

COUNCIL VOTES FOR PURCHASE OF EQUIPMENT

Expenditure of Over \$6,000 Approved At Meeting Monday Evening

Expenditures in excess of \$6,000 were approved by the city council at its regular session Monday night.

A new automatic chlorinator for the pumping station at a cost of \$3,484.

A 60-gallon electric hot water heater for the city hall at a cost of about \$150.

A small hand pump for the fire department at a cost of \$25.

In addition the council approved the construction of a combination vault and toilet house at Lakeview cemetery at a cost not to exceed \$22,000, and also authorized purchase of a carload of chloride and a quantity of asphaltic mix for city road crossings.

Investment of city funds in new equipment, it was pointed out by councilmen, would eventually save the city money.

The city now has no equipment for sewer cleaning, and blocked sewers would necessitate expensive digging up and cleaning of sewer lines.

The council also believes that construction of a vault at the cemetery, by eliminating the necessity of winter burials, would save considerable city money in labor costs for digging up graves in frozen earth and plowing cemetery roads.

The council also authorized the city clerk to ask for bids on a new five-ton truck with an auxiliary blade. No decision to purchase, however, was made.

Justice of the Peace W. G. Stephens inflicted an additional penalty on one of the city's tax delinquents this week. He fined him to go home, and read the article on speeding which was published in this column last week. "I've heard some say: 'I've seen what a punishment!'"

Another new state law with which bars caught up on last week. The teeth of this law may be a discouraging factor for many who are wont to deal with callous disrespect of public right, both in and out of court.

Garageman's Chance Visit To Neighbor Saves Weather Test Device For Navy, Minnesota U.

New Vets' Counselor Hired Here

Clifford Johnson Assumes Duties Monday; Succeeds Leonard Mulhaupt

Clifford Johnson, 25, of Detroit township, a navy veteran of World War II, was employed as veterans counselor on a full-time basis at a meeting of the Schoolcraft County Council of Veterans Affairs last Thursday evening.

Johnson took over his duties Monday morning. He has his office in the city hall, and office hours will be from 9 to 11 in the forenoon and 1 to 5 in the afternoon. The office will be open in the evenings by appointment.

Johnson was served in the anti-submarine phase of the late war, is the son of Conrad Johnson, of Manistiquette. He graduated from Manistiquette high school in 1941. His wife is the former Helen Dehn. Johnson succeeds Leonard Mulhaupt, former veterans counselor, who has been serving as acting counselor without pay since last March. All of Mulhaupt's records have been turned over to the new counselor, and veterans seeking assistance in their problems are urged to contact Johnson at the court house.

Merrill Johnson, chairman of the Schoolcraft County Council of Veterans Affairs, said Friday that all funds of the council have been left with Laura A. Williams, county treasurer, and will be disbursed on regular city checks signed by the county treasurer and county clerk. Previously funds were disbursed directly by the council.

Other members of the council are: P. Smith, Agnes Dehn, Otto Schurberg, Mrs. C. F. Anderson, E. R. Monroe and George Dupont. Leonard Mulhaupt is serving on the council in an advisory capacity.

Minister Is Hero In Film Sunday At Lutheran Church

A Christian minister is the hero in a tense drama to be shown Sunday evening at 7:30 o'clock at the Zion Lutheran church. The picture, a full-length sound film, is titled "Messenger of Peace".

The Rev. G. A. Herbert, Zion Lutheran pastor, said this week that "Messenger of Peace" is the new law imposing penalties for the illegal killing of deer, a five-day jail sentence now becomes mandatory, even though fines and costs are paid immediately. A license is also mandatory, but confiscation of guns is at the discretion of the court. Brown and Larson's guns will be returned to them if they are not convicted.

The two men were arrested by Conservation Officer Leslie Wahlstrom who came upon them as they were about to dress the deer.

Posse Seeks Gus Kotola, Of Germfask

Farmer Disappears After Leaving Home To Fix Fence Wednesday Morning

Newberry state police, aided by about 50 volunteer searchers, Thursday were searching for Gus Kotola, 42, of Germfask, who left some time 10 o'clock Wednesday morning to repair a fence. He was carrying a gun.

The Kotola farm is located about two miles southeast of Germfask. Kotola has five children.

No trace of the missing man had been found late Thursday evening.

COUNCIL APPROVES HIGHWAY CONTRACT

Total State Maintenance Allowance For Nine Months Is \$8,389.54

A resolution approving the city maintenance contract with the Michigan state highway department was passed at the regular meeting of the Manistiquette city council Monday night.

The council also authorized the mayor and city clerk to sign the contract on behalf of the city.

The contract, which went into effect October 1, will continue in effect until June 30, 1950. It covers city maintenance work on the three state highways in the city limits—US-2, M-40 and M-219 in the city limits.

The contract will be \$8,389.54 in total, which was estimated by the city engineer. Total maintenance allowance for the nine months' contract will be \$8,389.54.

Pair Who Hunted Trout Lake Resort Owner Will Speak To Women's Club

Phl DeGraf, operator of a resort at Trout Lake noted for its scenic view, will be the speaker at Tuesday's meeting of the Manistiquette Women's Club.

COUNTY BOARD ADJOURNS TO NEXT MONTH

Supervisors Vote \$5,000 Advance To Welfare, \$150 To Children's Center

The Schoolcraft county board of supervisors met Monday for its regular session but adjourned in late afternoon until sometime next month when assessment roles will be completed and will permit the establishment of a budget for next year.

The board acted on a number of routine matters, however, and several resolutions, among them one requesting the conservation department to open Indian Lake to spawning of northern pike during the spawning season.

The board also voted to advance \$5,000 to the county department of social welfare to provide for welfare costs through the month of November was authorized, and a board resolution was passed recommending appropriation to the Upper Peninsula Children's Center in Marquette. They requested, by vote of 10 to 0, a request for \$100 for the Upper Schoolcraft County Potato Show, here Oct. 26. The resolution for the \$100 for the U. P. Children's Center was a recommendation to the board's finance committee.

The supervisors accepted the coal bids of Joe Levine and the Givrin Coal and Jack company. The latter coal contract went to Levine at a quoted price of \$15.00 per ton, and the lump coal contract to Givrin's at a price of \$10.00 per ton.

Other resolutions included: That 40 acres, one-half mile southwest of the Schoolcraft Sparten's club being developed for use as a rifle range be utilized by the state.

That the board protest any further increase in gas, electric and telephone rates; That the board accept the report of the audit committee.

WMAM TO OBSERVE 10TH ANNIVERSARY

Marinette-Menominee Radio Station Began Daytime Program Oct. 14, 1939

Station WMAM, the Marinette-Menominee radio station which broadcasts the Manistiquette Hour from 5 to 6 p. m. Monday through Friday, will observe its 10th anniversary Friday. The station is holding open house at Marinette from Oct. 14 through Oct. 22 and will have Manistiquette residents visit their studios during that period.

WMAM went on the air as a daytime station only on Oct. 14, 1939, and became a full time (day and night) station in 1944. On Jan. 1, 1945, the station joined the National Broadcasting Company. The Manistiquette Hour was initiated in 1948.

William H. Frederick, formerly of Madison, Wis., is the manager of the Manistiquette studio.

Interpretation Of City's Contract With Employees' Union Provokes Argument

NEW LAW INVOKED AGAINST SPEEDER

George Lundberg Fined, License Suspended For Thirty-Day Period

A new Michigan law designed to end speeding by cracking down on violators in no-speeding zones, was invoked for the first time here Tuesday.

George Lundberg, 25, of this city, was fined \$10 and his driver's license was suspended for 30 days following his plea of guilty in justice court Tuesday morning to exceeding by more than 20 miles an hour a speed limit of 25 miles an hour on the city's westside Sunday.

Lundberg was arrested by city police on Deer street for speeding and for running the stop sign at River and Elk streets. The effective date of the 30-day suspension of his license was set at Oct. 22 to permit him to complete a job of potato-digging he now has at Cooks.

The state-wide war against speeders began last July when the Michigan Association of Justices held their annual convention and the Michigan Association of Justices held their annual convention and the Michigan Association of Justices held their annual convention.

Five Go To Grand Chapter Session Of Eastern Star

Five members of Ida-chapter No. 54, Order of Eastern Star, were in Grand Rapids this week to attend the annual meeting of the Grand Chapter of Michigan, O.E.S. The group included Dr. Mrs. George W. Shaw, Mrs. James H. Fyvie, Mrs. Alex Robertson, Mrs. Elwood Taylor and Mrs. L. E. MacDonald.

Engine Failure Delays Train

The Soo Line passenger train No. 8, due here Thursday morning at 9 o'clock, was delayed by engine failure near Ladysmith Wednesday night.

Lay-Offs Discussed; Manager Says He Considered Employee Ability

Interpretation of the city contract with the Union of City, County and Municipal Employees, Local No. 1196, A. F. of L., provoked considerable argument at the regular meeting of the city council Monday night.

Restfully of the contract was initiated by a statement of Councilman William A. Berger that the city manager in laying off 10 city employees, had violated the contract terms covering seniority. One employee, he said, had been retained on the job who had less seniority than the nine others who were laid off in accordance with council instructions that the city payroll be reduced.

City Manager H. W. Heidemann, said that he had taken employee ability into consideration along with seniority in making the lay-off and declared the contract provided for this.

G. S. Johnson, city attorney in re-reading the union contract provisions on seniority, said that he would interpret the clause to mean that seniority should prevail if ability is relatively equal; that if ability is unequal, then ability should be the guiding factor in making the lay-off.

Heidemann Defends Choice The city manager told councilmen that he had laid off, had, although he did not have seniority, had particular ability for his work, and said he believed he was entirely within the provisions of the contract in keeping him on the job.

It developed, after some discussion, that no men who have been laid off have made complaints or sought to have any of their grievances considered officially.

NO ACTION YET ON GARBAGE ORDINANCE

New Draft To Be Prepared For Presentation At Next Council Meeting

Although the matter was discussed at some length, the city council again took no action on the proposed new city garbage ordinance. The city manager said that he would make a further study of garbage ordinances in other upper peninsula towns, and would have a new ordinance drafted ready for submission to the council at its regular meeting Monday night.

Alfred Lund, Cooks Seriously Hurt In Mishap Wednesday

Alfred Lund, 76, of Cooks, was severely injured about 4:30 p. m. Wednesday when the dual wheels of a logging truck ran over him as he was walking to his home.

Lund and a son, Clarence Lund, were attempting to start the truck down a grade and as the vehicle got underway, the engine and dual wheels of the truck struck Lund. He was thrown from the truck and his head was crushed by his father's head.

Fire Department Called To County Jail Early Monday

A truck which caught fire early Monday morning at the county jail commission shed brought out the fire department, but road conditions were so bad that the fire was virtually out by the time the fire truck arrived.

The fire was confined to the shed and there was little damage to the Chief Elmer Beal's truck. The truck was set ablaze about 7 a. m. by a wire shortage.

Paul Knuths Have 50th Anniversary Observance Here

Mr. and Mrs. Paul Knuth, residents of Schoolcraft county for 50 years, observed their golden wedding anniversary Saturday afternoon.

The Knuths were greeted by a large number of well-wishers at their home from 2 to 5 in the afternoon at the home of their daughter and son-in-law, Joseph Davis, and Mrs. Joseph Davis, 124 Weston street, where they are reading and being read from their River Road farm last July. In the afternoon a dancing party for 40 people was held at the Manistiquette township hall, and a feature of the evening's festivities was a dance number by the 72-year-old bridegroom himself.

Following the music of the night, Mr. Knuth, 78, and Mrs. Knuth were married in 1899, at the home of Mrs. Knuth's parents, Mr. and Mrs. Bion H. Cole, on the River road, where they were married by the Rev. Fleischer.

Railroad Ties Of M&LS Returned By Trio; Fines Paid

A quantity of ties was returned Monday to the Manistiquette and Lake Superior railroad by three local men who admitted in justice court last Thursday that they took them from a site where they were piled north of the Indian River bridge. Fines of \$25 and \$5, costs, assessed against the trio, had also been entirely satisfied Monday, Justice of the Peace W. G. Stephens said.

The trio, John Lovick, Thunders Lake, Joseph Gerlach, Thunders Lake, and Frank E. Krzyzanski, of the Indian River bridge, were taken to justice last Thursday at Thunders Lake. It was there that officers discovered them. The ties had been removed from the Indian River bridge, but were to be used for work on the M&LS track on another bridge. It was brought out.

Typical American Couple, Mr. and Mrs. G. Public and Mrs. J. Public, Junior and Junior, furnish the continuity which binds the show together. The typical newspaper family faces the local businessmen.

Success Elsewhere The professor, Ackerman, president of the VFW Auxiliary, and Everett Anderson VFW commander, urged a big attendance at the show. The show has met with outstanding success in other communities where it has been shown.

Nine Youths, Adult, New Presbyterian Church Members

At the regular quarterly communion service held in the Presbyterian church Sunday, nine young people and one adult were brought into active membership.

The nine youths were members of the communicants' class which had been meeting weekly since October, 1948. They are: Richard Arrowood, Robert Bouscher, Margaret Cowman, Maurice Croeger, Darlene Jordan, Jean Osterhorst, Wayne Richards, Rita Roussin, and Gail Stevenson. Mrs. Alex Creighton was also welcomed as a member.

"Sorry, Curly," says Doc, "can't make you a malted for a while yet." "What's the idea?" Curly asks. "Well," says Doc, "most of the folks want to hear the game and the mixer makes too much noise." "Only this a moment and says, "Okay with me, Doc—I'll take a chocolate soda!"
This shows how tolerant folks can be. Doc showed his respect for

Former Resident Sends Account Of Airman's Death

Mrs. Denver Dwyne, of Columbus, Ind., the former Leona St. John, of Manistique, this week sent a clipping from the Columbus Evening Republican giving details of the death in an auto accident Oct. 4 of Corporal Rodney Wolfe, 18, son of Mr. and Mrs. Marland Wolfe, of Manistique.

The article follows:
An Aeternity Air base airman was killed and a local girl and another airman injured when their car skidded on a semi-trailer truck at 11:30 o'clock Tuesday night on Road 21 one mile south of the Tenth street bridge, east of the city.

The victim was Cpl. Rodney M. Wolfe of Manistique, Mich., stationed at Aeternity Air Force base since last June.
The injured were Miss Marjorie Reeves, 17, Route 2, local high school junior, and Sgt. Franklin W. Wise, 21, of Lansdale, Pa., also stationed at the air base.

The left side of the 1941 Pontiac truck in which the three were riding north on Road 21 was flattened. The car was considered a total loss. Damage to the truck was estimated at \$2,000.
Miss Reeves was reported in a good condition today at the county hospital. She suffered cuts and bruises on the head, legs and arms, a possible nose fracture and mild concussion.

Sergeant Wise was taken to the air base. He received a possible jaw fracture and bruises. He was to be moved today to Benjamin Harrison air base at Indianapolis for further examination.

Trucker Unhurt
Thomas J. Ibbes, Louisville, driver of the south-bound 1947 International truck, escaped injury.

The accident occurred on a straight stretch of road in front of the Martin Virden residence.
State police reported that witnesses said the Pontiac driven by Corporal Wolfe suddenly cut to the left side of the road. The truck driver swerved to the right, but the car hit the left front corner of the Pontiac.

Two south-bound cars following the truck also cut to the right and went off the side of the road in avoiding piling into the crash.
The Pontiac spun half-way around in the road and came to a stop headed west. The truck came to a stop with its front wheels in a driveway to the Virden home, the semi-trailer leaning against a bank.

Under Front Seat
Corporal Wolfe was lying over in the front seat of the car. An Army doctor passing by gave assistance, but the driver was dead when the car was struck by a skull fracture. Dr. Joseph Dudding, county coroner, was summoned and made an investigation.

Sergeant Wise said he was sitting in the rear seat of the car when the accident occurred. Miss Reeves was riding in the front seat.
There was no explanation why Wolfe's car pulled to the left side of the road, state police said. There was speculation, however, that Wolfe might have fallen asleep. The driver of the truck said he did not believe the car was travelling at a very high rate of speed.

Which went off the right side of the road to avoid the crash were those of Lt. Richard O. Barnes, also stationed at the air base, of Harold Heckert and of Jonesville. Lieutenant Barnes was accompanied by his wife and child. They took Sergeant Wise to the Air base for treatment.

Wife Home
State police said it was believed the two airmen and Miss Reeves were en route north to take Miss Reeves home. She is a daughter of Mrs. Hershel Hayden and resides on Road 31 a short distance south of Tenth street bridge.

Corporal Wolfe was a son of Mrs. Louella Wolfe, 140 South Third Street, Manistique, Mich., and had been in the Air Force since April 2, 1949, when he enlisted. He arrived at the local field last June when he reported to Air Force Reserve Training center was transferred here from Stout Field, Indianapolis.

He was a member of the communicants' section of the 2466th Air Force and was a telephone operator at the local base.
The accident was investigated by State Police Officers Earl Brown, Joe Cisco and Walter LeMasters.

Military Rites
Veterans who participated in military rites for the young soldier here Monday morning were as follows:
Firing squad: Raleigh Whitman, Henry Williams, Ed Leonard, William Cowman, William Blowers, Kenton Billings, Wallace A. Vetter, and William Stiver. Color bearers: Sgt. Charles McQuay, Archie Carpenter. Color guard: John Kelly, Earl Malkch, Honorary pallbearers: George Huber, Delmer Barber, Howard Dewitt, William McCoy, Carl Lind, Bugler: Lauritz Hough. Sgt.-at-arms: James Bangraw, Chaplain: Edward J. Doyle.

THE AMERICAN WAY

Caught In The Act

96 Thompson Citizens Sign Letter Championing Officers, Decrying Recent Publicity

The Manistique Pioneer-Tribune this week received a letter signed by 96 citizens of Thompson township expressing disapproval of the publicity the township has been receiving as the result of a recent audit of its books and records and stating that "we want to say to our township officers that they are not alone, that all of the citizens are not against them or their principles and that we appreciate all these things they have done and are trying to do."

The letter follows:
The Manistique Pioneer-Tribune Manistique, Michigan
Dear Sirs:
"There are many voters and taxpayers in Thompson Township, and you may have been wondering what a big percentage of them have been thinking about all this publicity and scandal our township has been getting."
Well, at first we were a little indifferent to it all, and thought it was just a peevish which would blow over and peace would again abide.

However, it has not blown over, or quieted down, and we are thoroughly disgusted and ashamed of those who are keeping us in the news continuously.
We are not in approval of all of us being, or trying to be, represented by a few who call themselves a Better Government, and who want to keep stirring up trouble at the drop of a hat.

We do not like to be thought so ignorant that we have to be enlightened by a self chosen few citizens of all the wrongs of our officials. We voted these officials in, and if they are found not wanted, we will vote them out.
We have always been proud of our township and our village; these are the homes we live in and raise our families in, and have a voice in our government; we want to continue so, and not have to be afraid to pick up a paper lest it be full of "Thompson Township at it again."

If this is being done in preparation for the next election, it is a waste of time and a waste of money.
We feel we are intelligent enough to know who will be good officers, and most certainly would not pick one who enjoys so thoroughly an alley cat fight.
We can see, if others cannot, all the good things which our township officers have done. Like our street lights, our good township roads, how nice our town

hall looks, and also know if it was cheaper to repair it than to build a new one in the rear factors, something which would have happened, as it was in a very bad condition. It was also local people who did the work on it, only one outside laborer was hired.
Our cemetery looks fine, no tall grass or toppling headstones, and we certainly do not begrudge a burial offering to an old friend and taxpayer.

As for the picnic, who ate the hot dogs and drank the beer? Anyone who went and anyone could go. It's a difficult thing to have to fight a battle alone, and we want to say to our township officers that they are not alone, that all of the citizens are not against them or their principles, and that we appreciate all these things they have done and are trying to do, and want to apologize to Mr. Sample and Mr. Sheverson for all this ill publicity they have been getting. We believe in a fair deal. Men who are fair do not convict their fellowmen, or threaten them until all the evidence is in.

It takes a solid foundation

Building for a secure financial future takes a solid foundation NOW. Habit is important. Form the habit of thriftiness... of spending wisely... of banking promptly... of setting aside a certain portion of your income regularly in an account at this bank. Building a strong cash reserve today gives you a solid foundation for security tomorrow.

Flies' Resistance to DDT Tested by Entomologists

In many localities of California, house flies have developed such a resistance to DDT that 50 times the normal amount is required to kill 95 per cent of them. That was indicated by experiments carried out by the University of California college of agriculture in a search for an explanation as to why DDT no longer gives satisfactory control over flies.

Dr. James B. Douglas of the division of entomology and parasitology, compared DDT's effectiveness on a strain of flies from a DDT treated dairy near Fresno with a strain of flies which for two and a half years had been reared in the laboratory. The laboratory insects alone died quickly when tested, proving that the fault does not lie with the chemical, but simply that the other insects developed a resistance, as had been observed previously with other insects.

Dr. Douglas is now studying the use of other chemicals for control of flies. Because of possible variations in resistance to these chemicals it is not yet possible to say which of them will give best control in a particular locality.

You can't buy a better household enamel!

Pittsburgh WATERSPAR

... for all types of exterior and interior surfaces!

Apply enduring beauty to woodwork and furniture — keep up to date by using easy to apply Waterspar Enamel. One coat will cover any old enamel surface. Waterspar dries fast to a mar resistant finish that is easy to keep clean and bright.

Mr. and Mrs. U. S. A. Hogglund and daughter, Ruth, and Mr. and Mrs. Neoster Hegglund and daughter, Joanne, of Detroit; Charles Hogglund and son, of Minneapolis; and Paul Neuman, of Detroit at the University of Chicago, were among those from out of town who attended funeral services here Sunday for John Hegglund.

Herbert Barton, Former Resident, Taken By Death

Herbert Barton, 71, a former resident of Manistique, passed away Wednesday afternoon at his home in Port Huron. It has been learned here.

Mr. Barton came here from Sault Ste. Marie when he was a young man and operated a plumbing shop for many years in one side of what is now the building housing Deany's restaurant. On the other side was the Peterson-Halgren harness shop. He built the house on Oak street now occupied by Mr. and Mrs. Rezend Anderson.

The Bartons left here about 30 years ago for Port Huron, where Mr. Barton was also engaged in the plumbing business. He had been a frequent visitor to Manistique, returning virtually every deer season to spend some time at the Southard cabin on Stutz Creek.

Mr. Barton was a Mason and was at one time affiliated with the Manistique Elks lodge.

Survivors are his wife, a daughter residing in Flint, and one brother, John, of Port Huron.

Dr. and Mrs. T. R. Southard will attend funeral services to be held Saturday in Port Huron.

ENJOY the FLAVOR...DISCOVER the VALUE...of A&P COFFEE

WHO? WANTS TO PUT A&P OF BUSINESS?

Not Our Customers. Many thousands of them are writing and phoning us and telling our clerks and managers that they want to continue to enjoy quality A&P food at low A&P prices.

Not Our Suppliers. Farmers and manufacturers alike are telling us that they want to protect this efficient outlet for their products.

Not Our 110,000 Employees. They want to keep the high wages, good working conditions and security they enjoy with A&P.

Not Labor Union leaders are writing us to ask what they can do to defeat this threat to labor's living standards.

All these people are telling us they don't want the anti-labor lawyers to put A&P out of business.

Attention, Bowlers

A Special Reorganization Meeting Will Be Held Monday, Oct. 17, at 8 P. M. At The Braut Alleys

to reorganize the LaFolle Central Men's Bowling League. Any one interested in bowling in this league, which will bowl on Friday nights only at 7 and 9 o'clock except when there is a basketball game, should either contact Russell Brault or attend the meeting, or both. We still have room for several teams. The league can accommodate eight teams, and can start bowling immediately.

Brault Bowling Alleys

SOCIETY

Guest Party
 Mrs. Evelyn Johnson of Thompson, and the son of Mrs. Nora Burns, of Los Angeles, and Lambert Burns, Port Washington, Wis., were married at a nine o'clock nuptial mass offered by the Rev. E. H. Berendson during the service. Mrs. Lyle Charon sang "Ave Maria" and "O, This Day." Chrysanthemums of full shades and asters decorated the main altar of the church for the ceremony. The bride, who was given in marriage by her uncle, William Mulhaupt, wore an ivory satin gown with fitted bodice, a scroll neckline edged in Spanish lace, long pointed sleeves and full skirt decorated with a lace ruffled apron effect which formed a handle in the back from which the train extended. Her long veil of illusion was fastened to a seed pearl coronet and she carried a white orchid tied with satin streamers and knotted by white button moons on a white prayer book. Her sister, Miss Charlene Johnson, who was her only attendant, wore ice blue

MR. AND MRS. E. McREE DAVIS are shown here cutting their wedding cake at the reception following their marriage October 3 in the Presbyterian church of the Redemptor. Mrs. Davis is the former Patricia Lundstrom, daughter of Mr. and Mrs. Elmer T. Lundstrom.

-Photo by Harbin

satin with snug-fitting bodice, Peter Pan collar, short sleeves and a full skirt. She wore a circlet of flowers in her hair and carried a spray of pink and white chrysanthemums. Following the ceremony, a wedding breakfast for 50 guests, luncheon was served at the home of the bride's mother at Thompson. A tiered wedding cake centered the table and blue and yellow candles in crystal holders and fall flowers completed table decorations. A reception for 120 was held at the Johnson home in the evening. For her wedding trip, the bride wore

a kelly green suit with matching topper and brown accessories. The bride, who is a graduate of Manistique high school, Class of 1947, has been employed in Elgin, Ill. The bridegroom, who also attended Manistique high school, is employed by Welner Wood Products. Out of town guests at the wedding were Mr. and Mrs. Lloyd Johnson, of Powers, and Mr. and Mrs. Kenneth Swanson, Mr. and Mrs. Robert Swanson and Mr. and Mrs. Norman Swanson, of Escanaba.

Anniversary Party
 Mr. and Mrs. Elwood Taylor were guests at a party Friday evening honoring them on the occasion of their twenty-fourth wedding anniversary. The party was given by Mr. and Mrs. Greer Dywick at their home on Range street. Following a social evening, lunch was served and Mr. and Mrs. Taylor opened their gifts.

Presbyterian Meeting
 A combined meeting of the Presbyterian Women's association, which includes the Afternoon and Evening Circles, will be held next Wednesday evening at eight o'clock at the church. Program leader will be Mrs. Arthur Thorpe and hostesses will be Mrs. Ida Fowler, Mrs. Ada Watson, Mrs. Joseph LaMothe and Mrs. Calvin Steven.

SCOUTS NOTES

The Scouting program which has lain dormant during the summer months, is being rejuvenated and will take on new life this year with the starting of three Boy Scout Troops and one Cub Scout Pack. One year ago in October only two troops were in action. The additional troop and pack will make the Scouting program available to many more of the Manistique boys from 11 years and older.

The admitting of the 11 year old boy in the Boy Scout troop is a recent innovation of the national Scout program. This, indeed, will swell the numbers on the rolls of the local organizations and will contribute toward a more active program here in Manistique.

Active now in the Manistique Scout program are the following: The Rev. Paul Sobel, Scout Commissioner; Wilbur Patchell, advancement chairman; Ben Karwoski, Scoutmaster of Troop 461; Sidney Bouwer, Scoutmaster of Troop 460; Richard Cummings, Scoutmaster of Troop 462; and Redger Smith, Cubmaster of Pack 460.

In addition to these there are several who are serving as committeemen. In Troop 460 the men are: John Hanson, Raoul Bertrand, Everett Pasino, Harvey McLaughlin and Carl Wedell. The committeemen in Troop 461 are: William Corson, Oscar Schuster, George

Morton, R. G. Hentschell and Dr. George Shaw. Troop 462 has as its steering committee Clinton Leonard, John Vlogover, Joe Leonard, William Cowman, Howard Hewitt and Carl Madel. William Mueller and Kenneth Jones are the men directly responsible for the functioning of the Cub Pack, 460.

The public will be hearing more of the activities of the Scouts for several interesting features are being planned now in addition to the regular program of each organization.

Dr. and Mrs. E. J. Brenner returned Sunday from a visit with relatives in Detroit and Yale. They also attended the Michigan-Army game in Ann Arbor Saturday. Mrs. Brenner's father, Robert McLellan, of Yale, accompanied them here for an extended visit.

Debaters Begin Research On The Question Of Presidential Elections

(From the M. H. S. Critic) Manistique debaters are going to try for top honors in the Upper Peninsula debate tournaments this year. The coach, Mr. Fredrickson, has the research material on the preliminary meets. These teams will argue the same questions which other high school students all over the nation are debating: "Resolved: That the President of the United States be Selected by Direct Vote of the People."

The fact that all of the varsity debaters from last year are back enhances the possibility of winning. The varsity people last year tied for first place with Kingsford, but the judges, through a preferential rating, awarded second place to Manistique and first place to Kingsford. Besides the honor and excitement of winning first place, the champion debaters are awarded gold watches and a large silver trophy cup. Two members of the victorious team are chosen to represent their school in Lower Michigan. There they compete with finalists for a \$2,500 college scholarship. Irving Nelson, of Kingsford, was Michigan Champion debater last year. Students who have signed up for debate are: Dan Van Eyck, Don Sheahan, Lucie Richards, Marjo Vieritor, Luel Kennedy and Bill Couson. All others interested in debating should contact Mr. Fredrickson.

Need For Properly Addressing Mail Is Lions Club Topic

The necessity of properly addressing mail for distribution in Manistique, particularly the including of correct street addresses and box numbers, was explained to members of the Manistique Lions Club recently by Frank M. Gierke, local postmaster. The speaker read a list of local names which are similar or the same. It is obvious, he said, that unless a street address or box number is included in the general address, it is difficult or impossible for postal clerks to determine where to send the letter or card. "If you are mailing a letter or card to a local person whose name is the same as one or more other local persons, and do not show a street address or box number on it, it is probable that the mail will never reach the person it is intended for," Gierke said. Grasshoppers poisoned now will not live to lay eggs to produce hoppers to damage your next year's crops.

Hiawatha (By Frances Henriksen)

Numbered among the business cutlers in Manistique Wednesday were: Mrs. Russell LaFleur and daughter, Sally, Mrs. Carol Beckman, Mrs. Floyd Brock, Mr. Harold Evers, Mrs. Jackie Kopletz, and Mrs. A. Henriksen of Hiawatha. Mrs. George Parks of Jackson, and Mrs. Brannon of Jackson, were also present. The Friendly Neighbors Home Mothers Club met at the Aldrich school Thursday night, with an election of officers as the main feature of the business session. Those elected were: Chairman, Mrs. W. Brock; vice chairman, Mrs. M. Carson; news reporter, Mrs. R. Duggles; and temporary leaders, Mrs. W. Brock and Mrs. E. Cookson. Lunch was served by Mrs. W. Brock, Mrs. Ruggles, Mrs. Hyland and Mrs. Henriksen. The next meeting will be Wednesday, Nov. 2. Folks in this vicinity are going to miss the field of beautiful gladioli flowers grown by the Lyle family on the M-9. The "gladioli" flamed their gorgeous blooms despite several severe frosts, only bowing to the digger in the bulb harvest.

Lawrence E. Vredovec, director of the University Bureau of School Services, for the North Central Association of Colleges and Secondary Schools. Dr. Vredovec is chairman of the Michigan division of the Association. His study included the 244 high schools of the state which are members of this accrediting association.

In 1948-49 the 244 member schools spent \$212,256 for their libraries as compared with \$121,027 ten years ago. The average library expenditures per pupil was \$1.25, with only 45 schools reporting that they spent less than \$1.00 per pupil. The number of librarians has also increased, with 200 full and part-time librarians employed by the schools in 1949 as compared with 114 six years ago, the report reveals. "The library is the heart of the school," Dr. Vredovec points out, "and improvement of our school libraries is a vital step in the overall betterment of the school program." Mr. and Mrs. Walter Johnson returned Monday to their home in Chicago following a stay at their cottage Indian Lake and with Mr. Johnson's mother, Mrs. William Johnson, Chipewau avenue.

Contour Seeded Fields Erode Less, Produce More

Contour-seeded wheat fields produce larger crops than those seeded up and down the slope, according to University of Illinois reports. Increases of two to three bushels an acre have been reported on contour-seeded wheat fields, college of agriculture farm account books show. Besides producing bigger yields, contour-seeded wheat fields erode less, reports Ben F. Muirhead, agricultural extension service engineer. As for extra work, once contour grade lines are located, he says, it takes little additional time or trouble to plow, disc and seed on the contour. The natural draws in the field need extra protection because they are the natural save troughs of the field. Melting snow water and the spring rains collect in the draws and will carry off previous topsoil if you aren't ready for them. Combing will be difficult next summer if plowing is permitted this winter. Muirhead offers two suggestions to protect natural draws. Prepare them for seeding to a grass mixture, and seed heavily to insure a tough sod.

**MARKS TO HEAD
GAA THIS YEAR**

(From the M. H. S. Crier)
Evelyn Marks was elected president when the Girls Athletic Association was called together by Miss Kaarto for its first meeting on September 13. Other officers elected were: Vice President, Barbara Pelton; Treasurer, Shirley Manette; and Secretary, Marlene Gregurash.

Elections were also held for the Captain of the Volley Ball team. Laura Mac Nesson was chosen for this office. The team girls decided that they would play on Monday and Wednesday and the country girls on Friday.

Girls wishing to join may come to the next meeting or sign up in Miss Kaarto's office.

**HS Students Eligible
To Enter Contest**

(From the M. H. S. Crier)
The National High School Poetry Association is "calling all poets" for its annual Anthology of High School poetry. All senior high school students are eligible and may submit as many manuscripts as they want. No fees are charged for entering verse in the Anthology. Poems must be sent to the Association by December 5.

All verse must be written under the supervision of a teacher. The student's name, home address, and school must be typed or printed on each entry. Since space in the Anthology is limited, shorter poems are preferred. Aspiring poets should see their English teachers about entry in the project.

**DRAMATICS CLUB
INITIATES MANY
NEW MEMBERS**

GIRL SCOUT PLANS FOR YEAR MAPPED

Manistique Troops To Observe Girl Scout Week From Oct. 30 To Nov. 5

At a regular meeting of the Manistique Girl Scout Council Tuesday afternoon, plans for the coming year were formulated and discussed. Mrs. Earl Lebrasseur, commissioner, presided at the meeting.

It was decided to observe Girl Scout Week Oct. 30-Nov. 5, with appropriate programs and ceremonies. This week consists of seven Service Days, each devoted to a major interest or activity of Girl Scouting. These are: Girl Scout Sunday; Monday, Homemaking Day; Tuesday, Citizenship Day; Wednesday, Health and Safety Day; Thursday, International Friendship Day; Friday, Arts and Crafts Day; Saturday, Out of Doors Day. "Come along with us" is the slogan and the theme for the 1949 celebration of Girl Scout Week.

Mrs. J. L. LeDuc, camp chairman, gave a report of the recent Timber Trail Camp Association meeting which she and Mrs. Russell Watson, committee member, attended in Munising.

Because of the lack of necessary funds, it was voted not to send a delegate to the thirtieth convention of the Girl Scout National convention which will be held in Milwaukee Nov. 16-18.

A report of the leader's report situation was given by Mrs. LeBrasseur and it was noted there are now five active troops with leaders. There are still vacancies in leadership for the Lincoln Brownie troop and the Central St. Francis Intermediate troop.

The appointments of Mrs. LeDuc to the "Little House" committee was made to replace a vacancy left by Mrs. Gordon Hughes. Other members of this committee who will give a detailed report to the council in November are Mrs. E. J. Brenner and Mrs. Howard Griffin. Mrs. Lottie Woodford extended an invitation to the Leaders' Association to meet on Saturday, Nov. 13.

Present members of the council

ent danger of drowning. Mrs. Middlebrook, who was dressed warmly for a brief walk near the Middlebrook home, was buoyed up by her clothing and was little the worse for her experience, but Mr. Knuth contracted a cold which kept him abed for a couple of days. He was over it in time for his golden wedding day, however.

Many Relatives Here
In addition to their daughters, several of the Knuths' 19 grandchildren and four great grandchildren were here for the celebration, as well as nieces, nephews and other members of the Cole and Knuth families.

Mr. and Mrs. Knuth received many anniversary gifts as well as congratulations, cards and the congratulations of friends who called on them personally.

Decorations, both at the Davis home and at the Manistique township hall were in keeping with the golden wedding theme.

**FORMER EMPLOYEE
AT INLAND KILLED**

**Benjamin A. Sheppard,
30, Of Curtis, Victim In
Woods Accident**

Benjamin Asher Sheppard, 30, a former employee of the Inland Lumber and Stone company, was killed at 11:30 a. m. Tuesday when he was struck by a tree which fell on him near his home, six miles east of Curtis.

A companion, Lawrence Kosek, about 35, of Manistique, received a broken leg in the accident, which happened when a tree Sheppard and Kosek were cutting down struck the stub, breaking it off and sending it crashing down on Sheppard, pinning him to the ground. An injury to his head caused his death.

He was born in Curtis Nov. 6, 1918, and grew up there. During World War II, he served for four years in the army, principally in camps on the west coast. He was a member of the Lakeland Baptist church, and was a trustee of the church.

For the past year, Sheppard had been employed at the Inland Lumber and Stone company's plant at Port Inland, but was laid off Sept. 10. Since then he had been cutting pulpwood on property belonging to the Sheppard family.

Survivors are his wife, Hazel; two sons, Michael 4, and Jerry 1; his parents Mr. and Mrs. Asher Sheppard, of Curtis; four brothers, Robert Sheppard, of Escanaba, Ray, Edwin and John, Curtis; and two sisters, Mrs. Sherwood Moore and Kathleen, both of Curtis.

Funeral services will be held at 2 o'clock Friday afternoon at the Lakeland Baptist church, the Rev. Marshall Reed officiating. Burial will be in Sault Ste. Marie cemetery under the direction of the Beaulieu funeral home, Newberry.

**Former Teacher
Here Questioned
In Dad's Death**

Miss Mary Jane Van Hoesen, of Evanston, Ill., who taught for a brief period in Manistique high school about four years ago, was questioned at a coroner's inquest last Friday in connection with the death of her father, with whom she had had an argument. She was not held.

An article in Friday's issue of the Chicago Herald-American, including the 33-year-old North-western university graduate's picture, reported the tragedy as follows:

Harold Martin Van Hoesen, 76, of 805 Noyes st., Evanston, retired advertising executive, died yesterday apparently of a heart ailment, after police said his daughter, daughter pulled his tie around his neck.

Police Lt. Hubert Kelsch questioned the daughter, Mary Jane, a former WAVE. He said he would seek to have her examined by a court psychiatrist.

A coroner's inquest is set for today.

Kelsch reported the father and daughter argued over his proposal she take a mental and physical examination. The girl objected and grabbed her father's tie.

The father fell ill some time later and a physician was called. Van Hoesen died after the doctor arrived.

Kelsch said the daughter formerly was a patient in Downey hospital, Great Lakes.

**EDWARD HAVLICHEK
DROWNING VICTIM**

**Former Resident, 59,
Loses Life As Son Watches
From Shore**

Edward Havlichek, 59, a former resident of Manistique who had lived in Flint for the past several years, was drowned Sunday in Hubbard Lake, near Alpena.

The body has not yet been recovered.

Witnesses to the tragedy were the victim's son and daughter-in-law, Mr. and Mrs. Edward Havlichek, Jr., also of Flint, who stood on shore and watched the senior Havlichek topple overboard into 15 feet of water as he was putting logs on a new motor.

Within a few minutes, they reached the spot in another boat but Mr. Havlichek had disappeared from sight. Two more tubes which had been in the boat were nearby, and it is theorized that if he had come up at all after falling into the water, he could have stayed afloat with the aid of the tubes until help came.

Edward Matthew Havlichek was born in Manistique on Jan. 14, 1890, and grew up here. He was married at Escanaba in 1919 to Luella Bouschor, and soon after moved to Flint where he was in the employ of the Buick Corporation for many years. Mrs. Havlichek died two years ago.

Survivors are two daughters, Mrs. Gordon (Maxine) Brown and Mrs. George (Helen) Craig; and two sons, Edward L. and David, all of Flint; a brother, Charles Havlichek, of Manistique; three sisters, Mrs. Floyd (Catherine) Gonyon of Curtis, Wisc.; Mrs. Cecil (Ruth) Watson, Brentwood, Wash.; and Miss Helen Havlichek, a school teacher in Hawaii; and Mrs. George (Helen) Bouschor, of Flint.

Mr. Havlichek had visited here last week with his brother, Charles, and at the home of his brother-in-law, G. Lewis Bouschor, 201 N. 1st, Flint.

**Funeral Services
For Mrs. Waters
In Capax Thursday**

Funeral services were held in Capax last Thursday afternoon for Mrs. Erma Waters, former Manistique resident, who died in the University hospital in Ann Arbor Oct. 3. The Rev. Clayton Oliver, pastor of Walled Lake Methodist church, officiated, assisted by Rev. A. J. Purvey, pastor of the Capax Federated church. Teachers in the Fort Gratiot school system paid tribute to Mrs. Waters, who taught there.

Mrs. Waters, 60, was president of the Michigan Rural Teachers association and also secretary-treasurer of the Fort Gratiot township school. She was active in Parent-Teacher association circles and in the Order of Eastern Star.

Mrs. Raymond Billings, the former Luella Waters, Mr. Billings and their two sons attended the funeral.

**HOME GRID FINALE
IS FRIDAY EVENING**

**Emeralds Playing Sault
St. Marie At 8:30; Re-
serves At Gadstone**

Coach John Viergever's Manistique high school Emeralds will make their last home appearance against a tough opponent—Sault St. Marie's Blue Devils—here on Friday night. The kick-off is at 8:30.

The Emeralds played heads-up in defeating Munising, 19 to 13, here last Friday night, and as Coach Viergever says, "proved to Manistique fans, and to themselves, that they can play football when they want to." Practice sessions this week have been decidedly wanting in that "want to" spirit, however, and unless the boys snap out of it, they will stand a poor show against the Sault. "Last Friday's game won't be the Blue Devils," Viergever gloomily opines.

Old weaknesses in blocking and tackling and in line defense were showing up again this week, the Emerald coach reports, and a cockiness resulting from the Manistique wins isn't helping any.

The Emerald reserves will play at Gladstone Saturday afternoon. Sault beat Marquette, 13 to 6, last week, and previously defeated Sault, Ontario, and Newberry. They have lost to Newberry and Escanaba.

In the game against Munising the Manistique gridder, sponsored by Howard Hartman, Don Larson and Dick Burns, set the ball carrier on a real performance. The first half led at half time to 6. They bogged down in the third quarter, however, and the Matthers capitalized on a passing attack to score a touchdown soon after the fourth quarter started. Strom, of Munising, intercepted an Emerald pass for an 80 yards to score. The point was good and the game tied up, 13-13.

The Emeralds really got into action when Fullback Hartman carrying the ball on a series of plunges. Aided by good blocking he went over for the final Manistique took over and tried for a passing attack but Eveg intercepted and the ball was intercepted and the ball was in the Emeralds' possession. The game ended in a deep Manistique territory. The local writers yards of another score.

**Funeral Services
For Mrs. Waters
In Capax Thursday**

Funeral services were held in Capax last Thursday afternoon for Mrs. Erma Waters, former Manistique resident, who died in the University hospital in Ann Arbor Oct. 3. The Rev. Clayton Oliver, pastor of Walled Lake Methodist church, officiated, assisted by Rev. A. J. Purvey, pastor of the Capax Federated church. Teachers in the Fort Gratiot school system paid tribute to Mrs. Waters, who taught there.

Mrs. Waters, 60, was president of the Michigan Rural Teachers association and also secretary-treasurer of the Fort Gratiot township school. She was active in Parent-Teacher association circles and in the Order of Eastern Star.

Mrs. Raymond Billings, the former Luella Waters, Mr. Billings and their two sons attended the funeral.

**Veteran Postal
Employee Plans
To Retire Soon**

Clinton Welch, 306 Chicago avenue, rural mail carrier for the past 31 years, will retire from the Manistique post office at the end of this month.

Mr. Welch was the guest of honor at a party last Wednesday evening given by other members of the post office staff at the via, Carlistown cottage on Hanson Beach. Features of the entertainment were movies of Alaskan scenes by Signaunt Carlsberg cards. Postmaster Frank N. G. presented Mr. Welch with a traveling bag as a farewell from the entire group of post employees.
