From where I sit ... by Joe Marsh

How We Licked The Parking Problem

For a while it looked like we'd have to put up parking meters. Parks working in town—including those of the state owners—were taking up all of the space along Main Street.
Parkers coming in to shop never found a place to park, and sometimes had to lug stuff a half mile or so. Some started to do their buying in other towns. Finally, store owners and farmers had a get-together—with the result that the empty field near the depot was fixed up for all-day parkers.
Now farmers get their shopping

done comfortably, and the merchants have a better place to park than they had before. Just took a little friendly co-operation to make everybody happy.
From where I sit, most differences can be ironed out by just talking things over—maybe with a cup of coffee or glass of beer—and seeing the other person's side of it. Next time you have a problem or a little difference to settle, why not try just that?

Joe Marsh

grades;
If You Can't Sing, Whistle—Hart-Blight.
The Special Town Meeting, organized by Moderator, Joe Wilson; Constable, George Phillips; Amos Tinker, Carl Brockman; Caleb Plunkett, Benjamin Gery; Clerk, Francis Driedger; Miss Nancy Wick, Marlene Gray.

Small Forest Lands
About 261 million acres or three-fourths of the privately owned commercial forest land of the United States is in small tracts—about equally divided between farm woodlands and nonfarm holdings. These tracts include some of the most accessible and potentially the most productive forest land, but because of mismanagement and poor marketing facilities they are yielding only one-third to one-half of what they could, according to the U. S. department of agriculture. Some of these small woodlands have been so heavily cut or are so badly run down that they will yield no saleable products for years. Owners of such woodlands have little need for expensive marketing service. But many other woodlands, whether supporting good stands of merchantable timber or barely enough to justify commercial cutting, offer a promising and largely unexplored field for forest cooperatives.

TIMBER SALE
Department of Conservation of the State of Michigan
Notice is hereby given that certain timber on the following described land in the Grand Sable State Forest will be offered for sale at public auction to be held at the Grand Sable Headquarters, 12 miles east of Melstrand, Michigan, on Thursday, May 12, 1949, at 8:00 P. M. E. S. 5% of SW 1/4, Section 10, T 49 N, R 13 W.

A cutting permit will be awarded the responsible bidder offering the largest cash bonus at the sale in addition to agreeing to pay the following stumpage prices:
Hard Maple — Sawlogs, \$15.00 per M bd. ft.
Yellow Birch — Sawlogs, \$15.00 per M bd. ft.
Beech—Sawlogs, \$7.00 per M bd. ft.

Cutting specifications: Cut all hard maple, yellow birch, and beech marked for cutting by the District Forester.
Stump height on all species shall not exceed 24 inches above the ground.
Slash to be left as cut-and-not piled or windrowed. All slash within 50 feet of the road on the west side of the area must be removed.
Operations under the permit issued as a result of this sale will terminate one year from date of sale.

The International log rule will

be used to scale all sawlogs.
The right to reject any and all bids is reserved.
For information relative to this sale contact Carlton Hollister, District Forester, Grand Sable State Forest, Shingleton, Michigan.
P. J. HOPFMASTER, Director.

4/20/49 (21, April 28... May 6)

OFFICIAL PROCEEDINGS OF THE MANISTIQUE CITY COUNCIL

Manistique, Mich., March 28-1941. A regular meeting of the City Council was held at 7:30 o'clock p. m. on March 28, 1941, at the City Hall. There were present: Councilmen Selman, Burns, Schubring and Stephens. Absent: Councilman Nays.

The minutes of the meeting of March 14, 1941, were approved as read. Milk report dated March 24th, 1941, presented by Alger-Schoolcraft Health Department was received and placed on file.

In response to a petition by residents of Terrace and Cherry Streets, it was moved by Councilman Selman and supported by Councilmen Stephens, Burns and Schubring that the City Manager and the Street Superintendent examine the need for a street light at the intersection of Terrace Avenue and Cherry Street, and report at next meeting of the Council.

Yes: Councilmen Selman, Burns, Schubring and Stephens. Nays: None.

The request of R. L. Prime for an alley extension at rear of his property on Cherry Street was received. Street Superintendent was directed to prepare an estimate of the cost and report at next meeting.

Moved by Councilman Selman, supported by Councilman Stephens—

RESOLVED that the request of James Vaughan, 518 Dear Street, Manistique, Michigan, for liquor quarters permit be, and the same is hereby approved.

Yes: Councilmen Selman, Stephens, Burns, Schubring and Nays: None.

A petition was received from residents of New Elm Street asking for street hard surfacing. Superintendent Livermore stated it will not be feasible to lay a hard surface on this street this year because ground has not settled sufficiently after the recent excavation for laying sewer. However, temporary attention will be given the street as needed.

A petition was received from residents of Garden Avenue requesting improvement of Garden Avenue from Cattaraugus Street to Saginaw Street. Consideration of this to be deferred until budget for next year is made up.

Moved by Councilman Selman, supported by Councilman Stephens—

RESOLVED that the request of residents on Manistique Avenue for a street light at the intersection of Potter Street with Manistique Avenue be, and the same is hereby approved.

Yes: Councilmen Selman, Burns, Schubring and Stephens. Nays: None.

A petition signed by residents of South Maple Avenue requesting better lighting was received. Action was deferred pending investigation.

Consideration of the requested extension of Caribou Street will be deferred until budget is set up for next fiscal year commencing May 1st.

The petition of property owners on West Bear Street, 360 feet

West from Houghton Avenue to serve Lots Five and Six, Block Four, 1883 Addition to the Village of Hiawatha and Lots Ten and Eleven, Block Four, Riverside Addition, petitioning for a sewer and water extension on said street was taken up by the Council and considered.

On motion of Councilman Schubring, supported by Councilman Stephens, the following resolution was offered:

RESOLVED that the petition of property owners on West Bear Street, 360 feet West from Houghton Avenue for the extension of a sewer and water main in said West Bear Street be granted and said sewer be installed in said New Elm Street to serve all lot owners, which abutting property is designated as the special assessment district for such improvement, and,

BE IT RESOLVED, that the cost to the City of installing such sewer on New Elm Street be borne by special assessment to be levied against the lots and premises fronting upon said New Elm Street, within said assessment district, according to front footage, and,

BE IT FURTHER RESOLVED, that the Acting City Manager procure an estimate of the cost and expense of such an improvement and a plan and diagram of said work and the locality to be improved and present same at this meeting of the Council.

Yes: Councilmen Schubring, Selman, Burns and Stephens. Nays: None.

The following resolution was offered by Councilman Schubring, supported by Councilman Selman—

WHEREAS, plans and specifications for the cost of installing a sewer on New Elm Street have been made and presented to the City Council and which said plans and specifications are now on file with the City Clerk of the City of Manistique for public examination.

THAT, notice be given by the Clerk of said City showing the proposed improvement and district to be assessed therefor and that the Council at its meeting to be held at the City Hall on April 11, A. D. 1941, at 7:30 p. m. be designated as the time and place when the Council will meet and consider any objections to the proposed improvement, and,

BE IT FURTHER RESOLVED, that notice of such meeting be published in accordance with the City Charter.

Yes: Councilmen Schubring, Selman, Burns and Stephens. Nays: None.

John Nessman, City Assessor, made a report on personal property statements.

City Clerk read a list of appointments for election personnel for April 4th, 1941.

The proposition of the Recreation Board to level off the lot just north of High School Stadium on Maple Avenue was given consideration.

City Manager was directed to purchase a clock for the Police Office.

Moved by Councilman Selman, supported by Councilman Stephens—

RESOLVED that the petition of property owners on West Bear Street, 360 feet West from Houghton Avenue to serve Lots Five and Six, Block Four, 1883 Addition to the Village of Hiawatha and Lots Ten and Eleven, Block Four, Riverside Addition, in the City of Manistique, and of the district to be assessed for this improvement and a time designated in said notice for hearing objections thereto, being Monday, April 11th, A. D. 1941, at 7:30 o'clock p. m., and all objections there having been duly considered by the Council, and,

WHEREAS, the cost of building said extension of sewer and water main was \$2,600, and

WHEREAS, Mr. and Mrs. Paul Marchand and Mr. and Mrs. Alf Hutchinson have agreed with the City Manager to assume and pay the cost of building said sewer and water main and have advanced the sum of \$400.00 and

WHEREAS, the City of Manistique has built and now has in service the said sewer and water main in conformity with the provisions

of the City Charter, THEREFOR BE IT RESOLVED that the City Assessor be and he is hereby directed to advertise in municipal publications the Special Assessment Roll for the petition of City Manager in Manistique.

Yes: Councilmen Selman, Burns, Schubring and Stephens. Nays: None.

Moved by Councilman Stephens, supported by Councilman Burns, that the Council adjourn.

Walter Curtis, Mayor, Alex Robertson, City Clerk

Manistique, Michigan

A regular meeting of the City Council was held at the City Hall on April 11, 1941, at 7:30 o'clock p. m. There were present: Councilmen Selman, Burns, Schubring, Selman and Stephens. Absent: Councilman Nays.

The minutes of the meeting of March 28th, 1941, were approved as read.

Moved by Councilman Selman, supported by Councilman Schubring—

RESOLVED that the request of Myrl Hayden and Joseph J. Schorn, for the transfer of their resort Class "B" Hotel Liquor License, located at High School Stadium, 349 So. Maple St., Manistique, to Phyllis H. Schorn, be and the same is approved.

Yes: Councilmen Selman, Schubring, Burns and Stephens. Nays: None.

Moved by Councilman Schubring, supported by Councilman Selman—

RESOLVED that the request of Joseph Krashovec, for a house property on Maple Street and adjacent to Quarry Pond, dated October 1st, 1941, which expires on September 30th, 1941, be renewed for a period of five years under the original terms and conditions.

Yes: Councilmen Schubring, Selman, Burns and Stephens. Nays: None.

The request of John Neff for permission to build a sidewalk fronting his property at 123 and 1/2 Oakland addition, off of 14, block St., Manistique, was given approval, and street superintendent was directed to furnish him with the proper levels.

It was estimated of \$24.00 cost to make alley extension at R. L. Prime property on Cherry Street, as given by Street superintendent, was approved, and he was directed to proceed with the work.

Moved by Councilman Schubring, supported by Councilman Stephens—

RESOLVED that the request for street light at the intersection of Terrace and Cherry Street be, and the same is hereby approved.

Yes: Councilmen Schubring, Stephens, Burns and Selman. Nays: None.

City Assessor, made a report on personal property statements.

The following resolution was offered by Councilman Selman, and supported by Councilman Stephens—

WHEREAS, Notice having been given by this Council for the extension of a sewer and water main to be built on West Bear Street, 360 feet West from Houghton Avenue to serve Lots Five and Six, Block Four, 1883 Addition to the Village of Hiawatha and Lots Ten and Eleven, Block Four, Riverside Addition, in the City of Manistique, and of the district to be assessed for this improvement and a time designated in said notice for hearing objections thereto, being Monday, April 11th, A. D. 1941, at 7:30 o'clock p. m., and all objections there having been duly considered by the Council, and,

WHEREAS, the cost of building said extension of sewer and water main was \$2,600, and

WHEREAS, Mr. and Mrs. Paul Marchand and Mr. and Mrs. Alf Hutchinson have agreed with the City Manager to assume and pay the cost of building said sewer and water main and have advanced the sum of \$400.00 and

WHEREAS, the City of Manistique has built and now has in service the said sewer and water main in conformity with the provisions

of the City Charter, THEREFOR BE IT RESOLVED that the City Assessor be and he is hereby directed to advertise in municipal publications the Special Assessment Roll for the petition of City Manager in Manistique.

Yes: Councilmen Selman, Burns, Schubring and Stephens. Nays: None.

Moved by Councilman Stephens, supported by Councilman Burns, that the Council adjourn.

RESOLVED that the request of Joseph Krashovec, for a house property on Maple Street and adjacent to Quarry Pond, dated October 1st, 1941, which expires on September 30th, 1941, be renewed for a period of five years under the original terms and conditions.

Yes: Councilmen Schubring, Selman, Burns and Stephens. Nays: None.

The request of John Neff for permission to build a sidewalk fronting his property at 123 and 1/2 Oakland addition, off of 14, block St., Manistique, was given approval, and street superintendent was directed to furnish him with the proper levels.

It was estimated of \$24.00 cost to make alley extension at R. L. Prime property on Cherry Street, as given by Street superintendent, was approved, and he was directed to proceed with the work.

Moved by Councilman Schubring, supported by Councilman Stephens—

RESOLVED that the request for street light at the intersection of Terrace and Cherry Street be, and the same is hereby approved.

Yes: Councilmen Schubring, Stephens, Burns and Selman. Nays: None.

City Assessor, made a report on personal property statements.

The following resolution was offered by Councilman Selman, and supported by Councilman Stephens—

WHEREAS, Notice having been given by this Council for the extension of a sewer and water main to be built on West Bear Street, 360 feet West from Houghton Avenue to serve Lots Five and Six, Block Four, 1883 Addition to the Village of Hiawatha and Lots Ten and Eleven, Block Four, Riverside Addition, in the City of Manistique, and of the district to be assessed for this improvement and a time designated in said notice for hearing objections thereto, being Monday, April 11th, A. D. 1941, at 7:30 o'clock p. m., and all objections there having been duly considered by the Council, and,

WHEREAS, the cost of building said extension of sewer and water main was \$2,600, and

WHEREAS, Mr. and Mrs. Paul Marchand and Mr. and Mrs. Alf Hutchinson have agreed with the City Manager to assume and pay the cost of building said sewer and water main and have advanced the sum of \$400.00 and

WHEREAS, the City of Manistique has built and now has in service the said sewer and water main in conformity with the provisions

of the City Charter, THEREFOR BE IT RESOLVED that the City Assessor be and he is hereby directed to advertise in municipal publications the Special Assessment Roll for the petition of City Manager in Manistique.

Yes: Councilmen Selman, Burns, Schubring and Stephens. Nays: None.

Moved by Councilman Stephens, supported by Councilman Burns, that the Council adjourn.

Walter Curtis, Mayor, Alex Robertson, City Clerk

Manistique, Michigan

A regular meeting of the City Council was held at the City Hall on April 11, 1941, at 7:30 o'clock p. m. There were present: Councilmen Selman, Burns, Schubring, Selman and Stephens. Absent: Councilman Nays.

The minutes of the meeting of March 28th, 1941, were approved as read.

Moved by Councilman Selman, supported by Councilman Schubring—

RESOLVED that the request of Myrl Hayden and Joseph J. Schorn, for the transfer of their resort Class "B" Hotel Liquor License, located at High School Stadium, 349 So. Maple St., Manistique, to Phyllis H. Schorn, be and the same is approved.

Yes: Councilmen Selman, Schubring, Burns and Stephens. Nays: None.

ANNOUNCING...

Manistique Radio Hour

Starting Monday, May 2, 5 P. M. to 6 P. M.

Program Originating in the Manistique Studio's of WMAM-570 On Your Dial

Through the cooperation and efforts of the Manistique-Schoolcraft Chamber of Commerce, it has been made possible for Manistique to have their own program for the Manistique-Schoolcraft area, originating in a Manistique Studio and broadcast over the outstanding Radio Station serving the Upper Peninsula, as well as a large part of Lower Michigan and Wisconsin. Covering this large audience should have untold possibilities in putting Manistique on the Map and increasing our tourist business for this entire area.

We are glad to announce the C-L HARDWARE will sponsor your local news broadcast each day, Monday through Friday, and will be only too glad to cooperate with Manistique and Schoolcraft County Schools, Churches, Civic and Fraternal Organizations, and other community non-profit organizations as the Red Cross, Cancer and Tuberculosis groups that promote and help the civic life of our area.

We are glad to say that this Manistique Hour has been sponsored in full by the merchants of Manistique for the purpose of promoting the Manistique-Schoolcraft Area and does not obligate Manistique in any way to the business dangers involved in some types of Radio.

This is Manistique's and Schoolcraft County's Hour—We hope you enjoy it Tune in Monday through Friday, starting at 5 P. M., May 2nd

TAKE A CLOSE LOOK the next time a Soo Line passenger train whizzes by. Right behind the locomotive trailer you'll see mail, baggage and express cars. They're reserved for your daily newspaper, mail, parcel post, milk and express that demands fast, dependable delivery. In railroad lingo that's "head-end" traffic. At brief station stops, nimble Soo Line workers handle "head-end" traffic in the shortest possible time. Seconds later it's tramping to you on the Soo Line.

Your Working Partner 7 Days a Week

NOTICE

To Bidders

Sealed Bids will be received by the City of Manistique at the City Hall, Manistique, Michigan, until 12 o'clock Noon Eastern Standard Time Monday, May 9th, 1941, for:

One Two-door automobile for use as a Police Car on a cash basis, and/or cash and trade-in of old police car.

All proposals are to be in sealed envelopes and plainly marked as to item bid on, and the name of the bidder.

The City Council reserves the right to reject any and all proposals

(Signed)

CITY OF MANISTIQUE

Alex Robertson, city clerk.

gule and report at next meeting. Moved by Councilman Selman, supported by Councilman Schubring—

Savatni, Tavern; George & Peter Buhdelski, Tavern; Carl Kuntz, Tavern; Houghton's, Tavern B license.

Yes: Councilmen Selman, Schubring, Burns and Stephens. N

**Garden Chores
Can Be Made Easier**

How would you like to add as much as \$500 dollars to the amount of the family living?

State the amount that Michigan State College gardening specialists estimate can be obtained properly cared for half acre garden at present food prices. Considerable the fact that the garden makes for better living on the farm, farmers sometimes regard it as a nuisance. They believe that the time it takes to prepare and tend the garden is not well spent. The gardens frequently suffer from neglect and as a result do not produce to best advantage.

The MSC garden specialists say that up-to-date methods of making gardens will decrease the cost and effort greatly. The work will be more pleasant and the vegetables more economical. Not only

can farmers raise the vegetables more cheaply, but they will be freer and of better quality.

Farmers often say they can use their time better for planting full crops and that gardening takes special equipment. The MSC specialists point out these objections may be overcome by using field methods in the garden.

It may be necessary to change the location of the garden to take advantage of regular farm implements. A field should be chosen near the house. The area should be big enough to allow for planting in row-row widths. Then plowing and cultivating can be done with field equipment with no more time or trouble than it takes to drive through the garden.

by their church.

The Haynes were the parents of three children, all of whom died in infancy.

Several nieces and nephews are the only survivors.

Funeral services were held Thursday afternoon at 2 o'clock in the Kistover and Jackson funeral home, the Rev. Paul Sobel officiating. Burial was in Lakewood cemetery.

U. P. will be here to help make a survey of the land to determine what cutting or other practices should be adopted for best returns.

In the past forty years the average date of the last killing frost in this area has been May 16. Hardy plants such as turnips, spinach, peas, radish, onions, cabbage, and broccoli can be planted any time now without danger.

Mrs. Gerald Watson and Miss Tillie Nielson are going to host the 4-H club at the Gulliver district again this year.

1940 cottons offer possibilities for street or town wear, railroad and travel costumes. Cotton lining is being promoted for wear under cotton dresses. Afternoon and evening costumes of cotton are competing with rayons and silks.

Whether you look through collections of high style designers or in the budget departments, you'll find those lovely new cottons. They're fashion news and war news. For you to add to your wardrobe.

Manistique about 1930 and had also lived for a period in Milwaukee. About two months ago, Russell went to Milwaukee where he was employed as a fisherman; his family remaining here at their home on Marquette avenue. He had not worked recently, however, and authorities planned to arrest him Saturday for non-support.

Survivors besides his wife are four sons, Bennett, Richard, Dale and Donald, and two daughters, Loreta and Barbara; all at home; his mother, Mrs. Lynn Koelhaug, Perronville; and four brothers, Warner, Zion, Ill, McQuinn, Milwaukee, Georgia, Perronville and William, Chicago.

Funeral services were held Thursday afternoon at 2:30 at the Morton funeral home, the Rev. G. A. Herbert officiating. Burial was in Fairview cemetery.

NEWS OF OUR MEN-WOMEN IN UNIFORM

Recruits William J. Pistulka, son of Mr. and Mrs. John N. Pistulka, 135 South Houghton avenue, who is serving with the 9th Infantry Regiment at Fort Lewis, Washington, completed his basic training April 2. During basic, Recruit Pistulka fired "excess" on the rifle range winning himself a top spot among the members of this regiment. A graduate of Manistique High school, he will serve in the army for two years.

Word has been received here of the birth Saturday of twins, a boy and a girl, to Mr. and Mrs. D. O. Wylie, of Houghton. Mrs. Wylie is the former Margaret Wood, daughter of John E. Wood, lake street.

MRS. GRACE HAYNES CLAIMED BY DEATH

Funeral Services Held
Thursday Afternoon For
Aged Resident

Mrs. Grace Haynes, 89, pioneer Manistique resident, passed away at 6:30 a. m. Tuesday at the home of Mrs. John Glavin, Lake street, where she had resided for the past several years. She had been ill about a year and a half.

Mrs. Haynes was born Grace Glavin in Minden, Michigan, on March 8, 1869, and spent her early life in Alpena. She was married in Alpena in 1890 to Ed Haynes and came with him to the upper peninsula in 1898. The Haynes resided in logging camps in this area for a time, and for many years Mrs. Haynes conducted a dressmaking shop in Manistique. Mr. Haynes died in 1931.

She was a member of the Pres-

News of 4-H CLUBS

Fred C. Bernhardt,
District 4-H Club Agent

The Upper Peninsula Fair Board has promised to do all in its power to promote 4-H exhibits at the fair. At a meeting last week the U. P. 4-H club agents asked for a cafeteria and more dormitory space at the club building, improved conditions in the dairy barn, and more room in the exhibition building. In making the fair the show window for upper peninsula 4-H clubs and agriculture.

Last year besides constructing a \$10,000 dormitory, they made \$4000 available for 4-H premiums.

Cooks school is going to plant 1500 Norway pines on their School Forest this year. The forest, first planted in 1931, is one of the oldest 4-H plantings in the Upper Peninsula and will soon have some merchantable timber.

The Grand Marais school owns a large timber tract. On May 5 Boy Skog, extension forester, for the

New Cotton Fabrics Are High Fashion

So many and varied are the cotton fabrics available this year you could easily find a whole wardrobe using lovely cottons.

Even some of the old familiar cottons have taken on a new personality, reports Marjorie Eastman, extension clothing specialist at Michigan State College. Satin striped chambray, metallic thread gingham and lovely iridescent fabrics are definitely on the glamorous side.

You will also find crisp cottons, lawn or more. Wool-like cottons include tweeds, herringbones, sharkskins and covers. Danish weaves or humpy and blistered effects are also new.

Your old favorites are all available—percale, chambray, broad-

BENNETT RUSSELL IS SUICIDE VICTIM

Local Resident Kills Self Saturday in Milwaukee Rooming House

Bennett Russell, 39, unemployed father of six children, took his own life by opening the gas jets of a stove in his rooming house in Milwaukee Saturday. He has been dependent over ill health and family troubles.

Russell was born May 4, 1909 at Fairport and lived there until he was about 19 years of age. He later went to Escanaba where he was married on Jan. 11, 1933, to Emma Borgdahl. The family moved to

Compulsory Sickness Insurance

This prescription can make a healthy nation sick

There is talk of giving the people more "security" by extending government control to medical care. It is nice talk—but it doesn't make for a nice future. Europe is full of tragic examples of people running to the government for security, only to find that the more it gives, the sicker the nation becomes. Your doctor has nothing to lose from compulsory health insurance; he would have a guaranteed practice with guaranteed pay—and all the prerogatives of a bureaucratic life. But how about YOU—you, the person who pays with a shrunken take-home wage? Will you be better off—or worse? Get under all this "nice" talk, and see where you end up. Let your doctor give you the real facts about government-controlled medicine so that you can weigh the ugly side of it as well as the sugar-coated promises.

had to date has done just that, the only material saving that could possibly be made would be not by consolidation or reorganization but by elimination of services.

How much money did the State of Michigan receive last year? Including federal grants-in-aid and special funds like the highway fund, game and fish funds and so on, the grand total was \$162,282,857.58

Out of this amount, the legislature exercises control over about \$221 millions. If you deduct the earmarked school money, now regulated by the state constitution, the net sum is approximately \$140 millions—30 per cent of the total.

If the legislature is responsible for spending of only 30 per cent of the state's total tax-collected funds, who should be blamed if a deficit develops at Lansing?

Revenue adjustments plus new economies are being counted on by Republican leaders to avert, or at least minimize, the prospective deficit in the state treasury. Governor Williams recently scolded senators because of an anticipated

\$71 million deficit. GOP hopes count on \$12 million more in sales tax by plugging leaks, \$20 million more by a used car transfer tax, \$11 million shifted to local school districts to pay for teachers' retirement, \$8 millions saved by not repealing that old age assistance, \$1 million and recovery provisions, and an estimated \$11 million surplus as of June 30, 1940.

Check forgers are milking tens of thousands of dollars annually out of Michigan retail merchants. The national harvest is estimated at \$15,000,000. Forgers usually try to out-talk clerks into accepting checks without providing accurate identification. Never accept a social security card, bank pass book or hunting license. Ask for original licenses or police identification card containing photograph and fingerprint.

Michigan's direct relief load is the highest since February, 1942. The cost of living index, U. S. department of labor, has dropped for the fifth consecutive month. Economists say present deflation has yet to run its full course; business will continue to slacken; 1949 will be a good year by pre-war standards.

County road commissions favor the Michigan Good Roads Federation program for a \$25,000,000 boost in gasoline tax and weight fees. Transportation companies are opposed. Taxpayers would save \$25,000,000 a year through maximum interest rates for automobile installation payments, according to Senator Harry F. Hittle (R-Lansing), sponsor of a bill just approved by the Senate.

A move to merge the presidential and state ballots lost in the Senate. House Bill 123, liberalizing unemployment compensation payments, is being criticized by employers as creating a state dole for workers, knocking out the present merit rating for steady employment.

Old age assistance is becoming old age pensions in some states. California has a \$75 per month pension for persons at the age of 62. The added cost to the state's tax load is estimated at \$118 millions for the next fiscal year.

A new type of building block, made out of concrete and sawdust, has been tested by Michigan State College and found to be satisfactory. A Cheeseman firm erected a home, 22 by 21 feet, at a cost of \$1,500.

Dan Gerber, president of the baby food company at Fremont, heads a committee of the Michigan Economic Development Commission seeking new industries and payrolls for Michigan. It is proposed to speed up tree planting to help revive wood products industries. Manufacturers would be assured of adequate water resources through a state-wide program of water conservation.

Laying off of workers by industries in some Michigan cities has intensified Chamber of Commerce efforts to attract new manufacturing firms to the state. The deflation has also lessened the chances of legislative approval of a state tax on corporation profits. The general idea seems to be: You can't woo and tax industry at the same time.

Misses Helen and Jean Hambeau have returned to Duluth, Minn. where they are students at the College of St. Scholastica, after spending Easter vacation with their parents, Mr. and Mrs. L. E. Hambeau.

State Treasurer D. Hale Drake is of the opinion that consolidation of state departments and boards is not the answer to the state's financial problem.

"The only way the legislature can bridge the gap between receipts and disbursements without new money is to discontinue services now given the people to the extent of some \$40 to \$50 millions," states Mr. Drake.

"Consolidation of departments and boards might possibly save a little money, although such consolidation is just as likely to result in increasing the expenditures. Major consolidations that we have

Revenue adjustments plus new economies are being counted on by Republican leaders to avert, or at least minimize, the prospective deficit in the state treasury. Governor Williams recently scolded senators because of an anticipated

Taxpayers would save \$25,000,000 a year through maximum interest rates for automobile installation payments, according to Senator Harry F. Hittle (R-Lansing), sponsor of a bill just approved by the Senate.

A move to merge the presidential and state ballots lost in the Senate. House Bill 123, liberalizing unemployment compensation payments, is being criticized by employers as creating a state dole for workers, knocking out the present merit rating for steady employment.

In Appreciation

The decision to install Karpark Automatic Parking Meters on the streets of Manistique is the result of careful appraisal and considered judgment by the members of its city council and by safety and police officials.

In the many discussions on ways and means to improve traffic and parking conditions it was evident that there was

a keen understanding of the complexities of this modern problem and of a sincere desire to adopt the most progressive methods. The selection of the Karpark Automatic Meter on the basis of its distinct advantages is deeply appreciated. Experience in many cities clearly foretells that the citizens of Manistique will welcome the benefits of Automatic Meter Parking.

A Long List of Reasons Explains the Popularity of Karpark Automatic Meter Parking

- To Mention Just A Few:
1. More parking spaces are available
 2. Plain marked spaces make it easier to park.
 3. Less cruising saves gas and wear
 4. Double parking is eliminated.
 5. Business is improved because shopping is made easier
 6. There are fewer minor accidents.
 7. Street car, bus and truck traffic operates more smoothly.
 8. Parking costs are low.

Karpark Meters Are Simple To Operate

Park car within marked space which provides ample room. Instruction plate on meter shows legal parking in effect.

To operate, simply push coin through slot. It cannot be dropped through. Use only pennies or a nickel. Meter DOES NOT OPERATE WITH DIMES OR OTHER COINS. Deposit coin at time of parking.

- PUT IN
- 1c for 12 minutes
 - 2c for 24 minutes
 - 3c for 36 minutes
 - 4c for 48 minutes
 - 5c for 60 minutes
 - or one nickel for 60 minutes

Make sure that red "Violation" signal disappears and that white dial is showing. If meter does not work report this to an officer to avoid penalty

GO ALL-ELECTRIC
the Modern Way

FOR EFFICIENCY FOR ECONOMY

PEOPLE EVERYWHERE are wisely choosing complete electrification . . . and rapidly, too!

Within a short time, most everyone will be using electricity not merely for lighting, but for the big time-and energy consuming jobs like Refrigeration, Cooking, Water Heating, Laundering, Cleaning and Water Pumping.

The reason is this: Electricity does all the jobs better . . . and cheaper. It's more convenient, quicker, safer, cleaner and more efficient. It saves time, energy, labor . . . increases farm product value.

GO ALL-ELECTRIC: The cost of electricity is low . . . and it drops much lower when you use it freely.

THE MORE YOU USE - THE LOWER THE PRICE

Meeting Slated For ABA Farmers Next Thursday

George Parsons, extension dutyman from Michigan State college,

will speak on "Breeding Difficulties" and "How You Can Get the Most Out of Your Artificial Breeding Program" at a meeting for farmers scheduled next Thursday evening at 7:30 at the court house. According to Clayton D. Reid,

Nations Plan to Harness Nile and Make Deserts Bloom

REPUBLICAN LANDS of Egypt and other African countries are soon flowering away in a huge scheme being launched by the governments of British Uganda and Egypt. The scheme envisages the use of the waters of the Nile to make millions of acres and the peoples who live on them free from the scourge of drought and to produce electric power for farms and factories. The first stage, consisting of construction of a dam at Owen Falls, Uganda, is under way. The Nile will be dammed at Owen Falls, Uganda, where the White Nile empties into the Nile. The dam will be 100 feet high and will have a reservoir 10 miles long. The dam will be built by the British Government and the Egyptian Government. The dam will be built by the British Government and the Egyptian Government. The dam will be built by the British Government and the Egyptian Government.

Every mother—no matter her interests or her age—loves personal things. We've a collection sure to please her. Lions Plant Trees; Hear Talk Against Medical Insurance

Members of the Manistique Lions club Tuesday evening planted over 5,000 additional trees on the club forty north of Thompson. The field on one side of the road is now nearly fully planted, and a start made on the other side. It is expected that one or two more planting operations will complete the job of replanting the entire cleared area. Approximately 15 members of the club worked from 5:30 to 8:30 o'clock, returning to Manistique to have a regular meeting and dinner at 9:00 o'clock. Adam Heins, first vice president of the club, presided in the absence of G. E. Leonard, president, who was attending a Lions meeting in Sault Ste. Marie. Speaker at the meeting was Harry C. Heffner, representing the Michigan State Medical Society, who discussed the proposed compulsory medical insurance plan, which he termed "socialized medicine." He was introduced by Dr. Merle Wehner. The speaker was strongly critical of the proposed federal plan, which has the backing of President Truman, terming it a failure in every nation in which it has been tried. He said that the plan would saddle a tremendous additional burden of expense on the American people and would not deliver results as effective as are now obtained under our system of unfettered private medicine.

4-H Sponsoring Old Time Dance

The Green Clover 4-H club is sponsoring an old time dance at the Manistique township community hall Saturday evening, April 28. Proceeds will be used to carry on the club's summer projects.

LOCAL MAN CHARGED WITH KNIFE ATTACK

Francis Gorsche Arrested Following Fight; Harold Stewart Injured

Francis Gorsche, 33, North Maple avenue, was bound over to circuit court by Justice of the Peace W. G. Stephens Monday on a charge of felonious assault growing out of an early morning altercation Sunday in which Harold K. (Blackie) Stewart, 27, Arthur avenue, was stabbed in the back. Examination in the case was waived and Gorsche was released on \$1000 bond. He will be arraigned before Circuit Judge Herbert W. Runnels at the June term of circuit court. According to state police, who investigated, Gorsche and Stewart, both 23, were in Donny's restaurant about 3 a. m. Sunday and continued it outside. In the resulting scuffle, which took place between the restaurant and the Manistique Cemetery, Gorsche actually stabbed Stewart with a pocket knife. Gorsche received a broken right arm in the fight. Both men were treated at the Shaw hospital, where physicians said the blade had narrowly missed Stewart's right lung.

Woodsman Dies At Parkington Camp

Frank J. Smith, 63, who has been employed as camp cook for the Helms Lumber company at Parkington for the past eight years, passed away at 5 p. m. Thursday at Parkington. Mr. Smith was born in June, 1886, at Pittsburgh, Pa., and came to the upper peninsula 48 years ago. He moved to Manistique in 1925, and had been employed in a number of logging camps in this area. Survivors are his wife, the former Nellie Ayotte; two daughters, Mrs. Rose Bergman, of Gulliver, and Mrs. Alice Healy, Marquette, and four grandchildren. Funeral services will be held Saturday afternoon at 2:30 at the Morton funeral home, the Rev. Harold Martinson officiating. Burial will be in Fairview cemetery.

Moonlit Garden Is Setting For Junior And Senior Prom

A moonlit garden of roses was the setting for the annual Junior-Senior prom held Friday evening at the high school gymnasium. Theme song of the dance was "Moonlight and Roses." A rose covered trellis formed the ceiling of the improvised garden and a large silver moon glowed above the wishing well where punch was served. The orchestra, led by Harold Martinson, was on a setting of grass set off by small white picket fences and flowered trellises. Chet Marriot and his orchestra provided the music. The grand march was led by Douglas Moore, senior class president, and his guest, Pat Archey, and Dan Van Eyck, junior class president, and his guest, Dolores Toyn. Members of the faculty were chaperones.
