STATE OF MICHIGAN.

To the Circuit Court for the County of Schoolcraft, in and for the County of Schoolcraft, Michigan, do hereby certify that the petition of Oramel B. Fuller, Auditor General of the State of Michigan, for and in behalf of the State of Michigan respectfully shows that the list of lands hereinafter set forth and marked "Schedule A" contains a description of all the lands in the County of Schoolcraft, Michigan, which were assessed for the years mentioned therein, and which were returned as delinquent for non-payment of taxes, and which taxes have not been paid, together with the total amount of such taxes, with interest computed thereon to the time fixed for sale, and collection of each of said parcels of land, as extended against each of said parcels of land.

Your petitioner further shows to the Court that said provisions of Act 206 of the Public Acts of 1913, as amended, as delinquent for non-payment of said taxes for said years respectively, and that said taxes remain unpaid; except that lands included in said "Schedule A" for taxes of 1910 or prior years were returned to the Auditor General as delinquent for said taxes under the provisions of Act 206 of the Public Acts of 1913, and which taxes remain unpaid.

Your petitioner further shows that in all cases where lands are included in "Schedule A" as delinquent for taxes of 1910 or prior years, said lands have not been sold for said taxes or have been heretofore sold for said delinquent taxes and the sale or sales so made, together with the total amount of such taxes, with interest computed thereon to the time fixed for sale, and collection of each of said parcels of land, as extended against each of said parcels of land.

Your petitioner further shows and avers that the taxes, interest, collection fee and charges, set forth in said "Schedule A," are a valid lien on the several parcels of lands described in said schedule.

Your petitioner further shows that the said taxes on said described lands have remained unpaid for more than one year after they were returned as delinquent; and that said taxes not having been paid, and the same being now due, and the same remaining unpaid, and that your petitioner prays a decree in favor of the State of Michigan against each parcel of said lands, for the payment of the several amounts of taxes, interest, collection fee and expenses, as computed and extended in said schedule against the several parcels of land contained therein, and in default of payment of the said several sums computed and extended against said lands, that each of said parcels of land tented against said lands, that each of said parcels of land may be sold for the amounts due thereon, as provided by law, to pay the lien aforesaid.

ORAMEL B. FULLER, Auditor General of the State of Michigan, for and in behalf of said State.

 When Napoleon was engaged in making new maps of Europe, he once said: "Never will I consent to give constancy to the emperor of Russia, for I would thereby surrender the key of a universal monarchy into his hands—he would at once be master of Europe and Asia." That utterance was made more than a hundred years ago, but it now looks as though Russia would secure the key.

 About eleven million trout fry taken from the streams of Maine, will be planted in the upper peninsula trout streams. The fish in question are considered more gamey than the native trout. PRESBYTERY WILL MEET AT MARQ.
 Making Arrangements for Attendance of 100 People.
 Preliminary arrangements are being made by Rev. Platte T. Amstutz and the elders of the Presbyterian church of Marquette, for the semi-annual spring meeting of the Lake Superior presbytery and the annual meeting of the Woman's Presbyterian society, which will be held in Marquette April 9, 10, and 11.
 The Lake Superior presbytery includes all of the Upper Peninsula and it is expected that at least 100 delegates from the Presbyterian churches of the district will attend the meetings. Local Presbyterians are arranging a special program of entertainment to be given in connection with the regular business meeting and devotional sessions, and every effort will be made to make the Marquette meet the most successful in the history of the presbytery.
 The most prominent speakers for the event will be Rev. John Stewart, of Lien Chow, China, one of the foremost missionaries of the Presbyterian board of foreign missions, who is now on a furlough and is studying at Yale. He will come to Marquette direct from New Haven.
 Another prominent Presbyterian who will speak is Mrs. W. K. Mitchell, of Detroit representing the Woman's Board of the Northwest and Presbyterian Home missions.
 The program for both meetings will be published later.—Marquette Chronicle.
 There is not a vacant house in Engidale, and more are constantly being built.

ROCKEFELLER'S FIRST AUTO WAS A FORD MACHINE.
 A road many stories have been told about wealthy men and their first automobile. The late H. A. Plagler, who lived at Larchmont, had a sign up on his gate which read: "No automobiles or dogs allowed." Still, a few years later, the great Standard Oil man and developer of the Florida East Coast, was a most enthusiastic motorist, and took pride in making road records in the White Mountains, where he spent his summers. Mr. Plagler's first car was a steam engine one, but he later graduated into the gas class.
 It is interesting to note that Mr. Plagler's partner, John D. Rockefeller, was also skeptical about the automobile, and he retained his teams to the last, although they did no work for several years, before he disposed of them; in fact, he sort of pensioned the horses, because of Mrs. Plagler's love for them.
 Mr. Rockefeller's first introduction to the automobile was at Cleveland, and it was the little car of the Ford type that he tackled first, and it was Ralph Owen, a brother of the well-known Ray Owen, that gave Mr. Rockefeller his first demonstration.
 Mr. Rockefeller telephoned Owen to bring that automobile thing up to the house. In telling of it, Owen declares that he was not nervous, that he proposed to show John D. a thing or two, and at the same time, show his horses up.
 Mr. Rockefeller, with pre-arrangement, had instructed his coachman to follow the automobile, believing that it would break down, and that he would have to walk back. Owen looked at the team with pity and then away he went, with the Standard Oil Crocuses. The latter looked around for the team, which was not in sight, and after a ten-mile drive at the busy pace of about 15 miles an hour, the team was lost and the return home was made.
 On the way back, said Ralph Owen, in telling the story to a Ford Motor Company Newark branch man yesterday, Mr. Rockefeller suddenly turned and said: "It is all right, young man, I will take this car, but how expensive is it to run." "It all depends on the market price of gasoline, Mr. Rockefeller," shot Ralph Owen at him. "All right," said Mr. Rockefeller, "I guess I can take care of that."

TO PARTICIPATE IN TOURNEY.
 Manistique to Have Strong Team at Marquette Bowling Tournament.
 The upper peninsula bowling tournament is being held at Marquette this week, and many of the best bowlers of the peninsula are making the Queen City their mecca.
 Manistique will be represented with the following team: Robt. Atwood, Herman Peterson, Edward O. Brandt, J. N. Forshar and Victor Remmel. The substitutes are: E. N. Orr, Carl Ekstrom and Z. Bays.
 The local team will no doubt give a good account of itself during the tournament, as it consists of some of the best bowlers of the city.
MANISTIQUE HEIGHTS NOTES.
 Mrs. Milton Williams of Coos, is here taking care of her mother, Mrs. Wm. Hall who has been seriously ill for the past week.
 Mr. Lewis Messenger of Rapid River is spending the week with his parents, Mr. and Mrs. Mesinger.
 The Wednesday Circle will meet with Mrs. Hopkins this week.
 Frank and Archie Farrend returned from the camp Monday where they have been for some time taking pictures.
 Gardner Brown returned home from across the lake where he has been tripping and fishing with his brother, Sam Brown.
 Mrs. L. M. Howard is spending a few days in the city with friends.
 Mr. and Mrs. A. J. Smith drove to Maple Grove Tuesday on business.
 Mr. Hall is hauling Joseph Chenard's saw logs to the Curry Bros' mill this week.
 "Booze" was the cause of a lot of trouble in the home of a neighbor Monday night. It is a queer way some men have of showing their "authority" by going to the nearest saloon, filling up on "Fire water," coming home and trying the strength of chinaware on the wife and little children. It is a shame that saloon keepers would be so eager for the almighty dollar, that they would sell to a vicious drunkard, knowing he is liable to fatally injure his family at any time while under the influence of liquor.
TO BENEFIT THE STATE HIGHWAY FUND.
 The legislature is discussing the advisability of compelling someone to pay a tax of \$1.00 per barrel on all beer manufactured or sold in Michigan. Outside brewers and distillers

will be compelled to pay a yearly license of \$600.00. It is figured that the bill would add \$400,000 annually to the state highway fund.
 The fact that the Soo hockey team won every game in the series this season, has evidently assisted in bringing about the decision of the Cleveland club not to contest with the Sooites for the MacNaughton cup this season.

And you pay only a fair price for it. No baking powder should sell for more.

Why God Casts Men Off

(Ordinance of Baptism)

ARE MAKING PLANS FOR 1916.

Politicians at Lansing are Doing Out the State Offices for 1916 and 1918.

It is a mighty cold day in Lansing now that a political boom is not spring for somebody for a state or national office.

Up to date, booms for the following have been "mentioned":

For governor, 1916—Lieutenant-Governor Luren D. Dickinson, G. J. Dickema, Augustus G. Carlton, Grant Fellows, Republicans; James A. Murtha, Democrat.

For Lieutenant-governor, 1916—Senator Henry E. Straight, of Coldwater; Senator Robert Y. Ogz, Detroit; Republicans.

For auditor-general, 1916—Senator Terry Corliss, of Mayville, Secretary of the Senate Dennis Alward, Republicans.

For state treasurer, 1916—Senator Samuel Odell, of Shelby, Republican.

For attorney-general, 1916—Senator James C. Wood, Manistique, Republican.

For governor in 1918 or 1920—Senator Alton T. Roberts, Marquette, Republican.

Liquor May Be Issued.

By common consent the railroad rate question and the liquor question are the two issues upon which the 1916 campaign will be fought. Agreement between Governor Ferris and Chairman of the House Ways and Means Committee Dana Hinkley to the effect that appropriations this session shall not run over \$15,000,000 has apparently barred

extravagance in state matters as an issue.

There is an question about Luren D. Dickinson, Detroit, and Grant Fellows, of DeLeon, being real aspirants for governor and Carlton placed in the same category. There has been some talk of Speaker Smith, although that gentleman is not mentioned. Grant Fellows, it is thought, will not even be in the game despite what his friends are saying. He wants to go to the supreme court and not to the legislature.

The lieutenant-governorship, however, straight merely follows the day's vote. It is thought that a coalition of these two in the primaries could just about swing all the "dry" votes in the Republican party, and thus win easily. The "wet" votes were split among a field of three or four. Senator Ogz leans toward the liberal element, and Auditor-General Fuller is unquestionably done with this term and his hostility to the Odell game warren's bill last week has started the drier party men talking of his successor. Senator Corliss would like it, but many of the Republican members of the legislature are openly saying they would be for Dennis Alward, of Clare, present secretary of the senate.

Urge Roberts in 1918.

For state treasurer Samuel Odell is already a candidate, with Deputy State Treasurer Frank Gorman, so far, his only opponent. The apparently members are pushing Senator Wood for attorney-general, and it is being announced that the next time the Republican party come north of the straits for a gubernatorial candidate, which they figure will be either in 1918 or 1920, it must be Senator Alton Roberts, of Marquette.

Nearly everybody says this is the best term in the senate for Senator Walter Taylor, of Kalamazoo. The career of Congressman J. M. C. Smith is declared to be over and Taylor is picked as his logical successor. At the sonnet's Washington birthday celebration he was introduced as the "next congressman from the Third district."

On the Democratic side the only man so far is for Murtha for governor. Taking into consideration the general opinion that with several out for the Republican nomination, Dickinson would surely win, Murtha is urged as the logical man to lead the forces of the other side.

STATEMENT.

Referring to the article in the last issue of your paper which endeavor to create the impression, by insinuating that I am the "candidate of certain interests that are vitally interested in who shall or who shall not be justice of the peace," I wish to state that the statement is not justified by the facts and that I was not consulted with nor advised by any group for said office, by any "certain interests," corporation or combination, or exposed to the best interests of our fair city.

It was of my own volition that I became a candidate and it is with justice and impartiality that I shall perform the duties of the office.

WILLIAM A. MCKINNEY.

TO COMBAT SOCIALISM.

Catholic societies of Calumet have organized the Slovenian Benevolent League, which has for its primary object the securing of a statute against socialism. The Mining Journal states that a Manistique society will join the league.

The league is to be incorporated under the laws of the state and candidates have been named to draft the bill.

The league will admit to its membership other purely Slovenian organizations. It is expected that one Dolan Bay society and a Manistique society will join the league. The membership is to be confined to Michigan. If event members of the societies affiliating may become members of the league without the payment of social initiation fees, between now and April 1. After that, initiation fees will go into effect. Persons ranging in age from sixteen to forty-five years are eligible. The league will pay sick and death benefits. The officers are as follows:
