Aphorisms---Laconics---Proverbs.

Truth has a good basis.

Give to him that asketh.

Remember, there are others.

Might too often makes right.

Replies are not always answers You can't hold a good man down.

Receive instruction with gratitude For to-morrow-tis St. Valentine

Knowledge to be a good thing must be rightly applied.

To such as are opposed to truth a scens harsh and severe.

A blunt truck is sometimes than a two-edged sword.

Intentions, as well as actions, must be good to be acceptable.

Never reproach another for doing wrong; unless you are sureliches done

of the earth is a decided nov-ity.

Tomay Morgan says, "The charity
bells are refined eracity. Lediesdeeded out in butterfly flasty and andient
with jevels, and men attired in brandcloth of fashionable cut, dance with
delight. For what? Because of human disgradation, suffering and almost hopeess despair." Those in distress will

not hesitate to newpt, a portum of the many thousands cottoff as gut bendering the control of the property of the control of t

which reduces share regities and to truthic and to imprise a sactions, must be a sactions, must be a sactions, must be a sactions, must be for soing a saction for soing a street has a discussed by the saction of the sactions of the sactio

Complaisance renders a superior maistle on equal agreeaby, and inferior acceptable.

There is genet comony of time in larinees. So many things need never be done at all '17 you put's mon'. There is one thing that all women should do—discuste herchidely month and the service your after eyes.

Some women have shattered their mids, torn, it all to fatters.

Some women have shattered their mids, torn, it all to fatters, on speak, by giving their husbanuls so many pleeze of all.

Love to God and love to man, is the life and soul, of all smooth justices in the mortistic properties of the comen philosophy; consequently, in one can be come philosophy consequently, in one can be comen philosophy consequently, in one can be comen philosophy to do not call him a binding the particle plane, don't call him a limit give the context he managers, the wanking delegates those who can be comen philosophy to do not can be comen philosophy to do not call him anoty propre.
