Registration set for PP&K

Registration will begin Friday for the 1970 Pontiac, Pass and Kick competition, it was announced this week by Alex Creighton Ford...

The total of 1,920 is higher than expected, and 48 more than were present on the first day of school a year ago.

A special meeting is also being planned for Wednesday, Sept. 16, at 7 p.m. in the high school auditorium, for all adults interested in any phase of the program.

It would be similar to a \$5 million loan fund used by local units of government finance authority expansion.

This project, with an estimated price tag of \$500,000, includes extension of the existing 3,000 foot east-west paved runway to 5,000 feet...

Youngsters 8-13 may register in the showrooms of the Creighton agency, and all those eligible have been urged to participate in the competition scheduled for Sept. 26.

Credit classes are scheduled to begin the week of Sept. 21, with enrichment classes starting the week of Oct. 5.

Both Frank S. Holihak, president and chief executive officer of the Manistique Pulp and Paper Co., and John Moljak, vice president and chief executive officer of the Grand Marais Mill Co., discussed the role of the airport in the county's economy.

Local competition will have local-based planes at the first, second and third place trophies for boys in each of the six age groups, or 18 trophies in all.

Each boy registering locally will receive a free PP&K tips booklet.

HARD AT WORK—Manistique Emerald coaches will see what results the hard work of practice bring Friday night when they open the season here against Ishpeming. Assistant Rick Larson works with the linemen on conditioning and agility.

Gridders to host Ishpeming

Coach John LaPointe's 1970 model Green Machine will be unveiled at A. F. Hall stadium Friday night as the Emeralds play host to always-tough Ishpeming in the football opener for both squads.

... Bowling ...

MONDAY LADIES LEAGUE
A sure sign that summer is drawing to a close can be found on the football field of MHS and an even surer sign was in evidence Monday evening at Lakeview Lanes when the ladies turned out for the first night of the season, some with new outfits, some with new bowling balls, and all eager to establish new averages and make a bid for the trophy that awaits at the end of the bowling season.

This year, tempered by the realization that in their opening game they will be facing one of the top contenders for the Great Lakes Conference title this year.

There's also the memory of last year's opener at Ishpeming when the Hematites posted a 2-3-6 decision over Manistique. An improved offensive showing should be in the books for the Emeralds this year, as dotting the starting offensive unit, Senior Kent Nelson, starting his third year as varsity quarterback, has the poise and experience of a veteran," the coaches say.

Here are the tentative starting lineups for the Emeralds for Friday night's opener, with lettermen designated by an asterisk:

OFFENSE -- *Kenneth Neeson, quarterback; Dan McDonough, fullback; Kurt Prond, tailback; *Dave Michelson, flanker; *Jerry Sample, left end; Jerry Arnold, right end; *Jeff Fountain, right tackle; *Dave Waters, left tackle; Bill Bowman, left guard; Pat Green, right guard; and *George Chivala, center.

DEFENSE -- *Mickelson and *Neeson, deep backs; *Paul O'Connell, safety; *Jeff Holobik, linebacker; *Kurt Prond, linebacker; *Dennis Gaudreau and Dave Lehman, middle guard; and McDonough and *Sample, inside linebackers.

LaPointe also expects to get a lot of action out of Mike Green, a 6-foot, 175-pound running back, plus four defensive backs, and two punters. LaPointe said he was generally pleased with the results of last Friday's scrimmages against a strong Escanaba team, in which the Emeralds proved they were capable of moving the ball by scoring three times. As expected, there were a lot of mistakes, and tackling has been a major assignment in drills this week.

OUTDOORS WITH GORDIE

Ruffed grouse hunters have two opening days in Michigan. The early opening, Sept. 15, is for the northern half of the state, in southern Michigan the hunters don't become legal scattergun targets until Oct. 23, along with most other small game.

From all observations by the Department of Natural Resources, the 1970 season won't be the greatest for partridge or "rats" as they are known in the northern counties. Game biologists say the grouse have been at a low point and it looks like they are going to stay there most places. In 1967 some 185,000 partridges were banded in Michigan. Last year only 150,000 hunters bought licenses and bagged 300,000 birds. This year biologists, "was very hot, is it, though."

Fighting percentages, last year the average partridge hunter came home with two birds during the season. Two years earlier, during what was regarded as a good season, he had "much better luck," yet only went out with 2.3 birds. Just what seems to be the cause of the less serious field biologists allow as how it might well be a shortage of drumming logs. After all, if forestry practices are so efficient that the drumming logs are allowed to lie on the ground and go to waste, how in heck is a guy grouse know as to where to go to get an efficient drumming log?

It was noted by Mr. Rusch, that the contract for said year, it was set at \$12,000.00, payable in three equal payments of \$4,000.00 each; that the contract may be cancelled at the end of any single year.

MID PENINSULA DEVELOPMENT CORPORATION PLANNING ASSISTANCE AGREEMENT

THIS AGREEMENT made and entered into this eighteenth day of August, 1970, by and between the Mid Peninsula Development Corporation, hereinafter referred to as "First Party" and the County of Schoolcraft, hereinafter referred to as "Second Party" both of whom understand and agree as follows:

WHEREAS, the Second Party has the power to perform planning within their corporate limits; and

WHEREAS, the Second Party is desirous of contracting with First Party for planning assistance and completion of a comprehensive plan; and

WHEREAS, such contract is authorized by the provisions of the County Planning Act (Act 232, P.A. 1945, Amended through 7/1/60) which authorizes the Second Party to contract for the services of planning technicians;

Section 1. This agreement is for the purpose of completing a comprehensive plan by the First Party for the Second Party as hereinafter provided. This purpose shall be accomplished in the manner hereinafter set forth.

Section 2. First Party is designated as the party to administer this agreement by and through the Mid Peninsula Development Corporation Staff.

Section 3. A comprehensive plan shall be completed by the First Party for the entire area of Schoolcraft County with the exception of City of Manistique and shall include the following categories:

Economic Base, Population, Land Use, Transportation, Recreation, Sewer and Water Planning, Education, Natural Resources, Industrial, Public Facilities, Zoning and Subdivision, Capital Improvements, Planning Implementation, Maps.

Section 4. This agreement shall be completed in consultation with the First Party. A supplemental agreement shall be entered into when requested. Items to be completed within that contract year. Contract year shall be considered as 12 months from date of supplemental agreement.

Section 5. It is understood that the term of completion of this contract by the First Party is hereby requested, however, the term of any contract year at the discretion of the Second Party the contract may be terminated.

Section 6. No assistance other than completion of the comprehensive plan shall be performed hereunder by First Party unless approved by the County Board of Commissioners to cover the contribution indicated in this contract. Second Party shall allocate to the First Party an amount of \$4,000.00 per year for a period of 3 years. The amount of \$4,000.00 shall be allocated for XXXXX years. This contribution shall cover the following: First Party shall bear the cost of the following manner: Contributions shall be made to the First Party on an annual basis in the following manner: \$1,500 within 30 days of contract date; 50% of the balance owing at the end of 4 months from contract date.

Others will explain, just as seriously, that a shortage of partridge just naturally follows a shortage of pear trees.

The powers-that-be in the DNR Lansing office, of course, do that drumming log and pear tree shortages have anything to do with the shortage of partridge. They say it's due to a lack of cutting in woodlands that are growing up too fast. Without openings, ruffed grouse don't do very well.

They suggest that hunters check a little closer in those areas where poultry have been taken out recently or where saw logs are being harvested. Lush ground that follows is habitat for the thrasher-like bird, as well as woodcock, snowshoe hares and deer.

Wait! nobody has mentioned it, we feel someone should also put in a good word for the oil and gas companies that are leasing much of Michigan's north country. Actually, if the facts were known, they aren't really interested in the wealth that lies underground. What they have in mind (when they knock down vast areas of trees to build roads and clearings to set up their oil derricks) is grouse.

They know the cover will again spring up and provide excellent partridge habitat. The day and night noise of the oil pumps will also serve to frighten Song Sparrows away from any predators in the areas. And the stink from the wells, which will replace the monotonous smell of the pines, is parrot-like to cover up the faint scent of a grouse from any predator brave enough to go into the area seeking a grouse dinner.

And, somebody thought oil companies were all bad!

Section 7. Whenever both parties mutually agree so as to the necessity for any such First Party staff member to maintain administrative headquarters in said corporate limits of Second Party, said Second Party shall bear the cost of the following manner: Contributions shall be made to the First Party on an annual basis in the following manner: \$1,500 within 30 days of contract date; 50% of the balance owing at the end of 4 months from contract date.

Section 8. First Party's officers and employees, shall not be deemed to assume any liability for the negligence of Second Party. Second Party shall hold First Party harmless from, and shall defend First Party and its staff members therefrom, against any claim for damages resulting therefrom.

Section 9. Second Party shall assume no liability for the payment of salary, wages, or other compensation to staff members of First Party performing assistance hereunder for Second Party or any liability other than that provided in

this agreement. Second Party shall not be liable for compensation or indemnity to officers or employees of First Party for injury arising out of performance of this agreement.

Building and Grounds Committee Chairman, Russell Tennant, reported on the quotations received for removal, drapes, and painting the interior of the Sheriff's residence. He reported that the cost of the Sheriff's residence for drapes at a quoted price of \$327.75; and the painting of George Bosanic was tentatively accepted at a price of \$1,000.00, and a detail of work to be done furnished the Building and Grounds Committee. Mr. Tennant is to check into these details prior to awarding the contract. Commissioner Tennant also reported the preparation of a demurrer for the Tax Department Office, at a price of \$33.60. Tennant also noted that the custodian has requested that the present mower and snow plow be replaced as present equipment is over five years old, and it is desired that it will last the present summer season. The Chairman informed Commissioner Tennant to investigate the report and to submit a recommendation at the next Board meeting. Thereupon it was moved by Norman W. Jahn, supported by Homer J. Weber, that the report of the Building and Grounds Committee Chairman, Russell Tennant, be accepted. Motion carried by unanimous vote of members present, and sent: Edward Jorgenson.

Commissioner Ernest Holobik reported on a meeting with various county and state officials relative to the detention of juveniles who commit felonies. After considerable discussion it was determined that this subject needs much study and evaluation; and that a multi-county effort would be the best solution to this problem; however, this would require a study to determine financing and operation costs, along with many other needs and requirements. He reported that this matter would be further planned prior to any firm commitment by Schoolcraft County. Commissioner Thurman Skarritt, Sr. presented a report on his findings regarding the recent controversy over membership of admission to the Schoolcraft Memorial Hospital. He reported that there was some misunderstanding of the problem; but that all concerned have reviewed the problem; and felt that the matter has been resolved to the satisfaction of all concerned, and admissions procedure clarified.

It was moved by Homer J. Weber, supported by Ernest Holobik, that the following Civil Defense Resolution be adopted: Motion carried by unanimous vote of members present. Absent: Edward Jorgenson.

SCHOOLCRAFT COUNTY SURVIVAL PLAN Appendix I A RESOLUTION TO ESTABLISH A CIVIL DEFENSE PLAN AND ORGANIZATION, DEFINE THE DUTIES AND RESPONSIBILITIES OF THE DIRECTOR OF CIVIL DEFENSE AND OTHER PERSONNEL; TO AUTHORIZE THE USE OF MATERIAL RESOURCES AND MANPOWER OF THE COUNTY IN CIVIL DEFENSE OPERATIONS; AND TO PREVENT, MITIGATE AND RELIEVE DAMAGE TO PERSON AND PROPERTY RESULTING FROM ENEMY ACTION IN ANY FORM FROM NATURAL DISASTER.

The County Board of Commissioners of Schoolcraft County passed and adopted the above Resolution on the 18th day of August A, D, 1970.

(Signed) Fred Lesica Fred Lesica County Clerk Schoolcraft County

On the 18th day of August A.D. 1970 the County Board of Commissioners of Schoolcraft County did hereby adopt a resolution appointing John C. Cameron as Civil Defense Director of Schoolcraft County and on this date the clerk was instructed to notify Col. Frederick E. Davids, Director of Michigan State Police and Director of Civil Defense of this appointment.

(Signed) Fred Lesica Fred Lesica County Clerk Schoolcraft County

Ernest Holobik reported on the recent meeting of the Schoolcraft Health Unit. He reported that plans are being formulated to hire a part-time medical doctor to look after the medical needs of the department; and that a portion of the expiring of the "Killog Fund Money" will be reflected back on the two counties. He stated that it will cost the County of Schoolcraft approximately \$4,655.00, plus travel pay. Commissioner Holobik stated that this will have to be considered when the 1971 budget proposals are submitted. It was moved by Russell A. Tennant, supported by Norman W. Jahn, that the report of Commissioner Holobik be accepted. Motion carried by unanimous vote of members present. Absent: Edward Jorgenson.

Mayor Douglas Ross, of the City of Manistique, reported regarding the status of the County Dog Control. He reported the resignation of Edward Jones as Dog-Catcher. The Mayor informed the Mayor that this is a function of the County government, and that he would like to appoint a replacement, who has been on the job since August 1, 1970. The Chairman inquired of the Mayor if any action had been taken, as promised, to furnish one-half the cost of the dog control. Mayor Ross reported that as this cost date had been done, but that he would like to look into the matter.

Commissioner Holobik reported that there would be a meeting of Community Mental Health officials on Thursday, August 20, 1970, and that he was inviting the members of the Health Committee of this Board to attend if possible, as it is the most comprehensive meeting of September 1970. Motion carried.

Messer-Pawley vows spoken

St. Francis de Sales Church was the setting for the 2 p.m. rites Saturday which united Beverly Jean Messer of Gulliver and Ronald Isaac Pawley of Manistique in matrimony. Fr. Arnold Grambow officiated at the double ring ceremony.

Parents of the couple are Mr. and Mrs. Jack Messer of Gulliver and Mr. and Mrs. Isaac Pawley of 419 Schoberoff Ave.

Given in marriage by her father, the bride chose an empire style gown of bridal satin, accented by lace, created by her sister-in-law, Mrs. Charlotte Messer. Her illusion veil was elbow length and she carried a bouquet of red and white roses.

Aid of honor Lynn M. Lamborn and bridesmaid Shirley Underhail chose sleeveless empire style dresses of yellow beaded lace with matching, shouder length veils. They wore white accessories and carried bouquets of carnations and arums.

Charles Ritchey served as best man with Howard Pawley as groomsman. Shelby Lantich was the flower girl, attired as were the bride's attendants, and Daniel Pawley was ring bearer.

Seating the guests were Barry Messer and John Gregorich.

A reception was held in the evening for their many guests at the Armory, with music for dancing furnished by the Three Kings.

The bride is a junior at Northern Michigan University, majoring in medical technology, and the groom is a sophomore at NMU, majoring in social studies. They will make their home in Marquette.

Johnsons mark anniversary

The Knights of Columbus Hall was the scene for the dinner-reception for 250 persons in honor of Mr. and Mrs. Vernon L. Johnson's golden wedding anniversary held Saturday evening. Music for the evening was furnished by Mrs. Bertha Johnson and Michael Johnson, sister and nephew of the couple.

The former Iva Jensen of Marinette and Vernon L. Johnson were wed on August 25, 1920 in Barab, Wis. They moved to Manistique in 1938. Mr. Johnson retired from sailing on the Great Lakes in 1961.

They are the parents of one daughter, Mrs. Donald (Dawn) St. John of Manistique and have six grandchildren and one great-grandchild.

Out-of-town guests attended from Kenosha, Olsburg, Marinette, Menominee, Wis., and Nautawaway, Iron Mountain, Detroit, Standford and Manising, Mich.

Nuptial Mass unites couple

Mrs. F. M. Scheringer of St. Francis de Sales Church celebrated the Nuptial Mass at 10 a.m. Saturday. Angel (Bert) and Karen Marie (Bert) were the bride and groom. Rev. Raymond Keith officiated in marriage.

The parents of the couple are Mr. and Mrs. Charles Kendall of 327 Walnut St., and Mrs. Emmanuel Soulliere and Mrs. M. Soulliere of Gulliver.

The bride, given in marriage by her father, chose a street-length dress of white in a jewel-tone effect with a short shawl veil attached with a bow. She carried a colonial bouquet of pink and white daisies.

Mrs. Bonnie Jean Bower, mother of the bride, was matron of honor. She wore a pink street-length dress and carried a colonial pink daisy bouquet.

Terry Kendall, brother of the bride, was best man. The reception was held in the Municipal Township hall near Gulliver at 6 p.m. Mrs. Bower and Terry Kendall opened the gifts. Mrs. Harold Arley was in charge of the guest book and Norma Soulliere, sister of the groom, cut the wedding cake.

The couple are both graduates of Manistique High School. She is employed with the City of Manistique as a secretary and Mr. Soulliere is on leave from the U.S. Army before assignment in Vietnam.

Children honor Osterhouts

Mr. and Mrs. Max Osterhout of 618 Oak St. were feted by their children at an open house at the home of their daughter, Mrs. Donald Curran, on Sunday, Aug. 23, in celebration of their 50th wedding anniversary.

The former Marion Adams and Max Osterhout were wed at the home of the bride's parents in Manistique on August 25, 1920 with Dr. J. R. Mitchell, pastor of the Presbyterian Church, officiating. Attendees were Mrs. Floyd Orr and Arthur Adams, both of whom were present at the open house.

The Osterhouts are the parents of two sons, Harry and Walter, and the one daughter, Out-of-town relatives attending were Mrs. Merle Mutt, Tucson, Ariz.; Mr. and Mrs. Arthur Adams, Tacoma, Wash.; Mr. and Mrs. Walter Osterhout, Denver, Colo.; Mr. and Mrs. Kent Marin, Sault Ste. Marie; Mr. and Mrs. Joy Kirby, Sault Ste. Marie and Mr. and Mrs. Virgil Vincent, Eugene, Ore.

Officers are elected by local Elkettes

New officers were elected to serve for the coming year when the Elkettes met Thursday, Aug. 27, for a steak fry at the home of Mrs. Jody Strable, Smith Lake.

Elected were Mrs. Warren Doloria, president; Mrs. John Strable, vice president; Mrs. Jerome Beaudry, secretary; Mrs. Walter Rich, treasurer; Mrs. Edwin Olson, scribe, and Mrs. Edwin Olson, scribe.

The next meeting of the group will be held at 8 p.m. Oct. 12 at the Elks Temple.

Ott ends bank course

Philip J. Ott of The State Savings Bank in Manistique is among 447 leaders from 30 states and 10 countries, Central America who were graduated last Friday night from the Graduate School of Banking at the University of Wisconsin in Madison.

The 24th graduating class of the Wisconsin Graduate School of Banking sponsored by the Central States Conference, had representatives from 30 states.

With the 1970 graduating class, a total of nearly 7,000 students have graduated from the Wisconsin school. Since its first class of 41 men graduated in 1947, the 1970 graduation ceremony, held in the Wisconsin Union Theater on the Wisconsin campus here, was attended by some 1,000 students, friends, and relatives of the graduates. Nat S. Rogers, president of the First City National Bank, Houston, Texas, and president of the American Bankers Association, gave the graduation address.

Safety group head picked

Michigan Women For Highway Safety, a newly formed, state-wide group whose slogan is "Womanpower comes from the heart," has recently announced the appointment of Mrs. John Paul Quirk, 354 Lake St., as the Schocraft County Committee Chairman for Region XI. The new organization, the only woman's group in the state devoted solely to traffic safety programs, has the sponsorship of 25 women's organizations, the Michigan Office of Highway Safety Planning, Traffic Safety For Michigan, and Michigan State University's Highway Traffic Safety Center, which is acting as secretariat. Michigan Women For Highway Safety was formed to initiate and support programs and legislation designed to lessen the rising toll of traffic accident victims and fatalities. Any woman interested in joining the organization should contact Mrs. Quirk.

Letter to the Editor

On June 22, a call was issued in Manistique for citizens interested in participating in a community school adult enrichment course in dramatics. Twelve people answered the call. A play was selected, committees appointed, and "Mary, Mary," a three-act comedy by Jess Kerr, was underway. A highly successful production was presented on Saturday and Sunday, Aug. 22 and 23 in the Manistique High School auditorium to a capacity audience. We sincerely thank the press, radio WTKO, businessmen and above all, the young people who came forth and became involved in giving of themselves to a worthwhile community project. We, in Manistique, appreciate this cooperation and wish them well. Katharine H. Le Brasseur Community School Advisory Chairman

Jack Janes rites Tuesday

Jack Clarence Janes, 35, of Garden, who was injured Aug. 23 when a gas storage tank he was welding exploded at his home, died Saturday at 11:30 a. m. at St. Luke's Hospital, Marquette, where he had been a patient since the accident. Born June 15, 1935 in Cooks, Mr. Janes had spent the greater part of his life in Garden and attended the Cooks public schools. He and the former Lynn Water were married on June 18, 1959 in Garden. A member of St. John the Baptist Church in Garden, he also belonged to the Moose Lodge of Saginaw, the Seola Drivers Club of Saginaw, the National Life Association and the International Union of Operating Engineers, Local 324. He served with the U.S. Army from June 5, 1959 through June 3, 1960.

He is survived by his parents, Mr. and Mrs. Clarence Janes of Manistique, grandparents, Mr. and Mrs. Joseph J. Garden, two daughters, Della and Lola, all of Garden; two brothers, Gerald Janes of San Francisco, Calif., and Howard Janes of Flint, and one sister, Mrs. Frederick (Donna Mae) Rochefort of Warren, Mich.

A funeral mass was offered at 10 a. m. Tuesday at St. John the Baptist Church in Garden, with burial in the New Garden Cemetery. Active pallbearers were Calvin Richards, Fred Beaudry, Francis J. Austel, Lawrence Goering, Wally Moran and Dale Shary and honorary pallbearers were Nick Thiennes, Jr., Ken Peterson, Clarence Ansell, Gary LaJoy, Robert Launzon and Harold Gray.

Rites held for Will Pray

Will Pray, 90, formerly of Manistique, died in Traverse City on Sunday, Aug. 23. Mr. Pray came to Manistique in 1917 when the Brown Lumber Co. was being built and stayed till about 1925. He was manager and general superintendent of the mill here. He returned to the Brown Lumber Company plant at Traverse City, where he retired in July, 1952, at the age of 82. At the time of his retirement he had worked for the Brown Lumber Company for 45 years. He is survived by two daughters, Dorothy of Muskegon and Gianetta Ten Houten of Traverse City, and by grandchildren and great-grandchildren.

Bids asked for Refuge

Bids are being asked for installation of septic tanks and sewage systems, sidewalks and road surfacing at the Seney National Wildlife Refuge.

The regional office is located in the Federal Building, Fort Snelling, Twin Cities, Minnesota 55111. Refuge headquarters is located near Seney and Garmack.

The estimated cost of the work is within the \$40,000 to \$50,000 bracket. Bids will be opened at 2:30 p. m. CDT, Sept. 15 at the Twin Cities regional office.

Visitor to area dies along road

Orrville Hoover, 80, of Haystack, Ind., was dead on arrival at Schoolcraft Memorial Hospital after suffering a heart attack Monday evening on M-77 just north of Blaney Reservoir. Hoover and his wife, who were staying at the Forest Cabin at Green School, were taking a walk when the car came stuck at the side of the road. Hoover got out of the car to investigate and suffered the attack.

The Public Safety ambulance was called at 7:15 p. m. to the scene and brought Hoover here to the hospital.

Play lauded by reviewer

BY KATHARINE L. LEHRAS-SEUR

As proof as any professional reviewer could give of outstanding performance, "Heartfelt" "sailor-yacht" "technically, a super production" are only a few of the testimonial statements heard by The Manistique Community Players after the presentations at the Manistique High School auditorium Aug. 22 and 23.

Jean Her's high comedy of three acts involving the failure of a marriage, was fast-moving and flawless as it unfolded before a captivated audience that enjoyed the humor, pathos and tenderness of such actors as Carol Swinehart (Mary), Dan Doyle (Bob McKellaway), Roger Nelson (Bob's lawyer), Eric Lawson (Dirk Winslow), and Sally Gimsel (Thyrne Richards).

Kath Ivany, a 1970 graduate of NMU, was the concert director. Technical staging was brought to the stage by David Hart, Leon Brunner, Jerry Prunty and Carole Kasau, under the able direction of Shirri Starr, Publicity and promotion handled by Eric Lawson, Katharine and Earl Lebrasseur and Marcia Hubble was house manager.

Furniture was donated by Shank Home Appliances; costumes, Northern Woolens; hair-styling, Fay's Beauty Salon. Coffee and cookies were pushed during the first act intermission by ushers, Laurie and Pam Burton, Jeanne Larson and Marcia Hubble.

The Surf had an opening night reception for the cast and crew to meet the appreciative audience.

Fans are underway to continue the program during the winter months. Interested members are asked to attend the meeting when scheduled.

Airport improvement

Bids will be opened Sept. 10 in Lansing by the Michigan Aeronautics Commission on five airport improvement projects in Michigan, including one for Schoolcraft County.

The local improvement consists of the installation of a 5,500 foot communication cable for a navigational aid to assist pilots making instrument landings.

Work is scheduled to start about Oct. 12 and be completed by the end of the month.

Hospital

Patients at the Schoolcraft Memorial Hospital on Wednesday morning were:

Joseph Krusie, Nick Frankovich, Clifford Wagner, Frank Wittig, Alta Hancock, Jacqueline Stamper, Sandra Letson, Mary Curran, Carl Anderson, Ernest LaLonde, Jerry Mendith, Walter Rojeto, Tim Mollanen, Patsy Brown, Eleanor Gierke, Camilla Ray, Julia Golligity, Gertrude Boyd, Dorothy Jane Peck, Sarah Whitcomb, Delma Archambault, Angela Robare, Diane MacGregor, Boyce Cousineau, Jerry LaFord, John North, Arnold Mollanen, Ivan Slough, Paul Hochelle, Lawrence Avery, Peter Uedel, Ana Selling, Clarice Emery, Emerald Trebutail, and Theodore Tibbault.

Championship consolation, runner-up, Mrs. Robert Selvor; 1st flight consolation, Mrs. Russell Pappelle; 2nd flight consolation, Mrs. William Henschel.

Members of the tournament committee were Mrs. E. J. Thompson, Mrs. Howard Probst and Mrs. Barney Johnson. Staff and prize committee members were Mrs. Charles Spawt, Mrs. John LaPointe and Mrs. John Stapleton.

One injured in accident

Jerry M. McReddell, 21, of Snow, Mich., was taken to Schoolcraft Memorial Hospital by Public Safety ambulance after he was injured in a motorcycle-car accident Friday at 4:25 p. m. on US-2 in Mancel Township.

He was injured as he was being driven by a vehicle driven by Milton A. Therrian, 44, of St. Ignace, Therrian was ticketed for improper passing.

Lloyd V. Edwards, 18, of South L, was brought for defective equipment after the right front wheel of his car came off on US-2 in Manistique Township Tuesday at 2 a. m. The car ran off the road and damaged was minor. Officers said there were only two lug bolts holding the wheel to the axle.

A car driven by Mary P. Schneider, 19, of Hastings, was involved in a road while passing a line of vehicles on US-2 in Manistique Township Friday at 11:45 a. m. Her car hit a guard rail and a reflector pole.

A three-car accident in town Friday at 8:40 a. m. on S. Cedar St. just north of Oak St. A car driven by Sylvester Beaumont, 45, of Milwaukee, had stopped. The car following, driven by Diane M. Schneider, 19, of 115 N. Third St., was stopping when it was struck in the rear by a car driven by Ray E. Diro, 18, of 534 Lake St. The Schneider car was pushed into the rear of the Beaumont vehicle. Diane Schneider was cited for having no proof of registration, while Diro was ticketed for failure to have his vehicle under control.

Gordon D. Baker, 17, of 727 Garden Ave., was cited by city officers after he lost control on the wet pavement on Oak St., near Steuben. His car skidded in a circle and hit a parked vehicle. Baker was cited for failure to have his vehicle under control.

Mr. and Mrs. James F. Taylor and son Matthew have returned to their home in East Tawas after visiting with Mrs. Taylor, 1152 State Road, for a week.

District Court

If you object to having your name in this column, don't let it happen. All names that appear on the docket are reported. None are withheld by the Pioneer-Tribune.

Three non-returned guilty pleas Monday in District Court on Department of Natural Resources charge of illegal use of artificial lights to hunt beaver.

Fines: \$20 fine and \$15 costs were Raymond G. Miller and Dan Kahlbach, both of Port Huron, and Alfred Jensen, 171 River St.

Zion women plan program

The Executive Committee of the Lutheran Church Women will meet at 7 p. m. on Tuesday, Sept. 8, in Am-Skane Hall. All members are urged to be present.

The Lutheran Church Women will hold their first meeting of the season at 8 p. m. Tuesday in Am-Skane Hall, Port Huron. The program will be presented by Mrs. Earl Malloch, Sr.

The program, arranged by the Martha Group, will feature Mrs. Clarence Peterson, who will show colored slides on different parts of the Orient and also narrate about the travels she and Mr. Peterson have made in this spring. She will also have various articles on the country, refreshments and a social hour will follow the program and business meeting. Hostesses for the evening are Mrs. Robert Brodell, chairman, Mrs. Harry Anderson, Mrs. John Minoff, Mrs. Lyle Smith, Mrs. Walter Reid, Mrs. Julius Seltingren, Mrs. Glen Nesson, Mrs. Douglas Price and Miss Linnea Carlson.

Airport

Continued from page one of the county's Board of Commissioners, told the committee that the county's estimated \$50,000 share of the project for being raised over a three-year period.

Discussing other economic matters, Holloch told the committee that something should be done about the reversion of tax delinquent lands that go to the Department of Natural Resources instead of back to the original local units of government. This results in loss of tax base and elimination of possible future home and industrial sites, he said.

Fred Hahn, president of the First National Bank and treasurer of the Upper Peninsula Commission on Area Progress, commented that transportation is the number one problem of the Upper Peninsula. He said it is air, water, rail or highway, and said improvement was needed to help bring new industry into the area.

Local Births

Two youngsters arrived August 21 to brighten the coming winter months for their parents and enrich the nursery at Schoolcraft Memorial Hospital.

Gregory F. Harbin, son of Mr. and Mrs. Roger Harbin, Indian Lake, weighed in at 6 pounds 1 ounce. His mother is the former Alice Louise Wilkerson.

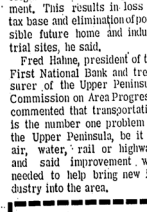

Angela Jo LaVigne weighed in at 2 pounds 12 ounces, the daughter of Mr. and Mrs. Allen Joseph LaVigne, 315 E. Oak St. Mrs. LaVigne is the former Ann Marie Lyles.

Senior Citizens Corner

Senior Citizens' Corner

BY EILEEN MALES

I had a very busy schedule at Northern Michigan University last week. I learned more about myself and more about Senior Citizens than I can ever express. One of the things I learned is: Being a Senior Citizen can be fun! Quit thinking of yourself as someone who is different. Senior citizens are people. . . and you are one of them. Senior Citizens are the people who live next door, or across the street, or are

the people who were in their forties a few years ago.

Elderly people have more leisure time than other groups, and often time hangs heavily on their hands. They need involvement in active affairs, and recreation can be built around self-planned and self-propelled programs that not only provide pleasurable pursuits, but give some of them important responsibilities. At the same time, their talents are challenged, new skills are developed, and latent abilities come to the surface. A happy person depends not only on food, shelter and clothing, but also on companionship, creative activity, and the use of ones leisure time in a social and personally satisfying manner.

The Senior Citizen, by himself, can be a public relations person who can individually invite others to join group activities. He may be surprisingly successful on a person-to-person basis. Many who read about all the fun others are having, just need a personal invitation to prod them into joining.

You, as a Senior Citizen, should be more involved in your community planning for recreation. Remember support your program at every possible opportunity. . . stick together. . . let your needs be known. Get involved. Invite the other Senior Citizens, so they cannot say "I am doing nothing because no one asks anything of me."

We want to make our Senior Citizens Center to be something else than just a Social Club. We want to sponsor a Telephone Reassurance Program where we can have volunteers call lonely or ill Senior Citizens daily to check on them. We want all of the Seniors aware of the benefits that they are entitled to. We are in the process of asking local business places if they would like to give persons 65 and

businesses said they would like to participate in this program. You will get more information on this in a couple of weeks.

The women's arts and crafts group will meet every Tuesday from 2-4 at the center. Mr. Robert Hamm, the Soc-

will be at the Center Friday, Sept. 4 from 9:30 till 11 to assist anyone who needs advice about Social Security.

One of the more distressful stages teenagers must pass through is the period when young skins are subject to a number of disorders, notably acne. Over-productive skin oil glands can cause this condition, as can rapid body changes peculiar to this age which makes skin more susceptible to bacteria.

Starches, fatty foods and sweets stimulate acne, while a diet high in vitamins is probably beneficial. Important to helping curb this condition is sufficient rest, proper elimination, reasonable skin care, proper food, outdoor exercise and use of external medication with a record of beneficial results.

Let's have a few words now about prescriptions. . . they can and do cure or relieve any of hundreds of human ailments. For a complete prescription service, in fact for all of your medical needs, you can count on A. S. PUTNAM & CO., 201 South Cedar. . . Phone 341-2264.

VERSATILITY is a key word in any young man's wardrobe, particularly when he's about to go off to college, and FRANK HENTSCHELL is going to get a lot of wear and use from the selections he's been making at the Peoples Store.

Frank's going to be a freshman at Michigan Tech in Houghton this fall, and some of the items he'll be wearing to classes include those striped bell pants from Levi's, priced at only \$11, and the new golden short-sleeved shirt from the Sweet Shirt Co., at just \$8.99.

As an extra, Frank's wearing a new shaped belted vest sweater, Expressions, by Campus, at \$8.99, and he'll be a style setter in the high fashion brown boot shoes by Randcraft, at \$12.99.

Those Houghton winters can be mighty chilly, but Frank will be warm in that new plaid winter jacket, with pile lining, by Campus, priced at only \$19.99.

All of these are only a small sample, of course, of the wide range of men's and boy's fashions in stock at Peoples, just in time for smart shoppers to make smart savings for smart scholars. Stop in and check now.

Harbor view

The setting sun puts a dark cast to the calm waters inside the break-water at the Manistique harbor.

Our congratulations

MANISTIQUE'S COMMUNITY PLAYERS completed their first summer of operation recently with the highly-successful presentation of the three-act comedy, "Mary, Mary."

There were large crowds in attendance for both performances, and there was also general praise for the excellent quality of acting and the polished performances that were the rule rather than the exception.

We commented earlier on the encouraging fact that most of the participants in the Players were young people, lending their unique enthusiasm and verve to the enterprise. It's our hope that this enthusiasm will continue in the years to come, and that the Community Players will become a regular fixture in our area.

Our congratulations to them for a job well done.

Time to be careful

SUMMER VACATION ended Tuesday for children in the Manistique Area School District and sectors served by St. Francis de Sales School, and close to 2,000 of them are spending this week returning to the familiar routine of books and classes.

Warnings to drivers about the dangers of youngsters on the streets on their way to school, perhaps a bit careless after a summer of no routine, are almost automatic at this time of year—but we should not automatically accept the warning as merely another part of the back-to-school ceremonies.

Being children, our students will be subject to erratic bursts of energy and carefree spurts and dashes, which means that any driver might find himself challenged at any time.

Take time—be careful.

These youngsters are our most precious possession.

A political blunder

MICHIGAN DEMOCRATS, in the doldrums for these several years past, seem to be borrowing the penchant of their adversary Republicans in being determined to snatch defeat from the jaws of victory.

They were rolling along in great shape at their fall convention in Grand Rapids, and had nominated a slate of candidates that seemed to have strong appeal for just about everybody. If they had stopped then, the Republicans would have had deep trouble.

But they did not stop there, and instead it is the Democrats who find themselves embarrassed with a plank in their platform that will nag them through the rest of the campaign.

Militant members of the party took advantage of the fact that most party regulars were absent from the convention floor late in the session to push through a resolution calling for immediate withdrawal from Southeast Asia, reparations for those countries involved in the Southeast Asian war, and amnesty for draft dodgers who fled to Canada and other points.

This plank was immediately repudiated by the top three candidates of the party—Sen. Philip Hart, Sander Levin and Frank Kelley—but it will continue to haunt them despite their repudiation.

The proposals do not accurately reflect the feelings of all the delegates or of the majority of the members of the Democratic party, but challenging Republicans will get miles of satisfactory criticism out of this mental lapse.

The language of political platforms is seldom chewed and never digested by either candidate or voter. Democrats are hopeful that Mr. Average will be able to correctly evaluate their mental lapse as nothing more than a political boner, and that November decisions will be based on something other than the party platform.

News notes from all over:

GOOSENECK LAKE, MICH.--Plans for a three-day Polka Festival aimed at attracting 100,000 music lovers from all over the nation were announced this week by Belgrave T. Seertamaki, proprietor of the Aragon Ballroom at nearby Steuben.

A flat admission fee of \$1.75 per person will be charged, the promoter said. This will include attendance at the around-the-clock polka sessions featuring some of the top polka groups in the country, use of toilet facilities and a community sauna, plus all the rutabagas they can eat.

Bands to be featured include Fat Herman's Philharmonic from Shingleton, the Melstrand Municipal String Ensemble, the Chocolate Covered Pasty and the Senior Citizens Brass Quartet from Germfask.

Serretamaki said he was not worried about the use of pot at the festival. "I already announced we got outdoor johnnies," he said, "so they can leave their pots to home."

BRUCE CROSSING, MICH.--Congressman H. Rup Philpot said this week he will make a personal appeal to President Nixon to establish a part-time White House somewhere in the Upper Peninsula.

Philpot pointed out that there were part-time White Houses in the South (Florida) and the West (California) in addition to the full-time White House in Washington, D.C. and the part-time White House at Camp David, Maryland.

Philpot listed several suggested sites, including Mackinac Island, Blaney Park, Grand Marais, Perronville, Trout Creek and Tapiola. He also said special Presidential quarters could be constructed at the proposed National Gitchee Bird Refuge and Rust Resistant Rutabaga Research Center adjacent to the Jamestown Slough and the Manistique Township Sanitary Landfill.

Landing pads for the Presidential helicopters are available in most of these areas, Philpot said, and pyramidal tents could easily be erected to house the press corps.

News notes

He admitted it might be difficult to handle the entourage during the rush periods that accompany deer season, the Fourth of July, and the Gitchee Bird mating season.

LANSING, MICH.--The Michigan State Bar has promised a "thorough investigation" of the recent revelation that there are no lawyers in Keweenaw County.

"It certainly is not fair that the 2,166 residents of Michigan's northernmost county should have to live in peace and quiet without the benefit of a least one legal mind," said Throckmorton L. Pentwhistle, spokesman for the Bar Association.

Pentwhistle said a poll would be conducted among the 10,440 lawyers living in the State of Michigan to determine if any of them would be interested in moving to Eagle River, the county seat. He pointed out that such an emigrant would have an exceptionally good chance of being elected County Prosecutor at the next election.

He also pointed out that his group would combine efforts with the Michigan Press Association in recruiting. Keweenaw County now has no newspaper, and a lawyer would have no place to publish his legal notices. Several editors are regarded as good candidates for this challenging task.

HOLLYWOOD, CALIF.--Miss Maybelle McZoom, prominent Hollywood starlet, today denied reports that she is joining the Women's Liberation movement.

"That doesn't sound like any fun at all," commented Miss McZoom, who was just recently named Miss Illumination of 1970 by the Schoolcraft County Chapter of the Knights of Penumbra.

"I mean, who wants to be equal? That means I'd have to give up all the advantages I have now. Wowie, thank you, no."

Miss McZoom is currently being considered for the female lead in the hot new best-seller champion, "What You Always Wanted to Know About Rutabagas--But Were Afraid to Ask."

Tony's Topics BY SUPT. EDWIN WUEHLE

We're off and running, but in the excitement and confusion, it is easy to forget what school is all about. Some will think it is about busses and some about lunches, about free textbooks or the audit, about negotiations, strikes, or segregation, getting into college, getting out of school, getting a job or a diploma, about cheer-leading, football, PTA, student dissent, or a new high school. We have enough variety in our educational store for every shopper.

School is about all of these, of course, but it is really all about learning. We may not like it, but we can't escape it -- school is obviously about learning. This is true at all levels and in all departments -- in the chemistry lab or on the football field, in the library or the gymnasium, in college prep English or auto mechanics, in kindergarten or graduate school, at the school board meeting or in the shower room -- schools are about learning and we can't get out of it. Yet, we get so involved in these other things that we blithely go our ways acting as though schools were not about learning. But they are -- and it won't hurt to spend a little time thinking about it.

We know we can't stop learning. One person learns that ITT dropped 7/8 of a point and another learns to hit his pitching wedge. Someone learns that the democratic process works only when people work hard, and another learns, to

his sorrow, that a flush still beats a straight. The young mother learns that her three year old son has a tremendous ability to take advantage of her weaknesses, and the afternoon bridge matron learns from both her partner and her opponents that it is disastrous to lead away from a king. One student masters the intricacies of algebraic factor analysis and another learns to smoke pot. Learning won't stop, but it will take place best under certain conditions and if the known laws of learning are followed.

People learn best if they are challenged. They seldom learn well if they are threatened.

People learn best when they have the opportunity to explore, and the security to do it. They do not learn well in restricted environments or if they are made to feel insecure.

People learn meanings and relationships. They quickly forget facts.

People learn well when they are encouraged. They do not

learn well when someone discourages them.

People learn when they are involved and have a commitment. They do not learn what appears to be irrelevant.

People learn best when the goals are real. They do not learn well when they are artificially motivated.

People learn best in cooperation. They do not learn well in competition. Only the ones who think they have a chance of winning learn in competition. The others learn only that they can't win.

People learn very little that is positive through failure. Even the proud self-made man would agree it was his successes that spurred him on. If he had failed, he would not be self-made.

What we know about learning cannot be set aside. Learning will go on in spite of all of us and even if we ignore it, but it will proceed better if we are concerned and are aware of the principles which affect it.

News Notes

Howard H. Handorf
County Extension Director

Erwin Simi and I are working on setting up the Schoolcraft Soil Conservation District fall tour. The tour this year will be in the Germfask area. We are going to be seeing a bean farm in Luce County, some of the beef operations using silage and a new pole barn, as well as getting the "word" on the new Farm Bureau marketing operation in the eastern end of the U.P. from John Zellar, Jr. who is on the board of directors. More details will be forthcoming next week when we have all the details. This tour is open to the public and will be held on Sunday afternoon, Sept. 13. There should be a light lunch available at the end of the tour so that you can have a social session with your friends and neighbors in the Germfask area. If any of you city dwellers should plan to attend, please call the Extension office to give us a rough count of the number in your party so that we can have plenty of food available.

Watch for our Girls' Health Program scheduled for Sept.

24, and our Boys' Health Program scheduled for Oct. 8. We will have the information regarding time, place, age requirements, etc. out to the schools in plenty of time.

Our 4-H year will start Oct. 1, and we are always interested in starting new projects as well as maintaining our old ones, if you would like to be a 4-H leader, please contact the Extension Office, Phone No. 341-5050. We have been looking for a photography leader for many years as we have some exceptionally good learning material for this particular project. Snowmobiling is another new project which we had last year in Hiawatha Township under the leadership of Everett Patz. It would be nice to have more such clubs, as we never have enough projects for the boys in the county.

Two weeks ago I said I had not caught any Coho Jacks! This week the situation has been rectified. We had four for dinner a week ago Wednesday night. Sally baked them with salt and

pepper and melted butter and they were out of this world! One item I found useful in scaling these small fish and removing the small amount of slime is a potato brush. Used under the cold water tap, it takes all of three minutes per fish to finish the exterior clean-

ing. I am now hoping to obtain enough fish to try grilling them over charcoal as I have heard that is extremely delicious eating. One word of caution in cooking these small salmon - do not overcook as this will tend to destroy the flavor.

Echoes

from Harbor View

By HELEN D. MERWIN

Not much news this week. Things have quieted down, not so many visitors, which leads to just one thought, "Our summer is over." Somewhat cooler too. But now the skies are clear, I'm sure we'll have a beautiful fall.

Last Wednesday Ethel Nelson held open house on her birthday. Friends kept coming all day to greet her. She had a card shower and many lovely gifts.

Pleasant visitors on Wednesday at 306 were Mr. and Mrs. Donald Holderoff and their three children. They visited Charlotte Kerr and Helen Merwin. They are from Appleton, Wis.

Camilla Ray is still at the hospital and glad to have friends call or drop her a card.

We are going to have a party to play card party in the community room in the very near future, so keep this in mind. Later on we will have a pot-luck supper too. Now that it is cooler it is easier to work.

I hope I have more news next week, see you then.

What can all this conglomeration have in common?
Nothing, you may say — no two people in the world are exactly alike! But they do have something in common, you know — something very important—they are all human beings. No matter how different, the point is they have the same hopes and ambitions and frustrations as you and I.

You and I like to think we are a little different, of course. But you and I share something with all other human beings — something very precious. We are all loved by God, and we should all return a little of that love to Him every Sunday — in the church of our choice.

Bank debits show jump

Bank debits in Manistique during July showed an increase of 10 per cent from the same period a year ago, according to statistics released this week by the Federal Reserve Bank of Minneapolis.

In dollars, bank debits volume here during July was \$8,084,000, compared to \$7,373,000 for the same month in 1969.

For the first seven months of this year bank debits here totaled \$49,498,000, an increase of 11 per cent over the first seven months of 1968.

Bank debits for the most part are checks against depositors' accounts and represent payment for goods, services and debt. They are regarded as one indicator of business activity in the area.

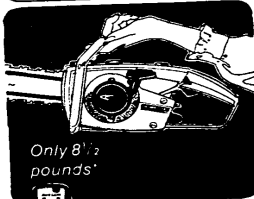

Gulliver

Mrs. Rose Wilker of Gulliver recently returned from Milwaukee where she attended the Golden Wedding anniversary celebration for her aunt and uncle, Mr. and Mrs. Otto Dahlquist. She also visited friends and relatives in Waukesha and Rhinelander. Mrs. Wilker also visited a former resident, Mrs. Theresa LaCroix, who is a patient at Woodruff, Wis. hospital.

Mr. and Mrs. Wilmer Zuehlsdorf also attended the Golden Wedding anniversary celebration for her aunt and uncle, Mr. and Mrs. Otto Dahlquist of Milwaukee.

Mr. and Mrs. Lee Belcik and Sal-lee have returned from a two week vacation trip to Lee, Fla. where they visited her father and step-mother, Mr. and Mrs. Lee Cuiles, former Gulliver residents. Enroute they also visited with their children, Mr. and Mrs. Gary Walker and Jason and Nicole

As Earth Turns, a New Day Dawns,

Eternally

Implicit in every earthly departure is the dawn of a new life for the spirits. To commemorate this transition with dignity and solace is our constant aim.

We are pledged to perfection in every service.

Family Living

BY INGRID TERVONEN
Michigan State University
Extension Home Economist.

How do you feel at mid-morning? If I haven't had breakfast, I begin to feel tired and need a lift. We adults get it through a cup of coffee but the effect is very temporary. It's good to be a breakfast eater and the habit can be developed. School bells are ringing and if you have children going to school, you'll wish that he gets good grades. But have you heard that there is a direct link between his food and his learning ability?

For those of you who may be pregnant, it is important to know that your nutrition, the food you eat, can affect the structure and functioning of your infant's brain.

The most rapid growth of the brain is from three months before birth to six months after birth. Poor nutrition at this time can result in retarded growth and development of the total number of brain cells. The effect of poor nutrition on the development and functioning of the brain depends on when the malnutrition occurs, how long it lasts, and how severe the malnutrition is.

Teachers say they can often pick out the child who has skipped breakfast. The child who had a good breakfast is more attentive, concentrates more and responds better.

What is a good breakfast? The 4-food breakfast pattern

is a good one to follow! 1) Fruit of any kind to sort of tease the appetite. At this time of year, we have many choices. 2) Something with "staying power" through the morning - our protein foods such as milk, eggs, meat, or peanut butter. 3) A bread of some kind to provide energy. 4) A beverage. And be sure to include milk somewhere.

Are you a woman who says you just can't eat breakfast? I don't believe you! Whenever we have an overnight meeting or longer, I have never seen a woman who didn't relish and look forward to her breakfast! If you can do it there, you can do it at home. And at the same time you can be teaching your children good food habits. Make breakfast a family meal and get everyone off to a good start for the day. Don't just think about it, start tomorrow morning!

BY MRS. JENNIE CRAWN

Mr. and Mrs. Paul Gilbert of Pinconning visited her aunt and uncle, Mr. and Mrs. Leonard Nallette and son.

Thurman Skarritt and John Cameron of Blaney Park motored to Hermansville Monday.

Mrs. Lanita Begola and children of Sterling Heights and Mr. and Mrs. Merle Anderson of Frankenmuth visited their parents, Mr. and Mrs. William Anderson.

Mr. and Mrs. Lynn Latsch of Kalamazoo visited his par-

ents, Mr. and Mrs. Herbert Latsch for several days and also visited her parents, Mr. and Mrs. Dwayne Peterson at Wells.

Mr. and Mrs. Robert Mayrand and children of Wyandotte spent several days camping on Manistique Lake and visiting her father, Mr. Arden Swisher and other relatives here and at Newberry.

Mr. Kenneth Lewandowski and friends of Chicago spent a week at the Skarritt's cottage on Manistique Lake and also visited with relatives in the area.

Card of Thanks

I would like to take this means of expressing my sincere thanks and appreciation to all my friends, neighbors and relatives for remembering me while I was a patient in St. Luke's Hospital in Marquette recently.

I would like to thank them for their cards, flowers and visits and making my stay in the hospital more pleasant.

Johnson gains degree

R. S. Johnson, son of Mr. and Mrs. Clarence Johnson and husband of the former Barbara Taylor of Manistique, received

his bachelor's degree in mechanical engineering from Michigan Technological University on Aug. 28. Mr. Johnson is employed by Inland Steel Co., East Chicago, Ind.

Our Thanks

to all of the people of Manistique and Schoolcraft County for their generous and enthusiastic support of Little League-- throughout the regular season, the exciting tournament play, and the trip to Williamsport, Pa. to view the Little League World Series.

We are proud of our fine youngsters and the showing they made, and are also proud to point to the fine support that we received from everyone. The youngsters are most appreciative of this help and encouragement, and we feel it has been a wonderful thing for our area.

Throw Snow The Modern
Way With A

JACOBSEN
Tractor

Snow shoveling today is not only outdated, it's also dangerous. With Jacobsen compact LT, Chief, or Super Chief, you needn't worry about sore muscles or aching back. A big 36" capacity, two stage snow thrower attachment moves giant amounts of snow quickly and easily. The large auger chews up the snow, hi-speed second stage rotor spins it out, and the directional chute puts it out of the way where you want it. For lighter jobs, a 34" or 38" single stage thrower is available as well as snow plow blades.
