The latest from Washington is the news that it is going to take one billion two hundred millions to run this government next year. That will break all records by about one hundred million. And the next highest record for. federal governmental extravagance is for the year just closing when the figures were one billion one hundred million. The management of the government this year and the plan for next year call for enlarged appropriations, for additional expenditures in practically every department of activity. It is a case of extravagance gone mad. Of course we ought not to complain. This is a great country in which we live. If everybody was prosperous the musual faxation would not be noticed. But the common people do not like this war tax. It fallsoon them in the end. And it is not pleasant. And the thing that hurts is that the Democrats got into power by informing the people that all they wanted was an opportunity to reform the government and cure it of this very had habit of spending money carelessly. A feature, often overlooked in the purchase of a car, but never forgotten after the car is in the family, is the clutch.

The action of the clutch makes or mare pleasure of driving—particularly for

A girl can easily operate the Overland clutch.

It is so designed that it freely "gives" with slight pressure of your foot on the clutch pedal, with no more effort than you exert in walking, and it instantly and gently responds

Also it does not suddenly "grab" hold, as some clutches do, and jolt you off your seat or feet. It works smoothly and evenly at all times.

There is no "jerk" to seriously strain the universal joint, drive shaft, transmis-sion shafts, gears, and rear axle parts.

As there is no jerking action to slide the fires you obtain normal wear and get your money's worth.

CONSIDERATION

W. R. Oates, state gene and forestry warden, has prepared the blennial report for his department. In the foreword of the report, the official calls attention to the necessity to the conservation of the will animals now found in the state and displays careful study of wild life, which makes the introduction highly interesting. The report is now being forwarded by Mr. Oates to the state printers and within a short time will be ready for general circulation.

The foreword suys, is part:

Sunday Musings

Of A Non-Churchgoing Business Man

- I WOULD NOT LIVE IN A CHURCHLESS TOWN, (My children wouldn't be safe outside the house, my business would go to smash, dog-fennel would grow up in the streets and the name of the town would become a joke
- PM HERE IN MY SLIPPERS AND DRESSING-GOWN [with my thend in a newspaper, and making the day one of mere rest for the body, and giving no thought to my spiritual welfare, or my influence on my children.]
- IF ALL OF THE PEOPLE WERE JUST LIKE ME, [The churches would close up for there would be no congregations though I know that I am under obligation to see that the church-life hore is maintained.]
- HOW RIGHTEOUS A PLACE THIS TOWN WOULD BE [Indeed. If my own attitude toward moral and religious matters were the universal attitude about here, I should move out. Or the sheriff would close up my place within six months.]
