FIRST COUNTY FAIR

Pomona Grange Fair Visited by Nearly 2000 People.

A DECIDED SUCCESS.

Exhibition of Fruit, Vegetable, Grain and Other Farm Products Finest Ever Seen.

Saturday October 8th, Schoolcraft county's first county fair under the auspices of Pomona Grange, was opened to the public at the Army and two public has not enjoyed such a surprise for years as that which awaited them on entering the hall. The exhibits started to come in early in the week and continued to come up to Saturday morning and were displayed on three long tables and several smaller ones provided by the committee who also had the Army room tastefully decorated.

Some of the exhibitors arranged their products in a very tasteful manner by painting the fruit and arranging the specialties together, also by placing cards with names of the different products.

From early morning until the close of the day the crowds continued to come. It is estimated that about 2000 visitors viewed the exposition during the day and all were unanimous in expressing their surprise over what they saw.

There were 63 exhibits in all, divided as follows: Manistique township 20, Hiawatha 17, Doyle 9, Thompson 4, Grottoek 2, and city 11. The results were most astonishing both in number and quality of exhibits as nobody had planned special stands for exhibition purposes as the Pomona Grange decided holding a fair only a short time ago. The city council had invitations printed inviting the Grangers and their families to lunch at the Barnes hotel and about 60 took advantage of the city's hospitality. This act of the council was very thoughtful and much appreciated by the visitors.

The fair was closed in the evening and the exhibits either taken by their owners, given away or sold at auction, netting the Grange a sum of \$11.75.

It is sincerely to be hoped that this fair will eventually be the cause of securing suitable grounds and buildings for the holding of county fairs yearly.

Mr. Howard informs us that it is

the intention of the committee to call meetings in every township as well as in the city and if enough interest is shown to bring a petition before the supervisors with a proposition to bond the county in a sum sufficient to buy the race-track property and erect suitable buildings in which to hold county fairs every fall. If the committee's plans can be realized the proposition will be brought before the voters and there is but lit. the doubt but it would carry.

The Pomona Grange deserves great credit for undertaking the fair and giving the farmers of Schoolcraft county an opportunity to show what the soil really can yield, with proper handling.

The executive committee who had every detail in hand deserve especial praise for the result of their untiring efforts in making the fair a success, in fact if it had not been the committee's determination to put on a fair this year the public would still have been ignorant of what in time may prove to be one of Schoolcraft county's chief resources.

The executive committee of the grange consists of Chas. Howard, chairman; Rant Arrowood, secretary; Henry Van Gorder and W. H. Wood.

Following are the names of those who had exhibits and the names of their products given by townships:

SUCCEEDS PARKER.

Mr. H. J. Neville Elected Poor Commissioner Today.

THE VOTE WAS A CLOSE ONE

Successful Aspirant Well and Favorably Known and Will Make Good.

This afternoon the board of supervisors elected Mr. H. J. Neville of this city as the successor of W. W. Parker as member of the board of poor commissioners, for a term of three years. The board was evenly divided on the matter on the second ballot, each candidate receiving seven votes. On the third ballot Neville received eight votes and Parker six.

Mr. Neville is well and favorably known and will doubt make a satisfactory official. He has promised to make numerous reforms in the conduct of the office and the board, for that reason, decided to give him an opportunity of fulfilling his pledges. His many friends are congratulating him upon his success.

The board of supervisors adjourned this evening, and the official proceedings will appear in next week's issue.

Pauquette, and Frank Peter and Dave Pauquette.

His death occurred at the home of his daughter, Mrs. Napoleon Robare, who resides on Fourth street. The funeral was held from St. Frances de Sales church this morning, and was largely attended.

FIRED BY INCENDIARY

House Owned by John Denney Damaged by Fire Last Night.

An unoccupied house owned by John Denney, and located on First street, was partially destroyed by fire at midnight last night. The owner had recently moved out of same into the Hawkins residence which he had recently purchased, and was planning to rent the property.

Due to the fact that no one was living in the residence at the time the fire occurred it is safe to presume that someone started the blaze. The building was insured for \$200 and it is thought that it will cover the loss.

Mike Osterberg first saw the blaze and ran to the St. James hotel and sent in an alarm. For some reason the fire department was not promptly notified, and it was twenty minutes or more before the department arrived. Owing to the apparent urgency in sending in alarms we are informed steps are being taken to bring the matter before the council.

Play at Gladstone.

The Manistique high school football team play the Gladstone high school football team at the latter city tomorrow.

The boys left for that city this evening, and were accompanied by a lot of rooters.

Lost.

Brass screw cap for auto radiator between LaBar & Noyl's drug store and Army. Please return to this office.

The prize pumpkin exhibited at the fair by Keeper Deemer of the county was presented to the editor of this paper with the injunction that he should, for once at least, have his fill of pumpkin pies. In this connection we desire to thank Mr. Deemer for his thoughtfulness.

F. F. DUELL WAS ACQUITTED

While Other Respondents, Workmen and Person, Were Convicted.

In the case brought against Messrs. J. H. Warden, A. G. Person and F. F. Duell, in which they were charged with conspiring in the matter of wholesale timber and stone entries made by employees of the J. H. Warden Lumber and Shingle Co. at Dick, the jury in the U. S. district court at Marquette found Warden and Person guilty as charged, and acquitted Duell. The case was a long drawn out one, and occupied nearly a week in its trial. The jury rendered its verdict Wednesday afternoon after a deliberation of several hours. It is understood that the matter will be taken to the U. S. supreme court for final decision by the respondents, that were found guilty.
