Seney Woman Goes To Fire For Husband

Instances in which women have assumed the responsibilities of men are not uncommon in the panorama of America's life. Wives have been appointed or elected to fill the unexpired terms of deceased congressmen or sheriffs, and during the war women engaged in just about every type of task formerly handled exclusively by men. Hearing the ring on the fire bell it came to our attention that a woman answered a fire call, organized a crew, and subdued a forest fire. Last Saturday, while Fire Warden Walter Niemi, of Seney, was away from his station for a short while on official business, a fire call came to the Seney equipment station. Hearing the ring on the party line and knowing her husband was away, Mrs. Niemi took the call, and started to the scene of the fire in the fire warden's car which is always loaded with shovels, axes, and back-pumps. On the way to the fire, she picked up a crew of hunters with whom she had managed to have the fire under complete control and sent her husband's arrival on the scene.

Two Fined On Game Violation Charge

James and Paul Larson, of Manistique, were fined \$10 and costs of \$8.50 in justice court Monday when they pleaded guilty to having loaded guns upon an automobile. The youths were created by Conservation Officer Thomas Mellon. A brass altar set donated by Thomas J. Mahoney in memory of his wife, formerly Nina Graham, of this city, was dedicated Sunday at the Worldwide Communion service at the Methodist church. The set, consisting of a large cross, two candlesticks and two vases, was presented by W. C. Stephens and accepted for the church by Keith Wood, Rev. Harold Cowdrick, pastor, pronounced the words of dedication. Mrs. Mahoney passed away in August following a long illness.

Joins Husband here
Among the number of war brides who have joined their husbands here is Mrs. John Jenks, the former Mable Gunther of Hillway, Va. The couple were married last June at Portsmouth, Va., where Mr. Jenks was then stationed on naval duty and where his bride was employed at the Portsmouth navy shipyard. The couple are residing for the present with Mr. Jenks' parents, Mr. and Mrs. Frank Jenks, Park avenue.

Establish home here
Recent arrivals in Manistique include Mrs. M. A. Williams, wife of J. D. Williams, son of J. M. Williams, who arrived in Manistique Sept. 15. The bride and groom took place Sept. 14 in Milwaukee, Wis. Mrs. Williams is the former Cecilia Goring of Milwaukee, Wis. The couple met during the bride's high school days in Italy where Mr. Williams, then an army sergeant, now employed at the office of D. E. Killigan, was an engineer.

Former Resident Weds
Richard Munroe, son of Mr. and Mrs. George Munroe, former Manistique residents now living in Harrison, Mich., was married in Harrison, Sept. 29, the 27th wedding anniversary of his parents. An account of the wedding appearing in a Harrison paper follows: In a double ring service read Sunday afternoon at 2:30 o'clock by Rev. Harold Watson in the presence of about 160 relatives and friends, Miss Anna Mae Eaton became the bride of Richard Munroe. The bride, daughter of Mr. and Mrs. Ray Eaton, who was given in marriage by her brother, J. W. Eaton, wore a gold garter with black accessories and a corsage of gardenias. Her only attendant was Miss Macie Woodward, who wore a gray suit with black accessories and a corsage of gardenias. The altar was decorated with gardenias and pink rose buds. The altar of the church was pretty with gardenias and pink rose buds. The bridegroom also attended local schools and has three years of army service in the European theater. He is employed at the Michigan Dimension company. Mr. and Mrs. Munroe are residing on North Third street.

Resident of City For Past 17 Years Taken By Death
Melvin B. Kell, 69, passed away Saturday evening at 6:30 o'clock at the Glaceland Lodge where he had resided for only one day. He had been in ill health about two weeks.

Mr. Kell was employed here for many years as a teamster for the Michigan Dimension company. He was born at Wolf Island, Ontario, on May 2, 1877, and came here 17 years ago to reside on North Third street.

Survivors are his sister, Mrs. Avis Swan, of Manistique, and brother, John Kell, of Lead, S. D. Funeral services were held Tuesday afternoon at 2 o'clock at the Kaufman and Jackson funeral home. The Rev. J. D. B. Adams officiating. Burial was in Palmyra cemetery.

Hughson-Cameron
At a ceremony Saturday evening at the First Baptist parsonage, Mrs. Albert Hughson, daughter of Mr. and Mrs. Harry Hughson, of Manistique, became the bride of Lester Cameron, son of Mr. and Mrs. Frank Cameron, also of this city. The ceremony was performed by the Rev. J. D. B. Adams at 8 o'clock. Attendants were Mrs. George Caray and Jack Hughson, both of Manistique. The bride wore a brown suit with matching accessories and Mrs. Caray wore a red dress with black accessories. Both had shoulder corsages. A wedding supper for twenty guests was served later at the Hughson home, a large wedding cake and flowers decorating the table. The bride attended Manistique high school and has been employed at the Eat Shop. The bridegroom also attended local schools and has three years of army service in the European theater. He is employed at the Michigan Dimension company. Mr. and Mrs. Cameron are residing on North Third street.

Stone-Pakety
St. Francis de Sales church was the scene of the wedding Wednesday morning, Oct. 2, of Miss Patricia Stone, daughter of Mr. and Mrs. Stone, of this city, and Michael Pakety, son of Mrs. Catherine Pakety, also of Manistique. The nuptial high mass was offered by the Rev. B. P. Schavers, at 8 o'clock. The bride, who was given in marriage by her brother, Raymond Stone, wore a princess-styled gown of white satin with finger-rib veil. Her flowers were pink roses. Her bridesmaid, Miss Betty Gohat, wore a full-skirted blue gown with matching Juliet cap and carried a bouquet similar to the bride's.

was unable to sing because of a severe cold. Usurers were Kenneth Shapiro and Earl Desnoyers of Detroit. For her daughter's marriage, Mrs. Eaton chose a full suit of brown with a pink, baby-moon corsage, while a corsage of gardenias and pink rose buds accented the black wool, full skirt worn by the bridegroom's mother.

Mrs. Munroe was graduated from the Hayes Agricultural school with the class of 1945 and has since been employed in the office of the County School Commission. She attended Harrison high and then served 34 months with the U. S. Navy in the Pacific Area. A reception was held at the home of the bride's mother immediately after the ceremony for 50 relatives and friends. The bride's table was pretty with two bouquets of garden flowers and a three-tiered wedding cake topped with a miniature bride and groom. Also a lovely cake with "Greetings" written on it was served.

young couple left on a honeymoon and will be at home this week at the "Star Dust Hill" cottage on the southeast side of Hall lake. The bridegroom is present employed with his father in general construction work.

Merwin-Parker
Vary-colored fall flowers decorated the altar of the Presbyterian church Thursday evening for the wedding of Miss Elizabeth Merwin, daughter of Mr. and Mrs. Ralph H. Merwin, of Gulfiver, to a graduate of McQuay-Norris high school and until recently employed at the Michigan Dimension company. The bride was given in marriage by her father, Mr. R. H. Merwin. The bride wore a pale blue wool dress with a shoulder corsage of white roses. Her bridesmaid wore a gold wool dress with brown accessories, and her flowers were yellow roses. Mrs. Merwin wore a rose tulle silk with navy and blue accessories. Both had corsages of mixed fall flowers. Following the ceremony a 7 o'clock wedding supper for thirty-two guests was served at the Merwin home. Flowers and white candles decorated the table which was centered by a three-tiered wedding cake. The bride and groom left later on a wedding trip to an undisclosed destination and will return here to reside. Mrs. Parker is a graduate of McQuay-Norris high school and until recently was employed at the Michigan Dimension company. The bride's mother, Mrs. R. H. Merwin, is a member of the Woman's Foreign Missionary Society. The bride's father, Mr. R. H. Merwin, is a member of the Michigan Dimension company. The bride and groom are residing on North Third street.

GOOD POTATO YIELDS REPORTED

If any additional facts were needed to justify the belief that Schoolcraft county is one of the outstanding potato growing areas of the midwest, the yield check conducted last week by the office of the county agricultural agent supplies that information.

The check reveals that twenty-two adult growers in the county will have a yield in excess of three hundred bushels per acre this season. Although the exact yield of the various producers will not be disclosed until after the county potato show, there is reason to assume that many fields will be yielding four and five hundred bushels per acre.

Last year only twelve producers had yields in excess of three hundred bushels per acre. The increase of nearly one hundred percent in the number of three hundred bushel growers is a tribute to the potato farmers of the county. It is also a healthy indication that the potato crop can, and will, add greatly to the prosperity of the county in the years ahead.

CABINET HARMONY ESSENTIAL

The issue created by the speech of Secretary Wallace in which he expressed views on the international situation at great variance with those of Secretary Brynes, goes beyond the question of who may be right and who may be wrong.

No nation can help shape the policy of the world unless its responsible officials present a united front. The problems faced by Mr. Brynes in his constant clashes with the Russian delegates are extremely difficult. And, if the world was permitted to believe that he lacked the backing of his President and colleagues in the cabinet, his position would be untenable.

Mr. Wallace could not remain in the cabinet and speak purely as an individual. Whatever a cabinet officer says will be weighed, analyzed and dissected in all the foreign offices

From where I sit... by Joe Marsh

Are Returning Veterans "Different"?

During the war you heard a lot about how hard it was going to be for returning veterans to get adjusted to civilian life... how they'd be "different."

Well, plenty of them have returned to our town, and a finer, steadier bunch you couldn't ask for. Most of them are back at the same jobs... going with the same nice home-town girls (getting married, some of them, and setting up families)... renewing the same old friendships.

Even their amusements are the

same. Nothing more exciting than fishing, Seaward's creek or pitching horseshoes... enjoying an outdoor barbecue with friendly wholesome beer and pleasant talk.

If they've changed at all it's in the direction of maturity and tolerance... tolerance for everything except dictators, and those who would destroy our democratic principles of live and let live. And from where I sit, that's another reason to be proud of them.

Joe Marsh

of the world. It is significant that, the day following the Wallace speech, the controlled Russian press headlined his views, praised them to the skies—and intensified its attacks on Mr. Brynes.

Precedent, based on solid realities, dictates that when cabinet officials are no longer able to agree with the administration, they resign, as Mr. Wallace did today. In the most crucial time, the welfare and security of the nation cannot be served by weakening the ground under our state department which is charged with the vast responsibility of representing our nation in working for a permanent peace.

SHE IS NOT TO BLAME

Because telephone operators have been accused of all sorts of shortcomings since V-J Day and because we believe the public is entitled to the facts, we publish this story about telephone service in Manistique.

Our customers want and they are rightfully entitled to PROMPT, COURTEOUS, and EFFICIENT Telephone Service, AND THAT IS OUR GOAL.

During the past four years you voluntarily curtailed the use of the service as a part of the all-out war effort, you have been patient, kind, and considerate throughout the entire emergency and we want you to know your co-operation has been highly appreciated by the Michigan Associated Telephone Company and all of its employees.

We realize your telephone service, particularly toll service, has not been up to standard for many months, and we know there have been long delays in making new installations, but we are not going to attempt herein to defend the grade of service you receive today because everyone in Schoolcraft county knows that as a result of wartime growth and continued prosperity of the community the Michigan Associated Telephone Company, like many other business enterprises, has more offered business than it can handle satisfactorily. The chief difference is that our customers cannot see the "line-up." People are accustomed to waiting and they frequently stand in line in some business establishments awaiting their turn to be served. They will even wait weeks for certain items and services, but they don't like to lineup and wait for a telephone operator to take their order. And that's only natural because they cannot visualize the throng of people who are also frantically trying at the same moment to make a local, long distance, or rural call. When you sit in a restaurant or a professional man's office or stand around in a store awaiting attention you can see the balance of the waiting group, and one soon comes to the realization that it is necessary to be patient and await your turn; but when you lift the telephone receiver or ask for long distance you expect an immediate response. Yes! That's only natural, you are ac-

customed to that kind of service and we have definite plans to provide it.

Last spring 80 additional subscribers line were added to our switchboard at Manistique and at the same time the existing equipment was rearranged and modernized to provide better service. Our repair force has been busy trimming trees, resetting poles, building new lines and rearranging existing facilities to provide more and better service.

Many of our rural lines are filled to the maximum capacity and additional circuits will have to be built to unload these lines before new customers can be added. This work is progressing as rapidly as materials and supplies become available. Approximately 9,000 cubic feet of cable will be installed to provide facilities for additional customers and enable us to upgrade existing customers to private lines, etc.

Manistique has enjoyed a phenomenal wartime growth and we have been deeply concerned over the steady increase in the volume of local and toll telephone traffic originating and terminating in Manistique.

A good picture of what is happening can readily be obtained from records maintained at our local office. Here are the facts:

Average Number of Local Calls Handled Daily During the Month of August Since 1940

Year	1940	1941	1942	1943	1944	1945	1946
Calls	4331	4469	5480	4650	4747	4931	6004

These figures are actual traffic loads for the average business day. There are, of course, many days when the volume of traffic is a great deal more than the figures listed above; for example, ON AUGUST 7 OUR MANISTIQUE OPERATORS HANDLED 7,378 LOCAL CALLS.

And the volume of toll traffic has likewise increased to a point where existing toll facilities are sorely overtaxed. In fact there are times when toll calls are delayed several hours because the existing facilities will not carry such unprecedented loads. Delays were especially noticeable during the resort season just past and the American Legion Convention week.

The Michigan Associated Telephone Company is in the

same position as many other business enterprises in this community, with a long queue at "our dog" awaiting attention. Remember, the only difference is that our customers cannot see the "line-up" for service so we say again, please do not blame the operator, because we know she is doing all she can to handle your calls.

Yes, we know our service is unsatisfactory on numerous occasions, and we don't like it either, but as previously stated there is much work to be done and it will take some time to create enough additional local and toll facilities to serve all those who are waiting and improve our toll service. We are, however, working at it every day and we do not intend to rest until the job is done.

We have done business with the people of Manistique for a great many years, and we sincerely hope that after reading the foregoing statements we will have your continued co-operation.

BAPTISTS HOLD ANNUAL MEETING

Officers For Year Chosen At Session; Reports Show Unusual Progress

The sixty-third annual business meeting of the First Baptist church was held last Thursday evening following a 7 o'clock fellowship supper. Reports showing a year of unusual progress by the various departments and marked improvements in the church and membership were given. Thirty-five new members have been added to the church during the year. Financial reports were good, according to Rev. J. D. E. Adams, pastor, a marked increase having been shown both in missionary giving and current expenses over the previous year.

The following officers were elected: Walter Linderoth and Harry Score, trustees; Mrs. Myrtle Albert, treasurer; Miss Amanda Nuss, financial secretary; Mrs. Ida F. MacLaurin, church clerk; Wallace Scoville, junior organizer; Mrs. Margaret Shampine, organist; Mrs. Walter Linderoth, assistant organist; Sunday School heads are Mrs. Bertha Vaughan, superintendent of the junior department; assistant, Mrs. Fred Thorell; Lawrence Strasser, secretary; Helen Schurmer, treasurer; Ormel Repp, librarian; Wilbur LaBar, assistant librarian; Gladys Strasser, organist; Mrs. Herbert Hamill and Jacqueline Thorell, organists for primary department.

STATE ACCOUNTS FOR TAXES SPENT

Government Advertisement Reports To Taxpayers On Year's Financing

In this issue of the Pioneer-Tribune appears an unusual advertisement.

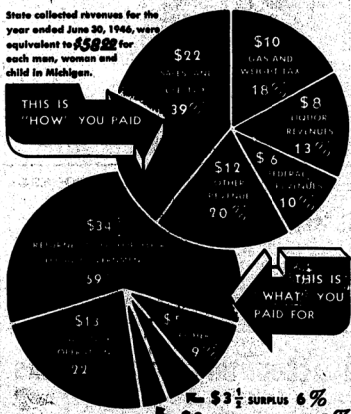

Headed "An Accounting to Taxpayers", the paid message is from the State of Michigan through John D. Morrison, state auditor general. It is a handy report to Michigan taxpayers of revenue received and expenditures made by the State of Michigan during the past fiscal year ending June 30, 1944. Mr. Morrison, who incidentally is not running for re-election, chose newspapers as the most effective and economical way to inform taxpayers about the state's financial operations, and the current surplus.

The official report shows total receipts of \$204,118,039.26 and total expenditures of \$206,497,022.88, leaving a year's surplus of \$2,378,983.62. As the state began the year with a surplus of \$5,219,723.88, the unrestricted surplus in the treasury on June 30 that was available for legislative appropriations was \$21,598,707.50. The above surplus does not include funds restricted by the legislature for future definite needs, such as the veterans' trust fund and others, and hence not available for legislative appropriation.

U. S. Sugar Production In 1930 the production of sugar, both cane and beet, in the United States was 1,287,000 short tons. In 1940 the production had increased to 2,289,000 short tons.

YOUR STATE TAX DOLLAR

State collected revenues for the year ended June 30, 1944, were equivalent to \$582 for each man, woman and child in Michigan.

This graphic illustrates together with the financial information upon which it is based, some of the revenues and expenditures of the State of Michigan for the year 1944.

Kansas Leads in Wheat For most of the time for the last forty years the state of Kansas had led in the production of wheat; with North Dakota, Nebraska and Oklahoma ranking next in the order named. The Washita river is 460 miles in length.

The deaf, hard of hearing partially sighted, epileptic, diabetic and those with disabled arms and legs are samples of those served. A few cases picked at random in Schoolcraft county will give a better picture of the service, Mr. Northey said. "One of the students is now taking a three month-of-the-job training course to aid him in being vocationally trained. For future employment, another is attending one of the county's better trade schools, and a third is getting help in setting up a home industry. A number are receiving correspondence training in bookkeeping and secretarial work, and one person is being hospitalized at the University of Michigan hospital."

Mr. Northey will be at the welfare office at 10:30 a. m. the health department office at 10:30 a. m.; and at the U.S.E.S. office from 1:00 to 3:00 p. m. on Friday, October 25. If any residents of the county are interested in further explanation of the services of vocational rehabilitation, they are invited to phone or call personally at any of these agencies to contact him.
