

COUNCIL TAKES NO ACTION ON MANAGER POST

Some Applicants May Be Asked To Come Here; Labor Agreement Studied

The Manistique city council, meeting in a special session Monday night, took no action on the hiring of a city manager, but councilmen were over a number of applications for the position on file at the city hall. It was indicated that some of the applicants might be invited to come here for interviews in the near future.

Manistique has been without a city manager since last June when James Dickson resigned following a drastic cut in his salary voted by three council members. Dickson is now city manager at Clare, Mich.

The council Monday also studied a proposed labor agreement governing wages and working conditions of city employees affiliated with Local 1196, City, County and Municipal Employees, A. F. of L.

Phoenix Project Is Organized In Upper Peninsula

Mrs. J. Joseph Herbert has appointed Schoolcraft county chairman for the Michigan Memorial Phoenix project, the University of Michigan's living, timeless, creative force for peace.

The Phoenix project is designed to make atomic energy the slave rather than the master of mankind as a fitting tribute to the university's war dead. It will establish an atomic research center to harness the vast powers of atomic energy for creative, rather than destructive forces.

Mrs. Herbert attended a meeting in Ishpeming last Thursday called by Walter Gries, upper peninsula chairman of the project.

SOFTBALL LEAGUE AGAIN ORGANIZED

Ralph Deloria Chairman; Thor Reque, Recreation Director, Commissioner

At a recent meeting of the Softball Association, held at the city hall, Ralph Deloria was elected chairman of the group for the year. Assisting Deloria will be Dick Berger as secretary-treasurer. Berger has held this office for the past four years and was the unanimous choice of the members. Named on the board of directors were Jack Williams, Herbert Asp and P. K. Tuftnell. Recreation Director Thor Reque was reappointed.

An emergency field has been prepared by the recreation board in the event that the new hospital site forces abandonment of the present playing field. Consensus of opinion determined Tuesday, Wednesday and Thursday nights as game nights. Practice sessions may be held at either of the two softball fields until the regular playing schedule begins. Prospective sponsors are urged to appoint a manager or representative to the schedule for all that teams may have representation at the next regular meeting to be held at the city hall May 31, at 7:30 p. m.

COUNTY TO RECEIVE \$8,296 FOR ROADS

Disbursement Of First Half Of 1949 McNitt Act Act Payments Announced

Schoolcraft county will receive \$8,296.44 in gas tax money as part of the first half of 1949 McNitt Act payments, the state highway department announced.

Vouchers totaling \$2,000,000 in gas tax money to be allocated to the counties have been prepared by the State Highway Department and sent to the Auditor General for payment. Under the provisions of the McNitt Act (Act 130 of the Public Acts of 1933) this money is to be used only on county roads.

The amount of money allocated to any county is based on the number of miles of McNitt roads in that county in proportion to the total McNitt road mileage in the state, which is 68,269 miles. The distribution amounts to \$58 per mile for this year. Mileage is re-evaluated for the highway department biennially.

McNitt roads, as differing from county roads, are former township roads which were taken over by the counties under provisions of the McNitt Act, which became effective in 1932.

NEW INTEREST DEVELOPS HERE IN FERRY PLAN

Gladstone Support For Manistique As Northern Terminal Promised

New interest in proposed auxiliary state ferry service between Manistique and Northport, or Manistique and Frankfort, was developed here Tuesday afternoon at a meeting between Leonard Hartick, president of the Manistique - Schoolcraft Chamber of Commerce, and J. R. Van Arman, secretary-manager of the Gladstone Chamber of Commerce.

Van Arman reported that Gladstone was deeply interested in the suggested passenger service between Manistique and lower Manistique, and said his community would support Manistique in any of its efforts to get such a ferry project started.

Hartick indicated that interests in Northport and Frankfort would be contacted, and a meeting of interested individuals and organizations may be convened in Manistique in the near future to discuss the matter further.

The Michigan legislature this week ordered a study of the feasibility of a state-owned ferry across the north end of Lake Michigan, on proposed routes from Northport to Manistique and from Frankfort to Manistique.

A Republican senator, Harry F. Hittle, of East Lansing, declared that he did not think the state should compete with private ferries now operating in the area.

Exam Required For GI If Insurance Lapses Too Long

Leonard Mulhaupt, local Veterans' Counselor, this week re-stated ex-servicemen that a physical examination is required for reinstatement of National Service Life Insurance which has been lapsed for more than three months.

Mulhaupt pointed out that there are two methods of reinstating lapsed "GI" insurance.

1. For term insurance that has been lapsed for less than three months, and if the veteran's health is as good as it was on the date his last premium was due, it is only necessary to complete an application form and pay two monthly premiums. On permanent (convertible) insurance, all back premiums plus interest must be paid.

2. A physical examination is required for reinstatement of all insurance that has been lapsed for more than 90 days. If a veteran's insurance has been lapsed for less than 90 days and he cannot certify to continued good health, a physical examination is also required.

Examinations can be arranged at VA outpatient clinics or thru a private physician.

The meetings will be held every other week.

Graduation exercises for the eighth graders from Palmer and Whitelake schools were held Monday evening, May 16, at the Whitelake school. Graduates receiving diplomas were: Corde Davis, Wayne Davis, Siska Hakala, Gail Larson, Robert Smith, George Leary, James Burns and Wayne Wee, all of the Palmer school, and Page MacGregor, Donna MacGregor, Robert Smith, Milton Sushki, and Virginia Scamun, of Whitelake school.

Gulliver Wins

Gulliver scored 13 to McMillan's 12 in the ball game played on Sunday, May 15, at the local diamond. It was a close game and competition was keen, but that's the way we like it. Seely will be the local foe next Sunday's game. Don't forget the date—Sunday, May 22, at Seely. A good crowd is anticipated.

Other games next Sunday are: Germfask at McMillan; Newberry at Blaney; Nambinway, open.

Other results last Sunday are: Nambinway 17—Blaney 4; Germfask 14—Newberry 6.

Featured As Soloist

Janet Dixon, student of Manly Anderson, of Escanaba, was featured as soloist with Mr. Anderson's accordion band this week. Janet and Steve Borko, another student of Mr. Anderson, played a duet. Both took part in the 26-piece accordion band which was an added attraction of the Onephus Choral Club spring concert.

held Tuesday evening, May 17, at Wm. Oliver Memorial auditorium in Escanaba.

On Tuesday, May 10, the graduates (eighth grade) of Doyle township were feted at a banquet held at the Whitelake school. Our local cafe, "L. and L's Dinners and Lunchees," will open on Friday, May 20, under the management of Anna and Joe Zenas, recently of Detroit. This place of business fills a great need in the community and we sincerely wish the proprietors success in their business venture.

Miss Winifred Rodgers is a patient at the Shaw hospital.

Several local folks attended the style show given for the benefit of the cancer fund Thursday evening, Miss Janet Dixon rendered an accordion solo in between curtain changes. The revue was well received.

Mrs. Leo Bork arrived Saturday, May 7, from Largo, Florida, to spend some time with Mrs. M. Breunley at her home here.

The school board met at the Whitelake school on Thursday, May 12.

When it comes to dairying expenses, Michigan State College agricultural economists say there are four items to watch carefully. Labor, indebtedness, machinery, and purchased feed are the big expenses on dairy farms recently studied. Close watch of these expenses will help to improve the dairy enterprise.

ing other cuts," he said, "the ap-
propriation bills would still leave
us about \$50 million short, after
using up the expected \$10 million
surplus we will have left June 30,
1920."

The governor's session: Tax
corporation profits 4 or 5 per cent.

The Republican-dominated legis-
lature has chosen, as its policy, a
program of economy for state ser-
vices (financed by 32 per cent of
state-collected revenues) and no
state-collected revenues) and no
new taxes or increase of existing
taxes. The outcome will be a
treasury deficit, of course. The
only question is "How much?"

Since 67 per cent of state-col-
lected revenues are automatically
returned to local governments
for spending, the big question
before the legislature this week-
as sessions ended for final adjourn-
ment—was this:

How much can we reduce the
state deficit next year through
economy cuts in appropriations for
state institutions and state agen-
cies?

Governor G. Mennen Williams
warns that a \$80 million deficit, im-
pending despite legislative ef-
forts to trim state operating ex-
penses.

"After cutting off crippled chil-
dren, slashing the state college
and university, reducing the staffs
of our mental hospitals and mak-

ing other cuts," he said, "the ap-
propriation bills would still leave
us about \$50 million short, after
using up the expected \$10 million
surplus we will have left June 30,
1920."

The governor's session: Tax
corporation profits 4 or 5 per cent.

The Republican-dominated legis-
lature has chosen, as its policy, a
program of economy for state ser-
vices (financed by 32 per cent of
state-collected revenues) and no
state-collected revenues) and no
new taxes or increase of existing
taxes. The outcome will be a
treasury deficit, of course. The
only question is "How much?"

That the Republican legislature
has given the governor a ready-
made issue—its "faux" to tax av-
erage corporation profits and thus
create a deficit—already indicated by
Governor Williams' strategy.

The Republicans' answer will
probably be in the affirmative:
The legislature "saves" the pub-
lic from increased taxes by re-
quiring economy in state approp-
riations.

Judging from the spring elec-
tion strategy, the GOP position
may also be this: "We saved the
state from a CIO inspired raid on
the state treasury."

Republican State Chairman
Owen C. Cleary hammered away

throughout the spring campaign
democratic state convention. It
was openly charged that the CIO
was telling Governor Williams
what to do.

Michigan's bi-partisan govern-
ment, so called at least, was
brought about by the switching
of approximately one-half million
votes from the Kim Sigler banner
—all in two years' time.

Although Republican leaders
feared that the election of a Demo-
cratic governor was a by-product
of a protest vote against the Re-
publican governor-nominee, Gov-
ernor Williams has accepted the
verdict as a mandate for social
causes he advocated.

The legislative session of 1919
was predestinated to be a stalemate
and draw between these two con-
flicting viewpoints. And since
Governor Williams is ready to
campaign for re-election in 1920
on the Republican-made issues,
the final answer obviously must
come from the voters in November
1920.

One wise-cracking newspaper
reporter recently observed at the
capital: "What Williams needs in
1920 is another Kim Sigler."

Williams believes he has every-
thing he needs to win. He is con-
fident, to say the least.

Bills adopted by the legislature
include the following:

Fishermen can catch panfish of
any size. The conservation direc-
tor may designate which waters
may be fished for rainbows in the
fall.

Campers on state land must get
free permits and must cleanup
the grounds before leaving.

Old age welfare (assistance)
maximum benefits are increased
from \$50 to \$60 monthly.

Salaries of circuit court judges
increased \$2000 year.

Agricultural inspection fees
transferred to general fund.

Adjustment in fees and salaries
for probate judges, jurors, town-
ship officers and many others.

Workmen's compensation pay-
ments raised.

"Loopholes" in state sales tax
act are plugged for better reve-

no collection.
Broadens the qualifications for
the director of the department of
mental health.

Redefines rural school districts
to include third class districts.
Provide substitution leave for

Police Head Warns Motor Bike Riders

Sgt. Kenneth White reported to-
day that the state police are re-
ceiving complaints about the reck-
lessness of some operators of mo-
tor bikes and motor scooters.
Drivers of these vehicles must
have regular operator's licenses,
must observe all the rules of traf-
fic and the motor bike must also
be equipped with a license from
the secretary of state's office.

One of the chief offenders, Sgt.
White reports, is riding double
down the highway—another is
zigzagging in and out of traffic.

PIONEER RESIDENT CLAIMED BY DEATH

Funeral Services Held
Thursday Afternoon For
William Gillingham

William J. Gillingham, 88, re-
sident of Manistique for about 65
years, passed away at 10:10 p. m.
Monday at the home of his
son-in-law and daughter, Mr. and
Mrs. Henry Powers, 903 Saginaw
street. He had been ill for several
months.

Mr. Gillingham was born Aug.
28, 1860, in Niagara county, New
York, and came here when he was
in his early twenties. He was
engaged in carpenter work for
many years with another early
resident, the late W. S. Ramsey,
but had not been active in recent
years.

He was the oldest living mem-
ber of the local I. O. F. lodge,
and was active in the Agnes Re-
bekah lodge, holding numerous
offices in it over a period of
years.

Mr. Gillingham's marriage to
Nettie Ferns took place here
about 1891. Mrs. Gillingham died

41 years ago.
Survivors are two sons, George,
of Birmingham, Mich., and Ed-
ward, Louisville, Ky., and one
daughter, Mrs. Henry Powers, of
Manistique. Seven grandchildren
and five great grandchildren also
survive.

Funeral services were held
Thursday afternoon at 2:30 o'clock
at the Moron funeral home, the
Rev. W. H. Scholert officiating.
Burial was in Lakeview cemetery.
Palbearers were Ray Thornton,
Ivor Willock, W. G. Stephens,
Graydon Stone, Lawrence Wilson
and Clayton Wood.

Ralph J. Merwin Gets Commission

ing Corps were held Monday eve-
ning. Ralph J. Merwin, son of
Judge of Probate and Mrs. Ralph
H. Merwin, of Manistique, was
among the 30 seniors commis-
sioned as officers.

University President Alexander
G. Ruthven presided at the com-
missions in ceremonies scheduled to
start at 7 p. m. at South Perry
Field. Presentation of decorations
and awards to outstanding cadets
also was a part of the ceremony.

News of 4-H CLUBS

District 4-H Club Agent
Fred C. Bernhardt:

The Development Bureau is
announcing a sponsor four day edu-
cational tours of the Upper Pen-
insula for 4-H demonstration teams
that compete at Camp Shaw. Five
or six teams will represent the
Upper Peninsula at the State 4-H
Show at East Lansing and the oth-
ers will make the U. P. trip. This
is a very worthwhile award and
should stimulate more participa-
tion in demonstration work.

Norbert Gray and Edward
Strusler, at Coaks, are planning
a demonstration to show how rope
walkers are made.

The Coaks Club got underway
with Keith Cutler as president;
Norbert Gray as vice president;
Ira McGahan, secretary-treasurer;
and Carol Wolfe, recreation lead-
er. Thirty members have enrolled.

Our quota for Camp Shaw this
year is 10 girls and 30 boys. Mem-
bers must be at least 12 years old

to go to camp. The fee this year
will be \$5.00, which will cover
transportation, health insurance,
food, lodging, and flashlights.

Plans are being made for a
week end and older youth meeting at
Camp Shaw in October.

Remember the men who can't forget

Memories that carve into a man's soul. Memories that wake him out of sound sleep, trembling, and dripping with sweat.

Forget? It's not easy for the man with wounds that refuse to heal. It's not easy for the man with mental pictures or sounds that refuse to disappear. It's not easy for the man with muscles frozen by nervous tension.

The dead are buried. Their pain is ended. Their tired bodies have found peace.

But the disabled, the men who embraced age overnight, the men who can never live as God willed the right, still face the uncertain future.

These are the men the American people are thinking about when they give their bit to "Honor the dead by helping the living."

These are the men who are being helped by patriotic Americans when they accept the V.F.W. Buddy Poppy as an eloquent symbol of their own gratitude.

This year the Veterans of Foreign Wars, the organization that has sponsored the sale of Buddy Poppies ever since 1922, is celebrating its Golden Jubilee Anniversary.

In observing this 50th Anniversary, the V.F.W. is proud to renew its pledge to the American people that the proceeds of this annual sale of Buddy Poppies constitute a sacred fund. As in the past, the contribution you make through the purchase of a Buddy Poppy will be spent strictly for these patriotic purposes:

- For the aid, relief and comfort of disabled and needy veterans, their dependents, their widows and orphans.
- For maintenance or expansion of the V.F.W. National Home for widows and orphans of veterans of later conflicts, Michigan.
- For hospital or individual assistance and entertainment for needy veterans and service patients, and their dependents.
- For rehabilitation, welfare and service work, including Indian service with the Veterans Administration.
- For necessary expenses for military funerals of the deceased veterans.
- For acquisition, improvement and maintenance of burial plots and the decoration of graves of veterans and servicemen.

Clean Fire Slate In This District

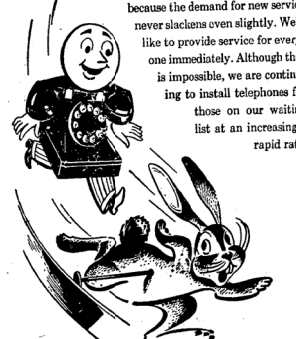

The conservation department's forest fire fighters got a break last week when they had the smallest number of blazes to suppress fire since the season started.

According to the department, 67 fires burned 602 acres throughout the state. The upper peninsula had 125 acres under fire. District four in the upper peninsula, composed of Schoolcraft, Newberry, Luce and Mackinac counties, had a clean slate with no fires reported to add to the week's total.

Fire now has leveled 15,983 acres so far this year. At this time last year, the department had recorded only 6,450 acres being gutted by fire.

In our efforts to provide telephone services for all who want it—we're a little like the greyhounds who chase an electric rabbit around the track. No matter how fast we move, we never quite catch up. This is because the demand for new service never slackens even slightly. We'd like to provide service for everyone immediately. Although that is impossible, we are continuing to install telephones for those on our waiting list at an increasingly rapid rate.

THE THREE SCOURGES OF MAN

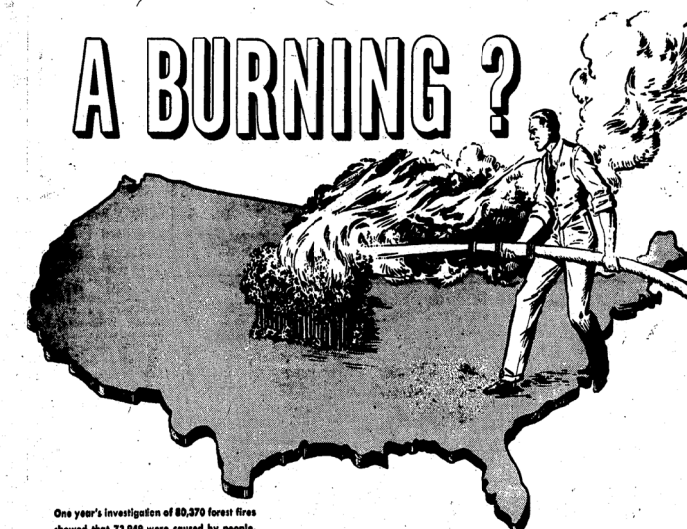

★ Devastating epidemics have ranked with war and famine as population levelers. Of these three scourges of man, pestilence was most dreaded. During the Black Plague epidemic of 1348, it was estimated that in some places over two-thirds of the population was wiped out.

The discovery of bacteria as the cause of infectious disease is still within the memory of the living. Pasteur developed the first vaccine for rabies in 1885. Since that time many immunizing procedures have become routine. As a consequence, deaths from infectious diseases have been drastically reduced.

Everyone should be protected against smallpox and diphtheria as an absolute minimum. Do not wait for an epidemic to break out. Then it is often too late.

We maintain complete stocks of biologicals, subject to the orders of your physician.

One year's investigation of 80,270 forest fires showed that 73,949 were caused by people.

Lightning starts one out of every ten forest fires in the United States. People are responsible for the other nine and, though it is hard to believe, many fires are caused on purpose. These fires burn an average of 30 million acres every 12 months. Lumped together in one area this acreage would be larger than the size of the State of Indiana.

To combat this needless waste of forest resources more than 20 states have joined the national Keep America Green program and are conducting state-wide educational campaigns to prevent forest fires. You, too, can help by being careful with fire in the woods.

Successful Year
A successful year was completed when the local unit of the PTA held its last meeting at the school on Thursday evening. Although the membership was good this year, it is hoped that more parents of the township will enroll at the first meeting in September.

At the end of the business meeting Mrs. Kathryn Beal, the principal of the school, installed the new officers. Those installed were: Evelyn Backman, president; Gertrude Freeland, vice president; Evely Backman and Gertrude Freeland gave a very interesting report on the PTA convention, which was held at Escanaba.

At the close of the meeting a skit under the direction of Mrs. Clara Tennyson was presented.

CARDINALS LOSE BASEBALL OPENER

Gwynn Wins Here Sunday, 7-1; Manistique Nine At Gladstone Sunday

The Manistique Cardinals lost their baseball opener to Gwynn here Sunday by a score of 7 to 1. The Cards were held scoreless after the first inning, in which they counted their lone run. Except for weakness in hitting, the newly organized local nine played good ball, and a large crowd of fans turned out to see the game. Next Sunday, the Cardinals go to Gladstone.
