

MEMORIAL DAY OBSERVANCE IS PLANNED HERE

Parade Scheduled For 9:30; Rev. W. H. Schobert To Speak At Stadium

A committee of local veterans, meeting Tuesday afternoon at the State Savings bank's conference room, completed plans to honor the county's war dead on Memorial Day.

The observance will start with an hour-long parade at 9:30, to be followed by a speaking program at the high school stadium. A firing squad will pass at the three war memorials for gun salutes, and will also fire salutes at the Schoober's center for the county's war dead on Memorial Day.

The parade will form at the stadium, and will march north on Maple avenue to Elk street and thence to the World War I memorial at the intersection of Elk and River for the first gun salute. The line of march will then proceed down River street and Cedar to the World War II memorial opposite the post office for the second firing squad salute. From there, the parade will march east on Oak street to Maple and back to the stadium. The Rev. Mr. Schobert will speak immediately after the parade is over.

Cooks High School Graduates Twelve Thursday Evening

High school diplomas were presented to 12 graduates of Cooks high school at commencement exercises Thursday evening.

\$250 Is Stolen From Safe At New Cleaners

An unlocked safe in the New Cleaners, River street dry cleaning establishment operated by Joseph New, was robbed of \$250 sometime Monday night or in the early morning hours Tuesday.

This Week's Public Issue

Editor's note: Here are some of the pertinent facts on a public issue as prepared by the University of Michigan: Department of Political Science. This material is intended to present both sides of the question to help you in your thinking on current issues. Your club or discussion group may also find this information helpful.

HAVE THE CITY MANAGER FORM OF GOVERNMENT?

Background
In the city manager system councils are usually elected by a non-partisan ballot. The council then chooses a city manager who is a professional executive. He hires all other municipal employees. The heads of departments are subject to removal by the manager at any time, but the rank-and-file employees are usually on a "civil service" basis, with job security during good behavior. The city manager himself may be dismissed by the council at any time. The council usually chooses a mayor to represent the city on public occasions, but the real power is in the hands of the council, which determines the general lines of policy—and the city manager—who carries out the policy laid down by the council.

The city manager type of government, first introduced in this country in 1912, is growing in popularity, especially among the larger cities. Twenty-one per cent of the American cities over 5,000 population have city managers, and more than two hundred have adopted the system since 1934. Seventy-two of Michigan's 189 cities have city managers. On the other hand, 36 cities in the nation have tried and abandoned this form of city government. Cleveland, Ohio, and Akron, Mich., are among the 36.

Some of the arguments on this issue are:

Yes
1. The city manager is primarily an organization concerned with administrative operations such as police and fire protection and the construction and maintenance of public works. The management of its affairs should be the duties of a trained administrator, not a politician. In most cases people elected to serve as mayors or councilmen cannot afford to give full time to their official duties. There should be one full-time administrator to deal with the problems of the city as a whole and to coordinate the work of the various departments of its government.

2. City managers have professional standards and a national organization which keeps them informed of the latest and most efficient ways of handling municipal problems. If a good idea is developed in California, the city manager in Michigan will soon learn of it and his city may benefit accordingly.

3. The fact that the council may dismiss the city manager at any time forces him to keep reasonably well in line with public opinion and not defy it. A city manager who tries to become a dictator or a politician can be discharged at once.

No
1. The city manager system is undemocratic. It concentrates power in the hands of one man who is not an elected official and therefore is too far removed from the average voter and his problems. The people who are affected by the actions of city governments should have direct control over the choice

of the city's chief executive.
2. No two cities have the same problems. Many problems can be understood by people who have long been familiar with them. The city manager system often results in bringing in an "outsider" who has to take some time to familiarize himself with the problems of his new locality. He has to learn his new city "from the ground up."
3. It is almost impossible to separate policy-making and administration. City managers commonly develop policies of their own and the success of the system varies with the personality of the manager. Why not recognize this and let the people elect the kind of city executive they want?

assigned to a regular team for regular play.
At the meeting of the Manistique Softball association it was voted to assign Monday and Friday nights to ladies' softball. Regular umpires and scores will assist in running the season's play. Sponsors of this program will be the public recreation board. Equipment has been purchased and is ready for use.

Gravestone Rites For Henry Locke Held At Fairview
Gravestone services were held at Fairview cemetery recently for Henry G. Locke, of Manistique, an uncle of Mrs. Cecil Keller, of this city. The Rev. John Safran officiated.

Mr. Locke was born in Bay City on March 28, 1880. He was a brother of the late Mrs. Nelson Phoenix, of Manistique, and had resided at the Thompson home here a number of years.
Funeral arrangements were in charge of the Morton funeral home.

WELLER SQUIRES TAKEN BY DEATH
Funeral Services Held Thursday Afternoon For Former Thompson Man
Weller Squires, 79, former resident of Thompson for many years, passed away shortly before 6:00 p. m., Monday at the home of a daughter, Mrs. Eruben Peterson, street, 201 Pearl street. He had been in failing health for the past few months, but his condition did not become serious until last week end. Mr. Squires was born Aug. 29, 1869, in Garden township, and Miss Thorell has announced that he was a timber jobber in the area between Thompson and Garden and later was in the employ of the other two captains. Players will be

Women's Softball Teams Organized; Schedule Drawn
Residents of the Lakeside area have seen a group of women practicing softball for the past several weeks. Now an assured playing schedule and enough teams to warrant a regular spot on the softball diamond is to become a reality.
Miss Helen Thorell, director of sports, is organizing her squad of players to compete with teams already formed by Donna Redeker and Shirley Monnette, captains. It is expected that at least four teams will be formed, and Miss Thorell has announced that any women interested get in contact with her or either of the other two captains. Players will be

Speech Contestants Win Second Places At Munising Event
Two Manistique high school speech contestants, Dan Van Eyck and William Corson, placed second in the district forensic contest, held at Munising recently. Both lost to Kingsford.
Van Eyck, a junior, competed in the extemporaneous speech division, and Corson, a freshman, in oratory.

When you gotta stop - you wanna stop!

"I can stop on a dime," the salesman promised you, "—and leave nine cents change!"

And your Buick did—when it was new and brake linings unworn and everything factory-tight and fresh.

But brake linings wear—lights grow dim with time—tires can lose their bite and traction.

And with a whole summer's driving ahead, what better time than this to bring your Buick back to new-car peak in all those details that mean so much to safety?

Our men, trained in Buick ways, will give you brakes that stop you as Buicks should, with new brake linings that are right in size and brake drums turned to perfect round.

They can replace sealed-beam headlights to give you new-hub brilliance—and while they're at it, check battery, voltage, wiring and headlamp-aim to boot.

They'll check tires, switch them as needed, look into wheel alignment for easy steering.

In a word, they'll renew your Buick with the same care and interest they would lavish on their own—and do it at no greater cost than for just ordinary service.

So drop in. Get set for some summer fun that's up to lively Buick standard.

Check your car— Check accidents!

Three great service and safety organizations across the country are advising car-owners everywhere this month on safety-checking their cars.

They list ten vital question marks for you to think about—How are your brakes? Lights? Tires? Windshield wipers? Muffler? Defective glass? Rear-view mirror? Muffler? Windshield wipers? Horn?

Be sure your family rides in safety—ask your Buick service men to check these check-points this month—and join the great drive for driving safety!

Buick care keeps Buicks best

OFFICIAL PROCEEDINGS OF THE BOARD OF EDUCATION

A meeting of the Board of Education was held in the administrative office of the Public Schools, Tuesday evening, May 17, 1949.

The meeting was called to order at 7:30 o'clock by Mr. Berger, president.

Trustees present were Mr. Berger, Mrs. Herbert, Mrs. Taylor, J. M. Carlson, Dr. George A. Carlson, seconded by Mr. Bundy, that the Board appoint Mrs. Vilas Young for the first school precinct and Mrs. Vic Deemer for the second precinct as registrars for the school election registration June 14th. Also, that the following named inspectors be appointed for the annual school election to be held June 13th: First precinct—Mrs. Vilas Young, Mrs. Arthur (Arman) and Verner Anderson; for second precinct—Mrs. Vic Deemer, Miss Edna Tucker and Richard Berger. Motion carried.

Bills on repainting the smoke stack at the Central heating plant were read as follows: H: R. Heinicke Co., Indianapolis, Ind.—\$883; Building Maintenance Corp., Milwaukee—\$705; William Roman, Escanaba—\$80. After due consideration a motion was made by Mr. LeBrasseur, seconded by Dr. Shaw, that the contract be awarded to Mr. Roman at \$80. Mr. Roman to provide workmen's compensation and liability insurance. Motion carried.

A motion was made by Dr. Shaw, seconded by Mr. Bundy, that we take steps to cover the coal delivery at the Riverside school building, with sheet iron, to keep children out of the building. Motion carried.

A motion was made by Mrs. Herbert, seconded by Mrs. Taylor, authorizing an application to the state board for an advance of \$25,000 in state aid to cover operating expenses until the regular state aid payments are due in the fall. Motion carried.

Superintendent Hall explained to the board the status of the teacher situation at this time.

A motion was made by Mr. Bundy, seconded by Mr. Carlson, that meeting adjourn. Motion carried.

in civil engineering.

DeSautel is a member of the American Institute of Electrical Engineers, Tau Nu Tau national military engineering society, and the Camera Club. Peterson is a member of the American Society for Civil Engineers, Kappa Delta Psi fraternity, and Square and Compass, an organization of MC-NT students who are members of the Masonic order.

Study Of Stream Insects Subject Of Field Survey

With increased natural reproduction of pump, pink-meated trout as the objective, the conservation department's institute for fisheries research is conducting an intensive field survey to learn more facts about stream insects, a basic trout food.

Starting over two years ago in the lower peninsula, the institute's entomologists will end the survey with the examination of insect species and their habitats on western upper peninsula streams.

Natural flies and the nymphs and larvae from which they hatch supply the larger part of the year-around diet of brook, brown and rainbow trout. The extent of this natural food source sets a limit

Series Of Clinics For Immunization Of Children Starts

Dr. E. J. Bremner, acting director of the Alger-Schoolcraft health department, conducted the first of the annual May immunization clinics for children in Manistiquet on Tuesday, June 7th, 1949, at 2 o'clock P. M. at the City Hall.

Alex. Robertson, City Clerk.

PAINFUL ARTHRITIS RELIEVED IN 3 DAYS SAYS ROSEVILLE MAN

Mr. Elmer Nieman, a well known painter and decorator, and resident of Roseville, Michigan for 20 years, suffered with Arthritis for so severely in his shoulder that he couldn't sit in a chair. Road when amazing results be received from O-JIB-WA BITTERS for more convincing proof that it can help you too.

The proof of O-JIB-WA BITTERS is in their use. This was discovered by Mr. Elmer Nieman of 30504 Ulster Road, Roseville, Michigan.

Just recently, for he likes to see for many others, was very skeptical and put O-JIB-WA BITTERS in a bottle. After trying other products and treatments without results and suffering for over two years, he did try this Old Reliable Medicine. Relief was quick in coming. Now he is completely better and wants others to know just what O-JIB-WA BITTERS has done for him.

Read his statements which follow. It was submitted by Mr. Nieman of his own free will without pay, in hopes of enlightening others who suffer with the pain of crippling arthritis and rheumatism.

"Couldn't even sit in a chair!"

"I know what it is to suffer with Arthritis for I have been a victim for the last two years. It was usually in my left shoulder and at times in my neck so severe, that I couldn't even sit up in a chair."

"Got relief in 3 days!"

"I had heard about O-JIB-WA BITTERS, but just neglected trying it. Until about a year ago, I had a severe pain about my neck and shoulder, which was very painful. I went to a doctor, and he said I had Arthritis. He gave me some medicine, but it didn't help. I was very skeptical and put O-JIB-WA BITTERS in a bottle. After trying other products and treatments without results and suffering for over two years, he did try this Old Reliable Medicine. Relief was quick in coming. Now he is completely better and wants others to know just what O-JIB-WA BITTERS has done for him."

After trying other products and treatments without results and suffering for over two years, he did try this Old Reliable Medicine. Relief was quick in coming. Now he is completely better and wants others to know just what O-JIB-WA BITTERS has done for him.

cash basis, and/or cash and trade-in of old police car.
All proposals are to be in sealed envelopes and plainly
marked as to item bid on, and the name of the bidder.

The City Council reserves the right to reject any
and all proposals.

(Signed)
City of Manistique
Alex Robertson, city clerk.

You ought to be driving a '49 **PONTIAC**

Hydra-Matic Drive, white sidewall tires, bumper
guards and fender shields available at extra cost.

America's Lowest-Priced Straight Eight!

Until they see the actual figures, few people realize that the big, beautiful
Pontiac eight is America's lowest-priced straight eight. Not only does it
undersell all other straight eights by a substantial margin, but it actually
costs less than many six-cylinder cars!
The fact that the Pontiac eight gives so much for so little is the basic
reason for the great and growing popularity it enjoys.
Pontiac has distinguished appearance, and distinctive Silver Streak styling.
Its spacious Body by Fisher is handsomely upholstered and appointed. It
offers the amazing driving ease of GM Hydra-Matic Drive. And it carries
the well-known Pontiac promise of long life and fine, dependable per-
formance over the years.
We honestly believe that no other car carries such definite assurance of
really enjoyable performance at so low a cost. We invite you to come in and
take the wheel yourself. We're sure you'll be very pleasantly surprised.

World's Sweetest Smell!
You really don't know what topflight performance is until
you drive behind the great Pontiac engine. Its power, its
smoothness and its economy are a revelation—and will
take you a long way!

CRAWFORD and HOLLAND
MANISTIQUE MICHIGAN

From where I sit... by Joe Marsh
Two Heads Are Better Than One (Or None)

I got a kick out of buying stuff
down at the hardware store. And
I always ask for a little advice from
one of the two brothers who run it,
because I know beforehand exactly
what the answer will be.
Like when I needed a new garden
hose. "Henry," I says, "how about
this new plastic hose—is it
really as good as rubber?" "Well,"
he says, "I'm inclined to think it
is—but you'd better ask Tom."
I found Tom in back and asks
him the same question. "Well,"
says Tom, "in my opinion it is—"
but you'd better ask Henry." "I
already have," I says, "and when
you two cautious old codgers agree
I'd bet my life on the decision."
From where I sit, your own opin-
ion is worth a lot—but so's the
other fellow's. That's why I keep
saying, over and over, let's be tol-
erant of the other person's point
of view—whether it's on politics or
farming—or whether you like milk
shakes and he prefers a temperate
glass of beer.
Joe Marsh

ily and Mrs. Lenten Seaman and fam-
ily visited at the William Tenny-
son home Saturday evening.

Notice to Grangers
District Deputy Robert J. Sut-
ton of the Michigan State Grange
will be attending the next regul-
ar meeting of the Birthdays Grange
Saturday, May 28, at 8:30 p. m.
All members are urged to attend.

A word to summer 4-H's: Mr.
Bernhardt is giving a show for
1-11 prospective members Friday
evening at 7:30 p. m. at White-

News of 4-H CLUBS

The South German 4-H Club
organized with Gary Musselman
as president; Carol Lutsch, vice
president; Kenneth Streeter, sec-
retary; Mary Streeter, treasurer;
and Elaine Thoms, recreational
leader.

The club at Whiteale will get
started on June 27. We have a
color film on gardening to show
at this meeting.

Keeping records is one of the
important parts of any 4-H club
project. One of the dairy club
members in Alger county found
that is cost \$35.47 to raise his
calf for the first five months. By
the time his animal is two and
a half years old and milking, he
will have cashed an investment.

We have scheduled a dairy fit-
ting and judging school for July
21. We hope to teach enough about
fitting and handling calves so we
can make a good showing at the
Upper Peninsula State Fair. An-
imals in the 4-H Club class are

judged one-third on the way they
are handled, one-third on the way
they are fitted, and one-third on
the animal itself.

A number of girls were enrolled
in dairying this year. Beth Hen-
richsen in Haverhill, Ruth Nelson
and Wilma Hecken at Millar, and
Janet Hill at Colton, all have cal-
ves.

Sainte Marie Will Augment Ferry Fleet On July 1

The highway department ferry
fleet at the Straits of Mackinac
will be augmented on July 1 by
the S. S. Sainte Marie, making a
total of five ships on full sched-
ules until after Labor Day, and a
sixth, the car ferry Chief Wawa-
tam, available when necessary.

The Sainte Marie has been char-
tered from the Mackinac Transpor-
tation company effective June 16.
The period from June 16 to June
30 will be used to get the boat fit-
ted out and ready to operate in
time for the increased volume of
traffic preceding the Fourth of Ju-
ly. The Sainte Marie has a capac-
ity of 50 motor vehicles. The
addition of the Sainte Marie will
increase the efficiency of the ferry
fleet and reduce waiting time dur-
ing busy periods of traffic.

The Sainte Marie will operate from
the state docks at Mackinaw City and
St. Ignace with a schedule based
on the volume of traffic.

The four boats now in the high-
way department fleet are the City
of Petoskey, City of Cheboygan,
City of Manistique, and Straits of
Mackinac, with a combined capac-
ity of 316 motor vehicles. In 1948
the fleet carried 552,704 vehicles
and over one and a half million
passengers across the Straits.

Since January 1, 1949, traffic has
increased over the same period of
1948 about 16 per cent.

Mr. and Mrs. Leonard Courtnay
are the parents of a son weighing
six pounds and 15 ounces, born
last Thursday at the Shaw hospi-
tal. The baby has been named
Leonard Joseph.

LOCALS

Crowe Insurance Agency, 111 Lake Street, Phone 6.

Mr. John Hoffman is a patient at the Shaw hospital.

Mrs. A. W. Heiman is visiting in Sheboygan, Wis., with Mr. and Mrs. Dana Camell.

Rev. Herbert A. Wilson, Howard Holland and Ernest Eckland attended a convention of the Episcopal Diocese of Northern Michigan in Ishpeming Tuesday and Wednesday.

Mrs. C. W. Jackson returned Wednesday from Flint where she attended a Women's Circle convention. She also visited in Lansing with her son, Harold, a student at Michigan State college.

Mrs. Antoine Martin and two children, of Detroit, Mrs. Clayton and Mrs. Dell Chase, of Central Lake, visited last week at the home of Mr. and Mrs. Fred Hastings. Mrs. Martin is the daughter of Mrs. Corber, Mrs. Hastings' aunt and Mrs. Chase is his cousin.

Local Resident Reports Hearing Daily Broadcast

"The Manistique Hour over radio station WHAM is really giving Manistique a lot of publicity," says E. O. Brault who reports tuning in on the Manistique program every afternoon during a week's stay at Pickere Lake, Wis.

"Reception was good and I was able to keep abreast of local happenings daily by listening to the news as broadcast by the Pioneer-Tribune."

Mr. Brault returned Wednesday evening after spending two weeks in Wisconsin, Illinois and Iowa. He spent a week at Pickere Lake with his brother and sister-in-law, Mr. and Mrs. Andrew Brault, and their son and daughter-in-law, Mr. and Mrs. Robert Brault. He also visited his brother, Albert, in Davis, Ill., and his niece, Mrs. Peter Best, in Lucas, Iowa.

Class Play One Of Biggest Hits

A cast of Manistique high school seniors presented the popular comedy "Janie" to a large audience at the Manistique high school auditorium Wednesday evening and deservedly carried off themselves the reputation of having given one of the best senior plays in the school's history.

Every member of the cast acted to near perfection, and the production was a distinct credit to the direction of Marvin Frederickson, of the high school faculty.

Only junior members of the cast: Gayle Joseph of the cast; Gladys Freeland, who played the part of Janie's young sister, Elsie, and her antics were a delight to the audience.

The title role was played by Paul Vezina. Other members of the cast were: Paul Vezina as Charles Colburn; Maudie Miller as Mrs. Colburn; Jim Roemer as the colored servant, Rodney; John Quick as John Van Brunt; Mr. Colburn's partner; Sheila Byers as the giggling Bernadine; Mildred Kerridge as Paula; Nadene Rupp as Thelma Lawrence; Bill Morou as Scooper Nolan; Harold Schultz as the young soldier, Dick Lawrence; Marjorie Knopp as Tina; Lawrence LaMour as Cliff Johnson; Harold Shurt; Hugh Bundy, Don Springer, and Larry Curran as soldiers; Theresa Cutting as Harp; Dugie; Tom Kenney as Micky Malone, a sailor boy friend of Paula's.

Between acts, Paul Vezina presented a gift to Director Frederickson from the cast.

Ben J. Grobaski, of L'Anse, Lions district was a visitor in Manistique Wednesday.

J. E. Goyen has returned from a stay in Minneapolis with his son and daughter-in-law, Mr. and Mrs. William Goyen.

Lions Nominate Officer Slate

Leonard Mulhaupt Heads List Submitted By Committee Tuesday Night

A slate of officers for 1934-35 was nominated by the Manistique Lions club at their regular meeting Tuesday evening at Demy's restaurant.

The list follows:

President, Leonard Mulhaupt, First vice president, Adam Heinz

Second vice president, Renold Anderson.

Third vice president, Frank Richards.

Secretary - Treasurer, Kenneth White.

Lion tamer, Wallace Severs. Tail twister, John Hanson. Directors for one year, Walter Wilson and Ernest Eckland. Directors for two years, William Morou and Vern Linderoth. Members of the nominating committee were Hugh Kennedy, Ronald Fiegel and Dr. E. D. Branagan.

Legion Officer Election Meeting Held Thursday

New officers of Manistique Post 83 of the American Legion were to be elected at a meeting held at the club for Thursday night at 8 o'clock.

A nominating committee composed of E. R. Moore, chairman, Roy Anderson, Ed Gray, Gordon

Denny and Williams, Blowers prepared the following slate: commander, Williams; vice commander, Williams; secretary, Blowers; second vice commander, Lahti; adjutant and public officer, John Graham; chaplain, George Hubert; sergeant-at-arms, James Saurman; and historian, Gordon Denny.

Present Legion commander, Kenyon Billings, a busy member of World War II.

A Wonderful Gift For The Girl GRADUATE

For now and ever after **TOWLE STERLING** is the perfect gift!

Towle not only stays lovely, but grows even lovelier with constant use! That's why a woman sees a lifetime of pleasure in every gift of Towle Sterling. Yet a six-piece place setting of Towle solid silver may cost only \$24.50, a single place piece \$2.95, a serving piece only \$4.75, including the Federal Tax.

Engagement Announced

Mr. and Mrs. Anton Weber announce the engagement of their daughter, Margaret Mary, to Wallace John Peck, son of Mr. and Mrs. William Peck, of Grosse Pointe Park. The bride-to-be graduated from Manistique high school and the Computer School, Detroit, and has been employed by the internal revenue department, Detroit. Her fiancé is a graduate of the Grosse Pointe high school and served four and one-half years in the armed services. He is in the employ of the Hudson Motor company. The wedding will take place here on June 25.

Cardinals Win At Gladstone Sunday; Play Trenary Next

The Manistique Cardinals defeated Gladstone, 8 to 7, in the second game of their Rainbow League schedule Sunday at Gladstone.

Star of the game was Third Baseman Mason Rhoads, who singled out three homers to account for seven of the Cards' eight runs. Howard Kane pitched most of the game for Manistique, and was relieved in the sixth by Al Adams. Bud Reno was behind the plate.

The Cards play at home next Sunday against Trenary.

BIDS

Will be Received up to June 1 for the PURCHASE and REMOVAL of the Building at 126 MAIN STREET Known as the Harness Shop.

LAUERMAN'S

OF MANISTIQUE, INC.

Manistique In Former Days

50 Years Ago

George MacLaurin was at Duluth and West Superior a few days this week on business connected with the stock exchange he is conducting here.

Miss Elsie Greeney, of Saginaw, has been elected to a position in our public schools as teacher. Miss Greeney is a sister of A. M. LeRoy, and made many friends during her visit in this city last summer.

Three of Manistique's young men, Messrs. Dube, Vassau and Martin shipped as sailors on one of the consorts of the Weston this week. They left with the fleet for Detroit Tuesday.

Miller, Park and Remell, and Anderson & Norvall sport new deliv-

ery wagons. They were purchased in Manitowish. Work was commenced on the Oriskany Monday morning. Louis Kefauver is recovering from a serious illness. Tomnesson, the jeweler, has secured beach room in Peter Zimmerman's cigar store.

The bicycle path to the lake is pronounced "not so bad" by those having made the trip. Lindsay and Mosher have erected a commodious warehouse at the rear of their grocery store.

Several of the newspapers in the state of Washington republished the item that appeared in The Pioneer-Tribune concerning the catching of a Columbia River salmon in the vicinity of Manistique.

40 Years Ago

Miss Mayme Tuttle, who has been at Cheboygan for some time, returned to her home in this city Tuesday evening.

Through the courtesy of the local management of the long dis-

ance telephone company, the baseball fans are being given prompt service each evening at the close of the games. Victoria Tank, for some time clerk in the dry goods department of the C. L. Co.'s store, resigned Monday of this week.

August Knapp is prepared to do some repairing at the westside bicycle shop. He is an expert workman and solicits your patronage. All work done promptly and satisfactorily.

One satisfaction for the freed girl is that it is a sign that she is healthy. A small blaze on the east pier caused a little commotion Tuesday. The tug Gifford extinguished the fire before much damage was done. It was evidently started by a careless "noodle" fisherman.

Cement sidewalks are to be constructed on Walnut street in front of the properties owned by Luke Shinar, W. W. Owen, Oren Quick, and W. F. Crane. Randed McKinney has returned to the city from Manistig.

An applicant for citizenship at Manistique was asked whether he could be president of the United States. He promptly replied that he couldn't accept, as he was too busy.

Ten Years Ago Mrs. Rhoda Elberg and Florence Ann Hallett are leaving Friday for a visit with relatives at Kingsley, Michigan.

Mrs. William Grimsley is leaving Friday for Elk Rapids where she will visit with relatives.

Mrs. Flora Marton, of West Branch, is visiting at the home of her son and daughter-in-law, Mr. and Mrs. George Morton.

Week end guests at the home of Mr. and Mrs. Frank Hutt included Mrs. Charlotte Hutt and Mr. and Mrs. H. Caldwell, of Waupun, Wis. Mrs. Sylvan Rosenbaum and daughter, Caroline, of Kalamazoo, are visiting at the home of Mrs. Rosenbaum's parents, Mr. and Mrs. William Wieland, River Road. Mr. Rosenbaum will be here for the week end.

Mr. and Mrs. Andrew Soukup, of Newberry, were week end guests of the former's mother, Mrs. Margaret Soukup.

Mr. and Mrs. A. J. Cayia have returned from Port Huron, where they attended the convention of the Knights of Columbus.

Miss Dorothy Street is expected to arrive Friday from Chisago for a visit at the home of her mother, Mrs. Anna Spohl, Oak street.

Mrs. Herbert Grimes, June and Sanford, spent the week end with relatives in St. Ignace.

Patronize our advertisers.

SPORTS AFIELD

By Ted Kesting

Fly casting is easier to learn than plug casting, insists Jason Lucas, and the man should know, since he's one of the country's best known angling authorities. That is, it's easier if you get good equipment.

The "good enough to learn with" sort of work in casting a fly. Even an expert can't do anything resembling good fly casting with a poor rod, so why should a beginner think he can learn properly on one?

Get a rod that is at least reasonably good. See that it has true "dry-fly action" — quite stiff in the lower parts with action mainly toward the front. This is much the best for wet-fly, too.

And remember this: You don't and can't cast the fly; it's far too light to go anywhere. In fact, the smaller and lighter the fly, the further and more easily you can cast. You cast the line, so it must have weight enough to carry itself out. Always dress your line with a good floatant, even for wet-fly fishing, or you can't pick it up cleanly from the water — and an awkward pickup of a long "drowned" line can easily break a good rod.

A level line will do at first, but a double taper is better — a

three-diameter is best. With either of these cast, cut off the level front to about three feet. And begin with a tapered leader of six feet. The best way to learn fly casting, when no coach is available, is for two beginners to practice together, one to observe while the other casts. The chief faults to watch for are these: Starting the upswing too high; bringing the rod tip too far back; and poor timing, on the back-swing, in the last, a whiplike crack means the timing is too fast; line falling or going dead means the timing is too slow.

Before starting your cast, get about 20 feet of line out — any

way. Hold the rod level or parallel on top of the grip. Pull the line in with your left hand to straighten it, raising the rod no higher than 30 degrees from its horizontal position. Then, without pausing and with increasing speed, sweep the rod up, trying hard to toss the line straight up. (You can't, but you'll avoid a low backcast.) Then stop the rod suddenly so the tip is just barely back of your head. Now pause until the line is almost straight behind you. Then "shoot" your line — sweep the rod out and upward slowly and ends fast. Aim several

feet above your mark so the line will straighten in the air and not splash on the water or roll out on it. Practice diligently, and pretty soon you'll have that fly landing exactly where you want it to land.

Anglers should keep an eye on the clouds and head for shore when they begin to look bad. The weather is more changeable at this time of year and sudden storms are more frequent.

Mrs. A. J. Cayia and grandnephew, Michael Dean, have returned from a visit in Springfield, Ill., Mrs. Jane Cayia.

Ray Besner left Thursday for Washington, D. C., to spend Memorial Day week end at the home of his daughter, Mrs. Francis Besner and daughter, Mrs. Capt. Francis Besner. Mr. Truman Besner, are both Arlington National Cemetery.

Mrs. A. J. Cayia and grandnephew, Michael Dean, have returned from a visit in Springfield, Ill., Mrs. Jane Cayia.

PROTECT YOUR CHILD AGAINST WHOOPING COUGH

World-wide in its distribution, whooping cough is epidemic in large cities, becoming epidemic on a large scale every two to four years. The seriousness of pertussis, especially in young children, is evidenced by the mortality rate—about 26 percent in infants less than one year old. Children should be vaccinated during the first year of life. Do not wait for an epidemic. It takes several weeks after vaccination for the body to produce antibodies. Ask your physician now about protection from whooping cough for your baby. We carry fresh stocks of vaccine under refrigeration at all times.

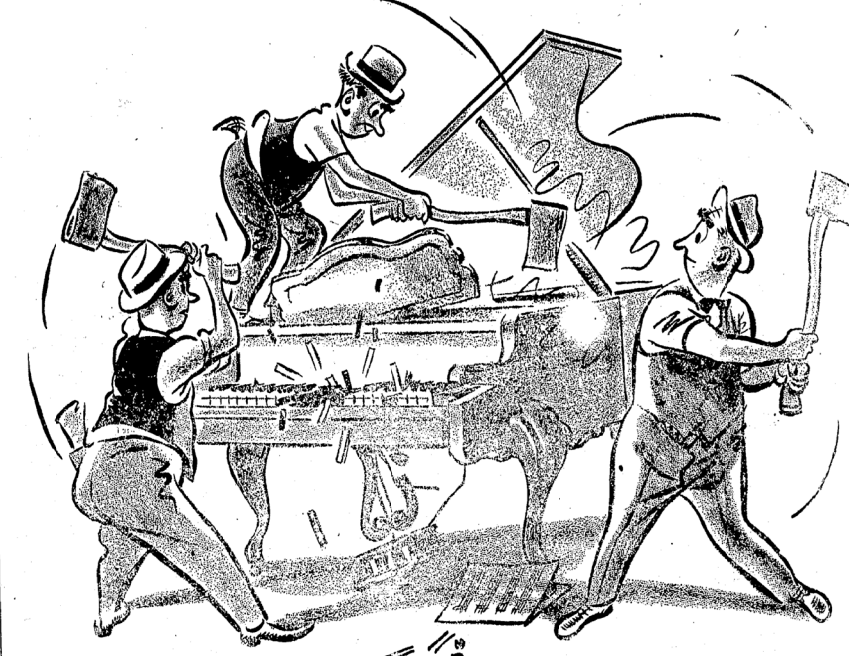

Siddall Drug Store MANISTIQUE MICHIGAN

A TALE OF TWO TREES and how they grew! But in Eight Years... THIS tree grew 21 feet more in height and three inches more in diameter, because it was protected from fire. WHILE THIS tree only grew 7 feet more in height and only 1 inch more in diameter, because it was burned each year for eight years.

A He-Man Drink! Oh, What a Drink! It's Patrick Henry Malt Liquor. FOX DELUXE BREWING CO. • GRAND RAPIDS, MICH.

How to tune a piano! The piano is out of tune. So we'll chop it up. Then we'll get a tin horn instead. Sure, these men are crazy. But they're using the same kind of thinking a lot of people have been using on the American economic system lately. Our American way isn't perfect. We still have our ups and downs of prices and jobs. We'll have to change that. But even so, our system works a lot better than the second-rate substitutes being peddled by some countries we could mention. It works better because of a few simple things. We are more inventive, and we know how to use machine power to produce more goods at lower cost. We have more skilled workers than any other country. We believe in collective bargaining and enjoy its benefits. And we Americans save—and our savings go into new tools, new plants, new and better machines. Because of this, we produce more every working hour... and can buy more goods with an hour's work than any other people in the world. We can make the system work even better, too: by all of us working together to turn out more for every hour we work—through better machines and methods, more power, greater skills, and by sharing the benefits through higher wages, lower prices, shorter hours. It's a good system. It can be made better. And even now it beats anything that any other country in the world has to offer. So—let's tune it up, not chop it down. THE BETTER WE PRODUCE THE BETTER WE LIVE. Approved for the PUBLIC POLICY COMMITTEE of The Advertising Council by: EVANS CLARK, Executive Director, Twentieth Century Fund; BORIS SHISHKIN, Executive, American Federation of Labor; PAUL G. HOFFMAN, Formerly President, Scandinavian Corp.

Manistique Light and Power Company PHONE 33 DO IT ELECTRICALLY

SANITARIANS WILL HOLD CONFERENCE

Regional Session Scheduled At Deerpath Lodge On June 5, 6 and 7

A regional conference of sanitarians will be held at Deerpath lodge on June 5, 6 and 7, it was announced this week by Raymond LaFave, sanitarian for the Alger-Schoolcraft health department. Between 35 and 40 are expected to attend from the counties of the upper peninsula. Officials from the liquor control commission and various branches of the state department of agriculture will attend the three-day session.

Health Unit Urges Caution Over Long Memorial Week End

Memorial Day is a time to remember the dead, not to join them, the Alger-Schoolcraft health department warns as the long holiday approaches. Drive with care and avoid excesses in eating, drinking, sunning, swimming, fishing, golfing and any other form of exercise, the health office advised today. Roads will be flooded with traffic so particular care should be taken in driving. Safety experts say that drinking is involved in more than half of traffic accidents, so health officials are joining law enforcement officers in urging that if you plan to drive, don't drink.

New Store Fronts Give Main Street More Attraction

Two new store fronts on South Cedar street, that of the Eat Shop and Cliff's Market, add substantially to the "new look" which Manistiquette's main street has acquired during the past few years. In addition to the new zerite metal front, the Eat Shop, operated by Mr. and Mrs. William Phillips, has installed a new, modern soda fountain with a stainless steel back fountain, a new stainless steel coffee maker, new cold cathode lighting, a new sterilizing sink, and a 5-cup multi-mixer milk mixer. The interior has been redecorated and a new floor laid in the front part of the building. Entrances to both the Eat Shop and Cliff's Market have been changed, and the entrance to the stairway leading to Masonic quarters on the second floor also has been given a new zerite metal surface. Cliff's Market is operated by Cliff Cool.

Poppies Blooming In Store Window Invite Donations

Poppies are blooming "between the crosses row on row" in the window of Laurman's store to depict the purpose of Poppy Days being observed here Friday and Saturday. The window display, arranged by the Manistiquette unit of the American Legion Auxiliary, features a miniature war cemetery with poppies blooming among the graves as they did in the battle cemeteries in Europe during both world wars. Use of the large display window was donated to the Legion Auxiliary for the week by Leonard Harlick, Laurman's manager.

Thompson Scout Troop Organized

A new Boy Scout troop has been organized at Thompson and an

ambitions program is being planned there, it was reported by George Olson, chairman of the troop committee. Frank Richards is leader of the troop and other members of the troop committee in addition to Olson are Dick Sample, Floyd Cox and (Miss) Long.

Signld Severin, Of Stockholm, Guest Of O. J. Schusters

Visiting in Manistiquette this week as the guest of Mr. and Mrs. O. J. Schuster is Miss Signld Severin, of Stockholm, Sweden who arrived in America recently to study fashion designing. She is a cousin of Mrs. Schuster's father, C. A. Carlson, of Piquette. Miss Severin has studied both landscape architecture and fashion design in Sweden. She recently became interested in fashion designing and has enrolled at a New York school which she will enter soon. She made the trip to this country by plane.
