DEWEY RETRACTS CHARGES OF SHORTAGE IN POOR FUND

Signed Statement Monday Declaring Charge Was Rumor

Letters Containing Charges Revealed At Special Meet Friday

Retracting charges of a shortage of \$28,000 in the Schoolcraft county poor fund, made in a letter addressed to the department of commerce and revealed at a special meeting of the county board last Friday evening, Sherman F. Dewey, of Manistiquette, Monday signed a statement under which in which he said that he had no knowledge nor any proof, or even had any proof, that the alleged shortage existed.

That statement was signed in the office of William J. Sheahan, prosecuting attorney, after Dewey called Dewey in for questioning and gave him an opportunity to sign a complaint against the person or persons responsible for the alleged shortage.

In putting the questions to Dewey, the prosecutor said that he was not concerned with any charges made against the road commission, inasmuch as no dishonesty in the handling of funds was alleged, but that the charges contained against the poor commission called for criminal action. Dewey backed down when confronted with the proposition of signing a complaint, stating that he had not meant exactly what had been indicated in his letter and added that he wrote only from a rumor he had heard. He was unable, according to the prosecutor, to name the person from whom he had heard the rumor.

The letter, which Dewey wrote to the department of commerce on October 14, follows:

I am enclosing herewith copy of a letter sent to Mr. Murray D. Van Wageningen under the date of September 15, 1933, which has not had any attention to my knowledge at this time.

We have one more condition that exists in this county that should have some attention. About a year ago this county was about to discharge the members of the poor board on account of a shortage of about twenty-six thousand dollars. These members found out what was going to be done and they resigned. On the ninth of this month, the members were appointed at that time resigned. And the board of supervisors appointed one of the members of the shortage and the other member received two votes from some of the board of supervisors to be put back on.

There are many other things that exist in this county that need the attention of the law enforcing officers. That I would sooner have you see for yourself than to have my word for it. Your attention to these conditions or the attention of the party that should look after this kind of condition would be greatly appreciated by the people.

Escanaba Plays Here Saturday

LARGE CROWD EXPECTED TO VIEW BATTLE

Scheduled As Biggest Game Of Season For Manistiquette Legion Team

The biggest football game of the year, with the powerful Escanaba Rangers clashing with the Manistiquette Legion team, will be played here Saturday afternoon. The game is expected to attract hundreds of grandstand fans to the Manistiquette fairgrounds Saturday afternoon. The game is slated to start at 2 o'clock with the Manistiquette team coached by John Kelly and Oscar Wassberg officiating.

Two weeks ago the Manistiquette men, with the hope against them, invaded the Rangers, stronghold and held them to a deadlock score, butting the formidable Escanaba on even terms through four quarters of grilling play.

Last Saturday the Legion men topped off their preparation for the Armistice Day game by walloping the McComb Lake C. C. team by a 20 to 0 score. Three hard practice drills were scheduled to be held this week, and the Legionnaires expect to be in embattled form for the fray Saturday.

The admission will be 35 cents. The Ranger-Legion game is part of the Armistice Day celebration sponsored by the Manistiquette high school gymnasium. Music will be furnished by Lindstrom's six-piece orchestra. Admission will be 50 cents a couple and 25 cents for extra lady.

McComb Lake DEFEATED BY LEGION TEAM

Manistiquette Football Squad Turns In 20 To 0 Victory Last Sunday

Harvey Ekdahl Is Offensive Star, Scoring The First Fourteen Points

The Manistiquette Legion team defeated the McComb Lake C. C. team by a 20 to 0 score in a game played before a small crowd at the fairgrounds Sunday afternoon. Manistiquette scored once in the first quarter and twice in the third to register its margin of victory. The first score came when Ekdahl took the oval after a delayed start and made a wide sweep around left end to the score-tacklers. Ekdahl made the kick for extra point good.

An intercepted pass by Ekdahl early in the third quarter gave Manistiquette its second score, as the elusive ball-carrier dodged and ran his way through half of the McComb team to make a touchdown. Ekdahl's kick again was good for the extra point.

The final touchdown came several minutes later after Peasley had snugged a pass to place the oval on about six yards line. The thrusts at the McComb line and John Barnes carried the ball over for the final score. The try point went wide of the uprights.

McComb's best chance to score came in the third quarter when a long pass placed the oval deep in Manistiquette territory. Subsequent charges carried the ball to the Legion five-yard line where the Manistiquette men threw the ball and the ball was lost on downs.

Making a desperate effort to score, the McComb men threatened their efforts count. The game ended with the ball in McComb's possession on about the Manistiquette 40 yard line.

Leon Willoughby and Jack McIntosh, University of Michigan students, spent the week end at their homes in the city.

U. P. SWEDISH BAPTIST MEET HELD IN CITY

Semi-Annual Conference Is Scheduled To Open Sessions Thursday

Program Will Continue Until Sunday Evening In The Local Church

The semi-annual meeting of the Swedish Baptist Conference of the upper peninsula will be held in the Manistiquette Swedish Baptist church, starting Thursday evening and continuing over Sunday, November 12. The program follows:

7:30 p. m. Public service with sermon by Rev. E. C. Ericson, of Iron Mountain.

9:30 a. m. Devotional meeting. 10:00 a. m. Board meeting. 11:00 a. m. Sermon by Axel Anderson, of Iron River. 3:30 p. m. Devotional. 8:00 p. m. Lecture, "An Effluent Church Program," by Rev. Andrew Anderson, of Marinette, Wis.

7:30 p. m. Sermon by Rev. Carl Bergstrom, of Norway. Topic: "The Mark of the Beast, or Why We Should Support the President of the B. Y. P. U."

9:30 a. m. Devotional. 10:00 a. m. Official board meeting. 11:00 a. m. Sermon by Rev. Alex Olson, of Marquette, Mich. 2:30 p. m. Annual meeting of the B. Y. P. U.

7:30 p. m. Sacred concert. Speaker, Rev. Frank Blair, of Iron Mountain.

9:30 a. m. Sunday School. 10:45 a. m. Sermon by Rev. Axel Anderson and Rev. Alex Olson. 7:30 p. m. Sermon by Rev. John Hugo.

2:30 p. m. Young Peoples' meeting. Address by Rev. Axel Anderson and Rev. Alex Olson. 7:30 p. m. Sermon by Rev. John Hugo.

Washington OKEHS FREE MONEY GRANT

Gift Of \$20,400 For Schoolcraft County Roads Gets Federal Approval

Is 30 Percent Of Loan To Be Granted County; Work To Start At Once

A free grant of \$20,400 for work on schoolcraft county roads was approved this week in Washington. It was revealed here yesterday by the receipt of a telegram from John McCarthy, county engineer, from M. E. Cooley, of Detroit, state engineer in the public works administration.

This is \$2,675 more than was listed in the 30 per cent free grant recently approved by the state advisory board and forwarded to Washington for final OK. The original figure was \$17,725 free grant and \$26,400, which comprised the other 70 per cent represented by gas and weight tax money due the county from the state.

The increase, it is thought, comprises money to pay interest and engineering charges. Work will get underway as soon as possible on the Calapar road, men now without work being employed. Labor and material bills will be paid by the state out of this grant as they are incurred and forwarded by the county to Lansing.

SIX TEAMS SIGN IN BASKETBALL LEOP

Meeting Of Managers To Draw Up Schedule Will Be Held Friday Night

The drafting of rules and regulations and the adoption of a playing schedule will feature a meeting of team managers in the City Basketball League with John Kelly, league secretary, Friday evening, November 10. The meeting will be held in Mr. Kelly's office in the junior high school building, starting at 7 o'clock.

Six teams have entered the league. It became known last Friday evening. Three of the teams—Brown Islands, and Berons—are new comers. The other three—Fords, Nortons, and Laurermans—are in the league last season.

Uniform colors for the teams follow: Browns—brown and gold; Barkers—red; Inlanis—blue and gold; Fords—green and white; Nortons—black and white; Laurermans—red and white.

Team managers follow: Browns, R. J. Prine; Nortons, Hubert Norton; Fords, John Kelly; Inlanis, Harvey Ekdahl; Laurermans, E. Gustavson; Barkers, M. Bergman. Although full membership of some of the teams is still incomplete, those who have signified their intention of playing on the various teams follow:

Browns—Marks, Jones, LaBrasseur, Berger, Anderson, Leonard, Mead. Barkers—M. Bergman, Carlson, Eck, Carstensen, Gorsche, Nelson, Miller.

Laurermans—Gustavson, Inlanis—Ekdahl, McKilligan, Thornton, Carpenter, Bell, Bond. Fords—Wassberg, Graphos, Schuch, Kelly, C. Bergman, Dettman. Nortons—E. Norton, S. Norton, Kendall.

BASKETBALL SEASON WILL OPEN DEC. 1

Local High School Quintet Will Be Moulded Around Four Letter Men

With snow and frost gradually pushing old King football back into the past, athletic interest in Manistiquette high school is now being focused on the approaching basketball season, which will open Friday evening, December 1, with Coach Oscar Wassberg's men tackling Kingsford high school in Kingsford.

Prospects for a good county team are bright, as Coach Wassberg has four lettermen around which to build a formidable quintet. Rucker, Morrison, Doloria and Berger (Captain) will be back in uniform again. New material also is promising, outstanding among them being Garvin, Mattson and Raredon.

The 1933-34 schedule, recently completed, was announced this week as follows: December 1—Kingsford, there. December 8—Isabella, here. December 15—Gladstone, here. December 21—Escanaba, here. January 5—Manistiquette, here. January 12—Newberry, here. January 19—Soo, here. January 26—Baraga (Marquette), here (tentative). February 2—Negaunee, here. February 9—Gladstone, there. February 23—Rock, here.

Mrs. Dale Seaman has returned after a stay at the home of her mother, Mrs. Joseph L. Boyd, Cherry street. Mrs. Seaman was recently dismissed from the Shaw hospital where she underwent an operation.

TURNER CHECK IS RECEIVED MONDAY

Check For \$4,816.69, Representing 27 1/2 Percent, Is Distributed

In line with an announcement made here two weeks ago by Senator William F. Doyle, of Menominee, another distribution of Turner money to the school districts of the state was made this week from the office of the auditor general. Senator Doyle stated that he was reliably informed by members of the state administrative board that part of the Turner indebtedness to the counties would be paid within a few days.

A check for \$4,816.69, representing 27 1/2 per cent of the Turner money due Schoolcraft county, was received Monday by Miss Laura Williams, county treasurer. This was distributed to the school districts as follows: Doyle, \$521.95; Gernsack, \$110.12; Inowood, \$648.07; Manistiquette township, \$200.22; city of Manistiquette, \$3,269.36.

Three 10 per cent payments of the Turner money had been received previously, and the check this week makes 57 1/2 per cent of the relief money which has already been paid Schoolcraft county. The total amount which was due the county \$17,515.25. Receipt of the check this week leaves approximately \$7,443.98 which is still owed to the county.

McCormack LAKE DEFEATED BY LEGION TEAM

Manistiquette Football Squad Turns In 20 To 0 Victory Last Sunday

Harvey Ekdahl Is Offensive Star, Scoring The First Fourteen Points

The Manistiquette Legion team defeated the McCormack Lake C. C. team by a 20 to 0 score in a game played before a small crowd at the fairgrounds Sunday afternoon. Manistiquette scored once in the first quarter and twice in the third to register its margin of victory. The first score came when Ekdahl took the oval after a delayed start and made a wide sweep around left end to the score-tacklers. Ekdahl made the kick for extra point good.

An intercepted pass by Ekdahl early in the third quarter gave Manistiquette its second score, as the elusive ball-carrier dodged and ran his way through half of the McCormack team to make a touchdown. Ekdahl's kick again was good for the extra point.

The final touchdown came several minutes later after Peasley had snugged a pass to place the oval on about six yards line. The thrusts at the McCormack line and John Barnes carried the ball over for the final score. The try point went wide of the uprights.

McCormack's best chance to score came in the third quarter when a long pass placed the oval deep in Manistiquette territory. Subsequent charges carried the ball to the Legion five-yard line where the Manistiquette men threw the ball and the ball was lost on downs.

Making a desperate effort to score, the McCormack men threatened their efforts count. The game ended with the ball in Manistiquette's possession on about the McCormack 40 yard line.

Leon Willoughby and Jack McIntosh, University of Michigan students, spent the week end at their homes in the city.

Mayor's Proclamation

As Mayor of the City of Manistiquette I deem it my duty and privilege to call public attention to the Red Cross membership campaign of the American Red Cross which is to be conducted here between Armistice Day and Thanksgiving.

The Red Cross, universally recognized as the "greatest mother" is solely dependent upon individual backing. Lacking this support the organization would be unable to carry on its noble work during the coming War Veterans, in the health field and its numerous other tasks.

Every loyal citizen can answer the Roll Call appeal—a commonwealth's challenge—in full confidence that every dollar contributed to this cause will be multiplied in usefulness.

HARRY ERIKSEN, Mayor.

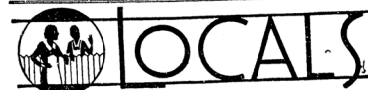

PROCLAMATION

Saturday, November 11, is the fifteenth anniversary of the signing of the Armistice, that ended the world war. This day has been designated as a holiday throughout our nation; and it is entirely fitting that our people recognize the occasion, and seriously meditate upon the heroic devotion to our country's welfare that was displayed by those who fought and died in that great struggle.

Also that we give serious thought to the efforts being made to successfully war on the economic disaster that we are experiencing.

Therefore, as mayor of the City of Manistiquette, I would urge all our people to observe Armistice Day and would ask all places of business, where possible, to remain closed from 2:00 to 4:30 p. m.

HARRY ERIKSEN, Mayor, City of Manistiquette.

Mrs. Mary Robbins spent the week end at her home in Ishpeming.

Visit the Franecia Gift Shop for inexpensive taffies and unusual gifts.

Park-Davis Vanilla Extract—Retail 3 oz. Bottles, 2 for 59c, at the City Drug Store.

Miss Dorothy Sine is spending two weeks in Lake Orion, Mich., as the guests of relatives.

Harvey Saunders returned Tuesday to Ishpeming, where he is employed, after spending the week end with his family here.

Wesley LaBar, of Detroit, is expected to arrive this week for a two weeks visit with his parents, Mr. and Mrs. Roy LaBar, Houghton avenue.

Mr. and Mrs. George Krusie, 348 North Cedar street, are the parents of a baby daughter, Irene Catherine, born on Wednesday, November 1.

Mrs. Mitchell and daughter, Mrs. Welch, Mrs. Clayton Wood and Mrs. Clarence Benson were town callers last Tuesday.
Leona Nafziger visited Mrs. McGregor Friday and Sunday.
Victor Lagman called on friends Wednesday.

H. G. Wells Writes Of Life In 2106 A.D.

No skyscrapers will be standing two centuries hence, prophesies H. G. Wells, British historian and novelist. They will have been demolished to make way for larger, finer, more livable cities. Social life will be organized around public clubs in which will be grouped sports halls, perpetual news cinemas, studios, and social centers.

Red Cross Appeals for Members

THE 1933 poster of the American Red Cross, distributed nationwide, is an appeal for an enlarged membership. Resources were never more vitally needed than in this fourth year of economic distress. Memberships, which cost one dollar or more, are used to support the unemployment relief work of chaplains, disaster relief work; health work in hundreds of communities, with special reference to preserving the health of mothers and children; safety work through teaching first aid and life saving; welfare work through six million school children who are members of the Junior Red Cross; and one of the most important tasks ever to face the Red Cross—keeping up the morale of

the early days of the republic. It is fitting that we should pay tribute to their memory on Independence Day.

AN ENCOURAGING SIGN

Most encouraging is a report just issued by Dr. Shirley W. Wyome, health commissioner of New York City, concerning the decrease of automobile and industrial accidents in that city in recent months.

Automobile deaths numbered 100 in January, but only 70 in May, despite the fact that more cars were on the road and more children playing in the streets. Industrial and other accidents dropped even more sharply, although more persons were employed in industry than in former months.

The record shows 200 industrial accidents in April of this year as compared with 272 in April, 1932, while in May of this year there were only 208, as against 296 for May, 1932.

This reduction in the number of accidental deaths and injuries, as well as deaths from alcoholism, Dr. Wyome declares in his report, is largely due to the fact that the legalization of beer has reduced the consumption of whisky and thereby promoted the cause of real temperance. He says:

"May, 1933, showed fewest deaths from accidents on our recent records. The conclusion is that the people of New York have been drinking less of strong liquors and that the legalization of beer has saved approximately a

Life a day since April 7.
Any way, it is encouraging to observe a reduction of the frightful death and accident toll which long has shown us to be the most careless people in the world.

Double-Quick Relief

Demand and Get

GENUINE BAYER ASPIRIN

BECAUSE of a unique process in manufacture, Genuine Bayer Aspirin Tablets are more INSTANTLY and more EFFECTIVELY taken than any other. Thus they start to work instantly. Start "taking hold" of even a severe headache, neuralgia, neuritis or rheumatic pain a few minutes after taking.

And they provide SAFE relief—not harm the heart. So if you want QUICK and SAFE relief see that you get the real Bayer article. Look for the Bayer cross on every tablet as shown above and for the words GENUINE BAYER ASPIRIN on every bottle or package you buy.

Member N. R. A.

GENUINE BAYER ASPIRIN DOES NOT HARM THE HEART

COMMENT FROM THE PENS OF OTHER EDITORS

At Weber, the two-fold, straight shooting editor of the Cheboygan Observer, seems quite concerned about what he terms wholesale violations of the game laws in the Upper Peninsula...

To a certain degree Editor Weber may be right. But the bulk of the evidence is against him in his method of reasoning.

The public opinion in the Upper Peninsula is not FOR the violator, but it is AGAINST many of the practices of the Conservation Department. Mr. Average Man in the Upper Peninsula does not have the confidence in the Lansing office of the Department that this office should inspire.

Prosecutors and Justices of the Peace can't be continually changing their methods of meeting out justice to suit the whims of a Conservation Department that is constantly "experimenting" with laws and their interpretation.

If an automobile belonging to the state is stolen, the police don't usually investigate the thief's need for a car before they decide to prosecute.

And Upper Peninsula people don't have to be centurionians to remember when the police don't "got the works" from the Department, and the violator with influence got out free.

If the Department of Conservation is absolutely convinced, and will give positive evidence, the convictions, that the stealing of game from the state by anyone is just as serious an offense as is the stealing of other state-owned property, the people will fall in line with this reasoning.

Let the Conservation Department lead, and the people will follow. If the Department itself will stop weaving down the road—Meaning News.

A CHECK VALVE (Michigan Investor) Examiners are now busy throughout Michigan and other states of the Union going over the books of these banks which have applied for an ink-blot in the Federal Deposit Insurance Corporation...

Even though the insurance act is drafted by certain groups, it must be remembered that it meets with the approval of the people. It was passed in Congress almost unanimously in answer to public demand.

The public expresses both faith and fear when business was tottering to bring about the banking holiday. It will express both when the act is passed, and whether or not it opposes certain ideas of banking, it will remove the bugaboo of fear.

The chief argument against the deposit insurance act is that it will put small banks out of business. Banks applying for membership must qualify for membership and must join.

The argument that deposit insurance will fail is a lame one. It is true that guaranty deposits in individual states have failed, but that was due to the rapid multiplication of banks.

The postal savings system was a good example of the people's faith in the government during the recent debate. In spirit the present insurance act is similar to the postal savings system, and it will not be surprising to find this organization eventually incorporated in the Federal Deposit Insurance Corporation.

Back of the insurance act is the Federal Reserve Bank. The Reconstruction Finance Corporation also is the faith and credit of the government. This agency has been able to pour millions of dollars into business, and insurance of deposits will insure the government is ruined altogether, which isn't likely for a good many years.

On July 1, 1934, participating banks will subscribe to stock in the corporation in an amount equal to one-half of 1 per cent of their total deposit liabilities. It is estimated that approximately \$200,000,000 will be subscribed by banks that become members of the Permanent Insurance Fund.

The insurance act is not a reflection on the integrity of banks, nor does it aim to destroy their business. Every community is the judge of its own bankers. However, since banking is so closely linked with the welfare of the business, some general check valve had to be created.

The banker has probably seen the last run on his bank by driven depositors.

Stewart Attending Agent Conference Lee Stewart, Schoolcraft county agricultural agent, left Monday for Michigan State college, East Lansing, to attend the annual conference of county agricultural agents, which is in session this week. The main topic of the conference is "Ways in which extension service may cooperate in furthering the program of the Agricultural Adjustment Administration."

29 County Hunters Are "Blacklisted"

Twenty-nine residents of Schoolcraft county are among the 429 in the upper peninsula who are ineligible to procure deer hunting licenses this fall, according to the list compiled by Col. William A. Bergin, chief conservation officer in the upper peninsula.

The number in the various counties that forfeit their rights to a deer license are Alger, 35; Delta, 33; Emmet, 18; Benzie, 12; Dickinson, 26; Gogebic, 34; Iron, 21; Lapeer, 22; Marquette, 46; Ontonagon, 34; Schoolcraft, 29.

Friend: 'No, he married her.'

Thousands Back at Jobs in Peninsula Mining Territories

Only River Upper Michigan's winter has materially improved in the past week. Thousands of men back to work at the mines and Mesabi ranges in Michigan and the Vermilion and Mesabi ranges in Minnesota at the beginning of the season. Heavy stockpiles, much in evidence since the beginning of the season, have been drawn upon with the prospects of even further shipments before the close of navigation of the Great Lakes.

Schedules of three or four days a week prevail through the whole year, an increase over last year's schedules. Most of the men have confined their employment lists to men who were previously employed by their payrolls.

County Feels Swing
Iron county has felt the same upswing and about 300 men went back to work on Wednesday morning at the Iron Range mines No. 2 and No. 3, and at the Bates mine, property of the M. A. Hanna company. About 450 others will return to work this Monday with the opening of three Verona mines and two Corrigan McKinney and company properties. Verona will return to operation at the Buck-Fogarty, in Caspian; the James, Junction, and the Warner, near Ansonia. Corrigan McKinney will start winter season work at the Tabin and Odgers-Geneseo mines near Crystal Falls.

The Hixson mine, with about 300 employees, has been running since September 1.

Oliver Adds 2,700
Oliver Iron Mining company, U. S. Steel affiliate and operators of the Daber mine in Stambaugh, will add about 2,700 men to its payroll in Michigan and Minnesota ranges. Their Michigan activities will center, however, in the Gogebic and Marquette ranges. The Daber, only Oliver property in the Iron River district, may be sold under the terms of option expiring November 15. The option belongs to the hands of the Hanna company.

Pickands, Mather, and company plan to add about 2,200 men to their staff in the next week. In addition to the three mines in the Iron River district, they will operate the East Vulcan and the Penn mines in the Menominee range as well as properties in Gogebic and Marquette.

The Interstate Iron company will also add several hundred men to their lists. Most of their operations, however, are in the Mesabi range in Minnesota. From Ishpeming it was learned that a newly organized company, the North Range Mining company, has obtained the lease on the Blueberry mine, property of the Ford Motor company. About 75 men began work there Wednesday.

DOCTOR'S ANSWERS
To Questions
By C. C. Cripps, M. D.
Q. I got attacks of indigestion and my stomach is very nervous. I have a burning sensation in my chest. What can I do to help this condition?
A. — Usually such cases are benefited by eating of vegetables or milk. A good tonic like Dr. Pierce's Golden Medical Discovery, which has many people and has my confidence. To be had at any drug store.

Economic Highlights

Happenings that Affect the Dinner Bills, Dividend Checks and Tax Bills of Every Individual.
National and International Problems Resolvable From Local Welfare.

It is now expected that the New Year will see the approval of the industrial codes. That will mean that the National Recovery Administration has completed its first task. At this writing, 50 codes, covering the basic industries, have been approved. One hundred-thirty-seven are being reviewed. Forty-seven are scheduled for early hearings. By the time this is read the retail code, which was one of the most difficult to be approved, will have been approved. Most of the small stores are being reviewed. The code will eliminate the inventory cost, a practice which has been prevalent, especially among large stores, which has been a heavy burden on the buying men who buy their goods on which a profit is made. Very small stores in towns of bottom bracket population will be immune to code provisions.

One important NRA problem is going to be the attitude of the general public. Here's where the recovery administration made a possibly fatal error. When General Johnson excluded two reporters from his conference, because he didn't like what they had been writing about the NRA, he was doing it in deeper by advocating a licensing system for advertising, and just about every metropolitan newspaper in the country ran for his typewriter. On top of that, an NRA representative, who was called on the editor of a medium-sized paper, told him that if he didn't stop making unfriendly comment on NRA labor provisions, he'd find himself in trouble. The editor spoke up in his paper and found the whole press, including the most zealous supporters, behind the Roosevelt program, behind him. This threatened press censorship is vitally important, and really comes to a head.

General belief is that Mr. Roosevelt is in favor of the non-holding tight enough rein on some of his assistants.

One fine afternoon back in 1913 an obscure price was shot in the equally obscure city of Sarajevo. To most of the world the event simply meant one more scarehead and nothing more. Then armies began mobilizing. Lights burned late in chancelleries. The British Navy set out for maneuvers several weeks ahead of the normal time. And the greatest war in history was underway.

Former Resident Dies In Redlands

Word was received here this week from Mrs. C. R. Miller, of Alhambra, Calif., that her uncle, William McCanna, a former resident of Manistique, had passed away July 17, 1933, at his home in Redlands, Calif. Death was caused by old age complications. He was for many years the president of the community. He left here about 20 years ago for Seattle, Wash. where he lived for several years before moving to Bakersfield and thence to Redlands, Calif. During his residence here, he was for many years the foreman on the Chicago Lumber company boom on the Indian river, and he also ran a business establishment for several years on Deer street, near the "forty." He was born in the state of New York and came to Manistique while a young man. He was married and was the father of three children. His wife and children preceded him in death several years ago.

Elks Enjoy Banquet Thursday Evening

About 75 members of the local Elks organization enjoyed a banquet last Thursday evening in the Elks Temple, the winners in last year's bowling for the final half of the schedule being guests of the losers. A Dutch luncheon, including everything from sauerkraut to pickled pigs feet, was served.

Ross Collier, violinist, Gumar Lindstrom, accordion, and Pete Gorsche, pianist, furnished music for the occasion. A social time was enjoyed after the banquet, cards and bowling providing the main diversion.

Gasoline Thieves Active Last Week

According to John A. Peterson, Manistique chief of police, gasoline thieves were active in the city last week, draining gasoline from the tanks of two parked automobiles. Gasoline was drained from the car owned by Fred Wilk, 649 Manistique avenue. Two gallons in the rear of his residence, should not be too harsh in imposing penalties upon returns made through various agencies and felt that all liams, as it was parked in his garage. The Board now feels that the distribution of returns through the Board made it impossible for the Board to make it. When the Act became effective on July 1, the State Board of Tax Administration did not have a list of merchants to whom the tax would apply. The Board made it impossible for the Board to make it. When the Act became effective on July 1, the State Board of Tax Administration did not have a list of merchants to whom the tax would apply.

Sales Tax Must Be Paid By Fifteenth
The General Sales Tax Act, under Section 11, further specifies that the taxes levied hereunder shall be due and payable on or before the 15th day of the month next succeeding the month in which the tax accrued. The Act, under Section 11, further specifies that the taxes levied hereunder shall be due and payable on or before the 15th day of the month next succeeding the month in which the tax accrued.

Survivors are a brother, Henry McCanna, of Santiago, Calif., and a sister, Mrs. Fred Smith, of West Haven, Conn. Two brothers, John and Alex, are dead. John passed away several years ago in Ontonagon and Alex died in Minneapolis. His brother, Henry, left Manistique two years ago for Santiago.

Students To Start Subscription Drive
The Manistique high school students association will start their annual magazine subscription drive some time during the latter part of the month. It was disclosed this week the drive will be similar to the one put on last year. The students have been sent cards already have been sent in, advising them of the campaign and asking renewals from high school canvassers. The student association receives 50 per cent of total subscription receipts. Last year the students received \$68.70 profit, after deducting expenses from the sale. The receipts are used in financing extra curricular activities, such as athletics and debates.

Signed Statement Monday Declaring Charge Was Rumor

(Continued from page 1) of Schoolcraft county. Your very truly, Sherman F. Dewey. The charge of alleged shortage against the poor commission was answered at the county board meeting last Friday by Supervisor William Stephens who acted as one man grand jury in the investigation of the poor board in the board that Mr. Dewey apparently was confused as neither county nor state auditors were able to find a cash shortage and said that the \$26,000 mentioned was merely an overdraw which occurred when the commission expended funds above the budget allowance.

Dewey's charges against the road commission were answered by John E. McCarthy, county engineer, who defended himself on Dewey's charge that he had not been "on the job" for two weeks. Mr. McCarthy said that he was not "seen" on the job during that period because he was busy with preparing the application to the state advisory board of the Federal Emergency Administration of Public Works for a grant of \$71,000 to be used on county roads. The county engineer added that the grant, approved by the state advisory board about 10 days ago, had not yet been received. Mr. McCarthy is foreman by the name of Sib Weber and he has not been on this job for the past ten days. The county highway department is nearly run by the Webers. Do you not think this needs some attention. This job that I am referring to has about fifty men on it. There are men on this job that are earning 60 cents a day but are drawing the same pay as the rest that are trying to do a day's work. Some attention to this matter will be greatly appreciated by the people of Schoolcraft county. Very truly yours, Sherman F. Dewey. P. S. On Friday the eighth of this month they worked the men out in the rain all that day then hauled them 16 miles on an open track without any covering. These trucks could be used to keep the men dry at a very little cost. This kind of transportation has been going on some time.

PEOPLES STORE A GOOD PLACE TO TRADE

the reply of the state advisory board to Mayor Eriksen, following: Manistique, Mich., Sept. 15, 1933. Mr. Murray D. Van Wagoner, Lansing, Mich. Dear Mr. Van Wagoner: We have a number of things in this county that I think ought to be brought to your attention. (1st) Why should the farmer that have good farms be allowed to work on the roads? When so many of the people in town need this work. These farmers should be self supporting, and would be if they took care of the farm and did not depend on this kind of work. (2nd) Do you think it is fair? That one of the commissioners who is a good farmer and has a good farm has his son on the road acting as a straw push. He don't give the men any orders as to what he wants done, or how he wants it done. This boy is single without any one depending on him for support. And is not confident to handle the job. (3rd) William Debut is a barber in Manistique who has a three chair shop and has his son driving one of the county highway trucks. This would look better if this was some married man with a family and not a boy around twenty. Without any one depending on him. There is a lot more of this kind of stuff that I do not care to say anything about. But would like to have you see for yourself. It is a crime to have the taxpayers money spent this way with the times as bad as they are. (4th) County Engineer John McCarthy has not been on his job for ten days that I know of and some of the employees informed me they have seen it go two weeks without being on the job. He has a foreman by the name of Sib Weber and he has not been on this job for the past ten days. The county highway department is nearly run by the Webers. Do you not think this needs some attention. This job that I am referring to has about fifty men on it. There are men on this job that are earning 60 cents a day but are drawing the same pay as the rest that are trying to do a day's work. Some attention to this matter will be greatly appreciated by the people of Schoolcraft county. Very truly yours, Sherman F. Dewey.

COPY OF RETAIL CODE RECEIVED

Deals With Fair Competition; May Be Seen At Local Postoffice. A copy of the code of fair competition for Retail Trade, as approved by the President October 21, fair competition for Retail Trade, as approved by the President October 21, has been received by Postmaster A. O. Drevdahl and may be seen at the Manistique postoffice upon request. Basic store hours and hours of labor for employees are provided for. There are three schedules. In the first stores may operate no more than 56 hours nor less than 52, unless the hours were less than 52 on the previous week. In the second the hours are not to be reduced further. Under this schedule employees may be worked not more than 40 hours per week nor more than 8 hours per day, or six days per week. The second group provides for stores operating 56 to 63 hours per week and under the above schedule of operation, employees may work 44 hours per week, not more than nine hours per week, nor more than six days per week. Group three provides for stores operating 63 hours per week or more. Employees working in stores under the above schedule may work 48 hours per week, not more than 10 hours per day, nor more than six days per week. Stores are, supposed to decide on group under which they will operate and post schedule of store hours in conspicuous place. In regard to wages, it is provided that in cities where the population of Manistique that there shall be a 20 per cent increase over that paid on June 1, 1933, provided that this shall not require an increase to more than \$11 per week and that no employee shall be paid less than \$10 per week. The code became effective October 30, 1933 and all retailers are to be governed by its provisions except those in places under 2500 in population employing not more than 5 employees. In a memorandum which accompanied the code it stated that "the retailing of milk and its products, tobacco and its products, food and food-stuffs and any other branches of retail selling that are already under separate codes and are not merely incidental to a general retail business are not covered by G. Babbalada's code." During the 1932-33 season, the following rolled exceptionally high scores: M. Nelson, 28 and 24; Genevieve Gorsche, 194; A. Busch, 54 (6 strikes); E. O. Brauch, 246.

CITY BOWLING LOOP STARTS SCHEDULE

Four Teams Begin Pin-Smashing Activities On The Braut Afters League bowling on Braut's alleys were scheduled to commence at 7:30 o'clock Thursday evening, November 9, with the Nelson Daily team meeting the Liberty Cafe. The second game will be played Friday evening with the Chevrolet Motors, battling the Premier-Furnace crew. Four teams have entered the city bowling league, it was announced this morning by E. O. Braut. The personnel of the teams follows: Chevrolet Motors — E. Lundstrom, J. Hewitt, R. Fiegel, A. Stor. W. Nelson. Premier-Furnace—A. Busch, W. Heber, C. Monroe, W. L. Norwood, and R. Braut. Nelson Daily—M. Nelson, R. Dupont, H. Weber, V. Remell and G. Babbalada. Liberty Cafe—P. Babbalada, G. Dupont, H. Weber, V. Remell and G. Babbalada. Player averages, based on the 1932-33 season, follow: G. A. 6 215 V. Remell 26 190 M. Nelson 9 185 A. Busch 9 182 E. Kasun 24 180 H. Weber 12 179 L. Carr 12 178 R. Braut 30 177 A. Stor 30 176 Under separate codes and are not merely incidental to a general retail business are not covered by G. Babbalada's code. During the 1932-33 season, the following rolled exceptionally high scores: M. Nelson, 28 and 24; Genevieve Gorsche, 194; A. Busch, 54 (6 strikes); E. O. Brauch, 246.

Peoples Store A GOOD PLACE TO TRADE

DEER SEASON WILL OPEN ON NOVEMBER 15

Army of 60,000 Hunters Are Preparing To Enter The Northern Forests. An army of some 60,000 red-coated deer hunters are making preparations for the start of the season. This year, with improved business generally, and decrease in the cost of deer licenses to \$2.25 for rural hunters, the season is expected to start an upward curve. Heaviest concentration of the deer hunting battalions will be in the upper peninsula which remains as one of the best deer hunting areas in the country. Perhaps the densest spot in concentration will be at Newberry, on the edge of the famous Tahquamenon Falls, where the death of Longfellow's poem fame.

May Get 20,000 Deer

There never has been a definite check of the annual deer abundance. It has been estimated that one in every three hunters bags a buck. According to this ratio 20,000 bucks will fall this year, to say nothing of the does shot by mistake. Michigan has a one-buck law. Only animals with antlers three inches or more may be killed legally. The season opens November 15 and closes November 30. Resident licenses cost \$2.25 and non-resident \$25. Out of town guests present, were carried about 6,000 bucks to the Straits of Mackinac, indicating a record for the Straits. The Straits of Mackinac, for three years, will start operating on "business demands" scheduled November 10 to accommodate the deer hunters who annually trek north for a season of shooting. Deaths Begin Early Last year 10 fatalities were attributed to deer hunting in Michigan. Some hunters shot others died of heart attacks from over-exercising and still others drowned. This year with the season still 10 days away, two persons already have been killed in casting lead pellets in deer hunting accidents, and another, a mere boy was shot by a companion using a .22 rifle for rabbit hunting. Henry Farmer, a Mackinac county hunter, was shot by his son, who shot a deer near 30 miles from Mackinac county. The son mistook his father for a deer at Henry August 8, near 30 miles from Mackinac county. On September 28 Norman Hawkins, a DeTour track man, was

Fresh Dressed Chicken at all Times

ment of the church was attractively prepared for the occasion with gold and white streamers running from the center of the ceiling to the sides. Windows were decorated with gold and ivory curtains, and yellow chrysanthenums—floral white tapers formed the table decorations. Favours were small gold paper bells, which contained the menu and program in booklet form. Addresses were given by Rev. F. J. Lomas, of L'Anse, calling to mind the past, Present and Future; Rev. Joseph Dutton, "Droppers"; and Rev. J. H. Gilliland, of Saginaw, whose topic was "Facing World Conditions: A Plea for Peace." W. G. Clapham presided as toastmaster until near the end of the program when business called him away. Rev. S. T. Bostrell, local pastor, acted as toastmaster until the conclusion of the program, and called upon Rev. Lomas to voice the benediction which ended the anniversary ceremony.

METHODISTS HOLD 50TH ANNIVERSARY

Banquet And Impressive Program Monday Evening Feature Observance The establishment of Methodism in Manistique fifty years ago was impressively observed at the gold anniversary programs Sunday and Monday evening in the local Methodist churches. About 180 persons, including members of the congregation, out of town guests and members of other city churches, were present at the splendid banquet Monday evening and the especially interesting program which followed. The banquet was prepared and served under the direction of the Ladies Aid Society which also handled the decorations. The ban-
