BOWLING BANQUET AT ELKS JAN. 19

Match Between Michigan Dimension And Eat Shop Teams To Be Feature

The semi-annual Elks bowling banquet, postponed from last fall because of the remodeling program at the Elks building, will be held next Wednesday evening, January 19, it was announced this week by Carl Carlson, chairman of the Elks house committee.

The dinner is scheduled for 6:30 o'clock. Losers during the final half of last season's bowling program will fetter the winners at this affair.

A special attraction for the event will be a bowling match following the banquet between the Michigan Dimension company team and the Eat Shop. The Dimensions were club champions during the first half of the 1947-1948 season and the Eat Shop took the club title during the second half. The winners will have their name inscribed on a bowling trophy on display in the clubrooms.

The Dimension team is composed of I. J. McLaughlin, Ray L. Prine, William Steffen, James Carlson and Ross Collier. The Eat Shop personnel last season was Vern Dufour, William Phillips, Howard Hewitt, Leo Curran, Frank Richards, Leonard Muthaupt and William L. Norton.

Last Committees Committees for the bowling banquet were announced as follows by Carlson:

Program — R. G. Hentschell, chairman; P. P. Stanness, Leonard Malen, O. J. Schuster, Music — Francis Kasun, chairman; Ross Collier.

Collector of revenue — Dr. C. F. Aronson, chairman; Alvin Nelson, Arthur Cookman, and George Schweikert.

Potato peelers — I. J. McLaughlin, chairman; R. L. Prine, William Stephens, and James Carlson.

Refreshment — Arvid Stor, chairman; Victor Schubert, Charles Redeker, Sr., Charles Redeker, Jr., Ronald Pointer.

Setting up tables — Leon Nicholson, chairman; George Horton, Thomas Grimley, Emory Barnes.

New Forest Industry A new forest industry has developed in the past decade in Alabama and adjoining states — the production of strom or sweetgum. Strom is the fragrant, balsamic gum that exudes from the bark of the sweetgum tree. Used in medicinal and pharmaceutical preparations, as an incense, for perfuming powders and soaps and to flavor tobacco, it formerly was imported from China and India.

THE DOCTOR CAN WAIT

How often have you heard it said, "I've paid all my bills except the doctor's. He can wait?" When we have recovered, the fearful urgency of that night call is easily forgotten. In answer to our frantic call, what if the doctor had said, "Oh, it's nothing serious. Wait until morning and come down to the office." The chances are we would agree to pay double if he would come at once.

FIRE DEPARTMENT WAS BUSY IN 1948

Biggest Fires Were In Rural Areas; 86 Calls Answered in City

Loss of two lives and property damage of well over \$100,000 was the toll of four big fires occurring in Manistique and outlying areas in Manistique during 1948.

Although the Manistique fire department answered a total of 108 calls in Manistique and the various townships last year, only the four—one in the city and three in the rural districts—were disastrous.

The two victims were a six-month-old baby boy, son of Mr. and Mrs. Bert Forman, who burned to death in the razing of a one-room cottage at the foot of North Cedar street March 26, and Blaine Brannon, who was suffocated in the burning of the Brannon home at Jackie Lodge near Stevens on April 21.

The two other big fires were at the Harry Curran farm in Mueland township on April 25, and at the Northwoods resort in the Thunder Lake area Nov. 18. A barn on the Curran farm was struck by lightning and burned with the loss of cattle valued at over \$20,000.

Fishing Problem At Indian Lake Is Club Subject

A proposal to restock Indian Lake by netting fish below the Manistique Pulp and Paper Company dam and transporting them to the lake, one of the county's leading tourist attractions, was discussed at last Thursday night's meeting of the Sportsmen's club by Lee Anderson, of the conservation department fisheries division at Newberry.

Anderson said that this method has been tried elsewhere in the state and results have been unsatisfactory. Anderson promised to make a survey of Indian Lake during the spawning season and later to recommend a method by which fishing in the lake might be improved.

Trout fishing in the area was also a topic for discussion at the meeting.

Following the session, "Back-burgers" were served through the courtesy of Gust Larson.

Peace Bond Given By Local Man In Family Row Case

Ed Bach, 49, was placed under a \$500 cash peace bond Thursday morning by Justice of the Peace W. C. Stephens when he pleaded guilty in municipal court to a charge of assault and battery brought by his wife, Veronica. He was not fined but paid \$5 court costs.

Bach was jailed Wednesday following a family quarrel at his North Cedar street home Tuesday night. He was represented in court by Attorney George Wood.

Nick Babladelis Enters College Of Engineering

Nick Babladelis, son of Mr. and Mrs. Alex N. Babladelis, 154 N. Cedar street, a graduate of Manistique high school, has begun his studies at the Milwaukee School of Engineering.

He was among 235 new students who entered the school for the winter term which opened January 3. The Milwaukee School of Engineering, now in its 46th year, has a total enrollment of 1,476 and offers courses in four divisions: the College of Electrical Engineering, the Institute of Electrodynamics, the Refrigeration, Heating and Air Conditioning Institute, and the Welding Institute.

Among new registrants are students from Hawaii, Puerto Rico, Alaska, Canada, British Guiana.

Emeralds Defeat Luce Aggregation To Land In Victory Column

Manistique high school's fighting Emeralds landed in the winner column for the first time here Friday night with an exciting 29-24 victory over the Newberry Indians. It was a double victory for Manistique, the local reserves defeating the Newberry seconds by score of 37 to 33.

The Emeralds started fast in the opening period, Patz, lanky center, scoring a basket in the first few minutes of play. The score was run up to 12 for Manistique and five for the visitors when the quarter ended. Newberry held the Emeralds scoreless in the second frame while counting five more points and at half time it was 12-10.

The final periods were sizzlers, the Emeralds collecting seven points in the third to five for Newberry, and 10 in the fourth to nine for their opponents.

The locals were playing superior ball most of the time, although they displayed considerable over-zealousness in the second period. Hockstad and Macfarlane led the scoring for Manistique, and McDonald was top cover for Newberry.

CANADIAN SAULT NEXT FOR CAGERS

Collegiate Institute Coming Here Friday; Cooks In Preliminary

The Sault Collegiate Institute team of Sault Ste. Marie, Ontario, will provide the opposition for Coach Hilton Potts's Manistique high school basketball quintet here Friday night. The Emerald reserves will play the Cooks high school team in a preliminary engagement at 7:00 o'clock.

The Canadian aggregation is a strong one, and the game is expected to be one of the most interesting of the season from the spectators' standpoint. The visitors defeated the American Sault team in two overtime periods last Friday night. Manistique lost to the Sault earlier this season, but the margin of victory was a narrow one and the Emeralds have improved considerably since.

Starting forwards will be Macfarlane and Hockstad; Patz will go at the pivot position, and Carlson and Schneider will probably start at guard. Out of the Emerald lineup for the rest of the season is Kenneth Smith, guard, who has recently played with the local Legion team.

Songbird Feeding Shelf Is Benefit Only To Watcher
Get your family a songbird feeding shelf for the new year, but don't kid yourself about it being for the bird's benefit. That's the advice of conservation department ornithologists to persons asking what they can do for birds in winter, and how to go about feeding them. Michigan's winter birds are hardy, and quite capable of taking care of themselves. The total winter feeding is too small to have any effect on bird population. But the benefits of making close friends

Trace Those Minerals
So important is the question of micronutrients, or trace elements, in feeds today that the progressive nutritionist must ask himself the question: "Can I afford to formulate feeds that do not contain them?" While the need for these trace elements is far better known here, nevertheless, the knowledge that lack of some of these elements in feeds results in the appearance of deficiency symptoms, many of which cause severe economic losses. The cost of insurance against deficiencies is so small, a fraction of a cent, that most feed mixtures today incorporate these trace minerals directly in their rations.

OFFICIAL PROCEEDINGS OF THE MANISTIQUE CITY COUNCIL

Manistique, Mich., Dec. 27, 1948. A regular meeting of the City Council was held at the City Hall on December 27, 1948, at 7:30 o'clock p. m. There were present: Councilmen Berger, Harris, Schrubring, Sellman and Stephens. Absent: None.

The minutes of the meeting of December 13, 1948, were approved as read.

Pursuant to reading of a letter from Michigan State Highway Department, dated December 13, 1948, it was moved by Councilman Sellman, supported by Councilman Schrubring—

WHEREAS, the Michigan State Highway Department requests the approval and consent of the City of Manistique, Michigan, to a change in the location of State Trunkline M-84 within the city.

NOW THEREFORE BE IT RESOLVED:

(1) That the approval of the City of Manistique be and is hereby given to the new location of State Trunkline M-84, commencing at the intersection of Fifth Street and State Road; thence due north along Fifth Street, extended to the North City limits of Manistique (said City of Manistique assumes no responsibility for the purchase of the right-of-way herein described) as shown on the plan approved by Charles M. Ziegler, State Highway Commissioner (By H. C. Coon, Deputy Commissioner-Chief Engineer) on a copy which is hereby placed on file in the office of the City Clerk; and the consent of the City of Manistique be and is hereby given to the taking over and designation of said location as a State Trunkline highway; and

(2) That the approval and consent of the City of Manistique be and is hereby given to the abandonment as a State Trunkline Highway of State Road from the intersection with Fifth St., northwesterly to the west city limits of Manistique.

Heights 4-H Club Elects Officers

State Should Have Strong Governor, U-M Man Believes

A one-house state legislature, a strong governor, and home rule for cities and counties are essentials of efficient state government, believes Dr. Arthur W. Bromage, professor of political science at the University of Michigan.

Prof. Bromage was a member of the committee which prepared the 1948 version of the Model State Constitution of the National Municipal League, first published in 1921. The 1948 revision has just been issued.

"The Model State Constitution continues to emphasize certain fundamentals: (1) the unicameral state legislature; (2) the strong governor; and (3) home rule for cities and counties," Prof. Bromage commented. "It cannot be said that the model constitution is only a theoretical document, for it is founded on practical examples of progress."

Others Successful The Michigan professor pointed out that Nebraska has had a unicameral legislature since 1937. New York, he said, is illustrative of states which have eliminated the long ballot and strengthened the office of governor. About one-third of the states have developed home rule for cities, and California has demonstrated that home rule can be successfully applied to counties.

Michigan's recently created Department of Administration headed by the Controller is an example of the principle of an administrative manager under the governor, as recommended by the Model Constitution.

Asked to comment on the relationship between the Model Constitution and Michigan's fundamental law, Prof. Bromage said that "everyone knows that Michigan has a bicameral state legisla-

ture and is not likely to achieve a unicameral legislature in our time. Michigan continues to have the long ballot for the election of certain state administrative officers, such as secretary of state, treasurer, attorney-general, and auditor general."

Home Rule Workable Judged by the standards of the Model State Constitution, Michigan does not have a strong governor's office directing a coordinated and limited number of departments, he continued. Department heads are not subject to the governor's unqualified power to appoint and remove. Neither does Michigan have county home rule, although the state can take pride in a workable system of municipal home rule, Prof. Bromage said.

Prof. Bromage expressed doubt that Michigan would ever approach the standards of the Model State Constitution by a process of limited, piecemeal amendment. For a comprehensive review of where Michigan stands constitutionally in relation to progress as exemplified in the Model Constitution, he asserted that nothing less than a state constitutional convention could do the job.

Record For Deer Licenses In 1948

Sales approaching 400,000 resident and nonresident Michigan deer hunting licenses set a new record in 1948.

The increase was approximately 10 per cent over 1947.

The conservation department's estimate of sales, with many license dealers still to report, expects year-end production that will exceed 400,000 licenses. Michigan's first deer license was issued in 1896 and sold for 50 cents.

SHIPPING SEASON BREAKS RECORDS

Previous Record In War Year, 1942: Traffic Pattern Coordinated

All previous records in peace or war for total combined tonnage of iron ore, coal, limestone and grain were smashed during the shipping season just ended, according to a statement by John T. Hutchinson, president of Lake Carriers' Association. Figures just released reveal the tremendous volume of 185,459,835 net tons, exceeding the 1942 record by 1,200,000 tons.

Hutchinson pointed out that the previous record of 1942—a war year—was the result of an unequal tonnage of iron ore, with other commodities having been restricted in movement. In contrast, the 1948 shipments represented a carefully coordinated traffic pattern. In addition to a new peacetime record for movement of iron ore previously announced, and the total for the four principal cargoes referred to above, new all-time records were set in the movement of coal and limestone.

It was also pointed out by Lake Carriers' Association that, while the excess of tonnage over 1947 was a comparatively modest margin, a more appropriate comparison with 1929, the peak of the pre-war prosperity period, shows a margin of fifty million tons for this year's performance. The 1929 figure was 138,574,441 net tons.

AGED RESIDENT, 80, CLAIMED BY DEATH

Funeral Services Held Here Wednesday Afternoon For Lafayette Arcey

Lafayette "Lafe" Arcey, resident of Manistique for the past 40 years, passed away Monday morning at the Shaw hospital where he had been a patient for five days. He was 80 years of age.

Mr. Arcey was born in Weidman, Mich., on Oct. 16, 1868, and was married there. In 1908 he moved with his family to Manistique and for the past 30 years resided at 750 Arbutus avenue. Mrs. Arcey died in 1937.

For many years, Mr. Arcey was employed as a teamster in various lumber camps in this area. He retired several years ago.

Survivors are five daughters, Mrs. John Trekas, Mrs. Clarence Wood, Mrs. Elmer Boul, Mrs. Olive Parulic and Mrs. Chester Woodruff, all of Manistique; five sons, Jesse, Norman, Roy, Charles and Henry Arcey, also of this city; 39 grandchildren and 22 great grandchildren.

Funeral services were held Wednesday afternoon at two o'clock at the Kefauver and Jackson funeral home, the Rev. John Safran officiating. Burial was in Fairview cemetery.

Mrs. Mushynski, Former Resident Killed By Death

Mrs. Anton Mushynski, former Manistique resident, passed away Tuesday at a Menominee hospital following a long illness.

Survivors are her husband and twin daughters, Mrs. Ed Bouscher, the former Lillian Mushynski, and Mrs. Harold Bouscher, who was Laura Mushynski before her marriage.

Funeral services will be held Friday morning at the Polish Catholic church in Menominee.

Mr. W. F. Kefauver sustained a broken arm in a fall on Lake Street Thursday evening.

HEARING CLABS State of Michigan, The Probate Court for the County of Schoolcraft.

At a session of said Court, held at the Probate Office in the City of Manistique in the said County, on the 30th day of December A. D. 1948.

Present, Hon. Ralph H. Mervin, Judge of Probate.

In the Matter of the Estate of Edward Paul Gorenau, Deceased, as appearing to the Court at the time for presentation of claims against said estate should be placed, and that a time and place be appointed to receive, examine and adjust all claims and demands against said decedent and by and for said Court.

It is Ordered, That all of the creditors of said decedent are required to present their claims to said Court at said Probate Office on or before the 8th day of March A. D. 1949, at 10:00 o'clock in the forenoon, said time and place being hereby appointed for the examination and adjustment of all claims and demands against said decedent.

It is Further Ordered, That public notice thereof be given by publication of a copy of this order once each week for three successive weeks previous to said day of hearing, in the Manistique Pioneer-Tribune, a newspaper printed and circulated in said County.

Manistique In Former Days

Fifty Years Ago
The date for the famous indoor baseball game between the Pats and Leafs was fixed for Thursday evening January 26th. Whenever there is envy there is enmity. The rain and sleet last night has transformed the streets and sidewalks into a skating rink. If you have not endeavored to break the time by an involuntary down sitting you are not in style. The ladies of the Catholic church will give a social and musical entertainment at the Gorman-Dos-

tello hall Wednesday evening of next week. Admission 10 cents. Ice cream, cake, sandwiches and coffee will be served. All invited to attend. Born to Mr. and Mrs. John Suther, a daughter, Sunday last. The members of the literary circle will give one of their semi-annual banquets shortly to which the husbands of the members will be invited. Dr. Patterson has been invited to deliver an address upon this occasion. Several musical selections will also be rendered by Manistique's prominent musicians. Victor Marin, the westside policeman, has been disabled for some time with a very sore knee. It was deemed necessary to take him to Chicago for an operation to save his limb. Rev. C. A. Johnson, of Chicago,

well known here as the pastor of the Second Baptist church, has received a call from a church at Winnipeg, Manitoba. The ice rink was largely patronized last Saturday evening. The barbed race was very amusing. Joe Miller won first prize; Emory House, second prize and Leon Pollock, third prize. In the half mile race A. and M. Brice were a tie.

Forty Years Ago
Capt. Pigeonchou was stricken with paralysis last Saturday evening. The stroke was not a severe one and he is recovering. Wilford Parley, of Thompson, was in the city Wednesday. The live harvest has been commenced and crystal cakes about twenty inches in thickness are being taken from the Jamestown pond. Sheriff Smith has appointed Larry Hamrick as deputy sheriff for Thompson. Angus McCallan is staging the illustrated songs at the Princess Theatre and will continue to do so during the absence of Harry McKerrig, who is visiting his home at Owosso and relatives in Detroit and other points. Oliver Sandberg, employed at

camp 44, came to town Monday night on account of an injury to his hand. When you don't like cold weather it is a sure sign that you are getting old. Miss Hattie Dodge and Mrs. Henry Willchund have returned from Seney. Mr. Ackley, one of the pioneer residents of Gormfask, was in the city this week as a juror in the circuit court.

Twenty Years Ago
Mr. and Mrs. Arthur Hough are the proud parents of a son who was born on January 2nd. County Clerk G. Leslie Benschor made a motor trip to Iron Mountain on Tuesday where he attended a meeting of the legislative committee of the Upper Peninsula Supervisors' Association. Mr. Benschor is secretary of the association. Mrs. E. T. Lundstrom is confined to her home by illness this week. Mr. and Mrs. Emil Nelson will leave Saturday for a week's visit with their son, Edwin and family, in Chicago. While away they will also visit with their daughter, Mrs. Elmer Anderson, in Milwaukee. Milton Bunker has left for Chicago where he has been enrolled at the Greer School of Mechanics. Miss Viola Murphy, registered nurse, of Elgin, Illinois, has arrived

in the city and plans to spend the winter with her parents, Mr. and Mrs. Dan Murphy, on the East Road. Word has been received here of the birth of a son to Mr. and Mrs. Raymond Norberg, of Chicago, on January 6th. Mrs. Norberg was formerly Miss Hazel Johnson, of this city. Mrs. Louis F. Tebo left Tuesday for Green Bay, Wisconsin, where she will receive medical treatment at St. Vincent's Hospital. She was accompanied on the trip by her sister, Mrs. John Nepper, of Ioshto.

Ten Years Ago
Jerome Hoholik has returned to his home here after a two weeks' visit with relatives in Minneapolis, Brainerd and other points in Minnesota. Henry DeSautel, Jr., left Friday for Detroit where he will be employed. Mrs. Irma Brown has returned from a visit with her daughter, Edith, in Milwaukee. Mrs. Alex Robertson returned Sunday from Calumet where she attended funeral services for Mr. Robertson's sister, who passed away New Year's Day in Detroit. Mr. and Mrs. Wilbur Purcell have returned from a visit with the former's parents in Pontiac. Miss Dorothy Carifelle left Sun-

NOTICE IS HEREBY GIVEN that in conformity with the "Michigan Election Law," the township clerk in each of the several townships will upon any day (except Sunday and a legal holiday, the day of any regular or special election or primary election), receive for registration the name of any legal voter in said townships not already registered who MAY APPLY PERSONALLY for such registration. Provided, however, that he can receive no names for registration during the time intervening between the 20th day before any regular, special or official primary election and the day of said election.

NOTICE IS FURTHER GIVEN that the various township clerks will be at the respective town halls or their homes on...

The Twentieth Day Preceding Said Election

Last day for General Registration by Personal Application for said Election

As provided by Part 176, Laws Relating to Election—Rev. of 1939

From 8 o'clock a. m. until 8 o'clock p. m., Eastern Standard Time, on said day for the purpose of Reviewing the Registration Books and Registering such of the qualified electors in said township as shall Properly Apply therefor.

The name of no person but an ACTUAL Resident of the Precinct at the time of said registration, and entitled under the Constitution, if remaining such resident, to vote at the next election shall be entered in the registration book.

Which Kitchen would you like to show your friends?

If your kitchen is old fashioned, dismal, difficult to work in... MODERNIZE it with attractive, work-saving Youngstown equipment

Of course the popular choice is the Youngstown Kitchen in the right hand picture. Instead of being just a utility room, this modern kitchen combines well-planned convenience with streamlined beauty and becomes one of the cheeriest rooms in the home.

Built to highest quality standards, of gleaming white enameled steel, these Youngstown units fulfill every kitchen need. "Kitchenaid" cabinet sinks, floor and wall cabinets are made in different sizes to fit your own kitchen.

Start your modernization plans with the "Kitchenaid." Then add whatever floor and wall cabinets you require to give the storage space and working surfaces you need.

can be purchased on easy payments. The P.H.A. monthly charge for the Youngstown equipment shown above is only

- THE MANY "KITCHENAID" MODELS GIVE YOU—**
- spotless, acid-resisting porcelain enameled top
 - twin-bowls with dish and vegetable spray
 - duo-strainer
 - four roomy drawers, doubly insulated to close silently
 - generous storage space below for cleaning supplies.
