

JAMES DICKSON, NEW MANAGER, ARRIVES HERE

Coldwater Man Takes Over Position At Council Meeting Monday Night

James D. Dickson has accepted the position of city manager, it was disclosed at the regular meeting of the city council Monday night.

A wire from Dickson accepting the job at \$3,000 was read by Frank W. Voisine, acting city manager. The wire was in response to a letter received by Dickson last week following a special session of the council.

Dickson, who has recently been located at Coldwater, Mich., is a resident of Escanaba.

Arrived from Escanaba during the meeting and attended the rest of the session. He was told that he would take over his new duties Tuesday morning, October 18, and he will meet with the board during the next two weeks by Voisine until he is fully acquainted with the city charter and the various city ordinances.

Dickson replaces Charles D. Musson, who resigned from the position of city manager last July to accept a similar position in Vassar, Mich. During the interim the administration of city affairs has been supervised by Voisine as acting city manager.

COUNCIL DESIGNATES NEW POLLING PLACES

Personnel Of Four Election Boards Will Be Completed This Week

Manistique will have two new voting precincts at the general election on November 8, it was announced at the regular council meeting Monday night by Alex Robertson, city clerk and members of the city election commission.

Electors in precinct No. 1 will vote in the display room of the Linderhof Farm Supply building, and for several years prior to that the election was held at Ward's Paint Shop, South Mackinac avenue. Neither of these places is now available. A room in Lakeside school has been made available by the city clerk and members of the council expressed the opinion that the election should be centrally located for most of the voters in this precinct. Voting in the fourth precinct in front of the Lundstrom Chevrolet company building or the Park Hotel, nothing is available in this fall.

No change was made in the polling places for the other two precincts. Electors in precinct No. 2 will again vote at the Lincoln school, and third precinct voters will cast their ballots at the city hall.

The personnel of the four election boards is expected to be completed this week, Robertson said.

County Board Approves Plan For Local Hospital Project

Upper Peninsula Dairymen Hold Blancy Meeting

Supervisors Hear Report Of Special Committee At Session Monday

Approval of a plan for a county-operated hospital in Manistique was given by the Schoolcraft board of supervisors Monday night at a special committee report presented several weeks ago to make a preliminary study of the hospital project was authorized to proceed with a program to raise funds for planning, engineering of an architect and other initial costs.

During the session the group heard reports on dairymen by Don Murray, of Michigan State college; S. M. Skiver, chief of the Michigan Dairy Association; and Len Franke, secretary of the Michigan Dairy Association, Lansing. The banquet address was given by Judge Robert Wright, of "Shifting Standards."

Wives of the dairymen were taken on a color tour to the Big Spring farm, near Manistique, accompanied by John I. Bellavia, Manistique's booster for the county's dairy holdings. Following the dairymen's luncheon at noon, Harrison Beach, of Gulliver, showed a number of color films taken in the wooded area of Blancy Park.

The dairymen's annual convention will be held at Marquette, Mich., on October 22 and 23 at the National Ski Meet at Ishpeming.

Former Manager Beauvais Given E. D. Rich Award

T. H. Beauvais, former Manistique city manager, was given a similar position at Alma, was presented the Edward Dunbar Rich award recently for 25 years service in the field of public supply. The award was made at the meeting of the Michigan section of the American Waterworks association in Traverse City last Thursday evening.

At the meeting, Mr. Beauvais delivered a paper on "A Water Rate Study in Small Cities of Michigan" in which he declared there is no "rhyme or reason" in what cities charge for their water. Alma's industrial rate, he said, was far below average.

The award said, "The State of Michigan, Department of Health, through the Edward Dunbar Rich award for 1916 upon Philip Henry Beauvais for completing 25 or more years of efficient and faithful service in providing and maintaining a safe, dependable and adequate water supply.

The award is made in commemoration of the career of Edward Dunbar Rich, a career devoted to the betterment of the conscientious administration of vigorous and progressive public utilities. It was signed by William DeKline, Michigan commissioner of health, and Governor Harry F. Kelly.

ORGANIZE DRIVE FOR COMMUNITY CHEST IN CITY

Inland Lime And Stone Company Gives \$1,500 To Local Campaign

The Community Chest Committee, organized to raise funds for the USO, the Youth Center, and the Girl and Boy Scouts, was formed at a meeting Tuesday evening at the First National Bank.

Fred H. Holme was named county chairman, and O. W. Oberg, of Inland Lime, was elected secretary.

The campaign is expected to start early next week, and to be completed by November 1. The goal, based on budgets submitted by the participating organizations, is \$7,000.

Present at the organization meeting were R. G. Heitschell, representing the Manistique Pulp and Paper company; Dr. N. L. Ender, representing the Youth Center; Edwin Thompson, representing the Helman-Thompson company; A. Macdonald, representing the Northwoods Manufacturing company; Lowell Hebbard, representing the Hiawatha Metal Products Inc.; A. F. Hall, representing the city schools; Leonard Mathias, secretary of the Manistique Commercial chamber of commerce; Fred H. Holme, of the First National Bank; William E. Norton, of the Tribune Pulp and Paper Company; and S. N. Bradford, of Escanaba, Red Bank district, Scotch executive.

In announcing tentative plans for the Community Chest drive, the chairman presented the secretary with a check for \$1,500 from the Inland Lime and Stone company as that firm's contribution. A personal check from the secretary for \$50 also was announced, making a total of \$1,550 already paid into the fund.

Committees to make a house-to-house solicitation in the city will be named, and arrangements also have been completed for the Inland Lime and Stone company from industries, commercial business firms, organizations, and individual employers. It was announced by Holme.

"The official slogan for the drive is 'Everybody Give; Everybody Benefit!'"

City Council Argues Firing Of Patrolman

Elmer Anderson, Relieved Of Duties October, Asks For Hearing

A mild rumour was created at the regular meeting of the city council Monday night when it was revealed that Roy Anderson, chief of police, had discharged a patrolman Elmer Anderson from the police force, effective October 16.

Councilman Walter Burns brought the matter up, stating that Anderson wanted a hearing before the council and insisting that he was entitled to it.

Burns offered a motion to this effect, but later withdrew it when a reading of the city administrative code revealed that the chief of police could not discharge a patrolman without the consent of the city manager.

The chief of police, present at the meeting, insisted that this was his intent in sending his letter to Patrolman Anderson, and he said he would dispatch another writing to the city manager.

The city administrative code provides that if a patrolman is suspended, a copy of the charges be filed with the city manager, and if either continue the suspension or refuse to do so, the suspended patrolman then has a right to sit for a hearing before the council, the code specifies.

An statement of charges against Patrolman Anderson was filed with Frank W. Voisine, acting city manager, by either continue the suspension or refuse to do so, the suspended patrolman then has a right to sit for a hearing before the council, the code specifies.

Two-Day Ice Carnival, Ski Meet Slated For February

Plans for a two-day ice carnival and a Central Ski association meet are being planned here for February, it was revealed this week.

The probable starting lineup is as follows: LaMour, left end; Klugstad, left tackle; Dupstette, left guard; Straszny, center; Carlson, right guard; Swanson, right tackle; Harbick, right end; Daugherty, quarterback; Schuster, left half; Vedras, right half and minor, fullback.

Harold McNamara is elected to Road Commission

Harold McNamara, named to the Schoolcraft county road commission to fill a vacancy last June, was elected to membership on the commission for a six year term beginning Jan. 1 at the county board of supervisors session Tuesday. McNamara received six votes to five for Fred Peterson of Gulliver.

Mrs. J. D. E. Adams is sergeant-at-law at the First Baptist parsonage.

Tourist And Industrial Clinic Will Open Here Next Thursday

Series Of Four Meetings Planned To Discuss Community Promotion

A tourist and industrial clinic will open here next Thursday, Oct. 24, under the sponsorship of the Northern Michigan College of Education in cooperation with the Manistique - Schoolcraft Chamber of Commerce, it was announced Thursday by Leonard Haupt, chamber secretary.

The clinic, which will include a series of four weekly meetings to be held on successive Thursday evenings through Nov. 14 at the local court house, is planned for the purpose of promoting Manistique area both as a tourist region and industrially. City officials, businessmen, industrial representatives and resort owners are urged to attend. The sessions are open to the public.

A letter from Mayor Jeffries, of Detroit, read at the session Monday night, revealed that a Detroit taxpayer had gone to court to restrain the city of Detroit from spending \$17,000 in support of the amendment.

Following the result of this court action, no further official action will be taken by the various cities of Michigan, it was reported. If a Detroit court decision prohibits Detroit from contributing to the state fund, Manistique's \$50 contribution will undoubtedly be returned.

Both cities and schools are vitally interested in the passage of proposal No. 2, which would divert one cent of the three cent state sales tax to cities, townships and schools to be apportioned to them on a population basis.

EMERALDS TRAVEL TO SOO SATURDAY

Locals Wind Up Season In Night Game With Marquette Here Oct. 25

Coach Jerry Thompson put his Emeralds through their final workout Thursday night preparatory to taking them to the Emeralds game at Sault Ste. Marie, Mich., to meet the crack Blue Devil eleven.

Thompson, smarting from the 40 to 12 beating the Emeralds last at Manistique Saturday, is not getting his hopes up for Saturday's game, principally because the Sault is known to have a speedy, veteran organization which has been defeated only once this season. At Manistique, it was different—the Mustangs, recently renamed the Mustangs, having been an even match for Manistique. The Emeralds coach had expressed praise for Minor and Schuster in the Mustang game, both of whom "played like hell all way."

Jackson and Roemer have been hampered by injuries, and Pat Ender, recently promoted to fullback, has not broken the four-bone sustained in practice. Ender is still favoring his injured ankle and is not expected to see much action Saturday.

The probable starting lineup is as follows: LaMour, left end; Klugstad, left tackle; Dupstette, left guard; Straszny, center; Carlson, right guard; Swanson, right tackle; Harbick, right end; Daugherty, quarterback; Schuster, left half; Vedras, right half and minor, fullback.

Elms In Effort To Light Spark Of School Spirit

An effort to revive lagging school spirit among students and adults, particularly in reference to athletic games, is being under way by the Manistique Elks Lodge, it was announced Thursday morning by O. J. Schuster, executive ruler.

A meeting of the Elks social and community welfare committee was slated for Thursday evening at the Elks Temple at which time definite plans were to be made for sparking school spirit for the final football game next week end with Marquette high school.

The need for some effort to re-awaken school spirit in Manistique was brought up at the annual fall bowling banquet Wednesday night. Members of athletic teams sacrifice a lot of time, and endure hardships and injuries, to participate in football and basketball games, it was pointed out, and they deserve the backing of students and adult citizens, even if they lose games. Such support has been sadly lacking in Manistique this fall—in fact, school spirit seems to have hit a new low here, it was pointed out, and it is time that some organized effort was made to revive it.

Five Veterans Get Emergency Care In Month

Five local war veterans have been given emergency hospital care this month, it was disclosed Thursday evening at the new high school gymnasium, was announced Thursday by Joseph I. Heirman, county agricultural agent.

SPUD LOAN PROGRAM HAS ADVANTAGES

Norman Stauffer, AAA Committee Chairman, Tells Of Price Increase

The 1946 late-crop potato loan program designed to assure farmers that they will receive the price support level for their potatoes has been made more attractive by the recent announcement that the support price level has been increased 5 cents per hundredweight to make allowance for the increased parity index for potatoes, according to Norman Stauffer, chairman of the Schoolcraft County AAA Committee.

The new support prices for October, November and December are as follows:

Per cwt. graded, sacked, and loaded F.O.B. on cars: U.S. No. 1 \$2.10 U.S. No. 2 \$1.90

October..... \$1.05
November..... 1.10
December..... 1.15

Per cwt. loaded on cars in bulk: \$1.85
Per cwt. loaded in bulk at growers' gate: \$1.65

The loan rates, however, still stand as originally announced. \$1.15 per cwt. for U.S. No. 1 quality; 1.05 per cwt. for U.S. No. 2 quality (1-7-8 inches).

By placing his potatoes under loan, Mr. Stauffer said, the grower is guaranteed by the Community Credit Corporation that he will receive not less than the announced support price for his potatoes by delivery to CCC if the local market price is below support price level.

Borrowers can deliver their potatoes to CCC at any time after

Michigan director, The legislative program will go to the 1947 state legislature in January.

The Civilian Production Administration refused to authorize repairs at the Coliseum at the state fairgrounds, Detroit. The 1947 state fair cannot be held unless the building is remedied.

To safeguard its veterans' housing bill, largely on any college campus in the nation, Michigan State College has inaugurated its own fire department with six fire trucks and two fire engines on 24-hour duty.

Out every four voting citizens in the United States will be veterans of World War I. Care for veterans of all previous wars cost \$75 billion up to 1945. Cost of the new GI Bill of Rights may easily cost more than \$20 billion, according to the U. S. News. A federal bonus, similar to that granted after World War I would add \$10 to \$15 billion. Prediction: Veterans' candidates will soon attract a federal bonus for over 3 million veterans.

Because of the increased cost of state conservation services, the next legislature will be asked to approve an increase in hunting and fishing fees. Anglers and small-game hunters would pay \$5.50 instead of \$1; deer hunters \$4.50 instead of \$1.50, and trappers \$2 instead of \$1.

To meet transportation competition of the Pure Marquette streamlined trains operating between Detroit, Grand Rapids, Lansing, and the Lakes Great Lakes region, Michigan's one-man grand jury received flattering praise from Senator Vandenberg for a legislative investigation this year given a top rating by the Michigan Prison Association's annual congress in session at the Detroit Dr. Garrett Heyns is the

Washington commentators hint behind the firing of Henry Wallace by President Truman was the unified front put up by United States Senators Vandenberg of Michigan and Connally of Texas. Wallace is stumping Michigan industrial centers this month, while Vandenberg is in Paris.

Michigan State College's \$5,000,000 construction program got \$2 a hour or \$80 for its hours' work. Average pay, including overtime, was \$1.76. The average weekly guarantee schools are \$107. Many of college instructors is \$67, plus one-sixth of the current year's sales tax.

Consumer Liability to buy meat is creating a boom demand for cheese with a result of higher prices. Milk prices may "flinch" until January. A movement is under way to require pasteurization of cheese. Unflattened cheese is killed by pasteurization. The state legislature invested power in the state department of agriculture for dairy milk inspections.

Government ownership and operation of the power industry, along with industries producing zinc, aluminum, magnesium, gold and silver are proposed by the C. I. O. Mine, Mill and Smelter Workers' Union. This union bar- bers, copper mining in Michigan is now regulated by a federal "pre- vention plan" which provides for government subsidies. The same CIO union recently defeated a proposal to bar communists from holding office.

Midland's Dow Chemical company has a \$10 million expansion program, but cannot proceed due to a housing shortage and lack of needed equipment.

The Michigan Unemployment Compensation Commission, with its 2,000 employees, will take over about mid-November the federal funds, the next governor will have a bigger payroll to account for. There are 72 local employment offices in the state, and 65 part-time offices.

The election report to the President and to Congress by the director of war mobilization and reconstruction at Washington sounds more ominous. If we are to avert a serious depression in the near future, business must act to hold down prices "wherever possible" labor leaders must resist demands for spiraling wage increases, farmers must maintain their high level of production, and consumers must spend their money wisely.

If the sales tax division amendment is adopted Nov. 5, chances are unlikely that the legislature will continue state aid for Wayne University. Detroit's tax plan, proposed solely to raise over \$2,700,000 to Wayne for new buildings. This institution has more than 15,000 students, compared with a pre-war level of 10,000.

FSA HEAD EXPLAINS NEW FARM PROGRAM

Merger of Two Agencies Is Advantage, Says Local Supervisor

There seems to be some concern in the minds of farmers about what is going to happen when the functions, powers and duties of the Farm Security Administration and the Emergency Food and Seed Loan section of the Farm Credit Administration are abolished. Clayton A. Reid of the FSA office announced.

Public Law 721, 76th Congress, sets up the Farmers' Home Administration, which is a merger of the two organizations in the interest of better service to farmers at the county level. In general, there will be no material change in the services available to the farmers, Reid says.

Plans for administering the Farmers' Home Administration Act of 1946 are not yet complete although October 31, 1946 has been set as the official date for the transfer of assets and liabilities. "We're elated over the change," said Mr. Reid. "By its action in passing basic legislation, the Congress has put its stamp of approval on the work that we have been endeavoring to do for the past eleven years. The merger of the two agencies, with an expanded program, will make it possible for us to help more farmers and veterans unable to get their credit needs taken care of through the regular channels."

Home Sale
The Deseret store will hold a Pringle evening home sale at the Reese and Johnson store on Saturday, Oct. 20.

Pringle Evening
Mrs. Elwood Taylor and Mrs. Marion entertained a Pringle evening party at the Taylor home. Four tables of bridge were played during the evening, honors going to Mrs. C. F. Nicholson, Robert E. Blinnig, Mrs. Ken Van Dyck and Mrs. J. C. Blinnig. Refreshments were served.

Birthday Party
Billy Norton celebrated his sixth birthday Saturday afternoon with a party at the home of his parents, Mr. and Mrs. William L. Norton, Garden avenue. Billy and his guests first played a number of games, and later refreshments were served. Red, white and blue featured table decorations with a white-frosted cake with red candles and tiny flags as centerpieces. Each guest received a favor. Attending the party were Margaret Corson, J. Jackson, Myrna Kay Johnson, Mary Ann

and John Kelly, Jan LeDuc, Wayne Gunderman, Robert Archambault, Pat Malley, Terry LeHyan, Mickey Williams and Stephen Jewett.

Eastern Star
Newly elected officers of Ida chapter No. 54, Order of Eastern Star will be installed at special installation ceremonies to be held Tuesday evening, Oct. 29 at the Masonic hall, Winona Hartman room. The worthy matron of the chapter and Keith Bundy the worthy patron. Other elective officers are Winifred Orr, associate matron; Jan Winn, associate patron; Jeanette Whim, secretary; Bertha Soderstrom, treasurer; Grace Macdonald, conductress and Vesta Pyrie, associate conductress. A number of appointive officers will be announced later by the worthy matron.

Here With Bride
Guests this week at the home of Mr. and Mrs. Orlando O'Halloran, 1245 S. Park, O'Halloran, O.H., and his bride of ten days who are on an eastern wedding trip. The couple were married at 2 o'clock Sunday afternoon, Oct. 6, at St. Mary's Catholic church in Okla. The bride is the former Josephine Banducci, daughter of Mr. and Mrs. Joseph Banducci, of Okla. Both are employed in Okla. Bank of America. They will leave Saturday for Houghton to visit with Mr. O'Halloran's in-law and sister, Mr. and Mrs. John P. New before returning to California.

INFANT, MATERNAL DEATH RATE GIVEN

Recent Report Shows Progress Being Made In Saving Babies, Mothers

Of every 1,000 babies born in Schoolcraft county in the past five years 40.6 died before their first birthday, according to the records of the Michigan department of health.

For the same period the state average was 37.64 deaths per 1,000 live births. The percentage which has been made in saving infant lives may be seen by comparing this record with Michigan's 1926 infant death rate of 96.84.

Both infant and maternal death rates in Michigan dropped to all-time lows in 1946. These rates are the number of deaths per 1,000 live births.

During the five years from 1941 through 1946 the maternal death rate in Schoolcraft county was 4.01 compared to the state average of 1.99. In 1920 Michigan's maternal death rate was 9.04.

Health authorities agree that the infant and maternal death rates are an accurate index of the health of the population. They believe that the decrease in deaths of infants and of women in child birth is due to improvement in general health conditions, as well as to the fact that increasingly more women are going to physicians early in pregnancy and receiving medical care during the entire period. Mothers are also having their babies immunized against whooping cough, diphtheria and smallpox.

Hollis Overton Finds Cornstalk Shaped Like Bird

Hollis Overton, 848 Garden avenue, picked a cornstalk shaped exactly like a bird the other day. The stalk had the bird's head and beak area swept tall, and even the plumage, partridge and yellow, and belonged to a feathered species.

Mr. and Mrs. Kermit Wolfe are the parents of a son, William Gordon, weighing nine pounds and four ounces, born Saturday at their home on the State Road, in Manistique.

THE AIR OF FREEDOM

"Christianity is not a static, weak, timid thing in its philosophy," writes Paul Mallon. "It prods ingeniously, encourages use of talents, proposes advancement, recognizes the natural differences between men, and proposes reward for effort..."

Not is it accidental that the utmost material progress has been made in lands where spiritual and economic freedom exist. We cannot, for example, draw a line between the free church and the free business.

Individual enterprise, in any field, blooms only in the air of freedom. The preservation of that air is the greatest problem confronting this chaotic world.

OFFICIAL PROCEEDINGS OF THE MANISTIQUE CITY COUNCIL

Manistique, Michigan, Sept. 23, 1946. A regular meeting of the City Council was held at the City Hall on September 23rd, 1946. The following members were present: Councilmen Berger, Burns, Heitman, Richards and Sellman. Absent: None.

Mrs. Louise A. Welch, 206 Chippeva Avenue, presented a petition signed by 76 persons asking the City Council to take action to abate the clutter nuisance from the paper mill smokestack. Mr. R. G. Hentschler, paper mill manager, stated that all possible manual means would be taken to provide relief.

A delegation from the Merchants Association discussed with the Council, Christmas street decorations. Moved by Councilman Burns, supported by Councilman Sellman, Richards and Sellman. Absent: None.

Resolved that the City Manager be, and he is, authorized to cooperate with the Merchants Association Committee in drawing plans for Christmas street decorations. Years: Councilman Burns, Sellman, Berger and Richards. Nays: None.

From where I sit... by Joe Marsh

Want a Vacation from Marriage?

Alvin Blake went south on his vacation, for some fishing, and left his Missus to enjoy a vacation from the cornish pipe, clothes in a heap, and solos on the harmonica.

First few days, Martha enjoyed it—house neat and quiet, top back on the footstool, no morning mess from Alvin's midnight smokes (AT's partial to a bit of cheese and beer in his time).

Came the end of the week, she began toidget; it couldn't even read the "Clarion". It looked so unmissed; didn't have any appetite with us.

body to cook for. She was about to wire Al, when he barges home a week ahead of time, and she almost cries for gratitude. ("Felt the same way myself.")

From where I sit, those differences of habit and opinion—whether they have to do with cornish pipes, a glass of beer, or playing the harmonica, soon might be trivial when you're separated. And they are, too!

at the Republican rally, and who
to return home on the Hall

and Kate. The tug, it
was leaving but
was being quite
a printer hustled to the dock to
the boat and not being ac-

companied with the vicinity stopped
into the river. He called for
help and began swimming toward
a bank he noticed some distance
there willing hands helped
him out of the river. It is fortu-

that the accident was not
so serious. George says the
water was awfully cold.

Forty Years Ago
J. L. Riley has moved to his
farm in Manistique township, but

gressive metropolis was
pushed into existence and who
went west two years ago, writes
that the inhabitants of the west
are two lanes for him and that he
is coming home where there is
sufficient excitement and diversion
to make life worth living.

Gilbert Olson was down from
camp the first of the week on
business.
The editor is invited to witness
the launching of the new steel
ferry Ann Arbor No. 4 at the
yards of the American Ship Build-

ing company, Cleveland at 2:30
o'clock tomorrow afternoon.
It is a pleasure to announce the
coming of an attraction like "The
Triumph of Betty" as it is known
to be not only entertaining but
also instructive. Then too the com-

pany is said to be an exceptional-
ly fine one. At the Opera house

Pioneer Spirit Needed In World Says Lecturer

A highly inspirational and instructive lecture, "The New Covered Wagon," was presented to the Manistique Women's club Tuesday afternoon by Alice Graham Winters, of Oak Park, Ill., noted lecturer and women's club leader. A licensed minister in her own right, Mrs. Winters assisted her husband, Dr. Carl Winters, pastor of Oak Park First Baptist church, in the children's and youth work of the church. Her pleasing personality, sense of humor, and sincere interest in women's part in the stirring problems of the day completely captivated her audience.

Mrs. Winters described the staid character of the pioneer women of the days of the "covered wagon," and emphasized the need of these same traits in the women of today in facing our post war problems. That each person can have a part in improving the world today, and her own community, was pointed out by the speaker in her appeal to every woman to give more generously of her time and thought in meeting the problems of juvenile delinquency, racial prejudice, and post war adjustment. Mrs. Winters expressed the need of a more ardent faith in something higher than ourselves in coping with today's chaotic times. She emphasized the power of each individual in inspiring a more ardent faith in youth, and called upon each to take a more active interest and leadership in youth guidance. Her address was interspersed with inspirational quotations and humorous anecdotes in an appealing presentation of the serious needs of today, and the part women can play in their solution.

Teachers' Reception
Tuesday's meeting was also the annual reception for members of the public school faculty, and was largely attended by the teachers and club members. Many new members of the school system were presented to the club, and each teacher was given a carriage. An interesting discussion on the proposed sales tax amendment was presented by Spence A. T. Hall, giving the club members' suggestions regarding the amendments which would appropriate a portion of the tax collected from sales tax to the public schools, and the club members' support of the measure. Reports were also heard from various committee chairmen which included a report on the upper

peninsula meeting of the Michigan Federation of Women's clubs, presented by Mrs. C. F. Anderson. J. Earl Coustan, of Nahm, talented vocalist, completely won his audience with his presentation of a group of vocal numbers. Mrs. James Fyvie played the piano accompaniment. Hostesses, who served tea at the close of the afternoon, were: Mrs. J. E. Lowell, chairman; Mrs. George Nicholson, Mrs. A. S. Putnam; Mrs. Carl Anderson, Mrs. E. Curran, Mrs. Ray Billings, Mrs. Robert Curley, Mrs. J. M. Hewitt, and Mrs. E. J. Hastings.

CARL MARKLEY, 61, ACCIDENT VICTIM

Body Being Brought To Manistique; Funeral At Trenary Monday

Injuries received in a highway accident near Lebanon, Ore., Saturday were fatal Sunday morning at 8:30 o'clock to Carl Markley, formerly of Manistique. Mr. Markley, who was 61 years of age, died in a Lebanon hospital without regaining consciousness, according to word received here from his widow. Details of the accident were not available Thursday. The Markleys moved to Bremerton, Washington, about three years ago after residing for several years in Manistique. Before going to the west coast Mr. Markley had been employed as a general construction inspector for the U. S. Army Engineers, at Fairbanks, Alaska, for several months, and prior to that time was with the U. S. Forest Service in CCC camps in his area. Until recently he had worked at the Puget Sound navy ship yard and the time was in the employ of the Cascade Plywood corporation of Lebanon. He was born August 22, 1868, in Manistique, and was married to Mrs. Mary Ann Markley. Also surviving are two sons, Carl and Roy, daughter, Mrs. John G. Lambright, of Detroit, and two sisters, Mrs. Thompson, of Evanston, Ill.
