Youth center will close if funds are not found

The Manistique Youth Center will have to close, if funds aren't found to keep it operating, according to Mike Flynn, Flynn and Jill Gagnon, both teachers in the Manistique schools and the organizers of the center, came to the city council meeting Monday night to ask the city for money to pay a part-time employee.

At present, the center is manned by Don Trel, who acts as a chaperone 17 hours per week. He is paid under the Comprehensive Employment Training Act (CETA). The CETA funds will terminate March 1, however, and the center cannot operate without a chaperone.

appeal again to the Recreation Board, and said that he would meet with them himself to try to find a solution to their funding problems.

APPROXIMATELY 3000 SCHOOL CHILDREN and adults attended Saturday morning's opening ceremonies at the Bicentennial Community School Winter Olympic Games in Ironwood. Volleyball, table tennis, alpine skiing, cross country skiing and speed skating competition among others, were scheduled for a two-day period in Gogebic and Ontonagon counties. Following a five to six hour bus ride Friday, the students were housed in various homes throughout the area and Saturday treated to dances in Ironwood and Wakefield.

City is studying changes in marina entrance due to highway route

Manistique's city council has engaged the engineering firm of United Associates (U.A.) of Cheboygan to undertake a feasibility study on changing the entrance to the new city Marina.

The study, according to Jim Muschel of U.A., is to be completed within two weeks. The study determined the feasibility of closing the present entrance to the Marina for vehicle traffic at the south end of Cedar St. and moving the entrance to the intersection of Arbutus Ave. and US-2.

The change in the entrance to the Marina would be necessitated if the State Highway Department proceeds with plans to relocate US-2 and a new bridge across the Manistique River along the north edge of the Marina. The present plans for the preferred Route D call for the Highway Department to acquire and remove all of the homes along the westside of Arbutus Ave. to Cedar St. The Highway Department, however, indicated in the past two weeks that it would rather not take the homes along Arbutus and would locate the highway route behind the homes taking some of the Marina property for a right-of-way.

Band concert tonight

The Manistique Junior High band, Senior High choir, and Senior High band will present a winter concert tonight at 7:30 p.m. in the high school auditorium.

SCHOOLCRAFT MEMORIAL HOSPITAL WOMEN'S AUXILIARY president Belle Jahn presents a \$1000 check to Doctor John Clark (right) and Hospital Administrator James Gardner. The money is partial payment on mammography equipment purchased in September and used in the detection of breast cancer among women. Total cost of machine is approximately \$3500.

County has new director of equalization

Robert Dawson is the new Equalization Director for Schoolcraft County. Dawson, a native of Kalamazoo, comes to Manistique from Kalamazoo, where he was deputy equalization director.

"This work is involved with giving each citizen a fair shake when he pays his taxes," said Dawson. "The report I give will try to treat fairly each property owner. It's important that people know they are getting equal treatment."

He will be conducting valuation studies of all the cities and towns in the county. He sees his new job as a real challenge. "The state did an equalization study last year," he said, "and I will have to go through and do another in the next several months. It's going to be a lot of work."

Germfask residents oppose busing students to new high school

At press time Wednesday, several residents of the Germfask area were expected to be in attendance at last night's meeting of the Manistique Area Schools Board of Education. Heading the agenda was the question of whether to schedule Germfask seventh and eighth grade students for the new high school next year or allow them to continue their high school education in the Germfask area.

Manistique was one of only 161 schools out of 345 which applied for the grant to receive 75 percent funding. The board will add \$500 toward the purchase of the books. Also on last night's agenda were -- the opening of bids on two new school buses; -- reviewing assessment and achievement tests; and -- forming a negotiating committee for the auxiliary and professional staff.

There will be other prizes awarded including twenty bags of groceries. Local merchants are making plans also for their own involvement. Watch for the March 18 Pioneer Tribune, a special Homemakers School edition, which will include recipes, pictures, ideas, and more details for this area event.

ONE JUVENILE WAS ARRESTED AND TWO released to juvenile authorities when city police, with the aid of the State Police department, were called in to break-up a fight outside LaFolle's Restaurant on Cedar Street at 11:20 a.m. Wednesday. City police officials say the two young people released to juvenile authorities were engaged in a fist fight when the one arrested stepped in to pull them apart. When the police arrived

and ordered the crowd of approximately 200 to clear away, the third young man refused to move, was arrested but resisted officers' attempts to apprehend him. He was later handcuffed and the juvenile officer was called to the scene. The young man was lodged in Schoolcraft County Jail with the consent of the juvenile officer.

Hospital visitors restricted due to flu epidemic

Visitors are being restricted effectively immediately at both Schoolcraft Memorial Hospital and the Medical Care Facility due to the threat of a flu epidemic.

Although no cases of flu have yet been reported among the patients or staff at the hospital, Medical Care Facility Administrator Dennis Boyd reported that approximately 40 to 50 percent of his staff and 50 percent of the patients now have symptoms of the 24-hour flu. All necessary precautions are being taken in an attempt to protect our patients. Boyd added.

Plan now to reserve the evening of March 18 for the AMERICAN HOME-MAKERS '76 Homemakers School.

State police

Margaret Galbraith, 34, Smiths Creek, was taken to Schoolcraft Memorial hospital at 9:45 p.m. February 20 with injuries she received in an accident on County Road 441, east of M-149.

Ms. Galbraith told police she was crossing the road on a snowmobile and attempting to climb a bank when the machine flipped and threw her onto the hood of the road.

Pamela Martin, 18, 316 Park Avenue, was cited by State Police for violation of his basic speed law following an accident 1:30 a.m. February 21 on Burrell Road, east of County Road 438.

Ms. Martin told police that her car was airborne on Burrell Road when it slid into a snowbank and rolled over while trying to avoid hitting a dog.

Holly Linderoh, 12, Manistique, a passenger on a snowmobile driven by 10-year-old Craig Linderoh, was taken to Schoolcraft Memorial Hospital with injuries to her right knee after an accident at 6 p.m. February 23 on County Road 441, north of County Road 442.

Ms. Linderoh told police that the snowmobile was traveling north on County Road 441 when it hit a bump and she slid off the right side of the machine.

The snowmobile is owned by Donald Linderoh.

The breaking and entering of an ex-fishing shanty was reported to State Police at 8:35 p.m. February 22 by Mark Nowak of Indian Lake.

Nowak told police that the shanty, located on the Sturgeon Hole Slough in Hjawatha Township, had been broken into

within the past several weeks and several items taken.

Upon investigation, police found that a hole had been knocked in the door of the plywood construction large enough to allow entry. Among those items missing were a 7-gallon spear, two 6-inch decoys and one gallon gas can containing fuel, valued at a total of \$15.

Ray Ellis of the United States Forest Service in Manistique told police at 12:30 p.m. February 20 that a yellow McCulloch chain saw valued at \$150 was missing from an inventory taken this week at the department.

Ellis believes that the item was either lost or stolen sometime between October 1973 and January 1976. Police are investigating.

THOMPSON - The Thompson Civic Club will meet on Wednesday March 3 at the home of Mr. and Mrs. Walter Anderson. Mr. and Mrs. Edwin Gundersen spent the past weekend on a trip to Green Bay. Harry Hastings, accompanied by Howard Larson and Greg Weber of Manistique, made a trip by plane to Lansing and returned on Monday evening.

"Out Our Way"
News from Road 437

Hi Folks,
What a beautiful day we had Sunday. Though it was windy the sunshine was really enjoyed. The warmth of it coming through the window games brought me thoughts of spring. Spring does come later out our way then on March 20, yet I could see the trees that now are just brown patches become budding new life of green. The earth that now is a blanket of white becomes different tints of green. I could almost hear the wind and rain beat against the window, rain that would awaken a dormant land and bring forth so many of its colorful flowers. I could almost smell the sweet fragrance of the trailing arbutus. I pictured the rivers and streams how swiftly they would be traveling to meet new evening waters. Fields newly allowed waiting for the seeds to be planted. There would be the return of the cawing crows, and the song of the robin to be heard. Evening would bring the night tines of the ket and the frog melodies too. So keep in mind that some morning you'll awaken to find the snow is all gone. Grass is starting to grow, the long nights have vanished. All of nature's wonders

begin to stir. Noises will be heard from the tree tops, rivers and streams will be flowing again. Everything will have a new look. The air will be scented with perfume from the trailing arbutus. Then you'll say, "why it must be spring." Our next question is just how will March come in? Will it come as a lion, or a lamb? No matter how it comes in guess it will be a challenge to us.

A person who had a great weekend for himself was Ray Poupour of Stevens Lake. Rupp, the rest of the falls all rode Artic Cats. Whitney's machine broke down. Mr. Poupour hauled the broken Artic Cat with his might Rupp and a nylon rope. It was a great day for Mr. Poupour and his Rupp. The Boss and had lunch with the Norm Underwoods. After lunch the men went fishing. Mully and I enjoyed several games of Triple Yahtzee, then met the men to have a fish dinner at the 3 Mile.

The walleye season will come to an end on February 29 so the ice fishermen will have to get in their walleye fishing this week.

Enemies of birthday greetings go out to Kathleen Peterson, Robert Hinkson, Mary Kahil, Lucille Fox and Alfred Clifton. Anniversary wishes go out to the Joseph Larsons and the Vern Ekstroms. May the day for all of you be one of complete happiness.

Until our next chat stay healthy and happy with this Arabian proverb, "He who has health, has hope, and he who has hope has everything."

What's going on

by Marg Chandanais 341-6856

Now that we have had our February thaw and everyone has had their first of spring fever, we may as well crawl back into our woollies and settle down to wait for a definite sign of spring.

Mr. and Mrs. Svede Nelson were weekend hosts to their nephew, Peter Hruska of Hancock.

Mr. and Mrs. Elmer Burger of Hartford, Wisconsin visited Myrtle Nelson and Mrs. Smart. Mrs. Burger is the daughter of Mrs. Smart.

Mr. and Mrs. Calvin (Dorothy) Jenerou celebrated their thirtieth wedding anniversary Sunday, February 22 at an evening candlelight supper in the home of their daughter and son-in-law, Mr. and Mrs. William Rarredon, and their grandchildren, Willie and Kevin, the Jenerous' four other children and families also attended the dinner. Mr. and Mrs. Alford (Babe) Jenerou and daughter, Chris; Mr. and Mrs. Tom Jenerou and daughter, Becky; Jill and Rick Jenerou, Sylvia and Eugene Franzel, former Manistique residents, now of Trenton, were the couples attendants. Congratulations, Cal and Dorothy!

Mr. and Mrs. Jack Hoholik have returned to their home in Plymouth.

Wisconsin after spending several weeks with Mrs. Leo Gardner of Indian Lake. Mrs. Amanda Carlstrom, 600 C Street, spent several days in G. Village visiting her sister, Mrs. Horning. While there she attended birthday party in honor of Mrs. Ho. The festivities were hosted by the G. Froggatt family of Garden.

Mr. and Mrs. Ardell Gardapee journeyed to Oil City, Pennsylvania, two ago to be with the family during the day and consequent death of Mrs. Gard's father, Mr. James Scharnack, who passed away on February 14. The Gardapees also attended the services. Bi-Manistique, James of Cheboygan, Wisconsin, and Dennis of Virginia, Minnesota, also attended. Our deep sympathy to the Gardapees.

Happy second anniversary wishes go to Billy and Bobbie. The Honry's are the parents of one Billy. Congratulations kids, and more to come!

Junior women discuss card party

The Junior Women's Club held a meeting Monday February 23 at 7:30 p.m. at the United Methodist Church.

A couple of thank you notes were received. One from Diane Hentschel for the nice plan received at her Beauty Shop. The other thank you came from a member of Congress, Philip Bump regarding the buying of a flag flown over the United States Capitol, to be donated to the new county courthouse. Carol Gillette is waiting for the flag to arrive.

Alice Linderoth, Cookbook chairwoman, reported that there are cookbooks still available at the banks.

Linda Germain was among the guests who attended the Wine Tasting party held at the Fireside Inn. Wine was sampled along with a speech on how and where it is harvested. Ann Hendricks sang a few songs also.

It was discussed that help was needed at the chamber building to be ready for coming Bicentennial events. A Betsy Ross Float kit will be ordered for the Fourth of July Parade.

A coming event of the club will be an evening card party. More details will follow at a later time.

The next meeting will be Monday March 8.

Bicentennial Youth Conference

Jennie Behrand, a representative on the Bicentennial Youth Advisory Council, spent the weekend of February 13-15 in Mount Pleasant. There she and the other members of the Council made plans for the Bicentennial Youth Conference on American Values, set for June 25-27 at Olivet College.

They also brought up various ideas for all the communities in the state to work on a joint project. The main idea was to get every bell ringing at 12:00 noon on July 4. This would be in honor of the famous lyrics, "Let freedom ring." No definite plans have been set at this point.

On March 12, Jennie will leave for Detroit to attend another workshop and do some sight-seeing.

Plant and Flower Care

AZALEAS

Azaleas are woody shrubs. They don't die down each year, but continue to grow larger and lovelier. Place your plant in as cool a spot as you can find where there is an abundance of light. See that the soil beneath it stays moist at all times.

Eventually the flowers will fade, and as they do, new leaves will appear. It is then time to feed your plant with a mild acid-type fertilizer every two weeks until midsummer. When spring weather comes, plant your azalea, pot and all, in a lightly shaded garden spot and remember to keep the soil moist. Next fall bring it back into the house for another season of beauty.

Margaret Galleath, 31, Smiths Creek, was taken to Schoolcraft Memorial hospital at 9:45 p.m. February 23 with injuries she received in an accident on County Road 442, east of M-149.

Ms. Galleath told police she was crossing the road on a snowmobile and attempting to climb a bank when the machine flipped and threw her onto the hood of the road.

Pamela Martin, 18, 516 Park Avenue, was cited by State Police for violation of the basic speed law following an accident at 1:30 a.m. February 21 on Burrill Road, east of County Road 438.

Ms. Martin told police that her car was out of control on Burrill Road when it slid into a snowbank and rolled over while trying to avoid hitting a dog.

Holly Linderoth, 12, Manistique, a passenger on a snowmobile driven by 16-year-old Craig Linderoth, was taken to Schoolcraft Memorial Hospital with injuries to her right knee after an accident at 6:15 p.m. February 21 on County Road 441, north of County Road 442.

Ms. Linderoth told police that the snowmobile was traveling north on County Road 441 when it hit a bump and she slid off the right side of the machine.

The snowmobile is owned by Donald Linderoth.

The breaking and entering of an ice-fishing shack was reported to State Police at 8:35 p.m. February 22 by Mark Nowak of Indian Lake.

Nowak told police that the shack, located on the Sturgeon Hole Slough in Hiawatha Township, had been broken into

within the past several weeks and several items taken.

Upon investigation, police found that a hole had been knocked in the door of the plywood construction large enough to allow entry. Among those items missing were a 2-gallon spear, two 6-inch decoys and one gallon gas can containing fuel, valued at a total of \$13.

Ray Ellis of the United States Forest Service in Manistique told police at 12:30 p.m. February 20 that a yellow McCulloch chain saw valued at \$150 was missing from an inventory taken this week at the department.

Ellis believes that the item was either lost or stolen sometime between October 1975 and January 1976. Police are investigating.

ANN HENDRICKS LED A SING-A-LONG at the February 19 wine tasting party given by the Manistique Women's Club. The group singing followed a buffet dinner at the Fireside Inn. (Tribune Photo)

Women's drama evening set

Manistique Women's Club will meet on Tuesday, March 9 at 7:30 p.m. at the Zion Lutheran Church. The annual drama evening is under the direction of Kate LeBrasseur.

Mary Morford, co-chairwoman of the Ways and Means committee, requests that members bring articles for a White Elephant Sale to be held at the meeting. Proceeds will be used for general club expenses.

Chairwomen for the meeting are Mary Ann Borke, Irene Hinkson and Irma Nagy. Committee members are: Mrs. Henry Auvinen, Mrs. Richard Bonifas, Mrs. Clifford Christiansen, Mrs. Dallas Creen-

ger, Mrs. Donald Dissinger, Mrs. Marvin Frederickson, Mrs. Melton LaPorie, Mrs. Jean Larson, Mrs. Clarence Leach, Mrs. J.L. LeDuc, Mrs. Karl LeMaire, Mrs. Maurice O'Connor, Mrs. Dorothy Sawyer, Mrs. James Slining, Miss Phyllis Toyra, Mrs. Gary Traven, and Mrs. Leon Wood.

Memorial book presented

"Whittling and Wood Carving" by H. Hoppe has been presented to the Manistique School and Public Library as a memorial to the late Robert Dougherty. The presentation by the class of 1947 of Manistique High School contains the technical aspects of wood carving and the techniques to accomplish this art.

The book has been processed and is currently available for circulation.

CBC dance to be held Friday

There will be a dance held on Friday, February 27 from 7 p.m. to 11 p.m. at the Manistique Youth Center. All proceeds will go to the C.B.C. Fund. Free pop and pizza will be available along with door prizes. This dance is open to all areas seventh, eighth, and ninth grade students.

What's going on

by Marg Chandanais 341-6856

Now that we have had our February thaw and everyone has had their first taste of spring fever, we may as well crawl back into our woollies and settle down to wait for a definite sign of spring.

Mr. and Mrs. Svede Nelson were weekend hosts to their nephew, Peter Hrusa of Hancock.

Mr. and Mrs. Elmer Burger of Hartford, Wisconsin visited Myrtle Nelson and Mrs. Smart. Mrs. Burger is the daughter of Mrs. Smart.

Mr. and Mrs. Calvin (Dorothy) Jenerou celebrated their thirtieth wedding anniversary Sunday, February 22 at an evening candlelight supper in the home of their daughter and son-in-law, Mr. and Mrs. William Rarodon, and their grandchild, Willie and Kevin, the Jenerou's four other children and families also attended the dinner. Mr. and Mrs. Aldred (Babe) Jenerou and daughter, Chris; Mr. and Mrs. Tom Jenerou and daughter, Becky; Jill and Rick Jenerou, Sylvia and Eugene Franzel, former Manistique residents, now of Trenton, were the couples attendants. Congratulations, Cal and Dorothy!

Mr. and Mrs. Jack Hoholik have returned to their home in Plymouth,

Wisconsin after spending several weeks with Mrs. Leo Gardner of Indian Lake. Mrs. Amanda Carlstrom, 600 C Street, spent several days in G Village visiting her sister, Mrs. Horning. While there she attended birthday party in honor of Mrs. How. The festivities were hosted by the G Froggatt family of Garden.

Mr. and Mrs. Ardel Gardapee journeyed to Oil City, Pennsylvania, two days ago to be with the family during the funeral and consequent death of Mrs. Gard's father, Mr. James Scharmack, who passed away on February 14. The Gardapees also attended the services; Bill Manistique, James of Chebogan, Wisconsin, and Dennis of Virginia, Minnesota, also attended. Our deepest sympathy to the Gardapees.

Happy second anniversary wishes go to Billy and Bobbie Henry on February 2. The Henry's are the parents of one more to come!

I am very happy to correct a mistake

Ganci, sales manager of O'Donnell Importing Company discuss the difference between domestic and imported wines at a wine tasting party given by the Manistique Women's Club. The party was held at 7 p.m. on February 19 at the Fireside Inn. (Tribune Photo)

Junior women discuss card party

The Junior Women's Club held a meeting Monday February 23 at 7:30 p.m. at the United Methodist Church.

A couple of good spots were received. One from Diane Hentschell for the nice plant received at her Beauty Stop. The other thank you came from a member of Congress, Philip Ruppe regarding the buying of a flag flown over the United States Capitol, to be donated to the new county courthouse. Carr, Gillette is waiting for the flag to arrive.

Alice Linderth, Cookbook chairwoman, reported that there are cookbooks still available at the bank.

Linda Germann was among the guests who attended the Wine Tasting party held at the Fireside Inn. Wine was sampled along with a speech on how and where it is harvested. Ann Hendricks sang a few songs also.

It was discussed that help was needed at the chamber building to ready it for coming Bicentennial events. A Betsy Ross Float kit will be ordered for the Fourth of July Parade.

A coming event of the club will be an evening card party. More details will follow at a later time.

The next meeting will be Monday, March 8.

Bicentennial Youth Conference

Jennie Behrend, a representative on the Bicentennial Youth Advisory Council, spent the weekend of February 13-15 in Mount Pleasant. There she and the other members of the Council made plans for the Bicentennial Youth Conference on American Values, set for June 25-27 at Olivet College.

They also brought up various ideas for all the communities in the state to work on a joint project. The main idea was to get every bell ringing at 12:00 noon on July 4. This would be in honor of the famous lyrics, "Let freedom ring." No definite plans have been set at this point.

On March 12, Jennie will leave for Detroit to attend another workshop and do some sight-seeing.

Hot Lunch

BIG BAY DE NOC

The hot lunch menu for the Big Bay de Noc School District for March 1 through March 5 is:

Monday - Sloppy joes, buttered corn, bread, peanut butter, milk and cookies.

Tuesday - Turkey noodle soup, carrots and celery sticks, sliced cheese, crackers, bread, apples and milk.

Wednesday - Fish squares, mashed potatoes, coleslaw, bread, butter, milk and cake.

Plant and Flower Care

AZALEAS

Azaleas are woody shrubs. They don't die down each year, but continue to grow larger and lovelier. Place your plant in as cool a spot as you can find where there is an abundance of light. See that the soil beneath it stays moist at all times.

Eventually the flowers will fade, and as they do, new leaves will appear. It is then time to feed your plant with a mild acid-type fertilizer every two weeks until midsummer. When spring weather comes, plant your azalea, pot and all, in a lightly shaded garden spot and remember to keep the soil moist.

Next fall bring it back into the house for another season of beauty.

Germfask

By Mrs. Jeanne Gawn 386-2399

The Germfask P.T.A. held their monthly meeting at the Germfask Elementary School Monday night February 23. The meeting was chaired by Mrs. M. Barker. After the regular meeting over the meeting was turned over to Mrs. M. Barker, Mrs. C. Peterson, Mrs. J. Bonifas, Mr. Cockran and Mrs. Belle Doyle, who were there to discuss whether or not the seventh and eighth grades will be left in Germfask or bussed to Manistique. There were about eight people at the meeting and the consensus of opinion is to keep the students at Germfask.

Mr. and Mrs. Sam Burns of St. Ignace spent Saturday night with Sam's parents, Mr. and Mrs. Water Burns, and with her parents Mr. and Mrs. Earl Hamel of Gulliver on Sunday.

On February 19 a bi-centennial meeting was held at the home of Lillian Coffey. A party to play card party has been planned for March 16. The next meeting will be held on February 23 at the home of Mary Chidester.

Mr. and Mrs. Richard Lupton and family of Antigo, Wisconsin, visited at the home of his brother and sister-in-law, Mr. and Mrs. Eugene Smith over the weekend. The Smith's married children and families also came to visit. They are Mr. and Mrs. Kenneth Mattson of Iron Mountain, Mr. and Mrs. Robert Smith and daughter Robin of Sault Ste. Marie, and Mr. and Mrs. John Blankenship and daughter Amy of Newberry.

Mr. and Mrs. Janice Barker and daughter Hope spent the weekend visiting his sister and brother-in-law, Mr. and Mrs. George Fitzgerald at Iron Mountain.

Harry Burton, George Tuffy Burton, Herbert Burton Jr. and Norman Burton Jr., of Germfask and Norman Burton of Ann Arbor and Homer Asher of Pontiac, spent a week hour hunting at Jamestown, Tennessee. Each one of the party was able to bag a bear.

Mr. and Mrs. Virgil Monroy and family spent the weekend visiting Mr. and Mrs. Harry Snyder and family in Isabella.

Mrs. Larry Vanatta and son Larry of Kentucky visited at the home of Mrs. Alva Vanatta.

Mary Dunn and Mr. and Mrs. Ed Scharrer of Battle Creek spent the

weekend visiting with Mr. and Mrs. Heri Rodemer.

The Germfask P.T.A. held their monthly meeting at the Germfask Elementary School Monday night February 23. The meeting was chaired by Mrs. M. Barker. The Kates Bay Card Club met on Saturday February 21 at the Ida Rochefort home. Ten members were present. The next meeting will be held on March 6 at the Ora Farley home.

Hospital patients at the Schoolcraft Memorial Hospital are Leona, Ann and surgical, Herb Still, medical and Vida Gauthier, medical.

The Kates Bay Home Ec. and the Peninsula Travelers Clubs met in the National Bank Conference room recently, with Home Extensionist Cecil Turner giving a lesson on pressure cooker. Della Tatrow and Marion Coa demonstrated Macrame during the meeting. The next regular meeting of the Kates Bay Club will be on March 4 at the Beverly LaBette home.

NOTICE

On March 5, 1976 the City of Manistique will request release of funds under the Community Development Block Grant.

Project: Off-street parking in the Deer Street area.

The City of Manistique has prepared an environmental review record respecting the project for which release of funds is sought, and the same may be examined by the public and copies thereof obtained at the Manistique City Hall, Monday through Friday.

City of Manistique, 300 N. Maple Street, Manistique, Michigan 49854, Mayor Thor H. Reque.

The City of Manistique will undertake the project described above with Block Grant funds from the U.S. Department of Housing and Urban Development (HUD), under Title 1 of the Housing and Community Development Act of 1974. The City of Manistique is certifying to HUD that the City of Manistique and Thor H. Reque, in his official capacity as Mayor, consent to accept the jurisdiction of the Federal courts if an action is brought to enforce responsibilities in relation to environmental reviews, decision making, and action; and that these responsibilities have been satisfied. The legal effect of the certification is that upon its approval, the City of Manistique may use the Block Grant funds, and HUD will have satisfied its responsibilities under the National Environmental Policy Act of 1969. HUD will accept an objection to its approval of the release of funds and acceptance of the certification only if it is one of the following bases: (a) That the certification was not in fact executed by the chief executive officer of the applicant; or (b) that applicant's environmental review record for the project indicates omission of a required decision, finding, or step applicable to the project in the environmental review process. Objections must be prepared and submitted in accordance with the required procedure, and may be addressed to HUD at Federal Building, 477 Michigan Avenue, Detroit, Michigan 48220. Objections to the release of funds on bases other than those stated above will not be considered by HUD. No objection received after March 26, 1976 will be considered by HUD.

Snowmobile trails in good condition

The Hawire trail was groomed on February 20. The High Railways trail was groomed on February 16. The Iron Creek trail was groomed on February 17. All three trails were reported to be in fair condition, and all have had heavy use.

LaLeche to meet March 2

The Manistique La Leche League will meet at 1 p.m. on Tuesday, March 2, at the home of Shirley McLendon on Indiana River. The topic will be "Baby Arrives: The Family and the Breastfed Baby" led by Phyllis Burg. Interested women and their babies are welcome. For information call 341-9564.

Emeralds tip Braves 1st time in 5 years

The Manistique Emeralds ended 44 years of basketball in the "New Gym" on a triumphant note, beating the Gladstone Braves 84-78, the first Emerald victory over Gladstone in five years. John Nelson

had an outstanding game for the Emeralds with 14 while backing up Nelson with 17 points. Lance Neddow came off the bench to score with 25 points. John also had 10 rebounds.

For the game the Emeralds were 34-62 for 55 percent while Gladstone was 22-84 for 26 percent. The Emeralds outrebounded the Braves 37-35, and were 16-23 for 70 percent compared to Gladstone's 12-25 for 48 percent.

Manistique plays Rudyard Wednesday, March 3. The championship will be Friday night, March 5. All games at 8 p.m. Tickets for the games are available at the high school, \$1.00 for adults and \$1.00 for students.

Tufnell takes medal in U.P. mat tourney

Jeff Tufnell took a fourth place medal at the Upper Peninsula High School Wrestling Tournament last weekend in Marquette. Tufnell is the first person from Manistique to win a medal there since Joe Jackson in 1974.

The Emeralds competed with 17 other teams from the Upper Peninsula. Taking only seven wrestlers, Manistique wound up in fifteenth place. "That's not too bad for taking only seven guys", said coach Capoferri.

Tufnell took his fourth in the 105 pound class by beating Petersen from Gladstone and losing to Brey in the consolation match. Brian Fountain and Rich Messer were each one match away from fourth place medals.

Coach Capoferri was pleased with his team at the end of the season "we've really come a long way over the last few months," he said. "We've improved our wrestling ability and all the wrestlers have a lot more confidence now than at the beginning of the season."

"This sport takes real dedication," he added. "It doesn't draw big crowds. Wrestlers have to work hard, because they like it. We've had a lot of support from the parents, too, and we appreciate it."

Capoferri is already looking ahead to next year. Starting in mid-March, seventh and eighth grade wrestling programs will begin training future Emeralds. Capoferri wants to field a full state of wrestlers for the 76-77 season.

Big Bay hosts Jr. High tourney

Junior High basketball tournaments started Monday night at Big Bay. In the first game, Rapid River played Rock and Rapid River won. Perkins also won in the second game. Perkins also won.

Juniors who plan on going on to college received the American College Test (ACT) registration forms. The test is to be taken in April or June if the student wishes. Test results are used by many colleges as entrance exams. Results are also sent to scholarship agencies of the student's choice.

On Thursday night, tournaments resumed with Rapid River playing and beating Trenary. Big Bay played Perkins. It was a close game with Perkins winning 31-23. Rapid River won their many different rings and details they could order.

Sophomores ordered their class rings on Friday. A representative of Jostens Company showed them the many different rings and details they could order.

The Choral Solo Ensemble was held Saturday in Marquette. Floreline Groulx, a junior, participated in the Ensemble.

Seniors baked pasties all day Saturday at school. They have taken orders during the week from parents, students, teachers, etc. The seniors will take orders again in March.

Jay Keteik led the Emerald rebounders with 14 while backing up Nelson with 17 points. Lance Neddow came off the bench to score with 25 points. John also had 10 rebounds.

Three Braves reached double figures, with Keith Nelson notching 16, Greg Fleet 21, and Wayne Johnson 22, before he fouled out with 6:00 to go in the game. 20th teams battled on even terms and the score was knotted 48 with 4:00 to go in the first quarter. Then Gladstone ran off 6 points in a row to lead 14-8. At the end of the quarter, the Braves had widened the gap to 22-14, with Wayne Johnson leading the way. Gladstone maintained a 37-28 lead with 2:30 to go in the half. Only Neddow's 3 baskets helped keep the Emeralds within striking distance.

And strike the Emeralds did, like a pack of hungry wolves. Pistulka's basket and 2 free throws and Neddow's 2 free throws cut the gap to 27-33 with 1:42 to go. After Wayne Johnson got his 17 and 18 points of the half, the Emeralds banged home the next 8 points, with John Nelson hitting a bank shot with 2 seconds to go to give the Emeralds the lead at the intermission 41-39.

With Keteik scoring 8 of the first 10 points, the Emeralds grabbed a 31-42 lead with 4:30 left in the third quarter. The Braves then rallied to outscore the Emeralds 13-4 and tie the score 55-55 with 1:15 to go in the third quarter. Pistulka scored, but Nelson came right back for the Braves to tie it at 57-57. Wayne Johnson's basket at the buzzer gave the Braves the lead 59-57 going into the last quarter.

After Gladstone opened up a 63-59 lead, Neddow and Berger scored to tie it at 63-63. After Harris missed a one and one for Gladstone, Keteik's 3 point play boosted the Emeralds into the lead 66-63. After trading several baskets it was 70-69 with 3:30 to play. Then Nelson and Keteik scored to spread the margin to 74-69 with 3:00 to go. Greg Fleet then scored the next 3 points for Gladstone to tie the score at 74-74, with 2:00 to go. Nelson and Berger then got the next 2 buckets before Berger fell with a twisted ankle with 1:18 to go. Berque replaced Berger and with 38 to go, calmly swished 2 free throws to give the Emeralds an 87-74 lead.

Two free throws by Pistulka, and a basket by Jenerou gave the Emeralds a 84-74 at the buzzer.

Center to start CBC drive

The Manistique Youth Center will start the area CBC drive with a dance scheduled for Friday, February 27, from 7 to 11 p.m. There will be a \$1 donation on charge and all proceeds will go to CBC. In addition to dancing, there will be free pop and pizza and W.T.U. is providing a disk jockey. All who attend will be eligible for door prizes. This dance is open to all area seventh, eighth and ninth graders.

A new activity for this year is a bowling tournament, open to all interested bowlers. The idea was conceived by Bill Hackney. Each bowler will purchase a pin for \$1.00 to enter the tournament. Bowlers will use regular league games including handicaps. The two high bowlers from each league, including men and women's mixed leagues and the Elks league, will have a bowl-off the week of March 14. This should involve between twenty two and twenty six bowlers. Trophies, provided by

the two banks and four car dealerships, are on display in the Review Lanes. For further information call Lakeview Lanes 341-8912.

Other activities coming up are: The V.P.W. dance, March 13, the Manistique Teachers' Association dance, March 13, community newsletter, March 3 and the business and industry drive, March 27.

In other business, the CBC council was informed that the Boy Scouts will clean up the St. Francis Hall after the Radio-Television and a memorial has been set up in the name of Mr. William Guyman for contributions in his memory. Also, this year auction items will be displayed in the People's Store and attorney Mike Brook's office.

The next CBC meeting will be held on March 9 at 7 p.m. in the National Guard Armory.

Indians attend Lansing confab

The Manistique Indian Education Committee delegates, Martha Snyder, Penny Tracy, Marg Chandanais, Mr. and Mrs. Vern Goudreau, John LaPointe and Lauri Demers attended the fourth annual conference of Native American Critical Issues last weekend at the Hilton Inn in Lansing.

Vine Deloria, lawyer and author, was the main speaker. Deloria is a Standing Rock Sioux from a distinguished family of American Indians with scholar, churchman, and warrior-chiefs ancestors. His books include "Custer Died for Your Sins," "We Talk You Listen," and

"Redman in the New World." Deloria autographed two of his books from the Manistique Public Library collection. The books are available for circulation.

Other speakers were Thomas Thompson, director of the teacher corps at Eastern Montana College, Joe Lammenden, Title IV specialist and president of the band of Chippewa Indians in Sault Ste. Marie, Steve Malmberg, superintendent of the Sault Ste. Marie and Mrs. Alice Ford from HEW, office of Indian education.

Paul Ortega, a recording artist of Indian music, presented a concert in the Regency room of the Hilton Inn on Friday evening.

Central has winning season

Central's eighth grade basketball team has posted a winning nine and two season this year. Coach Kelly Byrne praised his 13 and 14 year olds for their maturity and teamwork.

"We're strong in all the areas we need to be," said Byrne. "We have height, speed, good shooting and defense. The team really plays well together."

The team plays this weekend in the Munising Invitational Tournament. Eighth grade teams from Manistique, the Soo, Munising, and Newberry will compete for

trophies in the non-conference tournament.

Byrne, who is coaching for the first time this year, is proud of his 15 players. "They have a lot of talent," he said. "They're good players now, and they'll get better."

Black Bears in tournament

The Big Bay Black Bears took a beating from North Central 82-43 last week. Coach Pelleitier said the Republic team was exceptionally good. "They were having a hot night," he admitted.

"We had two people out, and were able

to play a lot of men," said Pelleitier.

Big Bay meets the Republic Hawks this Saturday in their last home game. Next week the Bears host the district tournament. They play Engadine Monday night at 7:30. The championship is Friday night.

Cards of Thanks

We would like to thank all the people who helped make our anniversary celebration something that we will always remember.

Adolph and Anna Asp 38c1

Our sincere thanks to all our wonderful and kind neighbors and relatives for their cards of sympathy, flowers, masses, food and donations and help in the loss of our mother, sister, grandmother and great-grandmother.

To Father Frieburger for his consoling words, to the choir, to the ladies who worked at the Parish Center, also Doctor Larry Sell, the nurses at the hospital and to all in the Medical Care Facility, to pallbearers and to everyone who helped in any way, there are not enough words to express our appreciation, it will be remembered forever.

A Winter Concert will be held tonight featuring the Junior High Band, High School Band, and High School Choir.

Both bands will be playing music to be performed later in the year at the annual band festival. The festival this year will be held in Newberry.

The choir will perform a combination of serious and light numbers, including an English madrigal, "Your Shining Eyes" and "Day by Day" from Goodspell.

An added feature this time will be several solos and ensembles: a piccolo solo, trumpet solo, piano solo, clarinet trio and brass quintet.

This Spring the Senior High Band and also the choir will be making a tour of local elementary schools. These performances give the younger students a chance to hear different kinds of music and are fun for all involved.

Don White, band director, is a graduate of Western Michigan University where he performed in the marching band, symphonic orchestra and wind ensemble. His main instrument is the tuba, which he plays in the community "quintet plus one." This group consists of six people who play quintet music with the baritone part doubled. The members are: Doctor

Waters, Doctor Steinfeld, Mickey "Tota" Hilda, Carl Wilson and Don Wood. The "quintet plus one" will be performing in a joint concert with the community choir some time next week.

Tonight's concert will begin at 7:30 in the high school auditorium. Refreshments served afterwards. Tickets are \$1.00 for adults and \$0.50 for students and Senior Citizens. They are purchased at the door.

Phillips prepared best Leap Year dinner

After much deliberation, a winner has been selected in the Tribune Leap Year Dinner Contest. Jack Phillips and his wife Lela will be our guests for dinner at the Ramada Inn.

Although we received a variety of recipes, including some for gourmet dishes, and romantic suggestions from as far away as California, Phillips' entry ranked highest overall in the categories of originality, romantic mood, ease of preparation and flavorful and compatible recipes.

His meal plan is printed below in its entirety.

If I were to plan a romantic dinner for my wife, I would want to have it on a Saturday evening. I would choose a day when I didn't have to work on Saturday afternoon and I would ask my wife if she would do her shopping that afternoon while I baby sat. This would give me time to get everything ready so I could surprise her when she got home.

After thinking it over, I would plan a meal which could be put together ahead of time and then merely popped into the oven, while we relaxed with a glass or two of her home made raspberry wine - served, of course, in our best crystal stemmed glasses and with a small plate of hors d'oeuvres consisting of cheeses and assorted crackers.

I would take the two leaves from our table in order to make it into a cozy round table for two, and use white table linen with matching napkins. Naturally, I would set the table with our better dishes and silver.

For a centerpiece, I would buy one long-stemmed yellow rose and place it in a tapered crystal vase and I would use two small Swedis candle holders with white candles. Candlelight would be a 'must' for this special dinner.

I would arrange for our boys to attend the Saturday evening movie so I could have my wife all to myself. I would select about six Sergio Mendez records and have the stereo playing softly. The music would definitely add a touch of romance to the atmosphere.

My menu would be:

- TOSSED SALAD with rochefort dressing (our favorite)
- RELISH TRAY with my wife's home canned pickles and beets; celery and carrot sticks and cottage cheese
- CHEESE BREAD scored and buttered (from grocery store) and baked in oven

February Reader's Digest had an interesting article on page 130 called "Happiness - The Best Preventive Medicine" which I'll quote in part. It says: "Have the Reader's Digest, this article is good reading."

"Today American we have more 50-year-olds alive than ever before - nearly 9000, according to the Social Security Administration - and their numbers increase each year. What is their secret? How did these pioneers into the rarefied, allitude of years weather storms of sickness and disease that took away most of their contemporaries 30 or 40 years ago? Their lives must have something to tell us. But what is it?"

To find out, George Gallup in 1959 had over 400 persons interviewed whose average ages was 59. Since then, reporters for the Social Security Administration have queried several hundred centenarians. All were asked to what they attributed their long life. The old folks had a variety of things to say, most of which fall into five major categories: long-lived ancestors; the right foods, in amounts that kept down weight; a cheerful disposition, free of worry; plenty of exercise and sleep; avoidance of cigarettes, and only moderate drinking.

I recently talked to 20 of these people, and here's what they told me:

Zachariah Blackstone, a Washington, D.C., florist will celebrate his 105 birthday this month. He gets up each morning at 6 a.m., drinks a full glass of hot water, then "lifts his blood pressure" by doing 50 modified push-ups and jogging once or twice up and down the apartment-house corridor. He breakfasts lightly on stewed apples sprinkled with cereal, a slice of whole-wheat toast and a glass of

buttermilk. For many decades he ate a glass of wine, but gave it up in 1922 because, he said, "its more intoxicating at my age."

By 7:30 he is at work in an office at one of his three florist shops. He has a sandwich for lunch and takes a short nap in the afternoon. He likes to cook, and for dinner may have a steak, broiled chicken or Brunswick stew with vegetables. He once smoked moderately, but gave up cigarettes at 50.

Every morning Blackstone has a period of prayer and meditation, and on Sundays puts \$25 in his church's collection box. "I've always trusted God, and things have turned out well for me," Blackstone's sense of humor persists. He refers to the friend who shares his apartment as a "child of 50." "He sees and hears well, and his memory reaches back over a space of three generations. Asked if he remembered the day President McKinley was shot, he said, "Yes, it was tragic. But it brought me so many orders for flowers that it put my shop in sound financial condition."

Blackstone was never a heavy eater, nor were most of the others interviewed. In fact, the one warning they gave most vigorously is, "Over-eating is dangerous." Most insist on "plain food," with light seasoning and no sauces. They pay little heed to vitamins or cholesterol, simply eating a wide variety of meat and vegetables in moderate amounts.

For most of the centenarians, physical exertion was and is a way of life. They raised families, did their own housework, were craftsmen and laborers, tradespeople and farmers.

In summary, America's 100-year-olds are tolerant, outgoing, creative, able to cope with the stresses of life. They stay slim, and smoke and drink - if at all - in moderation. They know the value of sleep, naps, recreation; they play games, dance, have fun. Can serenely strengthen a cell, or tranquilly erase a wrinkle? Who knows? But our centenarians, through their lives, tell us that songs and laughter somehow lubricate the biological clock and keep it running long. Happiness, it appears, is

FRENCH-STYLE BEANS

Put in tiny pieces and fry until crisp - about 3 slices bacon. Remove bacon pieces, and cook, covered, in bacon drippings until tender:

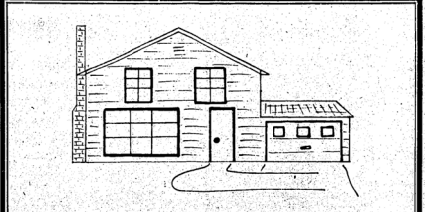

- 1 medium onion, sliced
- 1 strip celery, diced
- 1 small carrot, chopped finely
- 1 beef bouillon cube

When tender, add about 2 tablespoons water, the crisply fried bacon bits and one pint (about 2 cups) green beans sliced lengthwise. Simmer until vegetables are tender, but not mushy. (Be sure vegetables retain some of their crispness when you serve them.)

Immunization clinic to be held on March 3

Luce-Mackinac-Alger-Schoolcraft District Health Department will hold its monthly Immunization Clinic on Wednesday, March 3 from 1:30 to 3 p.m. at the Zion Lutheran Church on Oak Street in Manistique. Please call the Health Department at 341-5876 for an appointment. Parents are reminded to bring their children's records of previous immunizations and also to report any suspected cases of childhood diseases to the Health Department.

Many parents seem to assume that these diseases, for which effective vaccines are available, have been conquered - that there is nothing to worry about. This often influences them to wait until their children approach school age before completing their immunizations. As a result, these children remain vulnerable during the first 4 or 5 years of life and represent the most likely targets for epidemics. To remain unimmunized is a risk, a risk no child should face.

St. Anne's to sponsor carnival on Feb. 29

An annual event sponsored by the St. Anne's Altar Society will take place Sunday, February 29 at the St. Francis de Sales Parish Center. The carnival will operate from noon to 4 p.m., fun and games for young and old. Carnival chairman, Mrs. Ellsworth gave the last important instructions for the carnival. Workers should be there on Saturday February 28 by noon and on Sunday February 29 by 10 a.m. Articles donated to the White Elephant, jewelry, bake goods and candy booths should be priced by the donors.

The Society opened its meeting with a mass offered by Father Freiburger in the Parish Center on February 17. President Mrs. Robert Nelson conducted the executive and business meeting. President Dona reported to the Society members the Memorial Book presented to the St. Francis de Sales School Library as a memorial to the late Sister Gladys was "The Earth."

St. Theresa Circle was the hostess for the evening. Mrs. Alice Neville gave a talk on the life of St. Theresa.

The Altar Society will next meet on Tuesday, March 16 at 7:30 p.m. in the Parish Center, preceded by a meeting of the Executive Board. St. Bernadette Circle members will host the meeting.

Father Marcotte to conduct a retreat

Father Wayne Marcotte of White Pine will conduct a retreat for high school boys at Marygrove the weekend of March 12-14. Father Marcotte is an experienced retreat-master, highly popular with retreatants of all ages.

A retreat for high school students is designed to keep the students busy and happy. There are talks, discussions, group singing, the sacraments, times for silence and counseling. The weekend will answer the question: "What can religion mean for you?"

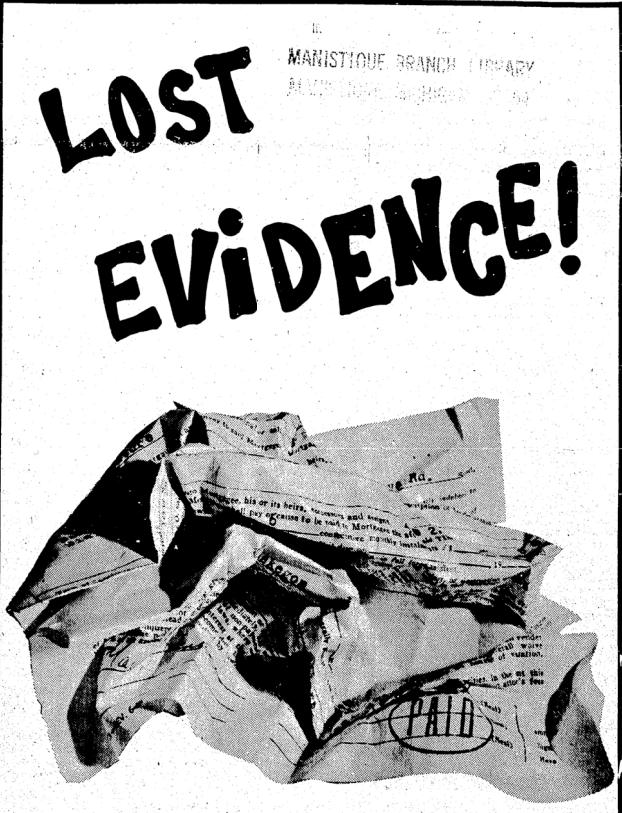

The retreat will begin on Friday evening at 7:30 p.m. and will close on Sunday after the noon meal. To register, write Marygrove, Garden, Michigan 49835 or call 644-2771.

Comprehensive plan for county can be a valuable tool

Last Wednesday evening, a public hearing was held at the Manistique City Council Chambers to consider the adoption of a comprehensive plan for Schoolcraft County.

The comprehensive plan for the county represents more than three years work. It clearly establishes the county what now has in the areas of natural resources, population, public facilities, recreation, economy, housing, water and wastewater, transportation and existing land uses.

While the plan took countless man hours by both local planning commission members and CUPPAD staffers it also represents their best judgement as to the direction any future growth in the county should take.

The comprehensive plan will no doubt be adopted at the planning commission's March meeting. What happens to it after that is of equal if not greater importance than what went in to making up the plan.

If properly used as a guide for the future, the Schoolcraft County Comprehensive plan can help the residents and future residents of our area live in an area that has provided for orderly growth and transition.

The comprehensive plan for Schoolcraft county can be a valuable tool, if it is used.

Publisher's corner
Hubert strikes again
by Frank Senger

Sometimes, tucked in between the third class advertising pieces and the mimeographed releases from governmental agencies and elected officials there are some genuine surprises in my morning mail.

Most of the mail I can usually toss in the wastebasket unopened by just looking at the return address. All of the offers for pens or printing blocks, I've seen before.

And, letters with the return address and frank of a downstate politician have never contained anything of value. One letter, last Wednesday morning, practically jumped out from among the rest.

It was addressed personally, not just to publisher and carried the U.S. Senate return address and frank of Hubert Humphrey.

Who was Hubert Humphrey writing to me at the Delta Reporter, I puzzled, as I opened the envelope. A Xerox of a column written by Jim Fitzgerald and published in the Reporter about a month ago filtered out of the envelope.

The letter from old Hubert went on to explain that the junior senator from Minnesota had been sitting around reading the Delta Reporter when he came across Fitzgerald's column.

What I like about TV as opposed to real life is someone I call Marking John Swainson is a real life, and there is no Marking him. This lovely show on TV was slowly going from a cartoon and a doctor couldn't save him, to a doctor how many times he climbed into her bed. It was sad, and my daughter looked so sad.

Every one can remember all those years ago when I was a young man and I was in the World War 2 home front. I still remember well the evening I learned about Swainson's terrible wounds. I was a year younger and none of my friends had been overseas. John Swainson had been a high school football star and was the best known young man in town. Many people cried at the loss of this young man. I had heard that he was in the hospital and that he was not expected to live.

Letters to The Editor
Letters from readers are welcome. All letters to the editor must be signed; however, names will be withheld if requested. Views given are not necessarily those of The Pioneer Tribune.

To the Editor:
Hello - I remember me! I'm your flag. Some folks call me Old Glory, others call me the Stars and Stripes, the Ensign, or just the flag. But whatever they call me, I am your flag. And, as proudly state, the Flag of the United States of America.

Something has been bothering me lately. I was wondering if I might talk it over with you. It's about you and me. I remember sometime ago (I think it was Memorial Day, or was it the 4th of July) when people lined up on both sides of the street to watch a parade.

And you, I remember you. Standing here straight as a soldier. You didn't have a hat on, but you gave the correct salute. They taught you in school to place your hand over your heart. Remember your little sister? Not to be outside she was saluting the same as you. I was proud, very proud, as I came down the street.

Oh, Yes, there were some Servicemen there, standing at attention, giving the military salute. Ladies as well as men, civilians as well as military, paid me respect, reverence.

Now, if I sound a bit conceited...well, I have a right to. I represent the finest country in the world - The United States of America. More than one aggressive nation has tried to hold me down, only to feel the fury of this freedom loving country.

And you, I remember you. Standing here straight as a soldier. You didn't have a hat on, but you gave the correct salute. They taught you in school to place your hand over your heart. Remember your little sister? Not to be outside she was saluting the same as you. I was proud, very proud, as I came down the street.

It is only logical to believe that patriotism, and especially politics, will dominate the celebration of the 200th birthday of our great nation. We should be concerned about the political zeal of our elected officials overshadowing the intent of those who laboriously formulated our Constitution, and who realized that only by the grace of God could this nation become free and prosperous.

Through each of us has erred in different degrees, and this fact applies to every nation reaching maturity, we must never lose sight of the fact that our nation is founded on religious principles, without which it would have long since become effete.

We are still feeling the residue of the success of one avowed atheist's influence on the Supreme Court, against the will of the majority of the people. It is still the government by the people, or does our freedom permit one person to substitute us from the religious principles on which this nation was founded? It is high time we get our priorities in order, and not to exclude God from the important decisions which affect all the people.

It behooves us all to realize that God is greater than any nuclear weapon; a nation can devise, and never make the mistake of thinking like the atheists that all our technological advancements were accomplished by the will and ability of man. We must never forget that it was God who inspired these great achievements because He shows favor to a nation which claims dependence on Him rather than on the abilities of man for survival.

We celebrate the birth of Christ and proclaimed it a national holiday, so we must also acknowledge the birth of our nation was by the grace of God, as a celebration of God, in our bicentennial. Let us be thankful to God for the nation we have, and let us remain a nation under God.

"Do you think he is dead?" she asked. "No," I answered. "I think he moved in Manistique to run the TV newsroom where Mary Tyler Moore works. I hate you when you bark," she said. "Somebody might be deceived as my secretary," she said. "You probably think I should say 'mark back' but that's not the word. Did you ever bark forward?"

When I grew up in the same town as Swainson, in fact, one of my few claims to fame is I once beat him, in a tennis tournament, and that was before he just came to Manistique as a home front.

I still remember well the evening I learned about Swainson's terrible wounds. I was a year younger and none of my friends had been overseas. John Swainson had been a high school football star and was the best known young man in town. Many people cried at the loss of this young man. I had heard that he was in the hospital and that he was not expected to live.

It was only a year or so later that John Swainson was back home. Jitter-bugging on artificial legs - it was a grand thing to watch him dance the waltz. He was a real man and the action to prove it, ultimately winning the highest office in the state. We were all so proud of him.

But today John Swainson stands convicted of perjury. A petty crime, accused him of accepting a bribe that Swainson was cleared of this charge. He was cleared of bribery, a grand jury. The system of justice which he supported all his career declared Swainson guilty. His penalty is a joke, worthy of a Waivergate. Swainson has been sentenced to sort of a Holiday Inn, free to live during the day and to go home weekends. And it will be a long time before he serves even that marshmallow, if ever, thanks to the appeal process.

I don't like 2 brands of justice, one for the big shot and another for Joe Shit, even when the big shot is my life long hero. I wish I could mark Swainson back to those days when he made us all so proud. Justice by the law and not by like TV, where a man can bark, and laugh, instead of cry.

Weekly Special
Candidates with stars in their eyes
by Jack Anderson With Joe Spear

WASHINGTON - The presidential candidates have been scrambling to find ways to brighten up their hand-washes. But so far, most Hollywood celebrities are turning their backs on politics.

Not even Frank Sinatra, the pal of politicians, is likely to hit the campaign trail this year. Privately, he favors his old friend Ronald Reagan, Sinatra's second choice. If Reagan should falter, would be Hubert Humphrey. But at this point, old blue eyes isn't anxious to campaign for anyone.

Reagan is expected to coax a few Hollywood stalwarts such as John Wayne and James Stewart into his hand-wash. And singer Helen Reddy is trying to line up entertainers to support Humphrey.

Sargent Shriver, with his Kennedy glow, has also managed to attract a few stars - among them Lauren Bacall, Carol Channing, Paul Newman and Joanne Woodward. Fred Harris is claiming the support of Carroll O'Connor and Dennis Weaver. And Henry Jackson has lured Boonza's Home Green.

But most of the stars are ducking the 1976 campaign. The reason, according to our Hollywood sources, is that Richard Nixon has left a bad memory. In 1972, Nixon arranged a timely, multimillion-dollar tax break for the movie industry. A Nixon aide immediately began to recruit stars, reminding the moviegoing brass what Nixon had done for them.

An extraordinary effort was made, for example, to bring Sammy Davis Jr. into the Nixon camp. Davis was promised an appointment to a presidential commission and was flying in style to Nixon rallies. Nixon forgot the famous picture of Sammy Davis Jr. hugging Nixon on stage? Well, Davis would like to forget it. And a lot of other stars who supported the disgraced Nixon would like to forget they did. So this time around, they'd rather watch their reruns, appear on the Hollywood Squares and keep their political opinions to themselves.

Reluctant Regulators: After a thorough study of the available evidence, we nominate the Federal Reserve Commission as the worst government agency in Washington. They wield tremendous power. The Interstate Commerce Commission, for instance, can authorize billion-dollar mergers between great railroads. And in his Watergate decision which the airlines will get the chance to raise. The Federal Power Commission fixes the rates that millions of consumers pay for electricity and natural gas.

These agencies were created to protect the public, but many of them have reversed their roles. They have been besieged by the lawyers and lobbyists of the corporations that are supposed to be regulated. As a result, these agencies often serve rather than regulate the public interest.

The worst of the regulatory agencies, in our opinion, is the Federal Maritime Commission. This agency is supposed to regulate commerce on the high seas. But its reluctant regulators devote their time largely to gathering and categorizing information, and merely adds to the general confusion.

The Federal Maritime Commission does such a poor job that it hides its incompetence in secrecy. For example, the Maritime Commission classified one government report that the Interstate Commerce Commission freely opened to the public.

The second worst agency, in our opinion, is the Federal Power Commission. The FCC is not a regulatory agency, rather than the regulator, of the big gas companies. On January 28, for example, the FCC published a notice in the Federal Register announcing that all projects had to be by January 29, the very next day.

The FCC, of course, is supposed to protect the public. Yet the consumers were given only one day to challenge this latest benefit for the gas company. The FCC proclaimed that all projects had to be by January 29, the very next day.

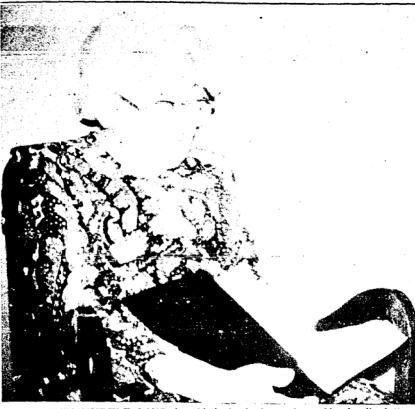

Judicial Giant: Two years ago, Time magazine selected Judge John Sirica as man of the year. He had been an obscure federal judge, son of an Italian immigrant. Yet his judge, of humble origins, stood up to the President of the United States. Judge Sirica broke the Watergate case. He used his courtroom to find the truth and set that justice was done.

Today, he lies in a hospital bed, the victim of a severe heart attack. He has already started to fade from public memory. But his enemies' apparently haven't forgotten him. He has received death threats. Two armed marshals have been guarding his hospital door. Inside, he has been under intensive care. And in his isolation, he has been retaining the Watergate case. He has asked members of the hospital staff what they think of his Watergate decisions. The questions have been almost plaintive, as if he is seeking reassurance.

MRS. JOHN (MYRTLE) LANG sits with the book of genealogy of her family dating back to 1654.

Mrs. Myrtle Lang studies her family history

GARDEN—Mrs. John (Myrtle) Lang who will soon be 96 years old, has spent many hours reading the book containing the genealogy of her family dating back to 1654. Her family were both American pioneers as well as pioneers of the Garden Peninsula.

There are eleven generations listed in the book. Charles Chasse was one of the first settlers. It includes the first land contract from where they settled in Connecticut. The first immigrant was Thomas Chasse who came from England, but it was William Chasse who put the book together.

The family moved from Connecticut and Massachusetts towards the Garden Peninsula from island to island. Her father who lived in Chicago at the time of the big Chicago fire, farmed and fished for a living. He moved to Washington Island, Rock Island, St. Martins Island and Big Summers Island.

Mrs. Lang's father died when she was six years old and she was raised by her grandparents Margaret and Henry B. Hozen, in Sic Bay where she was born. Her grandfather was a copper maker and fisherman who made barrels for salt fish. She married John Lang an immigrant from Denmark on January 1, 1901 at Vasa Harbor. The Congregational minister, Rev. Charles Severs officiated. They had four children, two girls and two boys. Mr. Lang died in 1961.

Mrs. Lang, now a chippy 95, is still a very active person and is involved in many community projects. She makes quilts each year for the Annual Lords Acre Sale, crochets and makes numerous other handicraft items. She lives by herself in the summer months in her home at Fayette, and spends the winter months in her daughter's home in Fayette. In this Bicentennial year she is a true example of our hardy pioneer history.

Books donated to St. Francis

Several books were recently donated to the St. Francis de Sales School Library. "The Cell" by John Pfeiffer and "Health and Disease" by Rene Dubos and Maya Pines were donated in memory of Sister Gladys Bauer, from St. Annes Almar Society.

"Prehistoric Animals" by Vernon Mills was given in memory of John Wood by the Earl LeBrasseur family. Three books on the forces of nature "Glaciers," "Weather Phenomena" and "Erosion," were added to the Science section of the library in memory of Josephine Bosanic from Mrs. Barb Mickelson.

Two books also on the forces of nature "Volcanoes" and "The Balance of Nature" were given in memory of Mrs. A.J. Caya by Mary Stephens.

Two books were added to the sports

section of the library are "Basketball's Big Men" and "Football's Clever Quarterbacks" written by Richard Raimbold. These are biographies of outstanding athletes, given in memory of Conrad Hellsten by the George Frankovich family. "The American Indian" and "The Czechs and Slovaks in America" was given in memory of Josephine Bosanic by the Richard Keticic Family.

Deans list for N.M.U.

Glenn Caron, Manistique, and Elizabeth MacGregor, Gulliver, were named recently to the Northern Michigan University dean's list for the fall semester.

To qualify for the dean's list, Caron and Ms. MacGregor had to carry a minimum of 12 semester hours of credit and earn a grade point average of at least 3.25 out of a possible 4 points.

Mrs. MacGregor was one of only 272 students who achieved a perfect 4.0 grade in her studies.

How deep is the snow? How rough is the terrain that lies beneath it? You can never be sure until there are footprints to follow. It is easier to make one's way through the snow where someone has trudged before.

At the heart of the Christian religion is the belief that God gave his own Son, to be our Savior... and also to be our example. The study of his life is, therefore, an important part of Christian education. Though we cannot aspire to be like Him—we can learn to meet life's challenges and crises with the same resolute courage and commitment.

Why plunge aimlessly on? Someone has shown the way!

GERMINATION OF WEED SEEDS:
Have you ever wondered why weed seeds don't all germinate in the soil at one time? Many weed seeds have the capacity to remain dormant for long periods of time. This survival method enables seeds to germinate at different times which insures the continuance of the species.

Beal in his classical experiment on viability of buried seed, found that after more than fifty years some species of seed were still able to grow.

There are many factors which trigger seed germination. It is well known that water must be imbibed to begin the process of seed growth. Since seeds are being covered is also needed for proper growth. This prohibits adequate germination in water logged conditions. Light is necessary for many seed species. The light response may depend upon certain wave lengths, duration of exposure and intensity.

Temperature is definitely important during germination. Each species has a temperature below which germination will not occur. Temperature regulates emergence of summer and winter annuals. They require certain conditions found during those times of year.

Weed seeds are often covered with a hard seed coat which must be scored or scarified to allow for the entrance of light, water and oxygen. Seed coats are one important method through which seeds are able to withstand adverse conditions, such as hot desert summers, arctic

winters and our own Michigan winters. U.S. (ANALYST) D. P. GIBBS, M.P.S., QUINCY, ILL. HAS BEEN IN JANUARY 1976.

The decision to drop the quotas means that imports of Canadian beef won't be held any longer at 17 million pounds a year and that they probably will return to prequotas levels of 20 million to 25 million pounds a year. Imports of U.S. beef by Canada, currently restricted to about 12 million pounds a year, will be free to rise to earlier levels of 7.5 million, says Canada.

Imports of about 14 million pounds of U.S. beef in 1977.

PRODUCTION OF BEEF CALF COSTS
PHOTO BY BOB HOSHER

Like everything else, costs for producing a beef calf have jumped rather drastically recently. We probably cannot agree on how much, however, recent study in 1974 showed that their costs are now \$18.00 over \$10.00 per calf. That is the bad news. The good news is that feeder cattle prices for this coming October to December should be steady to \$5.00 higher than a year ago. Here's the facts.

NEW FREFOIL TOLERANT TO HERBICIDE 2-4-D

A new strain of Birdfoot Trefoil known as T-45 has been developed by the Agricultural Research Service and the New York Agricultural Experiment Station. This new strain is 3 to 5 times more tolerant to 2-4-D than Viking. It is being used by plant breeders now to develop new varieties of herbicide-resistant trefoils.

Nutrition program has lower cost for 1976

The average cost per meal for the Senior Citizens Nutrition Program was lower for January than the combined average cost for 1975.

According to Donna Franklin, director of the Manistique-Delta-Schoolcraft Community Action Agency's Nutrition Program, the cost for January, 1976, was 72 cents per meal as compared with 88 cents per meal for 1975.

Mrs. Franklin explained that the cost per meal was based upon the price of the raw food used in preparation of the meals served to senior citizens in the three

county area. She added that consumable supplies and labor were not included in the cost per meal computation.

The cost per meal computation based on raw food costs were done on a monthly basis to give the nutrition staff firmer control of budget funds for that program, Mrs. Franklin stated.

Mrs. Franklin also attributed some of the lower cost per meal for January to the holiday participation by area senior citizens.

The nutrition program is funded under Title VII of the Older Americans Act.

OFFICIAL PROCEEDINGS

Manistique City Council

A regular meeting of the Manistique City Council was held on February 9, 1976 at 7:30 P.M. at City Hall. There were present: Councilmen Reque, Barber, Cayia, Rose, MacPhail, City Manager Cattell and City Attorney Brooks. Absent: None.

The minutes of the regular meeting of January 26, 1976 were approved as read. Mr. George Meron and Mr. LeRoy Fox were present and advised the Council that the misunderstanding regarding property owned by the paper mill has now been resolved. Mr. Fox also asked whether or not the City would be interested in entering a float in the July 3rd parade. The Council agreed to take this request under advisement.

With regard to a community center building, the City Manager advised the Council that we must come up with a just and need for such a project. He suggested that everyone give this project considerable thought in the next two to four weeks.

The Council briefly discussed an ordinance covering building codes. Councilman MacPhail introduced Ordinance No. 189 of 1976 entitled:

AN ORDINANCE TO DESIGNATE AN ENFORCING AGENCY TO DISCHARGE THE RESPONSIBILITIES OF THE CITY UNDER THE PROVISIONS OF THE STATE CONSTRUCTION CODE ACT.

The City of Manistique Ordains: Section 1. Agency Designated. Pursuant to the provisions of Section 9 of Act 230 of the Public Acts of 1972 (Michigan Compiled Laws, Section 126.1509), the building official of the City of Manistique is hereby designated as the enforcing agency to discharge the responsibilities of the City under Act 230 of the Public Acts of 1972, State of Michigan. The City of Manistique hereby assumes responsibility for the administration and enforcement of said Act throughout its corporate limits.

Section 2. All ordinances inconsistent with the provisions of this ordinance are hereby repealed.

Section 3. This ordinance shall be effective after legal publication and in accordance with the charter of the City of Manistique.

It was also suggested that a meeting be held by the City Council and County Commissioners to discuss adoption of this ordinance.

The Council recessed at 8:20 and reconvened at 8:30 P.M.

Moved by Councilman Cayia, supported by Councilman Barber.

RESOLVED, That Charles Youngblood be appointed as Community Development Block Grant Administrator.

Yes: Councilmen Cayia, Barber, Reque. No: Councilmen Rose, MacPhail.

Councilman Rose then requested that his following statement be entered into the record.

"Whereas Mr. Youngblood has been appointed to serve as the Director of the Community Development Grant, I would like to go on record as being opposed to this appointment for two reasons.

No. 1. Although Mr. Youngbloods conviction was over turned and upheld by the appeals court, I believe there is still a shadow of doubt of his innocence as given in the opinion by the appeals court in their ruling, and because of that shadow, I don't believe that Mr. Youngblood can serve in this position effectively.

No. 2. We have on record applications from other people that are interested in serving in this position. One of these is Mr. Ernie Pelon, a retired Senior Petty Officer

Street has been contacted. Although he believes he is within his rights, the logs will not be stored so close next year.

7. John Erickson of the Michigan State Health Department has been contacted about the well at the old water tower. Although he feels there is no problem with this, he will be happy to come over and discuss this matter with the Council.

Attorney Brooks presented the Council with a proposed Ordinance governing bidding procedures. The Council requested that he research the matter of also enclosing personal services in the Ordinance, with a report to be given at the next regular council meeting.

Attorney Brooks also read the following letter regarding liability insurance:

Mr. Rush Cattell
300 N. Maple Ave.
Manistique, Michigan

Dear Mr. Cattell:

At the last Council Meeting I was asked to outline for you the Tort Liability of the City of Manistique. Said Liability is as follows:

A. As a political subdivision of the State of Michigan the City of Manistique has immunity from all Tort Liability for negligence with the following exceptions.

A. Injuries due to defects in highways B. Injuries due to negligent operation of City owned vehicles

C. Injuries due to a dangerous condition in a City owned building.

This immunity applies to governmental functions only. This immunity is uniform for all types of political subdivisions including cities, schools, prisons etc. In the context of an ice rink, I am not of the opinion that the City is risking any exposure to Tort Liability due to its negligent operation of the City were to charge a fee or if a building were used in conjunction with said rink, there is the possibility of exposure under exception "C" above or because the City might be accused of engaging in a proprietary function as opposed to a governmental function.

I hope this is of some assistance.

Very truly yours,
-Michael J. Brooks"

The Council requested that a copy of the above letter be sent to the Manistique Area Schools and the Recreation Department Director by the City Attorney.

As recommended by Father Frank M. Lenz, Mayor Reque made the following appointments to the Manistique Youth Commission:

Fr. Frank M. Lenz, 330 Oak Street, Manistique, Michigan
Stan Arnold, 625 Park Avenue, Manistique, Michigan
Jane Henson, Route 1, Manistique, Michigan
Betty LaPointe, 728 Range Street, Manistique, Michigan
Bill Carlson, 207 Terrace, Manistique, Michigan
Tony Schomin, 801 West Elk Street, Manistique, Michigan
Gerry Graphos, Cooks, Michigan

The above appointments are hereby confirmed.

Mayor Reque appointed John LaPointe, 728 Range Street, Manistique, Michigan to the Recreation Board to fill the vacancy caused by the resignation of James Malloch.

The above appointment is hereby confirmed.

Moved by Councilman Rose, supported by Councilman MacPhail, that meeting adjourn.

Thor H. Reque, Mayor
Patricia Erickson, City Clerk

SCOUTING'S 66th ANNIVERSARY

CELEBRATED IN THE SPIRIT OF '76 ON THE OCCASION OF AMERICA'S 200th ANNIVERSARY

Let's All Make It A Two-Fold Celebration!

America marks 200 years... Boy Scouting its 66th. Let's give a cheer for the U.S.A. and the young men who stand for our high American ideals.

Scouts: They Use Our Past Accomplishments As Their Code of Living... Learning!

Doing Their Part To Keep America Clean!

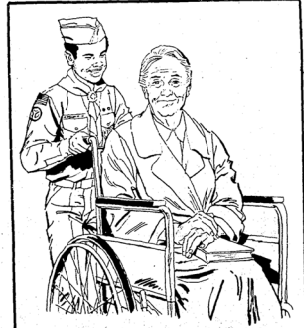

Boy Scouts care about our country. And prove it! By carrying out very effective anti-pollution programs. Support their efforts in every way.

Friendship Plays A Big Role In Scouting!

Working, sharing, experiencing together. That's how Boy Scouts are taught to be productive achievers, compassionate friends and good citizens. We're behind them 100 percent.

They'll be making history tomorrow. Because Boy Scouts are taught to believe in themselves... and their country. They're taught ideas and ideals that have guided our greatest Americans all through history. We look to them as future leaders and applaud scouting for its wonderful achievements.

He's Always There To Lend A Helping Hand!

Because he's a Boy Scout. He's learned that there are great personal rewards in helping others. He's just one of the boys that we consider a credit to this community. Thanks, scouts.

Bay de Noc School board discusses fiscal problems

BIWVE BINKY COUSINEAU will be 18 but will be celebrating his fourth birthday Sunday February 29. He is the nephew of Mr. and Mrs. Harry Hastings of Thompson with whom he makes his home. Binky is a tenth grade student at Manistique High School, a member of the Zion Lutheran Church and a life scout member of the order of the arrow, and a senior patrol leader of troop 102, Manistique.

At a recent meeting of the Big Bay de Noc School District a copy of a letter addressed to the Delta Schoolcraft Intermediate School District from the Gladstone Board of Education was placed at the end of the agenda for discussion. A letter from Cynthia Ranguette was read and tabled pending further developments. The Board tabled the bus radio communication until a more definite financial picture is developed.

Superintendent Frank Stupak reported on the Title I aide salary schedule, the Forest Gleda bus run and the cooks' salaries which questions were raised at the January meeting.

The Board appointed trustee William Hurdquik as the Board representative to attend the General Fund Budget hearing at Kipling ISD offices.

The superintendent reported on a meeting held in Rapid River during which a number of concerns were discussed which the Gladstone School District felt were common to all districts. The superintendent indicated that the services received from the ISD were satisfactory. There still are some areas for improvement and the administration is reviewing these areas with the ISD personnel assigned to the Big Bay de Noc School.

The Board moved unanimously that the bus route from Fayette be changed to accommodate a kindergarten student living on road fronting the Port Bar.

Superintendent Frank Stupak reported on a conference held in Lansing February 7, dealing with school finances. He indicated that as of today, the state finances are critical and consequently the 1976-77 state aid may create a major problem of financing for most schools.

In the Big Bay de Noc district, the fiscal problems definitely compound the school district problems. The state legislators proposed several solutions all of which can be reduced to the inevitable increase in taxes. Representative Crim indicated that school districts might have to raise taxes by three mills to offset state shortage. The school board and administration are concerned and feel that the answers to our problem lie in a well informed citizenry.

With this in mind the Board has authorized the superintendent to invite

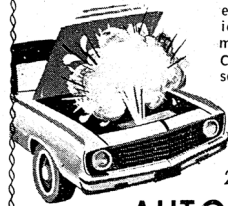

people to volunteer and serve on an Ad Hoc Finance Committee. This committee would review all the sources of revenue, proposed state equalizations, state aid, expenditures in relation to the school curriculum and operation and would submit recommendations to the Board for their consideration prior to the May meeting. A strong well-informed committee could reduce the misinformation, prejudice and concerns which plague any district at millage elections. Anyone willing to serve on this committee please contact Barry Rochester or the superintendent at school, Phone 644-2819.

The Board received and approved a thirty day extension of their note with the State Bank in Escanaba. Tax collections are slower this year, necessitating the extension.

Tom Laus addressed the Board, seeking Board support for a resolution asking our legislatures to vote against House Bill H-200 known as the Child and Family Service Act of 1975, which he believes is an unwarranted interference in parental authority and family life. The Board requested more information before acting.

The Board reviewed the outstanding bills totaling \$3,686.01 and moved that all bills, with the exception of two, be paid. The two bills which were denied are to be

reviewed. The Board also approved payments of \$11,175.51 for textbooks. Slight not what's near through aiming what's far. Fairpides.

Medical Care

by Sally Schuetter

Hi everyone. February is quite a month for birthdays it seems, and we have quite a few of them right here. Hulda Blomquist, George Cornell, Charles Hynes, Ernest Popour, Mary Plante and Bert Paige were the honored guests at a birthday party sponsored by members of the V.F.W. last Tuesday in our diversional therapy room. Cake and coffee was served and Tillie Tennant played the piano.

I think we need to have a few minutes of singing every day here. During the day everybody talks and usually I can't get a word in edgewise, however, as soon as someone sits at the piano and mentions singing, everyone clam up and you could hear a pin drop. Why is that? I'm sure we have some lovely voices among us.

Friday's bingo treat was supplied by Vida Lurd, and bingo prizes were donated by Kathleen Reid, Janet Cole, Shirley Huston and Nancy Casey.

Everyone is busy now working on Easter projects. Easter is not very far off, and we do have a nice line of Easter table decorations to work on. We are also going to collect eggs that have been blown out, so we can decorate a tree with them. That should help make our day room cheery.

Birthday greetings the first week of March go to Cassie Sypher. Many more Cassie!

Have a nice week.
