Council candidates announced for April 5 election

Four new candidates have been announced for the city council election April 5. Mary Moffat, Harold Beckes, Frank Hewitt and Robert Gierke will campaign on slips for the three seats being vacated this spring.

They join Elton Sample, Robert White and Peter Mathson who have already entered the race by filing petitions. "I think I can bring some common sense to the day to day decisions of the council," says Mary Moffat, the only woman candidate. Moffat, of 600 Cherry Street, came to Manistique in 1940. She has been a

member of the charter commission, the Upper Peninsula Child Guidance Board, and the Schoolcraft County Mental Health Board. She is an instructor in the Head Start Program in Manistique.

Frank Hewitt, of 312 Arbutus, is running for office for the first time. "I want to give the voters some choices on the ballot," said Hewitt, referring to the fact that until this week, only three candidates had been announced for the three vacant seats. "I am willing to spend the time necessary for the job," he said, "and I think I can do a good job for the city." Hewitt came to Manistique six years ago from Bay City, and is the owner of the F. H. Hewitt Funeral Home.

Harold Chick Beckes is a licensed real estate salesman for the State Wide Real Estate Company of Manistique. He has been a resident of the city for the last 24 years. "I am interested in good responsible government, and want to help with the continued progress here," he said. A native of Manistique, Robert Gierke has always been interested in city government. "I want to be able to do something for the city," he said when asked why he is running.

Gierke is an employee of the Postal Service. The election commission, which sets up the elections themselves, had planned to use voting machines. City Clerk Patricia Erickson has been petitioned by candidate Beckes, however, to use paper ballots instead of the machines. The paper ballots would enable the write in candidates to pass out adhesive backed slips to the voters on election day.

The Election Commission will hold a special meeting at 5 p.m. Monday, March 15 to consider whether machines or paper ballots will be used.

"EDUCATION FOR ALL OF LIFE" WAS THE THEME of this year's Women's World Day of Prayer held at St. Francis de Sales Catholic Church. Special speaker was Mrs. Scott Carey (fourth from left), counselor at Manistique High School. Pictured with her are (from left) Mrs. John Gauthier, Mrs. Albert Fleck, Mrs. James L. Fryer, Mrs. James Fyvie, Mrs. Henry Novak, assistants to the chairman, and chairwoman Mrs. George Wood. Refreshments were served at the Parish Center. (LeBrasseur Photo)

Emeralds to compete in district tournament

The Manistique Emeralds varsity basketball team will travel to Marquette Friday to compete in the Upper Peninsula Class C regional championships at the Northern Michigan University Fieldhouse. Vying for the title last year, the Emeralds lost to Negaunee in the final round of play. In spite of that, coach Seth Rubick says that team morale is high coming into Friday night's game against Ontonagon.

"We have a lot of confidence going in," Rubick said. "We have an advantage with an excellent offense."

The Emeralds completed the 1975-76

season with fourteen wins and five losses. A Friday night win would take them to Saturdays play-offs against either Negaunee or Norway.

Starting for Manistique will be Rick Jenerou at center, Jay Kekic and John Nelson playing forward and Eric Reque and Rick Berger as guards. John Pistulka and Lance Neddow will be the primary substitutes during tournament battle.

The Ontonagon Area High School Gladiators will arrive in Marquette with a 17 win-five loss record for the season, tied for second place in the Copper Country Conference, Division Two.

First string players for the Gladiators are Don Latvis, center, Jim Latvis and Scott Weisner, forwards, and Peter Plutchak and Mike Pollard at guard. Peter Tucker and Kevin Ross will compose the reserve force.

The Gladiators have a good record of defense and are quick at the boards. Two fan buses will travel from Manistique to the 8:30 p.m. game at NMI.

"We think we'll see a lot of local people driving up to the tournament," Rubick said, "and we sure appreciate the support."

Scheduling changes discussed at Tuesday meeting of board

High School Principal Marvin Frederickson suggested to the board and to the parents in attendance was maintaining a closed campus for seventh and eighth grade students. At present, he said, the faculty and the entire student body break for lunch at the same time. For those students who choose to remain in the building, only two men are left there to supervise.

Frederickson suggested to the board and to the parents in attendance that the Junior high and senior high lunch hours be staggered and that the seventh and eighth grade students be compelled to remain in the building. Under his plan, a detention room would also be maintained for students in grades 8-12 who misbehave during their free noon-hour period.

"This plan would not only keep the junior high school students from mixing with the high school students and contain them in the building," he said, "but penalize only the minority of high school

students who are not good kids. It has a chance of succeeding from the supervisory point of view."

Parents who want their youngsters to go home for lunch, he added, would have to make the request in person at his office. To add to the strict control of students at the new building, hall passes will be issued when a student travels from one room to another during a class period, students will be required to carry a wooden paddle while walking to and from the lavatory and hall monitors will be stationed at various points throughout the facility.

"These steps won't solve every problem," Frederickson said, "but we'll keep working on it."

Curriculum improvements include expanding the vocational education program and including several new courses such as child care and development, interior design and swimming and offering vocal music and art to junior high students for the first time.

Superintendent Richard Bonifas urged the board to make a decision on curriculum and scheduling changes as soon as possible, saying that it "can't wait until May." Action was postponed until the March 23 meeting.

Talk of procedure also included space assignments and a tentative moving schedule. Bonifas said that he expects the move to begin in May.

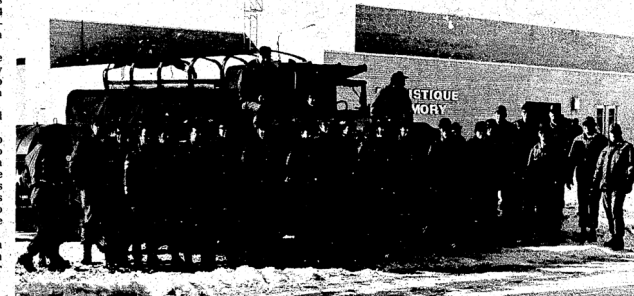

Authorization was given a special committee to evaluate and act on bids for two new buses Friday. After making several calls, Bonifas said all bids are expected to be in by Tuesday.

In asking that the board delegate such authority to a committee of members he said, "We can't wait until the meeting of the twenty-third to approve the bids and place an order" to have them in time for the start of the 1976-77 school year.

In other business, the board:

• approved payment of building and site bids totaling \$127,300.27; and

• awarded a contract for asphalt paving to the low bidder, Lake Construction Company, Incorporated of Indian River. It was also noted at Tuesday night's meeting that schools are expected to close one hour and fifteen minutes early Friday in order that fan buses will be available to travel to Marquette for the District Tournament basketball game, 8:30 p.m. in the Northern Michigan University Fieldhouse. Manistique will play Ontonagon.

MANISTIQUE'S NATIONAL GUARD UNIT is no longer an engineering company following the transfer of trucks and equipment to the Kingsford National Guard Unit last Saturday.

Manistique's unit is now the Floral Bridge Detachment of 1437 Floral Bridge Company of South St. Marie. The company is part of the 297th Engineering Battalion of Bay City. (Tribune Photo)

Council states need for police officer

Manistique needs another policeman, according to Public Safety Director Joe McDonough. In a letter to the city council, McDonough listed several reasons for requesting an extra member for the Public Safety Department.

With an extra man, the department could reduce the amount of overtime paid to the regular force and provide two-man patrols at all times.

McDonough also cited the value of two-man patrols when testifying in court, noting that with two police officers testifying about an arrest, their evidence carries more weight than a single officer's.

The letter went on to state that in case of emergencies, the extra man could be used

for ambulance duty. The council read the letter into the record but took no action.

A delegation of police asked the council to recognize the Fraternal Order of Police (FOP) as their exclusive bargaining agent in upcoming contract talks. The police have decided to disaffiliate from the AFL-CIO unit which now represents them, and join the FOP.

regulating the purchase of personal property by the city. The ordinance provides that the city must let out public competitive bids if it plans to buy anything costing over \$1,000. The council will have

final say over any bids received, and may accept or reject any or all bids. In other business the council approved the transfer of a liquor license from Jane Kay Heminger to James Jackson.

Don Belleville explained to the council that the contract talks will be starting this month, and the new union will need access to information for the bargaining sessions. The new union must be recognized by the city before they proceed. The council postponed action until a special meeting Wednesday so that the city attorney could study the matter. The council adopted ordinance 170 of 1976

Girl Scouts celebrate 52 years in Manistique

Fifty-two years of Girl Scouting in Manistique will be celebrated Saturday, March 13, when the annual Girl Scout Rally begins at 2 p.m. in the St. Francis Parish Center.

A nationally Girl Scouting is 64 years old. It was 52 years ago that the first troops were organized in Manistique.

Local troops and three troops from Engadine will take part in the Rally and present entertainment for parents, friends and each other. A "spiny march" will be held and each girl and leader will contribute a penny for each year of her life to the Juliette Low World Friendship Fund.

Currently there are 170 girls enrolled in 11 troops in Manistique. Leaders include Mrs. Bruce Rossier, Brownie Troop 24; Mrs. William Carlsson, Mrs. Walter Welch, Brownie Troop 49; Mrs. Philip Ott, Mrs. Dan Anderson, Brownie Troop 75; Mrs. Frank Peters, Brownie Troop 84; Mrs.

Jo Ann Russell, Mrs. Arvid Larson, Junior Troop 244; Mrs. Denton Nelson, Mrs. William Berger, Junior Troop 82; Mrs. Charles Bonifas, Mrs. Wilbur LaBar, Junior Troop 46; Mrs. James Brulla, Mrs. Allen DeMers, Junior Troop 68; Mrs. Charles Thelman, Miss Diane Nelson, Junior Troop 80; Mrs. Carl Williamson, Mrs. Raymond Ireland, Cadette Troop 88; and Mrs. Williamson, Senior Troop 81.

Leaders of the Engadine troops are Mrs. Robert C. Nelson, Mrs. Ruth Johnson, Brownie Troop 277; Miss Nancy Platt, Mrs. Charles Haapala, Junior Troop 278; and Mrs. Cheryl Wurster, Cadette Troop 179.

Manistique and Engadine area Scouts are guided by a service team with Mrs. Bruce Stenfeldt, chairman, assisted by Mrs. Williamson, Mrs. Brulla, and Mrs. W. J. Wallace. Mrs. Stenfeldt and Mrs. Williamson also serve on the Peninsula Waters Council board of directors.

The Cook's in the Kitchen

by Doris Holmstrom

Take it from Claire Bursell, this recipe is Italian.

There are several different ways of making spaghetti sauce," she said. "Traditionally, it's made with meatballs, but our family's favorite is made with spareribs. The pork gives it a sweeter, more wholesome taste."

A woman of Italian and Polish descent, Mrs. Bursell's recipe is one which was handed down to her from her father and her uncle, both of them. Just as her pizza her spaghetti sauce is made from scratch.

SPAGHETTI SAUCE
 4 lbs. or more spareribs
 medium onion
 2 large cans tomato paste
 garlic powder
 oregano
 sweet basil
 (omit red pepper)

Brown 4 pounds or more spareribs with one medium chopped onion.
 In a "great, big pot" mix together 2 large cans tomato paste and 4 or more cans water. Add garlic powder, oregano, sweet basil, fennel seed, salt and pepper to taste and stir.

Her children insist that she make it at least once a week. They like it so much, in fact, that her son had it served at his wedding and, at one beach party last year, it was the main dish.
 "It doesn't last long enough in freeze."

Therecipe, she said, serves 6 to 8 people.

Mrs. Scott Creighton and Mrs. Ronald Fiegel have recently returned from a ten day visit in Milwaukee with their daughters and families. Mrs. Creighton visited with Mr. and Mrs. Ted (John) Nertz and family of North Branch and Mrs. Fiegel visited with Mr. and Mrs. (Joyce) Shackle and family of Chicago.

On Saturday, March 6, Eric Caron celebrated his third birthday with his parents Mr. and Mrs. Bill Caron and his brothers, Paul, Sam and Billy and his friend, Billy Joe Chandanais. A special circus birthday cake was presented to Eric. Games were played and prizes awarded to the happy little boy.

The Indian Lake home of Mr. and Mrs. John Schmitt was the site of a pleasant surprise over the weekend. John Schmitt's birthday was the grand occasion. The children, grandchildren and great grandchildren gathered at Arrowwood Inn on Friday evening for a fish fry to honor John Schmitt. On Saturday a delicious buffet was served in the family home. A special birthday cake was presented to Schmitt by Ann Deloria. The sons and daughters attending the gala event included Mr. and Mrs. John Schmitt, Jr., Carl, Robert, Mr. and Mrs. Bernard Schmitt of Lubell, Melvin Schmitt of Trartrack Mills, Mr. and Mrs. Charles Fish of Escanaba, Mr. and Mrs. George Fish and Mr. and Mrs. Earl Tunell of Manistique. The grandchildren attending were Mr. and Mrs. Bernard Schmitt and Mr. and Mrs. Debra Kus of Lake Linden, Mr. Woldemar Laurium, Mr. and Mrs. Steve Tunell of Escanaba, Mrs. Schmitt of Hubbell, Dan, David and Jeff Tunell and Karen, Ardi, and Kim Ward of Manistique. The two great grandchildren were Cory and Wendy.

Mr. and Mrs. Don Tennant Jr. and daughter, Christa, of St. Clair are visitors of their parents, Mrs. Edith "Red" LaVie and Mr. and Mrs. Donald Tennant Sr.

Mr. and Mrs. Bob Sellman recently returned from a three week trip to Hawaii and Santa Cruz, California where they visited their daughter and son-in-law Mr. and Mrs. Greg Hendon and children, Jennifer and Greghart. They spent two days in Detroit on the way home visiting Mrs. Sellman's sister, Mrs. Adriette Breitenbeck.

Mr. and Mrs. (S. Community) recently returned from a seven thousand mile trip. They visited the Desert in Arizona, the Grand Canyon, the Ana, Memphis, Tenn., and Los Angeles, where they visited Disneyland, Las Vegas, Nevada and San Antonio, where they visited the Alamo. The Bakers spent several days on the ocean and it seems as if they really enjoyed their vacation.

Mrs. Lois Elmerman and Mrs. Claire Sangrav returned on February 29 from a month long vacation to the Florida area. The ladies left in early February, motoring to Chicago with the Ted Heintschel's. From there they flew to Fort Meyers, and visited with Mrs. Sangrav's sister and brother-in-law, Mr. and Mrs. Carroll McClish in Naples. The ladies toured Disneyland in Orlando, the Busch Gardens and Cypress Gardens while in the Naples and Fort Meyers area. They were the guests of several Manistique people: The Clarence MacNab's, the Jim Ballas, the Ossie Smit, the Jack Williams, the Fred Burleys, the Bill Orsons, and Helen and Ron Strable who had invited them to Lakeland to visit for a day. Mrs. Elmerman and Mrs. Sangrav spent the last weekend in Fort Lauderdale and attended the horse races at Hialeah. They spent the remaining time touring the Miami Beach area. They then flew back to

Chicago where they were met by their husbands and drove to Highwood, Illinois where they visited friends and returned home on Sunday.

The TOPS Club met Wednesday evening at the Saint Albans Church with 25 ladies weighing in. Leona Rivard and Dorothy Jerecort tied for the honor of Best Loser of the week. Dorothy must not be counting the calories as she also won the title of the Best Loser for the month of February. Patsy Calhoun, Charlotte Bosanic and JoAnne DuFour were selected to be members of the nominating committee for election of officers to be held on March 17.

As I bring the "What's Going On" column to a close for this week let me not only thank all those who called or wrote to me with their news but also remind everyone to please call me at 341-6856 or drop it in the mail to me at 228 North Third Street. In fact, stop me wherever I happen to be and share your news. Please be sure to contact me by Tuesday noon for the Thursday edition.

Have a nice day, Everybody!

Hollister, Smith to be wed

Mr. and Mrs. Carlton Hollister of Manistique are pleased to announce the engagement of their daughter Tammy Joy to Brett C. Smith, son of Mrs. Rhoda Smith of Manistique and Edgar Smith of Marinette.

A June 26 wedding is being planned.

Mrs. Blomquist celebrates 90 years with party

Hulda Blomquist was the guest of honor at a party celebrating her ninetieth birthday at the home of her son, John Blomquist, 134 Mackinac Avenue, Manistique, on Saturday February 28. For the occasion there were multi-colored balloons and ribbons and a birthday cake with purple and yellow pansies on a white frosted background.

Grad Party meets

The decorating committee of the 1976 Grad Party will hold a meeting at the Elks Club on March 18 at 7 p.m. Any parent interested in helping out is urged to come. A decorating theme will be chosen.

Couple married at St. Mary's Church

Marie King and Paul Berger, both of Charlotte, Michigan, were married on February 28 at St. Mary's Church in Charlotte. The 1 p.m. double ring ceremony was performed by Reverend Francis Wabowiak. The parents of the bride are Mr. and Mrs. Barkley Lundy of Charlotte. The parents of the groom are Mr. and Mrs. Robert Berger of Manistique.

Given in marriage by her father, the bride wore a gown of candlelight mirror cane with criss-cross bodice, long slender sleeves and a long flowing skirt with a chapel length train. A walking length veil was attached to a lace camellia cap. She carried a bouquet of peach roses and straw flowers.

Maid of honor was Beverlee Morton. Bridesmaid was Debra Robinson. The attendants' gowns were floor length peach polyester with ivory lace inserts in long bell sleeves. Their bouquets were of peach carnations and straw flowers.

Serving as bestman was Carl Berger, brother of the groom. Groomsman and ushers were Robert Berger, brother of the groom, Garner Morton, and Harold Lundy,

brother of the bride. The mother of the bride chose a floor length dress in aqua blue. The groom's mother wore a floor length gown of mint green.

A reception for the couple was held at the American Legion Hall. Out of state guests included Mabel Ann Flodin, sister of the groom, Dale Banks, Mr. and Mrs. Burton Jones, Mr. and Mrs. Gary Jones, Mr. and Mrs. Michael Eanaszak, and Mrs. Gilbert Somes. Local people attending were Mr. and Mrs. Richard Berger, Mrs. William Berger, Mrs. Fred Berger, Mary Kay Berger, Mr. and Mrs. Joseph Davis and Mr. and Mrs. Francis Selling and family.

The bride, given in marriage by her nephew James Erickson, wore a floor length blue gown and a pearl necklace and earring set, a gift from the groom. She carried a bouquet of blue and white mums. Matron of honor was Mrs. Ila Manning. She wore a two piece pink floor length dress and carried pink and white mums. Serving as bestman was Richard Manning and the usher was Greg Main.

Stokens observe Curtis years together

by Mrs. Jeanne Crown 586-3599

Gerald Latsch of Davison visited his grandparents, Mr. and Mrs. Emmett Crow on Saturday. Mr. and Mrs. Russel Dagnais returned to their home in New Boston on Monday after a visit with her parents, Mr. and Mrs. George Soboy Sr. Another daughter of the Soboy's, Mabel Snyder of Walkerton, Indiana is now visiting them.

Mr. and Mrs. Howard McEachern of Felch visited at the home of Mr. and Mrs. Emmett Crow on Friday.

John Troyer is a patient in the Schoolcraft Memorial Hospital.

Jeanne Koot and Sarah and Martha Swisher spent the weekend at the home of the Swisher girl's grandparents, Mr. and Mrs. E. Crown.

Mr. and Mrs. S.F. Stoken, former Manistique residents, recently observed their fortieth wedding anniversary with an open house at the home of their son and daughter-in-law, Mr. and Mrs. Terry Stoken of Galesburg.

Another son, Larry Stoken of Kalamazoo, assisted in giving the party. Mr. Stoken and Louise Root were married February 29, 1936 in Battle Creek. In addition to their two sons, the couple has two grandsons.

The Stokens are retired. She was an occupational therapist and he was a machinist, both in Manistique.

Even a nod from a person who is esteemed is of more force than a thousand arguments or studied sentences from others. —Plutarch.

COMPETING AGAINST 8 AND 9 YEAR-OLD representatives from Ohio, Indiana and Kentucky, Nancy Krusik was fourth place winner in the March 6 Elks National "Hoop Shoot" Contest Regional Semi-Finals held at the University of Toledo Fieldhouse. While in Toledo, Nancy and her parents, the Ray Krusiks, stayed at the Sheraton-Westgate Inn and were treated to a luncheon and awards banquet at the local Elks Lodge. Nancy had won three first place trophies to qualify her for the Semi-Finals. (Tribune Photo)

Erickson, Provo wedding Feb. 28

Roselyn Erickson, 127 South Houghton Avenue and Frank Provo, Cooks, were married February 28 at the Faith Assembly of God Church. Pastor Ralph Simmons performed the 7 p.m. double ring ceremony.

John Watchorn sang "Let It Be Me." The couple greeted guests at a reception held at the brides home. The bride is employed at the Manistique Motor. The couple will make their home at 127 South Houghton, Manistique.

IT'S SHAMROCK TIME AGAIN

What is a "True Irish Shamrock"? Even the Irish can't agree! At least three different kinds of plants have their parisons, and each has a chance of being correct because all the plants have three-parted leaves. The kind Saint Patrick plucked to demonstrate the doctrine of the Trinity. Here are the contenders and their everyday common names: white clover, Trifolium repens; red or yellow clover, Trifolium arvense; and wood sorrel, Oxalis acetosella. By whatever name your shamrock is known during the rest of the year, come Wednesday the 17th, it will be a "True Irish Shamrock!"

Take it from Claire Bursell, this recipe is Italian. "There are several different ways of making spaghetti sauce," she said. "Traditionally, it's made with meatballs, but our family's favorite is made with spareribs. The pork gives it a sweeter, more wholesome taste."

A woman of Italian and Polish descent, Mrs. Bursell's recipe is one which was handed down to her from her father and her uncle, both of Rome. Just as her pizza, her spaghetti sauce is made from scratch.

SPAGHETTI SAUCE
4 lbs. or more spareribs
1 medium onion
2 large cans tomato paste
garlic powder
oregano
sweet basil
fennel seed
salt
pepper

Brown 4 pounds or more spareribs with one medium chopped onion.
In a "great, big pot" mix together 2 large cans tomato paste and 4 or more cans water. Add garlic powder, oregano,

sweet basil, fennel seed, salt and pepper to taste and stir.
Add the browned spareribs to the liquid mixture and simmer 4 to 5 hours.
"When I go to Detroit, I try to pick up all different shapes and sizes of noodles to try with the spaghetti sauce. I boil the noodles just before we're ready to eat, put the sauce in a bowl and pour the noodles in with it so they're all covered with sauce. I serve the meat in a separate bowl."
The recipe, she said, serves six to eight people. Her children insist that she make it at least once a week. They like it so much, in fact, that her son had it served at his wedding and, at one beach party last year, it was the main dish.
"It doesn't last long enough to freeze,"

she confessed. "When my son is home on leave from the service, he always wants spaghetti and my daughter likes to collage with her. I enjoy cooking especially when somebody will sit down and gobble it up."
Variations on the sauce include making it with tuna, chicken, rabbit or fish, she said.
Tell me, is that Italian?

Jack, Al Erickson, Mike Das, Richard Ketchik, Debra Fountain, Linda Brock, John Zellar, Sr., Rudy Lawrence, Jack Frye, Elaine Frye, Maurice Cousineau, Joan Bosanic.

MINUTES
Billie Doyle moved, supported by William Mueller that the minutes of the February 10, 1976 meeting be approved. Motion carried with six yes votes - one member absent.

GERMFASK 7TH & 8TH GRADERS
Citizens from Gernfask presented a report in which they stated their objection to sending their seventh and eighth graders to Central High School.
Margaret Waters moved, supported by Billie Doyle that the 7th and 8th grade Gernfask students be permitted to attend the Gernfask School with the understanding that any student who wished to attend Central School could do so. Motion carried with six yes votes - one member absent.

BUS BIDS
Denton Nelson moved, supported by William Mueller that the bus bids be opened and referred to a committee for analysis. Motion carried with six yes votes - one member absent.

The following bus bid was opened:
Speaker Motor Sales-\$27,398.00 gasoline engine
Speaker Motor Sales-\$30,898.00 diesel engine
Since only one bid was submitted, Billie Doyle moved, supported by Denton Nelson that the Administration be authorized to advertise for bids again. Motion carried with six yes votes - one member absent.

FINANCIAL REPORT
Denton Nelson moved, supported by Billie Doyle that the January Financial Report be accepted. Motion carried with six yes votes - one member absent.

ASSESSMENT & ACHIEVEMENT TESTS
Allen Erickson and Michael Os reviewed the Assessment and Achievement Tests results for the 1975-76 school year.

PAPERBACK GRANT
Mr. Bonifas informed Board Members that the Manistique Area Schools had been approved for a \$1,500.00 Paperback Grant with the stipulation that the local share would be an additional \$500.00.

ISD PUBLIC HEARING
Board Members are invited to attend a Public Hearing in Rapid River March 13, 1976 to review ISD Special Education and Vocational Education Programs.

RETENTION PROCEDURE
Mr. Bonifas reviewed the retention procedure used at the elementary level with the board members.

ABUSIVE CONDUCT
Mr. Bonifas discussed incidents of

parents being abusive to staff members while they were performing their professional duty. Mr. Bonifas noted that unless an agreement is worked out with the parent that it was his intent to issue a restraining order against parents guilty of abusive conduct.

BUILDING TOURS
Tours of the new facility will be very limited for a while as the contractors are pouring cement and installing tiles.

NEW FACILITY COST PROJECTION
Mr. Bonifas presented the Board with an updated cost projection for the new facility. The memo noted that an estimated \$50,000 balance was projected at this point in time.

NEGOTIATIONS
Board Members were reminded that the 1976-77 contracts will have to be negotiated and that negotiating committees will be appointed in March for both groups.

DATES OF CONSEQUENCE
Board Members must decide by March 22, 1976 in the administrative members who have contracts expiring in 1976. Unless individuals are informed 90 days before the end of their contract year, the contract is automatically extended for one year. Decisions must also be made by March 22, 1976 on the retention or layoff of professional staff. Their contract states that such notice must be made 60 days before the end of the school year.
Tenure regulations call for probationary teachers to be notified 75 days before the end of their probationary year.

STAFF ADJUSTMENTS
Mr. Bonifas noted that he planned to post the elementary principal position and

third grade teacher position at the Hiawatha School. He reminded the Board Members that the District had a staff member on leave of absence and that that person would fill the one vacancy that would exist under our present plan.
The following items will be reviewed by Mr. Frederickson at the March 9, 1976 meeting:
A breakdown on the general staffing of the secondary facility as well as the normal scheduling of the school day. Closed vs. open vs. partially closed campus.
High School curriculum and extra-curriculum activities.

ADJOURNMENT
Margaret Waters moved, supported by Denton Nelson that the meeting be adjourned. Motion carried with six yes votes - one member absent.
Time: 9:30 p.m.

What's going on

by Marg Chandanais 341-6886

Mrs. Scott Creighton and Mrs. Ronald Fiegl have recently returned from a ten day visit in Minnesota with their daughters and families. Mrs. Creighton visited with Mr. and Mrs. Ted (Joan) Nemets and family of North Branch and Mrs. Fiegl visited with Mr. and Mrs. Don (Joyce) Shackie and family of Circle Pines.

On Saturday, March 6, Eric Caron celebrated his third birthday with his parents Mr. and Mrs. Bill Caron and his brothers, Paul, Sam and Billy and his friend, Billy Joe Chandanais. A special circus birthday cake was presented to Eric. Games were played and prizes awarded to the happy little boys.

The Indian Lake home of Mr. and Mrs. John Schmitt was the site of a pleasant surprise over the weekend. John Schmitt's birthday was the grand occasion. The children, grandchildren and great grandchildren gathered at Arrowhead Inn on Friday evening for a fish fry to honor John Schmitt. On Saturday a delicious buffet was served in the family home. A special birthday cake was presented to Schmitt by Ann Deoria. The sons and daughter attending the gala event included Mr. and Mrs. John Schmitt Jr. of Calumet, Mr. and Mrs. Bernard Schmitt of Hubbard, Michigan, Mr. and Mrs. Charles Fish of Escanaba, Mr. and Mrs. George Fish and Mr. and Mrs. Earl Tuohell of Manistique. The grandchild attending were Mr. and Mrs. Bernard Schmitt and Mr. and Mrs. Ronald Schmitt of Hubbard, Mr. and Mrs. Dale Kus of Lake Linden, Mr. Weideman of Laurium, Mr. and Mrs. Steve Tuohell of Escanaba, Mike Schmitt of Hubbard, Dan, David and Jeff Tuohell and Karen, Ardie and Kim of Manistique. The two great grandchildren were Cory and Wendy Tuohell of Escanaba. Many more happy birthdays to you, Mr. Schmitt!

Chuck Kerridge and Leo "Smokey" Kerridge motored to Grand Rapids over the weekend where Mr. Kerridge underwent surgery Monday. Friends may send notes and get well cards to him as follows: Mr. Leo Kerridge, Ferguson Droste, Ferguson Hospital, Grand Rapids. Get well soon.

Mr. and Mrs. Don Tennant Jr. and daughter, Christa, of Saint Clair, are visitors of their parents, Mrs. Edith "Red" LaVake and Mr. and Mrs. Donald Tennant Sr.

Mr. and Mrs. Bob Sellman recently returned from a three week trip to Hawaii and Santa Cruz, California where they visited their daughter and son-in-law Mr. and Mrs. Greg Hendee and children, Jennifer and Gresham. They then spent two days in Detroit on the way home visiting Mrs. Sellman's sister, Mrs. Jeanette Breitenbeck.

Mr. and Mrs. Glenn (Karen) Baker recently returned from a three week, seven thousand mile vacation which took them to such enticing sites as the Painted Desert in Arizona, New Orleans, Louisiana, Memphis, Tennessee, San Diego, and Los Angeles, where they toured Disneyland, Las Vegas, Nevada and to San Antonio, where they visited the Alamo. The Bakers spent several days on the ocean and it would seem as if they really enjoyed their vacation.

Mrs. Lois Eimerman and Mrs. Claire Sangraw returned on February 28 from a month long vacation to the Florida area. The ladies left in early February, motoring to Chicago with the Ted Hentschel's family (before they flew to Fort Meyers, and visited with Mrs. Sangraw's sister and brother-in-law, Mr. and Mrs. Carroll McClain in Naples. The ladies toured Disneyworld in Orlando, the Bush Gardens and Cypress Gardens while in the Naples and Fort Meyers area. They were the guests of several Manistique people. The Clarence MacNamara's, the Jim Ballas, the Ossie Smiths, the Jack Williams, the Fred Burleys, the Bill Corsons, and Helen and Ned Struble who motored from Lakeland to visit for a day. Mrs. Eimerman and Mrs. Sangraw spent the last weekend in Fort Lauderdale and attended the horse races in Hialeah. They spent the remaining time touring the Miami Beach area. They then flew back to

Chicago where they were met by their husbands and drove to Highwood, Illinois where they visited friends and returned home on Sunday.

The TOPS Club met Wednesday evening at the Saint Albans Church with Dorothy weighing in. Leona Rivard and Bertha Jamerout for the honor of Best Loser of the week. Dorothy must try to count the calories as she also won the title of Best Loser for the month of February. Patsy Culloun, Charlette Boasnic and Joanne DuFour were selected to be members of the nominating committee for election of officers to be held on March 17.

As I run the "What's Going On" column to close for this week let me not only thank all those who called or wrote to me with their news but also remind everyone to please call me at 341-6886 or drop it in themail to me at 220 North Third Street. In fact, stop in whenever I happen to be there to share your news. Please be sure to contact me by Tuesday noon for the Thursday edition.

Have a nice day. Everyday!

Hollister, Smith to be wed

Mr. and Mrs. Carlton Hollister of Manistique are pleased to announce the engagement of their daughter Tammy Joy to Brett C. Smith, son of Mrs. Rhoda Smith of Manistique and Edgar Smith of Marinette.

A June 28 wedding is being planned.

Mrs. Blomquist celebrates 90 years with party

Hulda Blomquist was the guest of honor at a party celebrating her ninety birthday at the home of her son, John Blomquist, 124 Mackinac Avenue, Manistique, on Saturday February 28. For the occasion there were multi colored balloons and ribbons and a birthday cake with purple and yellow pansies on a white frosted background.

Attending the event were Mr. and Mrs. Karl Blomquist of Farmington, Mr. and Mrs. Langdon Angle of Lowell and their three sons John, Eric and Marc, Eric Blomquist, Helen Blomquist, Edith Gustafson, and Mr. and Mrs. Oscar Blomquist. Mrs. David Schaaf and family of St. Clair were unable to attend. They sent roses and offered their congratulations in a phone call to her at the end of the party. She received many cards and gifts from friends and a telegram from relatives in Sweden. She also received a bouquet of red carnations from her young mate, Mrs. Bazel, and daughter Ruby.

Grad Party meets

The decorating committee of the 1976 Grad Party will hold a meeting at the Elks Club on March 18 at 8 p.m. Any parent interested in helping out is urged to come. A decorating theme will be chosen.

Stokens observe years together

Mr. and Mrs. S.F. Stoken, former Manistique residents, recently observed their fortieth wedding anniversary with an open house at the home of their son and daughter-in-law, Mr. and Mrs. Terry Stoken of Galesburg.

Another son, Larry Stoken of Kalamazoo, assisted in giving the party. Mr. Stoken and Louise Root were married February 29, 1936 in Battle Creek. In addition to their two sons, the couple has two grandsons.

The Stokens are retired. She was an occupational therapist and he was a machinist, both in Manistique.

Even a nod from a person who is esteemed is of more force than a thousand arguments or studied sentences from others. —Plutarch.

Couple married at St. Mary's Church

Marie King and Paul Berger, both of Charlotte, Michigan, were married on February 28 at St. Mary's Church in Charlotte. The parents of the groom are Mr. and Mrs. Robert Berger of Manistique.

Given in marriage by her father, the bride wore a gown of candlelight mirror cane with crisscross bodice, long slender sleeves and a long flowing skirt with a chapel length train. A walking length veil was attached to a lace camelot cap. She carried a bouquet of peach roses and straw flowers.

Maid of honor was Beverlee Morton. Bridesmaid was Debra Robinson. The attendants gowns were floor length peach polyester with ivory lace inserts in long bell sleeves. Their bouquets were of peach carnations and straw flowers.

Serving as bestman was Carl Berger, brother of the groom. Groomsmen and ushers were Robert Berger, brother of the groom, Garner Morton, and Harold Lundy,

brother of the bride. The mother of the bride chose a floor length dress in aqua blue. The groom's mother wore a floor length gown of mint green.

A reception for the couple was held at the American Legion Hall. Out of state guests included Mabel Ann Findin, sister of the groom, Dale Banks, Mr. and Mrs. Burton Jones, Mr. and Mrs. Gary Jones, Mr. and Mrs. Michael Banasak, and Mrs. Gilbert Simons. Local people attending were Mr. and Mrs. Richard Berger, Mrs. William Berger, Mrs. Fred Berger, Mary Kay Berger, Mr. and Mrs. Joseph Davis and Mr. and Mrs. Francis Selling and family.

The bride is a graduate of Charlotte High School and is presently attending Lansing Community College. She is employed as a secretary for the Nelson Credit Center. The groom is a graduate of Manistique High School, the University of Michigan and Wayne State Law School. He is the Eaton County prosecutor. The couple will reside at 120 South Sheldon, Charlotte, Michigan.

COMPETING AGAINST 8 AND 9 YEAR-OLD representatives from Ohio, Indiana and Kentucky, Nancy Krusic was fourth place winner in the March 6 Elks National "Hoop Shoot" Contest Regional Semi-Finals held at the University of Toledo Fieldhouse. While in Toledo, Nancy and her parents, the Ray Krusics, stayed at the Sheraton-Westgate Inn and were treated to a luncheon and awards banquet at the local Elks Lodge. Nancy had won three first place trophies to qualify her for the Semi-Finals. (Tribune Photo)

Captain Seb Rubick has done a fantastic job with the varsity basketball team this year. Everyone has worked hard and deserves to go to Marquette. Now it is up to us fans to show how much we appreciate them.

Cheering crowds can live up any game. The few home games we had this year were packed. We need a good turnout for the tournament game too. A fan bus will be going up for students. Everyone should leave early to get seats since Manistique is in the second game of the

nately \$150. They would like to thank everyone who donated items, and also those who came and bought them.

We lost our tournament game March 1, against the Blue Bears. The final score was 58-51. Rod Blanchard was high scorer with 14 total points. Next were Steve Freeman with 8, and Ed Costo with 9. Three J.V. players were named to Varsity for the game-Duncan McArthur, LeRoy Frazier, and Steve Schroeder.

Students will be holding a sign-making party at the school after classes are over tonight. Markers, paints and other materials are needed. Everyone is welcome to come and help.

The signs will be posted in the Marquette Mall where space has been allotted for team signs. They will be on display during the tournaments.

Support our team. Go to Marquette tomorrow and cheer for our Emeralds!

Plant and Flower Care

IT'S SHAMROCK TIME AGAIN

What is a "True Irish Shamrock"? Even the Irish can't agree! At least three different kinds of plants have their partisans, and each has a chance of being correct because all of the plants have three-parted leaves, the kind Saint Patrick plucked to demonstrate the doctrine of the Trinity. Here are the contenders and their everyday common names: white clover, Trifolium repens; hep or yellow clover, Trifolium agrarium; and wood sorrel, Oxalis acetosella. By whatever name your shamrock is known during the rest of the year, come Wednesday the 17th, it will be a "True Irish Shamrock!"

The 1975-76 district tournaments began Monday night at Big Bay de Noc. During school that day a play assembly was held to raise spirit in fans and players. Monday night the Black Bears played the Engadine Eagles winning 59-51.

School was cancelled Tuesday and Wednesday due to bad weather. The weather cleared up enough on Wednesday, however, for the second game of the tournaments to be played. In the first game, Trenary played Eben and Trenary came out on top. The Big Bay Black Bears played the Grand Marais Polar Bears in the second game. Big Bay lost to Grand Marais 81-74.

Classes resumed on Thursday at Big Bay. A Chamber of Commerce Youth Business Dialogue was held Thursday at Big College. Students participating from our school were Sally Walters, Regina Collins and Dawn M. Stoen. Students and teachers from Escanaba, Gladstone, Rapid River, Rock and other local areas also attended the program. Area businessmen discussed several aspects of business and answered any of the students' or teachers' questions.

School was again cancelled on Friday and so was the final game of the district tournaments. That game was played Saturday night. Grand Marais versus Trenary. Grand Marais beat Trenary, going home with the 1975-76 District trophy.

Library advisory board meet March 18

Medical Care

by Sally Schuetter

Hi Everyone.

It sure will be nice if the sunshine today brings us some good health and cheer, and puts the rain on the flu bug. Friday's bingo game was rather quiet as the flu ban was still on. Mary O'Brien baked a nice treat and brought it up to us so we could have it with our coffee anyway, and we were very happy to have it. Friday did however, hold a bit of excitement as it was the day of the drawing of a raffle sponsored by the Bingo Volunteer Club. The volunteers are turning over proceeds of the raffle to the Medical Care Facility to be used for furnishing our new chapel. Winners in the drawing were, Jackie Villeneuve and Mrs. Nelson Pressman, and many thanks go to the Bingo Volunteers for their many good deeds.

There are no birthdays to report this week. Last month there were many birthdays, but for March, only three. This will give the Eklites a break as they supply cake for each patient who has a birthday, so that they may treat everyone at refreshment time. This has been a project of the Eklis Club for several years now, and they have sent over 500 cakes to the patients at the facility. That's a lot of baking. Besides the Eklis project, the V.F.W. sponsors a birthday party each month to honor all birthdays for that month so each club is very devoted and sure deserve a lot of credit. We sure do appreciate it.

Bingo prizes this week were donated by Edie LaLonde, Thanks Edie. Have a nice week!

School Board hears olympics report

Meeting at noon Tuesday in the high school conference room, the Manistique Community School Advisory Board heard reports on the Community School Winter Olympic Games held February 21 and 22 in Ironwood and discussed the possibility of selecting candidates for next year's games earlier in the year.

The new method for selection was suggested to allow participants more time to practice before the next games. Community School Director, Jim McWhinney said it was defeated, however, on the grounds that Manistique's prime objective is to gather as many wins as possible for its school students. The thrill of competition and participation in the games.

A second report was heard from the committee set up last month to study the possibility of having a mobile library. Jim McWhinney, Donald Mack and Bill Boyle said they would like to investigate the cost of such an undertaking, and the need for the library was detected at a meeting of the Library Advisory Board.

The mobile library was to have served youngsters and adults at outlying schools in the area.

Crop disaster relief available for 76

According to R.A. McCarney, County Executive Director for the Schoolcraft County ASCS office, they will again have the disaster program available in 1976. Farmers who suffered a loss should contact the local ASCS office in Engadine.

The Agricultural Act of 1973 authorized disaster payments under a four-year program that began in 1974 and runs through the 1977 crop year.

Producers with wheat and feed grain allotments are eligible. To be eligible for a disaster payment a farmer must be prevented from planting an acreage of crop equal to his allotment or suffer about a 30 percent loss in the normal production of his allotment acreage.

Wheat disasters in the wheat states are now getting much national publicity. However, Ms. McCarney states that any county farmer with an allotment who may suffer a loss in wheat production due to winter kill, flooding or other natural causes should be aware of the fact that he may be eligible for disaster assistance. If a loss is suffered the producer must file a claim with the local county ASCS office prior to destroying the crops or devoting the land to another use.

Farmers may contact the Mackinac-Lac Schoolcraft ASCS county office at box 127, Engadine, Michigan 49827 or phone 477-6461 for further information.

CAA priorities set for 1976

The Policy Advisory Committee of the Community Action Agency in Manistique met at noon on Friday, March 5. Members Billie Doyle, Earl LaBrasseur, Gloria Chaudoin, Father Frank Lenz, and Beth Burnis met with Area Representative Ruth Petrich.

The committee voted to accept the Program Progress Review Report for the five months of October, 1975 through February, 1976.

At the same time the goals and priorities established for the year by the committee were reviewed. Immediate attention will be given to helping provide recreation for outlying areas, with Fairview the target area for this summer. The committee will also investigate interest in establishing a Parents Without Partners group locally and the possibility of day care for working parents. Along with the Community Schools Advisory Board, members have shown interest in an inter-agency organization to work together for the community. Ease in voter registration is believed to need attention and the feasibility of additional registration locations will be checked.

To assist the Youth Commission in its proposed activities, the Community Action will help line up chaperones. Anyone interested is urged to call the Community Action Office.

All members feel that publicizing the activities of the agency will lead to greatest benefits for the residents of the area who could be served by Community Action. The office is located at 210 Oak Street and the telephone number is 341-2452.

Social Services schedules open meeting Mar. 22

Local citizens who want a say in the priorities for services to be offered by the Department of Social Services statewide, beginning in October this year, are invited to a county forum scheduled for March 22, at 7 p.m. at the High School Auditorium.

The open meeting is a forerunner for statewide briefings to be held sometime in April at which legislators, advocacy organization representatives and State agency officials will be apprised of the results of deliberations at this forum and similar ones to be held in counties throughout the State.

At stake in all this planning is how the State will allocate money available for a wide variety of social services ranging from day care for children to transportation for senior citizens. Participants will be asked to indicate their priorities for social services from among those offered by the Department of Social Services. Summary information from the meeting will be forwarded to the Department's State Office for analysis.

Douglas Kratz, Director of the Schoolcraft County Department of Social Services, which is sponsoring the local meeting, says he hopes to hear from five key groups: current services recipients, service organizations, local government officials, public and private human service agencies, and other interested citizens.

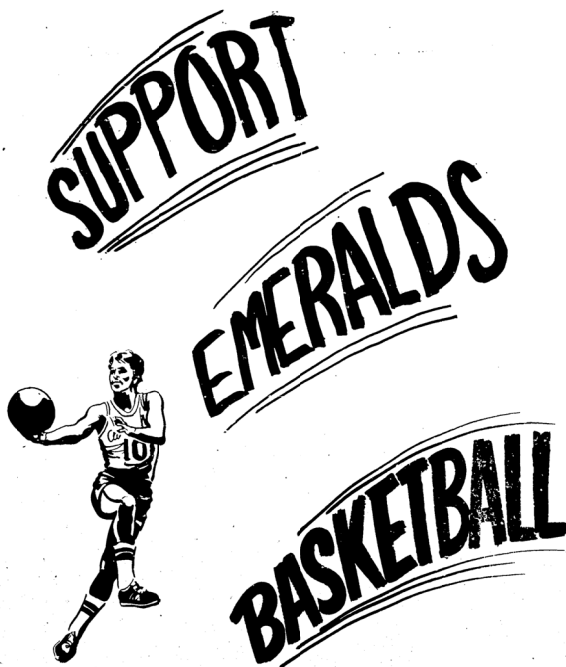

All this activity is spurred by some recent federal legislation in 1975 which amended the Social Security Act to give states more flexibility in spending federal funds available to each state for human services.

Kratz says he hopes the additional lead time for planning this year will enable more citizens to have input as to how the money will be spent.

He explains that last year a very short time was available for planning between the time Congress passed Title XX of the Social Security Act and July, when a proposed plan for spending the money had to be completed and published by each state.

Participants at the county forum will be asked to indicate their priorities for social services from among those offered by the Department of Social Services. A summary of this information will be analyzed by the Department's State Office and incorporated in a report which will be both available to the county and utilized to conduct the statewide briefings.

Following the briefings, a proposed plan for social services in Michigan will be published July 1 for further public comment. The final plan will be implemented by October 1.

The Manistique Emeralds repeated as district champs by defeating the Rudyard Bulldogs on Wednesday 70-39, then beating the Saint Ignace Saints on Friday in a real tough game 55-50. Against Rudyard the Emeralds jumped off to a quick 6-0 lead enroute to an 18-9 lead after the first quarter. Rudyard closed the gap to 28-22 midway through the second quarter, but that was as close as they could get.

The Emeralds outscored the Bulldogs 9-3 the rest of the quarter to lead 37-25 at the half. After a slow start in the third quarter, Manistique led 43-23 with 3:45 to go, then erupted for 16 straight points to lead 59-28 with 6:30 to go in the game. Everyone got in the game from that point on as the Emeralds coasted to the 70-39 win.

Jay Ketic led the scoring with 19 points, while Nelson and Jenou each had 10, and Berger and Reque each had 8. John Pistulka had 4, and Neddo, Hinkson, and Taylor each had 2. Kevin Patz, playing just the last 5 minutes had 5 points and 5 rebounds.

The Emeralds dominated the boards, outbounding the Bulldogs 39-20. Ketic and Jenou were the top rebounders with 25 each. The Emeralds were 23-63 for 51 percent while the Bulldogs were a cold 30 percent on 16-34.

Against the Saints, the Emeralds scored the first 9 points and had a 12-0 lead with 2:30 to go in the first quarter, then proceeded to play their worst ball of the year. St. Ignace battled back and grabbed the lead 15-14 with 17 to go, but Neddo's 25 footer gave the Emeralds the lead at the quarter 16-15.

Plagued by turnovers and a stiff St. Ignace defense, the Emeralds were outscored 9-2 in the first seven minutes of the second quarter and fell behind 24-18. Berger's basket at the 1:00 mark cut it to 24-20, but Winston's basket and 4 Saint free throws made it 30-20 with 10 seconds to go. Berger's long jumper at the buzzer made it 30-22 at the half. Winston starts off the second half by giving the Saints a 32-22

lead, but the Rick Berger got the hot hand and scored the next three Emerald baskets as Manistique pulled to within 32-28.

Taking advantage of the changing momentum, the Emeralds put on their full court press to change the tempo of the game. Behind Rick Berger's hot shooting (7 baskets in a row counting the last 2 in the second quarter and the first 5 in the third quarter) the Emeralds pulled to within 34-32 with 4:20 to go in the third quarter. Pistulka's jumper with 39 seconds to go in the third quarter finally gave the Emeralds the lead 39-38 going into the fourth quarter.

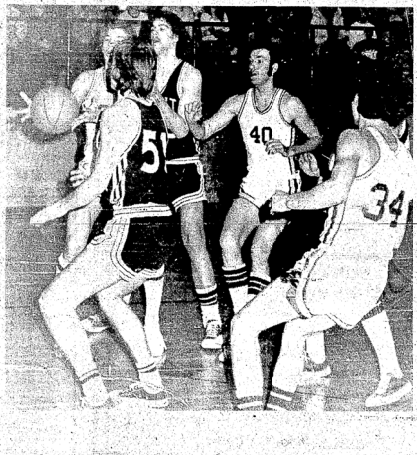

After Jan Bishop's driving layup gave the Saints a 42-41 lead, Rick Jenou scored from in the lane and was fouled. He converted the 3 point play and shortly after scored on an out of bounds play to give the Emeralds a 46-42 lead. After Winston's basket made it 46-44, Berger scored on a driving layup and a fast break to give the Emeralds a 50-44 lead with 2:31 to go.

The Emeralds then went to their 4 corner offense and with Ketic, Reque, and Nelson hitting free throws, the Emeralds held off the Saints to grab a 55-50 win, and the District Championship.

Berger led the Emerald scoring with 20 points, his highest output of the year. Ketic also was in double figures with 12, while Nelson had 9, Jenou 5, Pistulka 4, and Reque and Neddo each 2. Manistique shot 23-61 for 38 percent while St. Ignace was 24 percent on 21-62. Cheesman with 12 and Olson with 11 were the only Saints in double figures.

The Emeralds outbounded the Saints 40-33 with Ketic leading with 10 board. He got good support from Jenou with 5, Pistulka 7, and Nelson with 6. Olson of Saint Ignace led all rebounders with 15.

The Emeralds next meet Ontonagon in the Regional Semi-finals Friday at 8:30, and if victorious, meet the winner of the Neganuee-Norway game on Saturday at 8:00.

4-H report

by Chris Keener

4-H LEADERMETE:

On Sunday evening Roberta Smith, Pearl Shafter, Becky Carter, Emma Jean LUSTIA, Joan Bowler and myself returned from Michigan State University in East Lansing after having attended the twelfth Annual Leadermete. Leadermete is a time for sharing ideas and gaining new friendship which I'm sure everyone did. The Star Spangled clevers was the theme for Leadermete. Leaders had a chance to visit with Michigan State University specialists, foreign students and to enjoy Bicentennial type foods for each meal served. Dr. Gordon Cuyer, Director of the Cooperative Extension Service, gave a beautiful presentation on his trip to China. We realized as individuals how lucky we

were to actually be here in the United States. **4-H RUMMAGE SALE:** There will be a Rummage Sale held at the Old Armory this Saturday, March 13, from 10 a.m. to 5:30 p.m. If anyone has items they are planning to bring please get them in early as we would like to sort and price items early. **VEGETABLE GARDENING:** We will again have seeds available for 4-H'ers to plant this year. If you plan on getting your seeds through the Extension office, please give us a call now. **4-H LEADER TRAINING:** Escanaba - March 19-20. Do not forget to let us know if you will be attending. The cost is \$2.00 for the weekend. Contact the Extension office for further information.

OFFICIAL PROCEEDINGS

Board of Commissioners

TUESDAY, FEBRUARY 17th, 1976

The Regular Monthly (February 1976) Meeting of the Schoolcraft County Board of Commissioners was held on Tuesday, February 17th, 1976 at the Council Chambers, Municipal Building, North Maple Avenue, Manistique, Michigan, commencing at 7:00 o'clock P.M. E. S. T. The roll was called and noted as follows: Present were: Paul Hollebenbeck, Earl LeBrasseur, William Tennyson, Leroy Belick, William J. Oleask, and Ernest Hoholik. Absent was: Merwin White.

It was moved by Earl LeBrasseur, supported by Leroy Belick, that the minutes of the regular January meeting of the Schoolcraft County Board of Commissioners, as published in the Manistique Pioneer Tribune, a copy of which was furnished each member, be approved as presented. Motion carried by unanimous Aye Vote members present. Absent: Merwin White.

Commissioners William Tennyson, Leroy Belick, Earl LeBrasseur, and Ernest Hoholik, reported on the Annual Meeting of Michigan Association of Commissioners, held in Lansing, February 1, 2, and 3, 1976. All reported that the main topic of discussion was the "Land Use" bill, being HB No. 423, and its effects on the U.P. Debate between State Senator Joseph Mack, and Philip Maston, highlighted the discussion. Senator Mack argued that this bill is most detrimental to bringing new industry into the U.P., and restricting the present most important industry, namely, mining. He also stated that it is oriented toward benefiting the urban areas, and as presently constituted a nine (9) member board would have virtual dictatorial power over the rural areas, many were even more dictatorial than the present DNR powers.

Other areas discussed at the MAC meeting were: budgeting, home rule financing, Medical Care facilities, revenue sharing, and criminal and penal changes. It was announced that Medical Care Facility cost refunds by the State have been rolled back to the FY-74-75 level, resulting in greater costs to local government.

Commissioners Paul Hollebenbeck and Leroy Belick, reported on the Luce-Schoolcraft County meeting held at Germask, Michigan on January 26th, 1976, to discuss merging the Mental Health Programs of these two counties under one agency. Commissioner Hollebenbeck reported that this idea was turned down as being too immature, and Schoolcraft County's position was in opposition to this program as it would reduce our present level of care, and cost Schoolcraft County more money.

Commissioner Earl LeBrasseur, Chairman of the Building & Grounds Committee reported that some work has commenced on the new Court House building, and that the Building Authority has received a commitment from the General Contractor, that work will commence in full force on or about March 1st, 1976; and that he was confident that he could meet the completion date deadline of August 6th, 1976.

A discussion on the need for carpeting in the Sheriff's quarters was held, and the Chairman of the Building & Grounds Committee, Earl LeBrasseur was instructed to get bids for same, and submit his recommendation to the Board for approval.

William Tennyson, Chairman of the Airport Committee read a letter directed to him by the Airport Manager, Vern Bernard, advising him that there is a knock in the motor of the 1963 GMC truck being used for snowplowing of the Airport, and that he was notifying the Board that he would not be liable for any accidents that might arise at the Airport due to liability for not having runways cleared. Commission-

ers asked Commissioner Tennyson to have the truck repaired and put back into operation. Commissioner Tennyson stated that the Committee was to meet, and discuss the matter with the County Road Commissioner, and make a recommendation to the Board at the next meeting. Mr. Tennyson reported that the County Road Commission is maintaining the runways and runways at the Airport vehicles is required to be replaced.

The Chairman, Ernest S. Hoholik, moved all the Board members to attend the meeting of the Comprehensive Health System Agency, on Thursday, February 19th, 1976, at the Old Armory Building, Sault Ste Marie, Michigan, in conjunction with the County JEDP Committee meeting which is to follow the Health meeting.

A verbal Annual 1975 report was rendered in behalf of the 4-County Health District, remarks by Dr. James Terrian, Director, James Sheriff, Administrative Director, and Yvonne Elder, nurse for Schoolcraft County.

Dr. Terrian reported on the curtailment of various programs and reduction of City Manistique and county measures directed from State level. It was reported that Michele Dugovito who has been personnel director in the hypertension program, and the checking of the working men of the area for high blood pressure, as well as rendering home nursing care in conjunction with the cooperation of the local physicians, will be ending her duties with the end of Title VI under CETA, on March 5th, 1976. Dr. Terrian announced that Mrs. Dugovito would be continued in the employ of the department on a limited basis, but on other programs that the one she is now employed under, in all instances of the district.

Mr. Shiffle announced that the Health Department Clerk would work four (4) days per week in the local office, and the other one day a week at the Muncipal office, to equalize the work load throughout the district.

Mr. Shiffle reviewed the budgeting for said department, and he estimated that it is possible a savings of up to \$1,000.00 could be made as a result of moving into the new Court House Building during FY-76.

It was moved by William Tennyson, supported by Earl LeBrasseur, William J. Oleask, and the Sailors and Soldiers Relief Committee, be accepted as given orally and written Annual 1975 report of the Senior Citizens Commission for Aging for Schoolcraft County. Mrs. Males reported that there are a total of 30 programs offered to residents of Manistique and Germask under the Senior Citizens Commission. She reported that the funding for the maximum will cease as of March 30, 1976; and that other funding arrangements will have to be worked out to pay for the gasoline, oil and maintenance, that the Commission on Aging may call upon the Board for assistance as a last resort. Mrs. Males estimated that the older people of this area are the most deserving of our help. "Therefore, I feel that anything we can do for them is money well spent."

It was moved by Earl LeBrasseur, supported by William Tennyson, that the monthly financial report of the County Treasurer, William E. Cowman, both written and oral be approved as submitted. Motion carried unanimous Aye Vote, of members present. Absent: Merwin White.

It was moved by Earl LeBrasseur, supported by William J. Oleask, the Equalization Committee report as submitted by William J. Oleask, County Chairman, be accepted. Motion carried by unanimous Aye Vote of members present. Absent: Merwin White.

members present. Absent: Merwin White. It was moved by Earl LeBrasseur, that the Equalization Committee report as submitted by William J. Oleask, County Chairman, be accepted. Motion carried by unanimous Aye Vote of members present. Absent: Merwin White.

Mr. Oleask introduced the new Tax Equalization Director, Robert Dawson, from Coombs Township, Kalamazoo County, Michigan. Mr. Dawson reviewed and explained the principal of the Tentative Tax Ratio and Factor figures as announced by the State Tax Commission for Schoolcraft County. He stated that he is asking each unit auditor to review these figures, which were determined by study of an audit of only after this type of information that is needed to force the State Tax Commission to alter the tentative figures submitted.

Mr. Dawson, stated that his primary concern and first priority will be to try and establish uniformity in assessing throughout the County; that only after this is completed can the other factors of equalization be realized. It was moved by Earl LeBrasseur, that Mr. Ruan Cattell reviewing the progress to date of the Court House Building Program, during the limited work resumed on Monday, February 16th, 1976. Mr. Cattell stated that a dispute exists between the Authority and the General Contractor regarding "rock removal", with the difference being approximately \$25,000.00 extra cost to the County. He stated this is being reviewed and all information being gathered to arrive at an equitable settlement.

Mr. Cattell, reported that a firm letter was directed to the General Contractor, ordering the general contractor to immediately put construction back in full force and to keep the project going, so that the deadline will be met. He further stated that the Building Authority is standing firm on the original specifications on certain materials and construction practices, which the general contractor is asking to deviate from. He stated that no substitutes are being accepted unless approved by the full Board of the Building Authority.

Mr. Cattell, in answer to a question regarding insurance and liability protection on the job, stated that insurance for both has been approved and paid for by the Building Authority, and that the General Contractor is liable until such time as the building is completed and turned over to the Building Authority in accordance with contract agreements signed by the General Contractor.

It was moved by Earl LeBrasseur, and supported by William Tennyson, that the following Annual 1976 reports of the following department's as submitted both written and oral be accepted: They are: County Medical Examiner, Fire Department, Sheriff's Department, Civil Defense Director, Sheriff's Department, and County Clerk-Register of Deeds, and Absent: Merwin White. It was moved by William J. Oleask, supported by Earl LeBrasseur, that the Michigan County Record Binders to have the fire-damaged books repaired be accepted in accordance with the written bid submitted. Motion carried by unanimous Aye Vote of members present. Absent: Merwin White.

The Chairman announced the receipt of written and oral applications for the position of Construction Code Administrator for

Schoolcraft County. He referred the applications to the Health Committee of the Board. Mr. Tennyson, Chairman, recommended and recommended. A letter from Douglas Kraatz, Schoolcraft County Department of Social Services Director, requesting that the quarters for the Friend of the Court be found, as he is getting two new employees for the Department, and that he will need these offices. Whereupon, the Chairman referred this request to the Chairman of the Building & Grounds Committee, Earl LeBrasseur for compliance.

It was moved by William Tennyson, supported by Earl LeBrasseur, that Commissioner Leroy Belick, be appointed representative from Schoolcraft County, the Eastern U.P. Regional Substance Abuse Advisory Council for a term of three years, said term to be retroactive January 1, 1975, and terminate December 31, 1978. Motion carried by unanimous Aye Vote of members present. Absent: Merwin White.

A letter from Lakeside Lodge No. 275, Free and Accepted Masons signed by Robert G. Jenkins, Worshipful Master, and Robert W. Mueller, Secretary, was read which letter offered the assistance of said organizations in planning and assisting in the dedication of the cornerstone of the New Court House Building. It was the "Masons" who conducted the cornerstone laying of the Court House dedicated in 1891.

The Chairman, referred this matter to the Chairman of the Building & Grounds Committee, Earl LeBrasseur, who designated the Chairman of the laying of the Cornerstone and Dedication Ceremony, namely, Earl LeBrasseur.

It was moved by Earl LeBrasseur, supported by Leroy Belick, that the meeting adjourn without day. Motion carried.

ORDER TO ANSWER

At a session of said Court held in the City of Manistique, County of Schooncraft, Michigan, on the 17 day of February, 1976, PRESENT: THE HONORABLE WILLIAM F. HOOD, Circuit Judge

On reading and filing the Affidavit of Michael J. Brooks, Attorney for the Plaintiffs, Robert L. Goudreau and Adeline Goudreau and the Court being fully advised in the premises:

IT IS ORDERED that the defendant Walter Way shall answer the Complaint to Quiet Title to the following described parcel of land located in: The Township of Mueller, County of Schooncraft and State of Michigan, to-wit:

The Northwest Quarter of the Southwest Quarter of Section 4, Township 41 North, Range 13 West.

Wherein the plaintiffs have demanded that title to said parcel be quieted in the name of Robert L. Goudreau and Adeline Goudreau, husband and wife.

Walter Way shall tender an Answer with the Schooncraft County Circuit Court on or before the 25th day of March, 1976, or take such other action as may be permitted by law.

IT IS FURTHER ORDERED that failure to comply with this order shall result in a default and default judgment being entered against the defendant Walter Way, for the relief demanded in the complaint filed in this court.

Dated: February 17, 1976

-s- William F. Hood, Circuit Judge 38c4

PUBLIC NOTICE TO THE ELECTRICAL CUSTOMERS OF EDISON SAULT ELECTRIC COMPANY NOTICE OF ELECTRIC RATE HEARINGS

On January 29, 1976, Edison Sault Electric Company (the "Company") filed an application with supporting testimony and exhibits with the Michigan Public Service Commission (the "Commission") in Case No. U-5622 for authority to increase its retail rates for the sale of electric energy. The Company is a Michigan corporation with principal offices located at the Edison Building, 725 East Portage Avenue, Sault Ste. Marie, Michigan 49783, and is, among other things, engaged in the business of generating, purchasing, transmitting, distributing and selling electric energy to an excess of 15,000 customers in four incorporated cities and seventeen townships in the Counties of Chippewa, Mackinac and Schooncraft, State of Michigan.

The Company seeks authority to amend its presently effective rates and charges, for the rate schedules indicated below, so as to increase its annual electric revenues by at least \$988,534 (except that the Company does not propose that such increased rates and charges be effective in the City of Manistique, Schooncraft County, where franchised rates are in effect).

By Opinion and Order issued July 21, 1975 in Case No. U-4713 and U-4336, the Commission authorized increases in the energy steps of all applicable rates of 4 mills per kWh to cover the increased costs of purchased power and fuel, provided for calculation of the purchased power and fuel adjustment at a base of 2.73 mills per kWh based upon a three-months average, and provided for accounting for and handling of the difference between the mills per kWh and the purchased power and fuel adjustment as calculated. The Company proposes to continue such treatment. The proposed revised rates, in addition to the \$988,534 increase referred to above, include 1.6 mills per kWh to cover increased costs of purchased power and fuel. The Company proposes calculation of the purchased power and fuel adjustment at a base of 7.1 mills per kWh by use of the month immediately preceding the month of the customer's bills and certain textual revisions. The 1.6 mills per kWh is included in the "Proposed Revenues" in the Summary of Proposed Rate Increases below.

As to rate design, to the extent practicable, declining breed rate steps have been eliminated and separately stated customer charges introduced.

In support of its application for increased rates, the Company has alleged that it generally has not been able to realize the return on common equity available to the Commission in prior rate cases and it has experienced increased costs of capital including increased embedded cost of debt and increased earnings requirement on common equity, increased labor rates and costs of material and contract services, substantial increase in net plant, substantial increases in purchased power expense and other increased costs of service.

In addition to the relief referred to above, the Company is proposing certain revisions to its rates and regulations, some of which will produce additional revenues to the Company in addition to additional revenues indicated above and in the Summary of Proposed Rate Increases below. These revisions are summarized as follows:

- Extension of the new extension fee for phase service from four times to two times estimated annual revenue.
- Complete revision and restatement of rates and regulations pertaining to metering and metering equipment.
- Increase in the monthly minimum charge for standby and/or auxiliary service from \$2.50 per Kva to \$2.90 per Kva of capacity contract or used, whichever is greater.

Recognition of Service and Collection Fees (In lieu of the current provisions which provide for a reconnection fee of \$10), as follows:

| Within City Limits | Regular Time (one employee) | \$ 8.00 | Overtime | \$38.00 |
|---------------------|-----------------------------|---------|----------|---------|
| Two Employees | | 17.00 | Overtime | 76.00 |
| Outside City Limits | Regular Time (one employee) | \$17.00 | Overtime | \$38.00 |
| Two Employees | | 34.00 | Overtime | 76.00 |

+ PLUS the following transportation charges will be added to the above cost.

| Within City Limits | Non-Power Equipment - Regular Time | \$2.00 (1 hour) |
|--------------------|------------------------------------|-----------------|
| | Non-Power Equipment - Overtime | \$6.00 (1 hour) |
| | Power Equipment - Regular Time | \$3.00 (1 hour) |
| | Power Equipment - Overtime | \$9.00 (1 hour) |

| Outside City Limits | Non-Power Equipment - Regular Time | \$2.00 (1 hour) |
|---------------------|------------------------------------|-----------------|
| | Non-Power Equipment - Overtime | \$6.00 (1 hour) |
| | Power Equipment - Regular Time | \$6.00 (1 hour) |
| | Power Equipment - Overtime | \$9.00 (1 hour) |

- Temporary service fees of \$30 for residential customers and actual costs for commercial customers but not less than a minimum charge of \$30.

- Extension deposit for overhead single-phase service at \$1.70 per linear foot in excess of the free footage in lieu of the current provision providing for a charge of \$6 per foot.

- Provision for no charge for new customer connection during regular business hours and, otherwise, at the reconnection of service and customer charges as indicated above.

- Other miscellaneous textual changes.

The Michigan Public Service Commission has scheduled hearings on the application of the Company in Case No. U-5622 and has directed that notice be given that:

1. The initial hearing in this case shall be held at 9:30 a.m. on March 30, 1976, in the Commissioner's Room, County Court House, Sault Ste. Marie, Michigan, which hearing shall be in the nature of a prehearing conference and shall be held for the purpose of exploring and, if possible, agreeing on matters which will expedite these proceedings including, but not limited to, the following:
 - a. Determining the parties to the proceeding, the nature of their appearances and the positions they are taking in the proceeding as well as the facts they intend to controvert or give evidence of, all in accordance with the provisions of Rule 11 of the Rules of Practice and Procedure Before the Commission.
 - b. Simplifying and organizing the issues in this proceeding.
 - c. Obtaining admissions as to, and stipulations of, facts not remaining in dispute, the authenticity of documents, and matters of public record.
 - d. Determining the number and identity of witnesses.
 - e. Specifying the schedule for the exchange of proposed exhibits and written testimony and the reduction of oral testimony to written form.
 - f. Establishing procedures for the hearing.
 - g. Specifying the schedule of dates of hearing.
 - h. Expediting any other matters that may aid in the orderly conduct of the hearing and the disposition of the proceeding.
2. Public hearings will be held at 1:30 p.m. and 7:30 p.m. on March 30, 1976, in the Commissioner's Room, County Court House, Sault Ste. Marie, Michigan, for the special purpose of taking statements and testimony of any interested persons.
3. Public hearings for the purpose of commencing cross-examination of Applicant's witnesses shall begin at 9:30 a.m. on April 20, 1976, in the offices of the Commission, Law Building - Lansing, Michigan 48913, and shall continue thereafter from day to day on such adjourned dates as the presiding officer may set until the matter has been fully heard.
4. The Commission, on its own motion, will commence an investigation and hearing on March 30, 1976, into the existing electric rates, charges, revenue deficiencies or excesses, practices, procedures and operations of Edison Sault Electric Company and such investigation and hearing will not necessarily be confined to matters contained in its application but will include all matters germane to the reasonableness and justice of its rates, charges, operations and practices as may be necessary to enable the Commission to determine whether the existing or proposed rates and charges are unreasonable and excessive and should be reduced or altered.
5. Any party seeking to intervene, in accordance with Rule 11 of the Rules of Practice and Procedure before the Commission, shall file with the Commission, on or before March 25, 1976, an original and 12 copies of a petition to intervene together with proof of service upon Applicant's Attorneys, Robert C. Kline, Jr., Coates and Kline, 311 Central Savings Bank Building, Sault Ste. Marie, Michigan 49783 and Roger T. Ederer, Snyler, Louis, Ewert, Ederer & Parkey, 1200 Bank of Lansing Building, Lansing, Michigan 48913.
6. Subparagraph 12 of said Rule 11 provides as follows:
 - (12) A petition to intervene shall be set out clearly and concisely the facts supporting the petitioner's alleged right or interest, the grounds of the proposed intervention, and the position of the petitioner in the proceeding; so as fully and completely to advise the parties and the Commission of the specific issues of fact or law to be raised or controverted. (Emphasis added)
7. The Commission will require strict compliance with the above quoted rule.
8. Applicant shall, on or before March 30, 1976, serve upon each intervening party a copy of the application, together with the written direct testimony of its proposed witnesses and its proposed exhibits as filed with the Commission.
9. Jurisdiction is pursuant to Act 106, P. A. 1909, as amended, M.C.L.A. 460.551 et seq.; Act 300, P. A. 1909, as amended, M.C.L.A. 462.2 et seq.; Act 419, P. A. 1919, as amended, M.C.L.A. 460.51 et seq.; Act 13, P. A. 1939, as amended, M.C.L.A. 460.1 et seq.; Act 306, P. A. 1969, as amended, M.C.L.A. 24.201 et seq.; and the Commission's Rules of Practice and Procedure, 1964 Administrative Code, Section No. 54, R. 460.11 et seq.

THE INCREASES DESCRIBED IN THIS NOTICE HAVE BEEN REQUESTED BY EDISON SAULT ELECTRIC COMPANY, THE MICHIGAN PUBLIC SERVICE COMMISSION MAY EITHER GRANT OR DENY THE REQUESTED INCREASE, IN WHOLE OR IN PART, AND MAY GRANT A LESSER OR GREATER INCREASE THAN THAT REQUESTED, AND MAY AUTHORIZE A LESSER OR GREATER RATE FOR ANY CLASS OR CLASSES OF SERVICE OR FOR ANY RATE SCHEDULE.

A summary of the proposed rate increases by classes and their impact on the various classes of service offered by Edison Sault Electric Company is set forth below:

What Men Do

by Denis Holmstrom

"I took fourth place at the Winter Olympic games in Ironwood this year," said 17-year-old Calvin Blowers. "Next year I'd like to go back and take a first. I know I can do it."

Blowers has been skiing cross-country for three years. He taught himself on a pair of skis he received for Christmas. What he knows about the sport, he's read in books and learned from experience. Ironwood was his first race.

"After you get the hang of it you can really get going. It's like snowboarding but it's a lot faster."

Blowers had done quite a bit of water skiing before learning to ski cross-country, but there's no comparison, he said. Neither is there any comparison between it and down-hill skiing, he added.

"The first time you try cross-country skiing it's like walking, but once you get started you just glide over the snow. The movements just come to you. It's really not hard after the first two or three times out."

Equipment needed for the sport is minimal and much less expensive than for down-hill skiing.

Blowers said an entire outfit, including skis, boots and poles, can be purchased for between \$70 and \$80. The skis are long and narrow and the boots are very light and flexible, looking almost like insulated track shoes.

No special clothing is required. Skiing for an average of three hours per week, Blowers wears only a pair of pants and a heavy sweater. The best temperature for cross-country skiing is between 0 and 20 degrees, he said.

Blowers often skis with his mother who uses the sport to keep her weight down. "It's a good way to lose weight," he said. "Your whole body is moving at a steady pace all the time. If you keep the pace, you can go on for hours without getting tired. I like to do it a lot."

The longest run Blowers has taken was a three-hour, 16-mile track to Gulliver, starting at his home, crossing the hills to

the power line and following the power line to the River Road and continuing on.

Such enthusiasm for the sport has started him thinking of organizing a group in Manistique.

"I haven't met too many other people here interested in cross-country, but I'd like to get a group together to get out and do some over-night camping."

In the future, Blowers also hopes to join a cross-country skiing team either in college or at a trade school. "I'll probably be skiing from now on," he said.

STRAWBERRY AND POTATO SEED ORDERS
This is the last week to get your orders in for strawberry plants and potato seed. Final orders will be placed Friday March 12. For more information contact the Extension office 341-5050.

RUMMAGE SALE
The Schoolcraft County 4-H Council is holding a rummage sale this Saturday, March 13, at the Old Army on US-2. The sale will start at 10 a.m. and end at 5:30 p.m. Bake goods will also be on sale during the day.

FARMERS WEEK
Tuesday, March 21 I will be attending Farmers Week at Michigan State University in East Lansing. Two farmers have indicated their intention to go and we still have room for 2 more riders. We are leaving early Tuesday and returning Thursday evening. Interested persons should contact the Extension office.

This year's program promises to be spectacular for 1976. Special feature programs are scheduled in each of the animal husbandry departments and on going programs can be observed and heard daily during the week.

A beef carcass judging clinic will start Tuesday morning with the animal's slaughtered that afternoon for hanging carcass evaluation on Wednesday. This is a great teaching technique for producers.

It gives them an opportunity to see if their live animal evaluation is correct.

A special feature of this year's Farmers Week will be operating small and part time farms. A number of programs have been set up to help persons with those operations. Financial management and cropping programs are just two of the programs for the small or part time farmer.

With the special emphasis on food prices and food production, a full afternoon is being spent on vegetable gardening. The program covers all phases of gardening, plus how to preserve and prepare food. The program features live specialists from the Horticulture Department at Michigan State University.

GOOD WORK
Our church celebrated the start of Girl Scout week last Sunday and had one of the girls help with the service. An interesting leaflet described the meaning of scouting and what benefits girls get from the program. I want to extend my congratulations for a job "well done" to the scouts and leaders in our county.

Scouting, like many other youth programs really do help mold healthy minds and bodies. In scouting, discipline, citizenship, cooperation, environmental appreciation and many other important values are learned through the basic program.

State grant to be used for public transportation

A state grant of \$45,300 is available for Manistique to begin a public transportation system this month, according to State Representative Charles Varnum (R-Manistique).

The funds will go to the Dial A Ride Transportation (DART) service in providing daily door-to-door service, including use of a wheelchair lift vehicle," Varnum said. "The city presently has no public transportation system. When they were looking for areas with a transportation problem, Manistique was interested in having it. The proposed starting date is this month."

Some \$3,500 of the grant will go to purchase two van conversions, one equipped with a wheelchair lift, communication system and dispatch center.

The remaining \$10,800 will be used to provide operating assistance funds to cover costs through June. The remainder of the 12-month funding will come out of next fiscal year's funds.

"Money for projects such as this are available through the 1976 General Transportation Programs," Varnum said. "Eventually, we hope that it will be self-sustaining. There will be a very minimal charge to anyone who wants to use the service. In every area where they've had it, the service has paid for itself."

When it begins operation, DART service will be available only to those living in Manistique, Varnum indicated, however, that the service is expected later to include other parts of the county.

NMU to offer graduate course

MARQUETTE - A graduate course in psychology will be offered by Northern Michigan University at Bay De Noc Community College beginning Wednesday, March 17.

The course—Seminar in Learning (PY 960)—will provide two semester hours graduate credit. Instructor will be Dr. Sandra Wilman of the Marquette Mental Health Center Compact.

Registration will be held during the first class session.

The course is being offered by NMU in cooperation with Bay de Noc, the Delta Schoolcraft Intermediate School District and local school superintendents.

Additional information is available by contacting local school officials or the Bureau of Off-Campus Education at NMU, phone 227-2101.

City police report

Daniel Neville, 60, Rapid River, was cited by city police for making an improper right turn after an accident at 8:01 a.m. March 3 at the intersection of Chippewa and Deer Streets.

Police say the Neville car was turning east from Chippewa onto Deer Street when it struck a car stopped at the light on Deer. The second vehicle was driven by Lawrence Osterhout, 18, 342 Chippewa. A passenger in it, Sally Frankovich, 15, received minor injuries.

Terry Kendall, 26, 327 Walnut, was ticketed for failure to have his vehicle under control when it struck a car parked on Lake Street at 10:30 a.m. March 7.

According to police, the Kendall vehicle was traveling south on Lake Street when Kendall braked for an intersection, the car slid and struck the second vehicle.

Joseph Lavigne, 21, 116 Main Street, was issued a ticket for failure to yield the right of way at 4:40 p.m. March 6 after an

accident at the intersection of Steuben and Oak Streets.

City Police say the Lavigne car was traveling south on Steuben when it passed through a stop sign and into the path of a westbound automobile driven by Bonnie Harris, 33, 907 Saginaw.

Lavigne received minor injuries in that accident.

OFFICIAL PROCEEDINGS

Manistique City Council

Regular meeting of the Manistique City Council was held on February 23, 1976 at 7:30 p.m. in the City Hall. Present: Councilmen Rose, Barber, MacPhail, City Manager Cattell and City Attorney Brooks. Absent: Councilman Cayia.

Moved by Councilman Rose, supported by Councilman MacPhail.

RESOLVED, That Councilman Cayia be excused from the regular Council meeting.

Yes: Councilman Rose, MacPhail, Reque, Barber.

No: None.

Moved by Councilman MacPhail, supported by Councilman Barber.

RESOLVED, That the reading of the minutes of the regular meeting of February 9, 1976 and special meeting of February 13, 1976 be dispensed with and copies furnished as approved by typed.

Yes: Councilman MacPhail, Barber, Reque, Rose.

No: None.

Absent: Councilman Cayia.

Jack Frankovich, Chairman of Hiawatha Township, was present to discuss fire protection fees charged to the townships. He advised the Council that he thinks the amount charged Hiawatha Township is too high. After a lengthy discussion, the Council requested that the City Manager research the matter, with a report to be given at the next regular Council meeting.

Mike Flynn and Jill Gagnon advised the Council that the Youth Center will have to close if funds are not obtained, as the present chaplain is employed through CTA, and these funds will terminate on March 31. After considerable discussion, your Reque recommended that they request funds again from the Recreation Department. Mayor Reque further agreed to meet with them to try to solve the funding problems.

Richard Hopkins, Washington Avenue, advised the Council that it took City crews half hour to thaw out the frozen hydrant on Washington Avenue, and that the hydrant does not work properly. City Manager advised that a crew had been sent up there in the morning to investigate this.

The matter of dates for the Board of Review was discussed by the Council.

Moved by Councilman Rose, supported by Councilman MacPhail.

RESOLVED, That the following dates be for the Board of Review:

March 8, 1976 9:00 A.M. - 4:00 P.M. (Closed Meeting)

March 9, 1976 9:00 A.M. - 4:00 P.M.

Yes: Councilman Rose, MacPhail, Reque, Barber.

No: None.

Absent: Councilman Cayia.

The Council further discussed the tax anticipation notes. Mr. Cattell advised the revenues are slow in coming in and the cash flow is way down. In essence, we have borrowed the whole thing, but we do not have to use it until needed. The funds can be invested in a savings account until needed. Bids received were opened and read as follows:

Ms. Erickson: Following is our bid for the \$73,000.00 City of Manistique, County of Schoolcraft, Michigan General Obligation Notes (Tax Anticipation) to be dated February 15, 1976 and will mature October 15, 1976.

Interest rate 4.15 percent
 Interest from Mar. 1, 1976 to Oct. 15, 1976 \$1,892.20.

NEWEST MEMBERS OF THE MANISTIQUE UNIT of the Michigan National Guard were sworn in on Saturday. John Jerome of Manistique and Cliff Barron of Flat Rock were sworn in by First Lieutenant George Blankenship of Newberry. Both are in enlistment for one year and follow prior years of service. The Manistique Guard unit now has openings for 25 recruits and can now take women. Openings for women include food service, clerical, mechanics, truck drivers and officers. (Tribune Photo)

maintain said bridge in repair or in a condition safe for entry or passage thereon on foot or by vehicle.

Yes: Councilmen Barber, MacPhail, Reque, Rose.

No: None.

Absent: Councilman Cayia.

The Council briefly discussed an Ordinance to regulate bidding procedures. Councilman MacPhail introduced Ordinance No. 170 of 1976 entitled AN ORDINANCE TO REGULATE THE BIDDING PROCESSES FOR THE PURCHASE OF PERSONAL PROPERTY BY THE CITY OF MANISTIQUE.

Discussion on an Ordinance governing building codes was tabled until after a meeting with the County Commissioners which has been scheduled for Thursday evening at 7:00, February 26, 1976.

The Council was advised that letters of acceptance have been received from the recent applicants to the Manistique Youth Commission and the Recreation Board.

Mayor Reque reported on the annual Manistique League Conference which he recently attended.

Moved by Councilman Rose, supported by Councilman MacPhail, that meeting be adjourned.

Thor H. Reque, Mayor
 Patricia Erickson, City Clerk

GIRL SCOUT WEEK

MARCH 7-13

We Think They Are Wonderful!

Scouting helps girls grow into happy, healthy adults. With an interest in many things... and a desire to prove themselves as active, aware individuals.

The Girl Scouts Need YOUR Help

Fill the role of a Scout leader. You'll find it fun and exciting to work with girls between 7 and 17. And it's especially fulfilling to be a part of all the great projects they do in the community!

Being a Girl Scout means a lot to so many. It's being active in all types of community projects. It's volunteering time and work to help others. And it encourages girls to become responsible, concerned individuals.

She's Capable Of Helping Others...

Because as a Girl Scout she has acquired first hand knowledge of first aid and other useful skills, good citizenship and resourcefulness.

They Enjoy Being Kind to Others

"To help other people at all times"... that's the Girl Scout promise. Scouting teaches them compassion, a lesson they'll recall throughout their lives. Let's support them.
