Local Teachers To Attend Institute Is Found Guilty By Jury On Saturday

TWO FACULTY MEMBERS ARE ON PROGRAM

John Kelly and Preston N. Tannis To Take In The Discussions

Two Manistique teachers will take part in the program at the annual upper peninsula teachers institute, which will be held Friday and Saturday, October 6 and 7, at Ishpeming. It was learned this week.

John Kelly, principal of the Manistique high school, will talk on the subject, "Does Our Present Physical Education Program Meet the Needs of Our Pupils?" The 2 o'clock session Friday afternoon in the physical education section. Preston N. Tannis, teacher and debate coach in Manistique, will discuss the topic, "Is Debate Worth While?" at the 2 o'clock session Friday afternoon in the speech section.

Twenty-four members of the faculty of the city school system will attend the convention, it was announced Wednesday by A. F. Fall, superintendent. In addition, a large number of rural teachers will be expected to be present.

The following persons will leave Tuesday night for Ishpeming: Mrs. W. C. Cook, Florence Williams, Helen Lee, Freda Johnson, John Kelly, Nora Burke, Mona McConnell, Freda McKinzie, Cecile Heiska, Margaret Feltus, Martha Hamer, Alice Lundvall, Kathly O'Hagen.

During the convention the following school in Manistique will close Friday: The senior and junior departments of Manistique high school, the Lincoln school and the kindergarten at the Lakeside school. Miss Winkel, who will not attend the convention, will be in charge of the school in the fifth and sixth grades at the Central school. The Misses Strong and Tucker, who do not attend the convention, will assist in general office work.

Stephens Named Relief Chairman

Completion of the organization of the Schoecraft County welfare relief commission was made Wednesday afternoon by Walter M. Berry, upper peninsula representative of the state welfare commission, with the naming of W. G. Stephens as chairman, D. J. Ward as vice chairman and P. P. Stanness as secretary.

The appointment of a county relief administrator will be made by the state organization. It was stated by Mr. Berry. The appointment, it is expected, will be announced in the near future.

The annual meeting of the Schoecraft county board of supervisors will be held Monday, October 8. The meeting committee of the board will meet Saturday, and Leslie Bouscher, county clerk, points out that all bills against the county should be in his office not later than Saturday morning.

FIRST MEETING OF WOMEN'S CLUB HELD

Talk on Winter Protection Of Plants And Shrubs By Lee Stewart

The first fall meeting of the Manistique Women's club was held Tuesday afternoon of this week at the Elks' Temple. The program was in charge of the conservation committee, with Mrs. Charles Hovey, chairman, presiding.

The program was opened with two vocal solos by Herbert K. Peterson, "Thank God for a Garden," by Teresa Del Drozio, "I'm Pleased by Your Window," by Helen Taylor. He was accompanied at the piano by Mrs. A. F. Hall.

A talk on "Winter Protection of Plants and Shrubs," was then given by Lee Stewart, county agricultural agent. This address was very interesting and instructive. Mrs. Stewart used blackboard diagrams and bulletins to illustrate his talk.

There were many beautiful displays in the flower show and three awards were made as follows: Mrs. A. W. Helman, first; Mrs. L. M. Middlebrook and Mrs. H. K. Peterson, second; two-year subscription to "Better Homes and Gardens," Mrs. E. Stacey, Glaven, third; two-year subscription to "Better Homes and Gardens," the judges were Mrs. Grace LeRoy, Mrs. L. M. Middlebrook and Lee Stewart.

Following the program refreshments were served, with Mr. W. L. Middlebrook presiding at the table. Michaelmas dainties were used as table decorations.

Hostesses were the executive board, consisting of Mrs. V. I. Hixson, Mrs. W. F. Kefauver, Mrs. L. Hough, Mrs. C. G. Waddell, and Mrs. H. K. Peterson. The next meeting will be held Tuesday, October 9, at which time Mrs. Dorothy Shipman will address the club on "A Century of Progress."

WILL ORGANIZE RE-EMPLOYMENT BODY IN COUNTY

P. P. Verner, State Field Director, Conferred Here On Saturday

Will Select Men To Work In County On Federal Relief Projects

P. P. Verner, of Detroit, field director for the national re-employment service, was in Manistique Saturday at which time he conferred with John McCarthy, county re-employment director, and special investigator for the superintendents of the poor; W. G. Stephens, chairman of the county welfare commission; and other Manistique men relative to the organization of a county re-employment committee.

Mr. Verner will return to Manistique later to perfect the organization of the committee. It is expected that state, county and private employers of labor will cooperate with the new committee and select men to work on the new welfare and re-employment office, it was stated by Mr. Verner, who is expected to be in Manistique later to perfect the organization of the committee.

It is understood that all federal projects in the county, including, it is understood, work in both the Hiawatha national forest on the federal road. Although details of the authority and scope of the proposed committee are not definite, it is expected that state, county and private employers of labor will cooperate with the new committee and select men to work on the new welfare and re-employment office, it was stated by Mr. Verner, who is expected to be in Manistique later to perfect the organization of the committee.

SCHOOL BOARD MEMBERS WILL MEET TUESDAY

Session Starts At 9 O'clock

A. M. In Legion Memorial Cottage Here

Search Ingleis Of State Department, Will Discuss School Problems

Present school laws and the possibility of obtaining state aid for the operation of city and township schools will be discussed by Search Ingleis, of Lansing, of the rural division of the state department of public instruction, at a meeting at 9 o'clock next Tuesday morning, October 10, in the Legion Memorial cottage, was stated this week by Mrs. Kathryn Beal, Schoecraft county school commissioner.

Two Arrested For Carrying Shotguns

Clinton Larson and Howard M. Carner pleaded guilty to carrying loaded firearms in a game area during the closed season when the game is in season last Friday. Larson was given his choice of paying a fine of \$25 and \$8.00 costs or spending 30 days in jail. He took the latter option. A minor was placed on probation for 90 days, and violation of the probation will subject him to the same fine and costs or the same jail sentence as meted to Larson.

Rotarians Hear Musical Program

Several selections played by a saxophone quartet comprised the program at the regular Monday noon luncheon and meeting of the Manistique Rotary club. Music was furnished by the Wayne Martin, Carl Olson, Paul Peterson and Wallace Fagan.

Mr. and Mrs. D. J. Ward are leaving this evening for Chicago where they will visit with their son and daughter-in-law, Mrs. and Mr. Douglas Ward. They will also attend the world's fair in Chicago.

The state welfare administrator, the Schoecraft county welfare commission, of which W. G. Stephens, P. P. Stanness and D. J. Ward are members, was in Manistique Saturday to confer with Mr. Verner. Co-operation between the two departments, and their various county committees, will be part of the new welfare and re-employment set-up, but they will remain separate and distinct organizations.

LEGION GRIDDERS MEET QUEEN CITY

Marquette Independent Football Team Will Play Here Sunday Afternoon

The Manistique American Legion football eleven will face its third test of the season at the fairgrounds Sunday afternoon when it clashes with the strong Marquette independent team.

Heartened by its smashing victory over the Soo Roughriders last Sunday, the local aggregation will enter the battle next Sunday with good prospects of checking up another win. The men who were injured in the debacle with the Marquette battle, and their names are expected to appear in the starting personnel.

MOVIES

The Gero Theatre will present Saturday at two matinees, 2:30 and 4 p. m., "Little Orphan Annie." This little sweetheart of millions leaps to life on the screen in the person of Mitti Green, Mitti is well supported and the ever present "Sandy" is there too. The picture is excellent entertainment for children and if you are human you'll enjoy it. Patrons will note a complete change of program at the evening show. 'Devil's in Love' Thrilling Film—Saturday Night One of the most satisfying films of recent weeks opens at the Gero Theatre Saturday. It is "The Devil's in Love," the new Fox romance in which Victor Jory gets his first chance at a stellar role. Cast as a young surgeon whose circumstances send through an entire gamut of social honor and disrepute, Jory justifies the hopes of the Fox studio in his ability as an actor. He is attractive, forceful, noble and versatile in a film that gives him glorious opportunities. Loreta Young seems grown up now beautiful with each film, and in "The Devil's in Love" she makes a fine showing in the leading feminine role. Vivienne Osborne and David Manners at the head of the supporting cast, give excellent performances, as do C. Henry Gordon, Herbert Munroe, Emil Chautard and J. Carroll Nash. Wilhelm Dieterle's direction of the film is a real achievement. Howard Estabrook has made a skillful adaptation of the Harry Hervey story. Contract Follows Ginger Rogers in "Sweetheart Picture"—Sunday-Monday Ginger Rogers has won a term contract from RKO Radio for her excellent work as the featured player in "Professional Sweetheart." Miss Rogers, who is the star in the musical film, "42nd Street," seems nevertheless destined to make the majority of her screen

appearance under the banner of RKO and its affiliates. She made her screen debut in a Pathé musical picture, then signed a Paramount contract to appear in "Young Man of Manhattan," "Queen High," "The Sap From Syracuse" and "Honor Among Lovers." Following a return to the stage, the again joined Pathé to appear with Edith Quilan in "The Tip Off" and then upon the conclusion of another theatrical engagement she returned to this company to work with Bill Boyd in "Suicide Fleet" and "Carnival Boat." Now, following important assignments in productions for several other leading companies, she returns to RKO to remain for some time as one of the leading players in a group that includes such notables as Constance Bennett, Ann Harding, Irene Dunne and Katharine Hepburn. As a direct result of the closing of the federal fish hatcheries at Alpena and Charlevoix and at Duluth, Minn., Director George R. Hogarth of the department of conservation has issued a decree regarding a policy of several years, which has permitted commercial fishermen to take lake trout and whitefish during the closed fall seasons that spawn might be secured for the state and federal hatcheries. The three federal hatcheries were closed for reasons of economy. No fishing for lake trout and whitefish will be permitted during the coming spawning season. The closed season for lake trout in Alpena and Superior will be from October 10 to November 4 and in Lake Michigan from October 20 to November 14. The closed whitefish fishing season is November 6 to December 15 in Lakes Michigan and Huron and November 1 to November 26 in Lake Superior. All dates are inclusive. Director Hogarth's order abolishing the customary fall "gawn taking" season, represents a radical change in the state's commercial fish propagation program. It was conducted in view of the one-way difference in the presidential race.

THE WISE MAN PREPARES!

Likewise, wise motorists will read carefully the provisions of Michigan's New Automobile Financial Responsibility Law, which goes into effect Monday, October 16.

To comply with the provisions of this law, all that is necessary is to have a Public Liability and Property Damage Policy of standard limits, issued by a company authorized to do business in Michigan.

This law is designed to protect the motorist from reckless and careless drivers. It is worthy in intent and sweeping in its scope.

Can you afford to be without proper automobile insurance after October 16? Can you afford to lose your car—driver's license and certificate of registration? Can you afford to pay a court order for \$300 or \$10,000? Can you deposit \$11,000 in cash with the State?

Read about this strict new law today—before it is too late. Come in now and have this law explained. No charge—no obligation. Call or phone.

Success to the Manistique Football Teams This Week End

The Manistique high school football eleven will meet the strong St. Joseph Parochial team of Escanaba, at the fairgrounds Saturday afternoon, October 7, and the Manistique semi-pro team, sponsored by the American Legion, will clash with the Marquette independent team Sunday afternoon, October 8.

The high school eleven, under the able coaching of Oscar Wassberg, has shown marked improvement since practice was started early in September. Last Saturday they defeated Gladstone high school by a decisive margin.

UNFORTUNATE OCCURRENCE

It is unfortunate for the good name of Gladstone and Gladstone high school that a minor group of those who attended the football game last Saturday should have departed themselves in a manner that reflected discreditably upon their home community.

Gladstone, like every other community of its size, has a fine group of boys and girls whose conduct away from home is a compliment to their home and school training. There is no doubt that the largest number of those who accompanied the Gladstone high school football team here last Saturday belonged to this class.

But another group—and you will find this type in every community—flocked into town, stole from two different stores and were insolent to one of our community's leading citizens. The fact that a number of Gladstone girls went into this store and deplored the actions of the bunch they so unfortunately had to call fellow townspeople, does not obliterate the ill feeling generated by this gang of young hoodlums.

Winning or losing football games are minor events, and are quickly forgotten as they are enthusiastically cheered. But those indefinable attributes of character—inculcated in the adolescent mind in the home, in the school, on the football gridiron—are the educational developments that make for finer men and women. It is unfortunate, however, that court cases and gentlemanly conduct so often pass unnoticed, while the reverse immediately provokes resentment. It is probably because gentlemanly conduct is expected that its absence, even in a small group, attracts so much attention, and often causes the unthinking to pass judgment on all on account of the actions of the few.

We remember an upper peninsula high school football team that journeyed to Ironwood several years ago to play the bone-crushing Ironwood high school eleven. The visiting team absorbed a terrific trouncing and returned home to face the hard looks of fellow students. A few days later, the principal of Ironwood high school wrote to their principal, complimenting him highly on the gentlemanly conduct of his team. This good behavior was noted because two jockeys, complaining him highly on the gentlemanly conduct of his team. The memory of this unfortunate, however, that court cases and gentlemanly conduct so often pass unnoticed, while the reverse immediately provokes resentment. It is probably because gentlemanly conduct is expected that its absence, even in a small group, attracts so much attention, and often causes the unthinking to pass judgment on all on account of the actions of the few.

"I DON'T PAY TAXES"—OH, YES, YOU DO!

It is estimated that 70 per cent of the national income is not subject to direct taxation—income which comes from government bonds, or is exempt from taxation because its owners' total receipts are below the levels touched by the income tax law.

That provides a pretty sound reason for public laxness about taxation. A majority feel that it is no trouble of theirs—that it is a problem belonging strictly to that minority which must pay direct taxes.

We all pay taxes if we earn a thousand a year or a hundred thousand—and the bulk of governmental income comes from those whose incomes are in the lower brackets.

We pay taxes when we go to a movie, buy food, turn on an electric light, take a spin in the car, go fishing, or do anything else. We pay taxes when we are asleep—the maker of the bed, mattress and blankets paid taxes, which he passed on to those who bought his product. The more he paid, the more we pay to sleep!

Tax-freedom, whether for an individual or a business, is a beautiful illusion, and it will never be anything else. Your income falls within the 70 per cent mentioned, don't be pleased about it. You're paying your share of excessive taxation. And you'll continue to pay until you do something about it.

Now we find that church suppers are subject to the sales tax, which is probably the first time the Lord has been let in on a tax collection problem.

Is Found Guilty By Jury On Saturday Of False Pretenses

(Continued from page 1)
The most dramatic of the trials of Isaac was the one that took place last Tuesday afternoon and concluded Friday afternoon when the jury found him guilty of the crime of false pretenses. After the prosecution laid out the closing arguments, Judge Burns said: "There is only one point in this case for you to decide, and that is whether Isaac is sane or insane. You are not concerned with the criminal matters which have been introduced during the course of this hearing. Take all of the evidence, if you have allowed Isaac to relate his rambling story on the stand in order that you might judge as to his sanity."

Advising the jurors that they could determine the interest of the witnesses in the case and defend for themselves what part of the testimony to believe and what part to disbelieve, the court continued: "The burden of proof is upon the people to satisfy you beyond a reasonable doubt that Isaac is sane. If, after weighing the evidence introduced, you are convinced that the people have failed to do that, then it is your duty to find him insane."

Attorneys Joseph J. Herbert, for the defense, and Francis T. McDonald, for the prosecution, made their summations to the jury late Friday morning, the closing argument of McDonald taking place shortly after the noon recess.

Witnesses who took the stand Friday morning were Isaac McLaugherty, who told of Isaac's talk with him in jail regarding Isaac's predicament while Vera, Sheriff Elwood Taylor present, the latter was called to the stand to identify Isaac in the testimony given Isaac Tuesday in which he gave an account of the raid on Burns' residence by gangsters who were charged in search of the \$250,000 on the motor, the reason he implicated Burns in the gangster story he told at the examination, and of his attempts to be permitted to go to Detroit in order that he might obtain money with which to pay off the investors in Schoolcraft county. He had been questioned by Attorney Herbert and also by Doctors Shattuck and Hewitt.

Isaac in the examination stated that he had promised Prosecution Attorney Shattuck that if he would have allowed him to go to Detroit, he would be willing to go under guard and that he would have remained in sight, but out of Isaac's mind, he was offering with his attorney, McLaugherty, that he could have given \$50,000 and stated that the only reason he refused to do that was that he did not have the opportunity of paying off the investors.

Dr. E. H. Campbell and Dr. James Burns, who made these and assistant superintendent, respectively of the Newberry state hospital for the insane, had testified on the stand Thursday that in his opinion, Isaac was sane and that he was not a paranoiac, as declared by witnesses. The stand by Dr. J. Clark Moloney and Dr. Alfred C. LaBine, Detroit psychiatrists, who were summoned by the defense. The Newberry doctors declared that Isaac belonged to the wrong physical group to be afflicted by paranoia systematics, that he should be classified in the melngre or extrovert group instead of the paranoiac or introvert group.

Lieutenant Hoffman, also on the stand Thursday afternoon, told of getting Isaac's confession and also described Patrick Burns' Detroit residence at 800 Howard street which Isaac in the preliminary trials last spring had declared to be the abode of gangsters. The Detroit lieutenant said that he examined the residence carefully, that in his knowledge it had never been the hangout place of gangsters, and that, while there was a trapdoor leading from the Burns office to the basement, there was no "holes in the floor," as testified last spring by Isaac. Isaac, on the stand Tuesday, however, had repudiated his spring testimony, declaring that there was only one "hole in the floor," instead of three as described in the preliminary trials. Isaac also had repudiated his spring testimony in which he had branded Burns as a gang leader and a desperate criminal, stating he had made these false statements to save Burns, his best friend, from gangsters who were seeking to get possession of the motor or the money Burns might receive from the sale of it.

John Carlson, the complainant in the case against Isaac, also was called to the stand last Thursday afternoon and testified as to a doings with the defendant. He said that Isaac had personally informed him on October 6 of last year that there was no motor, but that, later on the same day he received a telegram which stated there was motor. At the time, he said, he gave no thought to the fact that the telegram might be a fake.

To refute statements by Isaac that William J. Sheahan, prosecuting attorney, had promised Isaac immunity, if he pleaded a confession, the prosecuting attorney also was put on the stand by Attorney McDonald, attorney for the prosecution. Prosecuting Attorney Sheahan, on direct examination, identified the confession made by Isaac to the jury. He testified that he was present on April 21, 1933, when the confession was signed. He also testified, upon cross-examination, that Isaac gave the confession to read, and after having it in his possession for about 15 minutes, signed and placed his initials upon each page.

Prosecuting Attorney Sheahan denied that he had ever offered immunity to Isaac, and that he would not have signed the confession if the latter pleaded guilty, pointing out the futility of a bail reduction if Isaac entered a plea of guilty.

As a preliminary to the reading of a transcript of the examination of Isaac at the jail on Saturday with Attorney Herbert, Doctors A. R. Tucker and George A. Shaw, Attorney V. L. Hixon, Sheriff John M. Hewitt, Elwood Taylor present, the latter was called to the stand to identify Isaac in the testimony given Isaac Tuesday in which he gave an account of the raid on Burns' residence by gangsters who were charged in search of the \$250,000 on the motor, the reason he implicated Burns in the gangster story he told at the examination, and of his attempts to be permitted to go to Detroit in order that he might obtain money with which to pay off the investors in Schoolcraft county. Three Indians Are Given Probation

Three Indians, Galle Feathers, his son Charles, and George Sharkey, were found guilty of possession of venison by a jury in justice court Monday afternoon, and the jury recommended that the trio be placed on probation. W. G. Stephens, justice, in accordance with the jury's recommendation, placed the men on probation for 90 days. Violation of their probation, Stephens said, would mean that they would either take 10 days in the county jail or pay fines of \$10 each each.

The three men were apprehended Saturday afternoon near the mouth of Little bridge crossing the creek, by Leo Marlette and Frank Generous, local conservation officers. Two sacks of deer meat were found in their automobile, according to the game wardens, one sack containing the hide and hindquarters of a large buck, and the other containing the rest of the carcass. The officers found no guns in the car.

They were arraigned Monday morning in justice court and stood mute, a plea of not guilty being entered, accordingly, by Justice Stephens. Sharkey, who did talk, told the court that they had found the carcass and took the deer with them to prevent it from rotting and going to waste. When the court reminded them they were charged not with killing a deer but only with possession, the three would not enter a plea.

Trial was set for the afternoon, the following week at 10:30 o'clock. The jury consisted of the jury: C. M. Dreddahl, Frank J. Vorn Johnson, Albert Olson, Joseph Metczer and George Joseph.

Lieutenant Hoffman, also on the stand Thursday afternoon, told of getting Isaac's confession and also described Patrick Burns' Detroit residence at 800 Howard street which Isaac in the preliminary trials last spring had declared to be the abode of gangsters. The Detroit lieutenant said that he examined the residence carefully, that in his knowledge it had never been the hangout place of gangsters, and that, while there was a trapdoor leading from the Burns office to the basement, there was no "holes in the floor," as testified last spring by Isaac. Isaac, on the stand Tuesday, however, had repudiated his spring testimony, declaring that there was only one "hole in the floor," instead of three as described in the preliminary trials. Isaac also had repudiated his spring testimony in which he had branded Burns as a gang leader and a desperate criminal, stating he had made these false statements to save Burns, his best friend, from gangsters who were seeking to get possession of the motor or the money Burns might receive from the sale of it.

John Carlson, the complainant in the case against Isaac, also was called to the stand last Thursday afternoon and testified as to a doings with the defendant. He said that Isaac had personally informed him on October 6 of last year that there was no motor, but that, later on the same day he received a telegram which stated there was motor. At the time, he said, he gave no thought to the fact that the telegram might be a fake.

Many Violated Fire Prevention Laws in August, Report Shows

Although six men were convicted in August for setting open fires without permits or with illegally setting forest fires, they represented but 175 days of violation of those who violated the fire prevention laws, according to information received in Manistique this week.

Many of the fires that raged through the state during the month were the result of setting open fires without permits or with illegally setting forest fires. Several hundred pounds of incendiary origin. However, because of the very nature of the fire prevention laws, it is difficult to determine the exact number of violations.

Conservation officers confiscated 10 rifles and shot guns from violators in addition to taking an automobile, three nets and seven live raccoons. Several hundred pounds of incendiary fish were given to charity.

Conservation officers are now turning their attention from the lakes and streams to the fields and woods as the various hunting seasons approach. The few days prior to any hunting season generally result in an epidemic of violations, officers declare.

Payroll Reduction Highway Section

Material reductions in the payroll figures of the state highway department, covering all salaries, positions, have been made. It was learned this week. During the last half of June, the highway department employed 627 persons on its related list. This was an increase of 23 persons over the first half of that month. The total payroll for the last day in June was \$3,915.62, an increase of \$2,172.10 over the first half of the month.

The payroll for September 15 shows a total of 624 persons on the salary list, being a reduction of 21 persons from the September 15 pay day was \$3,702.42, a reduction of \$2,207.77 for the pay. This saving is at the rate of \$189,414 over a period of a year, and has been accomplished in spite of the fact that the emergency Federal Recovery Act highway projects have required a large additional amount of work to be done through the highway department in a period much shorter than would ordinarily be devoted to this amount of activity.

Benefit Matinee Dance Was Held

A matinee dance, held for the benefit of the Manistique high school "Order," official student publication, was held from 4:15 to 6 o'clock Saturday afternoon in the high school gymnasium. Students, alumni and teachers attended the dance.

Economic Highlights

What is a sound loan and what isn't? It is a query that is perplexing the bankers now. They're in a quandary because the government, through its recovery machinery, wants the banks to ease up on loans, put more money to work. Another branch of government, which does bank supervision, is unimpressed. New employment is put at about three million.

Strong intimations that the Administration is ready to fix oil prices immediately under the act that something like the 12th of October, A. D. 1933, at ten o'clock in the forenoon, at said office, bearing said petition, take, or kill any person in the Lower Peninsula of Michigan, taking that it shall be held to hunt raccoon from November 1st to 20th, inclusive, and it shall be lawful to trap raccoon in the Lower Peninsula north of the north line of T. 10 N. and west of Saginaw Bay from December 15th, inclusive, and east of Saginaw Bay from December 1st to 15th, inclusive. Signed, sealed, and ordered published this 6th day of September, 1933.

STATEMENT OF THE OWNERSHIP, MANAGEMENT, CIRCULATION, ETC., OF THE MANISTIQUE PIONEER-TRIBUNE FOR AUGUST 24, 1932.

Of Manistique, Pioneer-Tribune published weekly at Manistique, Michigan, For October 1, 1933. State of Michigan, County of Schoolcraft.

Before me, a notary public in and for the State and County aforesaid, personally appeared Robert D. Carley, who having been duly sworn according to law, deposes and says that he is the publisher of the Manistique Pioneer-Tribune, and that the following is, to the best of his knowledge and belief, a true and correct statement of the ownership, management (and if a daily paper, the circulation), etc., of the aforesaid publication for the date above in the above caption, required by the Act of August 21, 1912, amended.

1. That the names and addresses of the publisher, editor, managing editor, and business managers are: Publisher, Herbert S. Case, Manistique, Michigan; Editor, Herbert S. Case, Manistique, Michigan; Business Manager, Herbert S. Case, Manistique, Michigan.

2. That the owner is, or owners are, the Manistique Publishing Company, a corporation, its name and address must be stated and also immediately thereunder the names and addresses of stockholders owning or holding one per cent or more of total amount of stock not owned by a corporation, and the names and addresses of the individual owners must be given.

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities shall be stated, if there are none, so state: None.

4. That the two paragraphs next above, giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing an itemized full and complete list of the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as such are the books of the company as such.

Gaylord is Chosen Location For New T. B. Sanatorium

Lansing, September 28. Gaylord, situated 66 miles south of the Upper Peninsula, located midway between the cities of the east and west coasts of the Lower Peninsula, and connected with communities to the south through excellent highways, is a happy choice for the site of the Northern State Tuberculosis Sanatorium, according to a statement issued by the Michigan Tuberculosis Association at its annual meeting at Northville, Mich., Tuesday.
 "This is a project which the Tuberculosis Association has devoted unceasing effort for the past ten years," declared Dr. Henry D. Chadwick, Detroit, retiring president. "It is an accomplishment of great importance and one in which every citizen of the State should be proud to share."
 Selection of Gaylord was made by the State Sanatorium Commission at a meeting held last week in Lansing on the call of Dr. C. G. Slemons, State Commissioner of Health.
 "The Commission's action in selecting a site, representing as it does the first official act in furtherance of this institution since it was established by the 1931 Legislature, is a direct result of the appeals recently made to state governmental officials by communities of this state in which Northern Michigan," states T. J. Werle, executive secretary of the Michigan Tuberculosis Association.
 "Probably the most notable circumstance," Mr. Werle added, "was the generous attitude shown by references, when they were made, to location. While a number of communities naturally were anxious to have the sanatorium located near them, all were far more interested in the primary

point of building an institution—someplace where the tuberculosis sick could be treated in the open air.
 The final step before actual construction will be the securing of a Federal grant and loan under the National Recovery Act. Funds collected under the operation of the malt tax law, originally intended for use in constructing the sanatorium but temporarily diverted for other state uses, will probably be pledged as collateral for the loan from the Federal Government.

Lower Gas, Weight Taxes Are Sought
 In pursuance of the campaign for the reduction of motor vehicle taxes in the state, the Board of Directors of the Automobile Club of Michigan has come forward with a definite program calling for the reduction of the weight tax from 56c to 50c per hundred pounds and for the lowering of the state gasoline tax from three to two cents a gallon.
 At the same time the Board unanimously adopted a resolution to the effect that in addition to these reductions in the weight and gasoline taxes, "all other forms of taxes upon the motor car and its operation should be eliminated."
 Wm. G. Bryant, President of the club, announced that the Taxation Committee of the Board has been reconstituted to study ways and means whereby the objectives of the program can be best accomplished and a report from the Committee is expected shortly.
 Mr. Bryant estimated that the proposed cut in the weight tax would take close to \$14,000,000 of the motor tax bill of the state, or \$7,200,000

More Facts... Every Automobile Owner Should Know!

If after October 16, your car is NOT insured when it becomes involved in an accident or in a violation of traffic rules, and you then apply for insurance on it in order to comply with the new Financial Responsibility Law, the rates for Liability Insurance on YOUR car will be increased as follows:

(A) 50% additional charge—if you were convicted of—
 1—Driving a motor vehicle while intoxicated, or
 2—Failing to stop and report when involved in an accident, or
 3—Homicide or assault arising out of the operation of a motor vehicle.

(B) 25% additional charge—if you were convicted of—
 1—Driving a motor vehicle at an excessive rate of speed where an injury to person or damage to property actually results therefrom, or
 2—Driving a motor vehicle in a reckless manner where an injury to person or damage to property actually results therefrom.

(C) 10% additional charge for conviction on any other charge while operating a motor vehicle.

The above schedule of increase in rates is taken from a memorandum sent out by the National Bureau of Casualty and Surety Underwriters—the Bureau which establishes the rates for Automobile Insurance in every state in the Union.

MORAL—Insure your car NOW. Don't wait until after your car has become involved in an accident and then find you must pay a higher rate.

BIG TREE PLANTING PROGRAM UNDERWAY

Close To 15,000 Seedlings To Be Set Out In Three U. Peninsula Forests

One of the most extensive tree planting programs ever undertaken in the Lake States region is now underway in three national forests in upper Michigan. A. B. McKenna, supervisor of forests in the upper peninsula, announced yesterday.

Virtually the entire personnel of Civilian Conservation Corps camps in the Hiawatha, Marquette and Ottawa national forests is now actively engaged in this seedling program. Close to 15,000 seedlings of Norway and white pine and Norway spruce will be set out on suitable areas in the three federal forest units, during the next few weeks. In the Marquette national forest about three million jack pines will be planted on light sandy, soil unsuited for other types of trees, the supervisor said.

To carry out this extensive program of tree planting in the Lake States, the Forest Service sought 75,000,000 seedlings but were able to secure only about 50,000,000, McKenna said. About a million seedlings will be set out in the upper peninsula. Supplies of both federal and private nurseries have been practically exhausted to provide such a large amount of stock.

\$17 Made In Game With Gladstone

A profit of \$17.60 resulted from the Gladstone-Manistique high school football game here last Saturday, after receipts and expenditures had been tabulated, it was reported Wednesday by E. H. Wilson, principal of Manistique high school.

Receipts totaled \$56.95 while expenses amounted to \$39.35. This profit, however, is qualified by the fact that Manistique high school has a special arrangement with Gladstone whereby the latter is not paid for coming to Manistique nor Manistique paid when going to Gladstone. The guarantee to a visiting team, depending on distance traveled, ranges from \$50 to \$75 and if it had been necessary to pay Gladstone \$50 Saturday, another loss would have been incurred, Mr. Wilson pointed out.

Remission of receipts and expenditures follow:

Isaac Leaves To Serve Sentence

Fines was written on the case against Joseph Isaac, at least for seven and a half years, when he was taken to Marquette prison Tuesday afternoon to commence serving a sentence imposed Saturday afternoon by Judge Herbert W. Rummel after a jury had found him guilty of obtaining money under false pretenses. He was taken to Marquette under the custody of the state police.

Before his departure for prison, Isaac was arraigned in justice court before W. G. Stephens on a charge of perjury, the warrant for his arrest on this charge being issued by William J. Sheehan, prosecuting attorney, on the merchandise for Isaac waived examination and was bound over to circuit court.

According to present indications, Isaac, after he completes serving his seven and one half years in prison, will have the same charge and the false pretense charge of Harvey Godreau still facing him.

Miss Ruby Nicholson will leave Sunday for Chicago to make additional purchases of fall and winter merchandise for her women's wear store. She expects to return the latter part of next week. Mrs. Lillian Coffey, Mrs. Emma Peasley, Mrs. Virginia Grimsley, Mrs. Maude Baker, Mrs. Minnie Thomas, Mrs. Maggie Gilliam, Mrs. Mary Cota, Mrs. Anna Norton and Mrs. Rose Stewart spent Tuesday in Gladstone where they attended the semi-annual Cleveland association meeting held that day.

Miss Mona Husk, a student at Michigan Rees hospital, in Chicago, has been called to Escanaba to care for her brother, John, who is critically ill in St. Francis hospital.

Good Scores Made In Early Bowling

Bowling was resumed for the season at Brault's bowling alleys last Thursday evening, with several of the city's leading pin tumbler indoor sport of the fall and winter months.

Despite the fact that it was the first bowling of the year, with arms and hands a little stiff and sore, the scores were rolled up by three keepers. Henry Weber rolled a score of 205, Russell Brault centered the pins for a score of 230 and Louis Carr turned in a score of 200.

Driver Absolved In Truck Mishap

After writing the article on the truck accident on M-94, south of Steuben, in which eight workers in the Hiawatha national forest were injured, the Tribune has received information which absolves the truck driver of blame for the mishap. A pin fell out of one of the brake rods just as the truck approached the curve near the Fletcher farm, putting the machine out of control in rounding the sharp bend. The truck fell over on its side.

GLADSTONE IS DEFEATED BY LOCAL SQUAD

Three Touchdowns In Fourth Quarter Gave Manistique Decisive Win

Intercepted Pass In Fourth By Kircher Gave Visitors Only Score

The revamped Manistique high school football eleven "proved its mettle at the fairgrounds Saturday afternoon in a drizzling rain, snapping over the goal line in the fourth quarter for three touchdowns and an extra point to defeat Gladstone high school, 25 to 6. The Green and White made their first touchdown in the second quarter, while Gladstone made only one score of the day in the fourth quarter when Kircher, fullback, intercepted a pass and romped 55 yards through a clear field to the scoring zone. With both teams making numerous substitutions as the battle progressed, Coach Wassberg's men showed clear superiority over their opponents from the starting whistle. About the middle of the second quarter, Rubick tossed a pass to Oliver, and the elusive halfback raced nearly 40 yards to the goal line for the first score of the day. The try-for-point failed. The score came at a dramatic peak and thrilled the crowd that had gathered to watch the game. The try-for-point failed. The score came at a dramatic peak and thrilled the crowd that had gathered to watch the game. The try-for-point failed. The score came at a dramatic peak and thrilled the crowd that had gathered to watch the game. The try-for-point failed.

The third quarter was a sea of punts on both sides. Manistique finally pushed the oval deeper into enemy territory. Although no scoring was done, Manistique scored early in the fourth quarter, was made possible by stubborn ground gaining in the latter part of the third. Recovering the ball on a fumble, Manistique started another determined defense against Gladstone, making a spectacular 25-yard gain on a left end run. The Gladstone defense stalled and broke up several attempts to make down with only an inch to go. The Upbays were less successful and finally punned out on the field. Rubick was returned when the Green and White was stopped just by the end zone.

Gladstone then made two more substitutions and shot to the 50-yard stripe with a series of line backs and punt and snatches were piled up on the playing line. Rubick received the ball on the first play and smashed through the left side of the line, executed a brilliant 50-yard run behind goal posts and snatched a second touchdown. The try-for-point failed.

Shortly afterward Kircher kicked a Manistique pass out of the atmosphere and raced through a clear field for a touchdown. The try-for-point was unsuccessful. It looked for a while as if the score were going to be 12 to 6, but Manistique quickly drove down the field despite the stubborn defense. Mattson kicked 30 yards to a line smash, and a short end run added nine more yards. A fake pass and a short end run gave Manistique its down with a few yards of the goal line. Rubick then took the ball and carried it over for the locals' third touchdown. The try-for-point touched off the upbays and the score remained 18 to 6.

Gladstone received on the kick-off and made a short return. The visitors then escorted to an aerial attack, but Southard intercepted one of them and romped 30 yards down a short pass. Rubick on Hartness, was good and the Green and White made the extra point by bringing the score to 25 to 6.

Coach Wassberg sent in his second team during the last few minutes of play and they gave a

According to evidence introduced during the hearing, Meacham and Blohm were partners in the digging and sale of angelforms to fishermen in Escanaba. It developed, received a quarter through the mail and did not tell Blohm of the receipt of the money until a few days later when another supply of the wrigglers were sold for a quarter.

GLADSTONE YOUTHS ACT DISCREDITABLY

About 30 Invaide Local Store And Start Filling Pockets. Is Charge

Acting reflecting discreditably upon a group of Gladstone boys and girls, who came to Manistique Saturday to attend the Gladstone-Gladstone football game, were reported Monday morning by John I. Bellaire, proprietor of the Big Five and Ten Cent Store, who said a bunch of youngsters came into his store just before noon Saturday and started helping themselves to various small trinkets and gum on display.

About 80 boys and girls made up the group, he said, and he had his clerks watch closely because an experience he had last football season when a Gladstone bunch stole 65 packages of gum from him.

"Never in my mercantile experience have I seen anything like it," Mr. Bellaire said. "They filled the store and the first thing I knew they were grabbing left and right. I called a halt to selling and told the youngsters to put back what they had taken. A couple of the boys got impatient, and I ordered the whole bunch out. They succeeded in taking various small items before I could get rid of them," he declared.

The same bunch, it was learned also took candy from the local A. and P. store. Chief of Police John Peterson was called and he cornered ten of the boys back of the Ford garage and warned them that they would be ordered out of town if they continued their annoying actions. A search of their pockets, however, failed to reveal any stolen merchandise.

Mr. Bellaire had a more pleasant experience Saturday afternoon when a group of girls, believed to be students of Gladstone high school, came into his store and deplored the actions of the morning raiders. "Don't class us with that bunch of hoodlums," was their comment. They were pleasant and lady-like and led Mr. Bellaire to believe that this experi-

Manistique Girls Honored At Alma

Miss Marjorie Morrison and Miss Aileen Waters are achieving honors at Alma college, according to an announcement received from the college this week. Miss Morrison, who is the daughter of Rev. and Mrs. C. E. Morrison, of this city, has been selected to head the new Women's League at Alma college. Marjorie was also recently elected as vice president of the student council. She is also an officer in the Alpha Theta society and a member of the Y. M. C. A. cabin.

Miss Waters, a daughter of Mr. and Mrs. A. B. Waters, who is completing her senior year at Alma college, was appointed head of the program committee of the A. and P. store. Chief of Police John Peterson was called and he cornered ten of the boys back of the Ford garage and warned them that they would be ordered out of town if they continued their annoying actions. A search of their pockets, however, failed to reveal any stolen merchandise.
