Mark well the day—forget it not—  
When liberty was born,  
And brave men fought for their beliefs  
And many died with every dawn.  
Because their faith and ours lives on,  
America will ever be  
A symbol over all the world  
Of freedom through eternity.

## PICK COMMITTEES FOR LIONS CIRCUS

Walter Wilson Chairman  
Of Arrangements For Mills  
Brothers Show

Walter G. Wilson, general  
chairman in charge of the Lions  
Circus and horse show to be given  
here Monday, July 25, announced  
this week the various committees

which will have charge of the event.

The show to be given is the Mills Brothers three-ring circus, believed to be the largest to visit Manistique in over a quarter of a century. This circus shows only under sponsorship by a local civic or fraternal organization, and it gives no shows on Sunday.

The club plans to push vigorously by an advance sale of adult and children's tickets. Fifty percent of the money taken in for the advance sale of adult tickets returns in Manistique, and 25 percent from the children's tickets

## Now I'm Going Back To High School!

When I saw lights burning in the High School auditorium last night, I looked in to see what went on. About twenty people were listening to Buzz Ellis, the electrician, talk about television.

I slipped into a back seat and asked Hal Thomas what was up. Hal told me it was the new Self-Improvement Club. I stayed to listen—and learned a lot. Buzz really knows his stuff.

Turns out this club meets every Friday night. Each member gives a talk on the subject he knows most about. I joined on the spot because

learning new things is one of my favorite hobbies.

From where I sit, it's willingness to learn from the other person that makes Americans tolerant towards so many different viewpoints and tastes in things. Just because Buzz Ellis goes for chocolate malteds, while I prefer a mellow glass of beer, doesn't mean I'm right and he's wrong. Incidentally, next week I'm going to talk on how to run a newspaper.

also stays here.

Proceeds derived from the circus will be used by the club for its sight and blind fund, which is spent for the aid of local people who are blind or have defective vision, particularly children. The club already has spent a considerable amount of money sending four children to the Cross-Eye Foundation in Pontiac to have their eyes straightened, it was reported by Wilson.

Some of the proceeds, if enough is realized, will be allocated to the club's community improvement program, Wilson reported.

Committees in charge of the circus follow:

Tickets—Leonard Muthaupt, E. E. Cookson, C. E. Leonard, and all members of the club.  
Publicity—William L. Norton.

Treasurer—Ronald Fiegel, Roy Anderson.

Advertising—William Moreau, Frank Pavlov, Pete Gorsch, Wallace Severs, Adam Heinz, Dr. E. D. Branyan, Howard Hewitt, Earl Cox, Ernest Eckland, Harold Plichta, Arnold Anderson, John Hanson and Frank Richards.  
Grounds and water—Hugh Kennedy, Alex Robertson.

Police—Kenneth White.  
License—Frank Gierke.  
Orphans and under-privileged children—William Phillips, George Ker, John I. Bellaire and Nick Parente.

Mrs. Anne Dupont will spend the week end in Marquette with her son, Jerry.

## Westside's Post Office Starting Friday, July 1

A contract postal service station will be established for the convenience of west side Manistique residents July 1, it is announced by Frank M. Gierke, postmaster.

A bid by the Mulhaupt Brothers Hardware store for the postal service has been accepted and approved and the station will be located in their store.

No mail will be dispensed from the contract station, but the service office will handle out-going mail, stamps, insured post, and other postal services.

(June 30; and July 7)

The Declaration of Independence was signed 173 years ago this July. It was a great document. It was the beginning of our great nation. The idea of free men and the ideals of freedom were hatched for then, have been fought for since, and no doubt will be reasons for future struggle. There's no better reason. Every American has a responsibility in preserving our freedom... a responsibility that should make freedom and independence of top importance to us, not only once a year on July 4th... but EVERY DAY! Freedom is everybody's job!

This bank will observe Monday, July 4th, as a holiday.

## T. J. MAHONEY IS DROWNING VICTIM HERE

Former Chairman of GOP Committee For County Buried Wednesday

T. J. Mahoney, 66, former chairman of the Schoolcraft county Republican committee and a summer resident here for many years, was drowned about 9 p. m. Sunday when a boat he shared with his wife and another couple capsized in Indian River near the Indian River bridge. His body was recovered an hour later.

Mrs. Mahoney and Mr. and Mrs. Nels Halsey, also in the boat when it overturned, were pulled to safety by four swimmers. Mrs. Dorothy Furzess, William Bays, Arthur Allen, Jr., and Jerome McNamara, who were diving from the bridge.

Sheriff's department officials, state police and volunteers began the eligible search for Mr. Mahoney's body, which they located with grappling hooks.

Born in Chicago on Sept. 15, 1883, Mr. Mahoney was for years a member of Chicago's West Park police, and later was chief of police in Brookfield, Ill. He came here in 1934 residing at Indian Lake. He was active in local Republican politics, and had served as chairman of the county GOP committee for four years.

He was a member of St. Francis de Sales church and the Knights of Columbus.

Survivors besides his wife are a son and two daughters by a previous marriage. They are: John Mahoney, Algonquin, Ill.; Mrs. Elizabeth O'Mahoney, Chicago and Mrs. Margaret Decker, Brookfield, Ill. Also surviving are a brother, Dan Mahoney, Chicago, and three grandchildren.

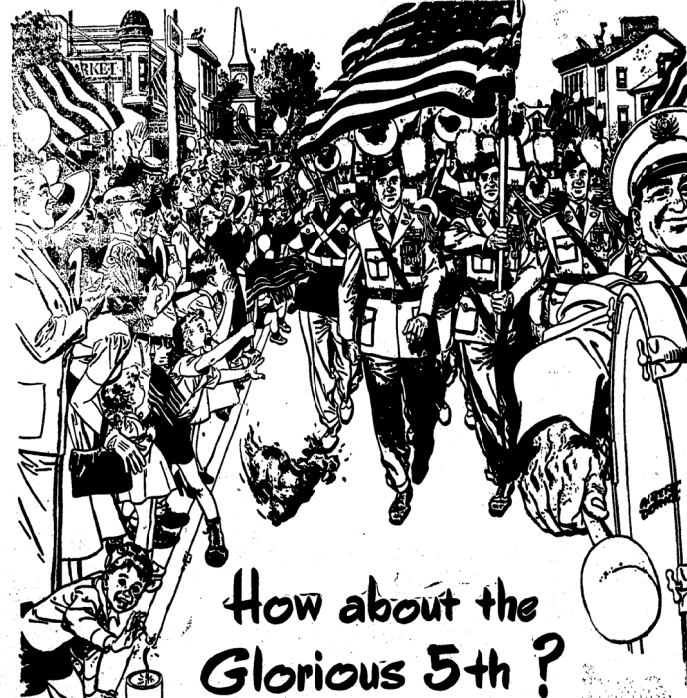

Funeral services were held Wednesday morning at 10 o'clock at St. Francis de Sales church, Rev. E. H. Berendsen officiating. Burial was in Fairview cemetery under the direction of the Mortis funeral home.

## How about the Glorious 5th?

There are no part-time Americans when the flag is flying. On the Fourth of July we all cheer for our wonderful heritage of independence.

But how about the 5th of July? And the 6th, 7th and 8th? They're just as glorious, because in America we enjoy freedom every day. No one can tell us how to vote. No one can dictate our religion—or what we must think or say. These are rights every real American will fight to keep. But they're rights that can easily slip away unless we work to hold them—

work full time at being good citizens every day. Do we? The shocking fact is that over 45 million Americans stayed home from the polls in the last presidential election—almost half the eligible voters in the land failed to exercise their fundamental rights and duties as free people. And you only have to look around you to see countless other examples of part-time citizenship—the jury duty dodgers, the parents who don't belong to the P.T.A., the Union members who consider their duty done when they have paid their dues, the Stockholders who don't vote.

Remember, celebrating Independence won't help it for you. You have to work for Freedom. And in this country it's a full-time, 365-day-a-year job—it takes 150 million full-time citizens to do it right!

EVERY HOME should have this guide to the Rights and Duties of an American. Do you know your rights? Do you know the real facts of good citizenship? Do you have any idea why of each? You'll find all this and other interesting facts about many other countries in this new little book. Send 25¢ to the American Heritage Foundation, 17 East 65th Street, New York City.

Are you a full-time citizen? Check here!  Do You Find Out Election Issues?  Do You Vote Intelligently in All Elections?  Do You Serve Gladly on Juries?  Do You Join Local Civic Groups?  Do You Vote in Union Elections and Stockholders' Meetings?

**A&P Prices Just As Low in July As in December!**

It's nice to know that vacation and other regular food needs cost no more at A&P in July than in December. Shop at A&P for all your vacation foods such as bakery, fruits and vegetables, smoked meats, coffee, etc. Prices are always low at A&P—EVERY MONTH OF THE YEAR.

**Customers' Corner**

Thank you for your suggestions! Thousands of our customers have been kind enough to write us letters telling us just what they like and don't like about their A&P stores.

Every one of the letters received has been carefully studied. Many of them have contained helpful suggestions as to how we can make A&P stores better places to shop and every one of them has helped us learn the kind of food and service our customers want.

So thanks to all our good friends and please keep the letters coming!

Willcock was attended in an unusual manner by the wedding party. The bride wore a white gown with pink carnations. A wedding dinner was served later at the home of Mrs. Willcock for about 40 guests, and a reception for 75 was held there from two to four o'clock. A large wedding cake, white candles and flowers decorated the table, and the hall was decked with bridal wreath. During the reception Steve Schultz played a number of accompaniment selections. Mr. and Mrs. Willcock left later on a brief wedding trip and have returned here to reside at 121 North Houghton avenue. For going away, the bride wore a navy dress with white accessories. Both are graduates of Manistique high school, and the bridegroom is an army veteran with a service record including three years in the European theater. Mrs. Willcock is employed at the Manistique Light house, and Mr. Willcock is employed at the Power company, and Mr. Will-

cock is in the office of the Manistique and Lake Superior Railroad. Out of town guests at the wedding were Miss Mary Solar, Washington, D. C.; Mrs. Steve Belararak and daughter, Helen, Warren, O.; Mr. and Mrs. Carmen Phillips and children, Berkeley, Mich.; Mr. and Mrs. Ralph DeWaters, Muskegon; Mr. and Mrs. John Miller, Muskegon Heights; Mr. and Mrs. John Rozam and Mrs. Mrs. Glen Morgan and children; Margaret and Mrs. Anna Boer, Poland, Mich.

**Engagement Announced**  
Mr. and Mrs. Wallace McCreighton, of Gulliver, announce the engagement of their daughter, Rita Delphine, to Francis C. Chartier, son of Mrs. Eva Chartier, South First street. A date has not been set for the wedding.

**Marriage-Carlson**  
At an impressive candlelight service before the Bethel Baptist church altar, hanked with American yaws and palms and white carnations and white peonies, Miss Dorothy Grace Martinson, daughter of Rev. and Mrs. Harold Martinson, 118 East Elk street, here, was united in marriage to William Peck, son of Mr. and Mrs. William Peck, of Grosse Pointe Park. The double ring marriage service was performed by the Rev. E. H. Berendson following an eight o'clock musical mass offered by the Rev. R. J. P. Schveers. Miss Josephine Bueck, of Manistique, was the maid of honor, and bridesmaids were Miss Barbara Combe, of De Grosse Pointe Park, Milton Marsack, Detroit, was the best man, and twin brothers of the bridegroom, Russell and Ralph Peck, of Grosse Pointe Park, were ushers. The bride, who was given in marriage by her father, wore a net veil gathered to a coronet of seed pearls and carried a bouquet of white carnations and a single white orchid. Her attendants were dressed alike in full-skirted gowns of pastel net over lace with matching picture hats. Miss and Mrs. Peck pink. All carried colonial bouquets. Mrs. Weber wore a two-piece gold ensemble for her daughter's wedding with brown accessories, and Mrs. Peck was attired in white with matching accessories. Both had corsages of pink roses. During the mass preceding the ceremony, Mrs. Lyle Charan sang "Ave Maria Stella." The church choir sang the music of the mass. A wedding breakfast for 38 guests was served at 11:30 at the Weber home, South Maple

## ATTENTION, LEGIONNAIRES

**Funeral Services Friday Morning For Fred Terrian**

Fred Terrian, 61, a resident of Manistique for many years, passed away Tuesday at Newberry state hospital where he had been a diabetic patient.

Two Manistique survivors of Mr. Terrian are a sister, Mrs. Frances Heminger, and a brother, Herbert Terrian.

Funeral services will be held Friday morning at eight o'clock at St. Francis de Sales church, the Rev. E. H. Berendson officiating. Burial will be in Fairview cemetery under the direction of the Kefauver and Jackson funeral home.

Mrs. Conrad Prishner, of Minneapolis, is spending a week at the home of her mother, Mrs. Mary Johnson, South Third street.

Miss Jean Hambeau has left for Minneapolis, where she will attend the summer session at the University of Minnesota. Her sister, Miss Helen Hambeau, has gone to Duluth, where she will study for the summer term at the College of St. Scholastica, where both are students.

The Walsh Estate is offering to the highest bid timber land in Schoolcraft County, part or all. The list of this property may be obtained from Miss Laura Williams at the court house. You may make an offer to Miss Williams.

### Representative Of Starr Home Here For Contributions

Levant R. Wheaton, representing the Starr Commonwealth for Boys of Alhambra, Mich., arrived here last Friday on one stop of his summer work assignment which will take him to all counties and towns of the upper peninsula.

During the school year Wheaton is on the Starr teaching staff. Wheaton's work will include the solicitation of private financial support for the Michigan boys' home. Starr Commonwealth is a private, non-profit home and school, and depends on private support for its operation. It is operated by Floyd Starr.

A total of 165 boys from all parts of Michigan, and a few from out-state, are now living at the Starr home.

Wheaton reports that a branch home for boys is now being planned for Ohio.

Starr Commonwealth operates on the principles of the following creed: "We believe that there is no such thing as a bad boy... that every normal boy will be good if given an opportunity in an environment of love and activity."

Starr. They are principally boys from broken homes or those who have become court cases. At Starr they find an environment and an organization which seldom fails to educate them properly and fit them for good citizenship. Boys from 12 years up through high school age are taken by Starr. Starr even helps many of the boys to acquire a college education after they leave the institution.

Starr is a non-sectarian boys' home.

Wheaton reports that a branch home for boys is now being planned for Ohio.

Plan. This Plan gives credit for Company service prior to the effective date of the Retirement Plan and adds materially to retirement income for those with long years of service. The Medical Plan was started in 1931 and employees were eligible for participation on payment of \$1.50 per month. In order to provide better service, considering the increased medical load, the Company entered into an agreement with Dr. Shaw in 1946 to add a third doctor to his staff. The increased cost was met in part by increasing the monthly payment by employees from \$1.50 to \$2.00 per month. The Company pays more than half of the cost of this service. This service is not compulsory, the employee can take it or not as he chooses. For this fee they receive medical care and medical services for themselves, their wives and families and special rates for surgery and hospitalization. There are 337 employees participating who receive an average of two home calls and eight office calls per year. 32 of our employees have chosen not to accept this service. One employee and his family has been receiving medical service that would normally cost \$300.00 per year for the past six years, and the cost to him was only \$18.00 per year. Hospitalization Available A Hospitalization Plan was offered to our employees in 1946 but was refused by them for reasons unknown to us. It was then put into effect for salaried employees as of October 1, 1946. In 1946 upon request of the employees, the plan was again submitted and this time was accepted and put into effect for non-salaried employees as of November 1, 1946. The cost to the employee was \$7.70 monthly if single or married and not covering dependents, \$1.69 monthly if he had one dependent, and \$2.38 monthly if he had two dependents, making the maximum charge \$2.00 per month regardless of the number of dependents. This Plan entitles the employee and his dependents to certain payments for surgical and hospital care. The amount of benefits he receives is determined by the surgeon. Thirteen employees have been paid in claims under this Plan, 106 people having participated in 144 claims, with as high as four claims having been paid for one family. On January 1, 1948 the Plan was revised slightly, raising the

benefits the employee and his dependents may receive for surgical and hospital care. With this revision the cost now ranges from \$7.50 monthly if single and not covering dependents to a maximum of \$2.40 for more than one dependent. It is to be noted that all forms of insurance, the Medical Plan, Hospitalization Plan were conceived and offered to the employees by our Company long before legislative attempts in this direction and without pressure or aid from anyone. In effect, it is our obligation in the communities in which we operate and the benefits which we operate equal or exceed that of the so-called pieces of "liberal" legislation introduced in recent congresses. Bus Service Provided Due to lack of a public transportation system, the Company has made bus transportation available to our employees but they can report for work by any means they choose as riding the buses is not compulsory. There are currently 40 or 60 employees using their own cars instead of the buses. Until September 6, 1948, we charged the employee 15c a round trip from Manistique and 10c a round trip from Gulliver. However, due to increased costs of operating, bus fares were increased on September 3, 1948. The round trip fare from Manistique was increased to 25c and to 15c a round trip from Gulliver. Considering the 58 mile round trip, this is extremely cheap transportation. Even with this increase the Company contributes almost 50% of the bus expense as the actual cost is over 15c a round trip per passenger. The buses have traveled 1,668,257 miles and transported 835,005 round trip passengers since this service was started. The bus transportation system makes it possible for those who live on farms to work in industry to augment farm income. It also makes available a reliable and economical means of transportation for the convenience of those choosing to use it. It should also be considered that transportation by bus is far safer than transportation by individual owned car. We have had several major accidents to cars used to transport our employees and one loss of life, whereas in 18 years we have never had any serious accidents to bus passengers. All costs to the employee on insurance, medical care, hospitaliza-

tion, and bus transportation are paid by payroll deduction by written authorization of the employee. Paid Vacation The paid vacation plan was started in 1936 for men with 5 years service and was extended to men with one year service in 1942. The Plan now provides one week for an employee from 1 to 5 years and two weeks for 5 years or more. During 1948, 310 employees participated in paid vacations, receiving about \$30,000.00 in vacation pay. During the war period, 109 of our employees entered Military Service and each received \$100.00 as a gift from the Company when he was inducted. During the period of Conscription prior to World War II the Company paid each employee entering this service the same pay as they received from the Government for their year of conscription. Over 200 of our employees own their own homes and about the same number own automobiles. This number is roughly 65% of the total number employed and is a very high percentage considering that the national average is 14%. Our Company endeavored to provide a safe working place for our employees. We do everything possible to guard moving machinery and educate our people in the safest method and safest conduct on the job. To interest everyone in safety, we promote competition between departments and between other operating units of this Company. Prizes are given for accident free records for monthly periods and an accident free year is rewarded with a turkey to everyone. Work At Safety Starting with the Safety Director and on down through all supervisors in the organization and to the last man on the job, everyone works at safety; and our record shows we started operations in conclusive evidence that safety pays. Since 1930 we have had four accident free years, and we have won the National Safety Competition two different years. This award means we were judged to be the safest operation in the United States for those years. We came close to winning it on several other occasions. Our employees can feel that there is less likelihood of injury on our job than there is in most industries. Labor Relations Good The human element in all business is very important and you

will want to know whether Inland is a good place to work. We can look at the record. After eighteen years of operation we have 72 employees who have been with us over 15 years, 116 employees over 10 years, and 200 employees over 5 years; in other words, about 60% of our employees have been with us over five years, about 25% have been with us over ten years, and about 17% have been with us over fifteen years. The average earnings of all employees at present is \$1.37 per hour with the minimum rate \$1.19 per hour. In April 1948 a shift differential was granted the employees which added 4c per hour to their rate when on the afternoon shift and 6c per hour when on the midnight shift. During our eighteen years of being, the last seven of which we have had a Union, we have had one strike which came in 1946 when striking seemed to be a popular thing to do. We had one lock-out in the beginning of 1948 when no agreement could be reached with the Union. In our seven years with a Union, the United Mine, Mill and Smelter Workers International Union, CIO, we have had very few grievances which progressed beyond the plant level to the Management-Union level, and none have gone to arbitration. We have been able to settle our mutual problems in our own organization. Have Union, Non-Union Men Possibly our policy toward Unions has had something to do with this. We believe a man should be free to join or not to join a union as he, as an individual, sees fit. That is his business. We employ union and non-union men alike. No one has to join a union or remain a union member to be an employee. However, if an employee is a union member we will on authorization from him, an authorization he may withdraw if he wishes, deduct his union dues from his pay and send them to the Union. We presently have such authorizations from approximately 92% of our employees. I have told you something about our business and something about what we do for our employees and what both of us do for the community in which we live. I think you should know these things, I think everyone in this

area should know these things. We believe that our industry owes an obligation to the people in Manistique and surrounding territory and we have attempted to be good citizens and discharge this obligation fairly. I sometime refer to the Inland Lumber and Stone Company as "my Company". In the broad sense it is "your Company" and to everyone in this area it should be considered as "our Company" because if we prosper everyone in Manistique prospers with us and everyone should interest themselves and assist in every way possible in order that all may prosper for many, many years to come. Thompson Mr. and Mrs. Wm. Cook and family moved on Sunday from the home of the latter's mother, Mrs. August Carlson, to Munising where Mr. Cook will engage in the trucking business. Mrs. Hannah Erickson returned on Sunday from Quebec, Canada, where she was a guest of her son, Albert. Mesdames Ernest Steinhoff and children, Elson Carberry and family, of Munising, were week end guests of the former's parents, Mr. and Mrs. Floyd Sample. Mr. Floyd Cox returned home on Tuesday from St. Johns and Bannister where she was a guest of relatives the past ten days. Miss Adeline Wager arrived at her home here on Tuesday. Miss Wager teaches school at Grass Point, Detroit. Mrs. Sam Anderson is visiting relatives at Cheboygan this week. Mr. and Mrs. Lawrence Knuth and family, of Van Dyke, left for their home on Tuesday, having been the guests at the Richards Cabins the past week. Alfred Erickson is building a new house on his farm across from the motel. Mr. Erickson is employed at the Summit hospital at Oconomowoc, Wis., and has a 90-day leave. Mr. and Mrs. John Rosenski, of Shingleton, are guests at the home of their daughter and family, Mr. and Mrs. George Olson. Mr. and Mrs. Arnold Pierce left

for their home in Detroit after a week's visit with relatives and laughter and family, Mr. and Mrs. Lloyd Frangale. Members of the hatchery staff entertained at a farewell party on Saturday evening in honor of CHM Long, supervisor, who was promoted to District Supervisor and now has office at Escanaba. ## THERE'S NO BETTER STOMACH MEDICINE THAN O-JIB-WA

Mr. John Johnson writes from Midland, Michigan, that he suffered continually with gas and indigestion, and was so weak, nervous and ran down that life was miserable. The fast pace of modern living puts a continual strain on our nerves and digestive organs. Few people realize how the miseries of gas, indigestion and heartburn, bloating, nervousness and other stomach disorders, for over 35 years, O-JIB-WA BITTERS helped thousands of people who have suffered with these conditions. The following testimonial of Mr. John Johnson of 546 Oak Street, Midland, is typical and is offered as convincing proof that O-JIB-WA BITTERS is worth your trial if you are suffering from stomach distress.

Everything Turned to Gas—I have suffered stomach distress for quite some time, and although I tried medicines that brought temporary relief it was not until I read about O-JIB-WA BITTERS in the newspaper that I realized that everything I ate turned to gas even a glass of water turned up my stomach and I bobbed continually at times in my bed. It is caused pressure on my lungs and made me short of breath, and my heart throbs, but once I have always been an active man, but this stomach trouble and gas.

O-JIB-WA BITTERS is not a fact, it is very natural and the result of all it is a three centimetal size as a reference and take by.

### Compulsory Sickness Insurance means this:

Under American Medicine your Medical Bill pays this:

Under Compulsory Medicine your Medical Bill must pay these:

As it is now, you pay for your medical care if and when sickness overtakes your family. You can cover the cost with insurance, under any of several low-cost private plans. But, if the Government gets into the picture you'll not only pay for direct medical care, but for all the extra government job-holders needed to operate the system. You'll pay for the high cost of this red tape through a deduction from every paycheck, whether you're sick or not. So when anybody talks to you about cheaper medical care, just remember all of the extras that you'll be called upon to pay for under government health insurance. Talk it over with your medical doctor and get the real facts about the cost of socialized medicine.

HALF SKED GIVEN**

American Legion And  
VFW Clash At Fair-  
grounds Wednesday

The Manistique Softball loop will swing into action for the second half Wednesday evening, July 6, at 6:30 p. m. Although play was somewhat hampered by the disruption of the fairground field, temporary playing fields are being arranged at the court house grounds. Every effort is being made to locate a permanent field as soon as possible.

In a well-played game the Forty-and-over club bounced the Collegians Wednesday evening, 7-1. The stellar pitching of Kasun and some sensational fielding, especially shortstop Matthews' save in the fifth with the bases loaded, was the margin of victory for the Oldtimers.

The schedule follows:  
July 6—American Legion vs. VFW.  
July 7—Paper Mill vs. Forty-and-overs.  
July 12—American Legion vs. Collegians.

You ought to be  
driving a '39 **PONTIAC**

**A Very Fine Car at a Very Low Price!**

When the 1939 Pontiac was introduced, its public reception made Pontiac history. Yet today, some six months later, it still continues to grow in public popularity and demand! For this extraordinary situation, there is a very simple and obvious reason. This big, distinctly styled beauty enables people to enjoy fine car ownership at a very low price.

Powered by the world's sweetest engine, it provides fine car performance wherever you drive. Its handsomely appointed Fisher body affords fine car spaciousness and fine car atmosphere. Because of the exclusive Traxelux Ride, Pontiac confers on every road a finer comfort. Its fine car steering and general handling ease are the happy result of fine car engineering and design. As you have the right expect of a fine car, Pontiac ownership carries with it the definite promise of satisfactory, dependable performance over the years.

Yet for all its fine car quality, Pontiac is not expensive. Few cars undersell it. In fact, it is America's lowest-priced straight eight. Buy the fine car at its very low price and you'll be very happy for a long, long time!
