

## City fires, rehires Public Safety Director McDonough

Manistique's Public Safety Director Joe McDonough was fired last Friday but was rehired Sunday. The reasons for the dismissal and subsequent rehiring are not clear.

City Manager John Matthews, who apparently did the firing and rehiring, would not comment on the matter at Monday's City Council meeting. Neither would any of the city council members.

That left McDonough as the only party to the matter willing to comment. According to McDonough, he was given two weeks' notice of his dismissal by Matthews Friday afternoon.

That notice, McDonough said, came Friday after he returned from assisting the state police in arresting

two men outside the city limits east of Rogers Park. After being asked for assistance by the state police, McDonough said he dispatched the city's only two squad cars to the scene.

When he returned, he said, Matthews gave him notice of his dismissal. McDonough said Matthews had apparently received a complaint over having both city police cars out of town. "He said, 'I've had some complaints with you having both cars out of town,'" McDonough said. "I said 'yes,' and he said 'well, I'm giving you two weeks notice.'"

McDonough said Matthews "hasn't given me any other reason" for the dismissal and assumed that the complaints over having both cars

out of town was why Matthews fired him. Matthews, however, denied that was the reason Monday, calling reports of McDonough's firing "downright lies." He would not say what the real reason for the dismissal or the rehiring was.

That rehiring came Sunday afternoon, according to McDonough, when Matthews called and "said he'd like to rescind the order." Mayor Bill Hackney, when asked if he had pressured Matthews to rehire McDonough, said Monday "I don't think it would serve any purpose to drag it out here."

"I think we ought to be very pleased that Mr. McDonough's occupation was not interrupted, except for a few trying hours."

McDonough, who has been a Manistique policeman for 21 years and public safety director since 1970, said the dismissal for whatever reason, was a surprise to him. "I went home Friday and didn't get much sleep and didn't eat a heck of a lot—I was really upset."

"To go out in disgrace after 21 years and me not knowing why—that's what hurt me the most."

Asked what other reasons Matthews might have had for firing him, McDonough said Tuesday that "he and I have had some little differences in opinion. We've discussed them and some of them have not been resolved."

He would not elaborate, but said "Last night I was ready to tell my story, but when the council and the mayor said as far as they were concerned the matter was over" he decided not to comment further. "If the council would have asked me to speak, I would have. Until they do, I'll let it drop," he said.

McDonough did defend his decision to assist the state police. "Whenever any police officer calls for help, the others respond and they respond immediately because an officer doesn't call for help unless he needs it."

"It would be similar if you were standing on a river bank and a little baby falls in. You don't stand around and ask for a second opinion, you dive in," McDonough said. "I didn't think anybody would think I was doing anything wrong."

The two men for which the state police were searching had been reported to have a stolen rifle and knife, so the call for assistance was not an idle one, McDonough said.

Besides the need for assistance by city police, McDonough noted that

A CYCLE GANG invaded Manistique last Saturday, but nobody called the police or even seemed to mind. This gang of bicyclists was participating in a "blastabout" to benefit St. Jude's Childrens Hospital.

Over 50 children and adults took part in the fund-raising event. Among them were (from left) Dick Berry, Jeff Yoder, Brian Klau, Danny Anderson, Cheryl Casey and Vicki Benla.

### 'Truth in Taxation' law

## City decides to raise property taxes

The City Council on Monday decided it will raise property taxes in the city and set a public hearing for June 1 on the matter.

Although the city will raise taxes, the rate of taxation, 20 mills, will remain the same as in years past. Confused? Don't feel bad, the new law that requires the public hearing has a lot of people confused.

City Assessor Dave Huddleston spent a large part of Monday's City Council meeting trying to explain the law, Public Act 5, also known as the "truth in taxation" law.

That law requires local governments to hold hearings notifying the public that they will collect more revenue in property taxes in the coming fiscal year than in the past.

For almost every local government, those revenues increase each year even if the rate of taxation, in terms of mills levied, stays the same. That's because the "state equalized valuation" (SEV) of taxable real and personal property goes up each year.

Since the city gets \$1 per \$1,000 of SEV for each mill levied, if the SEV increases from year to year, which it has, more money flows into city coffers even though the millage rate stays the same.

In the past, homeowners and other property tax payers tended to blame

the state for raising the SEV on their property and, consequently, their property tax bills.

The Michigan legislature, unhappy with that state of affairs, passed the truth in taxation law. Now if local governments want to collect that increased revenue generated

through higher SEV's, they must hold a public hearing and say they intend to do so. It was that public hearing that the council scheduled for June 1.

If the council decided not to collect the extra money, the millage levy

## Hospital board rehires Purdy

H.B. Purdy, administrator at Schoolcraft Memorial Hospital, was rehired to his job last Wednesday for a six-month probationary period by the hospital's Board of Trustees.

That came as a surprise to the 16 people who packed the hospital's board room, since the agenda for that board's meeting listed as its only item "requesting the resignation" of Purdy, "and/or his involuntary termination."

Purdy had been fired by Hospital Board Chairman Cal Jenerow on May 3 after the board met in secret session late last month and apparently decided Purdy had to go. Purdy was not notified of that meeting.

Since that meeting of the board violated the Open Meetings Act, last Wednesday's meeting was scheduled to give the board a chance to fire Purdy legally. Purdy was present at Wednesday's meeting and re-

quested that discussion of his performance be held in public session.

After 2½ hours of sometimes heated argument with Purdy over many aspects of his job, the board decided not to fire him after all and review his performance after six months. Board Member Jane Kopeczek voted against the probationary period.

The board made it clear that it

(continued on page 4A)

## Bishop Baraga park plans detailed to County Board

Plans for development of the Bishop Baraga Park on Indian Lake were approved by the County Board at a meeting Monday.

The county purchased a parcel of land on Indian Lake near the Arrowhead Inn for some time. Board Member Lyle Kotchon presented plans to the board Monday for development of the park at little or no cost to the county.

The board approved those plans and decided to proceed with the project. Board Member Bill Tenney voted against the project, saying the costs of utilities and maintenance of the park could strain future county budgets.

According to Kotchon, the initial development of the park would cost almost no money. Plans for a replica of the original church built on the site by missionary Frederic Baraga 150 years ago were drawn up by Pat McNamara, a Manistique native and summer resident of Indian Lake.

McNamara's plan also calls for five Indian tepees, fencing in the existing Indian burial ground, and electric lights in the tepees and church. The non-denominational church would be available for use by the public for weddings and other functions.

In addition to donating the plans for the project, Kotchon said, McNamara, who owns a construction firm, would also supervise the construction.

Logs to build the church and fencing for the park will be purchased with donations and labor

supplied by welfare recipients, Kotchon said.

Tenney questioned whether using welfare workers would violate the county's union contract.

"The chapel will have open windows with stained glass trim which will be donated also. This and everything else will be simple.

Michael Smith

Michael DeSautel

## Smith, DeSautel named top MHS grads

Michael Smith of Thompson and Michael DeSautel of Manistique High School announced this week.

Smith, the son of Mr. and Mrs. Donald Smith of Thompson, was named valedictorian for the class of '82 by virtue of having the highest grades of anyone in his class during his high school career.

DeSautel, son of Mr. and Mrs. Donald DeSautel of Manistique, had the second-highest grades and was named salutatorian.

On a scale of 11 points, Smith maintained a 10.42 average over his four years of high school and DeSautel a 10.13 average. An 11-point average would indicate straight A's, while an 8-point average is a B.

In addition to his outstanding academic performance, Smith was active in basketball and participated in Project Outreach, a leadership program sponsored by the Delta-Schoolcraft Intermediate School District. He plans to attend Central Michigan University to study pre-law.

DeSautel also participated in Project Outreach, as well as football, swimming and band. This fall, DeSautel plans to attend Michigan Technological University to study engineering.

Both Smith and DeSautel will address the Class of '82 at commencement exercises scheduled for June 3 at 7:30 p.m. at the high school. Guest speaker will be Marvin Frederickson, principal at MHS from 1958 to 1979.

School Board President Billie Doyle will present diplomas to graduates.

Besides Smith and DeSautel, the following students have maintained a B or better average:

Lorie Halvorsen, John Quick, Ken Mills, Carol Prater, Susan Osterhout, Cathy Orr, Lori MacPhail, Aletta Carlson, Janet Kee, Daniel DeWinter, Victor Lustila, Theodore Fernandez, Jill Brullis, Barbara Halvorsen, Angel Borruay, Barbara Lakosky, Susan Clement, Brenda Burton, Ruby Betterly, Matthew Flynn, Steve Provo, Robert Neumann, Allen Lemy, Lisa Price, Randee Knuth, Cheryl Maddox, Michael Hawn, Brett Arnold, Toby Ray, Robin Welch and Theresa Henry.

## Blaney Properties, Inc. files for bankruptcy

The corporation formed to purchase the Blaney Park resort last year filed for bankruptcy in Grand Rapids Federal Bankruptcy last week.

According to court officials, Blaney Properties, Inc. filed for Chapter XI bankruptcy on May 13 in the Grand Rapids court. Blaney Properties, Inc. was the company set up by Vancouver oilman Larry Nicholson to purchase the land. Nicholson is president of Blaney Properties, Inc. and Blaney Enterprises, Inc., the corporation set up to manage the resort once the sale was completed.

Nicholson purchased the once-exclusive 17,000-acre resort last April amid speculation that he would explore for oil and gas there while restoring the resort to its former luster. So far, neither has happened. According to bankruptcy court officials, the next step in the process is for a "creditors' committee" of the corporation's 10 largest unsecured creditors to meet. That meet-

ing has been scheduled for June 8 at 3:30 p.m. in Grand Rapids. A list of those creditors was not available.

After meeting among themselves, the creditors will meet with attorneys for Blaney Properties to discuss how the company will be "reorganized" to pay off its debts.

Then, within 180 days, the company must file a "reorganization plan" detailing how the debts will be repaid.

Although the exact purchase price of the resort was not revealed last year, spokesmen for Nicholson put it at over \$1 million.

Included in the purchase was the town of Blaney plus an airport and golf course that were part of the resort.

The resort was purchased from the Stewart E. Earle estate. Earle was a lumberman, who, after clearing the area of usable timber by the early 1920's, established an exclusive resort on the property. The resort.

(continued on page 4A)

HIGH BLOOD PRESSURE is something nobody can tell if they have unless they get their blood pressure checked regularly. Still, it can cause strokes and heart attacks. In honor of National Hypertension Month, the district health department is giving free blood pressure checks at the hospital's emergency room each Friday in May. Here, Bernard Lancour undergoes the painless test.

## Stay off of the runway!

Besides flowers, green leaves and warm weather, spring brings along with it a rather unusual problem for Vern Bernard, manager of the Schoolcraft County Airport: an abundance of cyclists running across the runway and interfering with air traffic.

If that sounds like a stupid, dangerous thing to do, it is. That doesn't seem to deter the cycles—all types, according to Bernard—which take advantage of the spring weather to create an unnecessary hazard for themselves and pilots using the airport.

"Every year around this time, it seems to create this activity," Bernard noted. Most of the offenders are young—between 13 and 16 years old, Bernard said. They ride their cycles across the runway, be they bicycles, three-wheeled all-terrain cycles or, the biggest problem, off-road motorcycles.

"We're trying to save their lives by keeping them off of there. We don't want to see any of these kids chopped up by a propeller," Bernard said.

"Every year around this time, it seems to create this activity," Bernard noted. Most of the offenders are young—between 13 and 16 years old, Bernard said. They ride their cycles across the runway, be they bicycles, three-wheeled all-terrain cycles or, the biggest problem, off-road motorcycles.

"I think the parents should be made aware that, if the kid takes a spill and the plane is coming down and hits them, you're talking a possible fatality, not just the child but the pilot as well," Harrell said. "I don't know if it's just the parents not knowing about it or what," Harrell said, but noted that if caught, the trespassers face prosecution.

Those under 16 would be sent to probate court, according to County Prosecutor Bruce Plackowski. Adult offenders will face a misdemeanor charge.

## Woman's Club named state club of the year

The 87th Michigan State Federation of Women's Clubs Convention held in Marquette May 13-15 saw the Manistique Woman's Club awarded the highest honor presented at any club, the State Club of the Year Award.

The award was signed by the International General Federation of Women's Clubs President Mrs. Lucile Shide and is the first time in the history of the Manistique Woman's Club it has won this award in the category of 40 members and over.

Manistique was chosen from 243 clubs in the State of Michigan and judged on a 10-page report submitted by Marge Richards, past president of the club.

Other first place awards were: Membership-First place in district and state with most new members, 52, signed up during the past club year.

First place in Leadership Development.

First place in the beautification division of the conservation department which involved the Paul Bunyan Project in Pioneer Park, turned best overall in Conservation.

Third place in the State went to the

Hazel Higson  
Mrs. Federation

local club in Crime Reduction, out of 103 entries.

Second Place was awarded to Marge Richards for traits for a hand-crocheted tablecloth.

A certificate for the club being 100 percent trained in CPR was also awarded. One-half of the club belongs to the Schoolcraft Memorial Hospital Auxiliary.

The club received the highest number of points in the state, with 507 points. The nearest competing club had just over 300. Each club is awarded points for reports submitted on activities in which they are involved.

A certificate was awarded for outstanding achievement as the local club tripled the individual and club contributions to Griston, the state federation's project.

A certificate of appreciation was given to Richards for her work as Upper Peninsula Crime Reduction Chairman.

A certificate from Free Enterprise for a sophomore from Manistique High School, Debbie Hedberg, was given so she could attend the Hugh O'Brien Youth Foundation Workshop.

Richards was installed as president for District 5 of the GFWC Michigan State Federation of Women's Clubs District by GFWC International President Shide. Richards also served as General Chairman of the Convention. She served as President of the Manistique Woman's Club from 1979-1981.

Margaret Taylor served as chairman of the convention pages and hostesses. Delegates to the convention who assisted with page and hostess duties were Lorraine Rungtette, Ruth Morgan, Vi Frederickson, Dorothy Hoholik, Cindy Pawley and Taylor. Frederickson served also as convention pianist and Hoholik acted as page to GFWC International President Marjorie Shide.

Hazel Higson was presented with her Outstanding Service work to the Manistique Woman's Club, by Mrs. Darlene Berent, President of the MSFWC. Accompanying Higson to receive the award were club members Helen Hase and Dorothy Brylin.

**THE JUNIOR NATURALS** were one of many acts in the amateur talent show held last weekend to

benefit education in the area. This group was a prize for its performance in the "youth group" category.

The talent show and a dance and raffle raised over \$900 to go to area schools.

## Pasty Sale

United Methodist Women will hold a pasty sale on Wednesday, May 26 and Thursday, May 27 at the church. Advance orders may be placed by calling 341-6662.

## '32 reunion meeting is May 24

The Manistique High School Class of '32 reunion committee will hold a work session on Monday, May 24, at 6:30 p.m. in the board room at the high school. All local members should return their biographical sketch for the program.

Sharlene Mathson

## Sharlene Mathson is engaged

Sharlene Mathson, daughter of Mr. and Mrs. Edward Mathson, recently announced her engagement to Gregory Keenan of Marquette. She is a graduate of Northern Michigan University and he is a student at Northern.

## United Methodist

The Chancel Choir of the First United Methodist Church will practice at 7 p.m. on Thursday, May 20. UMW and boy's night will be held on Monday, May 24 at 6:30 p.m. The Pastor-Parish committee will meet at 7 p.m. on Tuesday, May 25.

Marion Ruth Head

## Marion Head plans wedding

Mr. and Mrs. Dean Head, of Cooks, announced the engagement of their daughter, Marion Ruth, to Eric Winter, son of Mr. and Mrs. John Winter of Cobourg, Ontario, Canada.

She is a 1978 graduate of Big Bay de Noc High School and a 1982 graduate of Bob Jones University in Greenville, S.C.

He is a student in a ministerial course at Bob Jones University. A June 12 wedding is planned.

## TOWN TALK

Don and Nedra Dissinger returned Saturday from an extended visit with their son Mike and his family in Mission Viejo, Calif.

On the way home they visited Nedra's kinfolk in Ft. Worth, Ponca City, Ohio, Kansas, Neosho, Mo., and Don's sister in Illinois.

They report a good time and no troubles along the way.

## Gerald Matchinski assigned to Texas

Airman Gerald L. Matchinski, son of Lawrence L. and Susan M. Matchinski of Manistique, has been assigned to Sheppard Air Force Base, Texas, after completing Air Force basic training.

During the six weeks at Lackland Air Force Base, Texas, the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree in applied science through the Community College of the Air Force.

The airman will now receive specialized instruction in the aircraft maintenance field.

He is a 1978 graduate of Manistique High School.

## Norton is named national award winner in band

The United States Achievement Academy announced today that Darcy Ann Norton has been named a 1982 United States National Award winner in Band.

This award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes less than 5 percent of all American high school students.

Darcy Norton, who attends Manistique High School, was nominated for this National award by Dan White, a band teacher at the school. Darcy Norton will appear in the United States Achievement Academy Official Yearbook, published nationally.

The Academy selects USAA winners upon the exclusive recommendation of teachers, coaches, counselors or other school sponsors and upon the Standards for Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to

learn and improve, citizenship, attitude and cooperative spirit, dependability, and recommendation from a teacher or director.

Darcy is the daughter of Curtis and Lucille Norton. The grandparents are Helen Schauer of Manistique and Stanley and Hazel Norton of Manistique.

## Tims, Hoig are wed

Mr. and Mrs. Melvin C. Tims of Glendora, Calif., announced the marriage of their daughter DeAnna to Lance Corporal Kelly Hoig. The ceremony was held at the home of the bride on May 1.

Out-of-town guests were Mr. and Mrs. William Hoig of Curtis, parents of the groom. A party will be held in Kelly and DeAnna's honor June 25 at the Curtis Fire Hall.

**At home with Sarah**  
by Sarah Bursall

Texas Sheet Cake is very popular here in Manistique. A sheet cake, as the name implies, is made on a cookie sheet. It goes further, is easier to serve especially for children, and is easier to make. This **Chocolate Buttermilk Cake** can be made this same way and is a most delicious cake. And it can be made into a three layer cake if that is what you prefer.

**CHOCOLATE BUTTERMILK CAKE**

1 cup oleo	1 1/2 cup cocoa
2 cups sugar	2 1/2 cups baking soda
2 eggs	1 teas. salt
1 teas. vanilla	2 cups buttermilk
3 cups flour	

Cream shortening, add sugar. Add eggs and beat well. Add vanilla. Mix dry ingredients together and add alternately with buttermilk, beating well after each addition. Pour into greased cookie sheet (12x18). Bake 30 minutes at 400 degrees.

If you are making layers, put dough into two 8 in. greased and floured layer pans. Bake 350 degrees for 35 minutes.

**ICING for Sheet Cake.** (Make while cake is baking)

Melt 1 stick oleo. Add 4 tbl. cocoa and 5 tbl. milk. Pour in 1 lb. powdered sugar (3 1/2 cups). Add 1 teas. vanilla. Mix well. Frost cake hot from oven. Let cool before cutting.

Sarah says....to keep ice cream cones from becoming soggy and drippy, put a marshmallow into the bottom of the cone and it will absorb the melted mess.

Food for thought...."A man indifferent to food is not only uncivilized, he is without a soul." Louis Bromfield.

**Tyrrell elected as honored queen**

Members of Job's Daughters of Bethel 69 entertained their mothers at a regular meeting last Tuesday night.

An election was held with Judy Tyrrell being elected as honored queen; April Klaus, senior princess; Diane Hoffmeyer, junior princess; Beth Arnold, guide; and Heather Missunas, marshal. Installation of officers, both elected and appointed, will take place at a public meeting Saturday, June 12.

Tina Hayner, currently reigning honored queen, reminded the girls of Go-to-Church Sunday. The girls supported her request by accompanying her to the First Baptist Church on Sunday.

Announcement was made of the appointment of Heather Missunas as grand, Bethel representative to the state of Iowa.

June 17 and 18 were dates announced for a garage sale and the girls were asked to start collecting items.

Each girl read a poem for her mother and refreshments were served.

**Becky Lakosky graduates from fashion course**

Becky Marie Lakosky of Manistique is one of the career graduates who will receive a diploma from Patricia Stevens Career College of Milwaukee in commencement exercises to be held on Saturday, May 29, 1982 at Uhlstein Hall of the Performing Arts Center.

The Commencement Address will be delivered by Mrs. Jill Briscoe, lecturer, author, and media personality.

Lakosky is the daughter of Mr. and Mrs. Kenneth Lakosky of Manistique. She will graduate from a nine-month Accredited Fashion Merchandising Course.

# Editorial

The voice of Schoolcraft County since 1876.

## City Manager Not public's concern?

Maybe it's something in the air, but the month of May seems this year at least to be a month for firings and rebirings.

First we had the fiasco of a bungled behind-the-scenes attempt to get rid of the hospital administrator by the hospital Board of Trustees. When thrashed out in an open meeting, the board decided to give the administrator another chance (see story, page 1A).

Now the city manager has gotten into the act, first giving Public Safety Director Joe McDonough a two-week notice last Friday and rescinding that notice Sunday afternoon.

Again, the reasons for the firing and subsequent rehiring are murky at best. And, again, the reasons for the marksmanship seem to be deliberate. City Manager John Matthews deserves special criticism for making no attempt to clear up exactly what happened. Indeed, Matthews apparently feels that his reasons for firing McDonough one day, and changing his mind two days later are nobody's business but his own.

Matthews was quick at Monday's City Council meeting to accuse the media of spreading "nothing but lies" about why McDonough was fired but in the same breath refused to say what the lies or the truth in the matter are.

All he would say was that McDonough was not fired because he sent both city squad cars out of town Friday to assist the state police, leaving none within the city for emergencies. That's what McDonough thought, and still thinks, the reason was for his firing.

So the public, which pays not only McDonough's salary but Matthews' as well, is left with nothing but a refusal by the city manager to confirm a reason for McDonough's firing.

Some insight into Matthews' attitude toward the public which he supposedly serves may be gleaned by a comment he made Monday. "The public is not a party to this," he said.

Really? Not a party to why the head of city administration decided to fire the city's chief law enforcement officer for the past 12 years? If any decision could be described as concerning the public, we couldn't think of a better example.

For Matthews to blithely ignore the public's interest in this matter is, to us, a serious breach of his duty and smacks of an arrogance not befitting a city manager. We concede that, in a technical sense, Matthews is responsible only to the City Council, but in a larger, cruder sense, he must answer to all of us.

We include the City Council in our criticism, since it could have directed Matthews to clear this matter up. Until it is, we feel the questions surrounding the issue will fester and hurt McDonough, Matthews and the city.

By the same token, unless the questions are answered, the public is left with the impression that city business is, after all, none of its business.

## He's confused, too

Dear Editor: I'm confused. Maybe you can help me out. I was once under the impression that we lived in a society that subscribed to the theory of government by the people. In light of current events in our city and county I'm not so sure anymore. We have witnessed the firing and re-hiring of public employees, but the means of doing these things have been kept from us.

I am not taking issue with whether or not there is justification for discipline of public employees. Certainly there must be responsibility for work that is being done or being neglected. What is lacking, however, is a sense of responsibility to the people of the county and the city. A city manager and a chairman of a board are also accountable for their actions because they hold a public trust.

I am astounded that meetings can be held behind someone's back to consider firing them. As has been pointed out, such a meeting is not only unethical but is also illegal. At first the board refused to comment on their reasons for the decision. Happily for us they did a turnaround, held a public meeting, and became responsive to the questions that came from the public.

The real alarm comes from our city manager. "The public is not a party to this." When it comes to firing the city's public safety director, can any public official really believe that the "public is not a party to this?" Certainly, the city manager has the responsibility to manage the business of the city. He has a responsibility to the city council and they in turn are responsible to the people of the city. He is accountable to the public. The city council must make him face up to that responsibility.

When it comes to the management of public trusts, the public by necessity is a party of what is going on. The public, therefore, has a right to know what is going on. It is totally inexcusable to say that there is no accountability. I am waiting, then, for an acceptable response to the question of "why?" If the President of the United States cannot escape that question, then how can our city manager?

I'm waiting for an answer. Jay Martin Manistique

## McDonough thankful for local support

Dear Editor: I would like to thank the people of this area for their support during my recent crisis. There are really no words to express the gratitude my family and I feel towards you. I am overwhelmed. The support came from people of all ages and all directions. It was unbelievable.

My greatest hurt came from the mental anguish it caused my wife, Evelyn. She couldn't eat or sleep for the two days the crisis lasted. It was only bearable because of your support.

I wish I could find the words to let you know of our true feelings. I hope you will just accept a thank you from the bottom of our hearts. Joe McDonough Manistique Public Safety Chief

## Hospital Administrator rehired on probation

(continued from front page) could still fire Purdy any time before the six month period is over.

The move not to fire Purdy was made by Board Member Glenn Biggall after Purdy said he would like to stay on the job.

"We've had some problems and I've caused some. I hope you would reconsider and let me work it out. I feel I could sit down with Mr. Jenerou and make it work and I'd like the chance to do it," Purdy said.

Apparently, one of the main "problems" between the board and Purdy was over the handling of hiring a comptroller for the hospital. The former comptroller, chief financial officer for the hospital, Arthur Martin, died March 10. According to Kopecky, a committee of the board was formed to screen applicants for a replacement. However, Kopecky claimed, by the time the committee first met, Purdy had already interviewed and implicitly offered one candidate the job.

Also, according to Biggall, "we had a position and it was in fact promised to three different people. Maybe not an absolute promise," but three applicants apparently thought they had been offered the comptroller's job.

Purdy denied offering anyone the job. He noted that the administrator's job included authority to "select, employ and discharge employees." He did concede that the hiring process "was a mess from the very start to the very finish."

Other complaints of the board included poor communication by Purdy with the board. Biggall said the board felt Purdy had negotiated an agreement with Munising's hospital over purchase and shared use of ultrasound diagnostic equipment without the board's consent.

Another complaint was whether Purdy had promised the medical staff a "gamma camera" at a cost of \$150,000 without consulting the board. Purdy denied both an agree-

ment with Munising and a promise to the doctors.

In his defense, Purdy said that board members had not voiced their complaints to him before meeting to consider his dismissal. "Nobody came to me with their problems—no body," he said.

Jenerou had a list of complaints that included Purdy's promise of reimbursement for moving expenses to a new doctor that was subsequently denied by the board; institution of

a new billing policy without board approval; use of hospital workers at Purdy's home and taking an afternoon off earlier this spring.

Purdy called Jenerou's charges "nitpicking."

Jenerou called the illegal charging of the board a "mistake" but denied that he had ever fired Purdy. Purdy claimed Jenerou had asked for his resignation and, when Purdy asked if he had any choice, Jenerou said no. "That, to me, is not resigning,"

## Bonds for senior housing project sold

(continued from front page) Development by August, when bids would be solicited. The project plans call for a 48-unit complex in Manistique and another 16-unit building in Gormaf.

Heard Board Chairman Merwin White appoint Board Members Lind- sley Fretzette and Rick Pawley to a committee to work with the city on construction of an animal shelter.

County Clerk Fred Lesica said a service club could be asked to take responsibility for the park after it is completed.

In other matters, the board: -Heard that bonds to finance construction of the county senior citizen housing project had been sold. Tenpenson told the board that over \$1 million in bonds had been sold last week to allow the \$3 million housing project to begin. He said he anticipated approval from the federal Department of Housing and Urban

## Pat Kelly to leave area

City Attorney Pat Kelly will be leaving Manistique sometime this year, he said Tuesday.

Kelly, 39, who has lived in Manistique for 10 years, confirmed that he plans to leave the area, "probably September or October," but has not decided to where he will move. Besides working as attorney for the city, Kelly is also the lawyer for the hospital Board of Trustees and operates his own law practice.

Kelly moved to Manistique in 1971 after spending three years in lower Michigan as a prosecuting attorney. He lives with his wife and three children near Indian Lake.

Kelly said he decided to leave the area because "I think we would like a little bigger town" to live in. "It's certainly not because we don't like Manistique. We really like the town and there are a lot of fine people here," he said.

Before deciding exactly when and to where he will move, Kelly said he has to finish up his commitments to legal clients. "I've got a practice to take care of first. I say I don't know when I'm leaving because I don't know how long it will take."

## PUBLIC NOTICE

On April 15, 1982, Mighty-Mac Broadcasting Company filed an FM construction permit application with the Federal Communications Commission, Washington, D.C. The proposed FM facility will operate on channel 234 (94.7 MHz) with a power of 100 KW, a transmitter located .5 miles N.E. of Cooks, an antenna height of 500 feet H.A.A.T. and studios located in Manistique, Michigan.

The officers, directors and 10 percent or greater shareholders in the applicant are:

- Donald E. Benson
- Marylan J. Benson
- Laura J. Gilbert
- Glenn D. Bodell
- James W. Britley

A copy of the application and related materials are on file for public inspection at the County Clerk's office, County Courthouse, 300 Walnut Street, Manistique, Michigan.

## Special Contract Homes

An additional income can be earned of \$410.60 per month if you operate a Community Mental Health Special Contract Home. Furthermore, we will pay \$10.21 per day for their therapy.

Community Mental Health has resources currently available to fund three beds, either in the same home or in separate homes.

The criteria you must meet is as follows:

- 1. Good moral character
- 2. Interested in working with the developmentally disabled
- 3. Able to meet all A.F.C. standards for licensing by the Dept. of Social Services
- 4. Must not have any current A.F.C. residents

More information is available at the Community Mental Health Clinic, 115 N. Lake St., P.O. Box 149, Manistique, MI or call 341-6631 and ask for the Client Services Manager.

**THE MOTHER EARTH NEWS**  
**BUILD A \$20 PORTABLE DC ARC WELDER**  
Experimenters Dennis Burkholder, a staff member at MOTHER'S Eco-Village, decided that after scrounging up an old power mower, a set-aside Delco-Remy automobile alternator, and a weary but serviceable 12-volt deep-cycle battery--he had just about everything he needed to build a portable, intermittent-duty, low-voltage, DC welder for those infrequent in-the-field jobs he's called upon to do. Sure enough, after trying a couple of different combinations of the scrap components, he came up with what must be the least expensive (and strangest looking) arc welder ever assembled.

Essentially, the welder is powered by the roughly 50 amps that the Delco-Remy alternator is capable of producing--and is adjusted by varying the speed of the lawnmower engine. But the 12-volt battery is needed to alternate out those surges that occur when the arc is struck or broken. Furthermore, Dennis found that the setup worked a lot more smoothly with two 1-1/2-ohm, 8-amp Chrysler product ballast resistors placed in series with the field of the alternator, to cut the field voltage to about 6 volts. (In fact, without the two resistors, striking an arc would nearly kill the 3-HP Briggs & Stratton engine.)

Considering that the parts for the project are almost all scavenged, the welder is amazingly versatile. For one thing, DC capability is often preferred for smooth sheet-metal work, and our lawnmower unit can have its polarity reversed for changing the penetration and spatter qualities of its arc. However, a few limitations to the tool's capabilities. First, the maximum heat of the arc is about 50 amps, so the device won't penetrate more than about 1/4" into steel. In addition, it's best not to use the welder for more than about 20 minutes at a time, to avoid overheating the alternator. But the thermal overload switch shown in the schematic drawing automatically tells you when enough is enough.

And finally, the unit's low-voltage DC current presents both an advantage and a disadvantage over conventional AC power. Because the voltage of a circuit determines the distance a spark will jump, the rod used with our portable welder must be held steadily close to the surface of the work to maintain an arc. But, because it is a direct-current welder, there's little tendency for the rod to become stuck.

Of course, the most astounding thing about Dennis' welder is how little it cost. The only components that our researcher was forced to buy were the resistors, which he located at the nearest auto parts store. And--even if your storehouse of valuable discards doesn't equal MOTHER'S--you should still be able to purchase the resistors, wires, switches, pulleys (between 1 1/2 and 1.5), depending on the RPM rating of the alternator, and V-belt for less than \$20. When you think about it, a \$20 DC arc welder, with a built-in dolly, might be the workshop bargain of the year!

## Blaney Park goes bankrupt

(continued from front page) patronized by such notables as Henry Ford and various governors of Michigan, included its own bird sanctuary, eight fishing lakes, a golf course, tennis courts and a movie theatre.

The resort was sold and operated by another party for 10 years, but the property reverted to the Earl estate for lack of payment.

Purdy said. Dr. Duane Waters, president of the medical staff at the hospital, read a statement supporting Purdy before the board voted to give Purdy another chance. "We have worked with many different administrators. My colleagues have asked me to say to you that, from our standpoint, Harry Purdy has been one of the best administrators we've had to work with," Waters said.

Sponsored By The Delta County Republican Party  
Proceeds to the General Fund.

The annual District 622 Rotary Conference was held in Iron Mountain Thursday, May 13, through Sunday, May 16. Mr. and Mrs. Clifford A. Lewis of Curtis represented the Manistiquie Rotary and attended the Executive Committee dinner at the DeKorson Inn at the conference following The Bellini Orchestra played.

The Curtis Volunteer Fire Department was called to a fire north of Curtis on H33 but was not needed.

The Volunteer Ambulance Service had no trips this week. The Curtis Area Lions Club held their annual "Lion 200" dinner dance on Saturday, May 15, at the Curtis Fire Hall. A capacity audience filled the hall for the yearly social event.

On June 1 the club will hold its annual charter night dinner and dance. The music for that affair will be furnished by The Ray Tabort band.

A correction on the library report last week—the hours are 12:5 Monday and Thursday and 12 to 3 on Saturday. The story hour is 2 p.m. on Saturday.

The Curtis Ladies Community Aid met on Tuesday, May 11 at the Town Hall. The hostesses were Ilene Kinsey, Mary Soder and Ann Olson. The tables were decorated with little wooden wheelbarrows made by Bob Kinsey. The centerpiece wheelbarrow on the buffet table was filled with jonquils, tulips and forsythia. On the other tables, the wheelbarrows contained growing marigolds.

IT AIN'T EASY finishing that last Monday's meet against Big Bay. In the mile run, as the expression Manistiquie won the meet for its on this Emerald runner shows during second victory of the season.

These were sold after the meeting and the proceeds were donated to the library. A mini-raffle was held for one wheelbarrow filled with artificial flowers and was won by Clara Abbamonte. Everyone enjoyed the delicious variety of luncheon dishes.

Decorations for ten additional telephone poles have been ordered and next Christmas Curtis should be twice as bright.

The members were reminded about the blood bank on June 8 from 7:30 to 9 p.m. Roberta Barton, Frances Lewis and Susie Harlan are on the committee who will be calling for donors. The goal is 50 pints.

Besides the Blood Bank, coming events include card parties for the benefit of the library, the bazaar market on the 5th of July and the Flea Market on August 4.

The nominating committee of Marie Watson, Shirley Burns and Ann Olson presented the following slate of names for the coming year president, Ilene Kinsey; vice-president, Helen Brewster; secretary, Frances Allen; and treasurer, Mari Ann Pickell. The entire slate was elected unanimously and will take office in October.

Teresa Schiffer, director of nursing care for hospice care for the Helen Newberry Joy Hospital explained the hospice services and asked anyone interested in this program get in touch either with her or Moneta Heck.

It was decided to hold a June meeting this year on Tuesday, June 8. The hostesses will be Margaret Schud, Marie Watson and Shirley Burns. All ladies in the community are welcome.

A LOCAL DELEGATION was sent earlier this month to represent Manistiquie Area Schools at the Township Conference sponsored by the Delta-Schoolcraft Intermediate School District. Representing the local school district were (front row, left to right) School Board President Billie Doyle, Kelli Anderson, Kiti Derber, Darla Thomas, Michelle

Gagnon and High School Principal John Miles. In the back row are Mike Provo, Mike Smith, John Quirk and Mike DeSautel.

## Now is time for morels

**DNR REPORT**  
by Carol Schmidt  
Newberry DNR Office

Another great weekend-and with the fresh rain, you can almost see the plant life grow. Each time I look out the office window (and that is quite often as I cast about for appropriate resource information for this column) the leaves and buds appear to be out further than they were minutes earlier. Check your favorite spots for morel mushrooms and arbutus. If you are still filling your bird feeder, you are getting more different kinds of birds than you had all winter-along with flocks of less desirable birds.

**PERCH**-Real good fishing in Drummond Island area in Scotts and Marton Bays for jumbo perch. Cedarville area still going strong; Mackinac Bay and Islington Pt. have been good spots, among other Les Cheneaux bays. In the St. Marys River Perch fishing has been so-so, although some nice catches were made near 9-Mile Road. Other places along the river were yielding mostly small fish, and not too many. Perch fishing in Indian Lake has slowed down a bit, fishermen have to work a little harder to catch them. For a while there, it was a real bonanza. Fair success on perch in the lower St. Marys River; quite a few small ones. Panfish and bullheads also caught. Perch fishing slowed down at Munuscong dyke. Some suckers and bullheads caught along Munuscong River.

**SUCKERS**-Have replaced smelt in the streams. Runs from fair to good have been reported. Milakokia, Manistiquie, Indian, Thunder, Black, Millicoquin, Little Cut, Brevort, Moran, Pte. Aux Chene, Foley, and Albany are some of the streams mentioned. Runs are about at their peak.

**WHITEFISH**-Starting to bite in the upper St. Marys River.

**MEMONINEE**-Fishermen having

intermittent success off the mouth of Blind Sucker, Big and Little Two Hearted Rivers.

**TROUT, SALMON**-Steelhead runs are beginning, but at best, success can only be described as fair. There were all kinds of rainbow in the Black River, but only a few caught. These fish, however, were very large-better than ten pounds. Other runs were reported in Main Corp., North Branch Corp., Cut, Manistiquie Rivers, Albany and Thompson Creeks. Manistiquie River should have some good steelhead fishing as soon as they close the dam, probably later on this week; plenty of fish in the stream. Two Hearted River is still high. Trolling in Grand Marais Bay produced zlich. A few rainbow were caught off the mouth of the Blind Sucker. Brook trout fishing has been nil-they just were not biting in the lakes and streams-apparently the water is still too cold.

Birds and animals in trouble are almost always objects of sympathy for most people. A deep rooted desire to help is often felt by many who find sick and injured animals at our lakes, woods and fields. Children want the bird with a broken wing to be fixed. Concerned citizens call the DNR or request help from DNR workers in the field. Calls for help are received regarding sick and injured wildlife and often these callers assume that there is someone who is ready and waiting to respond to requests for aid for wild animals. Conservation officers and biologists

have scheduled work days and tasks that are highly structured and planned for the entire year. There are no so-called standby personnel, who can go to the aid of sick and injured animals unless such a mission fits in with the schedule of these workers.

Animals are often picked up by the DNR but after pick up there is no one to care for them or funds to provide assistance such as medical supplies or veterinary care. Some day funds and personnel may be available for such services but that day is in the future. There are some wild animal aid centers in areas such as Kalamazoo and Lansing. These aid-to-animal centers are privately funded organizations often staffed by volunteers. There will probably be more of these animal aid centers in the future and hopefully more service will be available.

Many persons are making small animal and bird first aid and convalescence activities a hobby. These people read up on how to sew up cuts, mend broken bones and learn as they practice their hobby. DNR workers do what they can within the framework of time and funds, but as of now wild animals should probably be left to mend on their own. Often if they are picked up there is still no facility or personnel to take care of them.

let your imagination soar...

## NOTICE TO BIDDERS

Sealed bids will be received at the office of the Schoolcraft County Road Commission, Manistiquie, MI, until 4:00 p.m., F.D.S.T., on May 20, 1982, and will be publicly opened and read on that date and time for furnishing Greater Blades (unpaved) 5' x 8' x 4' and 5' x 8' x 4'.

Bidders must conform to specifications of the Michigan Department of Transportation.

All proposals shall be submitted in sealed envelopes plainly marked "Grader Blade Bid".

The Board reserves the right to reject any or all bids, waive defects or informalities, make award of all or any part, as deemed to be in the best interest of Schoolcraft County Road Commission.

ANGEL BORRUEY COMES IN for a landing during long-jump competition during the Mid-Pen Conference finals held last Friday at Gwin. The Emeralds came in seventh of the

# Emerald boys take Big Bay for second time this season

A convincing win by the Emerald boys track team over Big Bay de Noix Mustangs secured over the Black Bears this year, paved the way for the regional track meet to be held at Munising Friday, where Coach Jim Hubbard hopes to qualify a dozen Emeralds for the U.P. finals in Marquette a week from Saturday.

Last Friday, the boys finished seven of eight teams in the Mid-Peninsula Conference championships held at Gwin.

The big goal for Hubbard and his charges at the regionals won't be to finish high in the standings, but to qualify as many Emeralds as possible for the Marquette finals.

Five teams will compete at the regionals: Manistique, Newberry, St. Ignace, Stephenson and host Munising. Of the teams, according to Hubbard, the Mustangs are the class of the field.

"In the regionals, quite frankly, I see it being Munising all the way," he said. "What we want to do there is qualify as many people as we can for the U.P.'s and give our underclassmen a chance to see the big meet. Hopefully they'll qualify again next year and have some experience under their belt," Hubbard said.

To qualify for the U.P. finals at the regionals, Emerald tracksters must finish fourth or better in an individual event. If things go well at the regionals, Hubbard said, "I'd like to see a dozen of our kids place. But it will take a good performance from all of them."

In Monday's victory over Big Bay, Hubbard did get good performers with the Emeralds taking the Black Bears 8-51. That compares to the earlier victory over Big Bay, when the score was 73-59.

For Big Bay, according to Coach Jeff Pierce, it was just a case of not enough depth to compete with the bigger, although still shallow, Emerald squad. "We're just hurting on the numbers," he noted. "We've got some real good people—we just don't have enough people."

Rich Ranguette paced the Black Bears, netting first places in the 800, 440 and 220-yard runs as well as running a leg of Big Bay's first-place finish in the 800 relay. Andy Moore took two firsts for the Black Bears, in the mile and two-mile runs. Corey Potts' 45-foot heave in the shot put was also good for a first place.

Big Bay swept the 220-yard dash, with Ranguette, Craig Williams and Steve Annelin getting the top three spots.

Other than that, though, the Emeralds dominated Monday's meet. Dominating the Emeralds in

the track events was Ed Desjardien, who took three firsts and ran a leg in winning the mile relay. Desjardien took top honors in the 330-yard low hurdles, the 100-yard dash and the 120-yard high hurdles, netting 20 points towards the Emerald victory.

Other first-place finishers Monday were Randy Peterson in the pole vault (10 feet), Mike Godlewski in the high jump (5 feet, 6 inches), Scott Tyler in the long jump (16 feet, 8-3/4 inches) and George Bosanic in the discus throw (119 feet, 5 inches).

In last Friday's Mid-Pen championship meet, Hubbard felt satisfied with the Emeralds performance, even though it was a next-to-last place showing. For one thing, he noted, there was only a one-point difference between the fifth-place finisher, Gwin (12 1/2 points), and Manistique's 11 1/2 points, good only for seventh place.

For another, the competition was plenty stiff, especially in the "weight" events, the shot and discus. All five competitors placing in the discus throw, no Emeralds among them, beat the Mid-Pen record. Norway's Mark Vivaldo set a Mid-Pen record in the shot put.

So Hubbard said, "I thought that, for the vast majority of events, we did as well as could be expected. In a few cases, I felt we could have done a little better if things had gone totally our way."

The highest finish of any Emerald was Godlewski's third place in the high jump with a 5 foot, 9 inch leap. Godlewski's best career jump in competition is 5-10.

Desjardien took two fourth-place finishes, in the 110-meter high hurdles and 300-meter low hurdles. His 42.01-second time in the low hurdles shaves a bit from the team record he set in that event last week, 42.38-seconds in the 330-yard version of the event.

Other top finishers in the Mid-Pen championships were George Bosanic with a fifth in the shot put (43 feet, 10 inches) and Peterson in the pole vault (his 10-foot vault tied him for fourth). In addition, the Emerald relay teams took fifth place in the 800 and 1,600-meter events.

Desjardien took two fourth-place finishes, in the 110-meter high hurdles and 300-meter low hurdles. His 42.01-second time in the low hurdles shaves a bit from the team record he set in that event last week, 42.38-seconds in the 330-yard version of the event.

Other top finishers in the Mid-Pen championships were George Bosanic with a fifth in the shot put (43 feet, 10 inches) and Peterson in the pole vault (his 10-foot vault tied him for fourth). In addition, the Emerald relay teams took fifth place in the 800 and 1,600-meter events.

## Regional meet set Friday

## Lady Bears defeat Manistique girls

The Manistique girls' track team ended its home season on a losing note Monday as the girls were defeated by the Lady Black Bears, 70-52.

Despite the rain and cold weather, several of the Emeralds turned in good performances. In her first attempt at the high jump this season, Nancy Krusic won the event, jumping 4 feet, 2 inches. Barb Desjardien took a third in the same event, jumping 4 feet.

Manistique also captured first and third places in the long jump. Darcy Hamill jumped 13 feet, 8.5 inches for first and Kim Mercer jumped 6 feet, 11.5 inches for a third place.

Lady Bear Teresa Collins paced Big Bay with first place finishes in the 100 and 200-yard dashes. Her performances, along with top finishes by Kelly DeMars in the discus and shot put, gave the Lady Bears 20 points—more than enough to beat the Emerald girls.

Other first-place finishes for Big Bay were notched by Erlene Reno in the mile, Tina Hayner in the high hurdles and Diane Lalonde in the low hurdles.

Gerry Paquin of the Emeralds placed second in the discus with a throw of 77 feet, 4 inches, while a throw of 67 feet, 11 inches gave Donna Paradise a third place.

In the shot put, two Manistique girls placed second and third. Kim Mercer threw 28 feet while Tammy Smith heaved the shot 27 feet, 11 inches.

The rain brought out the best in the relay teams as Manistique won two of the three races. The team composed of Mary McNamara, Shelly Lasich, Darcy Hamill and Lori Brulla won the 800 relay in 2:07.83. The mile relay team also took first place covering the distance in 4:50.35. That team included Jenny Godlewski, Darcy Hamill, Lori Brulla and Shelly Lasich.

In other running events Mary McNamara kept up her winning ways taking a first in the two mile run with 14:01.89. Jenny Godlewski ran the 220 yard low hurdles for the first time and came up with a time of 40.29 seconds, good for a third place. Lori Brulla placed first in the 800

yard run, covering the distance in 2:49.82, in her first try at the 800. Donna Paradise placed third at 3:28.29.

Nancy Krusic placed third in the 110 yard low hurdles with a time of 2:11.28. Shelly Lasich took home first place honors in the 440 yard dash at 68.04 seconds.

In the mile run, Jenny Godlewski placed second with a 6:28.80 and Paula Adams placed third in the same event with a time of 7:46.56.

On May 11, the girls traveled to Newberry to compete in the annual invitational meet. Mary McNamara was the only Emerald to place. She took a fifth in the two mile. At the invitational, Manistique competed against ten other schools from the U.P. and Northern Michigan.

The regional track meet will be held Friday at the Nebel Memorial Track in Munising. Manistique will be competing for the opportunity to travel to the U.P. Finals in Marquette on May 29.

The Emerald golf team had a rough time in all three outings over the past week, coming in third of four teams Monday at Indian Lake Golf and Country Club, placing last at K.I. Sawyer against Gwin, Iron Mountain and Norway last Thursday and coming in last again at Munising against the Mustangs and Norway on May 11.

The Emeralds, under Coach Mike Powers, will wind up the season over the next week with a trip to Manistique's Pictured Rocks Country Club Friday for the Mid-Peninsula Conference championships. On Monday, the boys' U.P. finals will be held at Norway and the girls' finals will be hosted by Iron Mountain.

On Monday, the golf team took third of four teams, with Escanaba taking top honors with a team score of 206. The second-place winner was Munising with 236.

In third place was Manistique with a 240. Craig Hepper was low with a 45. Tied for second with 47 were Dan DeWinter and Corey Miller. Mike Povo came in with a 49 for fourth in the boys' match Norway took first place with a four-man team total of 167. In second was Munising with a 181. In a close third-place finish was Manistique with a 182.

In the girls' golf match, the and Guy Arnold shot a 52.

Barb Rivers-Harris took fourth in the home tournament with a 276.

The girls tied for second with Munising with a 172. Escanaba's complete.

### Randy Hoar memorial trap shoot is Sunday

The first annual Randy Hoar Memorial Trap Shoot will be held this Sunday at the Manistique Rifle and Pistol Club. Randy "Duster" Hoar was a long-time member and a past president of the club. A traveling trophy will be awarded to the high sixteen yard winner in his honor.

The program will consist of 100 16-yard targets, 100 handicap tar-

### Women's horseshoe league

Here is the schedule for play in the women's horseshoe league tonight, Thursday, May 17:

Three Mile I will play Cocks II at the Cocks Bar; Big Springs I will be hosted by Three Mile II; and Cocks I will play Big Springs II at the Big Spring Inn.

### Wednesday ladies' golf

The Wednesday ladies golf league held their second meeting of the season on May 12. Betty Richards from St. Ignace was a guest.

Thirty-four golfers played. The game played was "turn two worst holes back to par."

Winners were Kate LeBassac with a 46; Jackie Villemure, Judy Provo and Sue Bjorne with 46; Gilda Davidson, Kay Ehn, Eleanor Schourer, and Marge Jenerous with 47.

Five tables of bridge were played. Golf Club bridge winners last week were Lauri Barr, Olive Smith, Norma Archambault, Dorenda Warsawsky and Jackie Villemure.

### Fairport softball tournament set

Fairport's first annual open class slow pitch softball tournament will be held June 25, 26 and 27. Entry fee for the double elimination contest is \$65. Trophies will be awarded for first, second and third places, plus individual trophies for the winning team. Plus, trophies will be given to the best outfielder and best infielder.

The first 16 teams to send in money will be entered. Tournament play will use fields at Garden and Fairport. Both fields have new stump-pulled infields. Call Jan Farley at 644-2468 or John Gauthier at 644-2388 for more information.

ANGEL BORRUEY COMES IN for a landing during long jump competition during the Mid-Pen Conference meets held last Friday at Gwinn. The Emeralds came in seventh of the

# Emerald boys take Big Bay for second time this season

A convincing win by the Emerald boys' track team over Big Bay on Monday's second meet at the Black Bay track was part of the win for the regional track meets to be held at Manistique Friday, where Coach Jim Hubbard hopes to qualify a dozen Emeralds for the U.P. finals in Manistique a week from Saturday.

The boys' track team finished second of eight teams in the Mid-Pen Conference championships held at Gwinn.

The big goal for Hubbard and his boys at the regional is won't be to finish high in the standings, but to qualify as many Emeralds as possible for the Manistique finals.

Five teams will compete at the regional: Manistique, Newberry, St. Ignace, Stephenson and host Manistique. Of the teams, according to Hubbard, the Mustangs are the class of the field.

"In the regional, quite frankly, I see it being Mustang all the way," he said. "What we want to do there is qualify as many people as we can for the U.P. and give our underclassmen a chance to see the big meet. Hopefully they'll qualify again next year and have some experience under their belt," Hubbard said.

To qualify for the U.P. finals at the regional, Emeralds must finish first, second or third in an individual event. If things go well at the regional, Hubbard said, "I'd like to see a dozen of our boys place. But it will take a good performance from all of them."

In Monday's victory over Big Bay, Hubbard did get good performances with the Emeralds taking the Black Bear 555. That compares to the earlier victory over Big Bay, when the score was 3-52.

For Big Bay, according to Coach Jeff Pierce, it was just a case of not enough depth to compete with the eight, although still a "halo" Emerald squad. "We're just hurting on the numbers," he noted. "We've got some real good people—we just don't have enough people."

Rich Ranguette pored the Black Bears, netting first places in the 580, 440 and 220-yard runs as well as running a leg of Big Bay's first-place finish in the 800 relay in a 2:50. Ranguette took two firsts for the Black Bears, in the mile and two-mile runs. Corey Pavin's 45-foot heave in the shot put was also good for a first place.

Big Bay swept the 220-yard dash, with Ranguette, Craig Williams and Steve Anselin getting the top three spots.

Other than that, though, the Emeralds dominated Monday's meet. Dominating the Emeralds in

stolen in Wausaukee. A stolen .22 caliber rifle was also found in the truck.

Area law enforcement officers and a plane from Vets. Bernard Flight Service were used in the search for the men. One was arrested in the woods. The second was arrested after a motorist reported a suspicious hunkler on the edge of town. The third was arrested between May 19 and 21.

George Kerman reported the theft of two wheels from a boat trailer last week. The theft occurred while the trailer was parked at his cabin located just off of the Little Harbor Road.

Police said a tractor driven by Richard A. Dalgard of Faverset went off of I-17 and hit a tree on Monday at 4 p.m. Dalgard was not injured but considerable damage was done to the tractor.

Stuart M. Cameron was not injured when the motorcycle she was riding flipped over on the sandhills near the intersection of U.S. 2 and CR49. The accident happened Tuesday at 4 p.m.

## City Police

Only one accident was reported last week by the Manistique Public Safety Department.

According to police, a vehicle driven by Richard W. Gouineau was outboard on Deer St. when it hit the rear end of a vehicle driven by Jerome Peterson. Gouineau was cited for failure to yield.

Four ambulance calls were made last week for a total of 108 calls. There were no fire calls last week.

## Regional meet set Friday

# Lady Bears defeat Manistique girls

The Manistique girls' track team ended its home season on a losing note Monday as the girls were defeated by the Lady Black Bears, 70-52.

Despite the rain and cold weather, several of the Emeralds turned in good performances. In her first attempt at the high jump this season, Nancy Krusic won the event, jumping 4 feet, 2 inches. Barb Dejariden took a third in the same event, jumping 4 feet.

Manistique also captured first and third places in the long jump. Darcy Hamill jumped 13 feet, 8.5 inches for first and Kim Merter jumped 8 feet, 11.5 inches for a third place.

Lady Bear Teresa Collins paced Big Bay with first place finishes in the 100 and 200-yard dashes. Her performances, along with top finish-

ing second with a 6:28.80 and Paula Adams placed third in the same event with a time of 7:46.66.

On May 11, the girls traveled to Newberry to compete in the annual invitational meet. Mary McNamara was the only Emerald to place. She took a fifth in the two mile. At the invitational, Manistique competed against ten other schools from the U.P. and Northern Michigan.

The regional track meet will be held Friday at the Nebel Memorial Track in Manistique. Manistique will be competing for the opportunity to travel to the U.P. Finals in Marquette on May 29.

Two teams will compete at the regional: Manistique, Newberry, St. Ignace, Stephenson and host Manistique. Of the teams, according to Hubbard, the Mustangs are the class of the field.

"In the regional, quite frankly, I see it being Mustang all the way," he said. "What we want to do there is qualify as many people as we can for the U.P. and give our underclassmen a chance to see the big meet. Hopefully they'll qualify again next year and have some experience under their belt," Hubbard said.

To qualify for the U.P. finals at the regional, Emeralds must finish first, second or third in an individual event. If things go well at the regional, Hubbard said, "I'd like to see a dozen of our boys place. But it will take a good performance from all of them."

Rich Ranguette pored the Black Bears, netting first places in the 580, 440 and 220-yard runs as well as running a leg of Big Bay's first-place finish in the 800 relay in a 2:50. Ranguette took two firsts for the Black Bears, in the mile and two-mile runs. Corey Pavin's 45-foot heave in the shot put was also good for a first place.

## CITY OF MANISTIQUE NOTICE OF PUBLIC HEARING ON INCREASING PROPERTY TAXES

The City Council of the City of Manistique will hold a public hearing at 7:00 P.M. on Tuesday, June 1, 1982, in the Council Chambers of City Hall to receive testimony and discuss a proposed additional 1982 City operating millage rate.

Because of a new State Law (Act 5 of 1982), the City's base tax rate is reduced to 19.4726 mills for 1982. However, the City has complete authority to establish the number of mills to be levied from within its authorized millage rate.

In order to maintain basic City services, the City proposes to levy an additional millage rate of .5274 mills (53 cents per \$1,000 SEV) above the 19.4726 mill base tax rate, or a total operating rate of 20.0 mills (\$20.00 per \$1,000 SEV). This will provide an estimated 2.7 percent increase in the City operating revenues. Public comment on this proposed increase is welcome at the public hearing.

Patricia Erickson, City Clerk

Nancy Krusic placed third in the

110 yard low hurdles with a time of 2:49.82. In her first try at the 800, Donna Paradise placed third at 3:28.29.

GRADUATION TIME in Manistique, back in the Thirties (Peter Popouz photo)

Were we friendlier?

## We've lost more than the trees

Old Mr. Brault, the town photographer of the days preceding World War II, had a very acute eye for good photographic opportunities. His shop was just up the block to the left, in this photo, and he must have looked at the sky in the morning just about every day, to see how the light was reflecting and chose the best for his work. For this shot, I can see him now, taking out his big camera and tripod and setting up on the corner across from the State Savings Bank. The light was right, the clouds were right, the trees were in full new bloom, and all was right with the world.

I challenge anyone to contradict my theory that this scene projects more warmth and small-town friendliness than we can now achieve, with today's hardware corner nothing but a blank and the former school site a cold parking lot. Which scene makes you feel better?

The sad part is, the cold impersonal look we now project is reflected in our attitudes which, with the altered scenery, must be the result of what has become known as "progress." We have lost a lot. Weren't we friendlier then? Didn't we have a warmer feeling for others? Did we chase the slimly dollar then as

### Memories Jack Orr

fractically as we do now? Didn't we have a social conscience then for which we were each personally responsible? Didn't we have healthier attitudes of initiative and personal relationships? Weren't we nicer people?

Or are my memories of those days tinted by the rose-colored glasses of time passed and the foolish optimism of youth?

The motto of my graduating class was "We will either find a path or make one." Nowadays we ask the government to pave the path, and they pay us to take it in a new car. And if you don't get your cut of those nice big free pies, you're nothing but a damn dummy.

End of sermon for this week. Getting back to that photo, the man at the left, walking away from the camera, has to be Albert Swanson; no one else had that walk or just that tilt to the cap. Albert was an accomplished cartoonist, and I

don't think many people knew that. Too bad he couldn't develop that talent.

It was graduation time in 1930, and the school paper, the MHS Crier, carried the following story:  
**FOURTEEN APPEAR IN CLASS PLAY**  
Marjorie Musgrove and John Girvin Have Leading Roles; Miss Robbins Director

"The Seniors will make their annual theatrical debut Friday evening when they present 'Man or Mouse.' The play is brimful of colorful and vivid action, and is

further animated by the typical characterizations of a few eccentric characters by members of the cast. 'Pete' Gorsche as Old Proby, an enthusiastic Civil War veteran, keeps his friends entertained with remarkable accounts of his war days, while Jay Parker as Nippy the hotel manager succeeds to get in on all the excitement. Rainbow Runkel, the arm of the law, or Jimmy Arrowood in person, has been marshall for twenty years but loses out in the one and only real fight ever staged in Homestead during his reign.

"The fighting spirit of the race is cleverly portrayed by the heroine, Marjorie Musgrove, as Peggy Lou McFadden. It is through her persistent belief in 'fighting' that the soft city boy-Russell, played by John Girvin-is transformed into a real man

and shows his supposedly harder enemy Joe (George Butters) that instead of being 'yellow' he is pure gold."

"The presentation possesses a very vivid contrast of personalities and this contrast is further brought out by Mr. and Mrs. Van Horn, played by Carlton Pausenheim and Elizabeth Shinar. The former is one of these men who aren't particularly fond of fighting, while his wife is of the very opposite temperament. The hero's fiancée, Miss Hope Willoughby, is the pampered daughter of culture, whose ambition in life is the city. This part is taken by Aileen Waters. The mother and father of Hope are played by Alice Girvin and Carl Carlson. They too are of extremely different characters and lend interest and variety to the play.

"Mrs. McFadden, the mother of the heroine, is ever busied with watching her active daughter and tending her duties as owner of the Homestead Hotel. Marjorie Morrison takes this important part with perfection. Grace Webster and Charles Wilcox as travelers stopping at the hotel introduce the town and its inhabitants and give a not altogether unfavorable impression of the situation.

"The cast, and the directors Miss Robbins and Miss Salmon, have been practicing diligently for the last three weeks and indications point to a complete success. They are deserving of a large audience and assure everyone of an evening of excellent entertainment."

## First National Bank Congratulates the Outstanding Vocational Education Students

SALLY SARTORI, distributive education; Julie Berger, health occupations; Tom Nelson, electricity; and Kevin LaStilla, auto mechanics, display the plaques they received as outstanding vocational education students of the year. One student from each section of vocational education was selected by their peers to compete for the honor. Final selection was made by a panel of judges, which included Joseph Hampton, retired director of I.S.D. vocational education; Jim Almonroeder, I.S.D. special needs counselor and coop coordinator; and Marilyn LaPlant, former I.S.D. vocational instructor. Not pictured is Allen Lezy who received the Joe Hampton award for the entire intermediate school district. The award is given for outstanding performance in vocational skills, leadership and personal development.

In state competition, Tom Nelson placed third in electricity and Kevin LaStilla placed second in heavy equipment repair. Kevin Johnson took second in plumbing and pipe fitting, and Barry Minor took third in brick laying. More than 700 vocational students competed for the state awards.

### Isabella by Mrs. Harvey Sundin 644-2349

Mrs. Ruth Sundin was hostess to the 500 Friendship Club at a Monday luncheon at her home on Monday.

Mrs. Hazel Schwartz was the prize. Mrs. Schwartz will also be the next hostess.

Mrs. John Frankovich will act as hostess to the St. Anne's Altar Society at her home. Members and friends are invited.

Kermitt Sundling is visiting with relatives in Bloomfield Hills and Detroit this week.

Mr. and Mrs. Lew Brammer have returned to their home after spending the winter at Indio, Calif.

Mrs. Dick McClinchy and her daughter, Laurie, visited at Mr. Pleasant with George McClinchy, a music major at Central Michigan University. George took the lead solo in the University's spring concert, playing saxophone. They were joined by Mrs. McClinchy's sister and brother-in-law, Mr. and Mrs. Melvin Druding of Novi, Mich.

Mr. and Mrs. Melvin Groleau of Troy are at their cabin on Mass Lake for this week.

Eric Engle of Lima, Ohio, is at his cabin at Pine Grove to do some fishing.

There will be a card party at the Isabella Community Hall on Saturday evening, May 15, at 7:30. There will be a cash raffle and lunch will be

served. The public is invited to attend.

Mrs. Violet Legault and her son, Donald, accompanied Carolyn Legault to Superior State College at Sault Ste. Marie, where Carolyn will be a student this fall.

Mr. and Mrs. Ken Peterson and their son Scott of Escanaba spent the of Ken's mother, Mrs. Ruth Sundin. Vern Peterson is a patient at the Schoolcraft Memorial Hospital after suffering a slight heart attack.

Mrs. Lillian Laby, Mrs. Hazel Schwartz and Mrs. Ben Moore spent the weekend at the Holland, Mich. Tulip Festival.

Mr. and Mrs. John Moberg of Berkley spent the weekend at their Isabella farm.

Mrs. David (Evelyn) Olson and three children of Bloomfield Hills visited her mother, Mrs. Emily Larson over the Mother's Day weekend.

Mrs. Ruth Sundin and Mrs. Ken Peterson attended the spring concert Tuesday evening at the William Oliver Auditorium. Scott Peterson was the lead tenor in a chorale.

The condition of Agnes Forslund, Vern Peterson and Loreta Nedusa are improving after their illnesses.

Mrs. Lucille Bonifas visited in Munising at the home of Mr. and Mrs. Tom Hasson and family.

Mr. and Mrs. Lew Brammer have returned home after spending the winter in Indio, Calif.

"Great oaks from little acorns grow" is a homily that may well be applied to an organization in Curtis that started with a few neighbor ladies around the turn of the century.

That organization, the Curtis Ladies Aid, will officially celebrate its 65th anniversary this year.

A picture, dated 1916, made by William Grant, records the following ladies who made up the gathering that became the forerunner of the present Ladies Aid. They were Mrs. C. Sherbrook, Mrs. Vine Sherbrook Johnson, June Johnson, Leonard Sherbrook, Mrs. Walt Smith, Ella Mitten, Irene Lavery, Olive Sherbrook, Harold, Rose and Mrs. William Grant, Ellen Jennings Hearn, Mrs. John Lee, Mrs. L. Brown and Mrs. Kate Sherbrook.

Someone has said that behind every successful man stands a woman. "Women-folks" helped the "men-folks" build the homes, survive the isolation and hardships of pioneer living and bring civilization to the wilderness.

The laborious tasks of meeting the basic needs of food, clothing, and shelter included "minding the fires"—water had to be pumped by hand, a reservoir or pan on the wood-burning stove heated the water, clothes were cleaned by scrubbing them on a washboard and ironing was done by hand and the ironing was done with heavy iron sadirons heated on the kitchen range. Cooking, sewing, mending, knitting, darning, soap-making, canning and preserving fruits, vegetables and meat, along with tending the chickens, cows and pigs left little time for neighborly visits.

However, about 1900, a few spirited ladies in Curtis with a lot of "git-up-and-go" felt the need of some "women-talk" and a chance to get together for an exchange of news, recipes, and to feel some relief from the daily toil.

This group may well have been the first, feeble sittings of women's lib in this area-by meeting in one another's homes for a day away from the rigorous toil of those early pioneer days.

Of course, it was nonetheless understood that hands must be always kept busy so the ladies dressed in their "Sunday best" and brought along hand sewing; something they could carry easily such as crocheting, knitting, embroidery or tatting.

Some men scoffed and made fun of "those hen parties."

When Great, a photographer, in addition to being a carpenter, farmer and mason, took a picture of this group of ladies and called it the "Woodchuck Tatting Club."

Throughout the years the ladies have continued to meet as the new generations replaced the old.

As more families moved to Portage Township and the numbers grew, meetings were held in the C. Sherbrook Hall. Later, the Ladies Aid met in the old Curtis School, which stood idle since the building of the stucco school on Long Road. Viola Painter arrived early in the morning to build a wood fire in the old heating stove in the southwest corner of the building. Then, quilting frames were set up and the ladies quilted until noon. A pot-luck luncheon was served, followed by more quilting until time to go home and do the chores.

In 1935, a group split off from the Ladies Aid and became the "West Curtis Quilters Club." In the beginning, they met in the home of Alice Morrison to make their quilts. They later decided to go to a different house each meeting. The original members were Maud Eickelston, Dawn Oberlin, Nina Lavery, Betsy Oberlin, Minnie Tuttle and Alice Morrison. Of their group, only Mrs. Tuttle and Mrs. Morrison are still members. Each member made a quilt for themselves. This continued each week and the club finally added a pot-luck dinner.

The present group of 10-15 ladies still meet in each other's homes and still make beautiful quilts.

### Zion Lutheran

The Zion Lutheran Church Women Joy Group will meet on Sunday, May 23, at 7 p.m. in Augustana Hall to plan the program for the June LCW meeting. All members are urged to attend.

The LCW Quilters will meet on Monday, May 24, at 10 a.m. in Augustana Hall.

Sunday, May 23, will be the last of Sunday Church School for the term. There will be a special celebration during the class period. Classes will resume after Labor Day. Vacation Bible School will be held June 14-18.

LOGO CONTEST WINNER: Stephanie Halling, 11, daughter of Marilyn and Don Halling of Manistique, was the winner of the School and Public Library's contest to

design a logo for the library. The library is observing its 80th anniversary this week and the contest was held as part of that celebration.

**Century-old fan finds new popularity**

Though they are nearly a century old, ceiling fans are experiencing an extraordinary rebirth in popularity among homeowners of today.

Part of the reason for the rise in popularity of the ceiling fan is related to their attractiveness. Newer ceiling fans come in a wide variety of styles which are designed to complement and enhance virtually any decor.

But there is a practical side to the fan's popularity as well. Homeowners who are interested in conserving energy, which translates into the saving of money, are finding that ceiling fans offer much more than just good looks.

In the summer, the ceiling fans are reliable energy savers. The cooling breezes they create can make the temperature seem up to eight degrees cooler than it actually is. In addition, the fans can supplement the air conditioner by keeping the cool air circulated, decreasing the need to operate the air conditioner.

During the winter, the fan, operated at slow speed, recycles heat by pushing rising warm air down to cooler areas where it is needed. This allows the homeowner to save on fuel bills by setting the thermostat at a lower temperature. The savings in utility costs can be dramatic since the fans operate on as little power as it takes to light a 60-watt bulb.

Short-stem mounting kits which are available with many ceiling fans make it possible to mount the fans on ceilings as low as eight feet and still allow seven feet of clearance. The fans are easy to install, even with at-home installation instructions. Solid state controls are also available with ceiling fans, allowing for infinite speed control.

## Insulating Suggestions

### INSULATING FINISHED ATTICS

**STEP 1:** Construct knee walls along sides of attic and collar beams at desired ceiling height. **STEP 2:** Install blanket insulation between rafters and collar beams. The vapor barrier should face in towards warm-in-winter area of the house. **STEP 3:** Use separate pieces of insulation for rafters and collar beams since a continuous piece may result in gaps. **STEP 4:** Install insulation in end and knee walls. Stuff leftover pieces in the small spaces around window frames.

### INSULATING WALLS BETWEEN HEATED AND UNHEATED SPACES

**STEP 1:** Wedge insulation between wall studs. The vapor barrier should face in towards warm-in-winter area of the wall. Note: do not leave faced insulation exposed. **STEP 2:** Use scraps to fill in cracks and small areas around door and window frames.

## For Your Masonry Needs

## Make a room divider to create space

Today's homes and apartments have smaller living spaces with multiple purposes. Here's a simple do-it-yourself room divider to help ease the space crunch and create a sense of more compartmentalized living space. Made with Flexalum Decor Blinds by Hunter Douglas, the room divider provides all the separation needed without most alterations of construction and without interfering with normal air conditioning and heating air flows.

The wood needed for the header and uprights are 2x4's, the end posts are 4x4's and the sill is 2x4's. Follow these eight easy steps:

1. Construct a divider wall in which the blinds will fit. Approximately 25 inches is a good height. That wall should be sheetrock.
2. Cut 2x4 header and 1x6 sill to desired length. Note: sill should overhang about 1/2 inch on end of the divider.
3. Nail header to top of sheetrock wall.
4. Measure vertical height between header and sill.
5. Cut 4x4 to the desired length and locate 4x4 at end of header.
6. Measure width of head and allow 1/2 inch extra. At that point measure vertical height again and cut a 2x4 to measured length.
7. Tie rail in place. Note: with a level, make sure the 2x4 is plumb. Repeat as needed.
8. Install blinds. Note: Size of Flexalum blinds should be determined by dividing the wall into equal parts, allowing for 2x4 space. This is the horizontal measurement. Length of Flexalum blinds is distance between sill and header.

## McClelland's Introducing Pratt & Lambert Pro-Hide Plus

A quality paint at an economical price only **\$8.99** per gal. reg. **\$12**

# TOP 'O LAKE REALTY

131 S. Cedar Street (Downtown)  
Manistique, Michigan 49854

(906) 341-6191

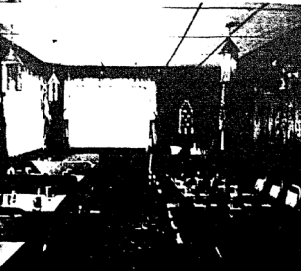

## Commercial

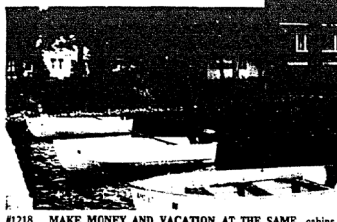

**#1239 SUCCESSFUL UPPER PENINSULA RESTAURANT BUSINESS.** Building only six years old with 2 year old addition, long list of well maintained equipment, seats 80 with dining room and banquet room, shows good profit, all for \$81,500 with owner financing.

**#1216 LARGE COMMERCIAL HEAVY-DUTY BUILDING** just outside of Manistique on County Road 442. Building has all new wiring, lots of space, and is in good physical condition. Priced at \$22,500 with terms available.

**#1155 DOWNTOWN MANISTIQUE.** Former Vogl Studio, 3 bedroom home suitable as a residence or commercial use. 49.5 feet frontage on S. Cedar Street. Gas, hot air heat, \$29,900 available with Land Contract terms.

**#1218 MAKE MONEY AND VACATION AT THE SAME TIME.** Picture yourself living at GREEN GABLES RESORT on the shore of beautiful Milakola Lake, 63 miles west of the Mackinac Bridge, one-half mile south of U.S. 2. Live in a lovely brick-faced home while you enjoy the income from 6 modern

**AMERICA'S NUMBER 1 TOP SELLER, CENTURY 21**

cabins. This resort is complete with all the equipment necessary for you and your guests to relax, fish, hunt, boat, swim and hike through many acres of State and Federal owned forests. \$94,500 cash, \$100,000 owner financing.

**#1259 COMMERCIAL BUILDING FORMERLY McNALLY MOTORS** located East of Manistique on US-2. Building has approx. 3,212 square feet, 359' on US-2, Special financing available at First National Bank, priced at \$74,500.

**#1055 COMMERCIAL BUILDING WITH OVER 2,700 SQUARE FEET** ideally located at the busy intersection of U.S. 2 and Fayette State Park access road. Great potential for a bar or restaurant. Two bedroom homes also on the property. All for \$85,000 or the property could be divided.

**#1173 VACANT COMMERCIAL PROPERTY** - Approximately 12.3 acres located on US-2 just east of Manistique. Slightly rolling with approximately 1/3rd cleared, with a circular gravelled drive and parking area. Was used for a mobile home sales business. Suitable for commercial development. Overlooking Lake Michigan. Priced at \$132,500.

**#1275 218 FEET OF COMMERCIAL FRONTAGE** on Deer Street, with paved parking area, and a class "C" liquor license. Priced at \$65,000 with terms available.

**#1207 COMMERCIAL LOT** located on main business route through city of Manistique on Deer Street between Larsen's Landing and That Pet Place, is cleared and ready to build on. Priced at \$5,000 cash.

## Farms

**#1070 112 ACRES** is offered with this extensively remodeled four bedroom home, located in Cooks. The home has lots of living space with a family room, formal dining room and modern kitchen. Well insulated for easy heating. Large pole building on property that is partially wooded, partially cleared. Priced at \$63,500.00

**#1240 THIS SMALL FARM HAS A THREE BEDROOM HOME.** There is also an older barn, buildings need repair. The property has approximately 22 acres tillable and 20 acres with hardwoods. Priced at \$22,000 cash or \$23,500 with terms.

**#1006 FIVE MILES EAST OF MANISTIQUE** on River Road. 135 acres with hardwoods, 40 acres cleared. Power and phone lines on property. Attractively priced at \$39,500. Negotiable terms.

**#1243 160 ACRES OF FARMLAND** in the Cooks area, 130 acres tillable-30 acres wooded, county road on two sides, \$42,000 possible terms.

**#1167 15 ACRE PARCEL** zoned commercial with 1,530 feet of frontage on US-2, located 1 mile west of Garden Corners, at \$16,500 with terms available. You pay less than \$11 per front foot.

**#1202 40 ACRES** located 1 1/2 miles west of Manistique on County Road 442. Property is wooded with conifers and white birch. Area near Co. Rd. is low. Sand ridge near west boundary and rear of property. Priced at \$4,900 cash.

**#1226 VACANT BUILDING SITE** with septic tank and point for water, power and phone available, approx. three miles east of Manistique. Priced at \$5,000 cash.

**#1235 160 ACRES OF WOODED UNDEVELOPED PROPERTY** located 2 miles east of Garden adjacent to state land-ideal hunting acreage priced at \$21,000 cash or terms.

**#1246 24 ACRES** m/1 located on Indian River Road only two miles from Manistique near Indian Lake. This property has frontage on two paved county roads, and is wooded with conifers and some large pine. Priced at \$12,500 with terms available.

**#1136 GARDEN:** Vacant lot with 100' of frontage on County Road 483. Adjacent to Garden Center. \$3,500.

**#1006 FIVE MILES EAST OF MANISTIQUE** on River Road. 135 acres with hardwoods, 40 acres cleared. Power and phone lines on property. Attractively priced at \$39,500.

**#1142 NEAR INDIAN LAKE:** 200' x 350' parcel located on east side of Indian Lake on County Road 441. 12' x 12' building with electricity. Gravel drive. \$5,700.

**#1235 160 ACRES** of wooded undeveloped property located 2 miles east of Garden adjacent to state land - ideal hunting acreage priced at \$21,000 cash or terms.

**#1206 38 ACRES** near Manistique and Indian Lake on paved county road - partially low with high ridges running across property - small cedars and other conifers - much of this property has been cut over recently. Priced at \$5,900 cash.

**#1192 LAKE MICHIGAN HEIGHTS SUBDIVISION** - One of Manistique's newest subdivisions. This lot located 1 1/2 miles east of Manistique overlooks Lake Michigan, wooded with hardwoods. Utility services underground. Blacktopped drive serves the property. Priced at \$7,500 cash.

**#1005 U.S. 2 WEST 5** acres just west of Manistique with 400' frontage on U.S. 2. Priced to sell at \$8,500 with terms.

**#1232 TWO VACANT LOTS** located in the Harrison Beach Subdivision near Indian Lake. Choice building lots, wooded with large pine trees, near Lake access. Priced at \$2,500 cash.

Only a partial listing of the many properties we have for sale.

## Waterfront Property

**#1033 SMITH LAKE:** 278' of beautiful frontage is attractively wooded and adjacent to some of the nicest homes on this private lake. It features approx. three acres and slopes gently to the lake. \$19,500 with terms.

**#1141 LAKE MICHIGAN:** Over 520' of wilderness frontage, near the tip of the Garden Peninsula. Property is heavily wooded. Stone beach. \$15,000.

**#1263 147' OF FRONTAGE ON KATES BAY ON THE GARDEN PENINSULA,** partially cleared (nice building and/or garden spot) cedar covered slope down to lake, stone beach, road built down to the lake. Great view of Big Bay de Noc. Priced at \$8,500 cash or \$9,500 terms.

**#1251 101 FEET M/L ON SMITH LAKE.** This parcel has gravel drive, septic and drain field and water point already in. Ready to build. Boat dock also included. Priced at \$12,000 terms.

**INDIAN RIVER FRONTAGE PARCELS:**

**#1265 Double Lot - Tennants Drive West** \$12,500 terms

**#1266 Single Lot - River View Drive** 7,500 terms

**#1268 Triple Lot - River View Drive** 27,000 terms

**#1269 Double Lot - River View Drive** 16,000 terms

**#1270 Single Lot - Rivers Bend Subd.** 7,500 terms

**#1219 VACANT RECREATIONAL LAND,** partially cut over, covered with mixed birch, cedar and conifers. Approximately 1,500' of Lake Michigan frontage, sandy with some rocky areas. \$102,000 cash.

**#1208 & #1209 TWO WATERFRONT LOTS LOCATED ON THE GARDEN PENINSULA,** approximately 5 miles south of Garden Corners on Co. Rd. 483. Lot sizes 190' x 650' and 200' x 750'. The larger lot has an unfinished log cabin on the property which is 1/3 clear and 2/3 wooded - mostly cedar, stone beach, private but easily accessible. Nice home or cabin site. Both priced at \$12,000 with terms available.

**#1220 OVER 900 FEET OF FRONTAGE ON SMITH LAKE.** Parcel is high and dry, frontage wooded with white birch and mixed conifers. Approximately 5 acres open along county road. Priced at \$50,000 cash or terms.

**#1279 THIS LAKEFRONT PROPERTY** is landscaped w/lawn, garden spot and improved shoreline. A roadway to building spot is all that's necessary for that cabin or home on the lake.

**#1061 PENINSULA PARADISE** a rare opportunity - nearly four miles of raw frontage with a private harbor on the Garden Peninsula - mostly hardwoods \$400,000.

**#1190 SECLUDED WILDERNESS FRONTAGE** - scenic view of the Islands off the tip of the Garden Peninsula and the Fairport fishing docks. Two track road access - heavily wooded - stone beach. Priced at \$16,500 cash or terms.

**#1180 MICHIBAY SUBDIVISION** 2 lots with sand beach near Lake Michigan. Area on road is wooded with conifer trees. Priced at \$8,000 each for cash or \$8,500 each with terms.

**#1274 TWO LOTS** located just south of Paul's Sport Shop near Indian Lake, on County Road 441. 120' of paved road frontage. Priced at \$2,500 cash.

**#1161 SECLUDED RIVER RETREAT** in state and industrial forest area, covered with dense stands of merchantable and pole sized hardwoods and conifers. Excellent building site overlooking the West Branch of the Manistique River. Sites like this are hard to find. \$16,500 available on Land Contract.

**#1182 EXCELLENT BUILDING SITES** with sand beach, mixed woods, good access, power, fishing and hunting located on Big Bay de Noc - near schools. Priced from \$15,450 to \$19,750.

**#1132 1320' OF BEAUTIFUL HIGH CLIFF FRONTAGE** overlooking Big Bay de Noc. 24.5 acres most of which is cleared. Wooded near the bluff. Some tillable acreage. \$29,700 - 10 percent Land Contract terms offered.

# Senior Citizens

by Diane McClelland

I can't think of a more pleasant day than last Sunday. We had our Mother-Daughter Banquet and Style Show and everything was just perfect. Everyone looked so pretty and all the happy smiles were made my day.

The men served us a meal that was fit for a queen. We had chicken, dumplings, mashed potatoes, cold salad, peas and carrots, rolls, bread and strawberry shortcake for dessert. Everything was absolutely delicious. The crew certainly deserves a big thank you for all the hard work they did for you! Bill Marzau, Bill Olsen, Bill Washburn, Lyle Wilson, Clyde Wolf, and Paul McClelland. Thanks, guys, for a job well done.

Before our Style Show began we were entertained with three lovely songs sung by Luanne Kauppila who was accompanied by Sister Margy. Eris Webb served as our toastmistress for the evening. As the models were introduced they walked to music played by our own Tillie Tennant.

Our Style Show was made most enjoyable by five lovely ladies and their fashions from our local stores. We wish to thank the models: Faye Anderson, Dorothy Cook, Leona Matney, Jerry Sleeper and Emma Wilson and the stores: Ben Franklin, J.C. Penney, LaMar's, Sore, Peoples Store and The Vogue. We appreciate the participation of the

## Senior Citizens Activities

The activities for the Area Senior Citizens Center are as follows for the week of May 21 through May 27:  
**Friday, May 21-Blood Pressure Clinic-10:00 a.m.-3:00 p.m.-Bertha Davis, Nurse-Nonon Meal-Cards at the Center-1:00-4:00 p.m. (Please line up your own table).**

## Band plans charity raffle

The Schoolcraft County Citizens Band (CB) Association is presently holding a raffle to support local charities. Being raffled are first prize, a homemade quilt and second prize, an ultra-lite combo fish rod and reel. Tickets are \$1 each and are available until June 25 from any association member.

Some of the club's activities are as follows: handling traffic control for the CBC radio-telethon at the high school parking lot, donating Christmas fruit baskets to residents of Oak St. Manor, Sunshine House and Manistique Manor, donating money to U.P. schools for winter Olympics and to the CBC drive.

Forty years' service to Schoolcraft Memorial Hospital is represented by the employees pictured here. Service plus were awarded last week. National Hospital Week, and on hand to receive them were left to right: Mary Lynda (five years), Kathy Peterson (five years), Gable Wood (15 years), Mary Prater (five years) and Betty Levin (10 years). In all, 18 employees, representing a combined career of a half of employment at the hospital, received pins.

## Foresters hear reports

Twenty-one women of Court 992 of the National Catholic Society of Foresters gathered at St. Francis de Sales Church for a Eucharistic Celebration on Tuesday, May 11. The Rev. James Measpone, chaplain of the court, was the celebrant of the 5 p.m. Mass.

Following the service, the Foresters met at the Surf Restaurant for a dinner meeting and card social.

Recording Secretary Dorothy Conlin reported that the home office had responded with a monetary donation after receiving a news report from Junior Director Mrs. Robert Clement regarding the latest junior activity. Mrs. Matt Weber presented the Court with greeting cards she had obtained for the visiting committee chairman.

Mrs. Conrad Jahn, member of the Parish Centennial Committee, thanked Dorothy Conlin and Mrs. Jack Phillips for the preparation of historical data compiled pertaining to the society and for securing pictures of the 1932 Drill Team and the 1950 Junior Court Charter members. This information will be included in the commemorative book being printed in conjunction with the St. Francis de Sales Parish Centennial celebration next summer.

Receiving awards for high scores in card play were Dorothy Conlin and Mrs. Inez Willcock.

The next meeting of the Foresters is scheduled for 7:30 p.m. in the Library of the Parish Center on Tuesday, June 8. President Mrs. Don Hoholik said that plans for the annual picnic and summer meeting will be made at this time.

## Highland Games set for July

The 49th-Field Regiment Royal Canadian Army-a pipes and drums corps-will be coming on Sunday, July 25, as part of the annual Highland Games.

The concert, games and fun will begin at 1 p.m. at the Doyle Community Building and grounds. Persons interested in assisting with the games are asked to call Katherine LeBrazier at 341-5392 or Lois MacGregor at 283-3535.

The History of the Lakeside-Central School County Chapter of Retirees was reviewed by the Schoolcraft County Chapter of Retirees at their May meeting. After further personal, the book will be turned over to Schoolcraft County Historical Society.

## PUBLIC NOTICE

The Six-County Consortium for Employment and Training announces its intention to submit to the Michigan Department of Labor, Bureau of Employment and Training, a modification to the FY 82 Annual Plan for CETA Title IV-Summer Youth Employment Program (SYEP) for Fiscal Year 1982.

- This modification incorporates two items:
1. Revisions designed to accurately reflect program components including: summer work experience, on-the-job training, classroom training, and employability skills training for in-school youth 14-21 years of age.
  2. Revisions designed to reflect Fiscal Year 1982 SYEP full funding.

The modification to the FY 82 Annual Plan can be reviewed during regular business hours (8:00 a.m.-4:30 p.m. EST, Monday-Friday) at the Consortium office at 2415 First Avenue North, Escanaba, MI; telephone (906) 789-9732.

Comments concerning the modification should be directed to the above address.

Gulliver to M-77

# Work on US2 begins May 17

Four new highway construction projects will get underway this summer on US-2, a top priority in the Michigan Department of Transportation's statewide highway program.

Upgrading of the east-west highway across the Upper Peninsula is scheduled for each of the next several years. Much work has been completed on the 373-mile highway.

Work is expected to begin May 17 in Schoolcraft County, on a nine-mile stretch between Gulliver and M-77 (Blaney Park). The project includes recycling of the pavement and resurfacing with new, higher grades. For the first five miles east from Gulliver, traffic will be detoured on county roads 432 and 433. Traffic for the remaining miles to M-77 will use

a temporary road built along side of existing US-2. The \$2.59 million project is expected to be completed in the fall of 1983. The contractor is Construction Co. of Iron Mountain.

Another project, scheduled for a June start, is on a 4.2-mile segment between Hiawatha Trail near Epoufette and Worth Road just west of Brevort in Mackinac County. The work will include repair of joints and resurfacing, causing only intermittent traffic slowdowns. The project will be completed at the end of the summer. The contractor is Baco Construction at a cost of \$458,000.

Also set to begin in June in Mackinac County is a resurfacing

and recycling project on a nine-mile stretch of US-2 from just west of Borgstrom Road in Hudson Township, east to just east of Hiawatha Trail in Hendricks Township. The project includes construction of eight-foot paved shoulders along the north side of the highway and 10-foot paved shoulders along the south side. The work will be completed this fall. Bids will be let May 19.

Construction work on nearly 12 miles of US-2 from just east of Manistique and continuing east to Gulliver in Schoolcraft County will begin in June. The project includes resurfacing, joint repair and construction of eight-foot paved shoulders, and should be completed this fall. Bids will be let May 19.

STUDENTS AT MHS got a chance to see first-hand how the business of the school district is conducted last week. In honor of Student Government Day, observed Monday, high school students were elected as government officials. Shown here

School Board "members" and sat in on last Tuesday's meeting. Other students similarly filled in for the week. In honor of Student Government Day, observed Monday, high school students were elected as government officials. Shown here

with their adult counterparts are: (seated, left to right) Board Member Lloyd Spencer and Barb Lakowky, Sue Clement and Board Member John Hendricka, Robb Welch and Board Member Jamie Moffat. Board

Member Bill Bowman and Lori Schnurer. Standing are Board Member Dick Stoll and Randy Patz and Board Member Bruce Steinhilber and Cherry Maddox.

## Now's time to fix up mailboxes

Now that the snowplows have been put away, the Postal Service is urging postal patrons—and especially those on rural routes, city curbsides and highways—to turn their attention to repairing and improving their mailboxes during Mailbox Improvement Week, May 17-21.

"This winter was especially rough on mailboxes," said Manistique Postmaster Dennis Livermore. "Now the effects of weather, vandalism, abuse and neglect are evident in leaning support posts, rust and corrosion, broken hinges on doors and missing box numbers and names."

Noting that rural carriers alone serve more than 15 million boxes daily, Livermore said a damaged or improperly placed box will make it more difficult for rural letter carriers to leave those special letters and packages. "Of course some boxes may only need painting," he said, "but others may need to be replaced."

Livermore said the Postal Service has restrictions on the type of mailbox customers may choose. Rural customers must erect mailboxes which have been approved for use on rural routes. Should customers prefer a custom-made mailbox, it must meet certain standards for size and

strength and be approved by the postmaster before being placed in use.

Livermore said a variety of approved commercial mailbox designs are available for use with decorative posts, and those who would prefer a custom-made mailbox, or who need information on mailbox specifications and requirements in general may check with the Manistique post office.

## Krumrey exhibit starts

Dietmar Krumrey, award-winning wildlife artist from Manistique, will have his paintings and prints on exhibition at the William Bonifas Art Center Gallery in Escanaba from May 18 through May 26th.

The 1980 "Ducks Unlimited Artist of the Year" award winner took seven of 9 possible awards in the second annual Oklahoma Wildlife Arts Competition in 1980 and, in 1981, won the Michigan Department of Natural Resources Duck Stamp design contest after placing in the top ten in 1978, 79 and 80.

"Outdoor Life," "Michigan Out of Doors," "Ducks Unlimited," "Buffed Grouse Society," and "Michigan Waterfowl Association" are magazines that have featured the artist's work for covers and illustrations.

Gallery hours are 12 to 4 Tuesday through Friday and Tuesday and Wednesday evenings 7 to 9 p.m. Special group showings may be arranged by calling the Art Center director, Norbert LaPorte, at 766-3833.

## Sara and Steven Parks graduate in business, law

Sara Parks was graduated from Central Michigan University at commencement exercises on May 15 with a B.S. in business administration.

Sara is a 1978 graduate of Manistique High School where she was treasurer of the sophomore and junior classes and a participant in track and golf.

At C.M.U., Sara was a dorm council representative and president of membership of the marketing association. She is the daughter of Dr. and Mrs. Leland Parks.

In commencement exercises at Thomas M. Cooley Law School in East Lansing on May 15, Steven C. Parks received the Juris Doctor degree. He will take the Michigan Bar examination in July.

Steven is a graduate of Owosso High School in Owosso, Michigan and received his B.G.S. from the University of Michigan in 1977. He is the son of Dr. and Mrs. Leland Parks of Manistique.

## Retreat for men set at Marygrove

June 4-6 is the date for a retreat for men at Garden's Marygrove Retreat Center. This retreat is devoted to the individual, whether married or single, who is seeking personal growth and awareness of themselves, others and God.

The perfect opportunity for aloneness, the weekend uses psychology and spirituality to create experience of renewal for the individual. The retreat offers time to stand aside and get a clear perspective on life through personal reflection, group discussion and prayer.

Father Tim Desrochers will be the director for this retreat.

Suggested Fee is \$50, with registration on Friday, June 4, at 7 p.m.

For more information, register, write Marygrove, P.O. Box 38 Garden, MI, 49835, or call 906-644-2771.

## Lowest in State: NMU Board approves new rates

Concerned with tough economic conditions in Michigan and a growing financial burden on students, Northern Michigan University's Board of Control last Thursday, May 13, approved a "round-up" and tuition rate hike for 1982-83 which gives Northern the lowest rates of any tax-supported, four-year college in the state.

Any greater increases "would put an unfair share of the financial burden" in balancing the university's budget on the shoulders of the students, said Board Member E. Harwood Rydholm of Union Lake.

Rydholm pointed out that "many families have less to spend, and that's being felt in our colleges and universities. With over 40 percent of the NMU student body coming from Lower Michigan, we have to consider their expenses in getting up here."

"We all have to do our share," Rydholm said. "The students must make sacrifices and pay more just as our faculty and staff must take wage freezes, if not cuts in their salaries."

James F. Malack, a member of the board from Iron Mountain, said that the continuing upward spiral of cost increases "has to stop somewhere" and that a tuition, room- and board increase beyond the 12 percent level would be unrealistic in view of general economic conditions.

Before setting the new rates, the board heard a plea from Edward Buchynski, a junior from Taylor and president of the Associated Students of NMU, that any rate hikes be kept low.

He pointed out that the increasing numbers of NMU students from the lower Peninsula would be affected by still stiffer hikes. "It costs more to travel to school up here, and it's important that Northern remain competitive so that more students aren't forced to choose other educational alternatives," Buchynski said.

In holding the tuition increase to 12 percent and the room and board to six percent, the Board made NMU's tuition the lowest in Michigan, and the combined tuition and room-board rates the least expensive of all state-assisted colleges and universities.

Michigan undergraduate students will pay \$42 per credit hour, or approximately \$651 for an average semester course load. This compares with the 1981-82 rate of \$37.50 per credit hour or \$580 per semester.

Out-of-state students will be paying \$90 per credit hour, compared with the current rate of \$86.

Room and board rates will go from the present semester rate of \$1,012 to \$1,086, an increase of \$74. This applies to a student on a 20-meal plan, sharing a room with another student.

Vice President for Business and Finance Lyle Shaw said the tuition, room and board rate schedules will help offset anticipated further declines in state appropriations and continuing increased operating costs.

No increases were made in rates charged for room only. Two students sharing a residence hall room each will pay \$1,132—the same amount they paid last year.

The University also inaugurated two new room and board plans. Beginning this fall, students will be able to stay in university housing and have a choice of 10 meals or 13 meals per week. For two persons sharing a room, the 10-meal plan will be \$2,035 and the 13-meal plan \$2,095.

## Coast Guard has new emergency phone number

In an effort to provide the public of the Great Lakes area with greater access to search and rescue facilities, the U.S. Coast Guard has instituted a toll-free distress telephone number. People may call these numbers when they witness a marine accident on the Great Lakes or their adjoining tributaries. The number is 1-800-321-4400.

The number should be used only in an emergency. The reporting party should first attempt to call the local Coast Guard station to expedite launching of rescue forces. If the reporting party can not get through to the local Coast Guard station, then the 800-number should be used immediately, according to the Coast Guard.

"These new numbers should be extremely helpful to those people who witness marine accidents in remote areas of the Great Lakes where a local Coast Guard number is not available," said Lieutenant Philip G. Matyas, public affairs officer for the Ninth Coast Guard District.

The emergency phone number may be used by anyone witnessing a boating accident or maritime incident including vessel accidents, drownings and other swimming accidents, flare sightings or other emergencies.

Immediately, according to the Coast Guard.

"These new numbers should be extremely helpful to those people who witness marine accidents in remote areas of the Great Lakes where a local Coast Guard number is not available," said Lieutenant Philip G. Matyas, public affairs officer for the Ninth Coast Guard District.

The emergency phone number may be used by anyone witnessing a boating accident or maritime incident including vessel accidents, drownings and other swimming accidents, flare sightings or other emergencies.

## U.P. historical conference set for June 18-19

The 33rd Annual Upper Peninsula Historical Conference will be held June 18-19 in historic Sault Ste. Marie. The Chippewa County Historical Society in conjunction with the Great Lakes Shipwreck Historical Society, Le Saut de Sainte Marie Historical Sites, Inc. and the Sault Ste. Marie Historical Commission, have invited everyone interested in U.P. history.

Highlights of this year's conference include a tour of the SS Valley Camp, the first Great Lakes bulk freighter that has been developed as a museum; a tour of the Great Lakes Marine Hall of Fame; lunch and a narrated tour of the upper and lower St. Mary's River and the Soo Locks via chartered boats; slide history and tour of the Edison Sault Electric Hydro Power Plant, claimed to be the longest and oldest of its type in the world; the showing of an original shipwreck discovery film and show of artifacts; talk about Henry Rowe Schoolcraft and a viewing of his home and writings. Also scheduled is a guided tour of Sault Ste. Marie, Ontario.

Friday night will be the special presentation of the Charles Folio Award presented annually to a U.P. citizen in recognition of outstanding work in preserving and promoting U.P. history.

Registration is \$12 per person and \$18 per couple. (Lunch on the Locks tour vessel, Friday dinner and Saturday luncheon are extra.) Registrations may be made through the HSM office, 2117 Washington Ave., Ann Arbor, Mich. 48104, or by telephoning (313) 769-1828.

To the Michigan Electric Customers of

### WISCONSIN ELECTRIC POWER COMPANY

This NOTICE OF HEARING is being served and published pursuant to the Michigan Public Service Commission's Order in Case No. U-6540 dated December 16, 1980.

Monthly hearings have been scheduled by the Commission for the purpose of considering adjustment to monthly customer billings for cost of fuel and purchased power. Adjustments to monthly bills are to be in the form of charges or credits for changes in fuel and purchased power costs above or below a base cost of 14.64 per kWh included in rate levels approved in said Order of December 16, 1980.

A public hearing will be held on June 8, 1982 commencing at 9:00 a.m., in the office of the Commission, 6545 Mercantile Way, Lansing, Michigan, to consider the proper adjustment for the cost of fuel and purchased power to be applied to all bills rendered for the monthly billing cycles commencing in the months of July and August, 1982, by Wisconsin Electric Power Company to its Michigan customers.

The company proposes a fuel and purchased power cost adjustment of a charge of 1.82 mills per kWh based upon its actual fuel and purchased power costs for the months of March and April, 1982 and will offer testimony and exhibits to support same. Such testimony and exhibits will be available on and after May 28, 1982 at the office of the Commission Secretary 6545 Mercantile Way, Lansing, Michigan 48910, and also at the Michigan office of the Company, 1401 South Carpenter Avenue, Iron Mountain, Michigan.

The Michigan Public Service Commission may either grant or deny the requested fuel and purchased power cost adjustment, in whole or in part, and may grant a lesser or greater adjustment than that requested. Interested parties may intervene by placing an appearance on the records at the hearing.

Jurisdiction in this matter is pursuant to Sections 1, 2, 6, 7 and 8 of 1909 PA 106, as amended, MCLA 460.551 et seq; 1909 PA 300, as amended, MCLA 462.2 et seq; Sections 3 and 4 of 1919 PA 419, as amended, MCLA 460.51 et seq; Sections 6, 6a and 6a of 1939 PA 3, as amended, MCLA 460.1 et seq; 1969 PA 306, as amended, MCLA 24.201 et seq; and the Commission's Rules of Practice and Procedure, 1954 Administrative Code Supplement No. 54, R460.11 et seq.

# 200 attend mini-convention

If you want peace, work for justice" was the theme stressed by the women of the Manistique Deanery who gathered in Garden for a May 10 mini-convention of the Marquette Diocesan Council of Catholic Women.

Almost two hundred persons registered for the spring meeting, which was hosted by St. Anne's Altar Society of Garden and St. Peter's Altar Society of Fayette.

The sessions opened with a Eucharistic Celebration at St. John's Church in Garden, with the Rev. Thomas Posson serving as the principal celebrant and homilist. Joining him were the Rev. James Menapace, co-pastor of St. Francis Sales Church in Manistique, and the dean of the area: the Rev. Timothy Desrochers, rector of Marygrove Renewal Center, Garden; and the Rev. Frank Lenz, pastor of the Nahma, Coons, and Isabella churches. Rosemary Garvin served as lector. The Young People's Choir of

St. John's, with Kathi Ansell serving as organist and Marion Coia, director, led the congregation in songs during the liturgy.

The Garden Community Building was the setting for a buffet dinner and program. The decorating committee, Mary Ann LaBresh, Gerri Soken, Kay Pelletier and Carolyn Winter, created a special aura with spring flowers and candlelight. Unique table favors were hand crafted by Cleo Hermes and items donated by Desrochers were distributed as door prizes.

Mrs. Eleonore Mulhaupt, president of the Manistique Deanery, welcomed the group and introduced several guests in attendance, including the president and vice-president of the Escanaba Deanery, Betsy Goetz and Lou Bergeon. Lenore Tatrow and Lana Peterson, presidents of the Garden and Fayette Altar Societies, also welcomed the assembly.

Deanery Secretary Rosemary Gar-

vin presented a brief report of the past year's projects. She also noted that deanery membership included: Coons, 11; Engadine, 4; Garden, 48; Germantown, 7; Fayette, 4; Gladstone, 5; Isabella, 6; Manistique, 55; Munster, 21; Nahma, 19 and Rapid River, 2.

Menapace, in thanking the women of the Garden and Fayette parishes for hosting the gathering, alluded to this year's theme and mentioned that each person is called to be a "peace-maker" in his or her own special way, and he spoke of Jesus as the "Prince of Peace."

Desrochers served as the principal speaker and stressed that "justice is the means by which we bring about peace." He said "However, we

cannot do it alone. We need community for strength and support." He said that many times "confrontations with human pain creates anger, instead of compassion, and may even evoke strong negative feelings."

Desrochers pointed out that Christian communities comprise the Church, which is united in the bond of Christ's love. He said that community members act to serve as "witnesses of God's love by the way we work and live together." He emphasized that the altar societies can be a powerful force because they gather in the name of Jesus. "United in Christ, we can change the face of the earth!" he said.

Lorraine Irving of Escanaba provided entertainment during the dinner program as she played her guitar and sang several selections. The program concluded with a mock-fashion show depicting fashions of the past 100 years. This was presented by the St. Jacques Ladies softball team, the "Keenagers"; and narrated by Dona Fennerty, with Mary Clement accompanying on the piano.

Glenna Bowerman issued an invitation on behalf of the St. Anthony's Guild of Manistique for the May 1983 spring mini-convention, at which time election and installation of new deanery officers is scheduled to take place.

Mrs. Mulhaupt reminded the women that the annual convention of the Marquette Diocesan Council of Catholic Women will be a one-day affair this year and will convene in Newberry on September 25.

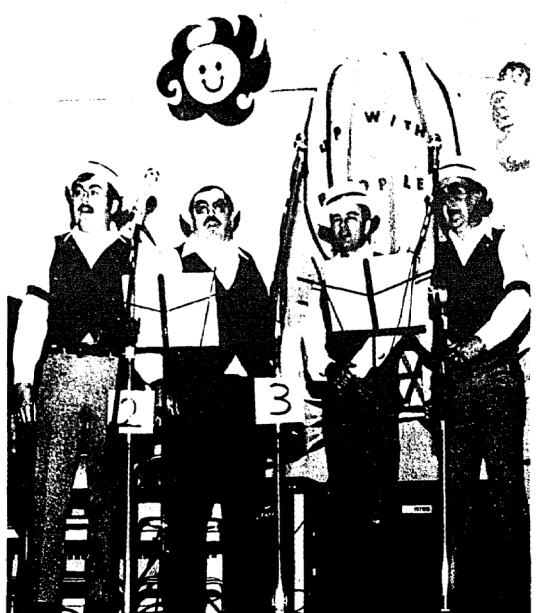

## Garden Historical Society to meet

The Garden Peninsula Historical Society will meet May 25 at 7:30 p.m. at the First National Branch Bank in Garden. All members are urged to attend and visitors are welcome.

## Big Bay election set for June 14

The Big Bay de Noc School District will hold its annual school election June 14.

There will be two 4-year vacancies on the Board to be filled. The terms of Gary Lang and Herman Strasser are expiring. Carol Dalgaard and Kent Peterson have filed petitions. Absentee ballots will be available on May 25 through June 12, and may be obtained from Carol Morrison.

"UP WITH PEOPLE" was the theme of a talent show and dance held last Saturday to benefit education in the area. Proceeds from the show, dance and a raffle raised \$918 which will be donated to area schools. Here, the UP Beats barber shop quartet belts out a tune on its

way to taking first prize in the adult group category. Members are, from left, Bob Sands, John Stapleton, Carl Wegner and Dave Bloom. The Senior Citizens Chole took second place in that category. Other winners were: Adelt solo, Luanne Kauppila, Lydia

Boucher and Debbie Nagy; youth solo, Lisa White, Molly Studinger and Darcy Horton; child solo, Jonny Stammers, Kim Kead and David Brown; youth group, Steve Alexander and Ron Wegner, and the Junior Naturals. (Suzi Bloom photo)

## Marion Head and Sheri Grover to graduate from Bob Jones U.

Bob Jones University of Greenville, S.C., will confer over 900 graduate and undergraduate degrees and certificates of completion upon the largest graduating class in the school's 55-year history. Two local students are among the graduates.

The annual Convocation will be held Sunday, May 30, at 2:30 p.m. in the 7,000-seat Founder's Memorial Amphitheater on the university campus.

Among the degrees to be conferred are the associate of applied arts, associate of applied science, bachelor of arts, bachelor of science, master of divinity, master of arts, master of science, master of education, master of fine arts, and doctor of philosophy.

Dr. Bob Jones III, president of the university, will confer the academic degrees on students from 45 states and several foreign countries. Also, honorary degrees will be conferred upon several outstanding Christian leaders. Certificates will be given to students completing the one-year business course and the two-year church secretarial program.

A NEW BUSINESS in Garden opened last Saturday. Barbara and Garland LaVigne opened the Dairy Inn next to their other concern, Peninsula Foods. Featuring ice cream, sandwiches, hot dogs and

snacks, the store will be managed by daughter Julie, pictured here between Garland and Barbara. A grand opening celebration is planned. (Eleanor LaButte photo)

## GARDEN

by Mrs. Eleanor LaButte  
 644-2522

Mr. and Mrs. Hartley LaButte have returned home after visiting two days in White Pine with their daughter and family, Katherine and Richard LeMoine and their daughter Tracy.

Mr. and Mrs. Ben Peterson's 7-year-old son, Lucas Peterson, remains in serious condition in Marquette General North Hospital following an accident at Fairport.

A Pink and Blue Shower honoring Mrs. Gordon (Sue) Fox was held Thursday evening at the Congregational Church Fellowship Hall in Garden. The affair was well attended and among the guests was 102-year-old Myrtle Lang of Fayette.

The shower was given by church friends. Mr. and Mrs. Fox's son was born Sunday, May 2, in Schoolcraft Memorial Hospital. The infant weighed 6 pounds, 9 ounces and was named Brandon James.

Mr. and Mrs. Clarence (Ike) Swear are leaving for Oconto, Wis., where they will attend the 102nd birthday of Clarence's mother, Nellie Swear, who is in a nursing home in Oconto.

The Sacred Heart Circle was entertained at the Mrs. Correl Tatrow camp on Thursday, May 13. Mass was held with Father Tim Desrochers officiating. After Mass, a spaghetti supper was held. This was followed by a White Elephant sale. Highlight of the evening was when Leona LaVallee brought packets of rews items she had written when she was Pioneer-Tribune news reporter for Garden in 1965. These were auctioned off also.

Five guests were present besides Circle members. The guests were: Mrs. Shirley Geize, Mrs. Rosemary Garvin, Mrs. Lenore Tatrow, Mrs. Nancy Lester and Mrs. Janet Tatrow.

# For \$700,000 you could love it too.

You could fall in love with Mondays when you play LUCKY 7, the new instant lottery game. A new \$700,000 grand prize will be drawn on seven Mondays. It's like a new game every week. To qualify, get three 7's in either diagonal, then align the back of the ticket and mail to: LUCKY 7 "GRAND" DRAWING, 6546 MERCANTILE WAY, LANSING, MI 48916.

Be sure to print your name and address legibly on the outside of the envelope. SHILL LOTS OF \$7,000 INSTANT PRIZES LEFT, TOO!

## A \$700,000 REASON TO LOVE MONDAYS.

## There's a better way to predict your next gas bill.

You don't need a crystal ball. You need the Equal Payment Plan. A Plan that smooths out the ups and downs of your monthly gas bills. Your bills fluctuate with the seasons. Up in winter. Down in spring, summer and fall.

With the Plan, you'll pay a fixed amount each month, based on your average annual gas usage. It means you can defer part of winter's heating gas bills to spring, summer and fall.

The Plan gives you a better, easier way to put together a household budget. Without surprises. Your account will be reviewed every six months to see that your budget payment is still as close as possible to your average use. And, at the end of the twelfth month, you'll receive a settle-up bill or a credit.

Now your gas bills can be very predictable. With the Equal Payment Plan. Just send in this coupon for more information.

I would like to have more information on the Equal Payment Plan.
