V. I. Hixson Speaks At Rotary Meeting

V. I. Hixson, Manistique speaker, spoke on "The Meaning of Rotary" at the local club's regular luncheon meeting Monday, March 15.

The speaker traced the history of Rotary International and explained that the name was adopted because the first meetings were held in the offices of various professions, rotating weekly. Since that time the name was changed to the Rotary Club has expanded to international importance with thousands of clubs formed in many foreign countries.

"My Profits Most Who Serves the Public" is the Rotary slogan, Hixson said and explained that the word "profits" used in this regard does not mean financial profit, but refers to the rewards gained from benevolent service.

STAR DUST

Movie Radio

Little did Jack Benny know what he was letting himself in for when he decided to go to New York for a few weeks and do his broadcasting from there. So many requests for tickets came in, and from very important people too, that the largest studio at Radio City wasn't anywhere near big enough to hold them.

As National Broadcasting Company had to rent the biggest hall in the Waldorf-Astoria and send the Benny broadcast out from an affable pit followed by no member practically everybody he ever met, and he has met thousands in his years of vaudeville, musical comedy, pictures, and radio.

First results of the Academy of Motion Picture Arts awards are being given to no one.

Used at the best of the year, has been given a five.

For the third successive year Walt Disney won the award for best cartoon, Mickey Mouse in 'Country Cousin' being the one singled out as the best of the year. You will have a chance soon to see all the Disney winners in one evening, and a chance to see the prize-winning comedies of the past five years, calling them the Walt Disney Review.

Edgar Bergen, the ventriloquist who has become such a favorite on the Radio Valley radio hour, has joined the wonderful array of artists, opera singers, and dancers that Sam Goldwyn has lined up for his Sam Goldwyn Follies. Bergen's skill as a ventriloquist was developed when he was just a youngster. He liked to play jokes on his mother, making strange voices call to her from various parts of the room. Later he worked his way through various university giving shows at college parties.

Apparently Sam Goldwyn won't be happy until he signs up nearly everyone of note in the entertainment world for his Follies company. You may have seen that Vera Zornin, a sensation, successfully young ballerina, under contract. You may have seen her in person for last year and the year before she toured the United States, playing one hundred and ten college parties. She won't just dance in Goldwyn pictures, but will be groomed as a dramatic play.

Jane Withers just dares any kid napper to come near her house threatening her now. In addition to her usual body guard, a Texas Ranger who looks as if he could rout an army single-handed, her father is usually around, and he has been sworn in as a deputy sheriff, complete with guns. Furthermore, there is an electric signal bell in all the police stations near Beverly Hills. Everybody is betting that the mischievous Jane will never be able to resist pushing the button just once, just to see the police come crashing to her rescue.

Camp Manistique Wins Top Honors In Garden Tourney

The scrappy Camp Manistique team, one of the strong squads of the Manistique city basketball league, captured championship honors in the Gold Medal tournament held last Friday, Saturday and Sunday nights at Garden. Garden, defeated by Camp Manistique in the final Sunday night, took second place while the Manistique Fords annexed third place by wallopping Coaks.

Ekdahl Will Get Try-Out From Detroit Lions Team

Harvey Ekdahl, son of Mr. and Mrs. Ed Ekdahl, Park avenue, has been signed for a try-out with the Detroit Lions football team next fall, it was learned in Manistique last Friday morning. Ekdahl, rated as the greatest football player ever developed in Manistique high school, was three times honored with selection on the All Upper Peninsula high school football team. After graduation from Manistique high school in 1935, he starred on the Jordan college grid team.

While in high school here from 1929 to 1933, he played under the direction of Coach Bill Cook and Oscar Wassberg. He played a regular position during his freshman year and starred, both offensively and defensively, in almost every game he played. In his senior year

way to the finals by defeating the Rock Spartans, 28 to 24, Friday night. Garden nosed out Camp Coaks, 30 to 29, Friday night and wallopped the Escanaba Liberty Loaners, 40 to 25, on Saturday night. The Fords took an easy game from the Escanaba Eagles Friday night, 46 to 23, and trampled over the classy Nahma outfit, 41 to 30, Saturday night. Coaks, which won its way into the final, defeated the Perkins quintet, 47 to 25, Saturday night.

he was unanimously elected captain of the local grid squad. Tommy Emmett, secretary of the Detroit National League Club, comments on the selection of Ekdahl as follows: "On the strength of your recommendation and the recommendations of other upper peninsula men, the Detroit National League Football Club has mailed a contract to Ekdahl today. Like yourself, we have no knowledge at the present time of how Ekdahl will stack up with such backs as Dutch Clark, Ernie Cadogl, Bill Shepherd and Ace Gutowski, but from the football ability of men like Gene Ronzani, Tuffy Leemans and John Cavosie and others developed in the upper peninsula, it is hard for us to reconcile ourselves that Ekdahl should not be given a chance."

"I'll do anything to get out of here!" he said. The heartlessness of the terrorists was displayed as they arrested W. G. Stephens, assisting in the preliminary machinery of warrants, for impersonating a judge, State police, city police, sheriff, all answered to similar charges.
