less he signed a petition to take the west half of this town and have it joined to Munising because he was denied for the office he now holds. But we had a representative at that time who did not forget the rights of the people and who told them to take the matter before the county board where it should be taken. There is no blame to attach the board who had every right to think when they looked at the man who was then there to represent them that they were an incapable of self government as the Philippines.

The people will speak on April 20 and bid him and the ring of disreputable politicians who secured his election.

RAMMER, Gulliver, Mich., March 8, 1905.

HITS NAIL ON HEAD

The Ishpeming Record Takes Right Stand on Experiment Station.

The Ishpeming Record hits the nail squarely on the head in its defence of the experiment station at Chatham, which follows:

There has been something said in some of the lower state papers regarding the Upper Peninsula Experiment Station, which smacks considerably of the lack of intelligent opinion or else concerning the station to say the least, thought it might be better termed an effort to slay the institution in the face. Those state papers declare in a word that Superintendent Gesmer ought to be able to maintain a bright prospect out of this bunch of money, now, really, isn't that a fine show for so mainly an institution.

DANDRUFF, FALLING HAIR.

"You may not have dandruff—you may even have a luxuriant head of hair and yet there may be trouble at the root of your scalp. Pull out a hair; if the bulb is plump and rosy, your hair is healthy, but if the bulb is white and shows poor hair is diseased, and you need a hair tonic. We have to you a hair tonic, a remedy that is a nutritive tonic and germicide. It goes directly to the roots destroying all germ life, removes all traces of dandruff, stops falling hair, and finally cures the hair follicles. Giving new life, vigor and gloss to the hair. It sells only at our store at fifty cents per bottle.

AMERICAN STEAMER TAKEN.

Yoko Capture the Tacoma En Route for Vladivostok.

Tokio, March 16.—The American steamer Tacoma was seized by a Japanese gunboat on March 14.

The Tacoma is an iron screw steamer of 2,812 tons register. She is owned by the Northwestern Commercial Steamship company of Seattle, from which port she sailed Jan. 6 with a cargo of beef for Vladivostok. It is said, without extensively for Shanghai.

Senator Mills of Menominee, writes A. M. Akers of Wood, Ind. "I took treatment with several physicians without any benefit. I then started to take Foley's Honey and Tar and my lungs are now as sound as a bell. I recommend it to all advanced stages of lung trouble." Foley's Honey and Tar stops the cough and heals the lungs, and prevents serious results from a chronic catarrh. Sold by E. N. Orr & Co.

Weak Hearts

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember to use the American Cough Cure. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and heart. This interferes with the action of the heart, and the course of time that delicate but vital organ becomes diseased.

Dr. D. S. Knapp, of Nevada, Mo., writes: "I had stomach trouble and indigestion for about four months and had to give up my work. I took Knapp's Kidney Cure for about four months and it cured me."

Knapp's Kidney Cure is a powerful medicine for all cases of kidney trouble and indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and heart. This interferes with the action of the heart, and the course of time that delicate but vital organ becomes diseased.

FOLEY'S KIDNEY CURE
Mildly Kidneys and Bladder Right

FIERCELY ATTACK THE PASS

GENERAL KUROPATKIN REPORTS A BLOODY REPULSE OF JAPANESE ASSAULT.

St. Petersburg, March 16.—General Kuropatkin, in a dispatch dated March 14, says:

"A fierce attack on the center of our positions at the Fan river (about thirty miles south of Tlo pass) has been repulsed. More than 1,000 corpses remain in front of our positions."

The Fan river may be described as part of the outer line of defenses of Tlo pass, which probably led to the report that an attack had been made on the pass itself.

Russians Hide Artillery. Japs Will Search for Many Missing Cannon.

Nowobang, March 16.—The military men here advance the theory that the difference in the number of guns the Japanese are reported to have captured and those General Kuropatkin is reported to have lost is owing to the Russian, when routed, having dragged guns into the rivers through the ice abandoned others in ravines and gullies. It is expected that as soon as the present rush at Mukden is over search for the lost artillery will be reactivated.

Japan Net Asking for Peace. London, March 16.—Baron Hayashi, the Japanese minister, in an interview during the day on the subject of peace, said that all suggestions to the effect that Japan had officially or unofficially put forward feelers looking to the conclusion of peace were absolutely unfounded.

Cured Hemorrhages of the Lungs. "Several years since some of my lungs were so badly affected that I had many hemorrhages," writes A. M. Akers of Wood, Ind. "I took treatment with several physicians without any benefit. I then started to take Foley's Honey and Tar and my lungs are now as sound as a bell. I recommend it to all advanced stages of lung trouble." Foley's Honey and Tar stops the cough and heals the lungs, and prevents serious results from a chronic catarrh. Sold by E. N. Orr & Co.

Innately in the family. Charlotte, Mich., March 11.—John Barvire has been visiting the Michigan Superintendent of Prisons at the county farm, with a view of purchasing which will be sent to the asylum for criminal inmates at Lonia, where he already has a brother, while another brother is at Kalamazoo asylum.

REVIEWS.

E. R. A. Hunt was at Newberry for a few days this week.

Gust Lindgren returns from Wells, where he spent the winter, tomorrow.

Will Lake who has been spending the winter in Wisconsin is in the city.

The spring vacation of the public schools begins Saturday, March 25th and continues until Monday, April 3rd.

A staunch friend of the manager of the Light Company admitted this week that the real issue was the franchise.

Mrs. J. A. Proctor and children, May and Clarence, of Minneapolis, will arrive in the city tomorrow, and will be the guests of Mr. and Mrs. R. C. McKesson for several weeks.

Mayor Bowen is at Lansing for the purpose of pushing the necessary legislation required before the city will be able to vote on bonding the city for water works and sewerage system.

It is rumored that A. A. LaBar has decided not to be a candidate for re-election as supervisor of the first ward and that Axel Olson, one of the popular Scandinavians of that ward is an aspirant to succeed him.

One night is all the time necessary to prove that Plautus is the best remedy in the world for backache and all kidney and bladder troubles. If you have rheumatism or any other blood disease a single dose will give relief. Sold by A. S. Putnam & Co.

You can apply Manzan inside, right where the pain is. It's put up in collapsible tubes with quick attachment for introducing it. Manzan stops pain instantly and cures all kinds of blind, bleeding, itching and protruding piles. Sold by A. S. Putnam & Co.

E. H. Hacker, leaves for Manitowish, Wis. this evening where he will engage in the commission business with his father. During the time that Mr. Hacker has been in the employ of Ross Bros. he made many friends, who wish him prosper in his new venture.

Thermometers have registered as low as 10 degrees below zero this week and there is nearly as much snow on the ground now as there has been at any time during the past winter. If March were eliminated it would not be such a bad place to live in.

The novel and startling melodrama, "A Ruined Life" presents a number of characters to a certain extent new to the stage. The company is a perfect one, from a melodramatic standpoint, and includes many footlight favorites who have for years been known as popular players. At opera house next Thursday evening.

If you cannot eat, sleep or work, feel mean, cross and ugly, take Hollister's Rocky Mountain Tea this month. A tonic for the sick. There is no remedy equal to it. 35 cents Tea or Tablets.

E. N. Ott & Co.

ENTERTAINED AT FINCH

Mrs. V. I. Hixon entertains a number of Ladies Yesterday Afternoon.

The hostess was assisted in serving refreshments by Mesdames Rogers, Crowe and Carrie.

The following were present: Mesdames Sattler, Cole, Blinnerson, Carr, W. Orr, E. N. Orr, M. W. Orr, Robertson, Waters, McLeod, Brooks, Welles, Pollock, Brown, Van Marker, Tucker, McCune, Asford, Coffey, Hunt, Babin, Brusie, Cox, Egbert, Davidson, O. C. Bowen, Rosenthal, Holbein and Miss Packard.

"A Ruined Life"

Unusual indeed is the plot of modern realistic melodrama, "A Ruined Life" which is an early attraction at the opera house appearing there next Thursday evening. Eighteen years prior to this play the little daughter of a wealthy New York banker is kidnapped by the tool of his unscrupulous business partner, who, to further his own aim and conceal certain shortages in his accounts, profits through the excitement caused by the kidnapping. The frenzied father searches the entire world for eighteen years and just as his own daughter is about to disclose her identity to him, he is struck down by the same villain who had caused the child to be stolen. The daughter is accused of the murder and the remaining three acts are devoted to her clearing her own name from the stigma of the crime and bringing the real assassin to justice.

School Notes.

The social given by the basket ball girls Friday evening was a decided success.

Arrangements have been made for a basket ball game between the teachers of Gladstone and Marquette.

A number of high school girls use Tuesday evening and reorganized the two basket ball teams. The girls will meet at Marquette and practice with the teachers. It is hoped that games can be arranged with Gladstone and Marquette high schools.

The Ohio state legislature has passed a law decreasing the size of school boards in 96 cities to five members. These members will be elected at large and not by district as heretofore. Cleveland will have seven members and Toledo only five.

At Marquette the various rooms are dismissed at different times. The students from one room are given opportunity to get away from the school building before the next room is dismissed. There are no bells at Marquette. The punctuality of the students are better than it was before the school bells were abolished.

Michigan had the largest representation of any state at the Milwaukee meeting of the national presenters. Sixty educators were present and fourteen of these were from the Upper Peninsula.

LOST BOTH GAMES

The Marquette team defeated by Alpena Club this week.

The Marquette indoor base ball team lost the two games played with the Alpena club at Alpena last Tuesday and Wednesday evenings.

Denner and Guinan were the battery for the first game, and the score was 19 to 3 in favor of the Alpena club.

Crowe and Williams twirled and caught the ball in the second game, while the Alpena club won in the score of 3 to 0. It must have been a good game. Crowe fanned out seventeen while the Alpena pitcher struck out thirteen.

The boys played at Onaway last evening and will play there again tonight. They're expected home tomorrow evening.

CURES CATARRHAL DEAFNESS

One Week's Use of Hyonol Did More Than Six Months' Treatment by Specialists.

In the treatment of deafness which is often a result of catarrh Hyonol acts almost immediately upon the inflamed membrane and the hearing begins to return at once. A few days treatment will bring relief and in three or four weeks, according to the severity of the case, a cure will be accomplished.

Miss Meeks of Mattawan, N. Y., says: "Hyonol is truly wonderful; I have used it but a short time and see a great change in my condition. My hearing is improving rapidly, and I had no idea I would improve so rapidly in so short a time. My break which was so offensive to myself and others, has lost its bad odor entirely. I have spent a great deal of money with catarrh specialists and can truly say that six months of their treatment is not equal to one month of Hyonol."

A. S. Putnam & Co. are selling Hyonol upon the unusual plan of agreeing to return the money if the medicine does not cure.

A complete outfit costs only \$1.00 and consists of an inhaler that can be carried in the vest pocket, a medicine dropper and a bottle of Hyonol. The inhaler will last a lifetime and there is enough Hyonol for several weeks' treatment. Additional bottles of Hyonol can be procured for 39 cents. Compare this small expense with the fee charged by specialists and then remember that if Hyonol does not cure, A. S. Putnam & Co. will return your money.

Don't Forget

"As soon forget by own name as a business man." Wines or Tea. It saves my life.—Journal Universalist, Boston & Baltimore.

Sold by A. S. Putnam & Co., and La Bar & Neville.

Real Estate Transfers.

For Rent.

Four rooms, lighted, heated and well furnished. At Cookson house, corner Range and Marquette avenue. Rooms \$1.50 to \$2.00 per week. Board furnished at reasonable rates.

Mrs. Geo. Ames.

WHAT THE RESULT WILL BE

Several Bitter Contests on for Aldermen in the Various Wards.

The contest will be held next Wednesday evening, and every voter should attend his ward caucus. There are several interesting contests on.

In the first ward Sherman McNeil and Patsy McNamara are striving for the aldermanic nomination, and Messrs. A. A. LaBar and Axel Olson are candidates for supervisor.

In the second ward Lewis Schuster and Seymour Graham are opposed to each other for the aldermanic plum, while W. L. Middlebrook will have no opposition for supervisor.

In the third ward Geo. H. Brasie and E. E. Barrell are striving for the aldermanship. W. L. Orr, the present supervisor, will have no opposition.

In the fourth ward Messrs. E. C. McManis and Norman W. Fox are the aldermanic candidates, while E. E. McCallum, W. S. Ramsey would not refuse the supervisorship.

The mayor fight is developing some interesting phases.

Patsy McNamara pledges a solid delegation for Lindsay and LaFrancois, providing the first ward will support him for alderman and select a Gust Lindley and Dan LaFrancois delegation also. He's not asking for much.

Wickwire champions for capturing at least two wards is very good, and the contest will be closed in the convention.

Already rumors that there will be a second ticket in the field if Bowen, McNamara and Fox are defeated at the caucus convention.

The fourth ward has two first class candidates for treasurer in Messrs. People and Pydal, and if the treasurer-ship is made the issue the election of delegates in this ward will be close.

Postmaster Morrison of Gerinfaak, is being urged to accept the nomination for supervisor in his township.

Popular Young People Wed.

One of the prettiest weddings witnessed in Green Bay for some time past was solemnized last Saturday afternoon at the home of Mr. and Mrs. Job Olmstead when their daughters Miss Nora, one of our popular young ladies, was united in marriage to Mr. Theodore Schmidt, of Spokane. Rev. G. L. Deffenbaugh performed the ceremony, using the ring service. Promptly at 3 o'clock Miss Marie Ashley, of Wisconsin, played the opening bars of Schubert's wedding march, the young couple advanced and stood under a large bow of Oregon grape leaves where they were made husband and wife. The bride was beautifully dressed in pale green. A violin solo and carried a large bouquet of white roses. The bridesmaids were dressed in white, the prevailing color of the occasion, being green and white. After the ceremony a wedding dinner was served in several courses after which the happy couple departed, and showers of rice, for Spokane, from which they will return Saturday on a wedding trip. They will make their future home in Spokane.

Mrs. Schmidt is the eldest daughter of Mr. and Mrs. Job Olmstead and has taught school in Green Bay for the past two years and has taken a prominent part in musical and social circles. Mr. Schmidt has resided in Spokane and the Coast of Maine during the past year for a number of years and bears the stamp and integrity of a true gentleman in every sense of the word. Their many friends wish them a long and prosperous life wherever their lot may happen to be cast.—Exchange.

CUT IN TWO

The prices on Stoves, Heavy and Shelf Hardware and paints, comprising the Melbourn stock have been practically cut in two.

Now is the time to buy Hardware.

No such prices have ever been quoted in Manistique. Call at the store on Oak street and you will be easily convinced of the above statement.

The goods must be sold quickly

and original cost is not taken into consideration.

Robert Rubin.

Wallace Weston Dead
Wallace Weston Sr., a member of the Weston Lumber Co. of this city, and very well and favorably known by hundreds of our citizens, died at his home at Weston's Mills, New York, early this week. The deceased was about 76 years of age and was a brother of the late Abijah Weston.

For Sale.
A Shamrock insulator with a capacity for 300 eggs, also a brooder, and pots and trays for chicken, parrot. Will be sold cheap. Enquire of JOHN LAWSON.
Born to Mr. and Mrs. G. Penabroze Tucker of Chicago, a son recently.

The officers elected for the ensuing year were: President—L. C. Holden, Sixth St. Marie. Vice President—E. B. Palmer, Marquette. Secretary—Leo M. Gelsmar, Chatham. Treasurer—Alvin Poe, Iron Mountain. Executive Committee—W. E. Davin.

Celebrated Anniversary.
The M-1ers Brotherhood of America celebrated their first anniversary Wednesday evening and a very large crowd was in attendance. One year ago the 15th of March they were organized with a charter of 50 members, now they number four and are a very prosperous order. It is not only a benefit order but also a social one. The evening was spent in a social way, several presiding at the piano, after which a sumptuous spread was served in the dining room. The order was well represented in its weight as matters. Messrs. Hanson, Logan, Rice and Wm. Mervin presided. They looked very nice indeed in their white caps and aprons. The kitchen was presided over by a committee of ladies who did themselves credit.

Locomotive Runs Over Foot.
W.A. Kintelmann, a Soo line fireman, lost a portion of one of his feet Tuesday morning by his engine running over same. The engineer mistook a signal green while Kintelmann was at work cleaning slides from the front of the boiler. He was taken to the Manistique hospital where his wounds were dressed by Dr. Cook, and left for his home in Chatham, Wis., the same evening.

Notice of Registration.
To the Electors of the Township of Hinawatha:
Notice is hereby given that a meeting of the Board of Registration will be held in the Town Hall in said township on Saturday, April 1st, 1905, for the purpose of registering the names of all such persons who shall be possessed of the necessary qualifications of electors, and who may apply for that purpose, and that said board of registration will be in session on the day and at the place aforesaid from 9 o'clock in the forenoon until 5 o'clock in the afternoon, for the purpose aforesaid.

Birth Party.
Rachel, the daughter of Mr. and Mrs. J. H. Winters, was ten years old last Saturday and a party was given in honor of the event during the afternoon. Games were indulged in by the guests, and little hostess was the recipient of many presents. Those present were: Corna Hamel, Helen Wheeler, Lucilla Orr, Edith Brown, Elsie Orr, Sarah Currie, Mervin Bayless, Florence McNeil and Rachel Winters.

Republican City Convention and Ward Caucuses.
A Republican Convention for the city of Manistique will be held in the City Grand Ballroom on Friday evening, March 23rd, 1905, at 8 o'clock to nominate candidates for the following city offices: Mayor, Clerk, Treasurer.
