DIED AS RESULT OF OPERATION

Mrs. Thomas Carter, Well Known Here, Died in a Soo Hospital Sunday.

Mrs. Thomas Carter, a former Manistique lady, died at a Soo hospital Sunday afternoon, as the result of an operation performed the previous day.

The deceased was a daughter of Mrs. Mary Miller, and came to this city two weeks ago to visit her mother. Late last week she was taken seriously ill, and was taken to the Soo for surgical treatment, last Saturday morning. An operation was deemed imperative, and was performed as soon as she arrived. She died rapidly and died the following day, as stated above.

The deceased was born twenty-one years ago, and became the wife of Mr. Thomas Carter, at Milwaukee, ten years ago. She leaves a son, aged seven months.

Mr. Carter passed through the city Monday morning enroute from Rockford, Ill., where they had resided since their marriage, to the Soo, and accompanied the remains to this city Monday evening.

Aside from the immediate family she leaves a mother, three brothers and five sisters. The brothers are Charles of Nadeau; and Sidney and Henry of this city. The sisters are: Mrs. Mary Crilly of Green Bay, Nellie of Flint; and Della, Eva and Pearl of this city.

The funeral services were held from the First Baptist church Wednesday afternoon, the pastor, Rev. F. R. Lench, officiating.

The bereaved family have the sympathy of their friends.

SPECIAL TRAIN TO ESCANABA

Persons Desiring to Take in Base Ball Game Sunday Given Rare Privilege.

The Manistique officers of the Manistique base ball team have persuaded the Soo Line to run a special train from this city to Escanaba and return next Sunday. The train will leave the city for Escanaba at 9:30 o'clock in the morning and will leave Escanaba on the return trip about seven o'clock.

The band and several hundred rooters will accompany the local team. The fare is \$2.00 for the round trip and the ball team must guarantee 100 roundtrip tickets to secure the train.

HOPE RUMOR IS TRUE.

It is rumored that the Goodwill Co.'s Wausau, Wis., plant is to be moved to Manistique and consolidated with that company's local plant. It is more or more, the company purchased a tract of land in "Indian town," contiguous to their plant, with that idea in view. That company is now employing more men than any other plant in the city, and with its capacity more than doubled, it may give employment to nearly 500 people.

HRUSKA PURCHASES BUSINESS

The Meat Market and Residence of Mr. Schuster Purchased by Mr. J. J. Hruska.

A deal was consummated Saturday whereby Mr. J. J. Hruska became the owner of John Schuster's meat market as well as his residence property. Mr. Hruska took charge of the business Monday morning. Mr. Schuster is undecided as to his future business, but will no doubt re-engage in business here or at some other city.

Schuster has been identified with Manistique's business interests for many years. He has made a success of his business in a field that is overcrowded in his line. He has always been a hard worker, and his success is attributable to the fact that he was on the job every minute of the day. He is a whole-souled, genial man, and has always shown his public spirit whenever given the opportunity. He was a member of the board of public works, for a number of years and has always shown an interest in the work of the board.

His many friends hope that he shall decide to remain in Manistique for he is the sort of citizen that would be missed.

Mr. Hruska, has been engaged in the meat business for a number of years at Thompson, and has been a member of the firm of Van Dyke & Hruska in this city for a short time. The "two Johns" are twins when it comes to work, and they possess the same traits to a remarkable degree. Mr. Hruska will be successful in any business he enters, and will keep the market on the high plane it occupied during the ownership of Mr. Schuster.

MISS AGNES MITCHELL, READER

At Methodist Episcopal Church Monday Evening, June 23th.

Miss Mitchell has delighted Manistique audiences upon two former occasions and her success as an entertainer is certified by those hearing her. WHITE-HIXSON WEDDING JUNE THIRTIETH

Prominent Young Manistique Lady to Become Bride of Allan Hubbard White, of Meriden, Conn.

Invitations have been issued for the wedding of Miss Blanche Virginia Hixson, of this city, and Mr. Allan Hubbard White of Meriden, Conn., to be held at the Church of the Redeemer (Presbyterian) on June 30th at 6:30 o'clock. Dr. J. R. Mitchell, the pastor will officiate. The ceremony will be preceded by a musical program.

The bride-to-be is the daughter of Mr. and Mrs. V. L. Hixson, and has been a life-long resident of the city. She is one of the most popular and prominent young ladies of Manistique, and possesses a wide circle of friends. She graduated from the local high school in the class of 1910. Later she attended Smith college, at Northampton, Mass., from which she graduated in the class of 1914. While in the east she met Mr. White, and friendship ripened into love.

Mr. White is a son of the late Edward H. White and Mrs. Mary C. White. He is a director in the company of White & White, manufacturers of the Angelus player pianos. Mr. White has visited Manistique in the past, and during his stay here, created a very favorable impression upon all having the pleasure of meeting him.

AGED LADY DIES

Mrs. Baumgart, aged sixty-seven years, died suddenly at her home on Elk street, Sunday morning. The deceased was a resident of Manistique for many years. For several years she was totally blind, but suddenly recovered her sight. She was a native of Germany. She was a devout christian woman, and was a member of the Presbyterian church. In the absence of the pastor, Dr. J. R. Mitchell, Rev. F. K. Mumby officiated at the funeral, held from the home Wednesday afternoon. She leaves several sons.

SOLD FARM

Mr. W. C. Hart, of Inwood township, has sold his farm in that township to Mr. John Strasser of Hinwatha township. The deed is general and Mr. Hart has decided to leave Schoelenet, county. He is not only an excellent citizen, but an enterprising farmer and stock raiser. He has materially assisted in raising the standard of the horses of the county by importing imported, pedigreed horses. His state of health compels him to cease the arduous labor that farm life exacts. His farm, consisting of eighty acres, is one of the best farms in the county. Practically every foot is under cultivation.

JEAN MACDONALD

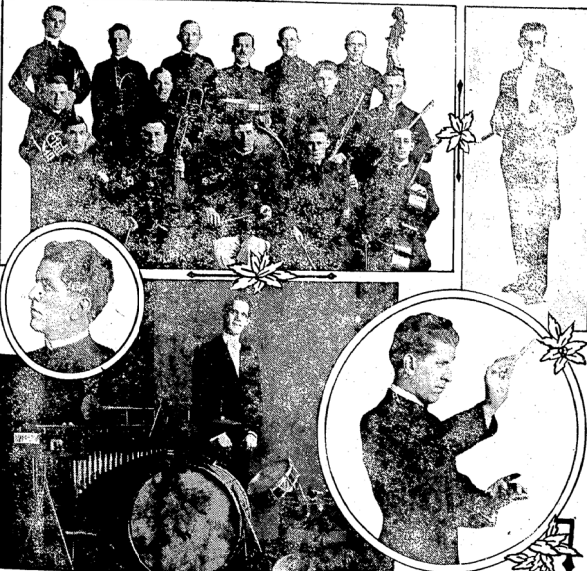

JEAN MACDONALD, Canadian, who knows more and does more by way of imitation and impersonation than she has ever been taught—The afternoon and night of the fourth day of the Chautauqua.

Arden Drama Company

A dramatic company organized and sent out by Elias Day of the Lyceum Arts Conservatory of Chicago. President Alonzo E. Wilson says they are fully equal to Marie Annet company, starring Miss Adams herself, an exciting program afternoon and night of the third day of the Chautauqua.

Harrie L. Bland and His Band

HARRIE L. BLAND, organizer and bandmaster, whose Chautauqua successes have placed him at the very head of his profession, will appear with his band in the afternoon and his orchestra at night, fourth day of the Chautauqua. Mr. Bland has been an unmatched success wherever he has appeared during the last seven years, with these organizations.

J. K. CODDING

J. K. CODDING, one time warden of the penitentiary at Leavenworth, where his humane, sympathetic policies with men have made him famous throughout the nation; a speaker of unusual power because of his moral earnestness. Something of the atmosphere which pervaded Dwight L. Moody's meetings characterizes Coddling's Chautauqua speeches. He is particularly friendly toward and interested in boys. More than 500 boys marched to the tent to hear him at Sterling, Ill., August, 1914. Afternoon, and night of the sixth day of the Chautauqua.

THOSE YOU WILL HEAR AND SEE

Pictures of the Various Persons that will furnish Entertainment for Forthcoming Chautauqua, Appear this Week.

The persons that will participate in Manistique's first Chautauqua to be held next month, appear in this issue. It requires two pages to do this, but if publicity will assist in making the forthcoming Chautauqua an unbounded financial success, we will feel amply repaid, as we believe in the Chautauqua idea, and know that when the people of Manistique shall have attended the first one, they shall insist upon a yearly recurrence. The date has been fixed for the week commencing July 19th, and it will close on the 24th. Afternoon and evening sessions will be held, and a casual glance over the two pages appearing in this issue will prove the most skeptical that they will certainly "get their money's worth." Season tickets for the entire week will probably be sold for \$2.00 and at that price every citizen of Manistique should purchase a ticket. The farmers living contiguous to Manistique, should also plan to attend.

WILLIAM E. MASON

EX-SENATOR WILLIAM E. MASON of Illinois, author of the National Pure Food Law and of the law by which United States senators are elected by direct vote of the people; author of the book called "John the Unfriended," very widely circulated and highly praised throughout the nation. "The Presidents I Have Known" is the subject of the remarkable address which this happy and large spirited man will deliver the afternoon of the fourth day of the Chautauqua.

The heavy rain did not stop part of the week was certainly a double blessing. It put out the forest fires, which were raging through the county the past week, threatening the residences of the Heights, but was kept back by the heavy rain without a wall. They should be thankful that the streets are well lighted, for when they stole the sort of machine they stole, they abandoned it. The admirable lighting system saved him a long chase for his chattel.

DRILLS DEWEY.

If Deputy Fire Marshall Dewey did more and talked less he wouldn't get so much advertising but the state would get better returns for the money it pays Dewey. MR. J. MALLETTE ACQUIRES HOTEL

Mr. J. Mallette has purchased the Ossawinamake Hotel, which he has conducted for fourteen years.

One of the big realty deals of the week was the purchase of the Ossawinamake Hotel, which he has conducted for fourteen years.

The many friends of Mr. Mallette were pleased that he has decided to acquire the hotel property, some for more than fourteen years, and can now be considered a permanent unit in Manistiquette's business circles. He is considered one of the best hotel men of the state, and has always conducted the hotel in such a manner that his guests always speak in highest terms of praise of the menus served daily.

The investment made by Mr. Mallette in Manistiquette realty, is ample proof that he believes in the future of Manistiquette, and that he is backing his good judgment with his dollars.

"Lodging" is popular with the traveling public. He spends no pains or expense in providing for their creature comforts, and the man that spends practically all of his days in hotels appreciates such attention when he is the recipient of them, and does not hesitate to say so. The hotel with the "Long Name" has assisted materially in keeping Manistiquette on the map during the past fourteen years, and that Mr. Mallette, will redouble his efforts to please, since he has acquired the ownership of the property, must be conceded.

Outside of the sale of the Consolidated Lumber Co.'s retail lumber department to the Waddell Lumber and Supply Co., the sale of the Ossawinamake Hotel is the largest sale of realty made by the company, this year.

Petitions Being Circulated to Prohibit the Sale of Air Guns and Sling Shots to Boys.

The Women's Reading club is circulating petitions asking the mayor and city council to pass an ordinance prohibiting the sale of air guns and sling shots to boys. Aside from the danger attendant upon the use of these instruments in the hands of average small boys, they are generally used by the boys to kill bird life. It is believed that there would be a rapid increase in the bird life of this section. It is a conceded fact that birds are the best friends of the farmer and town gardener. They subsist almost wholly upon insects and the enemies of growing vegetation, and were there no birds, little could be grown. The small quantity of fruit that the birds eat should be looked upon as wages for service well performed.

A boy that will wantonly kill a bird is apt to wind up in the penitentiary before he reaches man's estate. The sweetest music on earth is the song of the feathered choir that awakens you from slumber in the early morning, when it announces in song the birth of another day. Conserve bird life, not only by the prohibition of death dealing devices, but acquire the habit of feeding the birds that like this country sufficiently well to brave our long and cold winters.

INVESTIGATING GARDEN MATTER

President held that Deaths were caused by Fou Play.

A revival of rumors, stronger than at any previous time since the death of Louise Moreau and James Brandy during the fire that destroyed Dan Seavey's mill and docks at Gouley's Harbor, tending to indicate that there was foul play in the tragedy has caused county officers to make another effort to trace down the matter. Yesterday morning Prosecutor H. J. Rushon and Sheriff Jeverson left the city in the latter's car for Garden. They spent the entire day yesterday and are still on the job at a late hour this afternoon. Persistent rumors have been freely circulating in the vicinity of Garden and the scene of the tragedy, and the officials decided it would be best to go across the bay and make a complete investigation into the facts and features surrounding the deaths of the two men and in the alleged causes of the fire.

Dan Seavey, the principal figure in the affair at Gouley's Harbor was down town this morning, with his hands still in handcuffs. During a conversation with Seavey he replied in answer to a question concerning the spot of the fire, "I want to be vindicated and you can say that any investigation is welcomed. That cloud of suspicion hanging over me will have to be cleared up and any investigation towards the settlement of those rumors meets with my approval."

Seavey has reiterated several times his declaration that there is nothing to the stories that have been given circulation in Garden and vicinity—Escambia Mirror.
