THE FIREMENS TOURNAMENT.

Wet-ched Weather Interferred Materially with Program and Lessened Attendance—Hancock Chosen for 1916.

The annual Firemens tournament for the upper peninsula is being held here this week, and while there is no large attendance, yet it is safe to say that a thousand or more were deposed from making the trip to Manistique owing to the inclement weather that has prevailed practically the whole week. It rained all day Monday and Tuesday and a portion of Wednesday morning, and yesterday was interfered in by a steady down-rain. However, the weather did not dampen the ardor of the visiting firemen, and they had the best kind of a time this far.

The delegates began arriving Monday evening, but the majority of them came Tuesday. The country contingent arrived in the city over the M. & L. S. Ry. Wednesday morning, via special train. Tuesday was spent by the visitors in securing quarters, and in renewing acquaintanceship. Owing to the condition of the streets it was not deemed proper to pull off the big parade Wednesday afternoon and the only thing of interest made from the carnival, was an exhibition run made by the laughter department, hose laying, and clever ladder work, in which a member of that department scaled a ladder and rescued a supposedly unconscious fellow member. Moving picture artists made a film of the run and the ladder work.

The carnival company, which had an enforced rest for two days, certainly made hay while the sun shone Wednesday afternoon. The various shows were crowded all afternoon and evening, and it can be truthfully said that every patron secured his money's worth.

Wednesday evening, a number of the Atlantic department, arrayed themselves in Mother Hubbards and paraded the streets. These sturdy "Cousin Jacks" certainly imbued all with their good nature, and there was a laugh every instant.

The annual business meeting was held at headquarters, the Moose temple, Wednesday evening. Fifty-eight delegates were in attendance, two from each department of the peninsula. Newberry joined the association this year, and hereafter there will be sixty delegates.

The meeting was called to order by President Lacey, and upon motion

the various committees were appointed. The annual reports of the secretary and treasurer were read, showing the association to be in a prosperous financial condition.

The following officers were elected for the coming year: President—Paul Exley of Hancock. First Vice President—Oscar E. Oie, Second Vice President—Mike Messner, Jr., Atlantic.

Treasurer—T. J. Flynn of Negaunee. Chairman—Gordon J. Murray of Michigan. The association believes in advancing its officers, and vice president Exley was advanced to the presidency. The second vice president, Oscar E. Oie, was advanced to the first vice presidency, and the new man selected to scale the ladder of preference was Mike Messner, Jr., who was elected vice president. Secretary T. J. Flynn was re-elected for the twenty-first time. He is so genial and competent that he will evidently continue to hold that position as long as he lives.

The treasurer, Mr. Murray, was also re-elected. Four cities were applicants for designation as the convention city next year, but Hancock won out by a decisive majority on the first and final formal ballot.

The claims of Hancock were presented by P. Exley, Mayor Ojala and Wm. Madigan. The latter "touched" (Continued on Page Six.)

PASSED WORTH-LESS CHECK.

A Mr. Graham Secured \$24.50 from John Hayden on a Check Purported to be Issued by A. M. Chesbrough.

Late last week a Mr. Graham passed a check calling for \$24.50 on John Hayden, and when he presented it at the Manistique bank for payment, was informed that the check was worthless. The check in question was a correct facsimile of the checks used by A. M. Chesbrough of Thompson, but the signature was so faulty that the bank officials readily saw that the signature was forged. There were also slight differences in the manner in which the check was written, but did not conform to checks issued by Mr. Chesbrough.

The forger evidently secured a check issued by Mr. Chesbrough and had checks printed. Whoever printed them made a "good job" of it for the genuine and spurious checks are absolutely alike. It is claimed that Graham hails from Rexton.

MAY ORGANIZE RIFLE TEAM.

Number of Local Sportsmen Contemplate Organizing a Government Rifle Team.

Some of Manistique's good shots are discussing the advisability of organizing a government rifle team in this city, and while he was in the city last week, Capt. Percy Patterson of the Soo, gave them a good idea as to how to organize.

Manistique has plenty of talent in the shooting line, and such a club, if organized, would immediately take front rank among similar clubs in the upper peninsula.

JOHN O. CURRIE DIED MONDAY.

Former Manistiquean Died at East Helena, Mont., Monday.

Mr. John O. Currie, a former well known Manistiquean, died at East Helena, Mont., Monday after a short illness. The deceased was about fifty years of age, and was born at Crossville, Canada. For a number of years he was representative of one of the Chicago packing houses in this territory, and made his headquarters in Manistique. During his residence here he formed many lasting friendships owing to the fact that he had a pleasant work and smile for everyone.

About six years ago he located at a ranch, and where he resided until his death.

He was a member of Manistique Chapter No. 127, R. A. M., and Fluvilla Council No. 54, R. & S. M. He was at one time also a member of Lakeside Lodge, No. 371, P. & A. M., but denied to the Helena lodge some time ago.

The remains were taken to Duluth for burial. Two of his sisters are residents of that city, and one of those with him when he passed Fluvilla, and accompanied the remains to that city.

In the passing of Mr. Currie, a good, noble and true friend has been summoned to that Lourne from which no stranger returns.

LOST AUTO TIRE.

Lost, an auto tire Tuesday. Finder will please leave same at residence of Chas. Kandel, westside, and receive reward.

W. C. T. U. MEETING.

The regular meeting of the W. C. T. U. will be held with Mrs. Fred Graham Friday afternoon, Aug. 13. The Auto Bus will call for passengers from the following places, Geo. Hallgren's residence, 1236 1/2 block, C. L. Hardware, 1340, Westside drug store, 1550.

PURCHASED MOSHER BLOCK.

Mr. Sven Johnson Has Acquired Mosher Block Which Adjoins His Building.

Mr. Sven Johnson has purchased the John Mosher block on Cedar street. The building in question is constructed of brick, and is two stories in height. The lower floor is occupied by the Colonial theater, while the upper floor is utilized for flats.

Mr. Johnson's friends are pleased to see this evidence of prosperity upon his part. He now owns two of the most desirable business blocks in the city. Not so many years ago he was employed in the local mill. He finally engaged in the furniture and undertaking business, and by close attention to business, and the careful expenditure of money, has accumulated a competency. He deserves his good fortune.

GLADSTONE HERE FOR SERIES.

Base Ball Games This, Tomorrow and Sunday Afternoons Between Visitors and Locals.

The Gladstone base ball team has been secured for a series of three games during the week end, commencing this afternoon. During the game today, the tournament committee will hold up its regular program for two hours in order to give every person an opportunity of tending the game. The visitors have been materially strengthened, and while Manistique will succeed in winning every game of the series, yet anyone attending the series will see a good exhibition of base ball.

THE MADDEN FUNERAL.

In Last Week's Issue Appeared an Item Anent the Death of Mr. Eugene Madden, Which Occurred at Bremerton, Wash., or July 20th.

In a letter received later we glean the facts that his death was the result of cerebral hemorrhage and pneumonia. The services were held at the chapel at Bremerton, after the fact that his death was the result of cerebral hemorrhage and pneumonia. The services were held at the chapel at Bremerton, after which the remains were taken to Seaside, Oregon where the burial was held under Masonic auspices. Mr. and Mrs. A. G. Garland and daughter, Edna

and Mrs. Archie MacDonald former residents of Manistique attended the funeral services. Dr. Bert Snow, of Seattle, was called by the family for consultation.

A Bremerton newspaper has the story that, following to say concerning his death, B. J. Madden, an electrician in the busy yard, died last night at his home on Evelyn avenue, near Chester, after a brief illness from pneumonia. He was 54 years old and leaves a wife and nine children.

Details of the funeral arrangements have not been completed, but services will probably be held Thursday at the Lewis Chapel. The body will be shipped to Oregon for interment.

Mr. Madden was a member of the Methodist church and well known about the city.

Welcome to Our New Home

We Open Our New Home on Monday, Aug. 9th. You are Most Cordially Invited to Visit this New Store Devoted to Your Interests.

Everything will be in place. The country's best merchandise purchased especially for you by careful and discriminating buying, emphasizes concurrently with this opening, the march of progress. This is a 1915 store with up-to-the-minute methods, utilizing the experience of years of merchandising. We have had very gratifying success during our many years of business career in Manistique. We are proud of that record. Anyone might be proud of it. Yet more gratifying to us than any material gain is the throng of true friends we have made among the people in this community as the result of honest and legitimate business methods. It is the undying loyalty of our many friends and customers that has made this new home possible. We have won the confidence of these people by keeping our merchandise and service up to the highest standard.

AN Invitation

To all who read this, to those at present our friends and to the many whom we trust will become so by reasons of our goods, prices, our methods and our principles—to all whom this message reaches, we extend a most cordial and personal invitation to be present at our Opening on Monday, August 9th.

To give you a large measure of good service and to provide merchandise of a very reliable standard will continue to be the guiding principle of this store.

With the idea of good service firmly fixed in our minds we will always strive to have everyone look upon this store as one where the desire to render good service is ever above the mere monetary value of their patronage.

Mr. Frank Lindley spent Sunday with his family at Escanaba.
Mr. W. L. Vanatta is organizing in the shipping of blueberries on an extensive scale from Hart Spur.
Nathan Hanson returned Sunday from an extended trip which included Chicago, Detroit and the Soo.
Mr. Edward Sisco of Thompson, Michigan, was in the city last Saturday and made this office a pleasant call.
Mrs. Corbett and sons of Chicago, have been the guests of Mr. and Mrs. L. Rosenthal during the current week.
Mr. L. A. Barnham, with the Berryman Co. of Milwaukee, dealers in leather goods, called on the trade here Monday.
Mrs. John Hughson of Escanaba, was in the city during the past week, as the guest of Mr. and Mrs. Gust Delkin.
Lindsay Bras, Co. have greatly improved the looks of the interior of their store by the aid of paint and paper.
Mr. J. L. Blumgren left for New York Sunday and will for a couple of weeks peruse the markets for the latest in merchandise for his department store.
Miss Hazel Helgren has decided to become a trained nurse and for this purpose leaves for Minneapolis the latter part of this month where she will enter the Swedish Hospital.
Mr. Geo. Hoff, son of Mr. Ole Hoff, who about three months ago had an operation performed to one of his ears, recently had to go back to Ann Arbor and have another operation.
The charge of attempted rape for which Roy Veitch was arrested last week, was not sustained by evidence at the hearing held before Justice McKinney, and the prisoner was discharged.
Miss Helen Freeman of Manistiquet was the guest of Miss Ethel Shunk last week. Miss Shunk accompanied her guest to Rock River Saturday where they were the guests at a house party.
Mr. Clement one of Manistiquet's jitney drivers, did a brave thing a few days ago. While coming from the west on Deer street, he noticed a horse running away with a small boy in the buggy. He turned his auto about, and broke all speed records in the city in giving chase. He massed the horse, and compelled him to stop by gradually reducing his speed. The horse, jockey and boy escaped injury.

Mrs. R. H. Teeple returned from the lower peninsula last Friday evening.
Mrs. Havlichek of Flint, is the guest of her parents, Mr. and Mrs. Geo. Bouschor.
Mr. Margaret Gaudreau who has been enjoying a couple of weeks vacation which she spent at several points in Wisconsin and Illinois, is again at her post in L. Rosenthal's store.
Mr. Arthur Owen moved Saturday into his new home on Park Avenue. He recently purchased of Mr. Ed. Helgren, Mr. Helgren is now making his home with Mr. John Anderson and will occupy the same room he did twenty five years ago.
Mr. Robert Rubin returned Sunday night from Milwaukee where he during the last three weeks has been taking treatments for his eyes and throat with the well known specialist, Dr. Joseph Schneider. Mr. Rubin had a minor operation performed on his throat and is very much improved.
Mr. J. L. Barnhart had thought some of living on his farm all winter and driving to school back and forth every day, but he recently changed his mind and had rented the Rapin house on railroad street recently vacated by the Taylor family, and moved into town again, before League Enterprise.
The fellow that passed a forged check upon John Hayden, for the sum of \$24.50, stung several other liquor dealers for similar amounts. The checks were ostensibly signed by Mr. Cheshbrough of Thompson, and were a good imitation of his genuine check. The other fellows are not saying about their loss.
In reading the list of those present at the wedding of Miss Catherine Barker, "the \$50,000 bride" and Mr. Howard Spaulding, at Harbor Point, Mich., one is impressed with the similarity of the names to those residing in Manistiquet. For instance "Miss Sara Currie, Mrs. George Orr and Margaret Orr and a Miss Quick" were in the list.
Dr. Fred Baker and Miss Leda Stillwagen were married at the home of the bride's parents in Garden, last week. The groom is a former Manistiquet boy, who has made good. He is a graduate of the Detroit Medical college, and is practicing medicine at Central Lake where he will reside in the future. The bride is well and favorably known in this city.

HOME CAPTAIN PANNED.

The Newberry News censures Captain Flynn for his conduct in the recent game. It says: "Disappointed with the decision of Umpire Lewis, Manager Flynn of the diamond attempted to elude into another umpire. Manifestly objecting to this arrangement, a position which they were perfectly right and proper to go on with the game, the spectators realized that the trouble was the game had been called off. That Umpire Lewis made a grave error in leaving the grounds at the request of the manager is conceded by himself. He acted, however, on the impulse of the moment, without thinking of the consequences. His proper course would have been to have benched Flynn, and order the game to proceed or forfeit it to the victors. Only expressions of disgust and disapproval could be heard on all sides over the action of Flynn. It was unsportsmanlike and a display of might over judgment. Another exhibition of this kind will result in eventually killing the game here for the balance of the season. It might as well be said that the manager and his supporters of baseball in Newberry will not countenance any questionable or unsportsmanlike conduct. They are supporting the game through a pure love of the sport, and are paying the money to see baseball, not to listen to 'race chewing' matters. The board of directors of the ball team are doing their best to make amends for the incident and have extended a public apology to the Manitowish boys."

His hit Sunday made it possible for him to score as he advanced from third base on a sacrifice. In the fifth inning Rapid River nearly scored. Powell fouled third as the result of a series of families, and was caught at home. Summary, Sunday's game—three-run hit—McLaughlin. Two-base hit—Weymouth, Woolford. Struck out by O. Freedland, 3; by Leaf, 3; bases on balls—Leaf, 2. Hit by pitcher—O. Freedland.

SAW EASTLAND DISASTER.

Gen. Kirchner Was an Eye Witness to the Sinking of the Steamer. Mr. Geo. Kirchner of Chicago arrived in the city Monday morning to spend a week with relatives and friends staying at the home of Mr. William Hatcher, 235, another home, his sister. Mr. Kirchner was formerly a resident of this city and is now employed as city solicitor for Hubbard, Spencer & Associates, one of the largest wholesale hardware firms in the country. Mr. Kirchner was an eye witness to the Eastland disaster where many lives were lost and says he will never forget the last few days of struggling humanity in the water and can still see the scenes of the drowning and the deaths as they were going to their doom. The officers and crew of the Eastland were situated right on the river, "out near the Starbuck bridge and the steamer Eastland was lying between a Clark and tobacco wharf, and just as he had moved the anchor he heard the crashing sound of the overturning steamer, followed by the screams of the passengers as they fell, every minute somebody was stunned and hardly able to realize what was happening, but as soon as they did, every minute somebody was done to the care of the survivors and take of the dead. When Mr. Kirchner left Chicago for the city earlier were being put into place in an effort to right the overturned boat and when that is done it will be found that many more lives will be found. Mr. Kirchner leaves tomorrow, Saturday, for Chicago to assume his duties again.

COMPETES WITH M. O. HOUSES.

The People's Store Has Issued a 500 Page Catalogue and Lower than Chicago Houses. The Colonial Theater is giving its patrons the best service in the history of the theater. Not only are the best films obtainable shown every evening, but the music is a feature, that alone is worth much more than the price of admission. There certainly is a reason why the theater is crowded nightly.

INCREASING ITS BUSINESS.

Miss Geo. Scott of Higgins Spring and the four part of the week Mrs. Payne. Mrs. Payne and Mrs. Geo. Scott spent the week with Mrs. Wright of Maple Grove. WILL RETURN TO PAY DEBTS. Writes to Under-Sheriff While on Way to England. Rev. G. H. Harper Reed, charged in the Soo with passing about \$2,000 in worthless checks to England, merchants, is enroute to England, where it is said he expects to obtain money, return to this country and pay his debts. Under Sheriff James H. Macdonald has received a letter from Reed which was written in Detroit. He thanks Reed for the treatment of him while being held here. Reed was a peculiar person. He had an immense amount of good traits, too. One of his characteristics which impressed him was his kindness and generosity. He was ever willing to share any good fortune that he obtained. One day when Under Sheriff Macdonald accompanied him to the post office Reed went with him to the post office where the under sheriff served some official papers. A grimy looking sailor in his troubles—no money and nothing to eat. With very little money, Reed presented a quarter of a pound of butter to buy him something to eat. A wealthy landowner from Blind River went to Reed, who was in the city, and told him of the life the pastor of the church would give his last copper to Reed, who was in a stringent city.

PREDICTS VICTORY FOR DRYS IN 1916. Mayor Loomis Says State Going Dry by a Substantial Majority—Dry Forces at Work. A township in St. Clair county with 200 qualified electors, of which number 120 signed a petition to submit a statewide prohibition, is the first in the state to send in a petition to the Michigan Anti-Saloon league in Lansing, now associated with the Anti-Saloon League, predicts that the state will secure majority of substantial majority, following a tour of the state just completed. Mayor Loomis, who has charge of the petition, states that the petitions will be placed in every county in the state and that the Anti-Saloon league has already been secured in the counties of Macomb, Eaton, St. Clair, Huron, Sanilac, Allegan, Benet and Muskegon. Less than 50,000 signatures of petition are required to submit the question at the general fall election in 1916, but the Anti-Saloon league will secure upwards of 200,000 before the time for filing the petitions expires. Just as soon as the petitions have been filed the work of extending the "dry" organization into every voting precinct and county will be started by an organized campaign that will rank with any political campaign ever staged in the state. The Anti-Saloon league forces working for months before the election and will stop at no stage in its effort to make the state "dry."

ALLEGISLATURE THAT DID NO HARM. The Forty-ninth Michigan Legislature which closed its biennial session on April 29, will be noted for the things left undone rather than for the things accomplished. In other words, it was a negative legislature. Its activities may be the result of a general reaction toward social legislation in the states of the Middle West although the spirit of Michigan has always been steadily progressive, never really conservative.

BRACKMAN WAS CURED. F. A. Woolsey, Jacksonville, Texas, writes: "I was down with kidney trouble and rheumatism; had a backache all the time and was unable to walk. I took Foley Kidney Pills and was thoroughly cured. Thousands have written similar letters. Foley Kidney Pills are tonic in effect and act promptly."

OFFICIAL COUNTY AND CITY PAPER

FRIDAY, AUGUST 6, 1915.

EDITORIAL COMMENT.

Well, it rained. And then it rained some more. We've had one. Do we want another. Without being irrelevant, it seems appropos that Father Cashin was present at the time Becker cashed in his chips.

The promoters of the Chautauqua at St. Ignace, did not lose a cent in the undertaking, as the sale of season tickets, and single admissions amply covered the guarantee.

Just to keep in line with the remainder of the world, Haiti has kicked up a rumpus, and as a result, two American marines have been killed thus far. Uncle Sam is kept very busy policing the western hemisphere.

The Battle Creek News says: "Instead of getting mad when a teacher tosses aside her contract, to marry, the board of education should give her a vote of thanks, chip in and buy a wedding present, and attend the wedding in a body."

The sister of the late Fred Patzke, a former tailor of this city who has been dead for some years, is the wife of Van Hindenburg, the great German general that has been worrying the Russians by the efficient campaigns he has been conducting in the eastern portion of the war zone.

The geological department of the Ford Co. of Detroit, announces that profit sharing plan of the company is reaping great results. The workmen have bank deposits of \$34,046.30; life insurance totalling \$6,493,700, and the value of homes being bought by them on contract is \$8,867,169.

The business men of Manistique should take a day or two off and visit the various farming sections of the county, and become better acquainted with the tillers of the soil. The idea is being exercised in some counties, and the mutual benefits arising from such a jaunt are mutual and profitable.

The next big event in Manistique will be the meeting of the Upper Peninsula Old Fellows convention to be held here on Labor day. The local Odd Fellows will spare no pains to make the convention a success, and as Manistique Lodge No. 353, is noted throughout the peninsula for its hospitality and aggressiveness, the brethren will all be here.

It is hoped that any person believing himself or herself tainted with tuberculosis, should call on some one of the physicians of the city August 20th for a free examination. The local medical society has decided to concede to the request of Governor Ferris, relative to these examinations. The idea is a good one, and the physicians generally, throughout the state, have taken favorable action upon the governor's suggestion.

The war is helping the copper country. During the past year the deposits of the banks in that section have increased their deposits, more than a million and a half dollars. Of course the inability of some of its wage earners to forward money to relatives residing in the combatting countries of Europe may have assisted materially in piling up this huge sum. However every man that desires work is busy and good wages are being paid.

Once upon a time, Manistique possessed a physician that was highly regarded as a practitioner, but it can safely be said that he was not much of a success as a journalist. He was once asked to contribute an article for one of the local newspapers. In due time it appeared under the head, "The Death of Patients." The article read very good and he was the recipient of many compliments for his efforts. However, a friend of his happened to run across the article in a medical journal, and then the secret was out. The physician had clipped it and the only change made was in the signature.

Those Turks are some fighters also. Out of 6,000 Australian that combed with the adherents of "The Sick Man of Europe," only sixty-seven escaped with their lives, and each one of them were wounded. Doesn't it occur to you that the "mother country" has the faculty of placing the troops from its colonies in the hard places of the present war? Whenever you hear of a great loss of life, it is the Canadian and Australian troops that suffer. The Canadian troops are superior to any that are fighting for Johnny Bull in the present war, and it is a matter of profound regret, that so many of our stalwart cousins of the north, are meeting their death in France, Egypt and the Dardanelles.

Mr. Carl Thorborg, so well and favorably known by Pioneer-Tribune readers. It is stated in his position as reporter for the paper, which position he resigned two or more years ago, when he located in California. The editor has been doing all of the work of furnishing editorial and local copy, as well as looking after the business of the company, during Thorborg's absence, and he will now take a much needed respite from the public shall show newspaper work. Any favor that the public shall show to Mr. Thorborg will be greatly appreciated, not only by himself, but by the editor as well. A newspaper man really needs a short vacation after thirty-three years in the harness, without respite—twenty-three of which were spent at the "same desk" and in the "same city," with vacations and rest in "between" days in the winter of Cleveland.

EDITORIAL COMMENT.

Glad you came, and come again. Rain is good for crops but not for carnivals. The Kaiser reached Warsaw on schedule. Wonder whether he will reach Paris with the same celerity.

No one was heard singing the refrain, "How Dry Am I," so far this week.

Whenever Manistique experiences a dry spell it should advertise to hold a firemen tournament with carnival attraction. Rain will be sure to follow.

During the first year of the war, the Germans have acquired 15,000 square miles of territory from its enemies in Europe. To offset this, it has lost its South African possessions.

It sometimes pays to act the damped for Chaplin receives a weekly salary of \$3,000 for so doing. However there are thousands of others that can give him cars and a spouse, yet they receive less than \$200 per week.

Hibbing, the city in Minnesota that has the unenviable reputation of being the most extravagantly conducted small city in Minnesota, is bankrupt, because of the mining companies that are paying the bulk of the taxes refuse to dig up.

Why does not some citizen that has become wealthy as the result of having been in business here for many years, purchase the proposed park site along the river, and present it to the city, thereby earning the profound gratitude of the entire community.

When a fellow can feast on speckled trout, cat pines, and lettuce and potatoes from his own garden, and use pie made from cherries growing on his own trees, for a "chaser," he has solved the high cost of living. However, the fish must be donated.

Villa is bound to get his sooner or later. In an address to Mexican business men he said that the United States can go to hell. After making this assertion he jotted forty of the business men, appropriated their stocks of goods, and six that resented his highway methods, were put to death.

The local option election in Alger county, was finally decided for the "wet" by Judge Peck. There was a difference of one or two votes, and two recounts were held. The liquor interests certainly had a close shave in Alger, but they will be put out of their misery when state wide prohibition is voted upon next year.

Becker was officially murdered by the state of New York last Friday morning. While he did not fire the shot that killed Rosenthal, yet he instigated the plot that resulted in his death. The four gun-men that did the actual killing, were electrocuted several months ago, and it certainly would have a travesty upon justice to have allowed him to go free.

The summer resort cities are all complaining of hard times. Notwithstanding the fact that nobody is going to Europe, it appears that they are not going anywhere else. These are good, old Democratic times with a vengeance, and only the manufacturers of munitions of war are making sufficient money to be able to travel, and they are not doing so because they are really too busy.

How's this for nerve. The Soo claims the championship of the upper peninsula because it defeated Newberry. If we remember right, Manistique defeated the Soo to the tune of 25 to 0 in the only game played with that team, and the locals are ready at any time to repeat the dose. The Soo has a hard and dangerous road to travel before it can justify lay claim to being the "champions" of Cleveland.

We believe that Manistique's visitors had a good time this week, if we are to judge from the many expressions of commendation expressed by them. Manistique was unstinted in its efforts to please and royally entertain its visitors, and we are sure that many a visitor that made his initial visit to the city during the week, is now thoroughly convinced that Manistique is a live wire city, and he will always pleasantly remember the week spent here.

Mr. Napoleon Bonapart, was at one time a citizen of Canada. In 1808 he belonged to the Canadian militia, and helped to suppress the Penian rebellion. Last week he was surprised to receive a draft for \$100 and a medal issued in commemoration of his services at that time. Governments are sometimes tardy in recognizing the services of its subjects in times of stress, but they invariably do remember them even if a half century intervenes between the service and the recognition.

Dr. F. P. Bohn of Newberry, has aspirations to represent this district in the state senate. The doctor is one of the best known Republicans of the upper peninsula, is a good campaigner, and very highly esteemed by the rank and file of the party. If he decides to enter in the race this year, for a member who has served two terms, wants another term, and Mr. F. D. Davis of Escanaba, who was almost persuaded to get into the game last year, may also be a formidable factor. With three candidates in the field, the result of the primary election would be in doubt until the last vote was counted.

DISTINGUISHED VISITOR HERE.

Congressman W. Frank James of Hancock, was in the city this week attending the annual firemen's tournament, in his capacity as secretary and treasurer of the Hancock fire department. He has been a member of the fire department since 1895 when he won the 100 yard dash at the first firemen's tournament. The Pioneer-Tribune has always had a very high regard for Mr. James, and has the distinction of being the first newspaper to mention his name in connection with congressional honors, as it saw in him ideal congressional timber. The legislature jerry-mandered the congressional districts so that Schoolcraft county, with other counties was divorced from the old Twelfth district, before he made the race for congress, so that the Pioneer-Tribune had to be content with assisting him in attaining the fruition of his aspirations, as it saw in him ideal congressional timber. We believe and know that his district will never have cause for regretting its action in electing him to congress. He not only possesses the ability to make and retain friends, but he has, and is making economic questions a deep study, has opinions, and possesses the ability to present them in a forceful manner. He will at once take a front rank with the influential members of a body.

WHY THE SALOON IS AN OUTLAW.

Brewery Owned and Brewery Dominant Saloons, one of the Causes of the Unemployment of the business.

A well known writer who has given out the following article in which he becomes an out law, will refer to the position in the larger cities, but will be read with interest by Pioneer-Tribune readers.

Take a large city as the unit for example. The saloons are owned by a few individuals. They pay practically all the saloon license fees. Early license is held nominally by an individual saloon keeper. The money is paid by the brewers. In most cases, perhaps, he owns either the building, where the saloon does business or the lease of the saloon premises. The saloon-keeper merely acts a tenant. The money must, before engaging in the business, invest a considerable sum of money on credit in fixtures and stock. His license may be taken away and he must either vacate the premises or be ordered to vacate the premises in any time by the patrons. This is likely to cost him not only his living but all his possessions, if he offends. He becomes essentially a serf.

This is far from the worst of his estate. The saloonkeeper must agree to sell all his beer except that supplied by the brewer to whom his license is assigned, and who probably owns his lease. He is granted the privilege to carry a limited quantity of case goods, but, here is the crowning indignity, he is bound to purchase and pay for a stated number of kegs of beer from his master every week or month. If he fails to do this he is presently supplanted by some one who can and will. Hence, this is the central fact in his arrangement, on which everything else depends. He may keep a disorderly place, may make all his friends with wine with public and police, but his license is safe while his sales record is good, and that will before "customers" and nothing can save him.

It is obvious that this arrangement changes the character of the saloon business. It makes it revolting to the public and to the self-respecting saloonkeeper himself. He is no longer merely a caterer to a public demand. Up to certain point he must create it. If the normal thirst of his constituency does not consume his allotted quota he must increase that appetite or go out, and drum up new trade. He will be pressed if he sells to a drunkard or a minor. He will be punished if he does not sell enough to somebody. In these times of compulsory sales by thousands of agents who have no recourse except to get out of the business, and are sold by the law, how can sales be stimulated most surely? By selling to drunkards and minors, by keeping open all times forbidden by the law, by permitting gambling on the premises and by providing smoking and gaming rooms where women are admitted.

A GLADSTONE WEDDING.

A very pretty home wedding took place at the residence of Mr. and Mrs. Peter Legz of Wis. last night on Thursday morning at eight a. m. when their only daughter Ethel Mary, became the bride of Mr. Andrew Gladstone, formerly of Gladstone now of Chicago. The bride was attired in a gown of white organdy and carried a bouquet of white sweet peas. The groom was wearing a suit of white velle embroidered with pink and carried a bouquet of pink sweet peas. The groom was attended by John L. Legz, brother of the bride. After the ceremony which was conducted by the Rev. Frank Field of the Methodist church, in the presence of twenty-five invited guests, all sat down to a dainty breakfast prepared by Mrs. Perkins who is noted for her skill in that line. The young couple left by auto for Escanaba where they boarded the C. & N. W. train for Rosebald, Wis., where they will visit at the home of Mr. and Mrs. Gladstone. The bride and groom are now in Chicago about Monday where they will be at home to their friends at the Hotel Waldorf. The bride was a very popular young lady as was shown by the number and quality of the presents she received. She has acted as clerk for her father, Peter R. Legz, late school com' of Delta county.

SHOWS SPLENDID GROWTH.

George J. Laundry, wife and daughter returned home Thursday from St. Paul, where Mr. Laundry represented the State of Michigan at the National Woodmen of the World at the national convention, which was held in that city. He and his wife were invited to submit at this meeting show that the growth of the Woodmen both financially and numerically during the past two years to have been the greatest in the history of the order. New members were made during the one of the soundest financially in the United States—Soo Tires.

STILL IMPROVING

By purchasing Marblehead Canary Paul Longfield for junior sire of Marblehead herd. This sire is backed by some of the best records of the breed. The average record of this dam and his sire's dam of four years old as follows: Milk \$56.60 lbs. in 7 days Butter 30.49 in 7 days per cent fat 4.38. This pedigree gives his sire some of the best strains of breeding blood to be found, and it will pay you to thoroughly investigate the placing of a thoroughbred Holstein bull or the head of your herd.

The following is a remark of Chet Millar of Manistique township: "Since putting one of your bulls at the head of my herd, find it as easy to carry two pairs of milk as it was formerly to carry one pair." A pure herd will do the same for you. The following have pure bred bulls:

- Jim Sheridan, Son of Travers Little Bass Lad out of Queen Bee August Lake French, Germfask. King Ultra Johnson C. R. Miller. Marblehead Ptererje De Wolf Guy D. Welton. THE FIREMENS TOURNAMENT.

(Continued from Page One)

the button" by his speech, and made his city the winner.

Houghton's claim was presented by Gust Hartman, who also made an excellent address.

Mayor Hanley, and an enthusiastic bunch, arrived in the city Wednesday evening and at once began pulling wires for designation. Mr. Hartman presented the claims of his city in his usual eloquent and forceful manner.

Mayor Dussell pleaded in behalf of Ironwood, but his eloquence fell upon deaf ears, for the consensus of opinion was that Hancock, which had been in the race for the fifth time, should be recognized.

On the first informal ballot the result was as follows:

So, 4; Hancock, 27; Houghton, 14; Ironwood, 11.

The formal ballot follows: So, 2; Hancock, 30; Houghton, 15; Ironwood, 11.

Deputy State Fire Warden Robinson read a paper on the prevention of fires and made a short address to the assembled firemen.

A resolution of respect was adopted in honor of the late Louis Voelck, chief of the Houghton fire department, and an ex-president of the association, who was accidentally killed during the past year.

A resolution recommending the fire escape on exhibition at headquarters, and the patent of a Soo man, was adopted.

The following delegates participated in the meeting: John Hanley and William Williamson, Ontonagon—Allie F. Miles and Geo. Ross, Bessmer—Allie F. Miles and Geo. Ross, Houghton—Ray Eggleston and Fred Myers, Manistique—J. C. Wood and H. F. Wendland, Ishpeming—J. B. Pearce, Wm. Quayle, Gladstone—M. E. Gauffin and C. P. Mason, Soo—Geo. Barnes and C. B. Foster, Iron River—John Purcell and Walter A. Ammerman, Hancock—A. L. Levy and W. Frank James, Gwin—C. O. Boogren and J. W. Fagerberg, Hurontown—Frank Walkers and John Wagner, Laurium—John Knechtges and Jos. Becker, Hubbell—J. B. Hodges and J. R. McDonald, Rockland—John Chestney and Ar. Marquette—Fred Price and Tim Maney.

Red Jacket—Jno. Hermann and Jacob Kaiser, Michigamme—F. J. Lyman and John Fredrickson, Lake Linden—Chas. Werner and Joseph Stehlin, L'Anse—Geo. A. Trudeau and F. H. Munson, Ironwood—Harry Barr and Frank Dwyer, Baraga—R. B. Mathes and Paul Foucha, Negaunee—Al F. Williams and W. J. Chapman, Munising—John Griffith and D. C. Dewey, South Range—Wm. E. Long and Victor Olgren, Republic—Jacob Scholzen and Ivor Leaf, Wakefield—J. W. Bedell and W. R. McNamara, Stambaugh—John Westerberg and Dan Van Wagner.

One of the good things of the convention was that it was a member of the association, and he has had the honor of nominating Flynn during all of these years. In his address he used a story told on Bryan and his persistence in aspiring for office, that brought down the house. Manistique is very much disappointed with the weather conditions, and while elaborate plans have been made to entertain the visitors and keep them busy every minute of the day, all plans seem to have gone away. It is hoped the visitors will appreciate the fact that the weather is something that more men cannot control.

Mayor Middlebrook, in a short address, cordially welcomed the visitors, and in behalf of the city presented the association with a monster key, as the token that the city was theirs. President Lacey, in a short address, thanked

good fellowship and cordiality, made a neat response.

Yesterday morning, between showers, five of the visiting companies participated in contest No. 1, viz: Houghton, Hancock, Gladstone, Ironwood, and Laurium. Gladstone was the winner, but the time made will not be made public until all teams have been run.

The parade was pulled off during the afternoon. The formation was as follows: The band, Elk and Cedar streets, and the line of march, included Elk street to Deer, and from Deer to Oak to Maple, north on Maple to Cedar, south on Cedar to Oak, east on Oak to Cedar, west on Cedar, north on Cedar and River to Elk, east on Elk to Cedar, where parade was discontinued.

The parade was formed as follows: Mayor, President and Secretary of Association, Manistique Band, City and County Officials, Fire Apparatus, Ishpeming Dept., Gladstone Dept., Red Jacket Dept., Marquette Dept., Atlantic Dept., Munising Band, So. Dept., Hancock Dept., The judges of the parade were Wm. C. Bronson, John Falk and Alex. Davidson. They decided that the Atlantic Mine department was the best appearing department in line, and awarded the first prize to that company.

Also commended the South Range company for their neat appearance, and had a second prize best scheduled parade of the South Range company would have been "it."

HAD A VERY SUCCESSFUL YEAR.

First Baptist Church Held Annual Meeting Monday Evening—Excellent Showing Made.

The annual business meeting of the First Baptist church was held Monday evening, and was one of the best meetings ever held in this city. The meeting was larger than usual, and a splendid spirit was manifest in the meeting. The pastor, Rev. F. R. Leach, reported that the church had had 38 accessions to its membership during the year, and 27 of these were by baptism. The additions were one of the largest in the history of the church, making the membership over 300. A number of non-resident members were dropped, so that the membership is not now as large as formerly. The growth has come through the steady emphasis of every day evangelism and making the Sunday evening services of an evangelistic nature. A personal worker's class was conducted last winter by the pastor, Rev. F. R. Leach. The treasurer's report showed that \$3,640 was raised of this amount \$1,170 was given to missions. The largest amount ever contributed in a single year for missionary purposes was given last year.

The church voted to paint the church building. The Bible school reported an average attendance of 1407. Galvary Mission 77; the Junior society reported 9 members and the Ladies Aid society 52 members and are having raised \$264 during the year. The Y. P. C. is doing well during the year. 100 new song books. The treasurer started the new year with a clean balance sheet and the pastor plans

make the new year in every way a strong year for the church. He has used regular advertising space in the Tribune, and is a liberal user of advertising matter in other ways. Committees were elected: Church Clerk, O. G. Quiek; church trustees, M. H. Quiek, E. W. Miller; Supt. of the Bible School, John McLaughlin, Ass't. Supt., Wm. Kendall; Supt. of the Primary Dept., Mrs. Ida McLaughlin, Ass't., Supt., Mrs. F. R. Leach. Finance Com. E. W. Miller, Mrs. Davidson, Mrs. Crowe, Mrs. McClain, in, Mrs. Greenwood, Calling Com. Mrs. Thurman, Mrs. Selzer, Mrs. Philon, Mrs. Osterhaus, Mrs. Lindenthal, Church Missionary Com. Mrs. Miller, Mrs. McLaughlin, Miss Orr, Dr. Selzer, Advertising Com. Rev. F. R. Leach, O. G. Quiek, Dr. Selzer, John McLaughlin, Uehers, Alex Davidson, John McLaughlin, George Gilliland, Herbert James, James Osterhaus.

The church year was changed to Oct. 1st from Sept. 30. The local Baptist church is considered one of the stronger churches in the denomination in the state, and has many efficient workers, who have made the church what it is today as a force for good in our community.

THE HEINZ & BECKMAN SHOWS.

The Carnival Company Arrived Late Sunday Night From Menominee—Company Good One.

The Heinz & Beckman shows arrived in Manistique Sunday night, a little late, but early Monday, in spite of the rain, they had a very successful start when Monday night came everything was ready and doing business except the big merry-go-round, but that could not get going very early in time, but everything was ready to run Tuesday night, but Mr. weather man thought the chances were against it, and kept the people indoors and the shows closed.

The attraction of the Heinz & Beckman attractions is in order right here. To start with there is the Modern Drama, or "How I Got my Wealth," with its lady and gentlemen thrill creating riders and this is one of the best attractions ever carried with a carnival.

Kelly Bros. Dog and Pony show is certainly a good line attraction. The dogs and ponies are certainly the work of the "Lafayette Caster," and the walk and serial performers, is certainly wonderful.

John Francis Big Side or Pit Shows sixteen of them under one tent, with the fat lady and skinny man, and its snakes and other curios, is an attraction well worth seeing.

Then there are the Fox Trot Girls, a very high class vaudeville attraction with the carnival company, and is always well patronized.

One who wants the old time darkie melodies, they go to the Superbia Minarets, where they are accompanied with their article to their hearts content.

Laughland, where the fat look like the work of the short, but the opposite prevails, was another favorite stopping place, as was the Trip to Mexico, and the car driven by the South Shore Ry. A delegation of business from each city also accompanied the delegates in order to place the claims of their respective cities before the convention.

THE COPPER COUNTY DELEGATES.

Arrived Tuesday Evening in Special Car—A Jolly Bunch of Fellows.

The Houghton and Hancock fire departments, while each were contestants for designation as the convention city next year, laid aside their animosity sufficiently long, so that they made the trip together in a special car furnished by the South Shore Ry. A delegation of business from each city also accompanied the delegates in order to place the claims of their respective cities before the convention.

SOME OF THE VISITORS.

An Incomplete List of the Visiting Firemen That Attended the Annual Tournament.

The Pioneer-Tribune made an effort to secure the names of all of the visiting firemen, but was unable to do so because so many of the visitors failed to register. However, the list as secured, follows:

The Ishpeming department arrived Tuesday evening over the M. & L. S. Ry. The delegation was headed by John Lacey, chief of the department and the honored president of the association during the past year. John Lacey is one of the oldest members of the association, and from the viewpoint of age, he is not as old as he looks, for he attended the convention in 1892-3 before the present association was formed. Lacey has taken an interest in the work of the association since it was founded.

The representatives from Ishpeming are: John Lacey, chief; William Quayle, foreman of hose company No. 1; Otto Eger, foreman of hook and ladder company No. 1; Gordon Jandeeck, Joseph Gunville, William Maloney, J. Joseph, foreman of hook and ladder, Patrick Maloney, Bert Nault, Albert Anderson and Thomas P. Sullivan, J. B. Pearce and T. S. Quiek, delegates to the convention and William Quayle and Otto Eger are the alternates. The guests in the department will be George Dalbridge, A. W. Jurma, Richard Matthews, J. P. Roberts, Isaac Gustafson and Ed. J. Barber.

Houghton was represented by the following firemen and citizens: E. M. Houghton, J. E. Swearing, C. Evans, C. Kohl, A. Lajini, Joe Lamora, P. Barab, J. C. Leach, Wm. Vares, Gus Halstrom, Joe Knaf, J. Wall, T. Gilson.

Among the Munising representatives were: James Levy, Archibald, Dave Depond, John Schilling, Jr., Fred Temple, Joe Levey, Fred and Roy, Art McAllister, H. Gallinger, V. Rivell, Walter Hill, E. Martineau, Throff Walters, Peter Schicht, John Barber.

The Hancock department was headed by Chief Exley, who was elected president of the association Wednesday evening. The other members of the department present, were Edward A. Hammon, and A. L. Levey, first and second assistant chief respectively. Congressman W. Frank James, the secretary and treasurer, Varenas, Orie, Frank E. Wern, John Schroeder, William F. Madge, Ira Priest, Harry Johnson, Geo. Wilmotter, Fred Dwyer, Arthur Hendrickson, Ben Noonan, Carl Steiner and Geo. Kelly.

The Atlantic team is made of standard young men that would attract attention anywhere. They are: Joseph Williams, Wm. Burke, James Setick, Elmer Paul, Polk Burke, Gottlieb Helseine, Louis Kosaki, Albert Cole and Andy Smith.

The L'Anse delegation was headed by Geo. Trudeau, the chief, M. O. and Ed. Savoy, John and Sammie Sandis, Ed. Sicotte, F. H. Monson, Peter Sands, P. Collins, Andrew and Frank Johnson.

The Gladstone delegation was headed by Carl Mason and Chief Gauffin.

and the following members of the department accompanied them: G. P. Laidlaw, T. L. Duran, Jack Smith, August Olson, Albert Fitzpatrick, A. V. Erickson, Roy Jackson, William Mirbeau, Gus Nelson, Gustavus A. Praeger, Edward Nobel, Frank Kegel, Albert Laitinen.

Houghton's contingent are after the meeting of the association for 1917 and if persuasive eloquence and good fortune favor our party, they may be able to land the honor for the year in question. The delegation is made up of the following: Gus Prins, Jacob and John Knechtges, Jno. Hartman, Oscar Holm, Joseph Bender, James Archie, James Richetta, Chas. Jilbert and John Messner.

Huronville—Frank A. Waller, John Wagner, Chas. Wagner, I. Landan, Michigamme—G. J. Murray, F. J. Lyboug, R. Benson, Chas. Murray, J. Johns, Fredrickson.

Ironwood—Harry Barr, Frank Dewey, Ernest Dear, Geo. Dussell, C. G. Meyer, Wilbert Bayer, Louis Ketch, Will Nowacek, Frank Morafcheck, Louis Jurbit, Antoinette, Michael Maloney, Chas. Milten, Walter L. Wien, Thos. Wins.

Soo—E. A. Taylor, Frank Barrett, Geo. Harris, Fred Section, Harry Whitehead, Geo. Bushman, A. B. Morrison, Harry Williams, Ace Cutler, John Orzell, Hector Traylor, Neil Campbell, Hubbell—J. R. McDonald, J. B. Hedges.

Marquette—T. J. Maney, Fred Price, R. J. Kelley, M. J. Mullaly, John R. Lihon, M. J. Murray, Wm. Rockland—Jas. Chustroy, Arnold Walters.

Iron River—John Purcell, W. E. Ammerman.

Stambaugh—John E. Westerberg, C. Meyer, Fred Section, Harry Whitehead, Geo. Bushman, A. B. Morrison, Harry Williams, Ace Cutler, John Orzell, Hector Traylor, Neil Campbell, Hubbell—J. R. McDonald, J. B. Hedges.

Ontonagon—George Ross, Allie F. Miles.

HITS the spot every time because it is the Real Tobacco Chew.

For real tobacco satisfaction nothing can equal the Real Tobacco Chew. Many men who have discovered that they are better satisfied on less tobacco, naturally are telling others about it. A little chew of pure, rich, mellow tobacco—seasoned and sweetened just enough—cuts out so much of the grinding and spitting.

Take less than one-quarter the old size chew. It will be more satisfying than a mouthful of ordinary tobacco. Just take a nibble of it until you find the strength chew that suits you, then see how easily and evenly the real tobacco taste comes, how it satisfies, how much less you have to spit, how few chews you take to be tobacco satisfied. That's why it is the Real Tobacco Chew. That's why it costs less in the end. The taste of pure, rich tobacco does not need to be covered up. An excess of licorice and sweetening makes you spit too much, and even the real tobacco taste comes, how it satisfies, how much less you have to spit, how few chews you take to be tobacco satisfied. That's why it is the Real Tobacco Chew. That's why it costs less in the end. The taste of pure, rich tobacco does not need to be covered up. An excess of licorice and sweetening makes you spit too much, and even the real tobacco taste comes, how it satisfies, how much less you have to spit, how few chews you take to be tobacco satisfied. That's why it is the Real Tobacco Chew. That's why it costs less in the end.

One small chew takes the place of two big chews of the old kind.

(Notice how the salt brings out the rich tobacco taste.)

Do You Know

THE VALUE OF THIS HOME COMFORT?

There are many articles in use about your farm, which you are sure you would not be able to do without. Imagine starting out in the field to cut your oats or rye with a scythe or what if you had to pitch off your load of hay in the barn by hand, instead of using the hay fork? You would think you were a fool, but your father went it all over. He thought nothing of it, either.

The idea of having a telephone in your home may not appeal to you much now, perhaps you can't afford your own. Let us place one in connection with your neighbors and your business associates. In all important times, your wife and other members of the family will wonder how we ever did without it.

Let us talk this over with you now—your. You are sure to find our service sometime—why not now?

The light house tender Samac was in port this week and unloaded a quantity of cement for the new government building.

Mr. Oscar Peterson who won a scholarship at Harvard University, leaves for that institution in the middle of September.

Mrs. E. Gillingham spent Sunday with her daughter Mrs. Thomas Malcomson, who with her daughter returned to this city to spend a week. The latter will give a dance and supper this (Friday) evening. There will be good music and a good time. Everybody welcome. Tickets for dance 50 cents.

The ladies of St. Francis de Sales church served dinner at the new parochial school yesterday and today. They were well patronized, and the receipts go to the school fund.

Mrs. Patrick Shea and three sons arrived in the city Monday evening from Marquette, and are spending the week with Mrs. Shea's mother, Mrs. Fred Pasteur. Mr. Shea will spend the week end here.

Mrs. Moore of Chicago is here at Peoples Store this week, installing a complete up-to-date hardware department. This will be the largest and most complete hardware department of the upper peninsula.

Mr. Emil Peterson and family of Gladstone are in the city this week.

Chief Wendland tried to get the boys together for the contest yesterday afternoon by trying the fire bell, but nothing doing. The only one that didn't come was street commissioner Martin who wanted to know if it was a real fire.

Harry Hancock, who has been in arrears of circus, has been in business since he was old enough to sit up and take notice, and who has visited the city in the globe in that capacity, is with the Heine & Sons' Carnival Co. this season. He has a very special person to meet, and has had many friends during his stay this week.

The Ossawinamake Hotel has been serving meals to 100 guests this week, and Manager Mallette and his force have been the busiest people in the city. From the many favorable comments Mallette has added new laurels to his fame as one of the leading hotel men of the upper peninsula. One man said, "I will always faithfully remember the good meals I ate at the hotel with the big name, while in your city."

Dr. Saller and daughter Clara who spent two weeks in Detroit and vicinity returned to the city Friday evening. While in the city the doctor carried a cartload of Ford autos, and also secured an extra car and drove through with it. On account of the quantity of steel, owing to the diversification of the products into the manufacture of war materials, the factories are low sby and some of the autos are shutting down altogether in ill conditions change. If you are expecting to purchase a car this fall, you had better get busy, as the supply will be limited from now on.

BREVITIES.

Mrs. Ira Crawford of the Soo, is visiting relatives in this city.

The storm this week destroyed several hundred dollars worth of street and store decorations.

The aeroplane made its initial ascension yesterday afternoon at the fair ground.

John I. Jennings, a member of one of the old-time fire companies of the city, marched in the parade wearing his uniform. The jacket was red in color, and the old timers remembered the uniform as soon as they spotted Mr. Jennings.

Edwin Cookson met with a fortunate accident while driving a Ford car to Marquette from the city Wednesday evening at a late hour. He had a number of passengers aboard, and failed to notice a sharp curve in the road. He applied the brakes, which in such force as to collapse one of the wheels of the machine. The machine did not overturn and no one was injured. Mr. Cookson can make phenomenal speed with a Ford, from all appearances in the city.

Edwin Marquette of Marquette arrived in the city Monday evening for the Fremont tournament.

Consolidated Lumber Co.'s soft wood, will be sold at \$125 until Sept. 1st. After that date the wood will be piled.

ESTROM LUM. CO.

Owing to the fact that the county board of road commissioners and the residents of Hiawatha township failed to agree upon the manner in which the road leading from the city limits to the point where the dirt road joins the macadamized road, leading across the swamp, should be repaired, the county commissioners decided to let the road revert to the township. It will, therefore, not be a link in the county road system.

The Stralser boys harvested more than eighty tons of hay from their farm in Hiawatha township, the C. W. Hart farm.

Some hay was ruined by the heavy rains this week.

The Escanaba Morning Press is roasting McLean of the Stephenson Lumber Co. this week. Wonder if McLean's attitude on the local option question in Delta county has anything to do with the matter.

The bids for the new county roads will be opened this afternoon at the county clerk's office.

The Swedish Baptist congregation are having some extensive improvements to the parsonage including both room and other modern conveniences.

LOST LEFT LEG MONDAY.

Sam Saunich ran over by Soo Line Train.

The injured leg of Sam Saunich, about 24 years of age, was brought to the "Not-on" hospital Monday evening when it was found necessary to amputate his left leg about 1 1/2 inches below the knee. It appears that the unfortunate man was sent to Escanaba to work by an Escanaba employment office, and tried to beat his way to his destination on the way freight train No. 10. At Blaney Junction he jumped off the train in order to escape detection by the brakemen and when he again started again was going to jump on again.

In some manner he missed his footing and fell under the wheels of the moving train with the result that his left leg was crushed to a pulp. As soon as the accident was discovered the train was stopped and the injured man picked up and given temporary attendance and later placed on train No. 87 and taken to this city. The injured man has evidently no relations or friends hereabouts and speaks no English so that little information can be had from him.

FOUND DEAD AT SENEY.

Henry Kuppalem Found Dead Near Sidewalk Wednesday.

Camerer Sven Johnson went to Seney Wednesday morning in response to a call from the authorities that a man had been found laying dead along a sidewalk at five o'clock last same day.

On arriving at his destination, Mr. Johnson found the dead man to be a Russian Finn by the name of Henry Kuppalem, about 40 years of age, who only for a short time had worked on the section for Mr. Chas. Johnson.

As there was no sign of violence Mr. Johnson deemed an inquest unnecessary and thinks the deceased died of heart failure caused by over indulgence by liquor. The dead man has two brothers working in the iron mines and one brother who is in the restaurant business at the Soo, who has been notified and no arrangements have been made until they are heard from.

RETURNED FROM WEST TUESDAY.

Mr. Robert Dodge Returns After Many Years Absence.

Mr. and Mrs. Robert Dodge and four children returned to Manistique Tuesday from a "Yardale" Montana, where he has been on a homestead for some time previous to which he was employed by a railroad company as watchman at a dangerous pass. Mr. Dodge served in the Spanish American war and after the war went to Montana where he was married and lived up to the present time. Mr. Dodge intends to make Scholastic course in his home again and will no doubt settle down in Biawatha township.

HAD LETTER FROM MANILLA.

Mr. Leonard Winkel Will Spend Christmas in This City.

Mr. and Mrs. August Winkel had a letter from their son Leonard Winkel of Manilla in the Philippine Island Wednesday, stating that he will leave that place about Sept. 5th and will go to Seattle and expects to be home in Manistique about Christmas time. Mr. Winkel has been in Manilla during the past five years where he is looking after interests of the export and import business of the firm of Hanson & Winkel which also has offices and warehouses at Seattle, Wash.

The principal articles they are handling are shoes, khaki clothes, Panama hats, cardigans and hatters and their business has been gradually increasing during the last few years. To get an idea of the business they are doing it can be mentioned that they received one order for 2,000 pairs of shoes. They represent six of the largest manufacturing firms in the states.

MORRISON MADE RECORD TIME.

Mr. F. H. Morrison, one of the firemen from L'Anse, holds the record for making the trip from the second restaurant building in the Goreville building to the ground.

He was just stepping into the fire escape on exhibition in the Moose hall, when the famous Munnising band, who was practicing in the hall, struck up: "It's a Long Way to Tipperary."

Mr. Morrison forgot all about the brake in the excitement and found out the way to the bottom was not very distant, but was not in use at all.

The annual picnic of the First Baptist church and Calvary mission will be held next week, Wednesday at Indian Lake. Autos will leave the church and mission at 10 a. m. on Wednesday. Weather proving unfavorable the picnic will be held Thursday.

A WONDERFUL EXHIBIT.

Oregon City Woolen Mills Showing Exquisite Goods at Peoples Store Today.

A display that has attracted a deal of attention this week, is an exhibition in the Peoples Store, show windows. We refer to the exhibit of the Oregon Woolen Mills. The traveling representative of the company, Mr. W. H. Selkirk, who has been connected with the company for an number of years, is in charge of the exhibit, and is taking orders for his goods. You can select what you want and give the order to Mr. Selkirk or to Manager Valsund of the Peoples Store Co., and in due time you will receive the goods you have selected.

The Oregon Woolen Mills is the largest concern of the kind in the United States, and makes exclusively woolen products. Its facilities enable it to produce practically everything in the woolen line from the finest fabrics that are used in men's clothes, to the heavy valets in such as are on display at the Peoples Store.

The exhibit is a replica of the exhibit made by the company at the Panama and San Diego expositions, now being held, and includes automatic robes and garments in wide variety, Navajo Arterial blankets, and novelties. The Navajo designs are strikingly distinctive in design and vivid in coloring, and embrace useful articles such as motor robes, motor and "sport" coats, coats with hats, caps and gay tam-o-shanters to match, bath robes, steamer robes and ruged, wool blankets, Japanese blankets and emblematic blankets.

Among the most striking of the picturesque designs is the "Happy Hunting Grounds" blankets. The Teton pole design and the historic Hudson Bay robes, white with four colored bars and the three and one-half cent familiar to all voyagers of the far north.

That the output of this company is all right, it is only necessary to state that the Panama-Pacific International exposition awarded the Oregon City Woolen mills, the grand prize—the highest of all honors for the best exhibit, workmanship and design in woolen goods. The world's greatest mills were in competition. The company also received four gold medals for the excellence of individual displays.

Since 1876, this company has received ten grand prizes for the excellence of its exhibits at expositions.

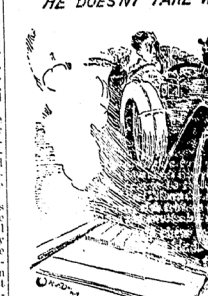

Mr. Selkirk announces that he leaves the city, this (Friday) evening, and that anyone interested in the display must call real later than four o'clock. If you are down town early today, make it your business to call at the Peoples Store and see the exhibit.

Mr. Amiel Curtis of Gladstone, was in the city this week visiting friends and relatives.

Grand Meeting Every Day

At the M. Blumrosen store, Manistique, Mich., where we estimate fully 5,000 to 6,000 people from the city and surrounding country, met and discussed the price subject at the present time, in other words, this wonderful and exclusive stock suitable for the wants and needs of every one in the family and consisting of ladies, cloaks, suits, dresses, gowns, party frocks, furnishings of all descriptions, corsets, ribbons, laces, embroidery, notions, millinery, rugs, carpets, dress goods, petticoats, white goods, bedding, linens, mens and boys clothing, furnishings, hats, caps and shoes. Though thousands of dollars worth have already been disposed of for which we take no opportunity of thanking the people of Manistique and vicinity, still thousands of dollars worth more must be disposed of as our time limit is short, having practically only 5 days left to handle same and are therefore making greater cuts than ever before in the history of any merchant or merchants in the state of Michigan or in fact in any other state. It will not only pay you to come miles and miles to attend this grand rally but let nothing solely nothing keep you away as while money in the bank pays you 3 per cent, money on mortgages may pay you 5 per cent or better, by making your purchases here and now you can practically make your money pay from 25 per cent to 50 per cent. It is not necessary therefore to urge you as your own good judgment must necessarily tell the story or the difference between 5 per cent and 50 per cent.
