## BUSH SENTENCED

Goets to Jackson for Indeterminate Period From Six to Twelve Years

## INSISTS HE IS INNOCENT

And Claims That Patrick McNamara is Also Innocent of the Charge to be Brought Against Him.

Geo. Bush, who was found guilty of the charge of setting fire to the property of the Manistique Brewery, was brought into court and received his sentence Tuesday afternoon, which was that he serve a sentence ranging from six to twelve years at Jackson prison.

Prior to sentence being pronounced Attorney C. W. Damsel counsel for Bush, made an impassioned plea in behalf of his client. He began his remarks by saying that he was about to witness a sight that he had never before witnessed in a court room, viz: the sentence of an innocent man to prison. In conclusion he stated that at the next term of court a motion would be made for a new trial for Bush.

When asked whether he had anything to say before sentence should be pronounced on him, Bush, several times reiterated the statement that he and Patrick McNamara were innocent of the charges made against them.

This ends, temporarily at least, one of the most important cases ever tried in the local court. The day after the destruction of the brewery, the names of Bush and Patrick McNamara were linked together as the parties of the commission of the crime. The purported conversation between the two parties, which LaBelle claims to have heard, when the transaction was made, was the grounds for bringing suit against Bush. The community has been much interested in the case owing to the fact that McNamara's name was linked with Bush, and it can be truly stated that the people that are conversant with the whole affair are equally divided as to their opinion of the guilt or innocence of Bush and McNamara, the latter, which will no doubt be tried on the charge facing the next term of circuit court.

If Manistique harbors men capable of so heinous a crime, it is promptly

## THE C. E. BANQUET

Christian Endeavorers of the Presbyterian Church Held Banquet Tuesday

## WAS RESULT OF CONTEST

A Number of Toasts Were Responded To and Original Songs Were Sung.

The termination of the contest which had been indulged in by the members of the Christian Endeavor society of the Presbyterian church, was celebrated by the holding of a banquet, which was held at the church parlors Tuesday evening. The affair was one of the most successful ever held by the society in its history, and the contest, whose termination was celebrated in this manner resulted in lasting benefit to the church, the society as well as the members themselves. The leaders of the opposing sides were Miss Evelyn Roos and Mr. Joe Weber. The latter gallantly allowed Miss Roos to win the laurels.

Mr. Wm. B. Thomas was toastmaster, and as usual did the honors with rare ability. The following responded to toasts:

Miss Evelyn Roos: "Some of my experiences as captain. What benefit did the society derive from the contest."

Mr. C. R. Orr: "Service."

Mr. Joe Weber: "Some of my experiences as captain. The benefits personally derived from the contest."

Dr. Livingston: "Responsibility."

Mr. Clayton Campbell: "How I was approached to become a member of the society and why I united."

Miss Ellen Koles: "Why?"

Miss Blanche Hixson: "The boys. If you can't 'toast' them 'toast' them."

Mr. Chester Weber: "The girls, the Easter Hillies of the world, whose fragrance alone would make 'it worth living' in Siberia."

Dr. Mitchell's toast was: "I live for those who love me, For those who know me true, For the heaven that bonds above me, And the good that I can do."

For the wrongs that need redressance.

For the cause that lacks assistance.

For the future in the distance, And the good that I can do."

## PLEASSED THE AUDIENCE

The Standard Quartette Gave General Satisfaction Saturday Evening.

The Standard Quartette, the initial number of the local entertainment course, which appeared at the opera house last Saturday evening, more than pleased the large audience present. Every number of the program was enthusiastically concurred upon several occasions the audience was not satisfied until the quartet had responded to two or three recalls.

The quartet is well balanced and without doubt is the best quartet that has ever visited this city. All of the members appeared as soloists during the evening and while all pleased the audience, Mr. Ralph Oswald, the basso, appeared to be the favorite. He has a voice of unusual range and volume, entirely out of proportion to his physical make-up, being the smallest gentleman of the four. Mr. James Grubb, the first tenor captivated the audience with his English ballad, "Mona."

Prof. Root made no mistake in selecting this attraction as one of the numbers of the course, and the very satisfactory commencement of the course augurs well for the treat that is in store for the patrons.

Carolinist Ash Davis, who has a national reputation in his line will be the next attraction of the course. He will be here on Saturday evening, February 19th. The price of single tickets will be 50 cents.

Mr. A. T. Naugle of Menominee, was in the city last Saturday and made this office a pleasant call. He says that Mr. E. D. Besson now lives in one of the suburbs of Chicago, and that he is engaged in interesting ties for the Chicago street railway and has five men working under him.

## MANY TEAMS HERE

More Teams Than Ever Will Participate in K. of P. Contest Here

## BANNER OR CUP TO WINNER

Champions to Meet Lower Peninsula Champions Later in the Season.

Speaking of the big meeting of the U. P. K. of P. league which will be held here in June, the Monarch Leader has the following to say:

It is practically certain that more teams than have ever taken part in a contest for the championship cup of the Upper Peninsula League, Knights of Pythias, which will hold its annual convention, reunion and contests at Manistique in June, will be entered for the highest honors and that the winner of the contest will meet the champions of lower Michigan later in the year for the championship of the state. Much interest was aroused in these contests because of the rousing convention held in Calumet last season, and it is announced from Manistique that nearly every Pythian lodge in the peninsula will have a team entered for the cup. Besides the third rank competition there will be contests the first ever held in Northern Michigan, in the amplified and dramatic form of the first rank, the working of which is just as impressive and beautiful as the third.

Participants in the amplified and dramatic form of the first rank, the working of which is just as impressive and beautiful as the third.

Laurium lodge, Red Cross lodge of Sault Ste. Marie and other lodges affiliated with the league will have teams entered for the work in the first rank as well as in the state. A rich prize is to be offered by the league for the winner of the first rank contest, probably a banner or cup.

Mrs. Mary Townsell Came to That Section in 1868 and Remained There Until Death.

Mrs. Edward Townsell, one of the old and highly respected citizens of Garden, died in that city on Tuesday of last week and was buried on Thursday the 11th inst. This is gratifying from one viewpoint as it shows that everyone is employed a remunerative work, and the excellent salary paid for taking the census, is not sufficiently large to induce persons to cease their regular employment to work for the government for thirty days.

The door of death seemed ready to open for Murray W. Ayers, of Transit Bridge, N. Y., when his life was wonderfully saved. "I was in a dreadful condition," he writes, "my skin was almost yellow; eyes sunken; tongue coated; emaciated from losing 40 pounds, growing weaker every day. Virulent liver trouble pulling me down to death in spite of doctors. Then that matchless medicine, Electric Bitters cured me. I regained the 40 pounds lost and now am well and strong." "MOTHER, what makes everything so good these days?"

"Why, it's that K C BAKING POWDER. Cake, biscuit or griddle-cakes,—it's all the same. Since I've used K C everything comes out just right,—light, crisp and fit for a king. I knew I was safe in trying it,—they were so sure I'd like it. They refund you money if you don't like it better than any other,—better,—mind you. Then it's guaranteed under every Pure Food Law you ever heard of, and, you won't believe it, but it costs less than what I've used,—a real nice saving. I understand it's because they don't belong to the Baking Powder "Trust." My, it's a satisfaction to get good value for your money these days when everything's so high."

Cured of severe compound cold and cough by  
**Vinol**

"From Dec. 20, '08, to March 1, '09, I had three bad colds, one on top of the other. I got so weak I could hardly get around. Nothing seemed to help me. I got so tired I felt I would die. I bought a bottle of Vinol and after taking it a few days I was completely cured. I have since had several other colds at the same time that I had not recovered from in two or three days. I had to take a bottle of Vinol each time." "I had certainly a wonderful medicine."  
Mr. Toppan is one of Lynn's most prominent and highly respected merchants, whose word is given in his honor.  
The reason Vinol is so successful in such cases is because it contains the two most valuable tonics—the medicinal strength giving, body building elements of Cod Liver Oil and Tonic Iron.

Illan Ott, Fowle, who so acceptably filled the office of senator from this district, made good so far as an extent during his first term, that his renomination and reelection will follow without the shadow of a doubt, should he decide to be a candidate. Fowle is in that manly and able character which is willing to sacrifice the time and effort required in the thankless task of serving in an official capacity, where the salary paid is so meagre as that paid the state senator. Mr. Fowle, a sincerely engaged in business as the sea, and the sacrifice he makes to serve the state at large, and while he accomplished much during the first term, he would be more valuable to his district, if more possible, during a second term. His friends know the sacrifice he has made during the past term and sincerely hope that he may see his way clear to accept a renomina-

Packers Do Not Think People Will Become Vegetarians.

Chicago, Jan. 20.—With other effects following the lead of Cleveland in curtailing meat consumption while prices remain high? And will Ohio really respond to the appeal of Chairman Williams of that state's legislature, to form a committee to turn vegetarians until the price on meats are lowered?

The answer is "hardly" both questions, but, anyway, the officials of the big Chicago packing houses "avenge" the fact of every day.

"Will the appeal of Mr. Williams in Ohio have had effect on the packing industry?" asked Mr. Wheeler, general manager of Armour & Co., who was asked by the reporter.

"I'm well, I don't want to say any thing about it," he responded.

"Morris & Co. apparently neither have felt nor are apprehensive of action taken by the Ohio pro-meat union judge by the attitude of Vice President Ohio against meat," he said.

Undervaluing Automobiles the Latest Diversion.

New York, Jan. 20.—More trouble has come to light in New York than any other city in the world. It may be a diversion which will rank with the sugar cases. Undervaluing automobiles is the new game.

York on Nov. 28 last. The machine, according to the appraiser's certificate, was valued at \$1,500, but McGrath, it is alleged, altered this to \$800.

The duty on automobiles is 45 per cent ad valorem hence the government lost \$1,000.

If many others have been brought in under this allegedly fraudulent arrangement thousands have been lost to the federal authorities.

BREVITIES.

Mrs. Ida Farmer is visiting in Muskegon. August Zimmerman has discontinued the cigar factory in the Orr block. The pillars for the portico of the Elks temple have reached the city and will be placed in position at once. Mr. and Mrs. C. W. Dunton entertained a number of ladies and gentlemen at dinner and cards last Friday evening. Architect Donar of the Soo, was in the city several days this week, inspecting the work being done on the Elks temple. Ida Chapter, O. E. S., will hold a special meeting tomorrow evening at which time several candidates will be initiated. All members are urged to be present. Half of the questions a child can ask you can truthfully answer with "I don't know" and the wisest man in the world would find the same answer his only way out most of the time. Mr. Abram Hughes of Stenois, was in the city yesterday and made this office a pleasant call. He reports that he has been ill during the past few weeks but that he is on the gain now. The warm weather of yesterday melted the snow materially and should this brand of weather continue for several days it would please everyone, as the snow is really too deep in the woods for successful lumbering. Eggs, absolutely fresh ones, are selling for forty and fifty cents a dozen here. The few people in the city that are keeping chickens, feel like petting them, or giving them outsiders in the kitchen, whenever they go to the chicken coop and pick up a few times daily. Mr. Bert Farley of Hibbing, Minn., was in the city yesterday and made this office a call. He is a mechanic for the steel trust at Hibbing, and is taking a well earned vacation. He will be in this vicinity for two weeks and prior to coming to this section was in the lower peninsula for some time. Saturday evening entertainments should not begin until about nine o'clock, so as to give all an opportunity of attending. All the entertainments to be given by the local Y. M. C. A. are given on that evening, and Prof. Root has wisely decided that the curtain will not rise on the remaining numbers until 10:30. This will give the theaters only fifteen minutes grace.

BREVITIES.

W. S. Crowe, Fire Insurance. First National Bank. Rev. J. Vissers held services at Nashbury last Sunday evening for supposed anything that over the most sanguine expected. The society has grown from 25 to 30 active members and with two or three exceptions, they were all out and in addition to this there were four invited guests. The feast was gotten up under the management of Mesdames Thomas and Waddell, with the assistance of some of the leading ladies of the congregation and it was all that the young people could handle. Mr. Thomas was past master in the art of a toastmaster. He had written a poem for the occasion that was full of humor and touches of a personal nature. This was sung to the tune of "Michigan, My Michigan" by a quartette under the direction of Mr. Grang. There were other songs sung to give variety to the occasion. The speeches were all as full of wit and humor as an egg is full of most. As they will take up the study of the Sermon on the Mount on next Sabbath, all the members of the Century Bible class are urged to be present. 10:30 a. m. a sermon to Masons by C. E. Grang. 6:30 p. m. C. E. meeting will be held by Mr. Chester Weber. The subject will be "Does Religion Pay?" 7 p. m. subject of the evening lecture, "Don't Swear." Come and hear how it sounds. A full choir is furnishing some good music for both the morning and evening services. METHODIST CHURCH Services next Sunday as follows: Morning service at 10:30. Sabbath school services 11:30. Sunday School at noon. Evening League at 6:30 p. m. Evening Sermon at 7:30. Preaching at Thompson, 8 p. m. The subject of the Pastor's morning sermon will be "Called to Communion or Moses on Mt. The former are Mesdames Smith of Appleton and Howman of Chicago. The sons are Capt. James Casey of this city and Patrick Casey of Fayette. AVOID HARSH DRUGS

Many Catholics Tend to Cause Injury to the Bowels. If you are subject to constipation, you should avoid drugs and cathartics. They only give temporary relief and their reaction is harmful and sometimes more annoying than the constipation. They in no way effect a cure and their tendency is to weaken the already weak organs with which they come in contact. We honestly believe that we have the best constipation treatment ever devised. Our faith in it is so strong that we sell it on the positive guarantee that it shall not cost the user a cent if it does not give entire satisfaction and completely remedy constipation. This preparation is called Rexall Orderlies. These are prompt, soothing and most effective in action. They are made of a potent chemical discovery. Their principal ingredient is odorless, tasteless and colorless. Combined with other long known ingredients, long established for their usefulness in the treatment of constipation, it forms a tablet which is eaten just like candy. They may be taken day or night, without fear of their causing any inconvenience whatever. They do not grip, purge nor cause nausea. They act without causing any pain or excessive looseness of the bowels. They are ideal for children, weak delicate persons and aged people as well as for the most healthy person. They come in two size packages, 12 tablets 10 cents, 36 tablets 25 cents. Remember you can obtain them only at our store, "The Rexall Store." The A. S. Putnam Drug Co.

**POMONA GRANGE**  
Regular Meeting Was Held in  
This City Last Saturday  
**QUESTIONS DISCUSSED**

A Commission Store is in Contemplation,  
Also a Rest Room.  
The regular meeting of Pomona  
grange was held last Saturday and  
was largely attended by members  
from various sections of the county.  
The newly elected officers were in-  
stalled by Mr. H. Knaggs of Gern-  
fusk, who served in place of Henry  
Vander of Thompson, who was  
unable to be present.  
Mr. Sam Winkelman generously  
offered to give the members of the  
grange and the farmers generally, a  
convenient and adequate room for  
use as rest room. The matter was  
taken under advisement.  
The question of creating a com-  
mission store for the handling of  
produce raised by the farmers and  
to furnish them flour and feed at  
wholesale rates, was thoroughly dis-  
cussed and will be decided upon at  
the next meeting.  
It was decided that all future  
meetings of Pomona grange shall be  
held in Manistique hereafter as the  
location and the conveniences avail-  
able here would tend to bring out a  
larger attendance.  
Mr. H. Knaggs gave a detailed  
report of the session of the state  
grange recently held at Traverse  
City.  
The evening session was an open

and an excellent literary and  
musical program was presented.  
**BALL GAMES POSTPONED**  
Manistique-Gladstone Games to  
Be Played Next Week.  
Prof. Root received a letter from  
Gladstone this week stating that it  
would be impossible for the ball  
team to fill the dates announced last  
week for games here tonight and  
tomorrow afternoon, but that Friday  
evening and Saturday afternoon of  
the coming week would be satisfac-  
tory. The games will therefore be  
played next week at the time above  
mentioned.  
**WAS RELECTED TREASURER**  
Mr. Wm. B. Thomas Again  
Honored by Cedarman's  
Association.  
Mr. Wm. B. Thomas of the White  
Marble Lime Co. attended the janu-  
ary meeting of the Cedarman's As-  
sociation held at Chicago last week  
and was re-elected treasurer of the  
association.  
The officers re-elected were as follows:  
President, T. M. Partridge of  
Milwaukee  
Vice-President, J. E. Garlich of  
Milwaukee  
Secretary, H. H. McKinney of  
Milwaukee  
Treasurer, Wm. B. Thomas of  
Manistique  
**SLEIGH RIDE PARTY**  
A Number of Ladies Visited the  
Quinlan Home.  
A number of ladies from the city  
of Manistique gave Mr. and Mrs.  
Patrick Quinlan a surprise party  
Thursday evening of last week and  
the event was very much enjoyed by  
all participating. The evening was  
spent in playing cards and music.  
Mrs. W. Krummich and Mrs. Geo.  
Ames were the prize winners. The  
prizes were cut glass nappet and  
hat shank. Each took refreshments  
but a more delicious luncheon was  
served by Mrs. Quinlan and daugh-  
ter, Julia.  
Those present were:  
Mesdames R. Allison, D. Martin,  
J. Bouschelle, G. Ames, Shadley,  
J. Critley, R. Cooper, H. John, J.  
Cuttler, R. A. Martin, L. Tryon, M.

**DEFEATED BY NARROW MARGIN**  
Harry Thomas Gave Winner  
Close Run in Oratorical  
Contest.  
An official of the Lake Forest  
college, writes the following rela-  
tive to the result of the oratorical  
contest in which Mr. Harry Thomas  
of this city participated:  
"Harry Thomas, a son of W. H.  
Thomas of Manistique, set a sopho-  
more at Lake Forest college, was  
narrowly defeated last evening in  
the annual contest for the \$25 prize  
in the McPherson English contest by  
Narwood Weaver of Indianapolis.  
The subject discussed was "Local  
Option as a Solution of the Liquor  
Problem." Thomas had an unusual  
ly interesting talk and when he had  
concluded many thought he had won.  
The judges, all Chicago business  
men made special mention of him  
in their decision. Two men from  
each class in the school were in the  
contest. Thomas took a firm stand  
for local option and answered all ar-  
guments hurled against it."

**OPERATION WAS SUCCESSFUL**  
Mrs. Aaron Quick on the Road  
to Recovery From Effects of  
Operation.  
Mrs. Aaron Quick successfully  
passed through a serious operation  
last Sunday. The operation involved  
the removal of a tumor from her  
breast, and owing to her age, the  
probable result was the source of  
much worry upon the part of  
her friends, and for that reason all  
are pleased of her recovery. Mr.  
Aaron H. Quick, who accompanied  
her to the hospital, remained with  
her during the current week, and  
will visit relatives in the vicinity of  
Seymour before his return.  
**Getting Even With Gladstone.**  
While Gladstone proved its superi-  
ority over Manistique on the gridiron  
last autumn, the game of indoor  
ball played at Gladstone last Friday  
evening proved conclusively that the  
team of that city was clearly out-  
classed by the Manistique team. The  
score was 17 to 0 and Kligetel struck  
out twenty-three batters. Not so bad  
for the first game of the season.  
Return games will be played here  
Friday and Saturday of next week.  
What will happen to the Gladston-  
ians makes one shudder to contem-  
plate.  
Mr. Chas. A. Miller left for  
Marquette on a business mission  
Wednesday evening.

ing the liquor laws, was tried by

Geo. Graham, Hugh Shay and Angus  
McDougal. Judgment in favor of  
the plaintiff in the sum of \$209.35.

**WILL HAVE NO OPPOSITION**  
Mr. B. A. Craver is Desirous of  
Succeeding Himself as Super-  
visor of Third Ward.  
Mr. Burton A. Craver, who gave  
general satisfaction in the capacity  
of supervisor of the Third Ward dur-  
ing the past year, is a candidate for  
renomination and from all appear-  
ances he will have little if any oppo-  
sition. As he is serving his first year  
and so his work, in the main, has  
given entire satisfaction to his con-  
stituents, he should be given pro-  
nomination. He has had much ex-  
perience on the board of supervisors  
having served as supervisor from  
Harleton township for five years.  
He is a tax payer and is public  
opinion.  
**Masonic Edition.**  
At the twenty fifth anniversary of  
Lakeland Lodge, No. 371, F. & A.  
M., it is to be observed next Wednes-  
day evening in an appropriate man-  
ner and as it is the intention of the  
manager of the Pioneer-Tribune to  
devote much space to the affair and  
to illustrate same, there will be no  
doubt but a demand for extra copies  
of next week's issue. The issue will  
be of special interest to Masons  
and especially to those that former-  
ly resided here. The issue will  
contain more or less exposure and the  
public is not asked in any way to  
assist in defraying this save by the  
purchase of extra copies. If you  
desire extra copies leave or telephone  
your order for same not later than  
next Thursday noon to insure receipt  
of same.  
**Writes 110 Words Per Minute,  
in Thirteen Days.**  
Miss Marie Ahlstrom, who is at-  
tending the business college here in  
our city, is writing 110 words per  
minute.  
This dictation was taken from a  
business letter after being in at-  
tendance only two and one half  
weeks.  
The manager of this business col-  
lege invites anyone who may wish  
to see Miss Ahlstrom write. This  
surely speaks well for the Gregg  
System of Shorthand.  
Mr. Saul Winkelman of St. Ig-  
nace is in the city visiting relatives.  
He will remain for the Winkelman-  
Saulson wedding which will occur  
next Tuesday evening.

railroads of the state at \$214,190,  
000, or an increase of about \$6,000,  
000 as compared to last year. The  
valuations of the roads traversing  
the upper peninsula have been slight-  
ly reduced. The valuations fixed on
