HAROLD ICKES KEYNOTER AT GRAND RAPIDS

INTERIOR SECRETARY SAYS ROOSEVELT NEEDS MURPHY

Grand Rapids, Mich., Sept. 30 (AP)—Harold I. Ickes, secretary of the interior, told the Michigan Democratic party convention here tonight that "Franklin D. Roosevelt needs Frank Murphy once more as governor of Michigan."

"If any self-seeking manipulator employed by an enemy of Frank Murphy has come sneaking to any of you with simulated connections in Washington to tell you that Franklin D. Roosevelt wants somebody other than Frank Murphy to be governor of Michigan, I am here from the cabinet of Franklin D. Roosevelt to give public challenge to that manipulator's supposed authority," Ickes said.

"Spirit of Bull Moose" Ickes predicted Murphy would be re-elected in November and said "so long—but only so long—as the Democratic party of Michigan x x x continues to be a liberal party, continues to be the inheritor of the spirit of the bull moose, the state of Michigan will continue to go Democratic."

Ickes referred to cut-over lands of the northern part of the state and said "there lies a past of grate natural wealth not husbanded even for the present day, let alone for posterity, because no government protecting the interests of all the people was allowed to step in and impose proper conservation methods in time. No Michigan man or woman needs to be reminded of what that failure of government has cost in terms of present-day welfare of the state."

Sit Downs Excusable Now, Ickes said, "the full impact of the machine age has developed in your great industrial centers problems which the government of Michigan must face 25 or even 50 years ahead of the time when those problems will have to be faced—if they ever have to be faced—in other parts of the country. x x x By comparison with other parts of America you are living and have got to go on living with the problems of the twenty-first century. And to live successfully x x x you must let your minds be bold."

After referring to Michigan labor troubles of 1937 and Murphy's part in settling them, Ickes said that "sit-down strikes x x x were an almost predictable release of the pent-up energy of the labor movement which had been compressed and fermented by a record sit-down of a majority of the supreme court x x x."

The court, he said, had "ground into labor" the "conviction that the courts were against labor and that there was no hope for labor except outside the law."

Social Conference Election Upset By Labor Delegations

Lansing, Sept. 30 (AP)—Labor delegates to the 26th annual Michigan conference of social work upset plans for the election of board of directors here today, nominating three so-called "labor" representatives to the board.

The conference, faced with a petition nominating the three from the floor, voted to cast its ballots by mail before Oct. 15 to give many non-attending members a voice in the election.

The three labor nominees, choices of delegates from the joint committees of trade unions in social work, were James G. Bryant, chairman of the state welfare commission; Alexander Handel of the state emergency relief department; and Garfield Geddes of the Detroit department of public welfare.

Those formally nominated were Percival Dodge, Detroit; H. J. Kelley, Grand Rapids; C. F. Ramsey, Ann Arbor; Dr. Paul Rankin, Wayne university; Judge C. F. Higbie, Grand Rapids; attorney general Raymond W. Starr; Cecile Whelan, Detroit; Glenn White, Kalamazoo, and the Rev. Fr. Frederic Seidenburg, retiring president.

Damage Repaired In Vulcan Rectory

Vulcan, Mich. (AP)—Parishioners moved the Rev. Simon Borkowski's furniture back to the rectory of St. Barbara's church here Friday, and women sewed new curtains to replace those destroyed in a clash Thursday when an attempt was made to install a new pastor in the rectory. Pickets continued to march around the rectory, defying the Salvation Order's transfer of Father Borkowski to a seminary at St. Nazians, Wis.

DUCK-HUNTERS TAKE CHANCES

One In Every 20,000 Due to Get Killed; 450,000 Open Season Today

Lansing, Sept. 30 (AP)—One in every 9,000 duck hunters taking the field this fall will be killed or wounded by gunfire and one in every 20,000 will be killed, the conservation department warned today.

On the eve of the opening of duck season, which starts at 7 a. m. tomorrow, P. J. Hoffmaster, director, asked the 450,000 hunters expected to take part in the season to exercise caution in the use of guns.

Last year 28 were killed and 89 wounded in the woods, 13 of the deaths and 37 of the injuries occurring during the small game season.

Hoffmaster said the green hunters are not the most dangerous, the experienced shot being more so because he becomes careless.

The department added 32 officers to its field force of 150 and promised all a good season if they obeyed the law and exercised caution.

Hoffmaster estimated the small game hunters will spend \$4,500,000 in the state this fall.

Father Kills Step-Son In Nightmare

Frankfort, Ky., Sept. 30 (AP)—George Taylor, a 29-year-old beer salesman, was relieved of blame but not of grief tonight by the verdict of a coroner's jury holding accidental the "nightmare killing" of his nine-year-old step-son, Ballard Rucker, Jr., early today.

"It's not so easy to get a thing like that out of your mind," he told neighbors who begged him to "try to forget."

Taylor strove to repress tears as he related how he awoke to find he had shot the child as the result of a dream in which he visualized a prowler in the house.

The bullet crashed through the door separating their rooms and pierced the sleeping boy's thigh, severing an artery. He bled to death despite an operation.

Requests For PWA Funds Total 10,000

Washington, Sept. 30 (AP)—Ten thousand requests for funds had been received when the deadline for filing applications under PWA's new \$2,000,000,000 program was reached tonight.

President Roosevelt said that although the deadline for actually beginning construction on such projects is three months away "over 1,390 projects are already under construction with dirt flying and wheels turning."

Ready to Keep Discipline In Sudetenland

Young German soldiers like those shown above, listed among the world's best fighting men, are lined up on the Czechoslovakian border this morning, ready to occupy Sudetenland and maintain "German order and discipline" in a bloodless victory for Adolf Hitler. These youths are members of the crack Reichhofen squadron, fighters on land and in the air.

WASTE BLAMED ON GOV. MURPHY

Chairman of Republicans Fires Opening Gun In Michigan Campaign

Detroit, Sept. 30 (AP)—James F. Thomson, Republican state chairman, blasted at Governor Murphy's record in office in a prepared radio address tonight that he described as the opening gun in the November election campaign.

Thomson accused Murphy of waste and extravagance in the administration of public funds, and said Michigan's unbalanced budget was the fault of "new deal ideas."

He contrasted the present state of the budget, declaring it millions of dollars in the red, with the cash balance approximately \$8,000,000 claimed by former Governor Frank D. Fitzgerald, Murphy's opponent in the election, when Fitzgerald ended his first term in office.

"We have heard much of Frank Murphy's pose as labor's friend at Lansing," Thomson said. "I do not desire to question his personal friendship with certain politicians who have assumed the role of labor leaders for their own political advancement."

"I have carefully studied the record for some constructive legislation in Murphy's administration to which labor may turn as evidence of the sincerity of his claim of sympathy. I find none."

He asserted Murphy never had explained "satisfactorily" action in voting in 1937 a labor relations act to provide machinery for peaceful settlement of strikes.

Wife Of Leon Case, Secretary Of State, Dies In Sanatorium

Lansing, Sept. 30 (AP)—Mrs. Edna Garratt Case, wife of Secretary of State Leon D. Case, died today in the Ingham county tuberculosis sanatorium.

Mrs. Case had been ill for a number of years, and was a patient in the sanatorium for nearly a year.

Her body was removed to Water-violet, where funeral services were arranged tentatively for Monday afternoon. The service will be read in the Waterviolet Congregational church.

Mrs. Case was born in Ohio, December 4, 1874, but had spent most of her life in Waterviolet, where her husband is a newspaper publisher.

Besides her husband, she is survived by two daughters, Mrs. Luther Copeland of Waterviolet, and Mrs. Jeannet Fitzsimmons, of Lansing; a brother, Van Garratt, of Seattle, Wash., and a sister, Miss Lavern Garratt, of Palo Alto, Calif.

Lake Michigan Boat Service Is Proposed

Grand Rapids (AP)—H. J. Gray, secretary-manager of the West Michigan Tourist and Resort association, Friday announced plans for a meeting in Muskegon Oct. 3 to discuss the possibility of bringing passenger steamer service to the Lake Michigan shore next summer.

Outing Of Convicts Called Inexcusable

Detroit (AP)—Governor Murphy Friday described as "inexcusable" the "outing" of three South-eastern Michigan inmates and their prison guard earlier this week. Murphy said he was certain the guard "violated the trust of the warden." The guard was suspended.

Wage Cuts No Solution Of Rail Problem, Union Spokesmen Claim

Washington, Sept. 30 (AP)—The fact-finding board appointed by President Roosevelt in an effort to avoid a nationwide railroad strike heard conflicting contentions from rail management and labor today.

Counsel for the carriers argued that, unless rail wages were reduced 15 percent, the roads would have to abandon mileage, operate fewer trains and close some stations.

Spokesmen for 800,000 workers, who have already voted to strike rather than accept the proposed pay reduction, insisted the solution of railroad problems lay not in lower wages but in "squeezing the water" out of capital structures.

They said, furthermore, that the proposed reduction would set a bad example for other industries and "send business into another nose-dive."

J. Carter Fort, chief counsel for the railroads, began the plea for his side by accusing railroad labor of causing the emergency. He said labor leaders "pre-judged the case" and rejected arbitration after the carriers gave notice of the wage reduction.

Charles M. Hay, counsel for 18 railroad brotherhoods, suggested that instead of reducing wages, many lines should seek voluntary reorganization under federal bankruptcy laws because they were trying to "carry impossible fixed charges."

"They squeezed our men out of jobs—a million of them," he said. "But they still have the wretched stock and securities."

Justice Stacy questioned labor spokesmen as to why they had not agreed to arbitration.

"We did not figure we had anything to arbitrate," Hay replied.

STORM SWIRLS ON LONG ISLAND

Seacoast Lashed By Gale Friday, But Property Damage Is Light

(By The Associated Press) The eastern end of Long Island's seacoast, devastated by last week's hurricane, was lashed yesterday (Friday) by a 40-mile-an-hour gale but suffered little property damage and no reported loss of life.

The storm, which originated in eastern North Carolina, swirled northward in the wake of a drizzling rain, piling up unusually high tides on the New Jersey coast and Long Island before howling off toward Nantucket, Mass.

Earlier in the day the coast guard received word the 5,500-ton freighter City of Atlanta, bound from Boston to Savannah, was in distress with disabled engine off Cape Hatteras. Later, however, the coast guard cutter Modoc received assurances by wireless that the ship, carrying a crew of 54, was in no danger and was proceeding to Savannah.

Crash Over Pacific Kills 2 Navy Fliers

San Diego, Calif., Sept. 30 (AP)—Two navy fliers, one of them the son of a rear admiral, were killed today when two land fighter planes from the aircraft Saratoga collided in midair 15 miles south of the Coronado Islands, navy authorities reported.

The dead were Lieut. W. S. Pys, Jr., son of Rear Admiral William S. Pys, commander here of Destroyer Flotilla Q, battle force, and Charles Frederick Erickson, aviation cadet.

The planes were engaged in regularly scheduled gunnery exercises when they collided and plummeted into the sea.

Michigan Colleges Show Big Gains In Fall Enrollments

(By The Associated Press) An Associated Press survey Friday showed an increase of 4,646 in the number of students enrolled this year in Michigan's 31 universities and colleges as compared with last year's enrollment.

The figures, which included seven junior colleges, showed a total enrollment to date of 47,825, while last year's figure was 43,179. In several instances the figures were estimated, since enrollment has not been completed.

Michigan colleges are expected to have a record enrollment of 50,000 students this year, according to statistics at this time last year in Upper Peninsula institutions.

Northern State, 653 and 549; Jordan, 135 and 73.

At Michigan Tech registration began Friday, and figures were not available.

Toy Pistol Robber Caught In Canada

Woodstock, Ont. Sept. 30 (AP)—Robert Cook, 21, of Brantford, pleaded guilty in police court today to robbing the Royal Bank of Canada at Thamesford of \$2,022 and was sentenced to five years in Kingston penitentiary.

Cook was captured by bank employees, whom he held up yesterday with a toy pistol, after a short automobile chase.

Adrian Gymnasium Presented To City

Adrian, Mich., Sept. 30 (AP)—Adrian college today gave the city a deed to the school's unfinished gymnasium and the land on which it stands. Construction of the gym began in 1929 and halted when funds ran out. The city plans to complete it as a civic auditorium through a \$42,000 bond issue and \$28,454 WPA grant.

POLES GOVT TERRITORY IN SILESIA AREA

ANSWER DEMANDED OF PRAGUE BY NOON TODAY

Prague, Sept. 30 (AP)—The Czechoslovak government, after bowing under protest to the Munich partition accord, received a new Polish note tonight calling for immediate response to Poland's territorial demands.

Poland has asked the Czechoslovak government to evacuate all Czechoslovak territory inhabited by Poles.

In Warsaw, the Polish government was understood to have set noon tomorrow (6 a. m. EST) as a deadline for answering its demands. Polish authorities have not disclosed just what the demands were but the region generally mentioned is Teschen Silesia, an area of 772 square miles where most of the Polish minority of approximately 100,000 resides.

Forced to Surrender Extra police and soldiers were drafted to curb demonstrations against the Munich accord after General Jan Szyrov, 50-year-old soldier premier, announced the government's decision to surrender Sudetenland to Germany in face of "a superior force which has compelled us to accept it."

The Munich agreement was published here for the first time tonight. The nation was reported to have received it calmly as a whole.

Radio programs were cancelled as a signal of national mourning. Only an occasional news bulletin or appeal for order went on the air.

General Szyrov, in a broadcast earlier in the day telling of the government's capitulation to the accord, declared:

"The Czechoslovak government in making this decision sends at the same time to the world its protest against this agreement, which was made in a unilateral manner and without its participation.

"We have been abandoned. We are all alone. Our neighbors are under arms. Our position is like that of a fortress besieged by crushing forces.

"My duty was to consider everything. As a soldier I had to choose the way to peace."

Rich Regions Lost General Ludwigi Krejci, commander-in-chief of the army, issued a proclamation that the "army associates itself with the profound mourning which this amputation of the heritage of our ancestors represents for us."

At the same time, he appealed to the army to protect loyally the new, shrunken state bereft of its rich industrial and agricultural Sudeten areas.

"Western Europe has asked this sacrifice from us categorically in order to prevent a world war," the proclamation said.

"In our oath we promised the president of the republic unconditional obedience. Destiny obliges us to fulfill this promise in the most painful circumstances."

The trade unions went on the air with an appeal for all working classes to remain orderly and refrain from demonstrations.

More than 50,000 Sudeten German Social Democrats who do not share the same views of their fellow nationals among the 3,500,000 Germanic minority already have fled Sudetenland to seek refuge in interior Czechoslovakia.

Czechoslovak officials said they expected the number to be trebled shortly. They said the problem of the refugees was overshadowed by those of Social Democrats unable to leave the territory to be taken over by the German army.

PRIZE FOR GERMANY

Berlin, Sept. 30 (AP)—Plebiscites are to determine the final extent of success crowning the scramble now under way by Germany, Poland and Hungary for Czechoslovak territory—a scramble sanctioned by western Europe's democracies.

Until the voting in areas with less than 50 per cent Germanic inhabitants.

Grand Rapids School Teacher Reinstated

Dead Woman's Vote May Break Election Tie In Kent County

Grand Haven, Sept. 30 (AP)—Whether a dead woman voted Republican or Democratic may break the tie vote between Tunis Johnson, former mayor of Grand Rapids, and Rep. James W. Hallwood, according to a theory advanced here Friday as plans went forward for a recount in 82 precincts in Kent and Ottawa counties.

Miss Mary Groter, 87, deceased, cast an absent vote, mailed it and died before the September 13 election. Miss Groter's vote, still sealed in the envelope in which it arrived at the city clerk's office, is on file here.

When the votes were being counted, an inspector remarked, "Why she's dead." Friday the opinion was expressed the vote should have been counted because Miss Groter was not officially dead. The Hallwood-Johnson tie vote is 4,533.

LEHMAN PICKED TO HEAD TICKET

New York Governor Will Seek Fourth Term As New Dealer

(By WILLIAM W. TYLER) Rochester, N. Y., Sept. 30 (AP)—New York state's Democrats met the Republican gubernatorial challenge of Manhattan's racketeer Thomas E. Dewey today by renominating Governor Herbert H. Lehman to head a ticket that won the praise of President Roosevelt.

Yielding to a draft by party leaders, the three-time chief executive immediately accepted the nomination for a fourth term in the president's home state. He opened his campaign by labeling the "incumbent" the 36-year-old district attorney he named a special prosecutor in 1935.

The president, in a telegram to the convention, declared himself "very happy" as Lehman was named on a platform endorsing the new deal and lauded other candidates on the slate nominated by acclamation. They included:

United States senator (six years)—U. S. Senator Robert F. Wagner, author of the national labor relations act.

United States senator (two years)—Rep. James M. Mead of Buffalo, ardent new dealer and author of considerable labor legislation.

Lieutenant-governor—Supreme Court Justice Charles Poletti of New York City.

Attorney-general—John J. Bennett, Jr., of Brooklyn, former state commander of the American Legion.

Chimpanzee Kidnap Case Stumps Star Snagger Of Gunmen

New Orleans, Sept. 30 (AP)—Detective Chief John Grosch, expert snagger of bank robbers, expert he could solve a kidnapping in the Audubon Park zoo by putting the handcuffs on a lady chimpanzee.

Mrs. Luizette, today but he failed. Wednesday Mrs. Coco, also a chimp, gave birth to a baby. Her husband, Pete, flew into a fury when she dropped the infant.

Mrs. Luizette rushed in, snatched up Mrs. Coco's offspring, and nothing the keepers could do would force her to part with the tiny chimpanzee, even though she couldn't nurse it.

The baby chimp faced starvation. Zoo Superintendent Frank Neels wired the St. Louis and Chicago zoos, asking advice. George P. Viereheller, St. Louis zoo director, suggested lassoing Mrs. Luizette.

Then Chief Grosch appeared with his handcuffs. He could grab Mrs. Luizette by the arms but he lacked strength to cuff her.

Finally the chief and the keepers tried to lasso Mrs. Luizette. Once they got the rope around one leg. She stooped over and untied the knot. Everybody gave up for the time. Neels said if the baby were not fed soon it would die.

Fishermen Saved, Then Boat Sinks

Bay City, Mich., Sept. 30 (AP)—Two fishermen were rescued today eight miles from shore in Saginaw Bay and a few minutes later their boat sank. Detective Lieut. Carl Schultz and Police Judge Edwin Boden, who made the rescue, said the men told them they had been adrift a day and a half, their motor having failed. The boat had begun to leak. The rescuers did not learn the men's names.

FRONTIER POSTS TAKEN Berlin, Oct. 1 (Saturday) (AP)—The first contingent of German troops crossed the Czechoslovak frontier near Aigen, upper Austria, early today starting Adolf Hitler's occupation of territory granted him by the four-power Munich accord.

The grey-clad German infantrymen marched over the border shortly after 1 a. m. (7 p. m. EST, Friday) little more than an hour after the midnight deadline Hitler had set for his occupation.

An infantry battalion, its exact strength undisclosed, advanced along several roads from Aigen to take possession of posts immediately behind the Czechoslovak frontier in southwestern Czechoslovakia.

It was explained this movement was regarded as merely a vanguard, reconnoitering the terrain and preparing for the main army of occupation to march in later today to take over the first of four Sudeten districts granted Hitler by the pact.

Troops Number 30,000 The main body of troops, some 30,000 men assembled along the border of German Austria, was expected to follow up the vanguard shortly after 6 a. m. (12 midnight EST).

With the first units of the occupation army ready to take over the Kraumau region of Czechoslovakia on Saturday and Sunday under the Munich accord, Colonel-General Walter Von Brancich, commander-in-chief of the army, issued the following order of the day:

"Beginning October 1, the German army will enter the German region of Czechoslovakia liberated by our Fuehrer.

"The German army enters the relieved territory with proud joy to be the herald of German order."

Adrian, Mich., Sept. 30 (AP)—Arthur Smalley, 67, of Blissfield, was killed tonight when his automobile collided with one driven by Jesse Love of Blissfield at an intersection 12 miles south of here. Love escaped with minor injuries as did Smalley's two companions, his wife and Miss Althea Marha, Blissfield school teacher.

Rules For Touch Football Are Given

For the benefit of those persons playing touch football, a list of rules was issued yesterday by the city recreation department.

The rules, as used in the intramural department of the University of Michigan, are as follows:

Time—Eight-minute quarters with one minute between (straight time).
Three minutes overtime period.

In case of a tie score the team in possession of the ball shall be allowed to retain it with the down and the point to be gained remaining the same. If, after the extra period has been played, the score is still tied, the team advancing the ball the farthest in four downs shall be declared the winner. The team in possession of the ball shall start on its thirty-yard line and advance the ball as far as possible in four downs. The opponents shall then take the ball at that spot and try to advance it beyond the same thirty-yard line in its four downs.

Should the first-mentioned team score from the thirty-yard line in its four trials, or less, the other team has an opportunity to score in the same number of downs, or less. If the teams are still tied another four-down series from the thirty-yard line shall be allowed each team, etc.

Equipment—No metal cleats are allowed but regulation football or soccer shoes are legal equipment.

Winner of Toss—Choice of kicking, receiving, or defending a specific goal.

Loser of Toss—Option, as above, at beginning of the second half.

The Game—The official football rules shall be used with the following exceptions:

Nine players on a side.

The kick-off shall be made from the thirty-yard line.

On offense, there must be at least five men on the line of scrimmage. Penalty—5 yards.

A player may be substituted any number of times.

On the kick-off, the ball going over the sidelines, between goal lines, shall go to the opponents at a spot ten yards in from where it went out of bounds.

In case of a free ball on the ground the ball shall go to the player first touching it. (Eliminates the necessity of diving on the ball.)

There shall be no tackling, or rough handling of the ball carrier passer, or kicker. Penalty—15 yards from spot of foul.

The man having possession of ball is considered down when he is simultaneously touched by BOTH HANDS OF AN OPPONENT. A ball carrier who has not been tagged, but who accidentally falls to the ground, may continue to run.

There shall be no violent or strenuous blocking at any time; i. e. offensive or defensive player leaving feet to take out an opponent. Penalty—15 yards from spot of foul.

If a team does not advance the ball ten yards in four consecutive downs, ball goes to opponents at that spot.

Only one forward pass may be made during each play but such passes may be made from any distance behind the line of scrimmage.

Any number of lateral passes may be made during a play.

All players of the offensive team are eligible receivers and any player of the defensive team may intercept a pass.

The first forward pass in any series of downs (except on the fourth down) which becomes incomplete by striking the ground, second originally eligible player of the passers team, or any obstruction on, above, or behind the opponents' goal line shall be penalized as though it became incomplete in the field of play. Penalty—Loss of down.

A forward pass which becomes incomplete behind the passer's goal line is a safety.

SCORING

Touchdown 6 points
Field goal 3 points
Safety 2 points
After touchdown 1 point

Summary Of Penalties

Loss of down—Second forward

pass during same play; incomplete pass; intentionally grounding pass (also 15 yds. from spot of previous down); interference by team "A" with player eligible for catch (also 15 yds. from spot of previous down).

Loss of 5 yards—Request for time out more than 3 times during a half; illegal delay of game by either team; failure of substitute to report; violation of kick-off formation; encroachment on neutral zone; interference with opponents before ball is out in play; player of kicking team ahead of restraining line; player taking more than 2 steps after fair catch; player receiving team ahead of restraining line; illegal use of hands and arms by players of defensive team; running into the kicker.

Loss of 15 yards—Forward pass by player of defensive team; intentionally grounding pass to save loss of yardage; interference by passing team with player eligible for catch; interference with opportunity to make fair catch; throwing to ground the player who has made fair catch; roughing the kicker; flagrant roughing of kicker (also disqualification); tripping, tackling runner out of bounds, etc.; unsportsmanlike conduct by player; flagrant unsportsmanlike conduct (also disqualification).

Loss of half distance to goal line—Striking, kneeling, kicking, etc. (also disqualification); foul within 1-yard line.

Loss of ball—Kick out of bounds at kick-off; failure to advance ball 10 yards in four downs; forward pass touched by ineligible player; interference by team which did not make pass; illegal use of hands or arms when ball is free; free ball kicked or kicked at.

Disqualifications—Striking, kneeling, kicking, etc. (also half distance); flagrant roughing of kicker (also 15 yards); flagrant unsportsmanlike conduct (also 15 yards).

LICENSE PLATE SALE IS MOVED

Auto Tags Not Available After Today

The sale of Michigan license plates for automobiles in Escanaba has been transferred from the Delta county treasurer's office to Charles Johnston's print shop, 711 Ludington street, according to word received yesterday from the secretary of state's office by Ralph R. Olsen, county treasurer. Today will be the last day plates will be available at the courthouse, as the move takes effect on Monday.

About 6,000 plates have been sold so far this year in Delta county, all being handled through the Escanaba office excepting a few hundred in the city of Gladstone. Considerable congestion in the treasurer's office has been caused by the addition of the automobile license work to other functions of the office, Olsen said yesterday. The work has been especially heavy when his staff, working in cramped quarters, has been forced to make out tax bills and handle other county funds during the peak of the license sale near the deadline after the first

NEW SANITARY RULES ADOPTED

Three Cooperating State Agencies Develop Regulations

New sanitary regulations, recently adopted by the Michigan department of agriculture, department of health and liquor control commission, have been announced. Copies of the rules, which establish minimum requirements for places where food, beverages and alcoholic drinks are handled, have been received by Henry Newkirk, Delta county sanitarian, and are now available at his office.

The sanitary regulations have been adopted by the three cooperating state agencies in the interest of public health. Regulations include:

1.—Building must be substantial construction, with adequate drainage and clean premises; food and beverages must be protected from contamination; water supply must be approved by the state; buildings must have screens at windows and doorways; toilets and washrooms must be clean and supplied with soap and sanitary towels; outside toilets must meet state requirements.

2.—Cracked or chipped dishes not permitted for use in preparing or serving food; all dishes and utensils must be thoroughly washed with soap in water not less than 110 degrees F., then sterilized in water not less than 180 degrees F. for not less than two minutes; refrigerators must be kept clean.

3.—Employees must wear clean clothing and be clean in person. Persons with infectious diseases may not be employed.

4.—Garbage must be stored in fly-tight cans, then disposed of in a manner not to create a nuisance.

5.—Milk must be served in original containers, as delivered from a dairy or milk plant.

6.—Proper signs must be displayed if oleomargarine is sold or served.

7.—Proper signs must be displayed if skim milk cheese is sold.

Liquor Establishments

Minimum requirements for establishments dispensing beer, wine or liquor:

1.—All bars, counters, tables, equipment and fixtures shall be kept in a clean and sanitary condition.

2.—Draught beer equipment shall be cleaned as often as necessary to keep in sanitary condition. Beer shall not be drawn through tubes with rubber linings.

3.—Air intakes on pressure pumps for draught beer equipment must permit only clean air to be used.

4.—Receptacles for serving beer, wine or liquor must be washed clean and then sterilized after each separate use either by immersion in water not less than 180 degrees F. for not less than two minutes, or in clean water containing chlorine sterilizing solution, and thereafter rinsed in clean water.

5.—Sanitary toilets should be provided. Outside toilets are permitted but their construction must be in accordance with state specifications.

Mackinac County Fishermen Will Meet On Tuesday

St. Ignace—A meeting to reorganize the Commercial Fishermen's Association to include sports fishermen as well, has been called by President Fred K. McDonald for next Tuesday night at the court-house at 7:30.

State Senator James Dotsch, of Garden, a commercial fisherman, will be the principal speaker. Senator Dotsch will speak on conservation as it affects commercial fishermen and sports fishermen.

"The St. Ignace commercial fishermen organized last December," President McDonald said today, "but we need a reorganization to include sport fishermen in Mackinac county and bind both into a sportsmen's organization that will do something to help all of the fishermen."

Election of officers for the coming year and selection of a suitable name for a new organization will be taken up at the meeting. Several sport fishermen now belong to the Commercial Fishermen's Association and more have been invited. For this reason, some have pointed out, it is better to have both the sport and commercial fishermen in one organization.

St. Ignace commercial fishermen planted thousands of fry last year through their organization, and they now aim to enlist the help of the sport fishermen and stock the streams of Mackinac county with brook trout as well.

"There is a need for a sportsmen's organization here," Conservation Officer Ray Walker said, "because the benefit of wildlife can only be secured through conservation."

Officers of the Commercial Fishermen's Association are: F. K. McDonald, president; Harley Hagen, secretary; and Frank Halberg, treasurer. Members of the board of directors are Capt. Nels Nelson, Capt. Olaf Mechanson, Elmer Corp, Carl Halberg, Charles Massey, Julie Hagen, I. H. Kolbe and Dolphus LaLonde. There are 80 members in the organization.

Week by Week Story Of Old Orchard Farm

Potato Harvesting at Press Experimental Station Is Described

—BY JOHN P. NOITON—

Fall Days on Farm.

Although the season known as Indian summer is supposed to come in October, it looked like Indian summer on the farm this week. When we walked over the farm one morning the sunlight was bright and warm, white ash trees made brilliant splashes of yellow on the landscape, oak trees were contributing much red to the woods, and some of the maples caught our attention by their vivid yellow and red leaves.

Ripening fields of corn, beautiful displays of purple, waterfowl in the air, and squirrels raiding the new supply of acorns and hickory nuts added to the Indian summer picture.

In the deep woods there is evidence that summer is not yet ready to give up for the year, in spite of the fact that autumn is closing in. A few lobelias are still showing their blue flowers, and

a number of fall bell-flowers are competing with the lobelias to add color to the woods. Both of these flowers have long seasons, and the warm weather of last week has been to their liking.

A Surprise Shrub.

This week we were quite surprised to find that a shrub which was much better known to planters than to today's outdoor fans is one of the most attractive on the farm because of its autumn foliage. This is the "toothache tree" or the prickly ash. The bark of this tree was chewed by early settlers as a remedy for toothache. This week the prickly ash gets into the picture not because of its medicinal qualities but because it has such beautiful yellow foliage.

The chickens and guinea hens in the barnyard had an unusual visitor the other day. The flockmaster reports that when he went into the barnyard to feed the poultry he noticed that one of the hens stayed in the background for a few minutes instead of taking its share of the corn and oats. A few minutes later the shy bird edged its way up to the feed trough and started pecking away at the feed.

Then the flockmaster noticed that the hen wasn't one of the ordinary barnyard birds. It was a half-grown hen pheasant! The bird evidently had come into the barnyard from the roadside and joined the poultry. When we were driving along the road near the barnyard last week we noticed about half a dozen pheasant hens congregated there, but we didn't believe any of them would be bold enough to fly into the barnyard for a free meal!

Doe Fawn Moves In.

The pheasant isn't the only visitor in the barnyard these days. Susie, the doe fawn which has been on the farm for several weeks, is now sticking her nose into the feed troughs which used to be reserved for the chickens. Every time the flockmaster goes into the barnyard to feed the poultry Susie is right up in the front row to get her share, so extra rations of corn and oats have to be provided. Not content with taking the corn and oats which used to be reserved for the chickens, Susie has also taken over one of the chickens' brooder houses. Every night the deer walks into one of these houses to sleep, and the guinea hens and chickens which don't like her company either have to roost outdoors or go into the other chicken house.

City Recreation Centers Reopen; Webster Has Pool

The city recreation center, South 14th street and Third avenue, and the Webster Annex, located by the Webster school, will be opened Monday afternoon at 3:30. A varied program of recreational activities will be conducted by WPA recreational leaders under the supervision of the city department of parks and recreation.

The centers will be opened in the afternoon to boys and girls below the ninth grade. Those in the ninth grade and over are allowed to come in the evening.

Regular attendants at the Webster Annex will be glad to know that a pool table has been purchased at a great bargain and will be installed as soon as possible. In addition to pool, the center offers ping-pong, miniature bowling, quiet games, a wood-working shop, arts and crafts, music, drama, storytelling, and modified athletics. One of the features to be introduced at the city recreation center will be "adult night" on Wednesday evenings.

Only those out of school will be admitted to any of the activities which will consist of shuffleboard as the athletic event, arts and crafts, drama, wood-working and table games. Younger people are requested not to embarrass supervisors of the building by having to refuse admittance.

Although the city department of parks and recreation is very desirous of cooperation in all ways, it is necessary to refuse the use of the buildings for political or any other meetings not concerned with recreation. This policy is necessary because the buildings are being used to capacity every day from 3:30 to 5:30 and 7 to 9:30 at night. The only exception will be in the case of Boy Scout troops meeting at the Webster Annex.

ART EXHIBIT IS OPEN TO PUBLIC

Teachers Work Long at Jefferson School Project

The art exhibit at the Jefferson school, designed for the teachers convention next week, will be open to the general public on Thursday and Friday of next week. It was announced yesterday by Supt. John A. Lemmer.

The project, upon which public school teachers spent 278 hours after regular school sessions, has been designed to show the correlation of art with other school subjects. It is expected to be one of the most interesting exhibits of the convention.

During the convention, 48 girls, members of the Escanaba Mortarboard of the senior high school, will serve as guides through the building.

The exhibit was constructed under the direction of Miss Mary Melghen, elementary supervisor, and Miss Lois Gaut, art supervisor. Chairmen of the various grades cooperating were: Margaret Bezold, kindergarten; Eva Fiemstrom, first; Denise Quinlan, second; Frances Crahan, third; Margaret Wilson, fourth; Lucille Warrington, fifth; and Bernice Firkus, sixth.

FDR APPROVES LOCAL PROJECT

Health Department Will Get Record Revision Through WPA

President Roosevelt has approved a WPA project carrying an allotment of \$4,968 for the revision of records of the Delta county health department. Congressman John Luecke of this city was advised yesterday. The project will be under the supervision of Dr. Roelof Lanting, health unit head.

Described as a project "to transcribe cross indices and file basic health department records dating from January 1, 1937, to January 1, 1938," the project will make data on births and deaths available to the health department in a more usable form. Transcribed records will make it possible to tabulate the total number of deaths due to any particular cause and to compare areas within the county with regard to immunization by any cause.

Immunization records, covering those who have been protected from communicable diseases, will also be revised under the project so that the health department will know better just what proportion of the population is protected and

Survey Of County Health Unit Made Here By Dr. Buck

Dr. Carl E. Buck, field director of the American Public Health association, has just completed a survey of work done by the Delta county health department. The local survey is a part of a check-up on work done throughout the state, and Delta county was selected as a sample county representative of the Upper Peninsula.

With the cooperation of the county department, Dr. Buck reviewed accomplishments of the county unit in all phases of its work. When completed, his survey will be the basis of recommendations to the state health department as to how it may be of greater service to the counties which it serves. The state department of health may then set about improving its services, working from the field director's recommendations.

Dr. Buck, in his connection with the American Public Health association of Radio City, N. Y., is continually checking over health work being done throughout the country. It is his aim to visit every state at least once in every two years, conducting sample surveys showing how the public health work is being carried on.

He left here for Newberry, one of the older health departments of the Upper Peninsula, to review work that has been done there.

The chestnut blight is the most virulent and destructive disease of forest trees ever recorded.

what immunization might be necessary if an epidemic threatened.

To Employ Eleven

Eleven clerks, including one in a supervisory capacity, will make up the staff of the new project, which now needs only the approval of the comptroller general to insure its going into effect. About nine months will be required for the work.

The project will probably be headquartered in the county court-house. Housing is provided by the county, together with equipment and other costs totaling \$281.

The balance will come from the federal government, Works Progress administration.

Not Much Help

GOVERNOR FRANK MURPHY certainly will not get much satisfaction out of the announcement by Clarence Hathaway, editor of the Daily Worker, that the Communists of Michigan are giving him their support in his race for reelection.

Two years ago, the Communist party ticket did not make much of an impression at the polls. Philip Raymond, Communist candidate for governor, was accorded only 2,071 votes.

As politicians, the Communists are unpredictable and inexplicable. In Russia, the Soviet government has waged a long and bitter campaign against the Catholic church and other religious denominations, but in Michigan they offer to vote for Governor Murphy, who is a devout Catholic and therefore abhors Communism.

The M-35 Relocation RELOCATION of Highway M-35 through the J. W. Wells state park is provided for with the granting of \$73,540 for a WPA project.

The new route of M-35 through the park will be through a swamp area at considerable distance back of the present road which skirts the lake shore.

Many lovers of exceptional scenery will regret the modernization of Highway M-35. There are many of them who feel that those who want to travel in haste on a through route between Menominee and Escanaba can utilize US-41, while M-35 should remain a winding, gravel road, with its natural charm undisturbed.

A Hitler Victory THE world rejoices that another major conflict in Europe has been averted for the time being by the agreement reached by Germany, Great Britain, France and Italy at the Munich conference in the dispute over Adolf Hitler's demands for cession of the Sudeten region of Czechoslovakia.

The results of the conference must be considered as a big victory for the Fuehrer, and it will serve to strengthen the hold he has upon the imagination and devotion of the citizens of the Reich.

Rally Day Will Be Observed at Church Sunday

The Sunday school and congregation of the Norwegian-Danish Lutheran church will have a rally day Sunday. The Sunday school will meet at 9:15. Classes are arranged for the season's work. This Sunday will be the beginning of the new school year. All the teachers and students are asked to be present. New scholars are welcome. Visitors are invited.

At 10:30 the Sunday school will unite with the congregation in the morning worship, and will have part in the service. The primary department will sing "God Bless You" and "Sunday at Our House." The Sunday school will sing "Our Sunday School," "The Jewels" and "Jesus is All the World to Me." The anthem, "O Be Joyful in the Lord," by Herbert J. Lacey, will be sung by the Senior choir. The Junior choir will also give a number. Rev. R. L. Lund will speak on the topic: "Jesus Blessing the Little Children."

The services Sunday evening at 7:30 will be held in the Norwegian language. "Herrens Veisignelse" will be the theme for Rev. Lund's sermon. There will also be special music at this service. Everyone is welcome to attend.

Church Events

Miss Bonander, Speaker

Miss Ruth Bonander of Chicago will address the pupils and teachers of Bethany Lutheran Sunday school on the subject of Junior Mission activities within the Augustana Synod, at a meeting which will be held this afternoon at 2:30 o'clock in the church parlors. Parents and others interested are welcome to attend.

Claire Moreau, Ernest Johnson Wed In Chicago

At a pretty wedding which took place in Chicago, Saturday, September 24, Miss Claire Moreau, daughter of Mrs. Philip Moreau, 1507 North Sixteenth street, this city, became the bride of Ernest Richard Johnson, son of Charles Johnson of Powers.

The ceremony took place in St. Mel's Catholic church, 4300 Washington Boulevard, Rev. Fr. Sheld officiating. Miss Marjory Johnson and Raymond Johnson, sister and brother of the bridegroom, were the attendants.

The bride, who was given in marriage by Michael Woods, brother-in-law of the bridegroom, wore a beautiful fitted gown of white silk moire, with puffed sleeves and a full skirt. Her veil of illusion was finger-tip length, and her sandals were of white satin. She carried a bouquet of white roses and sweet peas with streamers of love knots.

Her bridesmaid wore a model of blue taffeta, with short puffed sleeves, ruffled skirt, with a sash of peach shade, and her coronet and matching veil were the color of the sash. She carried Talisman roses.

After the ceremony a wedding dinner was served at Sollicks Bieruterbe and later a reception for fifty guests was held at the home of Mr. and Mrs. Woods.

The young people left later in the day on their honeymoon trip during which they have been visiting in Milwaukee, with the bride's mother in this city and with Mr. Johnson's father in Powers. They will make their home at 4133 Washington Boulevard, Chicago. The bride has been with the Allcraft Printing company and Mr. Johnson is employed by the Keeshen Motor company in Chicago.

STRAINED IN STORM

Negaunee—John H. Bush, manager of the Cleveland-Cliffs Iron company, and his son, Richard, had a narrow escape from the hurricane which swept the New England states last week. He returned to Negaunee yesterday.

Mr. Bush went east with Richard, who has enrolled in the Massachusetts Institute of Technology. On their way they saw swollen streams and their progress was impeded by heavy rains.

There was, however, no hurricane warning. The situation became worse, streams flooding their banks and highways. Finally, going several miles out of their way, they reached Amherst.

all parts of the United States attended the conference sessions.

Mr. and Mrs. Marcus McNabb have returned from Menominee where they attended the funeral services for Henry Salen.

Mr. and Mrs. Ernest R. Johnson, who have been spending their honeymoon in the upper peninsula, visiting with Mrs. Johnson's mother, Mrs. Philipp Moreau, and with relatives in Powers, have returned to Chicago where they will make their home. Mrs. Johnson is the former Claire Moreau.

Guenette-Germain

At a wedding ceremony which took place Tuesday morning at Sacred Heart church, Schaffer, Miss Bernice Guenette, daughter of Mr. and Mrs. Leonard Guenette of Schaffer, became the bride of Fred Germain, son of Mr. and Mrs. Joseph Germain, Sr., of Danforth.

Rev. Fr. Joseph Remillard was celebrant of the nuptial high mass at 9 o'clock.

The bride was attended by Miss Elsie Germain, sister of the bridegroom, and Leo Guenette, brother of the bride, who was best man.

The bride wore a becoming gown of purple plum velvet of princess lines, and a turban of velvet of the same shade, with a graceful shoulder length veil. She carried pink and white roses, purple poms and gladioli. Her bridesmaid wore a gown of wine velvet, a matching velvet hat with a shoulder length veil the same shade, and her arm bouquet was formed of yellow

roses, white poms, sweet peas and gladioli.

A wedding breakfast was served at the home of the bride's parents and a dinner at the Germain home, with covers for fifty guests, and in the evening a wedding party was held at the Argonne Gardens.

Mr. and Mrs. Germain will make their home in Danforth temporarily. The bride is a graduate of St. Joseph's high school and Mr. Germain is employed by the Dion Timber company at Gay, Mich.

How Women in Their 40's Can Attract Men

Here's good advice for a woman during her change (usually from 35 to 40), who here should look her appeal to men. The women who get more men in their 40's are those who use a reliable "WOMAN'S" tonic like Lydia E. Pinkham's Vegetable Compound, made especially for women. It helps women build up physical resistance, thus helps give more vivacity to enjoy life and ward off the many ailments and distressing symptoms that often accompany change of life. Pinkham's is WELL WORTH trying.

St. Ignace—Chester B. Wing, for 12 years the nation's leading designer and builder of propeller-driven sleds for use on ice and snow during the winter, will be tendered a contract to construct one or more of such "aeroleads" for the nation of Estonia, if federal restrictions on export of such machines are not too exacting.

Mr. Wing was approached this week by Clifton C. Coldren, Chicago counsel for the nation of Estonia, and was requested to inform the Estonian government if he would be able to accept a contract for construction of "one or more airplane propeller powered sleds equipped with runners interchangeable with skis."

Wing cabled Estonia on Sunday, asking for specifications. He has already been notified that Estonia wants one of his aero-sleds, powered with an air-cooled motor and propeller, which will seat five persons, enclosed, to be used for military patrol, and having a cruising range of 250 miles on one fueling of gasoline.

BACK BUCK LAW
Iron River—That upper peninsula sportsmen favor the continuance of the one-buck law is shown by passage of a resolution yesterday at the twentieth annual convention of the Northern Michigan Sportsmen's association. The legislative and conservation department will be advised of their action. The resolution, presented by the Marquette Rod and Gun club, sets forth that there is an abundance of winter browse for deer in the upper peninsula. The vote of delegates on the question was 21 to 12.

There was some support for the view that the law should permit the killing of does in some over-browsed areas. One of these areas, it was said, Drummond Island. The matter was dropped with the suggestion that it be left to the discretion of the conservation department.

PARKING STUDIED
Marquette—Placing the matter in the hands of a committee representing the Better Business Bureau of the Chamber of Commerce, merchants of Marquette have determined to cooperate with the city police department in a study of traffic conditions which, they hope, will result in a satisfactory solution of the parking problem in the downtown business section.

A discussion of parking took up a large share of the meeting which followed Wednesday night's dinner session of the Business Bureau at the Clifton hotel, it being the consensus among store-keepers that automobile parking and traffic congestion have become so acute on Washington and Front streets that merchants on those streets are losing business.

Today's Recipe

Mrs. F. D. Wells of Powers writes for a copy of a recipe for **Glorified Apple Butter**, which appeared in the Press last year, and concerning which she says, "As this is so very delicious, I would not consider my jam shelf complete without it."

Apple Butter
Ten pounds tart apples
Four pounds sugar
One teaspoon each of ground cinnamon, allspice and cloves
One cup cider vinegar, or you may use one and one-half cups sweet cider instead.
Salt to taste
Cut up apples and cook until tender. Put through colander, then add cider, spices and sugar. Cook all together until thick. Seal while hot. As this has a tendency to burn it is best to cook the mixture in the oven for about two hours.

FAVOR FALLS SUIT

Iron River—Delegates to the twentieth annual convention of the Northern Michigan Sportsmen's association yesterday afternoon endorsed the action of the state conservation commission in bringing suit against the Copper District Power company to prevent the diversion of water from the middle branch of the Ontonagon river to the injury of Bond and Agate falls.

The ratio of approval was five to one, but the vote came only after a spirited discussion during which the company's project was defended.

The resolution to support the commission was presented by Peter J. Trudell, Jr., of Negaunee, president of the association, who said he believed "the state conservation

commission deserves support in its effort to establish the people's rights with regard to public property."

GOOD COMPANIONS

PIN LEAGUE TO BE ORGANIZED

Men's Loop To Be Bigger Than Last Year, It Appears

Organization of a men's bowling league is to be effected here Monday night and a meeting to be held at 7:30 o'clock at the Riello alleys has been arranged for the purpose. It is announced by Walter Van De Weghe, expert pinster and ardent booster of the sport.

Van De Weghe last year and for many years has served as league secretary. Other officers last year were Vincent Johnson, president, and Walter Lied, vice president.

A year ago 12 teams participated in league play. This year, according to present indications there will be 14 or 16 teams in the loop.

All persons interested in bowling or in entering teams in the league are invited to attend Monday night's meeting.

William S. "Bill" Skellenger started the season right the first evening by toppling the maples to the tune of 367. Always a tough competitor, Bill, by this score and others bowled yesterday, gave promise of being harder than ever to top in league matches.

CITY BRIEFS

Mrs. Walter Boucher and Mrs. Clarence Goodman motored to Menominee Friday where Mrs. Boucher attended the funeral of a friend and Mrs. Goodman visited with Mrs. Hugh K. Cavill during the day.

Mrs. August Feldt and Mrs. Eil Eaton visited with friends at Marquette and Menominee Wednesday.

Ross Gilbert Bates, Detroit, is visiting with his grandmother, Mrs. Margaret Bates, 717 Delta avenue.

Mr. and Mrs. Kenneth Smith are the parents of a son born yesterday morning at the family home on Wisconsin avenue. Mrs. Smith was formerly Miss Rossie Moore.

Mr. and Mrs. Harold Baker and son Jerry and Mrs. Tom Kichelski of Rhinelander are visiting at the A. J. Minnick home, Minnesota avenue.

Mr. and Mrs. F. S. Patton left last night for Dodgeville, Wis., where they will spend several days.

Mr. and Mrs. S. E. Johnson of Chicago are spending the weekend visiting with friends.

Mr. and Mrs. Leo Weingartner have moved from their home at 1102 Wisconsin avenue to 617 Delta avenue.

Seven Additional Students Now On Local Debate Crew

Seven more students have joined the Gladstone high school debate squad and will try for positions on the varsity trio.

They are Dolores Buckmaster, Ed Johnson, Nancy Aiguitre, Dorothy Jean Johnson, Ruth Danielson, Rita Rasmussen and Lillian Johnson.

Others previously reporting were Joan Cannon, Betty Ann Paine, Eileen Thivierge, Alice DeHlin, Samuel Cassidy, Paul Cowan, John LaFave, Robert D'Amour, Marie Rose, Jahne Hupy, Ruth Dahlbeck, Arlene McCormick and Eugene Noblet.

The squad met for the second time Thursday evening at which time the question to be used this season was analyzed and preliminary assignments made on several sub-topics.

Bertrand Henne will not only assist in developing varsity teams but it will also allow a greater number of students to take part in actual debates. General participation has been somewhat restricted in the past by the limited schedule in the formal series of arguments.

KUEBER HEADS GOP

Marquette—At a meeting of all precinct chairmen and vice-chairmen last night, Joseph F. Kueber, Marquette attorney, was elected Republican city chairman to succeed Clayton F. Frel, who resigned after serving for two years in that capacity.

The newly-elected precinct leaders also elected Rickie Weston and Mrs. William Brockley vice-chairmen of the city committee. Frel and David M. Hackney were elected honorary city chairmen.

It has been estimated that there are only about 30,000 Eskimos.

PALETTE OF ICE CUBES

Make fruit ice cubes for the punch bowl. Half fill ice-cube trays in the mechanical refrigerator with water. When the cubes are partially frozen insert fresh cherries, strawberries, orange rind or lemon slices. Add bits of mint leaves for color contrast. Cover with more water and freeze.

Smooth-textured Desserts
When making frozen desserts in which there is a quantity of whipped cream, whip the cream only until smooth, not stiff. Cream whipped almost to the butter point tends to separate when com-

binated with other ingredients and frozen, with a resultant curdled texture.

SAUSAGE-COOKING HINTS
Pork sausage requires slow cooking. If much fat collects, drain it off—to prevent greasiness. Pierce link sausages several times with a fork to prevent them from bursting while cooking. To form a brown, crusty covering on sausages sprinkle them with flour just before they are cooked.

With about 500 men, Cortez conquered the entire Aztec nation by holding the Emperor Montezuma as a hostage.

RIGHT CHICKENS FOR FRYING

Frying chickens should weigh from 2 1/2 to 3 1/2 pounds dressed. The breastbone should be feasible, the body well-rounded and evenly distributed with fat, the skin soft, smooth and slightly oily, unblemished and without bruises or tears. Bruised poultry indicates possible careless handling and storage with a resultant impaired flavor and quick spoilage.

The tide averages less than one foot at the Atlantic end of the Panama Canal; at the Pacific end, it averages more than twelve feet.

DETAILS GIVEN OF CONVENTION

Mrs. Lottie Weber Returns from Los Angeles

Mrs. Lottie Weber, of Manistique, upper Eleventh district committeewoman of the American Legion Auxiliary, returned to her home here Wednesday after attending the national American Legion and Auxiliary convention held at Los Angeles, California.

Mrs. Weber arrived in Los Angeles Sunday morning September 18 after a six days trip over the northern route. Registration was held at the Figueroa Hotel, which was the headquarters of the Michigan delegates of both the Legion and Auxiliary. Badges and instructions were received from Bertha Proestel, department secretary.

The first caucus convened on Sunday afternoon at 2:30 o'clock at the Trinity Auditorium. Mrs. Weber was assigned to the education of War Orphans committee. Roll call of States was taken with 31 delegates present. Sunday evening a patriotic and religious service was attended in the Hollywood Bowl. A mammoth program of music, pageantry and devotion was witnessed by over 30,000 people. The program included music by the Hollywood Post Band, the 1937 San Gabriel drum and bugle corps and patriotic songs. National commander, Doherty issued a call to order. Herbert Marshall, movie star took part in the pageant "Birth of the American Legion". Bobby Breen, sang "Danny Boy".

Monday morning Michigan had their caucus with delegates re-

porting on their various committee meetings. The department of Iowa was granted permission to present their candidates, Mrs. A. H. Hoffman, for National President and Minnesota presented, Mrs. James Morris.

A joint meeting of the Legion and Auxiliary opened at ten o'clock in the Shrine auditorium by the National Commander Daniel Doherty. John Boles, sang the "Star Spangled Banner" and Mrs. Malcolm Douglas, National President of the Auxiliary was introduced and other distinguished guests, including Senator David Walsh of Mass.

Monday afternoon, Mrs. Douglas addressed the group on world conditions, and spoke strongly in favor of national defense and commended the members for their unceasing efforts in rehabilitation of disabled veterans, child welfare work and Americanism activities.

The 20th annual convention parade took place on Tuesday, which took up the entire day. The parade was colorful, tuneful and beautiful. The California group highlighted the parade, being led by the undefeated national champion San Gabriel Drum and Bugle corps.

Wednesday's meeting included reports of convention committees and music by the St. Paul Minneapolis glee club. Mrs. Ernest Rorey of Ohio, Americanism chairman reported that more than 25,000 Boy Scouts and Campfire groups have been sponsored by Auxiliary units; more than 2,000 citizenship classes. Michigan won first honors on their "History", honorable mention on Americanism program and the poppy poster from the Second district won first. In the evening a banquet was held at the Biltmore Hotel.

The final reports were given Thursday and election of National officers. Mrs. Amelia Morris of Blsmark, N. D., received 451 votes and Mrs. A. H. Hoffman of Des Moines, Iowa 337.

Some of the highlights of the convention as reported by Mrs. Weber were: a tea given by Marlon Davies at her Santa Monica home; The Gold Star tea sponsored by Jeanette McDonald at her studio; Shirley Temple and her mother were hostesses to 150 Nation officers and State commanders at a luncheon on Tuesday; Don Ameche sang and Jean Hersholt delivered an address; Eddie Cantor, as master of ceremonies at the parade of motion picture stars at the Coliseum.

Mrs. Vera Leonard left yesterday for Kewauqua, Minn., where she will spend several weeks at the home of Mr. and Mrs. Art Hall.

EZRA PERKINS TO COME HERE

Barn Dance Troupe Will Give Performance Monday

The original barn dance troupe featuring Uncle Ezra Perkins, Handsome Hank, Mary Lou and other famous radio entertainers will entertain at the Manistique high school Monday evening, with their show beginning at eight o'clock in the school auditorium to be followed by a barn dance at ten o'clock in the school gymnasium.

The program is being sponsored by the high school, and net proceeds will be used in a fund to purchase additional football equipment. The organization of an intramural and junior high school league this fall has resulted in a need for additional football equipment.

A varied program will be presented to the audience by Uncle Ezra and his colleagues here Monday night. There will be cowboy songs, specialty musical numbers, humorous dialogue and other entertaining numbers.

The barn dance troupe has appeared at numerous fairs and theatres throughout the middle west, and has developed an unusually large following of fans by virtue of their radio programs.

Fitzgerald Will Come Here Oct. 11

It was announced yesterday by local Republican leaders that Frank D. Fitzgerald, Republican nominee for governor, will come to Manistique Tuesday, October 11, on a campaign visit to this city. Further details will be announced later.

Former Governor Fitzgerald was scheduled to appear here at an informal meeting prior to the primary election, but automobile trouble enroute to Manistique from Iron Mountain prevented him from fulfilling that engagement. His representatives here

DUCK SEASON OPENS TODAY

Hundreds of Sportsmen Take to Marshes and Woods

The 1938 duck season opens today.

Hundreds of sportsmen will take to the marshes and lake shores this week-end for ducks while others will scour the highlands for partridge, the season on which opens simultaneously.

EARLY BIRD

Yesterday noon as the Paul Syversons, 608 Wisconsin ave, were about to dine a thud was heard on the house and little Richard Syverson rushed into the house shouting there was a "big seagull" near the pool in the rear of the residence. The "seagull" proved to be a full grown partridge. It had crashed against the side of the house and broken its neck.

Open season on ducks this year

is 45 days long while the partridge season is but 12 days.

In addition to lengthening the season the department is granting greater leniency in that an aggregate of three ducks of species formerly protected may now be included in the daily bag of 10.

Among these are canvasback, red-head, ruddy duck or buffhead.

Shooting hours on ducks, geese and coots, are from 7 a. m. to 4 p. m. EST. Hours on snipe, rails and woodcock are from 7 a. m. to sunset which gives the duck shooter who winks at the law a chance to violate the closing hour with fair chance of escaping apprehension.

As in the past several years repeating shotguns must be plugged so as to hold not more than three shots in both barrel and magazine.

Federal duck stamps must be procured by duck hunters in addition to the small game permit.

SOCIAL

Honored
Mrs. Leonard Elquist was pleasantly honored at a post-nuptial shower party given her Thursday evening at her home on Minnesota avenue by a group of friends.

Bridge and 500 were the diversions of the evening with high honors in bridge won by Mrs. Edward Esler and consolation by Mrs. Henry Blomquist. In 500 Miss Emma Jards won high score and Mrs. Elquist low.

Tasty refreshments were served towards the close of the evening and the guest of honor was presented with a beautiful gift.

Dinner Bridge

Members of a local bridge club enjoyed a 6:30 dinner Thursday evening at the Chicken Shack following which tables were formed for contract. In the contest Mrs. Fred Schram won high score and Mrs. George Peoples second.

Pre-Nuptial Shower

Miss Elaine McCormick was the guest of honor at an enjoyable pre-nuptial shower party given her Friday evening at the home of Mrs. Margaret Bates at 717 Delta avenue. About 55 guests were present and spent an evening of cards and bingo. In 500, Mrs. Clarence Royer won first honors and Mrs. E. Stanich second. Mrs. Louis Brock and Miss Margaret Smith won first and second honors, respectively, in bingo. The door award was received by Mrs. Phil Rachel.

A tasty luncheon was served at the close of the evening and Miss McCormick was presented with a beautiful gift in honor of the occasion.

Party arrangements were made by Mrs. Francis Londo, Mrs. Walter Johnson and Mrs. Minnie Crain.

Miss McCormick is to become the bride of Raymond Juneau Londo at 7:30 o'clock this morning at the All Saints church.

867 STUDENTS TREATED HERE

Dr. Lazowski Goes to Garden Schools from Here

Dr. R. C. Lazowski, Couzens Fund dentist, yesterday completed work among students of the Gladstone schools and left for Garden Bay where he will remain for some time.

Dr. Lazowski came to Gladstone in July and has been here constantly except for a vacation period of several weeks. During the time he was here he treated 867 pupils, according to a report issued. He was assisted by Miss Sophie Zervic.

The Couzens Fund dentist will return to Gladstone on Jan. 1.

Eskymos Traveling To Norway This Afternoon.

BOTH OUTFITS ARE UNBEATEN

Great Battle Predicted Between Powerful Aggregations

With possible Upper Peninsula championship at stake, Escanaba and Norway high school football teams, both undefeated and carrying veteran lineups, will clash this afternoon at 2 o'clock at the Norway athletic field.

Since the opening of practice, fans of both schools have been waiting for this game. Norway was widely publicized as being flush with letterman from its strong team last year while the Eskymos came up this fall with a prize crop reserves who give every indication of performing like veterans.

There is little to choose between the two teams on comparative records. Stambaugh opened by beating Crystal Falls, 19-0; followed by beating Stambaugh 13-0; and last week defeated a strong Iron River team by 13-7. Escanaba opened with a 20-0 win over Manistique and last week beat Stambaugh, 27-0. The size of the Stambaugh score hardly can be considered a fair criterion of Escanaba's play last week because the locals got three good breaks on poor Stambaugh punts, all of which were converted into touchdowns.

Running vs. Passing
The game probably will resolve itself into a punting duel between Dapoz of Norway and Bennett of Escanaba and Escanaba's running attack as against Norway's potent passing attack. Last week Norway, tossed 20 passes against Iron River, completing nine for a gain of 81 yards. Escanaba, on the other hand, tossed only two, one completed and the other incompleting when the receiver dropped it out in the open with no defensive man near him.

The Escanaba attack will be slowed down considerably because of injuries to three regular backs, Pfothenauer, Barron and Bender, all of whom suffered leg injuries during practices this week.

Larry Danbom Is Making Good As Football Coach

Houghton, Sept. 30—According to Eria, Pa., newspapers, Larry Danbom, former Calumet high school and Notre Dame University football star, is making a record for himself both as a football coach and athletic director, as well as pro football player.

Larry is now coach of the Cathedral high school football team in Erie and regular fullback on the Warren, Pa., Red Jackets, a fast pro team. Larry's regular position is with the school, however.

The Cathedral high school Ramblers won their first two games this season under Danbom's coaching the most impressive of which was a 7 to 0 win over the Edinboro, Pa., high school team, a much heavier aggregation than the Erie eleven. Danbom's team is not eleven but is reported to make up in fighting

MANISTIQUE MEETS SOO ON SUNDAY

Independent Grid Teams Clash in Opener at A. F. Hall Field

The Manistique Marines, independent football team, will open their season Sunday afternoon, opposing the Soo Bears at the Arthur F. Hall stadium in Manistique. The game will begin promptly at 2:30 o'clock.

Close rivalry exists between the Manistique and Soo elevens, and a hard fought battle, similar to those which have characterized the rivalry in past years, is expected.

The teams appear very evenly matched, averaging about the same in weight, talent and experience. Both elevens have been working out regularly for the past couple weeks.

In the Manistique lineup will be such well known gridmen as Ek-dahl, Marks, Rubick, Patz, Dugas, Rogers and Oliver in the backfield, and Jahn, Berger, Dewey, Norton, Carpenter, Bunno, Burley, Barnes, Dragos, Rubick, Mueller, Miller, LaFreniere and Holstrom in the line.

The Soo lineup includes Kirkpatrick, Steffins, G. Benson, C. Benson and Sabatine, backs; McCoon, Struel, J. Gallo, Busb, Wilds, Rogers, Peterson, R. Benson, W. Callo and Kohrer in the line.

Officials for the game will be Wassberg, Reque and Jehle, of Manistique.

spirit what it lacks in weight.

As a pro player with the Warren Red Jackets, a story in an Eria daily reveals Danbom is the team's big star. In the game against the Monessen pros Danbom scored both his team's touchdowns to gain a 13 to 0 victory.

A picture of Larry Danbom appears with several of the stories in the Eria Dispatch-Herald.

Improved Equipment Is Great Help To College Football Aggregations

BY JERRY BRONDFIELD

NEA Service Sports Writer
Columbus, O. — After 10 years of exhaustive research, Tucker P. Smith, veteran trainer of Ohio State athletic teams, has perfected the thing for which football coaches have been clamoring these many seasons—equipment which takes at least four pounds off the weight of a uniform and adds greater speed and freedom of movement.

Working with a cellulose base, which is much lighter and even more applicable than leather, Smith believes his product will completely revolutionize all football equipment.

Shoulder, hip and knee pads, special braces for fractured jaws, and even special frames and pads for glasses have been designed out of cellulose by the Buckeye conditioner.

"This material can be molded closer to the lines of the body, making for greater freedom of normal joint movements," explains Smith.

"Lined with felt and rubber it absorbs shock just as well as leather," he points out, "and because it conforms so much closer to the shape of the body, the player has an added degree of protection."

Smith never was a student of chemistry, yet he worked out his own formula for his cellulose material. Being an inventor is just a little bit of everything.

The trainer of a college team is more than just a trainer. At various times he serves as doctor, diplomat, magician, inventor, detective, and gives advice to the love-lorn.

This does Smith sum up the duties of football's forgotten men.

"You may not think all those talents come into use, but believe me," says Smith, "you've gone through them all before you're done with a season. I know. It's a year-in-year-out process with a

trainer treat the boys for injuries. Some he pampers, other he bulldozes. The desired effect is the same.

LESSONS IN HUMAN NATURE
"You've got to listen to their troubles," asserts Smith. "You study their habits. . . learn their moods and personalities. . . There are times when you've got to work feverishly to get a star in shape for a game. Sometimes you do only by a miracle. You spend hours . . . days . . . loosening a muscle, strengthening a twisted knee or ankle, and then you pray that your work won't be spotted on the first play. . . Once a star halfback strained a muscle pretty badly. He had to have protection of some sort, but couldn't stand anything hard that would be too much pressure for him. So I partially inflated a couple of football bladders and wrapped them around the injured spot. . . Modern training equipment is streamlined and high-powered, ranging from short-wave diathermy to ultra violet rays, to paraffin baths. The training room today looks like a cross-section of a hospital, but the patients seldom hang around long.

Negaunee Tackles Mather High Crew At Munising Field

Munising, Sept. 30—Coach Robert Villeneuve today put finishing touches on a team which he hopes will defeat the Coach Shadford's Maize and Blue gridiron warriors in the team's encounter on the municipal playground field here on Saturday afternoon.

The Mather squad, weak in offense and lacking a strong line, were this week put through stiff paces by Villeneuve in the hopes that his crew would be able to resist the onslaught of the Negaunee eleven here tomorrow afternoon. The Mathers in the opening encounter here last Saturday dropped the game, 7-0, in the final quarter of play and were unable to score themselves.

High school students and sports fans have planned a pep meeting for tonight at the playgrounds. The game will start at 2 o'clock Eastern Standard Time.

MICHIGAN FACES OLD FOE TODAY

Spartans Apparently in Peak Condition for Big Encounter

BY GEORGE A. STAUTER
Ann Arbor, Mich., Sept. 30 (AP)—Michigan's football forces, their hopes high after four years of reverses, open the 1938 season tomorrow against an old but worthy foe, Michigan State, and before an indicated eighty-five thousand persons, a record-equalling crowd.

For four successive years the Spartans have deferred Michigan hopes of reviving past glories and once again tonight they ruled a slight pre-game favorite.

Pingel Triple-Threat
There were many, however, who strung along with Michigan's Fritz Crisler, a successful doctor

THEATRES PREPARE
Ann Arbor, Mich., Sept. 30 (AP)—Ann Arbor's five playhouses closed tonight to avoid a possible recurrence of student disorders which have occurred on the eve of previous Michigan State-Michigan football games.

Three of the theatres are in the downtown section and two in the campus vicinity. Several times in the past students have "rushed" the shows and in the melee doors and windows have been damaged.

Crisler, who learned football under Amos Alonzo Stagg at Chicago, scrapped the "punt, pass and prayer" system for a more open style of play in the hope of keeping the Wolverines from skidding further.

Michigan State's edge, if any, lay in a fast-charging line and in experienced backs, foremost of whom is Johnny Pingel, a triple-threat halfback and a leading candidate for all-American honors.

On the other hand, Michigan, realizing how closely it came to victory last year, will rely on a veteran line, heavier than that of its foe, and a bulwark defensively from tackle to tackle. There is more speed and power in the backfield and an array of promising ball carriers.

But the Wolverines have no one to compare with Pingel or his pass-receiving end, Ole Nelson. They, with Gene Colek, a returning halfback, were the big guns in the Spartans 19 to 14 victory last year.

Relies on Veterans
The Wolverines, confident that their luck is about to turn, romped through a secret warm-up drill today in the stadium and then went to a nearby country club to remain over night.

What lineup Crisler will name remained undisclosed, but it was believed he would rely heavily on veterans with only a sophomore or two in the backfield.

Those likely will be Forest Evashevski, 200-pound blocking quarterback, and Paul Kromer, 160-pound halfback, a deadly passer and fast foot.

Michigan State's lineup had only one change from last week. That was at right guard where Edward Abdom, 195-pound sophomore, replaced the veteran Darwin Dudley.

The probable lineups:
MICHIGAN STATE MICHIGAN
Nelson LE Smick
Ketro LT Janke
Rockenbach LG Heikkinen
Ailing C Kodros

Manistique Plays At Gladstone Field Today

Manistique Plays At Gladstone Field Today

Gladstone, Mich.—A revamped Gladstone high school football eleven will face Manistique here today at Marble Athletic Field in the first home game of the season.

The locals will be seeking their second straight win while the Schoolcrafters have yet to taste the fruit of victory. However, the visitors have one definite advantage in that they have played two games against tough foes whereas the Kellmen have played but one game and that against a team which did not appear to be as strong as a year ago.

While the locals are green and inexperienced, even the lettermen being at different positions, an improvement was seen this week in play both on offense and defense and Coach Eldon Kell expects his charges to give a good account of themselves this afternoon.

Capt. Benny Desotelle, stellar left half, injured in the opener, is out of play indefinitely and his post is being filled by Rudy Gustafson. Petrovich, right half, is also out of a hip injury having failed to respond to treatment, and Dahl will be at this position.

Signals will be called by Eddie Zervic, fullback, who turned in a nice performance in the opener.

The opening kickoff will be at 2 o'clock. Baldwin, Puckelwartz and Ruwitch, all of Escanaba, will officiate.

The lineup: Minnick, left end; L. Desotelle, left tackle; Marble,

left guard; Goodman, center; Kee, right guard; Rose, right tackle; Thompson, left end; Knutson, quarterback; Dahl, right halfback; Gustafson, left halfback, and Zervic, fullback.

MANISTIQUE EAGER

Manistique — The Manistique high school football team will travel to Gladstone Saturday, eager to defeat the Kellmen eleven and chalk up their first victory of the season.

Despite numerous injuries suffered by the Emeralds gridmen this season, the Manistique team has been progressing nicely.

Last season Gladstone took the measure of the Manistique team, 7 to 0, and the Emeralds are anxious to atone for that setback.

Coach Frank Jehle announced Friday that he would take about 22 men to Gladstone, but his starting lineup could not definitely be announced until shortly before game time. This condition is caused by the fact that several of the Manistique regulars have been on the "doubtful starting" list all week, and it will not definitely be known before Saturday whether or not they will be in condition for action.

Coach Jehle, nonetheless, is pleased with the manner in which the team's offensive power has strengthened. Manistique gained almost all will against Negaunee last Saturday, but were able to put across the clincher only once.

St. Joseph Gridders To Play Crystal Falls Today

SEEKING FIRST WIN OF SEASON

Coach Waytulonis Has Good Team; Game Opens 2:15

Seeking their first actual victory after two moral victories, St. Joseph high school gridders will entertain Crystal Falls high school football team at the local high school athletic field this afternoon. The game, which will be the first home encounter of the season for the Parochials, is scheduled to start at 2:15 o'clock.

St. Joe has been working hard all week in preparation for this game, special emphasis being placed on pass defense and open field blocking. Since their 7-7 tie with Menominee last week, the boys have shown the best spirit of the year and have gone about their practices with a determination which bodes evil for Coach Billy Waytulonis' crew.

Outside of Babe Langenfeld, quarterback who sustained a sprained knee, the Parochials are in good shape and ready for the game, which they hope will bring them their first victory of the season.

That Crystal Falls will be tough is evidenced by the fact that they disposed of Stephenson by a score of 18-0 last week.

Officials for today's game will be: referee, Schumacher of Marinette; umpire, Gibout, Menominee; head linesman, Flanagan, Escanaba.

Probable starting lineups will be:

St. Joseph	Pos.	Crystal Falls
Baker	E	Lada
Leisner	T	Hammerberg
Ryan	G	Ponchaud
Loeffler	C	Ropiak
Klotz	G	Warshawsky
Perron	T	Shemsky
Ashland	E	Sartori
V. Baker	Q	Preto
O'Donnell	H	Preto
Young	H	Finni
Gray	F	Schmid

Other St. Joseph players likely to get into the game are Hirn, Johnson, Vlau, Bonifas, Legault, LaBrie, Trottler, Langenfeld, Langenfeld, Klotz, Skradski and Feldhausen.

Crystal Falls Faces This Line Here Today

These are the seven men likely to draw the starting assignment for St. Joseph against Crystal Falls at the local high school athletic field this afternoon at 2:15 o'clock. They are (left to right): Baker, end; Leisner, tackle; Vlau, guard; Loeffler, center; Ryan, guard; Perron, tackle; and Ashland, end.

RACE IN DOUBT; CUBS TIED, 7-7

Darkness Ends Tilt As Cards Almost Score Winning Run

BY GAYLE TALBOT
St. Louis, Sept. 30 (AP)—The Chicago Cubs and St. Louis Cardinals further complicated the hysterical National League flag race by battling to a 7-7 tie at Sportmans Park here today and leaving themselves a doubleheader to play tomorrow, next to the last day of the season.

Needing only to win today, as the Pittsburgh Pirates were splitting a pair at Cincinnati, to make practically certain of the league title, the tiring Cubs threw away the 8-1 lead they held going into the fifth inning and were lucky to escape defeat.

The deadlock left the race still in doubt and the Cubs crippled and weary for their final three contests. The Pirates still could win by taking their last two from the Reds if the Cubs fall apart.

Root Starts Today
Manager Gabby Hartnett, playing with a damaged finger on his throwing hand, had still another digit hurt by a foul tip in the seventh inning and had to retire. He had swatted his tenth home run in the second inning. Bill Herman, Chicago's second baseman and captain, was spiked on his big toe by Jimmy Brown in the eighth and was limping toward the last.

The tie broke the Cubs' string of ten straight victories and further used up their over-worked mound staff. When Carleton and French could not hold the big lead given them, Hartnett had to call in Clay Bryant to hurl the last three innings.

It was off Bryant that the Cards scored the tying run in the seventh. Terry Moore driving Mickey Owen across with a towering two-bagger against the left field boards that Demaree touched with his glove but couldn't hold.

As evidence of the extent to which his mound staff has been shot, Hartnett announced that Charley Root, the veteran, and Vance Page, rookie, would start tomorrow's games. The Cards planned to counter with Bob Welland in the first and either Paul Dean or Max Macon in the second.

How To See Football

NO. 3—THE DOUBLE WING
By Jerry Bronfield
NEA Service Sports Writer
Glenn Scooby Warner isn't called the Old Fox for nothing. Warner's right to the title is based on his inventive mind, which gave the game many of its more tricky maneuvers—most notable of which is the double wing offense.

Because the double wing is best suited for only a certain type of material, it is not used as much as the single wing. The system calls for extremely fast linemen who are able to pull out and block, and a fullback who can crack a line wide open from close up.

Here, too, the spectator will find the unbalanced formation, with the left tackle going into the right, or strong side of the line. The number 1 back, or right wing, is stationed a yard back of and just outside his end. The number 4, or left wing, is in the same approximate position on the other side. The bucking, or number 2 back, takes a position about two yards in back of and slightly to the right of his right guard, and the tall back, or number 3, is about five yards directly behind center.

One disadvantage to note instantly is that only two men—the tall and the bucking backs—are in position to take a direct pass from center.

The fan will notice that the bucking back storms through on a lot of spinner plays, and that both he and the tall back do a lot of straight hitting inside the tackles.

This opens the way for a lot of reverses—both single and double

Reputations At Stake In Today's Grid Menu

BY BILL BONI
New York, Sept. 30 (AP)—This used to be the football season's breathing spell for players, coaches and forecasters alike. The players and coaches went through nothing more serious than setting up exercises with set-ups, and the forecasters didn't even need accident insurance as they went crawling out on their limbs.

But times, and the picture, have changed. Tomorrow conference and sectional contenders will be risking their reputations, and only the graduate managers will be gleefully counting some record early-season games.

The biggest crowd of the day, a possible 85,000, is expected at Ann Arbor to see Michigan open its first season under Fritz Crier against Michigan State. Elsewhere in the mid-west it will be Ohio State against Indiana, Minnesota against Nebraska, Northwestern against Kansas State, and Notre Dame against Kansas.

Here goes the wind-up, the pitch and:
Ohio State-Indiana—The Buckeyes have a lot of big sophomores, a mess of speed and a strong passing attack. The Hoosiers have hopes of repeating last year's 10-0 victory. Believing the Buckeyes' possessions to be more concrete, we'll take Ohio State.

Yale-Columbia—On the theory that even the Yankees could use Sid Luckman's pitching, Columbia.
Minnesota-Nebraska—Nebraska still has Charley Brock. But a center isn't a football team. Minnesota has a football team. Minnesota.

Temple-Pittsburgh—Pitt. Tulane-Auburn—Auburn. Stanford-Santa Clara—Santa Clara.
Michigan-Michigan State—Fritz Crier thinks highly of Tom Harmon, his sophomore halfback. Harmon will have the help of other fast backs and some promising linemen against the Spartans, who have won this opener for four straight years. Narrowly, Michigan.

Cornell-Colgate—The probable power-house of the Ivy league, and perhaps of the nation, should get off to a galloping start. Cornell.
Rice-Oklahoma—Rice. Tennessee-Clemson—Tennessee.
Texas Christian—Arkansas—Texas Christian.

Notre Dame-Kansas—The Irish aren't coming up with the backs who make the Rockne system click. They should win this one, though.
Washington State-California—California.
East—Harvard over Brown; Penn State over Maryland; Pennsylvania over Lafayette; Army over V. P. I.; Princeton over Williams; Navy over V. M. I.

Mid-west—Northwestern over Kansas State; Wisconsin over Marquette; Illinois over DePaul; Missouri over Colorado.
Southwest—Texas over Louisiana State; Texas A. and M. over Tulsa; Southern Methodist over Arizona.
Far west—Southern California over Oregon State; U. C. L. A. over Oregon; Washington over Idaho; St. Mary's over Gonzaga (Sunday).

BY EARL HILLIGAN
Chicago, Sept. 30 (AP)—The days of early season "breathers" generally being a thing of the past in big time football, the Western Conference tomorrow

will swing into a program of important battles which ultimately might play a part in deciding both Big Ten and national championships.

In one of the nation's top-notch engagements, powerful Minnesota goes against stubborn Nebraska at Minneapolis. The Golden Gophers again are contenders for national honors, but the Cornhuskers always are tough for Bernie Bierman's crew, which probably will be without the services of Harold Van Every, speedy back who is suffering with a stomach ailment. More than 50,000 fans are expected to see the contest.

Ohio State, rated a strong contender for the Big Ten title, takes on Indiana, which has several promising sophomores who might blast the Scarlet and Gray hopes. A veteran line averaging 213 pounds, however, should make things difficult for the Hoosier backs all afternoon. A crowd of 70,000 is anticipated.

At Ann Arbor, Michigan's reportedly rejuvenated Wolverines take on an old enemy, Michigan State, probably before a capacity house of 85,000 spectators. State will be after a fifth successive victory over Michigan, but there is a suspicion that Fritz Crier's debut as Michigan coach will be at the expense of the Charlie Bachman aggregation this season.

Northwestern's Wildcats entertain Kansas State and are favorites over the invaders. The Wisconsin Badgers, "darkhorse" in the Big Ten scramble, take on Marquette university.
Coach Mal Eward professed to be worried as his Purdue Bollers-makers prepared for the Butler game at Indianapolis and at Illinois. Coach Bob Zuppke was hopeful of downing DePaul university of Chicago to take the edge off last Saturday's defeat by Ohio university.

With an all-senior backfield and a sophomore-reserve line, Chicago encounters Bradley Tech, reputedly boasting one of its best elevens in years. Iowa has an open date.

Net Tournay Ends This Week-End If Weather Permits
The tennis tournament which has been delayed because of the illness of Ralph Dube, WPA recreational leader who has been in charge of the event will be finished Sunday if weather permits.

Results of the last finals to be played are as follows: Leo Coan and Frances J. row defeated Groesbeck and Erickson to win the mixed doubles title. Clifford Holmes and Don Campbell defeated Harvey and Goulias, 8-5, 6-2, 6-2, to win championship in junior boys' doubles crown. Baum and Sauer won an endurance contest in the boys' doubles by defeating Beaudin-Harvey 6-3, 4-5, 2-6, 8-4, 6-1.

The schedule for this week-end is as follows: Kathleen McDermott vs June Rangette, Saturday 1:30, No. 1; Kathleen McDermott-Eline Hutto vs June Rangette-Mary Jane Richer, Sunday, 2:00, No. 2; H. Sauer vs. Bob Beaudin, Sunday, 2:00, No. 1.

Bud Wellman, WPA recreational leader will be in charge for the rest of the tournament.

Along the equator, days and nights are of equal length all through the year; on March 21 and September 22 they are equal all over the world.

As might well be imagined, on the part of the wing backs, who often raise hob with the defense by skirting wide around their opposite ends.

The double wing is a strong passing formation, with either of the wings—provided they are good passers—being in position to drop back and take the ball from either the bucking or tall back, and leave it downfield.

Both guards and the outside tackle, pulling out of the line, are the men who perform the chief blocking chores.
Deception is the keynote of the double wing.
A glance at the Temple offense should be convincing proof.
NEXT: The Notre Dame system.

BAUERS SAVES PIRATES' SKIN

Four-Hit Battle Gives Bucs Even Split With Cincinnati Reds

By PAUL MICKELSON
Cincinnati, Sept. 30 (AP)—Rues Bauers, lumberjack from the north Wisconsin woods, rescued his Pittsburgh Pirate mates from the very precipice of elimination in the national league pennant race today with a foul-hit performance that gave the booting buccaneers a split in a doubleheader with the Reds.

All but dropped out of the race as big Paul Derringer licked them 7 to 1, with a five-hit job in the opener, the Pirates came back to retain their flickering hopes behind Bauers' hitting and pitching to score their first victory in five games, 4-2. The triumph kept the flag race alive for at least another day.

As the Pirates came out dejectedly for the second half of the bargain bill, there wasn't a soul who'd bet a lead quarter on their pennant hopes that a week ago were so rosy.

But Bauers, helping his own cause with a triple and a double provided the oxygen tent for a dying baseball cause. So superb was he that he turned back 15 men in a row from the third through the sixth inning.

In the first game, the Pirates looked as much like flag contenders as the hopeless Philadelphia Phillies. Derringer held them to two hits over the first seven innings.

Manager Pie Traynor refused to give up despite the split. "We're not licked until, well, maybe tomorrow at the earliest," said Pie, "and maybe then the situation will turn. We've won two games in a row and the Cubs have lost two in a row before—unless my memory is bad."

ADAMICK STILL IN BAD SHAPE

Midland Boy May Not Fight Again After Toles Beating

Detroit, Sept. 30 (AP)—Jimmy Adamick, Midland (Mich.) Heavyweight who suffered a cerebral concussion during his knockout by Roscoe Toles Wednesday night, was somewhat improved tonight, Henry Ford hospital attendants reported, but remained in a serious condition. Adamick had still been semi-conscious today.

The prosecutor's office took an informal statement from Jack Kearns, promoter of the fight, today and summoned others connected with the event to make formal statements Monday. Kearns said he believed Adamick was in "ten times better condition" than Toles when they entered the ring.

Prosecutor, Duncan C. McCrea has said he was told Adamick was not in proper shape for the bout.
Doubt that Adamick ever would fight again was voiced in ring circles, although physicians have said they expect him to recover.

SPILLING the DOPE

BY JOHNNY INKSLINGER
If you fellows didn't remember the results of our efforts at picking winners last week, we'll not bother to tell you that we had a bad day... picked five right, three wrong and two ended in ties... we would have had a better average if we hadn't followed Buck Erickson's advice on the Iron River-Norway game against our own better judgment...

... but that's just what you get for relying on a friend... this week's list doesn't appear to be any easier to pick than sewing a button on a soap bubble... let's look.

ESCANABA VS. NORWAY: This is the first headache... when the chickens have been cleaned, we'd say Escanaba will be on top by one touchdown... or, perhaps, by one point.

ST. JOE VS. ROCK: The Little Giants are just little this year... but the Parochials are littler.
STAMBO VS. IRON MOUNTAIN: After hearing of Iron Mountain's greatness and seeing Stambaugh, there isn't any doubt about a Mason victory.

KINGSFORD VS. IRON RIVER: Jimmy Crumsey's boys are due for a victory and should take this one.
NEGAUNEE VS. MUNISING: Don't think Munising has reached its peak yet and probably will succumb to the Miners today.

MARQUETTE VS. ISHEPEM: Marquette beat Soo and Soo beat Ishpeming... need anything more be said about this Graveraet victory?
SOO VS. NEWBERRY: Ignorance of Newberry's strength causes us to pick Soo.

BESSEMER VS. WAKEFIELD: Wakefield shouldn't have any trouble losing this one.
MICHIGAN VS. STATE: As far as we know, we are the only one to go down on black and white for the Wolverines on this one... we're basing our assumption on last year's score of 19-14 and the fact that Michigan is much stronger and State a trifle weaker.

WISCONSIN VS. MARQUETTE: When even the coach says his team is good, they must be good... it's Wisconsin.
MINNESOTA VS. NEBRASKA: After that Washington game, who is there to doubt a Gopher victory?

NORTHWESTERN VS. KANSAS STATE: The Wildcats have it again and should beat the Wildcats... you see both teams have the same nickname so we can't go wrong... however, to make it plain, we'll pick Northwestern.
OHIO STATE VS. INDIANA: This always is a hard one because of Indiana's determination... it's Ohio State again.

DETROIT VS. WESTERN STATE: Coach Mike Gora has the "makin's" but the boys are out of their class... looks like Detroit.
NOTRE DAME B VS. JORDAN: A good college game in the peninsula... the Irish seconds are too powerful, we fear.

More Touchfootball Booked For Sunday
Displaying a fine running attack and a lot of power, the Cardinals, last year's touch-football champions, got off to a good start by defeating the Vikings last Sunday, 14 to 0. Touchdowns were scored by Lake and Engate. Extra points were made on passes to Kroll. The Vikings played with only seven men, but showed plenty of speed and will be contenders when they get their team fully organized.

In another fine game, St. Joseph Alumni defeated the Metropolitanans 12 to 0. Touchdowns were made by McGovern and Williams.
Another scheduled game, the All Stars, won over the City Utilities by forfeit.
The schedule for this Sunday will be as follows: South 19th St. Cardinals vs. St. Joseph at 4:00. Vikings vs. WPA Eskaps at 3:00. Metropolitanans vs. Champ at 2:00. Stoves vs. All Stars at 1:00.

Detroit, Sept. 30 (AP)—The University of Detroit took to the air tonight to register a 7 to 0 victory over a hard-fighting Western State Teachers' college eleven in its opening home game of the year.

Pennant Races at a Glance

(By The Associated Press)
The Chicago Cubs, with the help of Cincinnati, advanced yesterday to a spot where they can win the National League pennant by taking two of their remaining three games. Although the Cubs were held to a tie by St. Louis, second-place Pittsburgh managed only an even break in a double-header with the Reds.

Thus, even if the Pirates win both their remaining starts, they would still fall a game short of catching up should the Cubs win two of their three.

Alma Beaten, 20-0 By Michigan Normal

Ypsilanti, Mich., Sept. 30 (AP)—Michigan Normal opened its own football season by defeating Alma college, 20 to 0, here today. It was Normal's second straight shutout victory.

Dick Yeager went over from the one-yard line to climax a drive from the Ypsi 36 yard line in the opening quarter after Co-Captain George Miller took a 45 yard pass from Norville Walker. Walt Siera, fleet sophomore back, scored twice.

The Old Frank Merriwell Finish

Gabby Hartnett of the Chicago Cubs demonstrates one way a manager can hang onto his job as he romps across the plate after hitting the ninth-inning homer which beat the Pirates, 6-5, at Wrigley Field. Players, park attendants and fans were on hand to give him a rousing greeting when Gabby completed the trip which gave the Cubs the lead in a wild National League pennant race.
