ILL LUCK PURSUES HIM

Gunner Erickson's Barn With Horses, Two Cows and All Farming Implements Destroyed by Fire.

Gunner Erickson, a farmer residing in Manistique township, sustained a heavy loss early last Saturday morning, when his barn, including four horses, two cows and all of his farming tools were burned.

Mr. Erickson was doing the chores in the barn with the aid of a lantern. After feeding the horses, he hung the lantern up and went out to secure water for the animals. On returning he found the barn in flames. The lantern evidently exploded. All the live stock as mentioned above, all of his farming implements, hay and machine sheds were burned.

He carried insurance aggregating \$2,000.00 on the barn and contents, and this amount will not cover the loss entailed for his loss is at least \$5,000.00.

A year ago last April his home with contents were destroyed by fire and three months ago his infant son died. Six years ago he was stricken with paralysis while at work in the tailoring establishment of Julius Peterson. He went to Ann Arbor where he remained in the hospital for a long time, and returned home practically cured. He decided to engage in farming, with the thought that the change of avocation would benefit his health. He purchased his farm from Jeweler Hill and was doing well, being very industrious and frugal. His family consist of a wife and eight children.

The Escanaba baseball players evidently remember the drastic defeat they suffered last autumn at the hands of the local baseball team, for there is some agitation in that city that they may land Escanaba in the Wisconsin-Michigan league. If Escanaba should refuse to enter the proposed league in which Manistique shall figure, Newberry should be invited to take Escanaba's place in the league.

ARVID LARSON CRITICALLY ILL.

Mr. Arvid Larson, of the firm of Burton & Larson, was suddenly stricken with paralysis of the spine late last week, and has been in a critical condition since that time. He was taken to the local hospital for treatment. Mr. Larson has been a resident of this city for a number of years, having been employed by local merchants before he entered into business last autumn. His many friends hope that he will recover.

IS SUSPECTED OF THEFT.

Claud Overby Suspected of Robbing Tilt at Soo Line Depot.

Claud Overby, a well known young man was arrested Friday evening by Chief of Police Peterson, on the charge of robbing the tilt of the Soo line depot of \$30.00.

It appears that Besner one of the truck operators, secured permission to attend a dance for a few hours last Friday evening. When he returned he ascertained that the depot had been entered and the money taken. The west side patrolman, Mr. Arneson, saw Overby going in the direction of the depot about ten o'clock, and when he was informed of the robbery at once suspected Overby. He notified Chief Peterson of his deductions and the chief at once went in search of Overby. He found him in a room at the American Hotel and when the officers gained entrance to the room Overby was asked if he had any money. He stated that he did not have any money. The officers then searched his clothing and valise, and found practically the amount that was taken from the depot.

The case has been adjourned temporarily in Justice Toepke's office, and he will be given a hearing next Monday evening. Thus far no direct evidence has been unearthed, and it is hoped that Overby can prove his innocence as he has a lucrative position awaiting him at Plint, his home city. There are many people here that believe in his innocence.

BAND CONCERT WAS A SUCCESS.

Manistique Band Concert Pleased Large Audience Last Wednesday Evening.

The Manistique band concert given at the opera house Wednesday evening of last week, was attended by a large audience and pleased every music lover present.

Violin duet by Messrs. McLellan and Nich, was one of the leading features of the excellent program rendered.

Mr. Wm. F. Kefauver rendered the baritone solo, "Till the Sands of the Desert Grow Cold," with band accompaniment. This number was especially pleasing.

A quartette consisting of Messrs. Stewart, McLellan, Remell and Erickson, rendered a negro melody in their usual efficient manner.

The clarinet duo, rendered by Messrs. O'Hara and Beaudette, was also a feature of the evening.

The six numbers in which the band appeared were so well rendered as to elicit much praise.

One fact impressed all auditors and that was that Manistique has, as the band was constituted on the evening in question, the second best band in the peninsula.

Much of the credit for the artistic success of the concert, can be justly placed on the shoulders of Mr. A. J. McLellan, the director.

Mr. McLellan is Manistique's most versatile musician. Not only is he a first class tenor vocalist, and violinist, but he possesses the happy faculty of imparting his musical knowledge to others. Manistique does not appreciate him as it should. He is proud with his time and talent and the churches as well as the various organizations of the city are under an ever lasting debt of gratitude to him for his efficient services so freely given without thought of recompense.

High class music can be obtained at Winkelman's.

LOCKS BROKEN AT FAIR GROUNDS.

Someone, more than likely boys, are giving the officers of the fair association more or less trouble. Locks to the grounds and buildings are being systematically broken and the buildings entered. The president of the association, Mr. W. L. Middlebrook, is offering a reward of \$25.00 for the apprehension of the guilty parties. It is hoped that the perpetrators shall be promptly apprehended.

BASKETBALL GAMES SCHEDULED.

Series of Inter Class Games Opened Wednesday Evening.

A series of inter class basketball games have been scheduled for the winter by the boys of the local high school.

Two games will be scheduled for Wednesday evening of each week. The series was opened Wednesday evening at which time the Sophomores and Freshmen, and the Juniors and Seniors contested for honors. The Sophomores defeated the Freshmen to the tune of 5 to 4 and the Seniors defeated the Juniors in a score of 21 to 15. The captains of the teams are: Freshmen, Ray Bramette; Sophomores, Paul Rebeck; Juniors, Joe Pattinson; Seniors, Wallace Brunette.

The games will start at seven o'clock each Wednesday evening, and the public is cordially invited to attend. The price of admission is 10 cents.

The inter class series for the girls of the high school will be scheduled shortly.

The following games have been scheduled thus far: Manistique-Manising, at Munising, January 15th.

Manistique-Manising at Manistique January 22nd.

Misses Nells and Tillie Johnson left for Minneapolis Sunday evening where they will attend college.

MANISTIQUE BASEBALL TEAM

Subscription Lists Being Circulated for Support of Local Team.

The local baseball fans are already making preliminary preparations for the coming baseball season. A strong directorate has been selected in N. W. Fox, O. W. Huester, Wm. DeLut, Fred Carroll and Clarence E. Scott. Mr. O. W. Huester is the manager, and Clarence E. Scott is the secretary and treasurer.

The club has secured the services of Mr. Froeland, who pitched against Escanaba last autumn, to act as field manager and captain for the season. The local management is now endeavoring to get Escanaba, Rapid River and Gladstone to join with Manistique in the formation of a league, to be called the Schoolcraft-Delta County league with the intention of playing two games per week, viz: Saturday and Sunday. Under this plan Manistique fans would have the opportunity of witnessing four games per month. Present indications Manistique will have fully as strong a team as was pitted against the strong Escanaba aggregation whom the locals won both games. A number of first class players in the peninsula, including some of the players that constituted the personnel of the champions of the U. P. desire to join the local team.

Subscription lists are being circulated this week with a view of securing sufficient financial encouragement to insure a successful season.

Manistique now has the best ball team in its history, and a club of that kind helps to advertise the city. Every person should show a disposition to encourage the officers of the club by donating liberally to its support.

Mr. and Mrs. Eneas Stauffer and daughter Miss Pearl Stauffer, have been in the city during the past week. The latter underwent an operation for tonsillitis at the Rutledge hospital during their stay here.

Mrs. J. E. Erickson visited friends at the Soo last Sunday.

35,315 ACCIDENTS IN 1914 IN STATE
1,995 Cases of Small Pox Reported in Michigan-Last Year.
Official figures completed this week show there were 1,995 cases of small pox reported in the state of Michigan last year. But only three of these proved fatal. Nearly 1,700 of the victims were not vaccinated.
During the year there were 33,315 accidents reported to the accident board. Of these 290 were fatal. Twenty thousand of those injured did not receive compensation because they were not disabled two weeks.
LIFE INSURANCE REFUSED.
Ever notice how closely life insurance examiners look for symptoms of kidney disease? They do so because weakened kidneys lead to many forms of dreadful life-shortening afflictions. If you have any symptoms like pain in the back, frequent, scanty or painful action, tired feeling, aches and pains, get Foley Kidney Pills today.

A BIG MEETING.

MISS SUZANNE MC-INTYRE DEAD.

Her Death Occurred at Chicago Sunday—Funeral at Gladstone Wednesday.

Miss Suzanne McIntyre, a niece of Mesdames A. Davidson and Dan McPhail, died at Chicago last Sunday. The deceased was well and favorably known in Manistique as she formerly resided here and in later years made frequent visits here. The funeral was held from the Presbyterian church at Gladstone Wednesday afternoon, the pastor, Rev. McKerron officiating. It was very largely attended as the deceased was very popular. Messrs and Mesdames Davidson and McPhail attended the funeral.

Speaking of her illness and death, in the Delta County Reporter of Mon-

day's says: Word was received from Chicago yesterday announcing the death of Miss Suzanne McIntyre at the Presbyterian hospital at 10:45, Sunday morning. Death due to chronic stomach trouble and a complication of diseases. The remains accompanied by John McIntyre and Mrs. Annabelle Dickey, brother and sister will arrive in the city tomorrow morning. Funeral arrangements have not yet been made.

Miss McIntyre had been in poor health for some time past. For the last two months she had not been feeling strong. Her serious illness extended over the past month, during which time she has been confined to the Presbyterian hospital. Her death has come as a most severe shock to her aged father, brother and sister.

October first she left this city for a visit with relatives in Detroit. While there she became ill and was for some

time confined to her bed. When she regained her strength she decided to return home, journeying by the way of Chicago, to visit her sister before returning. Shortly after her arrival she became again weak, sick and so serious became her conditions that she was removed to the hospital.

While it was known that her sickness was most dangerous it was not thought that her life was in danger. Only a few days ago a card was received from her home, and so everyone expected that she would soon be able to come home.

Suzanne McIntyre was born in Tiverton, Ontario, Canada and in the year of 1881 came with her parents to Manistique where she lived until 1893, when time the McIntyres came to Gladstone to make their home. During her residence here she has always been an active church and social worker. She was of an exceptionally lovable disposition and none who knew her could help but like her. Hers was truly a home life.

It was in the home that she enjoyed herself. She was her aged father's constant companion and it is he who today feels most the loss which has come to his home.

The deceased is survived by her father, Alexander McIntyre, Miss Charlotte McIntyre and Mrs. Annabelle Dickey sisters, the former of this city and Mrs. Dickey of Chicago, and John McIntyre a brother of Detroit.

THE PEOPLES STORE COMPANY.

Have Taken Possession of the Consolidated Co.'s Mercantile and Hardware Stocks.

The Peoples Store Co. which took over the stocks of the Consolidated general store and the hardware store, on January 1st, has perfected a temporary organization by electing the following officers:

President and Manager—L. Yalomstein.

Vice President—E. C. Brown.

Secretary—Norman Worth.

The stockholders of the company residing in the city and county, exceed 100, therefore the store is a Peoples store in every sense of the word.

The company has rented the building now occupied by the general stock and the hardware stock, and will do so until the new building, now in the process of construction, will be completed. That it will be ready for occupancy in April is assured.

The Consolidated Lumber Co. has in connection with the Peoples Store Co. whatever, and it has disposed of its entire holdings in the mercantile store to the new company. The Consolidated Lumber Co. has been deposed of disposing of its merchandizing business ever since the company succeeded the Chicago Lumbering Co. an act considered one of the largest in the land ever chronicled in the annals of the new company. The arrangements have been perfected whereby the Peoples Store Co. will apply the various camps of the Consolidated Co. with the necessary camp supplies.

As soon as an inventory is completed, a big wind-up sale will be inaugurated, an effort made to close out practically all of the present stock in the general and hardware stores. The stock at present is in first class shape, and being little if any stock that is worth being put, as it has been the custom of Manager Yalomstein to constantly prune out slow moving lines, is an old price irrespective of cost, rather than to keep them in stock. A big public will therefore be given a rare opportunity of purchasing seasonable and valuable goods at less than cost when the sale in question is inaugurated.

It is the aim of Mr. Yalomstein to put a practically new stock of goods in the new store building in April.

Mr. A. M. LeRoy, who has so satisfactorily looked after the interests of the hardware store, will be continued as manager of the hardware department of the new store. His employees as well as the employees of the general store, will be retained by the new company.

By financing to a great extent the new company, which with building and stock will exceed \$100,000 invested, Mr. Yalomstein shows an abiding faith in the future of the city of Manistique. He has resided here more than fifteen years, has a wide acquaintance, has established a reputation for fair dealing and will make every effort to anticipate the wants of the people of this section of the peninsula, and to sell goods at so low a price that present mail order customers will find it to their advantage to purchase goods where they can see and handle the articles they want, before paying for them.

TEAMS WANTED.

Twenty heavy teams wanted for lumber woods by day or month. Prevalting wages.

FRANK COOKSON,

TO TAKE STEPS FOR ENTERTAINMENT.

Initial Steps to be Taken for Perfecting Plans for the Forthcoming Tournament.

As all of our readers know, the annual tournament of the Upper Peninsula Firemen's association, is to be held in Manistique during the coming summer. The tournament will attract hundreds if not a thousand or more visitors to Manistique during the life of the tournament, and to properly care for and entertain the visitors is a question that Manistique citizens must solve.

A joint meeting of the citizens and city council will be held at the city hall next Monday evening, at which time the matter will be thoroughly discussed, and the initial plans made and ways and means for raising the money needed entered into.

Manistique cannot afford to "fall low" on this proposition, for the honor of the city is at stake. We have invited the association to be our guests for three or four days, the invitation was accepted, and it is now up to us to make the forthcoming summer the very best that has ever been held in the peninsula. If you are asked to contribute you should cheerfully pay your proportion. The city as a whole, will be financially benefited by having the association with us. Let us get busy.

NEW SERVICE FOR FAYETTE.

Farmers in the vicinity of Fayette are to enjoy the accommodations of a rural free mail delivery service. The post office department has formally authorized the establishment of the service and preliminary steps are now to be taken to allow the opening of the route at as early a date as possible. A wide district has previously been served out of the Fayette post office and many of the residents were forced to travel long distances to receive their mail. A petition for the establishment of the delivery service was forwarded to the department some time ago and Congressman William J. MacDonald was interested in the movement. Word has now been received from the department authorizing the establishment of the delivery route out of Fayette.

Mr. E. A. Shinar of Detroit, sent a portion of last week in this city, a guest of relatives.

YOUNG SON DIES.

Theodore, aged seven years, son of James Nutting, died Tuesday night at Nunting Hospital of appendicitis. He was taken sick last Sunday. The little fellow was exceptionally bright and a favorite with all who knew him. The funeral will be held on Saturday morning from the home of the bereaved parents—Nutting News.

Mr. and Mrs. Nutting were former residents of Manistique and their local friends are pained to learn of the sorrow that has befallen them.

FATAL ACCIDENT.

John Kohloff Is Shot Dead by a Young Lad Hunting Sparrows.

John Kohloff was almost instantly killed by being shot with a 22 caliber rifle in the hands of Fred Ludric a young lad who was hunting sparrows. The boy was shooting at sparrows in the back yard of his home, and Kohloff was walking in the South Shore railroad yards more than fifty rods away. The bullet struck him just above the heart, and lived only a few minutes.

Kohloff was a young man aged 23 years, and was practically the only support of his mother. He was employed in Beaudin's cigar store and was of steady and industrious habits.

The accident is much to be deplored and should cause parents and others to realize the danger of allowing children to handle fire arms.

Some of these 22 caliber rifles are wicked shooting guns and carry a long way. They are especially dangerous in the hands of children who are apt to blow away at any object and do not realize the killing power of the guns they are handling.

The law offering a bounty on sparrows is a fool piece of legislation anyway and should be wiped off the statute books. The officers will now doubtless put a stop to all sparrow shooting within the city limits.—Newberry News.

RECEIVED LETTER FROM GERMANY.

Nephew of Mrs. August Miller Killed on Belgium Battle Field—Another Receives Iron Cross.

Mrs. August Miller recently received a letter from a nephew, a Mr. Schmidt, of Wurmlingen in Württemberg, Germany. He stated that a brother of his, Mr. Alphonse Schmidt, nephew of Mrs. Miller, was killed in a Belgium battle field. He was shot through the abdomen during a battle, and was left lying on the field as his comrades were compelled to retreat. The following day he returned and found his body badly mutilated by ghasts. He had been stabbed, and his skull was crushed by a blow from his gun. His clothing was torn from his body and his valuables confiscated. He evidently was alive when the robber found him, and was promptly killed and then robbed. Two other nephews were wounded. A brother of Hilda Tafel, now a student of Duluth, where she was wedded several years ago, and who it will be remembered made her home with Mrs. Miller when she first arrived in this country, was decorated with the Iron Cross for signal bravery upon the field of battle. He is also a nephew of Mrs. Miller. The letter emphasizes the fact that Germany is united in this present crisis. Party and creed are forgotten, and all are upholding the hands of the Kaiser. While the war is a fearful thing, yet the inhabitants are experiencing no discomforts thus far. There is no want, and able bodied men are daily entering their services in behalf of their country. He also stated that when the wind was favorable, he was able to hear the roar of the bombardment in the west from his home in Wurmlingen.

TO CLOSE OUT STOCK.

Wm. Rogers, who recently opened a grocery stock in the Martin building on Oak street, has decided to close out his stock at cost. His stock is new and fresh, and comprises canned goods of well known brands. The average citizen thus has the opportunity afforded him to secure a supply at greatly reduced prices.

Mr. Dennis Heffron of Milwaukee is in the city, the guest of Mr. and Mrs. Patrick McNamara. His friends are pleased to note the improvement in his physical condition.
