

Preliminary Plans Drawn For County Potato Show; Chamber Trophy Goes To Top Grower

Date For Annual Exhibit Is October 26; Queen Will Be Chosen

Preliminary plans for the 1949 Schoolcraft County Potato Show, to be held here Wednesday, October 26, were outlined at a meeting of the Schoolcraft County Potato Boosters association Wednesday evening in the directors' room of the First National Bank.

Only two changes in the rules and regulations were authorized. The first would give the annual sweepstakes trophy, donated by the Manistique-Schoolcraft Chamber of Commerce, to the county grower with the largest yield of potatoes per acre. Previously this trophy went to the grower obtaining the highest number of points in the growers' contest. It often happened that the grower with the largest acre yield had less points than one or more competitive growers.

The second change approved would include potato storage facilities as one of the award points to be given in the growers' contest. It is also hoped to include washing of tubelike potatoes as another item for points but this matter was left in abeyance until growers themselves can be contacted.

The program for the annual potato banquet also was discussed as was the selling of advertising in the annual promotion book. It was decided to retain the same county potato committee, and to have them meet and make their plans well in advance of the show. On this committee are Mrs. Otmer J. Schuster, Mrs. William L. Norton and Helen McLaughlin.

Members of the county potato boosters' group are: James V. Wainland, Hiawatha township, chairman; Leland Pawley, Doyle township, vice chairman; Clayton Reed, Manistique, secretary; Fred L. Hahn, Manistique, treasurer; and Otmer J. Schuster, Walter Lindroth, William L. Norton, and Fred Bernhardt, of Manistique, and Joseph Hardy, of Inwood township, directors.

Word has been received here of the recent birth of a daughter, Christine Marie, weighing eight pounds and seven ounces, to Mr. and Mrs. Paul Goodman, of Neenah, Wis. Goodman, the former Pearl Kaupola, formerly taught in Manistique high school.

Golfer On Crutches To Give Trick Shot Exhibition Here

Bob King, Famed Professional, Here Sunday, At Blaney Park Saturday

Bob King, of Culver City, Calif., only golf professional in the world who plays on crutches, will give an exhibition of trick shots at Blaney Park Saturday afternoon at Blaney Park's course and at five Sunday at the Indian Lake Golf course. The public is invited to attend.

King, crippled since he was two by infantile paralysis, has played golf since he was seven years old and can pop a ball farther on crutches than many golfers can.

New Foundrinier Section At Paper Company Is Installed

Installation of a new foundrinier section in the paper machine of the Manistique Paper and Paper of the Manistique Paper Company is expected to be completed this week, and the plant will resume operations next Monday, it was announced Tuesday by R. G. Hentschel, manager of the firm.

The new section will permit higher operating speeds and a better quality of paper. The old foundrinier, installed when the local mill was built, has been in use for 30 years. Mr. Hentschel believes this is one of the finest operating records of any papermill in the country. A few parts of the old foundrinier will be retained, but in the main the section will be completely new. The paper machine where the paper is actually made

THREE TRAFFIC LIGHTS MAY BE INSTALLED HERE

Equipment Purchases Authorized; Assessor's Work Time Extended

The installation of three traffic lights in the city was recommended by the city council by City Manager H. W. Heidemann at the council meeting Monday night.

It is proposed to place one light at the corner of Deer street and Chippewa avenue; one at the intersection of Oak and River streets; and another at the intersection of Oak street and Maple avenue.

These corners have long been considered the most hazardous in the city, particularly during periods when schools are operating.

The taking of bids on the proposed traffic lights was approved by vote of the city council.

The council also approved the painting of the city water tower done at an estimated cost of \$350. A bronze aluminum paint will be applied after the dome surface is wire-brushed.

Equipment Buys Oked

The purchase of a drawing board and drafting equipment at an estimated cost of \$100 also was approved. The city manager also was authorized to purchase four truck tires and tubes from John Yoder on the basis of his competitive quotation.

Action on the proposed reworking of the city's boulevard lighting system was deferred pending the receipt of bids from Westinghouse and General Electric.

The council also lauded the recommended purchase of a street sweeper at an estimated cost of \$8,000.

Considerable discussion was devoted to the time required by the city assessor to perform his work. John Neesman, assessor, pointed out that while previous to the city tax appraisal the assessor had no work to do after the board of review met, now he has to bring a voluminous card index to town on city valuations up to date.

At a meeting last spring the council voted to pay the assessor a salary until July 1 after which he would go off the payroll until next June in the U. S. at the banquet meeting Saturday evening.

Among attractions at the convention will be the Fifth Army Band from Fort Sheridan, Ill.

Extend Assessor

By a split vote the council extended the assessor's work time to August 1. Councilman George Stephens cast a dissenting vote on the time extension.

The council also approved a poolroom and beverage license for Russell Thomas at 321 Deer street.

Mayor Walter Burns was absent from the time, William Berger, mayor pro tem, presided in his absence.

PURCHASE OF STORM SEWER AUTHORIZED

Eastern End Of Arbutus Avenue To Be Drained In New Project

The purchase of 1,800 feet of 15-inch concrete storm sewer for installation on the eastern end of Arbutus avenue was approved by the city council at its regular meeting Monday night.

Also approved was the purchase of 300 feet of 8-inch storm sewer to extend from the main sewer before line to various catch basins.

Dr. Shaw New President Of School Board

No Military Credit To Be Given In Lieu Of Senior Year Hereafter

Dr. George A. Shaw was elected president of the Manistique board of education at a meeting Tuesday night.

He succeeded Robert Berger. Other officers are Mrs. Elwood Taylor, vice president; Keith Bradley, treasurer; and Mrs. Alice R. Bradley, secretary.

Bills amounting to approximately \$4,000 were authorized for payment at the meeting and other business included the passage of a resolution deciding that military credit will not be given in lieu of the senior year in high school, and authorization of the reviving of the welding machine in the manual training department.

4-H CLUB DAIRY DAY IS NEXT THURSDAY

Yoder Farm Site For Program; Assistant State Leader To Attend

Schoolcraft county 4-H Club members will hold a dairy day on Thursday, July 21, at Dr. Carl Yoder's farm in Manistique township.

The activities will start at 10 a. m. and last until about 3 p. m. Vern Freeman, assistant state 4-H Club leader from East Lansing, will act as instructor. He will be assisted by Fred C. Bernhard, district 4-H club agent.

On the program for the day are instruction in fitting, and showing calves at the fair, hints on care and feeding, and work on judging dairy cows.

This work will be done to give dairy club members training for the judging contests at Camp Shaw and to give members training in preparing their animals for the Upper Peninsula State Fair.

Dairy club members from Luce and Mackinac counties have been invited to attend. Schoolcraft county members are expected to attend from Cooks, Thompson, Hiawatha, Manistique, Doyle and Gertrask townships.

Critchens Purchase Bushong Summer Home At Sunset

Mr. and Mrs. Glen Critchen, of Detroit, who have been summer residents in the Manistique area for many years, have purchased the Bushong summer home at Sunset Beach, Indian Lake, it was reported by the Manistique area.

The Bushong home is considered one of the finest on the lake. Mr. and Mrs. Critchen moved into the new summer residence Monday. Their other cottage at Ossau Beach is now occupied by Mr. and Mrs. Walter Oberg.

Mr. Critchen said this week that eventually, he and Mrs. Critchen plan to make their permanent residence here.

Sale of the Bushong property was handled by Herbert K. Peterson, local realtor.

NEED FOR VETS' COUNSELOR HERE IS EMPHASIZED

Necessity For Full Time Man Stressed This Week By Leonard Malthaupt

Evidence of the pressing need here for a full time veterans' counselor was revealed this week by Leonard Malthaupt, who has been serving as counselor on a voluntary, unpaid basis since March.

Malthaupt, who was veterans' counselor for Schoolcraft county before establishing a hardware business on the city's westside in a location half way between the duties as counselor again following the resignation of Lars Olson last spring. He offered to serve on a voluntary basis until a new counselor was hired.

Last week, Malthaupt assisted a total of 29 veterans and their dependents with matters pertaining to widows' pensions, insurance forms, hospitalization and a myriad of other matters which require immediate attention. Everett Anderson, chairman of the Veterans' Fund here, was consulted by 17 veterans seeking assistance.

Contrary to an announcement from the Council of Veterans Affairs office last week, Malthaupt is continuing to serve until funds can be raised to provide the services of a full time counselor. It is expected that some action will be taken on the matter of financing the veterans' office by the various townships and the city of Manistique early next week.

In commenting upon the need for a full time, paid counselor here, Malthaupt said: "Neither I nor any other person, serving only part time, can hope to handle the great number of requests we have for veterans' services. There are countless details connected with a veterans' counseling center which are time-consuming and it is an injustice to the men who served this country during wartime not to give them the kind of assistance they require."

The Council of Veterans Affairs is seeking a total of \$3,000 to finance the counseling center for the ensuing year.

JUNIOR NINE PLAYS IN DISTRICT ROUND

Manistique Loses To Menominee, 3 To 2, In Finals Sunday At Munising

Manistique's American Legion Junior baseball team, playing in the district Legion tournament at Munising last week, won a 5 to 3 victory over the Munising nine only to lose, 3 to 2, to Menominee in the finals.

In the opener, Munising scored three runs in the third inning without a single hit. Manistique tied the score in the sixth and added two more in the eighth to clinch their victory.

Chief pitcher in the Manistique team's loss in Sunday's finals was the failure to score in the third with the bases loaded and no outs.

MANISTIQUE LOSES TO GLADSTONE, 7-0

Rothschild Pitches Stellar Game For Visitors; Diorite Here Sunday

The Manistique Cardinals lost to Gladstone, 7 to 0, here Sunday in an interesting game which was nearly a no-hit, no-run victory for Gladstone's hurler, Rothschild. Bailey, of Manistique, spoiled the visiting pitcher's record when he hit in the final inning.

The Cards were kept expertly contained by Rothschild's excellent performance on the mound. Normie Jalk pitched a good game for Manistique, but had poor support in many spots. Both Strassler and Bailey caught.

Gladstone collected three runs in the fourth, three in the fifth and their final score came in the seventh.

Next Sunday Manistique plays at home again, against Diorite. Sunday's game will be preceded by a 12 o'clock engagement between the Manistique Junior Legion team and Treary's juniors.

The Chatham conference will be held at Camp Shaw, adjoining the upper peninsula experiment station.

Headline speakers at the session will be P. V. Kepner, of the federal extension service, U. S. Department of Agriculture, and C. V. Ballard, head of the Michigan State college agricultural economics department.

Proposed Contract With State For Maintenance Of Highways In City Approved By Council

Indian Lake Fishing Good; Level Is Up

Excellent fishing is reported in Indian Lake these days. Large catches of blue gills up to 1 1/2 inches long are being brought in for the first time in 25 years, and fishermen are regularly hooking lots of walleye, northern pike, bass and perch.

The lake's level is now up slightly above the level set by circuit court order in 1945, largely because of recent heavy rains. Recent repair to the Indian River dam at once raised the water's rise.

Robert Bauer, of Toledo, Wednesday caught a walleye 23 inches long and weighing five pounds. The catch was made with the Jugging spinner and miter-iron.

Walleye of this size are not uncommon in Lake Michigan and are rarely seen in the smaller inland lakes.

BIDS OPENED FOR JAIL IMPROVEMENT

Building And Grounds Committee Lets Contracts At Meeting Tuesday

The building and grounds committee of the Schoolcraft county board of supervisors, at a meeting Tuesday evening, opened bids and awarded contracts for changes in the heating system and rewiring of the county jail.

Successful bidder for the work of piping heat from the court house to the jail was the Anthony Heating and Heating company, which submitted a bid of \$1,566. Hoholik's Plumbing and Heating bid \$1,896 and the R. D. Curley Plumbing company bid \$2,007.50.

The trench to be dug between the court house and the jail was laid out Wednesday morning and installation of the new heating system will start in a few days.

Only bidder for the rewiring work was the McPole Electric Service, which bid \$810. Specifications call for a heavier wiring and a rebuilding of the wiring system.

Other minor changes are also to be made at the jail, which was closed by state officials last week because of a fire hazard. Circuit Judge Herbert W. Runnels issued an order at the June term of court regarding the changes which will eliminate the hazard.

MANISTIQUE LOSERS TO GLADSTONE, 7-0

Rothschild Pitches Stellar Game For Visitors; Diorite Here Sunday

The Manistique Cardinals lost to Gladstone, 7 to 0, here Sunday in an interesting game which was nearly a no-hit, no-run victory for Gladstone's hurler, Rothschild. Bailey, of Manistique, spoiled the visiting pitcher's record when he hit in the final inning.

The Cards were kept expertly contained by Rothschild's excellent performance on the mound. Normie Jalk pitched a good game for Manistique, but had poor support in many spots. Both Strassler and Bailey caught.

Gladstone collected three runs in the fourth, three in the fifth and their final score came in the seventh.

Next Sunday Manistique plays at home again, against Diorite. Sunday's game will be preceded by a 12 o'clock engagement between the Manistique Junior Legion team and Treary's juniors.

The Chatham conference will be held at Camp Shaw, adjoining the upper peninsula experiment station.

Headline speakers at the session will be P. V. Kepner, of the federal extension service, U. S. Department of Agriculture, and C. V. Ballard, head of the Michigan State college agricultural economics department.

Seniors Should Call By Saturday For Year Books

June graduates of Manistique high school who have not yet received their yearbooks should call for them at the public library by Saturday. It was announced this week that those who do not get them by Saturday will be required to wait until school reopens in the fall.

Only half the books have been called for so far. Books in the library are from 1 to 5 p. m.

R. W. Brouillere Is Now Licensed Funeral Director

Robert W. Brouillere, of Iron Mountain, who was employed here for two years as an apprentice in the funeral home, recently passed his Wisconsin state board exam and is now a licensed embalmer and general director.

Brouillere graduated June 24 from the Wisconsin Institute of Mortuary Science in Milwaukee. He is a graduate of Iron Mountain high school and a navy veteran. He visited with friends here this week.

Lawyers Meeting At Blaney Park

Lawyers from the entire peninsula opened a two-day institute Thursday at Blaney Park. William J. Sheehan, president of the Schoolcraft County Bar association, welcomed the guests at the noon luncheon which opened the program.

Several prominent lawyers, among them Charles H. King, of the Detroit College of Law, will speak at the session.

Mr. and Mrs. Wayne H. Duvall and children, Mary Helen and Miss Duvall, of Iron Mountain, and Mr. and Mrs. Frank G. Brown, of Iron Mountain, and Mr. and Mrs. Robert Evans and three children, of Iron Mountain, are spending Friday to spend two weeks at the beach.

Mr. and Mrs. R. J. Pagan, of Iron Mountain, are also visiting here with Mrs. Duvall's brother and sister-in-law, Mr. and Mrs. R. J. Pagan, of Iron Mountain.

Youngsters Admit Recent Robberies

Two Boys, 12 and 13, Disclose Guilt In State Park, Jail Thefts

State police here announced on Wednesday the admission of two recent robberies in the Manistique area. The 12 and 13, who have admitted both thefts, have been turned over to juvenile authorities. Probate Judge Ralph H. Merwin has not yet set a date for hearing.

The youngsters' admission solves the theft of approximately \$300 in savings from the caretaker at Indian Lake state park on June 6, and the breaking and entering Sunday at the Arthur Hiller residence on M-94 just outside the town of Lake, where a rifle, knives, a watch and some change were stolen.

Both boys have been in trouble before. Sgt. Kenneth White reports.

REID TO ATTEND AGENTS' SCHOOL

Summer Session Will Be Held At Camp Shaw, Chatham, Next Week

The annual summer school for the state's county agricultural agents will be held at Camp Shaw at Chatham from July 18 through August 1. Bob agents for Schoolcraft and Alger counties, will attend.

Each year the agents, assistant agents, male extension specialists and female extension specialists will also be convened.

C. V. Ballard, head of the Cooperative Extension Service Bureau, will open the conference on Monday, July 18, at p. m.

Mr. and Mrs. Harry Anderson and children motored to Indian Lake Thursday evening where they were guests of Mr. and Mrs. Carl Franzer and Mr. and Mrs. Tura Franzer, of Rockford, Ill., who are vacationing at the Oscar Johnson cottages.

Dorothy Waybrant is being employed at the Richard Logenhousers in Hermansville.
Mr. and Mrs. Edward Roland and girls attended the movies in Manistique Saturday.
Harry Anderson and Herbert Latsch made a business trip to Escanaba on Tuesday.
Frances Anderson, of Gladstone,

is visiting at the home of her aunt and uncle, Mr. and Mrs. Roy Anderson, for a few days.

Ray Patterson returned Friday from a week's visit with friends and relatives in Lansing, St. Johns and Detroit. Ray also took in some good ball games while in Detroit.

The Menomite Seaside Circle met at the home of Mrs. Truman Zook Thursday afternoon.
Mrs. Aleck LaCroix and Mrs. William Clements made a business trip to Manistique Friday afternoon.
Mr. and Mrs. Conrad Anderson and son, Conrad, Jr., of Manistique, Mr. and Mrs. Carl Franzer and son, Marvin, and Mr. and Mrs. Tura Franzer, of Rockford, Ill., were Fourth of July visitors of Mrs. Augusta Anderson.

Gordon Hammett and family motored to Manistique Friday.
Mrs. Harry Anderson and children were dinner guests of Mrs. John Corwell, of Manistique, Tuesday evening. They also visited with Mr. and Mrs. W. J. Buck-

Miller and family, of Amora, Ill., who are visiting there.
Mrs. George Backman and Mrs. Kenneth Webber were shoppers in Manistique Saturday.

Mr. and Mrs. Harry Tomynson and children were visitors at the Vernon Lee, Ray Hastings and William Willour home Sunday.

Neal Lee, who is a patient at the Shaw hospital in Manistique, is reported to be slightly improved.

Word has been received here of the birth of a son, Raymond Lee, to Mr. and Mrs. Harry Bertrand of Riverside, Calif. Mrs. Bertrand is a sister of William and Charley Willour and Mrs. Clara Tomynson.

Mrs. Augusta Anderson, Arthur Anderson and Arthur, Jr., were visitors at the Charley Nelson home in Manistique Friday.

Mrs. Clifford Terrio and Mrs. LeRoy Sweaver are employed at Blaney Park for the summer.

Mrs. Clara Froelund and family and Mrs. Edward Stiles, Jr., and family were shoppers in Manistique Saturday.

Mr. and Mrs. William F. Bauer and William R. Bauer, of Manistique, were visitors at the William Willour home Sunday.

Mrs. Hugo Erickson and Alfred Erickson, of Manistique, were guests of the former's grandparents, Mr. and Mrs. Charles Shibley, the past week.

Thirty-six votes were cast at the annual school election held here on Monday. Noel Hursh and Joseph Hobolik were both elected for three years.

Mr. and Mrs. Howard Gilbert, of Ohio, are occupying one of the Fred Nelson apartments for the summer.

Tom Arnold is building a laundry for the Wally Arnold cabins.

Emil Nelson is giving his farm house a new coat of paint.

Mr. and Mrs. Joseph Nelson, of Manistique, and Mr. and Mrs. Charles Faulkner, of Cooks Run, near Watersmeet, where Mr. Faulkner has charge of the feeding station, were neighborhood callers on Monday.

Mrs. William Corson and daughter, Margaret, are spending a few days in Ann Arbor.

and their daughter, Dorothy Stanley, and Clyde Galliger, of Pontiac, and Mr. and Mrs. Fred Gould, of Detroit.

A settlement meeting was held by members of the school board on Saturday. Representatives of the Chevrolet, Ford and Dodge garages were present to submit their bids on a new school bus the board is purchasing this year. The bid of the Dodge representative was accepted. J. C. Mulkens, of Milwaukee, Wayne body dealer, also was present. His bid for a new body also was accepted.

Mr. and Mrs. John Barrett, of Brain, O., were guests the past week at the home of the former's parents, Mr. and Mrs. Joseph Holak.

Mr. and Mrs. Dave Harsh and family returned to Kelowna on Saturday after a 10 day vacation spent here with relatives.

Mr. and Mrs. Ernest Smith returned to Detroit on Saturday after spending the week at the home of Mr. and Mrs. Tom Smith.

Mr. and Mrs. Carl Sidbeck and family, and Mrs. August Sidbeck, of Manising, were guests over the week end at the home of Mr. and Mrs. Hugo Erickson and Alfred Erickson.

Mr. and Mrs. Sewall DeSautel, of Detroit, left Saturday, having been guests of the former's grandparents, Mr. and Mrs. Charles Shibley, the past week.

Thirty-six votes were cast at the annual school election held here on Monday. Noel Hursh and Joseph Hobolik were both elected for three years.

Mr. and Mrs. Howard Gilbert, of Ohio, are occupying one of the Fred Nelson apartments for the summer.

Tom Arnold is building a laundry for the Wally Arnold cabins.

Emil Nelson is giving his farm house a new coat of paint.

Mr. and Mrs. Joseph Nelson, of Manistique, and Mr. and Mrs. Charles Faulkner, of Cooks Run, near Watersmeet, where Mr. Faulkner has charge of the feeding station, were neighborhood callers on Monday.

Mrs. William Corson and daughter, Margaret, are spending a few days in Ann Arbor.

Gulliver

Dr. George A. Shaw, of Manistique, was guest speaker at the regular meeting of the Gulliver Community Planning Club Tuesday, July 5, at the White Dale school. The subject discussed was the progress of cancer research. The talk was well received.

Mrs. Howard Graff and baby daughter are guests of Mrs. Margaret Bowman for a few weeks. The King's Daughters held their regular meeting on Tuesday, July 12, at the home of Mrs. R. Grice, at Seal Chalk Point. Bet Luck dinner was served at 6:30, followed by the regular meeting.

We are proud of Circle H Ranch, which is now open for business. Owned and operated by Mrs. Betty Heim, this ranch is an asset to our community, with helpful paths along the shores of Lake Michigan, fine horses, and stables well cared for.

A regular meeting of Birthday Grange was held on Saturday, July 9, at 8:30 at the Grange hall. The board of directors of the Gulliver Community Planning Club held a meeting on Monday, July 11, at the White Dale school.

Mr. and Mrs. Arnold Goss and young son, and also their nephew, Ronald Swanson, all of Chicago, are vacationing at Lippert's Landing for two weeks.

Central U. P. League Standings in the Central U. P. League are as follows:

Naubway, won 6, lost 2; Gulliver, won 5, lost 3; Germfask, won 4, lost 3; Blaney, won 4, lost 4; Seney, won 3, lost 4; Newberry, won 3, lost 5; McMillan, won 2,

lost 6.
Games next Sunday: McMillan at Newberry; Naubway at Germfask; Seney at Blaney; Gulliver open.

Results last Sunday: Seney, 18; Naubway, 9; Gulliver, 6; McMillan, 2; Naubway, 6; Blaney, 5.

Guests at the Dismor cottage on Gulliver Lake were: Mr. and Mrs. Lloyd Winterwood, of Greenville, O., Mr. and Mrs. Elmer Carpenter, of Bradley, Ill., Mr. and Mrs. Ditta, of Dayton, O., and Mr. and Mrs. H. Dyker and the Hardy family, of Clayton, O.

Evangelist John R. Grice, of Port Huron, is holding a series of evangelistic meetings at the latter Day Saints Hall in Gulliver. Starting Sunday, July 10, there is to be a meeting every evening at 8 p. m. Everyone is welcome.

Mr. and Mrs. Ben Blake, of Kirkland, Ill., arrived Friday, July 8, to spend the summer at their home on Gulliver Lake.

A. Rodriguez, of Monterey, Mexico, was a week end guest of Mrs. Stella Paul.

Upper Peninsula farmers have been asked to set aside the date of Friday, August 5 for the annual Farmers' Round-Up to be held at the Upper Peninsula Experiment Station at Chatham. A program full of new information on agriculture has been planned.

Mr. and Mrs. William Steinkraus and son-in-law and daughter, Mr. and Mrs. Edward Krul, of Chicago, are spending two weeks at the cottage of Mrs. William Mueller, Sr., at Indian Lake.

From where I sit... by Joe Marsh

Windy Sure "Stopped The Show!"

The other night a bunch of us were over at Judge Cunningham's watching a swell vaudeville program on his new television set. It came in fine, but just once, the wires got a little streaky.

Before the Judge could touch the knob to bring it into focus, old Windy Taylor starts fooling around with the antenna connection. "I can fix that!" he says.

Windy fixed it all right. He "stopped the show" for us, and Bert Ellis had to come over and do a 100 repair job. I understand

Windy feels so bad, that he's paying the bill and has apologized to the Judge for acting so smart.

From where I sit, it pays to practice a little restraint whenever we get the wires to mend. Whether it's television or a person's right to enjoy a temperate glass of sparkling beer now and then—let's get a good clean "picture" of the real situation before we cause more harm than good.

Joe Marsh

MRS. ADA MERCURE DIES IN HOSPITAL

Funeral Services For Life-long Manistique Resident To Be Saturday

Mrs. Ada Mercure, 683 Manistique avenue, a lifelong resident of Manistique, passed away Wednesday afternoon at 1:30 at the St. Joseph hospital where she had been a patient for only a few hours. She was 57.

Mrs. Mercure, the former Ada Heberg, was born in Manistique on July 28, 1891, and had lived here all her life. She was married in 1917 to Henry Mercure, who died of pneumonia in France during World War I.

A member of the Zion Lutheran church, Mrs. Mercure was active in the Lady Macareals and the Sigma Kappa lodge, in which she had been musician for a number of years.

Survivors are two nieces, Mrs. Marion Richards, Manistique, and Miss Merle Demay, Detroit; and two nephews, Gordon and Jack Demay, of Manistique.

Funeral services will be held Saturday afternoon at two o'clock at the Morton funeral home, the Rev. G. A. Hebert officiating. Burial will be in Lakeview cemetery.

Safety Week Goal Is Cut In Annual Farm Accident Toll

Observance of Farm Safety Week from July 25 to 30 has been proclaimed by Governor G. Wm. Williams. The annual week is held to reduce the yearly toll of farm accidents.

In his proclamation, the Governor pointed out, "Accidents resulting from carelessness take a heavy toll in human lives, animals, and property on American farms annually. On the basis of past records, one out of every 17 farm families will suffer a disabling injury as the result of accidents in 1949."

Citing the frequency of accidents, the proclamation pointed out that records show four farm buildings are destroyed by fire every hour. The nation's farm buildings are destroyed by fire every hour. The nation's farm population suffers an accident every 15 seconds during the year.

Total cost of the accidents, the facts show, is approximately one billion dollars or about \$35 per farm accident.

Agricultural extension workers at Michigan State College and county extension personnel are cooperating to help reach the goal of fewer farm accidents. They are urging careful farm checks to get rid of hazards.

The elimination of at least one unsafe practice by each member of every farm family is the major objective of the national farm safety week campaign.

Civic groups, service organizations and community leaders are preparing special observances for safety week in some areas. They believe the reduction in farm accidents will be of benefit to everyone, whether they live in the city or country.

Mr. and Mrs. George F. Cleaver, of Clearwater, Fla., visited here recently with Mr. and Mrs. Lyle Smith and with other relatives. Mrs. Cleaver is the former Shirley Helland, of Manistique.

Lloyd Neville, of Detroit, is spending his vacation with Mrs. Neville and their two sons at their home on Cedar street.

national farm safety week campaign. Civic groups, service organizations and community leaders are preparing special observances for safety week in some areas. They believe the reduction in farm accidents will be of benefit to everyone, whether they live in the city or country.

Winner, Fourth National AAA Traffic Safety Poster Contest.

This GE Home Freezer can be in your home this week end!

You've heard how wonderful it is to have a home freezer... how it saves... how convenient it is. But why do you wish for a home freezer when you can have one in your home beginning this week end.

When you come in to see these General Electric Home Freezers, however, remember this: A home freezer is too important an investment to buy on the spur of the moment, and we want you to convince yourself—we have—that the General Electric is the best home freezer buy on the market.

Proved 1,700,000 times! First of all, this is a dependable Home Freezer. It has the very same type of sealed-in refrigerating system as that used in General Electric Refrigerators. More than 1,700,000 of

these dependable refrigerating systems have been in service in General Electric Refrigerators for ten years or longer! You also get Perfect Seal cabinet construction that prevents moisture from reaching the 4-inch-thick Fiberglas insulation. The cabinet is Bonded for rust-resistance. The liner is rustproof aluminum. The General Electric cabinet maintains zero temperature throughout—and operating cost is miserably low.

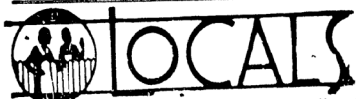

See for yourself! We could go on for days about the merits of this home freezer—but we'd like to have you see it for yourself.

So drop in as soon as you can—and when you say the word, we can arrange \$ 330 to have one installed in your home by the week end!..... (Model NA-8)

Home Freezers For quick-freezing foods at home... For storing the frozen foods you buy

Wilson left Wednesday for Glenview, Ill., where he will attend a navy command intelligence school, following a several weeks' stay here with Mrs. Wilson and their daughter, Georgia Lynn, at the home of Mrs. Wilson's parents, Mr. and Mrs. George Barton, Lake street. Mrs. Wilson and baby are remaining here indefinitely.

'contest' will be displayed at the Upper Peninsula State Fair in Escanaba, August 16-21.

The Chicago Tribune has informed the fair managers that the excellent exhibit of winners will be forwarded for display at the Fair. The exhibit will be shown in the Art Department at the Exhibition Building.

No Uranium Yet, Generous Amount Of Rock Sent In

No uranium so far, but a generous amount of rock and other non-uranium bearing minerals are being sent by prospectors to the conservation department's geological survey division.

The division recently offered to examine one specimen of prospectors who believe they may have located some radio-active pitchblende, the principal ore of uranium. The division has no means for making chemical analyses of samples and only can test them with a Geiger counter for possible presence of uranium.

The conservation department's lands division has received applications for prospecting leases from three different parties covering nine separate state-owned 10-acre descriptions. Some Michigan mineral specimens have been examined by the Atomic Energy Commission and found to contain thorium instead of uranium. Both thorium and uranium will register on a Geiger counter.

New regulations for uranium prospecting on state-owned lands call for a filing fee of \$25 with each application for an option to lease state land. A representative of the conservation department will examine the discovery at its source to determine if sufficient evidence warrants granting a prospecting lease.

MRS. CORNELL, 53, TAKEN BY DEATH

Brief Services Held Wednesday; Funeral To Be Friday At Caro

Mrs. George Cornell, 53, of Gernatsk, was found dead at 10 o'clock Tuesday afternoon in the rear of her home, apparently from a heart attack. She had been a diabetic for several years.

The body was discovered by a daughter, Irene, who had gone to investigate when her mother failed to return from a trip to the chicken coop.

Mrs. Cornell, who was Eleanor Reed before her marriage, was born May 18, 1886, at Fairgrove, Mich. She had resided in Gernatsk for a number of years.

Survivors besides her husband are two daughters, Mrs. Wesley Papa, Marysville, and Irene, at home, and one grandson.

Brief services were held Wednesday afternoon at Gernatsk, and the body was later shipped to Caro where funeral services and interment will take place Friday. Keffer and Jackson were in charge of arrangements.

I want you to see this great new tractor

I say seeing is believing. That's why I want you to see why the Ford Tractor is now better than ever. How about bringing one out to your farm for a free demonstration?

I know you'll like Ford Triple-Quick Attaching implements... the fast, quiet 3-speed transmission... Ford Hydraulic Touch Control of implements... and many other advantages. These new Dearborn Implements (made for the Ford Tractor) are just right, too. You'll like my kind of service. So how about dropping in or phoning me soon?

The Quality Bakery
is Now Open for Business
In Its New Home At
122 South Cedar Street (Formerly the Bradley Studio Building)
WE ARE PROUD
of our new quarters and we want you to call and look them over. We believe that you will not find a more complete or better equipped establishment of this sort in all Upper Michigan.
QUALITY BAKED GOODS
Improved facilities—handier and more efficient equipment—combined with expert training and years of experience will enable us to guarantee at all times, QUALITY Bread, Rolls and Buns along with a wide variety of Pastry, Cookies, Pies and Doughnuts.
DELICATESSEN
In our new Delicatessen department, we believe we are filling a long felt want in Manistigue. What we have to serve will be largely governed by what we find the public likes best. You will always find here tempting salads, sliced cold meats and from time to time, specials which we know will please you.
FOUNTAIN SERVICE
We offer a fountain service that is up-to-the-minute in every respect and wide in its tempting variety of sodas, malteds, sundaes, etc. We are pleased to announce that we will handle
FAIRMONT ICE CREAM
The most delicious ice cream in town. Be sure to visit our fountain bar.
LIGHT LUNCHEES
We also serve coffee and light lunches. For those who like to breakfast or to lunch on coffee and cinnamon or pecan rolls fresh out of the oven or doughnuts crisp and warm. Ours is the place to go.
But whether you come to buy or whether you just come in to say "How do you do" and sniff the everlasting goodness of baked goods just out of the oven, you are welcome any time.

Manistique In Former Days

Forty Years Ago

Contractor Joe Jones, of all ages, as the result of a stroke on a job. A drunken fellow created some excitement last Monday afternoon by starting for Chicago in a yawl. After a night's rest in the city he left the city on a boat to leave the city over land.

Carl Arvid Larson, Jr., of Chicago, is spending the summer vacation with his uncle, Mr. Arvid Larson in this city.

Aunt Landwehr has this far sold 15 crates of strawberries in the city.

Geo. Malmhaug was taken very sick while at work at White-dale Tuesday. His ailment is diagnosed as ulceration of the stomach. Owing to the small space, the Sae Line dining car is pulled to Gladstone instead of being switched.

ed of here, so has been the custom for so many years. Sheriff Smith is justly indignant because of the fact that some of the automobile boys using their horns about the market place for a speedway. As each driver of the city's property, it will make that sort of thing very unpopular. He gives fair warning that if it occurs again, the trespasser will answer for his irresponsible stunts in the court.

It is stated that the liquor license will employ a first class newspaper man to conduct this campaign in this county. It will be his duty to advance the necessary funds for that kind of activity.

Mr. and Mrs. Leo Thomas and family, of Detroit, are visiting with friends and relatives in the city.

Mr. and Mrs. Anton Weber had their guests over the week end. Mr. and Mrs. Ed LaBelle, of Flint, former Manistique residents.

Dr. R. K. Soutard left last Monday evening for New York. Wash, being called there by the serious illness of his mother.

Hazel Brock had her tonsils removed at the Manistique Hospital Monday.

10 Years Ago A. F. Hall and daughter, Mary Alice, left Wednesday for a visit with relatives at Lake City.

Mr. and Mrs. William J. Sheehan are spending several weeks at cottage on Osage Beach.

Miss Catherine Garsche left Monday for a vacation visit with relatives and friends in Chicago.

James Moran, of Gary, Ind., is visiting at the home of Mrs. George Gorse and Mr. and Mrs. Arthur Fountain.

Miss Clara Orr arrived Saturday from New York City for a visit at the home of her parents, Mr. and Mrs. Walter J. Orr.

Mr. and Mrs. Carl Christensen and two children returned Saturday following a visit here with Mrs. Christensen's parents, Mr. and Mrs. Mike Larkovich.

Miss Alice Tucker left Friday for a visit with relatives in San Francisco. She was accompanied as far as Milwaukee by her father, Dr. A. R. Tucker, and sister, Helen.

Mr. and Mrs. T. F. Mulvaney gave as their guests this week at Copenhagen Beach, Mrs. Mulvaney's brother and sister, Dr. Naylor McGraw and Miss Eleanor McGraw and Miss Nadia Van Meter, all of Darlington, Wis.

He was employed for a number of years by the Ann Arbor railroad and during the war served with the navy for a year in the coast guard.

Edward G. Starck, the former owner of the Starck farm, died at his home in Detroit, Michigan, Monday, July 11, 1949.

It is Further Ordered, That public notice thereof be given by publication of a copy of this order each week for three successive weeks previous to said day of hearing, in the Manistique Pioneer-tribune, a newspaper printed and circulated in said County.

ign as rapidly as need dictates. Federal aid funds are not matched by state funds and used for highway construction within a limited period, they revert for allocation to other states which are financially able to match funds.

The problem of state highways has a familiar ring to it. It is a echo of the problem which exists today in every activity of government—local, state and federal.

A dollar given up considerably during the postwar inflation period has a value of revenue buys only 40 cents in present value. Something must be done. Services must be increased or taxes must be increased. You can't have more for less without paying more for them.

When Commissioner Ziegler points to the dollar deficiency in explaining why the state highway department is lagging in its progress program, he believes he does so with a good conscience. Ziegler is proud of his record of economy—getting the most value from the funds at our disposal.

Ziegler maintains that he had weeded out non-producing employees to the extent of 475. The annual saving is estimated at \$1 million. This economy is in addition to 650 state employees which were dropped when the state department contracted with county road commissions to maintain state trunkline routes. Ziegler considers the 475 total as the "net" reduction.

A second economy is claimed by Ziegler by eliminating duplication caused by two organizations—state and county—doing the "same work" in counties. Ziegler puts the

annual savings at another \$1 million.

Another dollar stretching policy has been to conserve old trunkline roads by resurfacing them with two and one-quarter inches of asphalt concrete at a cost of about \$20,000 per mile. About 1,000 miles of old pavements have been so treated.

Another economy is claimed by the state roads in Michigan—12 percent cheaper than the national average and well below the neighboring states of Illinois, Indiana, Ohio, Minnesota, Wisconsin and Pennsylvania.

"Four important factors enter into these comparatively low prices in Michigan do not buy jobs but receive contracts based on the time they take to complete. Michigan contractors are exceptionally well equipped to perform the work required and have highly-qualified personnel. Third, the jumble of lost time from labor disturbances is out of the picture due to the fine relationship existing between the contractor and the road construction unions.

"Fourth, we pay contractors promptly every two weeks as work progresses, less 10 per cent reserve, which enable them to meet payroll promptly and to discount material purchases."

Michigan's state gasoline tax is much lower than the average tax of the other states.

Michigan motorists are paying less than those in other states to finance new road and maintain old ones.

Such being the case they are saving money and are getting "their money's worth"—but at the expense of improved highways. As we pointed out last week, better roads and higher taxes go hand in hand. Which would you prefer?

Weekly Report Of Congressman Charles Potter

Last week the house passed a public housing bill which was one of President Truman's major campaign promises. The two main titles of this bill are first, about clearance, and the second is public housing. I voted against this bill for several reasons. While I am sympathetic towards efforts to clear slums, the bill the administration submitted to congress does not make it mandatory for the slums to be cleared. Slum clearance was put in the bill as a sop to get public housing. It is my personal conviction that slums are caused primarily by people rather than by housing. The most controversial section of this bill is the title authorizing the Federal Government to subsidize over 800 thousand public housing units. I strenuously objected to this provision. It definitely puts the Government in the construction business. It will cost every man, woman and child of the 11th District over \$100 each to pay the shot for the authorization included in this bill, and I dare to predict that the people of the 11th District will not receive the benefit of one public housing unit.

90 per cent of the public housing units authorized by this bill will be for the ten largest cities in the country. However, that is not the reason I opposed this legislation as my scope is not limited to the 11th District alone but rather to what is best for the nation as a whole. I am opposed to the Government getting into the housing business. It is definitely socialized housing. No one would dispute the fact that if the government built everybody in this country a home that would certainly be called socialized housing.

Just because this bill provides that 80 thousand units are to be built by the Government does not alter the situation. The 80 thousand homes built would still be socialized housing. We have heard said many times by spokesmen for the administration that one-third of our population is ill-housed. If

you accept the principals that the Government should provide individual housing needs, this bill is not justly unfair to people who are in need of housing and will not be able to benefit by this program. If you should accept the premise that one-third of the nation is ill-housed and the principal that the Government should provide housing, then it would be necessary for you to continue and expand this program to include everyone who so desires and needs a home. Of course, we all realize that this is impractical and impossible. The Government cannot stand that great an expenditure. As a matter of fact, the Government cannot stand the expenditures under this very limited housing program. To me, this

is one of the most dangerous pieces of legislation to come before the Congress this session. It makes you stop and wonder where to from here.

Local Golfers Lose To Ishpeming In Round Sunday

In its first inter-city match Sunday, a team of 17 players from the Manistique Golf club lost, 32 to 12, in a match against the Wawarona club at Ishpeming.

Following the match the Ishpeming club entertained the Manistique men at a dinner.

The following local players

made the trip: Bud Matlow, O. F. Saitta, Ben Gow, Leonard Miller, D. C. F. Anderson, Barney Johnson, John K. Kelly, Harold Anderson, Hugh, Harvey Ekblath, Maurice Ekberg, Adlai Boyd, Thomas Balloch, Donald St. Cyr.

The Ishpeming club will play a return match here early in August. Next Sunday the local golfers will play a team of Gladstone golfers on the Inman Lake course.

NEWS OF OUR MEN-WOMEN IN UNIFORM

Mr. William F. Price, 21, son of Mr. and Mrs. R. L. Price, was re-

cently assigned to the base Flight Squadron of the 392nd Air Base Group at Offutt Air Force Base, Omaha. He went to the Offutt air base from Lowry Air Base, Denver, Colo., where he was assigned as a primary armorer. His duties at the Offutt Base, will be the same.

John P. Olesak At Milwaukee School

John P. Olesak, son of Mrs. John P. Olesak, 229 N. Houghton Avenue, Manistique and a former student of Manistique high school, began his studies at the Milwaukee School of Engineering on July 5.

He is one of 170 new students entering the school for the summer term. The Milwaukee School of Engineering, now in its 104th year, has a summer registration of 1,014 and operates on a quarterly basis of year-round instruction. Thus, a student may earn his degree in three years of continuous study, or taking summer vacations, in the usual four years.

In addition to the College of Electrical Engineering, the school has an Institute of Electro-technics, a Refrigeration, Heating and Air Conditioning Institute, and a Welding Institute which offers courses at the Service and the Technician level.

Good Buy—all around

FRIENDS gather, look over that long Fireball and wish they had as much Fireball life as you have here.

They size up the broad windshield and narrow corner posts—and don't have to be told how these things step up "see-power."

They appraise the smart styling, the roomy interiors, the usability of luggage space—and agree you've made a buy.

But don't stop, please, with letting them look. Invite them in and introduce them to some of the special pleasures you'll know as a Buick owner.

Show them, for instance, how completely different Dynalloy Drive is, with every mile cushioned by flowing oil and none of the rigid harshness of direct-drive cars.

Let them sample the matchless Buick ride, with all four wheels cradled on soft, coil springs and low-pressure tires made still easier-riding by extra-wide rims.

*Standard on ROADMASTER, optional at extra cost on SUPER model.

Point out how solid this Buick feels. That's what you get from husky frames, low-sprung weight, and power delivered through a torque-tube instead of the rear springs.

For the truth is, this Buick's a bargain on much, much more than you can see.

It's a big buy on the solid goodness a demonstration quickly makes plain. On increasingly favorable delivery dates. On attractive price. On the kind of "deal" your Buick dealer makes.

That's why we keep saying "Better see your Buick dealer—and get that order in promptly!"

BUICK alone has all these features

- Silk-smooth DYNALLOY DRIVE* • FULL-VIEW VISION from enlarged glass area • SWING-LAZY DOORS and easy access • "LIVING SPACE" INTERIORS with Deep-Cradle cushions • Buoyant-riding QUADRUPLER COIL SPRINGING • Lively FIREBALL STRAIGHT-EIGHT POWER with SELF-SETTING VALVE LIFTERS plus HI-POISED ENGINE MOUNTINGS • Low-pressure tires on SAFETY-SIDE RIMS • Cruiser-Line VENTURE • DUREX BEARINGS, axle and connecting rods • BODY BY FISHER

*Standard on ROADMASTER, optional at extra cost on SUPER model.

When better automobiles are built BUICK will build them

MORE CLEARLY THAN EVER

ESCANABA CUBS WIN OVER JUNIOR NINE

Grudge Battle Wednesday Night Ends With One Run Victory For Deltans

Manistique's Junior Legion baseballers took a 1 to 0 grade 6 battle with the Escanaba Cubs Wednesday evening at Escanaba before a big crowd, including a number of Manistique fans.

Johnson, Escanaba's third baseman, broke up the scoreless game in the ninth inning when he drove in Sandenquist after a walk and two singles. Demers pitched for Manistique and Patrick for Es-

canaba. It was a pitching duel throughout. The sparkling infield play of Rogers, Anderson and Ekohl was a big factor in Escanaba's failure to score before the ninth. Manistique had seven men left on bases, with eight hits, but inability to hit in the clinches or slide into base were big contributors to their loss.

QUALITY BAKERY IS IN NEW LOCATION

Werner Ammann Opens Cedar Street Quarters; Also Runs Delicatessen

The Quality Bakery, owned and operated by Werner Ammann, is now open at its new quarters at 122 South Cedar street.

The bakery occupies the quarters formerly used by the Bradley Photo Studio, plus newly constructed space at the back of the building. The building was purchased by Ammann some time ago from Dr. C. F. Anderson, who will, however, continue to maintain his office in the building.

In addition to operating a retail bakery business, the Quality Bakery also is featuring a new delicatessen service and a delicatessen department.

An extensive amount of replacing and remodeling work was involved in transforming the former photographic studio quarters into a modern bakery. Walls and partitions had to be torn out and moved, and a sizeable addition had to be built at the rear. The foundation also had to be reinforced, a heating duct built, storage facilities provided, and a new ventilating system installed.

The store part of the building is considerably larger than was the front space occupied by the studio. All of the fixtures in this room are new. The woodwork is of blond oak, the counter tops are in red and the general color scheme is light and enhanced by a new type of fluorescent lighting.

In addition to the cases for baked goods are two refrigerated cases—one for cream and custard pastries and the other for delicatessen. The fountain and lunch counter is installed across the room from the baked goods cases. Delicatessen being something new in the community, Mr. Ammann states that he will govern his offerings according to the preference expressed by the public, but he will keep on hand plenty of salads and sliced ready to serve meats.

The bakeroom proper is a show place in itself, with washable white tile walls, inlaid flooring and entirely new baking machinery and equipment.

New Equipment Among the new equipment are two mixing machines of large capacity, a flour sifter, work ta-

bley, doughnut machines and other equipment complete for every need. The new equipment includes facilities for keeping bread dough under refrigeration and thus enable the shop to turn out two batches of bread a day. Off from the rear is a wash room which contains shower bath facilities.

The rear is a 24 by 40 foot addition which is built in the present lines of construction. This room will be used for storage and will also house a cold storage locker of generous size. The second story of this addition will be made into living quarters.

Also under construction is a two-car garage at the rear of the building. The exterior of the building has a facing of cream and blue tile with an aluminum marquee extending full length of the building above the windows.

Mr. and Mrs. U. S. A. Herzblom and daughter, Ruth, are arriving Friday for a week's visit with relatives here.

MICHIGAN FIRST IN BREEDING GROUPS

Forty Percent Of Cows In This County Are In Herds Of ABA Members

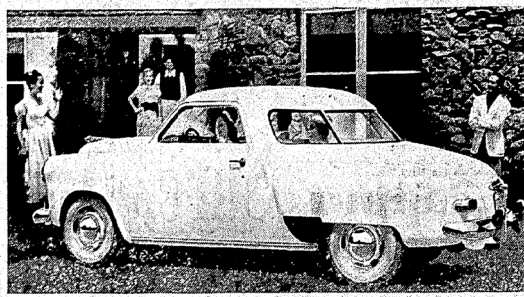

Michigan ranks first in the number of artificial breeding associations for dairy cattle and fourth in the total number of cows bred artificially, a recent U. S. Department of Agriculture report shows. On January 1, 1949, Michigan had 123 associations, 25 more than Minnesota, its nearest rival. In number of cows bred during 1948, however, Michigan ranked eighth with 2,000,000 cows, but over 450,000 cows serviced artificially. Every state in the United States now has an artificial insemination program for dairy cattle.

Program as an example of what artificial breeding can do to spread good inheritance to a large number of cows. The former MSU dairy department had cited that 10 per cent of Michigan's dairy cattle are now being bred artificially. Purines of the Michigan Artificial Breeding Cooperative at Michigan State College in East Lansing, show that 40 per cent of the dairy cows in Michigan county are bred artificially. In Schoolcraft county about 40 per cent of the cows are in herds of artificial breeding association members.

Dr. E. Red, chief of the bureau of dairy industry of USDA, recently pointed to the Michigan

THANKS, AMERICA, FOR the biggest half year in Studebaker history!

You get more for your money in a Studebaker. Studebaker is the style star of all today's cars. Studebaker stands out in thrift and solid value. Stop in now and see the many fine features of the '49 Studebakers. While sidewalk tires and wheel trim rings or discs optional at extra cost on all models.

THE Studebaker buying wave that's sweeping the country grew to huge proportions the past few weeks. By the end of June, so many people had bought new Studebakers that the biggest half year in all Studebaker history was recorded. What's more to the point, America's preference for Studebaker styling, performance, operating economy and value keeps on increasing steadily, week by week. A new vision of loveliness inside and outside, the 1949 Studebaker brings thrills that counts, new handling ease and riding comfort into motoring.
