

Little Harbor News Items of Interest

Tri-Weekly Pioneer Dated Monday, Jan. 31, 1887
Manistique Michigan.

We are told that the Little Harbor Lumber Co. will sell their farm lands cheap and pay a good price for the timber that may be cut there from. This is an excellent opportunity for any man to get a farm cheap in the very handsomest part of the upper peninsula. The town of Little Harbor is bound at all seasons of the year to be a good shipping point. It is delightfully situated.

Manistique Tri-Weekly Pioneer Dated Oct. 28, 1887

The Little Harbor school house has been completed and school will begin next week- Miss Derry, teacher

Mr. Derry and wife and Mrs Laporte, of Little Harbour were in the village yesterday.

The Little Harbor Lumber Company have begun the erection of kilns and will soon begin manufacturing charcoal. Their saw-mill has been stopped for the season and it is undergoing a throughout overhauling.

Little Harbor will have it's first wedding next week.

Wanted, a girl to do general housework in a small family, wages \$2.00 per week. Application can be made at this office, or by addressing Mrs. W.P. Derry, Little Harbour (Thompson P.O.)

Tri-Weekly Pioneer FARMING LANDS. 2/23/1887

GREAT INDUCEMENTS

Are now being offered by the

Little Harbor Lumber Co.,

Of Little Harbor, Mich.

Our Lands are acknowledged by all to be the finest farming land in the U. P. The location for agricultural purposes is unsurpassed; being situated on the peninsula between Bay de Noquette and Lake Michigan, and from one-half to four miles from a good local market and shipping point at the thriving new town of LITTLE HARBOR, where the Co. have a large store well filled with general merchandise; also a saw-mill, planing and siding mill, blacksmith shop, etc. These lands are situated in Towns 39 and 40 N. 17 W. of township of Thompson, and will be sold on easy terms to actual settlers, and all kinds of forest products taken in payment; such as cord-wood, saw-logs, ties and posts, hemlock bark, etc. Prices range from FOUR TO TWELVE DOLLARS PER ACRE, according to amount of time and location of land. Now is the time to secure a good farm cheap. The crops now growing on these lands are valuable to the settler and can be harvested at any season of the year with profit to the owner. Come early and avoid the rush.
