TIPS for FARMERS

By JOSEPH L. HEHRMAN County Agricultural Agent More Dairy Products Needed

Although Michigan dairy farmers have kept production at high levels since the war, like the nation as a whole, they have not kept up with increased dairy product consumption. For instance, in the first quarter of 1946, the United States consumed 95 percent more ice cream than for the same period in 1945.

Michigan dairy farmers are maintaining about the same level of production of milk as last year. An increasing amount has gone to fluid milk in the past several years due to the increased demand and price for milk. In the United States in 1945, fluid milk amounted to 53 per cent of the entire butterfat consumption, as compared with only 45 per cent in 1940.

Laboratories in the first six months of this year totalled 9,654 units. In the preceding six months of 1945, the total distribution was 5,700 units.

Part of this rise in plasma use is due to the increased number of conditions for which plasma is being found beneficial. Part of it is due to the return of Michigan physicians to civilian practice. These physicians have used plasma extensively in the armed services and observed the near-miracles which it accomplished. It is natural that they should want to continue using plasma with their civilian patients.

The chief uses for plasma in Michigan have been to hasten the recovery of persons who have had operations, to treat injuries, conditions associated with childbirth, burns, and undernourished infants.

Michigan's blood plasma program is made possible by volunteer blood donors. Local chapters of the American National Red Cross recruit donors and cooperate

efficiently.

Mr. and Mrs. John Bauers motored to Manistique Saturday.

Mrs. Stanley Van Orman and son, Claude, and Mrs. Ed Van Orman of the River Road, were Sunday visitors at the John Van Orman home.

Mr. and Mrs. Leonard Neff and Mr. and Mrs. Morris Smith and daughter of Dowagiac, Mich., were callers at the John Van Orman home Friday evening.

Mrs. Kenneth Tonnyson was a shopper in Manistique Monday.

John Hunter returned from a visit with relatives in Southern Michigan.

William Bowers motored to Manistique Monday.

Paul Browning returned to his home in Detroit, after being employed at Blaney the past summer.

Mr. and Mrs. Ray Anderson and daughter spent Saturday evening visiting at Curtis.

Mrs. Kenneth Lee and son, and Mrs. Vernon Lee and daughters attended the first Saturday regular meetings of the First Saturday Club at Manistique.

Lydia A. Boucher, W. M. Viola Crawford, Secretary

DEMAND FOR BLOOD PLASMA INCREASES

Figures From Shaw Hospital Here Show New Uses In Treatment

Demand for blood plasma is increasing rapidly, the Michigan Department of Health reveals, as its blood plasma program marks its third anniversary on September 27. Michigan's use of plasma jumped 68 per cent during the first six months of this year, compared with the preceding six month period.

The Shaw hospital in Manistique used 32 units of plasma from January through June this year compared to 15 units used in the previous six months.

The greatest increase was in the smaller counties, the health department reports. In counties having fewer than 100 hospital beds plasma use rose 117 per cent during this period. Counties having between 100 and 200 hospital beds increased their use of plasma 81 per cent while counties with more than 200 hospital beds showed an increase of 49 per cent.

Plasma distributed from the Michigan Department of Health Laboratories in the first six months of this year totalled 9,654 units. In the preceding six months of 1945, the total distribution was 5,700 units.

Part of this rise in plasma use is due to the increased number of conditions for which plasma is being found beneficial. Part of it is due to the return of Michigan physicians to civilian practice. These physicians have used plasma extensively in the armed services and observed the near-miracles which it accomplished. It is natural that they should want to continue using plasma with their civilian patients.

The chief uses for plasma in Michigan have been to hasten the recovery of persons who have had operations, to treat injuries, conditions associated with childbirth, burns, and undernourished infants.

Michigan's blood plasma program is made possible by volunteer blood donors. Local chapters of the American National Red Cross recruit donors and cooperate

efficiently.

HIGH SCHOOL CREDIT DUE MANY VETERANS

Information May Be Obtained From Dr. Tucker, Legion Service Officer

Many young veterans are being screened out of possible jobs for the lack of something they are entitled to for the seeking of information received by the Manistique post of the American Legion.

Immediately after Pearl Harbor hundreds of students left their classrooms to enlist in the armed forces. As the war progressed thousands of their former fellow students joined them in uniform, without wanting to complete their studies and receive their diplomas.

Now that they have returned to civilian life the great majority of these young veterans feel too old, or have responsibilities which influence their decision not to finish their high school education. However, although few realize it, many of these young ex-servicemen and women had enough "in-service" training and experience to permit granting them diplomas with little or no further study.

Must File Application The veteran must apply for this benefit to secure it, and he should file his request with the school in which he wishes to establish his credit. The application should be accompanied by a photostatic or certified copy of the separation or discharge and which shows his service training.

The U. S. Veterans Administration has distributed to 25,000 high schools copies of the bulletin, "Guide to the Evaluation of Educational Experience in the Armed Forces," in which the courses of the Army, Navy, Marine Corps and Coast Guard are described and evaluated in terms of high school credit. This bulletin was published by the American Council on Education, and approved by all national educational accrediting agencies.

Can Secure Information In some cases additional data may be required to establish proof of the general educational level a veteran has attained, or of

How Would You Like to Live in the "Good Old Days"?

Back in grandfather's time, during the final quarter of the last century, things were quite different. There were no movies, no airplanes, no automobiles, few bathrooms, practically no efficient electrical appliances. If you contracted diabetes or pernicious anemia, your days were numbered. Your blood just "changed to sugar" in the former, "to water" in the latter. There was little protection against virulent epidemics. Smallpox vaccine was the only biological on the market. When diphtheria or typhoid ravaged a community, there was nothing to do but wait it out in hope and dread. Yes, a return to the "good old days" would mean, among other things, the sacrifice of the major portion of the contribution of medicine and pharmacy to your health and well-being.

Tribune Publishing Co. MANISTIQUE MICHIGAN

To those who eagerly await their new Chevrolets . . .

Here is the Latest News about Chevrolet Deliveries

Everybody from factory to dealer is doing everything that can be done to speed deliveries to you

We have been informed by the Chevrolet Motor Division that the past month has witnessed only a slight improvement in the rate of production of new Chevrolet passenger cars. As a result, shipments of new cars to dealers for delivery are still far below the level we and the factory had hoped to obtain by this time. In fact, through August, Chevrolet's output of cars in 1946 was only 22.6% of the number turned out during the corresponding period of 1941.

We know that Chevrolet is doing everything possible to step up its production totals—to ship more and more cars to us and to its thousands of other dealers throughout America . . . and we know, too, that we are assured of getting our full proportionate share of the current output and of future production gains.

Disappointing as the total figures have been—and despite the fact that Chevrolet was out of production entirely during the first three months of the year—it is nevertheless true that Chevrolet led all other manufacturers in production of passenger cars during 1946, and has continued to maintain its lead in total production from that day to this.

We shall continue to make deliveries of new Chevrolets to our customers just as fast as we receive them; we regret delays as deeply as you do; we thank you for your friendly patronage and understanding; and we promise you a new high motoring experience when you take delivery of your new Chevrolet, giving BIG-CAR QUALITY AT LOWEST COST!

Keep Your Present Car Alive! Meansville, may we suggest that you safeguard your transportation by bringing your car to us for service now and at regular intervals. Let us help you to keep it in good running condition—to maintain its performance, appearance and resale value—until the day when your new Chevrolet comes along.

TRUCK SYMBOL OF SERVICE SUPER CHEVROLET SERVICE YOUR SYMBOL OF SERVICE

Public education in Michigan is critically in need of funds. The state tax amendment would guarantee at least \$90,000,000 of state aid to schools (about \$30 for every child enrolled in public schools) during the next school year.

A very conservative estimate places the immediate need for state school aid at not less than \$104,000,000 annually. This includes \$68,250,000 for the operation of schools, which includes salaries for the 60,000 teachers and teaching employees, supplies, equipment, and school maintenance.

These amounts leave a balance of \$18,250,000 as a start toward school building programs. During the war period, from 1939 to 1944, the average annual expenditure for building expenses was only \$5,140,000 less than the average annual expenditure of \$25,400,000 during the period from 1923 to 1928.

"If we allow \$18,250,000 of additional amount, we need for school buildings next year, we are anticipating no more than was least \$2,701,000 to build, normal period of twenty years ago."

A recent survey by the State Department, of Public Instruction shows an immediate need for additional class rooms which at prevailing prices would cost at least \$2,701,000 to build. To summarize: could be applied to funds that for the current school year for salaries for all public school employees and needed supplies and equipment—\$26,250,000. Annual average additional school building needs—\$18,250,000. Total—\$104,000,000.

"There is no need to fear that the amendment would prevent the state Legislature from continuing a formula of school distribution to equalize school opportunities throughout the state. The amendment would guarantee to public schools annually from the general fund of the state an amount equal to 42.6 percent of the sales tax revenue of the preceding year."

be distributed as the Legislature shall decide. Under the present state school aid formula, the Primary School Interest Fund (which is an allotment for census school child) is a deductible item from the gross allowance for each school district. The same plan of distribution could be applied to the gross sales tax amendment would provide.

"Neither is there any basis for fear that essential services of state government would be curtailed. There is every reason to believe that the present and future revenues from the sales tax, plus various other sources of income for state government will be sufficient for reasonable needs of other state institutions, and other state agencies and services."

"If the bonus proposal carries, it would be a special item of expense for which a new source of revenue should be provided. Education is the biggest and the most important business in which the state is engaged. Proposal No. 2 will provide enough state funds which together with local taxes for schools could finance a good program of education for Michigan's million boys and girls. We can afford \$100 per school child in state aid for education."

Mr. and Mrs. Burger Anderson left Thursday for Quincy, Fla., where they will make their home.
Miss Nancy Cookson left Saturday for Minneapolis where she

Park, Calif., for a month's visit with Mrs. Nancy's parents, Mr. and Mrs. Emory Slough.
L. and Mrs. Arle Lambertson, of Vallejo, Calif., are spending three weeks with Mrs. Lambertson's parents, Mr. and Mrs. Herbert Gimes, 522 Oak street.
Mr. and Mrs. Glen Thawley are the parents of a son weighing eight and one half pounds, born Sunday at the Shaw hospital. The baby has been named Richard Glen.
Rev. and Mrs. William W. Harvey are the parents of a daughter, Nancy Keith, weighing seven and one-quarter pounds, born Friday at the Presbyterian manse, Main street.
Robert Martinson, of Muskegon, arrived Monday to spend a week with his grandparents, Mr. and Mrs. Andrew Baketty, River Road. He also visited in Manistique Tuesday at the Otto Hood residence.
Mr. and Mrs. Lawrence Stegert are the parents of a son, born Tuesday at the Shaw hospital. The baby weighed six pounds and one ounce and has been named Douglas Arthur. Mrs. Stewart is the former Marjorie Linden, of Manistique.
*For the first time the searching spotlight is thrown on Communists in Wisconsin. In a revealing series of articles, the Sentinel will tell you they are, show what they plan and how they operate in Wisconsin, which is Communist District No. 18. If you believe in a Free America, read this series now appearing daily in the Milwaukee Sentinel. (14. ad.)

GAA Association Holds Initiation
(From MHS Crier)
The annual Girls' Athletic Association initiation was held Friday, September 20. This year, as in past years, the spectacle of the girls in various costumes proved to be a source of amusement for the entire school.
The following girls were initiated: Joyce McNamara, Verna Goudreau, Dawn Wyatt, Gertrude New, Mildred Buras, Sylvia Larson, Evelyn Marks, Helen Cohen, Helen Cheggos, Clara Lytle, Laura Mae Nelson, Betty Noss, Marilyn Hokness, Ann Marie Shultz, Sylvia Fay Wilson, Evelyn Anderson, Mary Lee Stevens, Marilyn Schuring, Nadine Weston, Gladys Strassler, Edith Kristoffersen, Lois Bellore, Edith Anderson, Marilyn Pistuka, Betty Bellore, Shirley Tennant, and Marilyn Larson.

Seniors To Hear Counselor Speak
(From MHS Crier)
Daton F. Grafman, Administration Counselor, from Lawrence College, Appleton, Wisconsin, will speak to the Manistique High School seniors on Friday concerning their registrations for college after graduating.
It has been customary for the administration committee to speak to the seniors just before graduation, but due to the crowded conditions of the college this year, it is necessary for those who plan to attend college next fall to sign up now.
Nine MHS Students Will Debate Issue Confronting Nation
(From MHS Crier)
"Resolved: That the Federal Government should provide a system of complete medical care available to all citizens at public expense" is the national high school debate question for 1946. In the Manistique High School, nine students have signed up for debate this semester. From these students varsity and reserve teams will be formulated. Negative and affirmative sides have not been chosen as yet.
Seniors taking debate are Arlene Curley, Bill Eck, and Coy Tyrrell; Juniors are Joan McNamara, Ruth Martinson, and Dan Giovanni; Sophomores, Margaret Burgess; Freshman, Joan Sheahan and Danny Van Eyck.
The total number of Federal employees under Civil Service during the administration of Rutherford B. Hayes was about 3,500.

Walter Dredvahl Takes Position With Steel Company
Walter C. Dredvahl, controller of the First National Bank and Trust company of Marquette for the last 15 months, has resigned, effective Oct. 1, to become chief clerk in charge of accounting for the Jones & Laughlin Steel company's Michigan operations, Ishpeming. He will continue to serve the First National in an advisory capacity.
Dredvahl who is the son of Mr. and Mrs. C. M. Dredvahl, of Manistique, has had broad experience in banking and accounting from 1926 to 1929 he served as examiner for the state banking department. He last served as vice-cashier of the First National Bank of Manistique. From 1922 until 1931 he served as cashier of the Reserver National bank. In 1931 he joined the staff of the Morrison Audit company, Marquette, as accountant. He left the firm in 1936 to become field auditor of the U. S. Bureau of Agricultural Engineering. In 1938 he returned to the Morrison company, serving as auditor until he joined the First National's staff in 1944.
A past president of Marquette county's University of Michigan alumni club, Dredvahl also has served as secretary-treasurer of the 11th district alumni club and as president of the alumni scholarship committee for Marquette county. He has been active in community and civic affairs and prominent in the Masons.

Kentucky's Electoral Vote
Since including the Presidential election of 1872 the state of Kentucky has cast its electoral vote for the Democratic candidate with the exception of the elections in 1896, 1924 and 1928.
Budget Balance Seen As Key To Stability
For the fiscal year ending next June the Federal government expects to spend \$41,500,000,000—more than four times total expenditures in the pre-war year 1938-39.
Treasury receipts for the current fiscal year are estimated at nearly \$2,000,000,000 less than expenditures.
Thus in the first full peacetime fiscal year, when national income holding close to the war-time peaks, the government is still operating in the red.
As a result, business men and economists are urging more strongly than ever the achievement of a balanced budget to aid the return of the nation to economic stability.
The unbalanced budget is regarded by economists as one of the main sources of the inflationary rise in prices.
The Chamber of Commerce of the United States, representing business views in the nation's capital, calls the 1946-47 budget "disappointingly high" and urges cuts in Federal spending as the key to a special stability.

Thirteen Initiated Into Elks Lodge Wednesday Night
Thirteen new members were initiated into the Manistique Elks lodge at a banquet and initiatory program Wednesday evening.
New members are Charles Burk, Bernard Chaudry, Bernard Cook, Leo Curran, Howard Hulet, Bud Malloy, Joseph Markham, George Parsley, Glen Richardson, Fred Williams, Thomas Wilson, Alex Weigandt, and Richard White.
Hennessey Flanagan, of Hancock, district deputy, conducted his annual lodge inspection during the initiatory program, and in a talk urged greater subordinate lodge participation in various Grand Lodge functions, particularly the recently organized commission for service work among disabled servicemen.
Present also for the banquet were Milton McGovern and E. E. Peterson, of Escanaba lodge, and Joe Beech, Charles Beutler, John Shumone and Spencer Emis, of the recently chartered Newbury lodge.

Illinois, Iowa, Wisconsin, Minnesota and Nebraska, in the order named, are the largest producers of oats in the United States.

Nation Near Goal Of Sixty Million Jobs
Those sixty million jobs are here!
More people are at work in the United States now than ever before in peacetime.
 Census bureau figures show civilian employment approaching the celebrated 60,000,000 mark, used by Secretary of Commerce Wallace and others as a slogan for post-war full employment.
 Since the end of the war, approximately 10,000,000 veterans and 15,000,000 released from war work have returned to peacetime pursuits. Yet unemployment has held at the lowest peacetime figures in many years.
 Moreover, the "help wanted" sign is out on the gates of many plants as American enterprise reaches for new high levels of production and employment.

MEN WANTED
The first telegraph line in the United States was completed in May 1844.

We're Considered A Friend of the Family's

SOCIETY

Boat Party—Capt. and Mrs. G. W. Schuler entertained a number of guests Monday evening at the Carley home on Oak street in a desert bridge shower party.

Mrs. H. F. Smith, five tables of bridge were in progress during the evening, honors going to Mrs. Ernest McNamara, high; Mrs. John Archambault, second, and Mrs. Ernest Ecklund, third. Mrs. Raymond Billings received the preceding prize.

The health officer, Dr. DeWitt, has taken the necessary precautions to prevent the spread of the terrible disease, and will fill the house recently vacated by Fred Graham, west side of Cass street, entered during the night and between seven and eight o'clock in charge of the burglars. The burglars forced entrance to the building by force.

Manistique, and Frederick Cody, of Garden. The bride wore a long veil and her flowers were red roses. Miss Charlier wore pale blue with matching veil and carried a bouquet of yellow roses. The bride attended local schools and is now in the employ of the Northwoods Manufacturing company. Mr. Cody, who was educated in Saginaw, was employed by Nelson's Coverland Creamery.

Wedding Plans Revealed—Next Wednesday, October 2, will be the wedding day of Miss Sarah Stone, daughter of Mr. and Mrs. Leo Thomas, North First street, a wedding cake centering the table. The bride attended local schools and is now in the employ of the Northwoods Manufacturing company. Mr. Stone, who was educated in Saginaw, was employed by Nelson's Coverland Creamery.

Meeting Postponed—The regular meeting of the Zion Lutheran Ladies' Aid Society, scheduled for October 2, has been postponed to October 9, it was announced Wednesday. All members are asked to take particular note of this date change.

School's Part In Disease Control Pamphlet Subject

The school's part in the community's program for controlling communicable diseases is the subject of the Michigan Department of Health's new pamphlet, "Communicable Diseases and the School."

This pamphlet answers the questions, "When and how should a teacher exclude a child for illness? What is the procedure for readmitting him? Which diseases can be prevented by immunization?" According to state regulations

SISTER KENNY'S LOVE STORY

For more than 20 years her beloved had waited for Sister Kenny to come back again, but the courageous nurse, who had to fight doctors as well as infantile paralysis, felt serving mankind was more important than her own happiness. Read SISTER KENNY'S LOVE STORY in The American Weekly with this Sunday's issue of The Detroit Sunday Times—Adv.

Back in Manistique following a short wedding trip are Mr. and Mrs. Frank Chase, who married in Chicago last Sept. 16 in St. Francis de Sales church, in Chicago. The former Myrabel Krummy, daughter of Mr. and Mrs. Jay Krummy, River Road, and her husband is the son of Mr. and Mrs. J. P. Chase, Saginaw. The couple's wedding attendants were Miss Eloise Charlier, of

Miss Bernice Nelson, daughter of Mr. and Mrs. Arthur Nelson, 410 Alger avenue, became the bride of William Richard Baers, son of Mr. and Mrs. William P. Baers, 616 Garden avenue, at a double-ring ceremony at 11:30 o'clock Monday morning in Escanaba. Attending the couple were Miss Arvelia Baers, sister of the groom, and Roy Nelson, brother of the bride. The bride wore a white wool dress with black accessories and her shoulder corsage was of red roses. Miss Baers wore an aqua colored dress, with black accessories and a shoulder corsage of yellow roses. After the wedding ceremony, dinner was served at the bride's home for immediate family members. A three-tiered wedding cake, topped with a miniature bride and groom, decorated the center of the table. The bride is a graduate of Manistique high school, class of 1943, and is now employed at the Peoples Store. The groom also attended the local high school, and was discharged from the U. S. Marine Corps in 1945 after 37 months' service. The couple left for Akron, Ohio, on their wedding trip. Upon their return they will make their home in Manistique where the groom is employed.

Meeting Postponed—The regular meeting of the Zion Lutheran Ladies' Aid Society, scheduled for October 2, has been postponed to October 9, it was announced Wednesday. All members are asked to take particular note of this date change.

HAVE WE STRENGTH OF CHARACTER?

"The government, contrary to popular conception, has nothing of itself except the power to tax and the credit based thereon," said J. J. Hunter, president of the Bank of California, recently. "Thus far the thrifty savers of the nation have accepted the obligations of the government at face value—event at a premium, but it is my opinion, unless an earnest attempt is made to balance the budget by cutting down expenses rather than taxes and take a long step to reduce the debt by regular amortization, the fear of insolvency will come upon the people as a thief in the night and the wreckage will be colossal with none escaping. Neither congressmen, senators, nor the executive branches of government can provide food, clothing, or shelter except by slave labor with lost economic and spiritual rights.

"Is there strength of character enough in the supposedly free American people to draw in their belts and produce? Or will they look to their congressmen and senators to do the impossible?"

The government will spend close to \$40,000,000,000 in this boom year, when it is at its all-time high. What would happen in some future depression year, when revenues drop and at the same time the pressure for more and more governmental pump-priming is turned on at white heat? Never in its history has this nation pursued so potentially ruinous a fiscal course. That fact, unwelcome it may be, constitutes the greatest problem facing the country today.

A farmer, after imbibing a prodigious quantity of moonshine whiskey, attempted to blow out a candle, whereupon his alcohol-saturated breath burst into flame. Shaken by the experience, the man begged his wife to bring him the family Bible, muttering, "I gotta swear off." Placing his hand upon it, the farmer intoned: "Before heaven, I swear that I never again will I blow on a lighted candle."

A slightly off-center priest in an army chapel was seen to bow his head every time the name of Satan was mentioned. Finally the chaplain's curiosity got the best of him and he asked the doggie to explain. "Well," was the reply, "politeness costs nothing and, after all, we never know."

OFFICIAL PROCEEDINGS OF THE MANISTIQUE CITY COUNCIL

A regular meeting of the City Council was held at the City Hall on September 28th, 1946. The following members were present: Councilmen Berger, Burns, Richards and Sellman. Absent: Councilman Hetman.

The minutes of the regular meeting of August 28th, 1946, were approved as read.

A. H. Hanson, salesman for Addressograph Sales Agency, Green Bay, Wisconsin, spoke to the Council regarding the advantages of Addressograph equipment for the City Hall, and quoted prices.

Dr. E. J. Brenner presented reports of the Alger-Schoolcraft Health Department for August, 1946, which were placed on file.

Moved by Councilman Sellman, supported by Councilman Berger, RESOLVED that the application of Bud Malloy for water and sewer service to Lot 10 Block 10, Lakeside Addition, be and it is, hereby referred to the City Manager for investigation and report.

Moved by Councilman Sellman, supported by Councilman Berger, RESOLVED that permission be, and it is, hereby granted to Paul Wehner to construct a shop and apartment building at 119 Walnut Street, per specifications sub-

From where I sit... by Joe Marsh

Going Fishing? Here's How!

To hear Willie Wells and Basil Strahe arguing about trout fishing, you'd think it was more important than the atom bomb. Willie favors dry flies, Basil pool-pools anything but wet flies. Willie swears by a Royal Coachman; Basil won't hear of anything but a Silver Doctor. And by the time it comes to steel rods versus bamboo rods... #IXy!

But on Saturday, each got back from Seward's creek with a catch that couldn't have differed by more than several ounces!

Each had used his favorite kind of fly, his favorite rod and his favorite place to cast. So over a period of most of hour, they loved as how many they were both right... which is how so many arguments should end.

From where I sit, if we all respected one another's different opinions—whether about trout flies, or drinking beer, or voting, life would be a whole lot pleasanter.

Joe Marsh

MICHIGAN AND THE OLD NORTHWEST

Expelling English traders, Celeron buried leaden title plates of intervals.

Demanding their return to Indiana, he left for Detroit via Fort Miami.

The French in Michigan now demand to be helped in emergencies and illnesses, supplying dependable remedies and scientifically fitting prescriptions.

In 1753 France fortified an Erie-Ontario route, Niagara to Pittsburgh's site.

102,573 farmers last year for a total amount of \$16,000,000. On January 1, 1946, these banks had farm loans outstanding of \$42,200,000. On the same date the banks had \$195,447,000 additional for agricultural loans had the farmers received it.

The credit extended by the banks to their farm customers is a useful tool of agriculture is shown by a breakdown of these outstanding farm loans. Last year 97,292 farmers procured farm production loans in an aggregate amount of \$50,640,000. Farm real estate loans were made to 4,981 farmers for a total of \$12,876,000. On January 1, 1946, there were outstanding in the banks \$20,474,000 in farm production loans and \$195,968,000 in long-term farm real estate loans.

The fact that Michigan farmers have found it necessary to use only a small part of the bank credit available to them indicate that they are in a far stronger financial position today than they have been for many years," Mr. Shinar said.

George Rogers Clark was the first white man to visit the site of the city of Cincinnati, Ohio, having done so in 1780.

DETERMINATION OF HEIRS
State of Michigan, The Probate Court for the County of Schoolcraft.

At a session of said Court, held at the Probate Office, in the city of Manistique, in said county, on the 25th day of September, A. D. 1946.

Present, Honorable John J. Hruska, Judge of Probate.

In the Matter of the Estate of Albert Foye, Deceased.

Lawrence Foye having filed in said Court this petition praying that said Court adjudge and determine who were at the time of his death the legal heirs of said deceased and entitled to inherit the real estate of which said deceased died seized.

It is Ordered, that the 16th day of October, A. D. 1946, at 10 o'clock in the forenoon, at said Probate Office, be and is hereby appointed for hearing said petition.

It is Further Ordered, that public notice thereof be given by publication of a copy of this order upon each week for three successive weeks previous to said day of hearing, in the Manistique Pioneer Tribune, a newspaper printed and circulated in said county.

Present, Honorable John J. Hruska, Judge of Probate.

In the Matter of the Estate of William Sine, Deceased.

It appearing to the Court that

Manistique Pioneer Tribune, a newspaper printed and circulated in said county.

John J. Hruska, A true copy. Judge of Probate. Lydia L. Stron, Register of Probate.

William J. Sheahan, Attorney for Petitioner 123 South Cedar Street Manistique, Michigan (St. Sept. 26; Oct. 3-10 pd.)

APPOINT ADMINISTRATOR
State of Michigan, The Probate Court for the County of Schoolcraft.

At a session of said Court, held at the Probate Office in the City of Manistique in said county, on the 7th day of September, A. D. 1946.

Present: Hon. John J. Hruska, Judge of Probate.

It is Ordered, That the 20th day of September, A. D. 1946, at 10 o'clock in the forenoon, at said Probate office, be and is hereby appointed for hearing said petition.

It is Further Ordered, That public notice thereof be given by publication of a copy of this order upon each week for three successive weeks previous to said day of hearing, in the Manistique Pioneer Tribune, a newspaper printed and circulated in said county.

Present, Honorable John J. Hruska, Judge of Probate.

Manistique In Former Days

Fifty Years Ago
The old barber and called
home from Garden, Satur-
day. They were visiting at
home of Mrs. Chartier's part-

ing the back door and an inner
door. No liquors or cigars were
taken.
A son was born to Mr. and Mrs.
J. J. Tracy, Wednesday, Jim's
countenance betokens the joy he
feels over the addition to his
household.

Party Years Ago
The button that a woman can't
reach on the back of her waist is
the one which drives her to matrimony.
Mr. and Mrs. R. S. Waters and
Mrs. Pattinson attended the confer-
ence at Ishpeming as delegates of
the local M. E. congregation.
"Four" Commissioner Slaughter
of Gromfask, is in the city attending
a meeting of the board.
A dance at the armory this eve-
ning.
Seven or eight families are
quarantined as the result of having
the measles.

Twenty Years Ago
The Misses Davis McNamara
and Hazel King left Saturday for
Ypsilanti where they will attend
the state normal school.
Mr. and Mrs. Floyd Gonyea and
baby arrived in the city Monday
for a visit with friends and rela-
tives. They are now located at
Cudahy, Wis., where Mr. Gonyea
is editor of the Cudahy Enter-
prise.

Word was received in the city
this week announcing the birth of
a son to Mr. and Mrs. Fred Fle-
beritz, of Flint. The former is
the son of Mrs. Helen Fleberitz,
of Maple avenue, and is well
known here.
Mr. and Mrs. N. L. Beaudry, of
the Soo, are among those in at-
tendance at the county fair this
week.

Miss Margaret Kliest left this
week for Kalamazoo where she
will attend the Central State
Normal.
Mrs. C. W. Bretz and daughter,
Faye, have been at Grand Mar-
quette for the past two weeks.

Beil Debut and Ray Stone left
early in the week for Pontiac,
where they will be employed dur-
ing the winter.

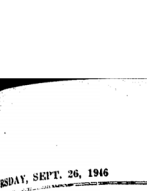

Ten Years Ago
Mrs. Mayne Saunders and Mrs.
P. N. Cookson are on a trip in
the east.
Miss Hazel Pullin left Tuesday
after spending several weeks at
the home of her parents, Mr. and
Mrs. Alfred Pullin, North Hough-
ton avenue.
Mr. and Mrs. Rudolph Larson,
Manistique avenue, are the par-
ents of a daughter born last
Thursday.

Russell Brunet, who recently
completed a course at the Moler
Barber school, Detroit, returned
last week to Manistique and has
accepted a position in the John
Hughson barber shop.

Word has been received here of
the birth of a baby boy to Mr. and
Mrs. Joseph Lefever, of Peoria,
Ill. Mrs. Lefever is the former
Barbara Hartwig of this city.
Mrs. Oscar Dybevik, of Blue
Earth, Minn., is a guest at the
home of her son-in-law and daugh-
ter, Rev. Mr. and Mrs. Elwood Taylor.
Among those who attended the
Packer-Bar game at Green Bay
Sunday were Mr. and Mrs. Orville
Smith, Mr. and Mrs. Wilfred Eck
and Mr. and Mrs. Barney Johnson.
Mrs. Napoleon L'Amore, Mrs.
James Gardner, Mrs. Rose Thi-
bault and daughter, Mrs. Leon
Thomas, left Monday for a
month's visit in Montreal, Canada.
Mrs. Lalonde will also visit in
St. Polycarp.

Annual Meeting
Of First Baptist
Church Is Oct. 3
The annual meeting of the First
Baptist Church will be held Thurs-
day evening, Oct. 3.
The church supper will be ser-
ved at 6:30 p. m., and hymn sing-
ing will follow. The various re-
ports of the year's work will then
be made and church and Sunday
School officers elected.
All members of the church are
urged to be present.

SET YOUR SIGHTS
It takes planning to achieve a goal.

Some young men know what they want and plan for it. Others are still looking for their riches. The new Regular Army can help both. Perhaps you want to go to college but can't afford it. If you enlist in the Army, you'll get your chance. Honorably discharged after a three-year enlistment, you are eligible for 48 months of education at any college, trade, or business school for which you can qualify. The Government will pay your tuition, laboratory fees, etc., up to \$500 per ordinary school year, plus \$65 a month living allowance—\$50 a month if you have dependents. If you haven't found your spot, an Army enlistment offers you training in any of 200 trades and skills. You leave the service eligible for further training at the best civilian schools.

You can assure yourself of the benefits of the GI Bill of Rights if you enter the Army on or before October 5, 1946. See your nearest Army Recruiting Station for details.

Table with columns: NEW, HIGHER PAY FOR ARMY MEN; MONTHLY RETIREMENT INCOME AFTER 20 YEARS' SERVICE. Lists ranks from Private to Major Sergeant with corresponding pay amounts.

Registration Notice for GENERAL ELECTION Tuesday, Nov. 5, 1946

To the Qualified Electors in the City of Manistique and the Townships of Doyle, Gernfask, Hiawatha, Inwood, Manistique, Mueller, Seney, and Thompson

NOTICE IS HEREBY GIVEN that in conformity with the "Michigan Election Law," the township clerk in each of the several townships and the city clerk in the city of Manistique will upon any day (except Sunday and a legal holiday, the day of any regular or special election or primary election), receive for registration the name of any legal voter in said townships or city not already registered who MAY APPLY PERSONALLY for such registration. Provided, however, that he can receive no names for registration during the time intervening between the 20th day before any regular, special or official primary election and the day of said election.

NOTICE IS FURTHER GIVEN that the city clerk will be at the city hall in Manistique and the various township clerks will be at their respective town halls or their homes on . . .

Wednesday, Oct. 16, 1946 The Twentieth Day Preceding Said Election

Last day for General Registration by Personal Application for said Election

As provided by Part 176, Laws Relating to Election—Rev. of 1939

From 8 o'clock a.m. until 8 o'clock p.m., Eastern Standard Time, on said day for the purpose of Reviewing the Registration and Registering such of the qualified electors in said township or city as shall Properly Apply therefor.

The name of no person but an ACTUAL Resident of the Precinct at the time of said registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

REGISTRATION BY AFFIDAVIT

Any absent voter, as defined in this act, whose name is not registered and who shall claim the right to vote by absent voter's ballot at any election or primary election, may at the time of making application for absent voter's ballot, present to the township or city clerk an affidavit for registration which shall be in substantially the following form:

AFFIDAVIT FOR REGISTRATION

STATE OF MICHIGAN } ss.
County of _____ being duly sworn, depose and say that I am a citizen and duly qualified elector of the _____ or village, precinct of the township of _____ or the _____ ward of the _____ in the county of _____ and State of Michigan; that my postoffice address is No. _____ Street _____ or R. F. D. No. _____ P. O. _____ that I am not now registered as an elector therein and that I am voting by absent voter's ballot at the election (or primary election) to be held upon the _____ day of _____ 19____, which has accompanied this affidavit; that I make this affidavit for the purpose of procuring my registration as an elector in accordance with the statute; that I make the following statement in compliance with the Michigan election law: Age _____; Date Rec. _____; Birthplace _____; I further swear that the answers given to the questions concerning my qualifications as an elector are true and correct to the best of my knowledge and belief.

Taken, subscribed and sworn to before me this _____ day of _____ A. D. 19____
Notary public in and for the county of _____ State of Michigan.
My commission expires _____

Upon receipt of such affidavit in the time specified herein, the clerk shall write in the registration book the name of the applicant together with the other information required by this chapter and such applicant shall thereupon be deemed to be duly and properly registered.

Note—If this acknowledgment is taken outside of the State, the Certificate of the Court that the person taking the acknowledgment is a notary must be attached.

REGISTRATION OF ABSENTEE BY OATH

If any person whose name is not registered shall offer and claim the right to vote at any election or primary election, and shall, UNDER OATH state that he or she is a resident of such precinct and has resided in the TOWNSHIP or CITY TWENTY DAYS next preceding such election or primary election, designating particularly the place of his or her residence and that he or she possesses the other qualifications of an elector under the constitution; and that owing to the sickness or bodily infirmity of himself or herself or some member of his or her family, or owing to his or her absence from the TOWNSHIP or CITY on public business or his or her own business and without intent to avoid or delay his or her registration, he or she was unable to make application for registration on the last day provided by law for the registering of electors preceding such election or primary election, then the name of such person shall be registered, and he or she shall then be permitted to vote at such election or primary election. If such applicant shall in said matter, willfully make any false statement, he or she shall be deemed guilty of perjury, and upon conviction, be subject to the pains and penalties thereof.

PROVISION IN CASE OF REMOVAL TO ANOTHER PRECINCT

Any registered and qualified voter who has removed from one election precinct of a township or city to another election precinct of the same township or city, shall have the right, on any registration day, as in this act provided, on application to the township or city clerk as the case may be, to have his name transferred from the registration of the precinct from which he has removed to the registration book of the precinct in which he then resides. Such elector shall have the right to have such transfer made on any election or primary election day, by obtaining from the board of inspectors of such election or primary election of the precinct from which he has removed, a certificate of transfer, and presenting the said certificate to the board of election inspectors of the precinct in which he then resides. In every such case of transfer the township or city clerk or the board of inspectors issuing such certificate shall cause opposite the name of such elector, to be entered in the column headed "Remarks" in such registration book, the words "transferred to precinct number _____ (giving the number), together with the initials of the said clerk or some member of the board of inspectors of election, as the case may be, and the date of the transfer approved by a majority of the members of its legislative body for the transfer of electors as herein provided on the last Saturday prior to any election or primary election at the several places of voting in the voting districts of such city instead of on election or official primary election day, and may in like manner further provide that no transfer of registration shall be received by the clerk of such city for a period not exceeding 10 days prior to any primary or election.

- By ALEX ROBERTSON, Clerk of the City of Manistique, MANISTIQUE, MICHIGAN
By HARRY BLANDFORD, Clerk of Hiawatha Township, HIAWATHA, MICHIGAN
By WILLIAM HEMINGER, Clerk of Hiawatha Township, GULLIVER, MICHIGAN
By BASIL REID, Clerk of Doyle Township, GULLIVER, MICHIGAN
By JOE HARDY, Clerk of Inwood Township, COOKS, MICHIGAN
By JENNIE NELSON, Clerk of Seney Township, SENEY, MICHIGAN
By FLOYD MENERE, Clerk of Gernfask Township, GERNFASK, MICHIGAN
By EVERETTE DAHLVIK, Clerk of Thompson Township, MANISTIQUE, MICHIGAN

Rising Exports Aid Farmer And Business

United States exports have been climbing this year toward a record peace-time annual total of about \$10,000,000,000.

This recovery in foreign trade, and prospects of further gains as the supply of goods increases, is one of the strongest props for a high level of production and employment. Exports of farm products, particularly, are holding at high figures.

Favoring a continued high level of exports is the \$20,000,000,000 in foreign exchange already available or in sight for needy countries from such sources as the United States credit of \$7,750,000,000 to England, loans from the Export-Import Bank of Washington and the funds turned over by the United States and other countries to the International Monetary Fund and the International Bank for Reconstruction and Development.

During the four war years 1942-45 United States merchandise exports reached the unprecedented total of \$48,000,000,000, reports the Chamber of Commerce of the United States. That total was equal to the combined value of exports in the previous 14 years.

Oregon's Forests and Reserves Included in Oregon's land surface are 22 National forests containing over 12 million acres, Indian reservations of 1,730,591 acres and National park reserves of 164,040 acres.

FORMER RESIDENT TAKEN BY DEATH

Mrs. Herman Landis Dies In Chicago Hospital Following Long Illness

Mrs. Herman Landis of Chicago, the former Ellen Nelson, of this city, passed away Tuesday afternoon in a Chicago hospital where she had been a patient for several weeks. She was 47 years of age.

Mrs. Landis became ill last August while visiting in Manistique with her father, Andrew Nelson, and other relatives here and was taken directly to the hospital on her return to Chicago.

She was born in Manistique on June 7, 1893 and grew up here. Following her graduation from Manistique high school she attended Northern Michigan College of Education and later taught for a number of years. She was married to Mr. Landis in October, 1926, and since that time has resided in Chicago.

Mrs. Landis was a member of St. Matthew's Lutheran church, Chicago.

Survivors are her husband and son, Donald; her father, Andrew Nelson, of this city; three sisters, Miss Ruth Nelson, of Milwaukee; Mrs. Alfred Parfitt and Mrs. Richard Larson, of Manistique; and four brothers, Vern Nelson, of Flint; Palmer Nelson, Detroit; and Malcolm and Walter Nelson, of Manistique.

The body will arrive in Manistique Friday and funeral services will be conducted Saturday afternoon at 2:30 o'clock at the Morton funeral home, the Rev. G. A. Herbert officiating. Burial will be Fairview cemetery.

It was through the efforts of Florence Nightingale that nurses were first sent to the seat of war.

Experimental Run On Wallpaper Starts At Manistique Mill

An experimental run on wallpaper will be concluded this week at the Manistique Pulp and Paper company plant, and next Monday the production of nine-point bogus will be resumed.

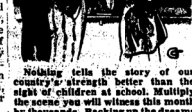

Production of hanging paper started a week ago Monday.

Eventually the Manistique mill expects to produce wallpaper exclusively.

Production of hanging paper started a week ago Monday.

Eventually the Manistique mill expects to produce wallpaper exclusively.

Uncle Sam Says

Rising tells the story of our country's strength better than the sight of children at school. Multiply the scene you will witness this month by thousands. Backing up the dreams and hopes of millions of youngsters and their parents for a sound future, must be reality. United States Savings Bonds are formidable champions of reality. A few dollars saved regularly every pay day and invested in U. S. Savings Bonds have the power to provide education, business opportunity, travel, better housing, health, or any other vital asset you want for your children.

U. S. Treasury Department

GLADSTONE NEXT FOR LOCAL ELEVEN

Coach Thompson Makes Radical Changes In Lineup For Saturday's Game

Bitterly disappointed over the Emeralds' showing against Negaunee Saturday, Coach Jerry Thompson has relegated at least seven veterans to the bench and replaced them with inexperienced players in the hope of instilling "team spirit and a desire to play football" in a Manistique grid team.

Thompson, former University of Wisconsin backfield star who came to Manistique as football coach this fall, said that he is through with players who merely "talk a good game" whether they are experienced grid veterans or not, and that from now on he is going to work with underclassmen in an effort to shape an eleven "that will try."

Surviving this week's purge is only one senior, Alan Schuster, who plays left half. The rest of the starting lineup for Saturday's game against the powerhouse Gladstone team will include seven sophomores, two juniors and one freshman. Shaw, also a senior, will be back in the Emerald lineup as soon as he recovers from a foot injury.

"I don't care how badly you are beaten," Thompson told the newcomers to the first string, "if only you go out there and do your best." The starters for Gladstone game are: Ken Smith, left end; Don Klugstad, left tackle; Dick Duquette, left guard; Don Jackson, center; Clyde Strasser, right guard; Ray Swanson or Bill Edwards, right tackle; Lawrence LaMourie, right end; Don Daugerty, quarterback; Al Schuster, left half; Jack Quick, right half, and Jack Minor, full back.

Manistique lost to Negaunee here Saturday by a score of 0-6 in a weekly exhibition witnessed by a capacity crowd of fans. Though the teams were evenly matched as to size, the Negaunee eleven showed a marked superiority on the field, regularly reeling off substantial gains and clicking generally both on offense and defense.

Gladstone, undefeated last year, is expected to have one of the best seasons in its history this year, a full quota of veterans having returned to the lineup this fall.

S.A. Membership Drive Nets \$360

(From MHS Crier)
The Student Association Drive this year was one of the most successful ever held in the history of Manistique High School. Only three hundred and fifty students out of a possible five hundred and eighty bought Student Association tickets. The total sales of tickets that were paid for amounted to \$360.

Boats Are Now Jet Propelled

OCEAN LINERS WITHOUT PROPELLERS. Instead of screws, are so fast that they can outrun any other type of motor. They are built for speed and are the most modern type of motor. They are built for speed and are the most modern type of motor. They are built for speed and are the most modern type of motor.

U. S. Industry Sets New Output Records

Given the chance, American industry can deliver the goods in record-smashing volume.

The tremendous productive capacity of American enterprise, demonstrated in World War II, is exhibited again in the production of civilian goods to meet unprecedented peace-time demand.

Since the ending of disruptive strikes in steel, coal, copper and rail industries last winter and spring, many industries have achieved new peace-time peaks in output of civilian goods.

Radio, washing machines and many types of electrical household goods are among items from reconverted industries being produced in larger volume than before the war.

Steel, electric power and other basic industries likewise are producing in record peace-time volume.

Uninterrupted production at these peace-time peaks is the best assurance of supply to meet pent-up demand and to ease the pressure for higher prices.

Uncle Sam Says

All of us are familiar with the question: What is the strongest, most profitable asset in America? The answer is Uncle Sam's Savings Bonds, of course. Owners of U. S. Savings Bonds are now being awarded by Uncle Sam a special life because Americans know that Savings Bonds help to build a better future. Americans know that they yield a good profit on their all to the principal.

ANNOUNCEMENT

We are now dealers in Manistique for the famous

SMITHway STOKER

The SMITHway STOKER has 24 exclusive features to make it your best bet in automatic furnace firing. Among these exclusive features are:

1. LOWER HOPPER—24 inches from floor; reduces lifting and straining when filling.
2. SPECIAL PLUG-IN MOTOR CONNECTION—simplified servicing by eliminating complicated "wiring on the job."
3. PACKAGED UNIT-DRIVE—with motor, transmission, and fan assembly in a single unit, the entire mechanism can be removed and replaced in four minutes flat, with only an end wrench and a pair of pliers.
4. NEW ANTI-SMOKE-BACK—SMITHway design provides continuous and positive air pressure through the feed tube, preventing the escape of gas and smoke.

The SMITHway comes in two sizes—30 lbs. at \$280 and 50 lbs. at \$295.

If you are interested in a new automatic stoker we invite you to come in today and see this remarkable machine. Let us explain to you more fully why SMITHway is one of the best.
