

WORLD WAR FEAR EASED IN EUROPE

RECALL ASKED FOR ENVOY TO SOVIET NATION

ROOSEVELT REPEATS SYMPATHY FOR FINLAND

Washington, Nov. 1 (AP)—President Roosevelt, who had been criticized yesterday for "intervening" for Finland, dug up and re-issued tonight an official record which recalled that Russia had given "profound sympathy" only six months ago to his efforts to prevent attacks on Finland...

Drama Without Words It was a dramatic action, in which the president, as the leading actor, remained off the stage. It was a drama almost without words or even pantomime. The president merely directed his press secretary, Stephen T. Early, to run off on a mimeograph machine new copies of cablesgrams dated last April. Early then handed the texts to reporters. In one of the messages the president appealed to Adolf Hitler to give assurances which would guarantee at least ten years of non-aggression abroad. Specifically Mr. Roosevelt asked Hitler whether he was willing to give assurances that his armed forces would "not attack or invade the territory or possessions" of certain nations. Small Countries Mentioned The president named Poland, of which Russia since has taken a slice. He mentioned Estonia, Latvia and Lithuania, with which Russia has concluded agreements recently allowing her to utilize their territory for military purposes.

Steel Merger Plan Of Cleveland-Cliffs Iron Firm Recalled

Washington, Nov. 1 (AP)—The monopoly committee heard today that the business depression of the early '30s had frustrated a proposal to merge a group of "little steel" companies into a giant corporation second only in size to the \$2,000,000,000 United States Steel corporation. E. B. Greene, president of the Cleveland-Cliffs Iron company, and Crispin Ogilby, president of Ogilby, Norton and Company both of Cleveland, outlined the proposal. Among the companies expected to participate, they said, were Wheeling Steel corporation, Otis Steel company, Republic Steel corporation, Inland Steel company, and Youngstown Sheet and Tube company. The two presidents, both of whose companies are engaged in selling iron ore, said they had brought their competing companies together in hopes of playing a part in the consolidation that failed. The committee began today a study of the iron ore and steel industry.

Love Wins Out

After trying two and a half years to find a way to earn enough to get married, Lloyd Vernon Clark, skilled plasterer, gave up and took poison. As he lay near death in Chattanooga, Tenn. hospital, he was married to Margaret Ellington, 20, the girl he wanted to work and live for. They are shown at the marriage ceremony.

Oklahoma Gets 2 Thanksgivings

Oklahoma City, Nov. 1 (AP)—In a written ruling today that Oklahoma officially could have two Thanksgiving Days this year, Attorney General Mac Q. Williamson included this rhyme: "Thirty days hath September, April, June and November; All the rest have thirty-one 'Till we hear from Washington." Gov. L. C. Phillips proclaimed November 30 and Williamson told the inquiring state bank commissioner he could close shop on November 23—proclaimed by the president—if he desired.

ADVISERS SAY U. S. WILL NOT GET IN FIGHT

BRITAIN AND FRANCE NOT LOSING; LONG CONFLICT SEEN

Washington, Nov. 1.—Opinion among high advisers to the administration has veered more and more in the first two months of the war toward the view that the United States can stay out. Officials to whom the writer has talked in the last few days have discarded the idea that United States' entrance into the war is inevitable. In general they conclude not only that we can, but must, stay out.

Picked By Duce

Mussolini shakes up his cabinet and army again. Marshal Rodolfo Graziani, above, veteran of Libyan and Ethiopian campaigns and former Ethiopian viceroy, succeeds Gen. Alberto Pariani as army chief of staff.

MUSHERS BRING AID TO MOTHER

Woman With 17-Day-Old Baby On Stranded Plane In Alaska

Anchorage, Alaska, Nov. 1 (AP)—Two men "mashed" a dog team over the snow-covered wastes of interior Alaska today in an effort to rescue a mother and her 17-day-old baby stranded two nights in a grounded airplane. Concern was expressed for the health of Mrs. Christian Beckman and her infant daughter after the temperature dropped to four degrees below zero last night. With them at the little lake where a snowstorm forced down the plane Monday were Pilot Jimmy Dodson and Ole Blendheim, a passenger.

STATE TACKLES DETROIT STRIKE

Labor Mediation Board Will Try to Settle Chrysler Dispute

Detroit, Nov. 1 (AP)—Governor Luren D. Dickinson and the state labor mediation board today assumed direction of the negotiations between the Chrysler corporation and the CIO United Auto Workers union for a settlement of the Chrysler dispute which began 27 days ago and has left more than 50,000 workers idle. The state acted formally after Federal Labor Conciliator James F. Dewey adjourned indefinitely the conferences he had been holding with representatives of the corporation and the union.

Marquette Prison Administration Is Rapped At Lansing

Lansing, Nov. 1 (AP)—Corrections Director Ernest G. Heckel condemned the administration of the branch prison at Marquette in a report made public today by John W. Miner, chairman of the state corrections commission. Heckel, commenting upon a September 25 break in which four lifers fled the prison with Warden Marvin L. Coon, his deputy and two parole officials as hostages, praised the quick thinking of state police and Deputy Warden Joseph Cowling which led to the fugitives' recapture but declared: "It is amazing to know that no arrangements had been made prior to that hour to attempt to stop the inmates after they had gotten out of the gate."

Coon's Successor Sought He said it was "extremely fortunate" that someone with the ability to "think under fire" had delayed the convicts' flight with their hostages for an hour, while the trip that led to their recapture after a 100-mile automobile chase was laid. "But a plan should have been thought out months, yes years, ago," he asserted.

NEUTRALS SEE HOPE IN ITALY AND IN RUSSIA

ROME AND MOSCOW BOTH WORKING FOR PEACE

By Kirke L. Simpson (Associated Press Staff Writer) Hope bounded high among neutral nations yesterday that the European conflict may never reach World War proportions. Whatever else can be read into Mussolini's sweeping shake-up of the political and military command in Italy, or the lengthy speech of Premier-Foreign Commissar Vyacheslav Molotov in Moscow, the essential fact is that both imply no military involvement by either country in the struggle.

Atmosphere Cleared To that extent, the Rome and Moscow developments have clarified the war atmosphere. They specifically narrow Soviet aid to Germany to "political" assistance in pushing for a negotiated peace; and imply that Italian participation in the conflict is highly improbable.

Especially significant is the way Molotov dealt with Turkey, which has rejected Soviet-proposed neutrality measures in favor of a mutual assistance pact with Britain and France. Russia was rebuffed in her attempted diplomatic coup in the Balkans. Yet Molotov insisted, while sharply critical of the Turkish course, that Moscow would continue to follow its "policy of peace" in the Black sea region.

FLINT TO DODGE BLOCKADE AREA

Seized American Vessel Sailed Near Bergen By German Crew

Bergen, Norway, Nov. 1 (AP)—The American freighter City of Flint, expected to pass Bergen tomorrow, was believed tonight to be worming a blockade-dodging course southward along the irregular coast of Norway. Norwegian authorities kept secret any information they might have about the freighter, which is being sailed by a German prize crew, but shipping circles here expressed the belief the ship was nearing waters in the vicinity of Bergen. This view was based on calculations of the time required after she left Tromsø at 4 p. m. Monday.

Traffic Toll

Dallas, Tex., Nov. 1 (AP)—A woman killed by a skidding automobile last night was identified today as Miss Lisa Lindstrom, 35, of Battle Creek, Mich. The automobile skidded after colliding with another car. Miss Lindstrom was employed in Battle Creek by Mrs. Howard Sherman.

Ecorse, Mich., Nov. 1 (AP)—Isadore Meroz, 53, father of three children, died today of injuries he received when struck by an automobile.

ENGLAND BEGINS FOOD RATIONING

Two More Boats Sunk; Pocket Battleships Are Sea Menace

BY EDWIN STOUT London, Nov. 1 (AP)—A government announcement that food rationing would begin next month brought to every home in this ship-fleeting island tonight the war at sea—where two more British ships were sunk and two German pocket battleship raiders were reported to be at large. The sinking of the Liverpool steamship Bronte and a British freighter east of Cuba added nearly 10,000 tons to the more than 200,000 tons of British merchant shipping sent to the bottom since the war started. (The unnamed freighter presumably was the 3,670-ton Coulmore which flashed war last night she had been attacked by a submarine about 680 miles east of New York. The coast guard cutter Bibb, first on the scene, found no trace of her and other vessels and planes searched the area unavailingly.) Winston Churchill, first lord of the admiralty, told the house of commons that two German pocket battleships were reported at large in the Atlantic—probably the Admiral Scheer and added that he could not make a forecast as to when they might be captured. (The Deutschland sank the British freighter Stonegate and later captured the United States freighter City of Flint, which was taken to the Russian port of Nurmansk and is now enroute to Germany in command of a German prize crew.)

HOLLAND TAKES DEFENSE STEPS

Smaller Towns Under Martial Law; Flood Areas Included

The Hague, Nov. 1 (AP)—A royal decree tonight established martial law in key Netherlands defense communities, including 500 of the nation's 1,200 smaller towns and villages, to bolster military plans and curb espionage. Informed circles said the decree, which covered parts of eight of The Netherlands' 11 provinces, was precautionary and not because of any external threats of violation of the country's neutrality.

Campaign Launched To Build Up Trade With Latin America

Washington, Nov. 1 (AP)—Latin American diplomats and United States businessmen inaugurated a campaign today to stimulate United States purchases of Latin American goods and agreed to establish a huge market place in New York City. The proposed merchandizing center, probably to be located in Rockefeller Center, would afford businessmen from both continents a place to meet, show their wares and discuss business. Edward J. Noble, at a press conference after the meeting, sponsored by the commerce department, explained that United States purchases from Latin America were emphasized because a huge volume of orders from Latin America—estimated by some at \$250,000,000—had switched to this country because of the war. German ships, now cut off by the allied blockade, sold about a quarter of a billion dollars worth of merchandise in Latin America last year.

'Flying Lochinvar' Admits Air Murder, Gets Life Sentence

Macon, Mo., Nov. 1 (AP)—Making a surprise appearance in court, Ernest Pletch, 29-year-old Indiana amateur aviator, pleaded guilty today to the murder of Carl Bivona, Brookfield, Mo., flying instructor, and was sentenced to life imprisonment. Sentence was imposed by Circuit Judge Harry J. Libby. Pletch was represented by Walter Goodson, Macon attorney and former state senator. Pletch showed no emotion as Judge Libby passed sentence.

First Windsor Man Is Killed In War

Windsor, Ont., Nov. 1 (AP)—This border city's first casualty in the European war was reported today when Mrs. Gertrude B. Cody learned in a cablegram from the British air ministry that her son, James, 23, had been killed in an aircraft accident. Details of the accident were not given, except that it occurred at Weston-on-the-Green, Oxon, yesterday. Cody, a former athlete at Walkerville college, had been engaged as an instructor in the royal air corps for the last several months.

Gladstone, Escanaba Students Qualified For Flying Cadets

Washington, Nov. 1 (AP)—Fifteen Michigan candidates are among 51 applicants who have qualified for appointment as flying cadets in the Sixth corps area, U. S. army, the war department has announced. Michigan's list of qualifiers includes: Jack L. Laubscher and Charles T. Kilnth, Grand Rapids; John E. Beth, Fremont; Harry A. Kircher, Gladstone; Charles M. Schmidt, Escanaba, and Robert W. Stewart, Big Rapids.

U-Boat Victim Sought In Pan-American Zone

Washington, Nov. 1 (AP)—Naval and coast guard vessels bucked an Atlantic gale tonight to search for a British freighter which flashed war she had been beset by a submarine about 680 miles from New York. The scene of the attack as reported by the freighter Coulmore, a 352-foot collier, was 42.31 degrees west of Greenwich, 100 miles inside the Pan-American "neutrality zone" fixed at the recent Panama conference. Official quarters here said that if it were established that a submarine had fired a torpedo within the neutral zone, the United States would consult immediately with other American republics as to what steps to take. The diplomatic action probably would result in a protest to the offending power, either by United States and the other American republics individually or by joint action. At the Panama conference no decision was made as to just what action would be taken if the neutral zone were violated. The coast guard cutter Bibb, one of a number of craft searching for the Coulmore, reached her position this morning but found no sign of the 3,670-ton freighter or of survivors. Thirty-four men and the captain's wife were aboard. The Bibb scoured the surface of the sea in that vicinity and then turned north to search in that direction. It reported a gale blowing from the south. The bad weather forced two coast guard airplanes which joined the search to turn back to their bases at New York and Cape May, N. J., without reaching the Coulmore's reported position.

Inmates Of Boys' School Overpower Guard And Escape

St. Charles, Ill., Nov. 1 (AP)—Thirteen inmates of the St. Charles school for boys escaped tonight by overpowering a guard stationed in the main recreation hall. Eleven of the youths are white. The other two are negroes. All are between 15 and 18 years old and most of them had been placed in the school because of parole violations. Authorities said that apparently the escape had been prearranged, and at a given signal several of the more powerful boys pushed the guard and wrestled him to the floor. The break was described as one of the largest in the history of the institution. It brought to 75 the number of escapes from the school this year.

Bar Drops Liquor At Owosso; Youths Want Soft Drinks

Owosso, Mich., Nov. 1 (AP)—Russell Tubbs, who owns a beer garden, announced today he was giving the sale of liquor and that hereafter "because the young people want it"—his place would be a soft drink and soda bar. "I have found in operating a night club," Tubbs said, "that young people are hungry for a place where they can congregate and enjoy a social evening without liquor." "Most young people don't like beer or liquor, but drink because they happen to be served—I propose to provide them with just such a place as they desire."

St. Ignace Votes City Hall Bonds

St. Ignace, Mich., Nov. 1 (AP)—In a special election voters today approved bond issues of \$25,000 to finance WPA projects for completing construction of the new \$75,000 city hall and adding a mile of sewer to the \$250,000 disposal system. For the city hall project the bond issue will be \$23,000 and for the sewage disposal system \$2,000. The former was approved by a vote of 250 to 43, and the latter by 248 to 53. There are 607 qualified electors in the city.

St. Ignace Votes City Hall Bonds

St. Ignace, Mich., Nov. 1 (AP)—In a special election voters today approved bond issues of \$25,000 to finance WPA projects for completing construction of the new \$75,000 city hall and adding a mile of sewer to the \$250,000 disposal system. For the city hall project the bond issue will be \$23,000 and for the sewage disposal system \$2,000. The former was approved by a vote of 250 to 43, and the latter by 248 to 53. There are 607 qualified electors in the city.

NEW AIRBASES TO BE OPENED

Work Started On Navy Outpost At San Juan, Puerto Rico

Washington, Nov. 1 (AP)—The navy ordered work started today on a \$5,330,000 aviation outpost at San Juan, Puerto Rico.

Like these, the Puerto Rico base will be built on a fixed fee basis. Congress set aside competitive bidding procedure in authorizing a \$65,000,000 outlay for new bases.

Publisher Called In Tax Advertising Inquiry At Lansing

Lansing, Nov. 1 (AP)—A one-man grand jury investigation into charges that \$80,000 in state monies appropriated to advertise the 1938 and 1939 tax sale reconvened today for the examination of six witnesses and then recessed again until Friday.

The inquiry had been scheduled for resumption tomorrow, but Circuit Judge Leland W. Carr's personal plans prompted the change. It will not be in session tomorrow.

Breweries Protest State Price Fixing

Lansing, Nov. 1 (AP)—Representatives of 17 "independent" Michigan breweries met here today to frame a protest against price-fixing regulations on beer imposed by the state liquor control commission.

John Bostenab of Detroit, former secretary of the United Brewers' association, and spokesman for the group which met here today, said it was possible under the commission's regulations for only one of the Michigan "independents" to compete with major breweries.

NEUTRALS SEE HOPE IN ITALY AND IN RUSSIA

(Continued from Page One)

sooner or later over Russian handling of the American freighter City of Flint goes without saying. For the moment, however, the safety of the American crew, held as virtual hostages as the vessel passes through allied blockade lines toward a German port, is far more concern in Washington than a legalistic argument with Moscow over the circumstances of her departure from a Russian port.

Secretary Hull's appeal to both Berlin and London to safeguard the lives of these Americans illustrates that concern.

The presence of the Americans places a grave handicap on allied vessels in trying to intercept the Flint, and both Berlin and Moscow undoubtedly were cognizant of that fact.

Aged Movie Actor Gillingwater, Dies Of Pistol Bullet

Beverly Hills, Calif., Nov. 1 (AP)—Claude Gillingwater, 69, veteran stage and screen actor, was found shot to death tonight in his North Bedford Drive home. A pistol lay near the body. The death was reported to Coroner Frank Nance as a suicide.

A note found by police read: "To the police: I am ending my life because, at my advanced age, in my physical condition, there is no chance of ever being well again, and I will not permit myself to become a helpless, lingering invalid. I alone am responsible for what I am about to do."

Father, 107, Wants Guardian, But Son, Age 78, Is Too Old

Portland, Ore., Nov. 1 (AP)—John Nelson Ridgley believes blindness and feebleness brought on by his 107 years make it advisable that he have someone to care for him, but he contends his eldest son is "too old" for the job.

Fairport Fishermen Asking Federal Aid In Ice Floe Losses

St. Ignace, Mich., Nov. 1 (AP)—Commercial fishermen operating on the Great Lakes in this area today had on file 52 applications for loans totaling \$25,000 from the disaster loan corporation, division of the reconstruction finance corporation. The loans would replace nets lost in ice floes last February.

Wear This for Safe Crashes

He's upside down—but safe. Engineer J. J. Maskey tests in this rig a new safety shoulder belt developed by the Army Air Corps at Wright Field to lessen danger in crashes and to steady airmen while flying.

Last Silver Spike Clinches Success Of \$100,000,000 Rockefeller Center

BY GLADWIN HILL
New York, Nov. 1 (AP)—The nation's richest riveter, John D. Rockefeller, Jr., today hammered a final silver spike into a bad guess that became a \$100,000,000 success.

The project is Rockefeller Center—born in the depression to occupy some white-phantom real estate—and the site the fourteenth and final building in the three-block skyscraper cluster in midtown Manhattan.

Before a crowd of several hundred in the flag-draped unfinished lobby of the building, at 48th street and Sixth avenue, the silver-haired financier donned a pair of red-stained workman's gloves and, as "Climber" Mike Dooley rained a red-hot silver alloy rivet through one side of a bare girder, banged it fast with a pneumatic hammer.

Silver Mine Swept By Disastrous Fire At Tonopah, Nevada

Tonopah, Nev., Nov. 1 (AP)—All mines in this historic silver camp were closed today as a fire in the Belmont shaft and tunnels roared out of control.

Mine officials said the entire shaft to a depth of 1,300 feet had been burned out. They estimated damage to surface buildings alone up to \$100,000.

State Ferries Set For November Rush During Deer Season

St. Ignace, Mich., Nov. 1 (AP)—The state is prepared to start ferry service across the Straits for deer hunters by Nov. 10, if necessary. Capt. G. F. Loughin, superintendent of state ferries, said today. The deer hunting season opens Nov. 15.

Pace Is Recognized As Bantam Champ

Washington, Nov. 1 (AP)—The National Boxing association today recognized George Pace, 23-year-old Cleveland negro, as world bantamweight champion after Pace had agreed to fight any contenders for the title named by the NBA.

Inland Steel Pays \$1 Dividend Dec. 1; Output Is Record

Chicago, Oct. 31 (AP)—Directors of Inland Steel company today declared a dividend of \$1 a share on the capital stock, payable December 1 to stock of record November 14. The company paid 50 cents a share in the previous quarters this year.

RECALL ASKED FOR ENVOY TO SOVIET NATION

(Continued from Page One)

was an attempt to influence the fight over neutrality legislation in this country, while at the capitol, Rep. McCormack (D-Mass.), had demanded flatly that the United States recall her envoy to the "anti-God" Soviets.

Late this afternoon, Early summoned newsmen to his office, and without comment handed them the copies of the April documents. He did draw attention, however, to the paragraph in which Mr. Roosevelt sought assurances from Hitler that Germany's armed might would not be used against:

Finland, Estonia, Latvia, Lithuania, Sweden, Norway, Denmark, The Netherlands, Belgium, Great Britain, Ireland, France, Portugal, Spain, Switzerland, Liechtenstein, Luxembourg, Poland, Hungary, Rumania, Yugoslavia, Russia, Bulgaria, Greece, Turkey, Iraq, The Arabias, Syria, Palestine, Egypt and Iran.

ADVISERS SAY U.S. WILL NOT GET IN FIGHT

(Continued from Page One)
cast the war in the rigid form of democracy versus Fascism. Fascist Italy would not throw in her gauntlet alongside Hitler's, but Communist Russia did. And reports have it that Britain is consistently but cautiously seeking the support of the author of Fascism, Benito Mussolini.

More and more official opinion is solidifying around the belief that the great mission of this nation is to keep itself neutral and strong, in harmony with the republics of the western hemisphere, so that it may throw its weight toward a just peace when the time comes. You get this thought in the recent speeches of President Roosevelt and Secretary Hull. It is known to be cherished by Under-Secretary Welles, who helped mould the American republics into a common position of neutrality.

New Method Hinted For Treating Colds

Cambridge, Mass., Nov. 1 (AP)—Dr. Albert C. Frustensberg, of the University of Michigan, sounded the possibility of a new approach to the treatment of the common cold in an address at the New England Postgraduate Medical assembly at Harvard.

Declaring that bacteria were shown experimentally to thrive in mucus, a constituent of the mucus found in the common cold, the doctor recommended avoidance of anything that would stimulate the formation of mucus, such as "use of irritating chemicals."

Dr. Maurice C. Pincoffs, of the University of Maryland, said that an eastern form of Rocky Mountain spotted fever, developed in recent years "may create a serious and continuing problem."

Two Spartan Stars Paired With Lions

Detroit, Nov. 1 (AP)—The Michigan State college 1938 passing combination—Johnny Pingel and Dave Diehl—will be revived by the Detroit Lions Sunday when they play the New York Giants at Briggs Stadium.

DAN JENSEN IS RETIRED AT 65

Is Eligible for Pension After 47 Years On C. & N. W.

Dan Jensen, 625 North Nineteenth street, section foreman of the Chicago & North Western railway at Escanaba since June, 1908, was retired yesterday after working for a total of more than 47 years for the road. He is 65 years old and eligible for a pension.

ADVISERS SAY U.S. WILL NOT GET IN FIGHT

(Continued from Page One)
Department officials said the visit concerned other matters. At his regular morning press conference, Presidential Secretary Early had seized upon Molotov's speech and raised the question whether it was "purely coincidental" that the address was delivered at a time when an important vote on neutrality legislation was scheduled in the house.

Arms Are Shipped Into Rumania To Halt Soviet Push

Bucharest, Oct. 31 (AP)—Increased shipments of war materials from Germany into Rumania prompted divergent interpretations tonight as big assignments of airplanes, artillery, trucks and other motorized equipment arrived by rail and Danube barge.

Many foreign observers, however, regarded the arms influx as a German move to fortify Rumania against the possibility of a Russian thrust into the Balkans. It was widely believed that Germany was firmly opposed to any Russian advance into this area, which the Nazis regard as part of their economic domain.

Nov. 23 Designated For Thanksgiving; Some Pick Nov. 30

Washington, Oct. 31 (AP)—President Roosevelt today officially designated Thursday, November 23, as a "day of general thanksgiving" and voiced gratitude for the nation "that in a world of turmoil we are at peace with all countries."

While the proclamation stressed hopes for international peace, it may stir up a measure of domestic strife since the calendars—and a good many governors—say Thanksgiving is going to be Thursday, November 30. "As a nation we are deeply grateful," said the president's proclamation, "that in a world of turmoil we are at peace with all countries, and we especially rejoice in the strengthened bonds of our friendship with the other peoples of the western hemisphere."

Second First Aid Class Session Held

The second meeting of the First Aid class for city employes and others who wish to attend, was held at the city hall last night, with nearly 40 pupils present. They discussed "Dressing and Bandaging" and "Anatomy and Physiology of the Body" under the leadership of B. W. Phillips, county chairman of first aid, and Fritz Frederickson, Red Cross instructor.

The meetings are being held weekly. "Dressing and Bandaging" and the care of wounds will be studied and discussed at next Wednesday's meeting, with demonstrations of proper and improper procedures in emergencies.

Girl Who Struck Baby With Hammer Adjudged "Shut-In Personality"

Marquette, Wis.—Exactly one hour after she had been ordered committed to the Northern Hospital for Insane, Edith Dauterman, 17, of Wausaukee, the attractive but reticent brunette charged with attempted murder in the first degree, was in the custody of Sheriff Arthur Wouff enroute to Winnebago.

The commitment was based upon a statute giving the court power to make a summary investigation in which he determined Miss Dauterman insane and therefore unable to act for herself and the court.

Best insight into what prompted the girl to commit the brutal hammer attack upon an innocent and defenseless child is obtained from Miss Dauterman's own statement, which was written at the request of the district attorney, and the report of Harry Yudin, of this city, a psychologist, who was formerly located at the state branch prison, Marquette, Mich.

Yudin described her as being of the shut-in or introvert type. "She has no close friends with whom she could confide or associate," Yudin's report states. "She would rather be alone than go out with boys or girls her age.

workings of her mind is gained from her own statement which gave a detailed account of her environment and her reaction to situations, as well as her story of the events which led to the commission of the crime.

Asked as to why she ended so abruptly when she was about to relate the actual happening, Miss Dauterman told authorities that it was repellent to her to write about it.

Miss Dauterman wrote that she "loved to steal, planning it all and the secretness of it. Sometimes it bothers my conscience, but most of the time it doesn't. I've been taught all my life the difference between right and wrong, but it bears no effect."

Says She's Afraid of Life "I am emotional to many things," her statement read, "or hearing people scream or moan. It always made me feel queer inside and that's why when I hurt something, I like to kill it if I am able. I am not afraid of darkness, ugly people, but I am afraid of life."

Miss Dauterman said she went to church every Sunday, denied frequenting taverns, and in her entire lifetime drank about one bottle of beer.

Michigan Tech Acts As Host To Ski Meet

Announcement has been made that the Michigan College of Mining and Technology, Houghton, will be host to the first official Michigan State Ski Championship meet on Saturday, January 13, 1940.

The Tech ski runs are rated among the toughest and fastest in the Middle West. In 1939, early this year, the Tech ski team won the Michigan championship by defeating all competition both upstate and downstate.

Noah Webster took 21 years to prepare his American Dictionary of the English language—from 1807 to 1828.

McMillan News

Health Meeting
 McMillan, Mich.—A regular meeting of the Rural Child Health association will be held Tuesday afternoon, Nov. 7, at the home of Mrs. George Roat of Lakefield township. A pot luck lunch will be served at noon. Members from Pentland and Columbus township, as well as Lakefield, are urged to attend.

Bazaar
 The annual bazaar sponsored by the Ladies' Aid society of the Methodist Episcopal church will be held on the afternoon and evening of Monday, Nov. 13, in the local town hall. A dinner will be served at 5:30 o'clock and followed by a musical program. The following committees will be in charge of the bazaar:

General committee—Mrs. Floyd Bryers, Mrs. Phillip A. Carpenter and Mrs. John Hanger. Pop, popcorn and candy booth—Mrs. Frank Kirby and Mrs. Ulrich Gouin. Doll and trinket booth—Mrs. Donald McInnis and Mrs. Elva Shady. Table and booth decoration—Mrs. Andrew Karney. Fancy work booth—Mrs. Fred Smith, Mrs. John Hanger. Entertainment—Mrs. Harry Smathers, Mrs. Harry J. Skinner, Mrs. William V. Acker and Mrs. Albert J. Mainville. Dinner—Mrs. Frank Williams, Mrs. Peter McInnis, Mrs. George Tanner, Mrs. Jesse Hanger, Mrs. Bert Kooztz and Mrs. Earl Kooztz. Posters and tickets—Miss Jessie Hanger.

M. E. Quarterly Conference
 A M. E. quarterly conference of the McMillan circuit was held in the local M. E. church Thursday evening with Rev. John A. Yeoman of Marquette presiding. Several important business matters were discussed, one of much interest to the McMillan congregation was the repairing of the local parsonage. George Roat and Joseph Thorley of Lakefield, H. J. Skinner and Rev. Phillip A. Carpenter of McMillan and Mr. Erickson of Germfask were appointed to meet with church officials of Grand Marais on Monday evening for further discussion. The McMillan circuit includes McMillan, Lakefield, Mark Settlement, Germfask and Grand Marais. Following the meeting coffee and sandwiches were served by the committee in charge.

Briefs
 Mrs. Harriet Galligher and daughter Mrs. Bert Kooztz visited Friday in Marquette.

Jack Uhlbeck transacted business in Marquette Friday.

Mrs. Harry Smathers has returned home after spending several days in Munising with her father Alfred Florence and relatives Mr. and Mrs. Alger Florence and Mr. and Mrs. Harley Hill.

Mrs. Harry J. Skinner and daughter Lois, accompanied by Mrs. Barney Smathers and Miss Viola Fountain of Newberry visited in Marquette and Ishpeming Wednesday.

Mr. and Mrs. Joseph Osterman of Baraga visited with friends in town over the week end. Mr. Osterman was formerly employed here as depot agent and with his pleasing personality made fast friends during his stay in McMillan.

Mr. and Mrs. Ralph Secrist and small daughter Jacqueline arrived home Sunday following a visit with relatives in Kentucky.

Mr. and Mrs. Simeon Vining left Sunday for their home in Flint after spending the past week here with relatives. They were accompanied home by the former's father, Murray Vining

who will be their guest indefinitely.

Mrs. Clifford Barlow and sister-in-law Mrs. John Somerville, who have been visiting their sisters Mrs. Charles Fyvie of Lakefield and Mrs. John Hunter of Newberry left Monday for their homes in California. They were accompanied home by Mrs. Fyvie and son Gilbert.

Mr. and Mrs. Emerson Smith have returned home following a combined business and pleasure trip to Cheboygan.

Edgar Vining has returned to his home in Marlette after spending several weeks here as the guest of his brothers Edward and Murray Vining.

Bert Kooztz, John F. Wood, Charles Kubont, Harry Smathers and George Tanner, members of the Columbus township board of education met in regular monthly session in the local school building Wednesday evening. Regular meetings are being held on the evening of the last Wednesday of each month.

Mr. and Mrs. Fred Smith and sons Rex and Shirley and daughters Mary Jean and Janet left Wednesday on a visit with relatives in Lansing, Kalamazoo and Delton. Shirley will remain in Lapeer for the winter.

Blue Water Bridge Stimulates Travel

"The Blue Water bridge between Port Huron and Sarnia, over the St. Clair river, completing its first year in operation, has handled 105,720 more vehicles than were transported in the previous year between the two cities by ferries," says Editor and Publisher Myrton Riggs in the Cheboygan Tribune.

"During the past year the bridge handled 329,255 cars and trucks carrying 917,731 passengers. In the previous year before the bridge was in operation, the ferries carried 223,535 cars between the cities. Much of the traffic over the new bridge was tourist in character, the motorists having been attracted to the locality in order to see the bridge and have the experience of crossing. The bridge has proved a splendid drawing card for new travel, and both the United States and Canada have benefitted," continues Mr. Riggs.

"The Blue Water bridge indicates what we can expect when the Mackinac Straits bridge is constructed. This year the number of vehicles and passengers carried by the state ferries between Mackinaw City and St. Ignace has shown a large increase. If that increase should be continued, and in general there has been a steady gain from year to year, the state ferry facilities would be swamped. Nevertheless, the huge number of people who cross the Straits now on the ferries is by no means the maximum of what would like to cross and what might cross if better facilities were available.

"If and when a bridge is built, it will be a far greater drawing card than the ferries, with their risk of collision, ever were. The great over-water drive will attract thousands of additional motorists, to the benefit of the northern and upper Michigan tourist and resort industry. This is not mere fancy and imagination. The Blue Water bridge gives a definite example and demonstration of what we can expect when the Straits bridge is built. The same big traffic increase which is so marked at Sarnia and Port Huron would be duplicated in large degree at Mackinaw City and St. Ignace.

PENNEY'S ALL-AMERICAN VALUES

Women's Warm Flannelette GOWNS

A Penney Feature! **39¢**
 In prints, soft solid colors or stripes. Trimmed with hem-stitching, embroidery, or prints.

BUY'S DUGAS CONCERN Menominee — H. V. Higley, president of the Ansul Chemical company, Marinette, today announced the purchase of all the capital stock of the Dugas Engineering corporation of Chicago, by the Ansul Chemical company.

The deal "of considerable magnitude" includes all parts of the Dugas company, manufacturing fire extinguishers and engines. Ansul has operated the Dugas corporation for the last 90 days under an option agreement prior to the completion of the sale. At present, all manufacturing is carried on at Chicago and Sycamore, Ill. While it is contemplated that eventually manufacturing operations will be placed under one roof in Marinette, it will not be possible to put this plan into effect for a considerable time, due to outstanding contracts and other factors, Mr. Higley said.

Lost Ads will find for you.

Dog Chats

DOGS OF WAR By Buell Patterson Dogs have been friends of man down through the centuries in good circumstances and in bad and have contributed all manner of services through their faithfulness and their courage. In times of war these traits have frequently come to the fore. In the early days of this country when the pioneers ventured far from their fellows and opened up the vast wilderness sections of this land their dogs often were one of the greatest agencies for protecting their homes. When Indians were lurking about ready to take advantage of a lax moment when the settlers were not on the alert it was often their dogs which gave the warning that saved the lives of the adventurers.

Obituary

JOHN I. MEYETTE Funeral services for John Isadore Meyette will be held at a requiem high mass at 9 o'clock this morning at St. Anne's church. Rev. Fr. Joseph E. Guertin, pastor, officiating at the rites. Burial will be in the family lot in St. Anne's cemetery. Pallbearers will be W. C. LaBelle, Med Beaudoin, John Peltier, John Degenals, Alfred Gareau and Isadore Chartrand.

MICHAEL EARLY The body of Michael Early, who died suddenly at Groos Tuesday morning, is remaining in state at the Alto Funeral Home until the hour of the service which will be held Friday morning at nine o'clock at St. Patrick's church. The Very Rev. Fr. Thomas A. Kennedy will officiate at the requiem high mass. Burial will be in St. Joseph's cemetery.

WILHELM LARSON Funeral services for Wilhelm Larson will be held Friday afternoon at 2 o'clock at Anderson's funeral home, Rev. William Lutz of the Salem Evangelical church, officiating. Burial will be in Lakeview cemetery.

Marine Activity Is Near Record At Sault Locks Government employes at Sault Ste. Marie, Michigan and Ontario, are busy handling one of the greatest October traffic movements in the history of the ship locks and canals at these points.

World Girdlers Say Walk and Keep Trim

The scenery would have varied more and there might have been more excitement enroute, but Escanaba's police and postmen would have got rather out of touch with the local situation if each had just started out and walked in a straight line when they began their jobs. For it's a new employe indeed who has not traveled at least the distance of the earth's circumference—and all on foot—at the rate of 15 to 18 miles a day.

WPA Adds Case Workers Here

Two experienced case workers from Alger and Menominee counties have been transferred to the local WPA office to assume duties in the recently established WPA social welfare program for Alger, Delta and Menominee counties. Miss Leona Gelsmar, formerly of Houghton and senior case worker in Alger county for the past two years, comes here as supervisor. She is the daughter of the late Leo Gelsmar, former manager of the state agricultural farm at Chatham.

FIRE DAMAGES WELLS HOUSE

Family Away As Flames Burn Portion of Roof

Fire which started apparently from a spark caused extensive damage last night to the roof of an I. Stephenson company owned residence near the point where Route M-35 turns to go into the village of Wells. The Escanaba fire department spent an hour at the scene, subduing the flames, discovered at 8:30 o'clock.

The place is occupied by a family of the name of Anderson. It was reported, but there was no one home at the time and the house was locked. No member of the family had appeared on the scene late last night.

Firemen broke in and removed most of the furniture, setting it in the yard. Neighbors removed some of it to shelter. Fire Company No. 1, with the booster truck answered the alarm.

Marquette Monument Forest Site Improved

Raco, Mich.—The National Forest Service is making changes in the Marquette Forest monument adjacent to highway M-28 and Monument Lake near here, that will render this feature more noticeable and attractive.

The monument is located within a triangle formed by two roads leading to the Soldiers lake picnic area and campground. The road leading off M-28 to the west side of the monument is being abandoned, and a parking area is being provided on the east side of the latter, with a gravel walk leading to it.

At present a commemorative bronze plaque is located on the north side of the monument, where it cannot be seen from the Forest Service road, nor from Highway M-28 across Monument Lake and the highway trees. Accordingly, the plaque is being moved to the east side of the stone. Additional shrubbery plantings will also provide a more suitable background and setting.

The Upper Peninsula Development Bureau initiated the movement that resulted in the construction of the monuments that were dedicated and provided with suitable plaques marking all three of the Upper Peninsula national forests. The Ottawa Forest monument is at Kenton and the Hiawatha monument was placed at Kentucky Junction on M-28 southwest of Munising. Appropriate documents, newspapers, and lists of local, state and federal participants were sealed in each monument at the time of dedication.

U. P. Briefs

Norway—An eight-day mission, to be conducted by the Passionist Fathers of the Chicago Province, will be opened Sunday at the 10 o'clock mass at St. Barbara's church. The mission will be preached by the Rev. Fr. Bertrand Abel, and the Rev. Fr. Brian Mahedy.

Father Laforet, who has planned this mission, will celebrate the Sunday mass. After the first gospel, he will accompany the servers to the entrance of the church, where he will meet the missionaries and conduct them to the sanctuary. The mission cross will then be erected and the opening sermon given.

BUYS FORD BUILDING
Iron Mountain—The Ford store building on Carpenter avenue has been purchased from the Ford Motor company by William D. Cochran, of this city, it was announced today. The price was not given.

Negotiations to buy the building were begun by Cochran some time ago, and the deed has now been delivered.

The building was constructed early in the days of the Ford Motor company's development here and was used for some time as a general store. Later the Ford company discontinued the business, but it was conducted at intervals thereafter by other persons.

Recently the building has been used as a storage warehouse for surplus food commodities of the emergency relief administration in the county.

Learn Indian Skills on NYA Project

The young Indian girls in the above picture are being taught the ancient Indian handicraft by an older member of the Chippewa tribe at the government reservation near L'Anse on Keweenaw Bay. This project, centered in a 16,000 acre Indian community, is maintained by the Michigan National Youth Administration to provide skills that will perpetuate valuable native customs and lore, and at the same time furnish work experience that may lead to private employment for those on the project. These girls receive instruction in the almost forgotten tribal arts of basket weaving and beadwork, the manufacture of birchbark novelties, leggings, pocket books, brooches, belts, gloves, headresses, bracelets, necklaces, buckskin moccasins, dresses and war shirts, and hundreds of other colorful articles traditional of their race.

Former Residents Active In Sault Ste. Marie Club

Escanaba was well represented by former residents in the recent election meeting of the Men's Brotherhood of the Central Methodist church at Sault Ste. Marie.

Foss Elwyn, who was elected president, is not a former Escanaba resident, but Mrs. Elwyn, before her marriage, was Mildred Stromberg of this city, daughter of Mr. and Mrs. John A. Stromberg.

Maurice Strahl, who moved from Escanaba to Sault Ste. Marie about a year ago, was chosen secretary of the Brotherhood, and the main speaker of the evening was Dr. Ross W. Stoakes, who was pastor of the First Methodist church here before going to the Soo.

Daughter Born To A. R. Manleys

Mr. and Mrs. Anthony R. Manley, of this city, announce the birth of a daughter, born on Wednesday morning, November 1, at St. Francis hospital. The baby is the first in the family, and also is the first grandchild of Anthony J. Manley, Mr. Manley's father. Mrs. Manley is the former Catherine Curran, daughter of Mr. and Mrs. T. C. Curran of 507 South Ninth street.

IN CRITICAL CONDITION

Sault Ste. Marie—While funeral services were held this afternoon for F. Earl Campbell, fatally injured Saturday morning when the car he was driving hit the Sage river bridge, the condition of one other victim, Neal Larsen, continued critical at Newberry.

Larsen has two broken legs and is suffering from shock. His condition became critical Sunday and was described by Dr. R. E. Spinks as worse today.

The condition of Willard Downey was unchanged. Downey has four leg fractures, including both knees, and a broken arm. The condition of George McMillan was described as "no worse" today. His arm was fractured.

Ballet Caravan Gives Colorful Program Here

Concert patrons of Escanaba and vicinity were treated to something entirely foreign from that to which they are accustomed last night at the Junior high school when the Ballet Caravan, directed by Lincoln Kirstein, presented a program new to this territory as the opening number of the Community League concert series.

The program was foreign to local music lovers largely because it was domestic—a domestic ballet. Undoubtedly, many persons who saw the program last night had seen ballets before but very few had ever seen a ballet that was so truly American. Music written for the most part by American musicians, stories by American authors and dances by American choreographers featured the performance, which was something unique for a large majority of last night's appreciative audience.

Fine Performance
Earnest, talented and well-trained, this youthful group of men and women dancers offered classic and modern ballet in a spectacle of beauty and animation. The work of Trudo Rittman and Pablo Miquel, duo-pianists, provided a fine background of accompaniment.

"Air and Variations," choreography by William Dollar, gave members of the cast an excellent opportunity to display their technique and knowledge of classical ballet work. Intricacies of the formal dance were introduced with a background of Goldberg variations by Johan Sebastian Bach.

"Billy the Kid," an American saga of the west, tells the story of Billy the Kid born in New York at the close of the Civil war. He moved out west with his family and at the age of twelve killed his first man to avenge the death of his mother. Before he reached the age of twenty-one he had shot a man for each year of his life. Billy was a gallant youth who lived in the lawless days of the frontier west, a quiet, courteous, modest lad, who carried the bor-

THANK GODNESS!
That Trouble With Your Hearing Doesn't Always Mean That You Are GOING DEAF!

Are you worried by poor hearing, by buzzing, ringing, head noises, or embarrassed because you're shut out of things that are going on? Cheer up. Poor hearing may not mean you are really going deaf. Often the cause is a septic ear condition, or perhaps sound-conducting hardened accumulations. Users report a few drops in each ear night and morning of the remarkable

OURINE

der law of "get your man before he gets you" to its logical conclusion.

Although one of the quickest trigger men the wild west ever saw, he met his end in the home of his mysterious Mexican sweetheart when Pat Garrett, once his friend who turned sheriff, ambushed the Kid while asleep and shot him. It was the end of one of the most famous killers of our history and one of the closing episodes of a lawless era.

"Filling Station" Colorful "Filling Station" is the oldest ballet in the all-American dance company's repertory. The Ballet Caravan described it this way: America has so many kinds of people in so many parts of the country, with so many different local stories, that it is difficult to find a contemporary American fable to fit a modern hero. But everyone who has ridden in an automobile recognizes the typical self-reliant, resourceful and courteous filling station mechanic as friend indeed. They call him Mac. He keeps his wash-room spick and span. The chromium on his pumps gleams. His road maps are neatly stacked and given away on request. His friends are two truck drivers, Roy and Ray, chased by a state trooper who warns them against speeding and overloading. A distressed motorist inquires the route he has lost. His wife and child burden him down with domestic bliss. A rich

young couple stagger in from a nearby country club to turn the station into a dance hall. A nervous gangster commits a holdup and murder. Mac summons the state trooper. The station is emptied and Mac returns to his newspaper waiting for whatever will turn up next.

Legion And Ladies Invited To Garden

American Legion and Auxiliary members at Escanaba have been invited to a fish dinner and dance to be held at Garden Monday evening, November 6. The event is being staged by Garden Legionnaires, and will get under way at

8 p. m. Entertainment and dancing will follow the dinner.

No fewer than 656 different items have been found in the stomachs of crows which have been killed and dissected by scientists.

BLADDER IRRITATION WAKE YOU UP?

It's not normal. It may be nature's warning of sluggish kidneys. Make this 4-day test. Your life back if not pleased. Kidneys need occasional flushing as well as bowels. Excess acids and other waste can cause irritation resulting in getting up at night, burning or scanty flow. Ask any druggist for BUKETS (25c). Locally at People's Drug Co.

CIVIL SERVICE QUESTION IS UP

Ordinance To Be Considered At Council Meeting

Preliminary consideration of a civil service ordinance to govern the employment of city workers is one of the matters to be discussed at a meeting of the city council tonight.

The new ordinance has been drafted to include various changes recommended about two years ago when a similar ordinance was rejected. City employees heretofore have obtained their jobs under a voluntary set of civil service rules observed by the city, although legally there has been no civil service code.

Also to come before the meeting is consideration of progress in a real property inventory, with data being supplied by a city WPA project which has been making a survey for the last several months. This project is toward a re-evaluation of property assessments throughout the city.

In line with instructions given at the last regular council meeting, also, the question of city contributions to various civic and fraternal organizations will be considered. It was suggested at the last meeting that this matter will be further discussed tonight.

Final consideration of the city manager's annual report and of a petition for a sanitary sewer extension to the north side of the 2400 block on Ludington street are also on the program.

Delta County Had 21 T-B Deaths In Past Year, Report

Delta county had 21 deaths due to tuberculosis during the past year, the Michigan Tuberculosis association reports.

Gogebic county with 28 deaths, placed second high in the state with its rate of 88.7 per 100,000 population. Only Montmorency county in the lower peninsula was higher with a rate of 116.5.

177 Deaths in U. P.
Last year there were 1,866 deaths from tuberculosis in Michigan, the first time that number of TB deaths in the state has been less than 2,000 per year. In the upper peninsula, 177 persons died from the disease. Houghton county reported 37 deaths.

Tuberculosis death rates and number of fatal cases reported the past year in upper peninsula counties follow:

County	Deaths	Rate
Gogebic	28	88.7
Alger	8	982.5
Houghton	37	76.0
Marquette	29	65.8
Delta	21	62.3
Luco	4	57.3
Dickinson	16	50.1
Menominee	11	45.7
Ontonagon	4	36.0
Iron	7	33.6
Baraga	3	32.7
Schoolcraft	3	30.5
Chippewa	5	18.3
Mackinac	1	9.4
Keweenaw	0	0.0

The Indian rat snake makes a sound like the tone of a tuning fork.

Munising News

Mather High School Honor Roll Issued

Munising, Nov. 1.—Forty-seven Mather high school pupils achieved the honor roll during the first marking period. To be named on the school honor roll the student must have no mark below B in any unit subject.

Four of the pupils earned special mention during the marking period by making no mark below A in any unit subject. They are: Evelyn Holter, eighth grade; Kathryn Matson, eighth grade; Frances Rader, ninth grade; Marie O'Brien, tenth grade.

The complete honor roll follows. Numerals after the student's name indicates the number of A's earned:

Seventh grade—Rhoda Fredrickson, 2; Barbara Hankin, 2; Nancy Wood.

Eighth grade—Evalyn Holter, 5; Eleanor Johnson, 3; Gloria Johnson, 2; Bertha Kinnunen, Kathryn Matson, 5; Sally Wood, 4.

Ninth grade—Edward Chudacoff, 2; Alice Elliott, 3; Joyce Eymen, 1; Deane Florida, 3; Audun Grimnes, 2; Roy Hanson, 3; June Knox, 3; Jean Monette, Beverly Oakland, 2; Frances Rader, 4; Margaret Peterson, 3.

Tenth grade—Jeanette Abbott, Jean Artibe, 2; Mary Jane Cherretto, 1; Luella Cota, 1; Richard Dufour, Marian Elliott, 2; June Elya, 1; Alice Fredrickson, 1; Jacqueline Johnson, 1; Patty Ann Johnson, 1; Esther Knowles, 2; James Knox, 2; Jack Koenig, 1; Marian LaCombe, 1; Marie O'Brien, 4; Clara Vadnais, 1.

Eleventh grade—Ingrid Baij, 3; Carl Berg, 2; Velma Gamble, 2; Gerd Huse, 3; Florence Johnson, Donlin Pangborn, 2; James Seglund, John Truden, 1.

Twelfth grade—Rosemary Beauparlant, Marian Corey, 3; Margaret Truden, 1.

Woman Artist Third On Lyceum Course

Munising, Nov. 1.—Miss Juanita McComb, artist and painter, will present the third lyceum program at the Mather high school on Wednesday, November 6, at 3 o'clock. The program promises to be unique and interesting.

Miss McComb displays a series of paintings of birds and identifies the birds by their calls and then presents her observations on their habits. A part of her program includes the modeling of faces in wet clay and stage drawing, interspersing her work with humor.

There will be a small admission charge for adults and pupils who do not have season tickets.

Hallow'en Prize Awards Announced

Munising, Nov. 1.—Seventeen Munising school students were awarded prizes for window drawings or for costume in the Hallow'en activities sponsored here by the Munising Development club, the Rotary club, the Lions club, Business and Professional Women's club and the American

Camp For Children Proposed In County

Munising, Nov. 1.—State Trooper Ralph Sheehan, public relations director for the Michigan state police in the Upper Peninsula, will be the speaker at the noon meeting of the Upper Peninsula Rotary club in the Beach Inn on Tuesday, Mr. Sheehan, one of the editors of the school safety paper, "Field and Street," spoke to the group on the proposal to establish a summer camp for underprivileged

Hospital

The condition of little Sharon Bennett, daughter of Mr. and Mrs. John Bennett, who is a medical patient, at St. Francis hospital, is improved.

Patients dismissed are Earl Boucher, Frank Budney, Mrs. Hilda Anderson, Kenneth Campbell, Edith LaFave, Mrs. Julia L. Johnson, Doris Corrothers and Mrs. Gordon Beauchamp.

Lions Plan Movie Show at Pinecrest

Lions club of Menominee city and county will join in a project to supplement the motion picture entertainment provided for patients at Pinecrest sanatorium, at Powers, who were described by Lion John L. Farley at the Lions meeting in Menominee Monday night as "hungry for entertainment."

Rotary Clubs of Menominee, Dickinson, Delta and Iron counties recently presented the sanatorium with a 16-millimeter motion picture projector. Farley said that because films are not easily obtainable in that size film, movie programs at Pinecrest are held but once each month.

The films can be obtained, however, and the Menominee, Central County and North County Lions clubs could sponsor a project to provide more film entertainment at the sanatorium, Farley said.

It was Farley's suggestion that Lions clubs in Delta, Dickinson and Iron counties also be contacted on the project, since Pinecrest is owned by the three counties named and Menominee county. Harold Eastberg, of Talbot, president of the Central County Lions club, attending the Menominee Lions meeting Monday night, approved the proposal and sug-

The Menominee Club Went

record approving a proposal to provide a film entertainment program for Pinecrest patients. President Doyle is to appoint a committee to work on the project.

The North County Lions club which will be asked to cooperate in the project is headed by Joseph Gucky of Harris.

I'm the wife of a seafaring man, and I've got to expect those things—everything usually comes out all right. I guess Joe's just one of those men.

Garden News

Health Lectures Sponsored By Local P.T.A.
 Garden, Mich.—Women of Garden are having the opportunity to attend a series of free health lectures during the next five weeks, upon the general subject of maternal and child hygiene. The groups will be addressed by Dr. Marie Hagele, lecturer for the Michigan Dept. of Health.

The series started Tuesday, Oct. 31 and will continue at the same time and same place for four other lectures. The meeting place is the Council Room of the Community Building and time, 2:30 p. m., sharp.

The subjects discussed will be:

1. Tuesday, Oct. 31—Our body and how it functions.
2. Tuesday, Nov. 14—How life begins and the care of the expectant mother.
3. Tuesday, Nov. 21—Care and training of babies and young children.
4. Tuesday, Nov. 28—Communicable diseases, their prevention and control.
5. Tuesday, Dec. 5—The challenge of cancer. The menopause or change of life.

In the first lecture on "Our body and how it functions", there will be a practical discussion of human anatomy and the physiology of the important systems of the body.

The second lecture is entitled "How life begins" and a film on prenatal care is shown. This film was prepared by Harper Hospital, Detroit, under the supervision of the Maternal Health Committee of the Michigan State Medical Society. The third lecture deals with the problems of the care and training of babies and young children and is illustrated by a motion picture, "Around the clock with you and your baby."

In the fourth lecture the cause and prevention of communicable diseases and the newer immunization methods will be discussed. The Michigan Tuberculosis Association will show a sound picture on tuberculosis. The fifth talk takes up the cancer problem and life after forty, and is illustrated by slides.

The complete series, sponsored by the local P. T. A. and Michigan Dept. of Health offers an excellent opportunity for women to gain basic knowledge of modern maternal and child hygiene. Dr. Marie Hagele accompanied her talks with considerable illustrative material, charts, maps, and posters, in addition to motion pictures and lantern slides.

Each member of the classes receives an outline. An opportunity is given for an open discussion of individual problems following each talk and women are encouraged to bring questions to class.

The committee for local arrangements and inviting are Mrs. Roland Boudreau, chairman; Mrs. Alfred La Valle and Mrs. Ossie Hazen, assistants.

Residents of Fayette are cordially invited, and urged to attend. These lectures are being delivered in only four communities in the county and we should consider ourselves fortunate in being chosen one of them.

Bulgaria Left On Spot As Pawn In War; Caught Between Nazis, Reds And Allies

Bulgaria recruits swear allegiance: "Neither very great enthusiasm for the monarchy nor much resentment against it."

Partly mechanized Bulgarian army: "Compensated at Versailles by humiliation . . . and the prohibition to exceed 20,000 troops."

motored to Escanaba Thursday. Palmer has been transferred to Newberry in his work for the State Highway Dept.

Mrs. Gordon Mc. Phee and baby left with the Jerry Reno family for their camp on the Nahma Line Friday, to spend the winter.

Mr. and Mrs. Wm. Mc Craw and Mr. and Mrs. Wm. Rapin of Escanaba were guests of Mr. and Mrs. Henry Deloria Sunday.

Mrs. Leroy Winter was confined to her bed all last week with illness.

Prizewinners in the 500 games played at the card party at the home of Mrs. Ossie Hazen Friday evening were Mrs. Nora Lester, Mrs. Joe Farley and Miss Eva Fountain.

There are approximately two birds to the acre in the United States.

What Has Happened:

Bulgarian terrorists—reported to be equipped with weapons from the Bulgarian army—have clashed several times in recent days with Romanian gendarmes in the Dobruja section of Romania.

Since Turkey stood out against demands of the Russians and signed in the allied fold, Berlin has good reason to suspect other Balkan states will be strengthened in resisting "Drang nach Osten" and that German influence with the Bulgarian government will be weakened.

The Soviet, it is reported, demanded among other things, Turkey's consent to Russia's recapture of Bessarabia and Bulgaria's recapture of the fertile corn and wheat lands of Dobruja, both now held by Romania.

Consequently, one of the important questions now being asked is: Will the Bulgars follow the Turks in deserting their World War allies, or can Bulgaria be used as a German-Russian pawn to counterbalance the recent British-French successes in their Turkish alliance?

The Background:

Written for NEA Service Eyes of Europe turned to Bulgaria.

Every night glamorous Gertrude Lawrence is the wife whose husband has another love—business.

But when she steps out of her role as the gay, charming, romantic wife in "Sky-lark," her current hit play, and starts speaking her own lines she confesses that she thinks the newer problem "Wife neglects husband for business" is more dangerous than the older version. She says:

"Even if he becomes so absorbed in business that he forgets to say 'Darling you look beautiful' as often as he should—still in becoming successful at any cost a man is playing a traditional role.

"But when a woman stays late at the office for an important conference and isn't home when her husband hurries in to tell her he got a raise or put a deal through, he can't console himself with 'That's the way with a woman.' Because the majority of women still make a man their life.

Fayette News

P. T. A. Meeting
 Fayette, Mich.—Members of the Executive Board of the Garden P. T. A. met with parents of the students that are attending the Garden High School, in the interests of the Parent-Teacher movement, at the Town Hall Monday evening. Mrs. Ben Johnson was elected Chairman, Jack Glitzen, President of the Garden Unit, expressed his willingness and that of his colleagues to assist this neighboring community in getting an association started, and called upon Frank G. Tebo to read the objectives of the National Association. The suggestion was made that they either join the Garden group or organize one locally and upon taking a ballot an unanimous decision was reached to do the latter. Arrangements were tentatively made to organize as soon as possible before Nov. 15 and the district directors from Escanaba will be present for the occasion.

The Chairman requested Mr. Tebo to discuss the hot lunch project which he did in detail. In the meantime several of the local ladies prepared refreshments and all enjoyed the social intercourse which followed.

S. and E. Club
 Because of the illness of Mrs. Robarge members met at the home of the President, Mrs. Tom Peterson, Thursday evening, for their weekly gathering.

Mr. and Mrs. Joe Farley and members of their family visited with Mr. and Mrs. Henry Jacobson Sunday.

Mrs. Harvey Humbert, Mrs. William Smith and Mrs. Wm. Toles motored to Manistique Wednesday and spent the day with friends.

They attended the annual meeting of the Michigan Preat association and Yale-Michigan football game.

WE, THE WOMEN

"Then, too, the wife of a successful man enjoys the prestige of his position and the envy of her friends whose husbands aren't doing quite as well.

"But a woman doesn't even get that sort of satisfaction from a wife's success."

"No," said Miss Lawrence, shaking her blonde head and looking thoughtful. "There's no hope for a marriage when a woman neglects her husband and her home to further her own career.

"When it is the husband who is neglectful, a clever woman who puts her mind to it can manage to make her marriage happy enough.

"But men don't work at marriage or contrive to untangle knots. It's so much easier (especially if they are successful) to find a woman who will do nothing but wait with open arms."

MRS. BRENN INJURED
 Iron River, Oct. 31—Mrs. Geo. T. Breen received cuts on her face when the car her husband was driving collided with a truck Sunday afternoon on US-2, near Manistique.

It was stated that a truck turned suddenly to the left into a side road. Breen escaped injury. The car was considerably damaged.

Mr. and Mrs. Breen were returning from Ann Arbor, where

Nahma News

Smith and Arnold Mercer.

Third grade: Beverly Berg and Richard Todiah.

Second and first grade: George Ritter and Joan Frasher.

The children enjoyed a program of games and were served refreshments.

Personals
 Mr. and Mrs. Nap Lachapelle, Mr. and Mrs. George Frasher and children, of Escanaba, were guests last Sunday of Mr. and Mrs. Elmer Finstrom.

Miss Lilace Tobin, R. N., of Munising, Mich., spent the weekend at the home of her parents Mr. and Mrs. Ed Tobin.

Miss Leona Ekert of Milwaukee, Wis., arrived Saturday to visit a week at the home of her parents, Mr. and Mrs. Robert Ekert.

Mr. and Mrs. Arthur Demers and children of Manistique visited here on Friday afternoon with relatives.

Mr. and Mrs. Naus Popour visited in Cooks over the week-end.

Week-end guests at the home of Dr. and Mrs. J. E. Witters, were Mr. John Martin, sons Robert and William, and Ross Loy of Chicago.

Mr. and Mrs. William Acker, Mr. and Mrs. Allen Mercer, and Mr. and Mrs. William Henderson spent the week-end in Oconto and were guests of Mr. and Mrs. F. E. Brown.

Miss Marjorie Schwartz returned to Escanaba on Sunday after visiting at the home of her parents a few days.

Mr. and Mrs. Alfred Anderson and son, Robert Lee, visited in Escanaba over the week-end at the Tim Sabourin home. They were accompanied on their return by Mr. and Mrs. Harry Radall and children of Escanaba, Mrs. Bud Groleau and children of Gladstone, who spent Sunday evening here.

Mrs. Ossie Hazen and children of Garden, spent Sunday at the Robert Eggert home.

Driving while drunk is a felony in Texas and besides suspension of his driving license, a heavy fine and jail sentence, a driver loses his citizenship if convicted.

Our word "carouse" comes from Germany. It is derived from the German words "gar" and "aus," which, translated literally, mean "to down a drink at a single gulp."

Church Services

St. John the Baptist: Wednesday, Nov. 1 All Saints' Day.
 Thursday, Nov. 2 All Souls' Day.
 Sunday, Nov. 5 8:00 a. m. Mass.
 Congregational: Sunday, Nov. 5 10:00 a. m. Sunday School. 4:00 p. m. Worship service conducted by Major Nelson of Escanaba.

Confraternity Classes
 A meeting was held at the parsonage Sunday evening and the following will take charge of the Confraternity Classes for the coming weeks: Frank G. Tebo, Roland Boudreau, Vernon Winter, Raymond E. Gravelle, Harry Greene, Miss Fay Deloria and Mrs. Wm. Swaer.

T. N. T. Club
 Members met at the Edmund Bureau home Wednesday with the Misses Marquette and Mary Ellen hostesses for the evening. After sewing a tasty lunch was enjoyed.

Hallow'een Party
 The pupils of Miss Pauline Lemirande's room enjoyed a party at school Friday. Seasonal games were played and prizes won by Beverly Peterson and Dorothy Haas.

Honor Roll
 Raymond J. Gravelle announces the honor students of his room for October:

Sixth grade: Marjorie Guertin, Ethelyn Lester, Mae Lalonde.

Seventh grade: Alan Dotsch, Shirley Guertin, Mary Jean Lester, Lucy Spaulding.

Eighth grade: Jeanette Cota, Lols Kreshefske.

Congratulations
 A daughter weighing seven pounds was born to Mr. and Mrs. Antone Leckean at their home Thursday. The Nahma physician was in attendance. It has been named Antoinette and received the rite of baptism at the St. John the Baptist Church Sunday. Mr. and Mrs. Tom Des Rochers being sponsors.

A daughter was born to Mr. and Mrs. Robert Lester Jr. at the St. Francis Hospital, Escanaba, Thursday.

Briefs
 The Misses Gladys Millington and Monica Truckey visited in Nahma Monday evening.

Mrs. Gordon Mc. Phee took her baby to Marquette Wednesday to be examined at the clinic.

Mr. and Mrs. John Boudreau and two sons came Thursday from Marquette where they had visited relatives, to the Napoleon Boudreau home, where they stayed until Sunday, when they returned to their home in Newberry.

Mrs. Katherine Mc. Nally, son Palmer, Mrs. Katherine Smith, daughter Gayle and Glen Horning

BALKANS HATREDS GET FULL PLAY

Back of the situation making Bulgaria one of the pawns on the chessboard of Europe's master diplomatists lie five centuries of Moslem misrule, recurring Balkan wars, acute economic rivalry and Balkin intrigue.

Racial distrust has long characterized the Balkans. Bulgars hate the Turks, distrust the Romanians, fear the Serbs and have something bordering on contempt for the industry of the South Slavs in general.

Built on the ruins of an old Turkish village, Sofia, the Bulgarian capital, is becoming a westernized city.

And yet, during my recent stay in Sofia, I felt the modern exterior was but a thin veneer covering a semi-Asiatic, peasant civilization. Nearly 80 per cent of Bulgaria is agricultural.

Although elementary education has been made obligatory, nearly half Bulgaria's women, one fourth of the men, are illiterate.

Crushed in the World War, peace left the country with only 40,000 square miles, gave southern Dobruja to Romania, other districts to Yugoslavia, Macedonia to Greece and denied the nation a frontage on the Aegean Sea.

"COMPENSATED BY HUMILIATION"
 For sacrificing the best in its manhood, Bulgaria was compensated at Versailles by humiliation, loss of some of its most fertile lands, and the prohibition to exceed a standing army of 20,000 troops and 3000 frontier guards.

After Bulgaria's crushing defeat in the World War, the prestige of the monarchy was seriously undermined. King Ferdinand was forced to abdicate in favor of his son, the present King Boris.

MEN TAKE LINE OF LEAST RESISTANCE

"But when a woman stays late at the office for an important conference and isn't home when her husband hurries in to tell her he got a raise or put a deal through, he can't console himself with 'That's the way with a woman.' Because the majority of women still make a man their life.

"But when a woman stays late at the office for an important conference and isn't home when her husband hurries in to tell her he got a raise or put a deal through, he can't console himself with 'That's the way with a woman.' Because the majority of women still make a man their life.

SIDE GLANCES

"All right, you have a fur coat exactly like that wealthy Mrs. Truffle. Now all I have to do is get a job like her husband has, so I can pay for it!"

TRIBE CUSTOMS ARE PRESERVED

Indian Youths on Zeba Reservations Taught Handicraft Arts

Zeba, Mich.—Modern descendants of the Lake Superior Tribe of Chippewas are learning the traditional skills of their ancestors on a project maintained by the Michigan National Youth Administration at the Indian reservation here.

Centered in the 16,000 acres trace along Keweenaw Bay donated by the U. S. government over a century ago, young Chippewa girls are learning from their mothers and their grandmothers the art of manufacturing fine hand-made products handed down from the time when tribal chiefs ruled the vast stretches of Upper Peninsula forests.

1,192 on Reservation

Today 1,192 survivors of the ancient race make their home in this reservation. In closer contact with civilization than the other remaining subdivisions of the tribe in Wisconsin and Minnesota, the young people were drifting away from the old Indian crafts, legends and folk-lore. The NYA launched a project in the Zeba Community Center to perpetuate the vanishing culture of one of our most colorful native peoples.

Under the tutelage of older members of the tribe, young people on the project are learning the arts of basket weaving and bead-work, how to make birchbark novelties, gloves, brooches, belts, necklaces, bracelets, pocketbooks, legkins, headresses, and buckskin dresses, war shirts, and moccasins, and hundreds of other products of their heritage.

Articles made on the project provide a major attraction for many of Michigan's tourists, and ready sales are made to visitors and collectors. Besides preserving for posterity a valuable native art, these girls are learning skills that may lead to employment in private fields.

Legends of Hiawatha
 No other place could be more ideally suited to the preservation of the Hiawatha legend than this section of the Upper Peninsula from which Longfellow drew the inspiration and material for his immortal Indian epic. These colorful crafts will live again as old hands impart their skill to younger hands, and America and Michigan will keep alive for future generations the tradition that captivated the great poet.

At present, 14 young women are employed by the NYA on the Zeba project, one of several Michigan projects dedicated to the purpose of preserving events of historical significance in the development of the state.

REAL ESTATE IS CHANGING HANDS FAST IN EUROPE----

- (with headaches)
- SUDENTENLAND
- CZECHOSLOVAKIA
- MEMEL
- ALBANIA
- POLAND
- and now ??

BUT RIGHT HERE—UNDER YOUR VERY NOSE—AT HOME—REAL ESTATE IS ALSO CHANGING HANDS FAST. The ONLY HEADACHE will be for those who fail to buy, because the TIME to buy is on the "UP," and the "UP" is on NOW.

LAST MONTH THERE WERE MANY REAL ESTATE TRANSFERS in this city. There is money to be made by the "smart." See the Real Estate ads in the Classified Section of this newspaper.

Boiler Kid, Wife Off to Florida

Off for a delayed honeymoon in Florida, Mrs. Fred B. Snite, Jr., and her respirator-bound husband pose with youth's father in Chicago railroad station. Married Aug. 10, Snite has lived three-and-a-half years in "iron lung" since he was stricken with paralysis in China.

She Beats the Band

Lovely Ernestine Grant gives the big drum an enthusiastic beating as she adds color to the Texas College of Mines football band at El Paso.

King Coal Comes Back! World Clamors for Southern Fuel

They're mining coal so fast in West Virginia fields that the railroads have difficulty keeping loaded cars moved out and empty on the sidings. Closed mines are being opened and production in operating mines is being increased. Aside from domestic needs, chief demand comes from Canada, South and Central America, followed by Europe. This tippie is at Clarksburg.

Coos Way Toward Film Fame

Meet Hollywood's newest—and youngest—star. After 77 other babies had been turned down, 14-month-old Peter B. Good landed job in "Brother Rat and the Baby." He has made such a hit in the studio that third "Brother Rat" story is being written for him.

Dear Sir: You're a Skunk!

Indignant writers of letters to editors have long maintained that some writers are skunks, but when a skunk becomes a writer, that's news. These aspiring scribblers are just three months old, and they live quite amicably with Pat Turney, a dairyman near Houston, Tex. "Dear Editor," Sam Skunk is writing, "Just a note to protest against the fact that you writers seem to hold us skunks in bad odor..."

Turns Warden

Fully equipped for an air raid with helmet, powder puff and gas mask slung over her shoulder is Judy McCrea, London showgirl, who has been named as air raid warden in the theater district.

Hollywood's Biggest 1939 News Story

Beautiful Blue Fairy brings Gepetto's wooden puppet, Pinocchio, to life and gives him Jimmy Cricket, center, for a conscience. Cricket has hard time keeping puppet out of trouble in Walt Disney's second full length feature cartoon until Blue Fairy, pleased with results of probation period, turns him into real boy. Film will cost \$1,500,000 to produce.

They Go Separate Ways

This is how it was before the Walter P. Chrysler, Jr.'s, decided to call it quits. Wed in April, 1938, the son of the auto manufacturer and the former Peggy Sykes have announced their separation.

Pedal Extremity

A little headwork led to footwork when this Milan, Italy, mechanic built a "pedomobile" following Italy's gasoline rationing decree. The back seat driver can help with the pedalling too.

Stubble Trouble for Strubble

Bird in the bush above is Jesse James Strubble, Mt. Carmel, Ill., who is making good on a wager that he would not shave or cut his hair if Roosevelt were reelected in 1936.

Winged 'Eyes' to Make U. S. Fleet 'Far-Sighted'

There's speed in every line of this sleek new Curtiss-Wright scout-observation plane, pictured in successful test flight for operations off warships of the U. S. Fleet. A mid-wing monoplane, carrying two-man crew, its 12-cylinder, air-cooled engine develops amazing speed. It appears as a seaplane, but pontoons are interchangeable with land wheels.

'Heil' to Honey Chile

Honey Chile, winner of the Miss America contest, demonstrates sure way to achieve unpopularity by mimicking prominent foreign dictator on her arrival from sojourn in Europe.

Cantor Grandson

The little fellow's grandpa is Eddie Cantor who is gloating at last over the first boy in the Cantor family. Eddie sent the mother, Natalie Cantor Metzger, of Hollywood, a \$10,000 check for being the first of the Cantor girls to give birth to a child.

Casual Luxury

In a season of elegance, casually cut jackets of precious and semi-precious furs are eye-catching. This smart evening model, as casually cut as a campus cardigan—is worn by Hollywood's topflight actress, Bette Davis. It's of snowy white Russian ermine with three-quarter length sleeves and flanged shoulder, treatment which seems a Peter Pan shaped collar at the front.

Costs Plenty To Be Well-Dressed Gridder

John Haman, Northwestern's star center, serves as model to show how expensive it is to put single gridder on field. It costs approximately \$55 to send one man into action. And the bill mounts into important figures with most squads who have 50 to 60 men in uniform.

Car Spitted on Timber—Like Roasting Fowl

The driver of this automobile spiked his machine from end to end on a timber protruding from a parked truck at LaPorte, Ind., and escaped with only minor injuries from flying glass. The driver is Richard Wise, 34, of LaPorte.

DAMAGE CAUSED
BY PRANKSTERS

Street Lights Broken On
Lakeside, Fences
Torn Down

Halloween pranksters broke a
number of street lights on lake-
side Tuesday evening, tore down
several fences and in general gave
lakeside residents many uneasy
moments.

City police reported yesterday
Halloween depreations Tuesday
night were the most severe in sev-
eral years. Oddly enough the
westside, which usually bears the
brunt of Halloween depreations,
particularly that section com-
monly known as "the forty," was calm
and peaceful Tuesday night and
police officers assigned to duty
there were transferred during the
night to supplement the officers
assigned to the lakeside district.

Chief of Police Roy Anderson
declared yesterday that the Hal-
loween depreations were caused
virtually entirely by older boys,
traveling in large packs. A
number of street and highway
signs were broken or defaced.

At the Manistique high school,
a crowd of approximately 1,000
youngsters attended the Hal-
loween program presented by the
Manistique Lions club.

The program opened with a
large costume parade after which
prizes were awarded to youngsters
with the best costumes. The
names of all the children awarded
prizes are not available since
many of the prize winners were
designated by the judges by their
costumes.

Following the parade eight
reels of sound motion pictures
were shown to the children at the
school auditorium.

Candy was distributed to the
youngsters at the conclusion of
the show. More than 1800 pieces
of candy were distributed, which
would have been sufficient to pro-
vide everyone with candy, but
candy distributors were over-
whelmingly besieged by avor-
cious youngsters and as a result,
some children went home with
their pockets full and other chil-
dren received none.

City Briefs

Mr. and Mrs. William Mc-
Eachern of Cooks are the parents
of a son, born Sunday morning,
October 29, at the Shaw hospital
in Manistique. The baby, who
weighed nine pounds, has been
named William Dale.

Mr. and Mrs. John Turek, of
Nahma, Mr. and Mrs. C. Johnson,
of Isabella and Mrs. Frank Moran,
of Garden were guests at the
Ed. Multhaupt home, Michigan
avenue.

MANY NEVER
SUSPECT CAUSE
OF BACKACHES

This Old Treatment Often
Brings Happy Relief

Many sufferers relieve nagging backache
quickly, once they discover that the real
cause of their trouble may be tired kidneys.
The kidneys are Nature's chief way of tak-
ing the excess acids and waste out of the
blood. They help most people pass about 3
pints a day.

When disorder of kidney function permits
poisonous matter to remain in your blood, it
may cause nagging backache, rheumatic pains,
leg pains, loss of pep and energy, getting up
at night, swelling, puffiness under the eyes,
headaches and dizziness. Frequent or scanty
passages with smarting and burning some-
times shows there is something wrong with
your kidneys or bladder.

Don't wait! Ask your druggist for Doan's
Pills, used successfully by millions for over 40
years. They give happy relief and will help the
15 miles of kidney tubes flush out poisonous
waste from your blood. Get Doan's Pills today
and ask for new money-saving Family Size.

Briefly Told

Prayer Meeting—The regular mid-week prayer meeting and Bible study hour will be held at the First Baptist church this evening at 7:30 o'clock. An hour of special prayers for the future program of the church. All interested members are asked to be present.

Junior Missionary Society—The Junior Missionary Society of the Zion Lutheran church will meet Thursday at 4:30 p. m. in the church parlors for special practice for the Christmas cheer program.

O. E. S.—Ida chapter 54, O. E. S. will hold a regular meeting Saturday evening at 8:15 o'clock in the Masonic hall. All members are asked to be present as this is the annual meeting. Officers' reports will be given and election of officers will take place.

Bethel Baptist—The Bethel Baptist church will conduct a service this evening at 7:30 o'clock at the home of Mr. and Mrs. Melville Kimmel, of Gulliver.

Harvest Dinner—The Congregational Ladies' Aid of Cooks will sponsor a chicken dinner Sunday in the church. Serving will begin at noon. The public is invited.

Bake Sale—The Philathea Class of the First Baptist church will sponsor a bake sale, November 11 in the Kefauver and Jackson building.

Harvest Home Supper—The Presbyterian Women's Club will sponsor a Harvest Home Supper November 9 in the dining room of the Presbyterian church. The public is invited.

St. Peter's Lutheran Aid—The St. Peter's Ladies' Aid will meet this afternoon with Mrs. Herman Winkle, Chippewa Ave. All members are urged to attend.

Golden Star—The Golden Star Lodge will hold a Halloween costume party this evening in the Legion cottage following the business meeting for members. There will be a program and refreshments.

Lincoln P. T. A.—There will be a business meeting of the Lincoln Parent and Teacher association this evening at 7:30 o'clock, in the school. Mrs. Dorothy Shipman will speak on the "San Blas Islands." A large attendance is desired. Mrs. Shipman will illustrate her talk with pictures.

Jolly Eight—Mrs. Leo Thomas entertained the Jolly Eight club Thursday afternoon. Three tables of 500 were in play with prizes going to Mrs. A. Kaigstad, high; Mrs. K. Hill, second high. Mrs. A. Mott was awarded consolation. Guests of the club were: Mrs. E. Lemrand, of Garden; Mrs. Hattie Vincent and Mrs. Rose Tebo, and Mrs. Margaret Soukup. Refreshments were served.

DEER IS MASCOT
Menominee—"Billy", a buck deer now a little over one year old, "the friendliest and tamest deer ever seen" is again begging at the kitchen door of CCC Camp Wells in John W. Wells Stat. Park for handouts as winter nears.

All last summer tourists in the state park fed "Billy" with ice cream, cookies and cake. Such snacks turned the young buck's appetite from humble camp fare. Now the tourist is gone, "Billy" is back at the kitchen door.

The deer was found when a young fawn, starved and alone in the woods.

WOMEN'S CLUB
HEARS ETCHER

Leon Pescheret Reviews
Process, Exhibits
Designs

Members of the Manistique Women's club were honored by a splendid illustrated talk at their regular meeting Tuesday by Leon R. Pescheret who prefers to be known as a craftsman and not an artist. He gave an enlightening description of the processes used in making an etching or a dry point.

Pecheret, one of the few etchers in this country who is known as a one-plate color etcher said, "This craft is not a matter of tools but of the personality that projects itself on a piece of paper. It is for this reason that Rembrandt is still recognized as the greatest etcher. To this day, no one, even with the modern improvement in tools, has been able to surpass his work."

The paramount qualification for the craft is infinite patience. It has taken Pescheret as long as 11 weeks to complete an etching before he achieved his objective.

Pecheret explained the procedure in making a black and white etching as follows: 1. Sketch on location. 2. Determine size. 3. Take a copper sheet and level the edges. 4. Cleanse the sheet of copper. 5. Coat the copper with beeswax and asphaltum. 6. Paint the back and edges with quick drying varnish. 7. Scratch design on copper with tool known as "needle". 8. Put plate in acid to engrave the scratches. 9. Clean plate with gasoline. 10. Ink the plate. 11. Put plate on bed of press, cover with paper and with 600 pounds pressure on rollers, design is transferred on to paper, and etching is ready for signing and framing.

The speaker explained that a dry point is made in a similar manner, except that the acid bath is omitted and the depth of the engraving is done entirely by the etcher's wrists and fingers. He explained that a dry point has a "velvety black" appearance that cannot be obtained in an etching.

Mr. Pecheret explained that a color etching involves a more complicated process since each color requires a different depth of scratch. The etcher exhibited some of his color etchings.

Walter Osterhout, who was the Women's club delegate to the Wolverine Boys State held at Lansing last summer.

The Women's club octette sang two numbers, under the direction of Miss Margaret Johnson.

Tea was served from a table decorated with appointments in keeping with the Hallowe'en motif. Mrs. E. Sundell and Mrs. W. J. Sheahan presided.

Hostesses were Mrs. W. J. Sheahan, Mrs. R. E. Slining, Mrs. T. R. Southard, Mrs. P. P. Stammess, Mrs. Ed. Sundell and Mrs. W. F. McGlynn.

Father and Son
Banquet Tonight
At Zion Church

The annual Father and Son banquet given by the Brotherhood of the Zion Lutheran church will be held Thursday evening at 6:45 o'clock in the church parlors.

The speaker of the evening will be the Rev. J. C. Magnuson, of Gladstone. Harry Aklstrom will accompany group singing. Responses will be given by Axel Victorson, Lauritz Reque and Ewald Nelson. Charles Larson representing the sons will give a reading. Gunnar Lindstrom will play accordian selections. Chairmen of the committees are Axel Victorson, attendance; O. W. Berquist, program and Otto Hood, banquet.

Excavating for the new federal building in Manistique was started here Tuesday by the Langlois Construction company, of Berwyn, Illinois, general contractors.

It is expected the building which will be constructed of stone and built during the winter months will be ready for occupancy about June, 1940.

Leads Scouts

New head of the Girl Scouts of America is Mrs. Harvey S. Mudd of Los Angeles. She was elected at the Philadelphia convention without opposition.

Kipling News

Manler-Clausen

Kipling, Mich.—Jane Manier, daughter of Mr. and Mrs. A. O. Cole, Rapid River and Blaine Clausen, son of Mrs. Robert Nebel of Kipling were united in marriage Saturday morning, October 28, at 10 a. m. Rev. Ivan O. Gonsler officiated.

The bride was lovely in a floor length gown of wine velvet. Her shoulder corsage consisted of mixed flowers. Her attendant, Miss Mary Lake, wore a floor length gown of blue satin with a corsage similar to that of the bride. Donald Manard, Gladstone, attended the groom.

Following the ceremony a dinner was served at the home of the groom's grandparents, Mr. and Mrs. E. Macdonald, Gladstone. After the dinner, the wedding party, B. Ruran of Rapid River, and Miss Leona Forvilly of Gladstone motored to Peshigo, Wisconsin, returning later in the evening.

Masquerade Party

A masquerade dance sponsored by the P.T.A. was held Thursday night at the town hall. Prize for the best costume was awarded to Miss Raspor. John Lake and his orchestra furnished music for the dance which was well attended.

Personals

Mr. and Mrs. S. Lewis of Garden Bay visited Saturday at the home of Mr. and Mrs. Robert Nebel.

Aino Anderson who is a surgical patient at St. Francis hospital is getting along nicely.

\$20,000 FIRE LOSS

Iron Mountain—Fire believed to have started at 2:30 o'clock Tuesday morning in the rear of "Fox" Anderson's class C tavern, corner of Merritt avenue and West Ludington street, destroyed that building and the Recreation bowling alleys, adjoining on the west, with a loss estimated at \$18,000 to \$20,000.

The Recreation had the only bowling alleys in the city. All that remains of this building and the tavern is the ruins. The cause of the blaze, according to Mike Scolatti, fire chief, is unknown.

The department was notified by telephone at 2:40 a. m., and, after making the short run of little more than a half block, found the flames had gained rapid headway in the rear of the Anderson building. Five streams of water were played on the sides and roof and were concentrated on the east wall of the Serena grocery, adjoining the Recreation on the west.

John Sopic Leads
Smear Tournament

John Sopic's smear quartet scored 73 points while last week's leaders were getting only 67 to go into the lead in the Holy Name Smear tournament in the series of games played Tuesday evening at All Saints parish hall. Sopic now leads B. DeHooghe's team by two points. Oscar Wilmotte scored 81 points for the evening's high and third place in the tourney.

15 TO ATTEND
U. P. MEETING

Older Boys Gather Friday
At Iron River and
Stambaugh

A delegation of 15 persons, including 13 members of the Hi-Y club and two leaders, will attend the 26th annual Upper Peninsula Older Boys' conference at Iron River and Stambaugh Friday and Saturday.

Included in the group are Pat McCauley, Dale Minnick, Eddie Zervic, Bill Swenson, Carl Knudson, Lansing Marble, James Peterson, Ralph Norton, Paul Cowen, Warren Lindahl, Douglas Stewart, Melvin Kallerson and Roy Olson. Foster Benjamin and Ted Fisher will accompany the youths.

Two delegates are being sponsored by the Lions club, two by the Rotary club, one by the Methodist Sunday school and a number by the Hi-Y club. They are included in the above named.

The purpose of the conference, as in the past, is to help create, maintain and extend high standards of Christian conduct among boys of the Upper Peninsula.

Among the conference features will be two addresses by Dr. R. G. Haukoht, director of vocational education at Marquette university, Milwaukee, two by the Rev. Glenn Frye, pastor of the Peace Temple church at Benton Harbor, Mich., and the George Campbell Hour.

Dr. Haukoht will talk on the subjects "Five requirements for a Successful Career" and "Present Day Opportunities for Young Men" while Rev. Frye will speak on "Looking Toward Courtship and Marriage" and will also give the conference closing address.

Lions Will Escort
One-Wheeled Taxi
To Meeting Tonight

Tonight's night that others will join in addition to the Lions for Club President Walter VanDeWeghe will be at the handling of a wheelbarrow giving Fritz Skoglund taxi service to a regular meeting at the Lincoln House.

Van and Fritz had a little battle as to whom would sell the most tickets for the recent Lions club Hallowe'en party, the winner to get the ride. They were anchor men on their respective teams and a checkup showed that they tied in total sales. Van's team, however, lost by two tickets and members prevailed on him to decide the issue on that basis.

Assisting Van will be the two team captains, Al Gillis and Steve Carriere. All Lions club members will gather at the Ford Garage on North Ninth street at 6:30 o'clock to escort the one-wheeled "taxi," its passenger and chauffeurs to the meeting site.

Lionism will be the theme of the after-dinner program and H. J. Miller will talk on the Constitution and By-Laws while Ray Richards will touch on Attendance.

VanDeWeghe Wins
Pin Tournament

Walter VanDeWeghe led local entries in the Journal Sweepstakes bowling tourney at the Rialto alleys and will represent the Gladstone league at the sectional matches to be rolled later. Sectional winners will compete for the title at Milwaukee.

VanDeWeghe, Don Buckmaster, Arnold St. Peter, Harold Peterson, W. S. Skellenger, P. V. Johnson, Walter Lied, Charles Swedberg, Ray Wahowiak, Phil Legault and Joe Stambulich competed here.

Vincent Johnson was second high with a four game total of 760.

Obituary

JACKSON STEPHENSON
Funeral services for Jackson Stephenson, 76, prominent Gladstone businessman, were conducted yesterday afternoon at the family home on Michigan avenue, the Rev. Ivan O. Gonsler, pastor of the Methodist church, officiating. Masonic rites were conducted at the grave by Gladstone Lodge No. 396, F. & A. M., with A. D. Alguire serving as chaplain.

Pallbearers were L. C. Brownell, Gaspard Page, John M. Olson, E. J. Noreus, J. A. Bredahl and H. J. Skogquist. Burial was made in Fernwood cemetery.

Attending the service from out of town were Mr. and Mrs. Lewis Stephenson and Mr. and Mrs. J. A. Miller and son, John, all of Minneapolis.

Swenson Brothers funeral parlors were in charge.

JAMES A. HETRICK
Last rites for James A. Hetrick, 75, long-time resident of Gladstone and veteran employe of the Marble Arms and Manufacturing Co., are to be held this afternoon at 2 o'clock at the family home, 1116 Minnesota avenue, with Rev. Ivan O. Gonsler, pastor of the Methodist church, officiating.

Bearing the body to its final resting place in the family plot in Fernwood cemetery will be W. S. Skellenger, V. E. Tillman, James T. Jones, Claude E. Hawkins, Oscar Wilmotte and Louis J. Smith. Swenson Brothers funeral parlors are directing.

Social

Joyce's Party
Mrs. Walter Lied, Minnesota avenue, entertained Monday afternoon at a party for her daughter, Joyce, on the occasion of her seventh birthday anniversary.

Games were played during the afternoon and a delicious lunch was served. Decorations and favors were carried out in the Hallowe'en scheme.

The guests included Melanie DeHooghe, Barbara Carlson, Lois Schram, Patsy Hanson, Mary Allen Sepple, Madelyn Verhamme, John Syverson, Charles Green and Shirley and Joyce Lied.

USE BULLDOZER
ON GOLF COURSE

Fairways Being Leveled
By Large Diesel
Tractor

A big Diesel-powered tractor has again been procured from C. G. Bridges, Escanaba contractor, and is now being used in finishing leveling of fairways at the Gladstone Golf course on the Days River.

Greens work has progressed nicely. Nos. 3 and 9 having been completed to the covering with top-soil and are now well along and rough grading has been completed on all but two others.

Efforts are now being made to have an electric power line run into the site to provide power for operating electric water pumps, furnishing energy for lighting the clubhouse and floodlights on the hills and for a prospective ski tow. It is hoped to have the project carried out under W.P.A.

Freshman Frolic
On Friday Night

The freshman class will hold their annual Freshman Frolic Friday night, November 3, in the gymnasium at 7:30 o'clock.

The committees in charge are: lunch committee, Eileen Brassick, chairman, Margaret Schenk, Nathalie LaRoux, Margaret Bergson, Carol Anderson, Genevieve Anderson, Rosa Begovich, and Beryl Karnitz.

The decorations are in charge of Jean Reynolds and Norman Erickson, co-chairmen. Elaine Koeller, Teresa Quinn, Joan Swenson, Mary Norton, Tommy Cowell, John Hoffmann, Elwin Morin, and Carlton Mineau.

Francis Nevaux, chairman, Felix Cornell, Billy Wyatt, and Norbert Johnson are in charge of the program.

The clean-up committee is composed of Alvin Anderson, Rune Ostlund, Allan Darlan, Boyd Swanson, and Lawrence Chappel.

Last Rites Sunday
For John Wickstrom

Funeral services for John Wickstrom, Ensign township farmer, who died on the West Coast last Saturday, are to be held Sunday at the Rapid River.

The body will arrive Saturday morning from Payallup, Wash., and will be taken to the Oscar Johnson residence at Rapid River to repose until the hour of the funeral. Services will be at 1:30 o'clock at the home and at 2 o'clock at Calvary Lutheran church. Burial will be made in the Rapid River cemetery. Swenson Brothers will direct.

Clubhouse Windows
Get Cleaning Today

Help! Help!
Today is window-washing day at the sports park-golf course club house and assistance is desired in getting the structure ready for the winter season. Persons desiring to aid may report at the park at around 2 o'clock or later. It is not necessary that the persons be club members to help in the matter, it was said, the desire to aid being requisite.

FIRST HEALTH
TALK TONIGHT

State and Child Welfare
Club Sponsors
Lectures

Women of Gladstone will have an opportunity to attend a series of free health classes during the next five weeks on the general subject of maternal and child hygiene.

The group will be addressed by Dr. Marie A. Hagele, lecturer for the Michigan Department of Health. The program is being sponsored by the Child's Welfare club and Mrs. Clyde B. Fitzpatrick is chairman of the committee in charge. Assisting her is Miss Lorraine LaFramboise, school nurse.

The first of the series is to be presented tonight, starting at 8 o'clock, in the senior high school assembly room.

Subjects to be discussed by Dr. Hagele during the 5 week period are as follows:

- 1—Our Body and How It Functions
2—How Life Begins and the Care of the Expectant Mother
3—Care and Training of Babies and Young Children
4—Communicable Diseases, Their Prevention and Control
5—The Challenge of Cancer
The Menopause or Change of Life

In the first lecture on "Our Body and How It Functions" there will be a practical discussion of human anatomy and the physiology of the important systems of the body. Slides will be used to illustrate the talk.

The second lecture is entitled "How Life Begins" and a film on prenatal care is shown. This film was prepared at Harper hospital, Detroit, under the supervision of the Maternal Health committee of the Michigan State Medical society. The third lecture deals with the problems of babies and young children and is illustrated by a motion picture, "Around the Clock With You and Your Baby."

In the fourth lecture the cause and prevention of communicable diseases and the newer immunization methods will be discussed. The Michigan Tuberculosis association will show a sound picture on tuberculosis. The fifth talk takes up the cancer problem and life after forty and is illustrated with slides.

Dates of the other addresses following the opening lecture to-night are Nov. 9, 16, 30 and Dec. 7. All will be given at the same place and at the same hour.

The complete series, sponsored by the Child's Welfare club and the Michigan Department of Health, offers an excellent opportunity for women to gain the basic knowledge of modern maternal and child hygiene. Dr. Marie Hagele accompanies her talks with considerable illustrative material—charts, maps and posters in addition to the motion pictures and lantern slides.

Each member of the class receives an outline. An opportunity is given for an open discussion of individual problems following.

CITY BRIEFS

Mrs. Gilbert Hood left Tuesday for Detroit where she will remain indefinitely.

Mr. and Mrs. Bob Becker and children of Ishpeming visited on Sunday at the home of Mr. and Mrs. Fred Siebert, Delta avenue.

P. G. Erickson of Crystal Falls spent last week visiting here with relatives and friends.

The Vernon Rousseau has removed from 1022 Superior avenue to 505 Wisconsin avenue.

each talk and women are encouraged to bring questions to class.

STOCKS CLOSE ON DOWNSIDE

NEW YORK STOCKS (Last Sales) table listing various stocks and their prices.

STOCK MARKET AVERAGES table showing market indices for Dow Jones Industrial Average, S&P 500, and others.

BY FREDERICK GARDNER. New York, Nov. 1 (AP)—Despite late resistance displayed by oils, aircrafts, steels and specialties, the stock market today ended a generally indifferent session on the downside.

The list attempted a feeble rally at the opening, failed to gain a foothold, and ran into a brief selling flurry around noon that distributed losses running to a point or so in virtually all departments.

Deals in the final hour, a little short covering and speculative nibbling reduced early declines in most cases and enabled a number of favorites to emerge with net advances.

The Associated Press average of 60 stocks was off 2 points at 52.4. Transfers totaled 794,372 shares compared with 1,011,582 the day before.

Overnight study of Russian Premier Molotov's speech, criticizing President Roosevelt for mixing in Soviet-Finnish negotiations, and putting the war on the allies, provoked scant market inspiration, brokers said.

Prospects the house would rush through approval of the arms embargo repeal also left sentiment cold.

Steele dipped in the forenoon, then reduced or cancelled declines at the last. U. S. Steel ended up 1-8 at 74 3/8 and Bethlehem was up 1-8 at 88 3/8.

A full-sized window screen contains about one mile of wire.

WAR STORIES IN STAMPS

Red Cross Answers Plea To Relieve War Suffering. THE firing of the first gun on the German-Polish war front was the signal for the International Red Cross to go into action.

The Red Cross was organized 75 years ago by a Swiss, Henri Dunant, and its development was rapidly advanced through the efforts of Florence Nightingale, a British nurse, and an American, Clara Barton, the Civil War's "Angel of the Battlefield's" Nurse.

Steel Spurt Opens Jobs For 79,000 In Last Three Months

Pittsburgh, Oct. 31 (AP)—An almost unparalleled spurt in the nation's steel production—which has boosted output to the highest tonnage rate in history—has opened up jobs for approximately 79,000 workers in the last three months, a survey of principal operators disclosed today.

The American Iron and Steel Institute reported 461,000 tons of work in the industry in July, a figure that had increased to 502,000 tons by the end of September.

The federal reserve bank of Cleveland said the 91 per cent of capacity rate reached on Oct. 21 the best since the middle of May, 1937, but because of increased production capacity, output at the present is at the highest rate in history, or close to 64,000,000 tons on an annual basis.

Police At Pontiac Hold Four Alleged Safecracker Thugs

Pontiac, Mich., Oct. 31 (AP)—Four men held as alleged members of an organized band of safecrackers operating throughout Michigan were arraigned in justice court today and kept in custody in default of \$15,000 bonds each.

The men were charged specifically with robbing the office of the Wixom Cooperative Sept. 28. Prosecutor Charles L. Wilson said George R. MacConnell, 49-year-old Saginaw locksmith, would be taken into custody tomorrow in a move to hold him as a material witness.

DAY'S MARKETS IN BRIEF

New York, Nov. 1 (AP)—Stocks: Easy; lighter drift. Bonds: Narrow; some foreign loans bought.

Foreign Exchange: Steady; sterling improves slightly. Cotton: Heavy; liquidation and hedge selling.

Government Bonds: Steady. Wheat: Closed 1-8 to down in light trade.

Corn: Closed 1/4 to 1/2 down with wheat. Cattle: Steady to 25 off. Hogs: Late trade mostly 5 to 10 lower.

What Stock Market Did: New York, Nov. 1 (AP)—Wed. Tues. Advances—212 117. Declines—381 525.

Total Issues—796 825. The government weekly summary said little wheat had accumulated in the western third of Kansas, that Nebraska was too dry for germination in many localities and with central sections of Oklahoma continued poor.

BEHIND THE SCENES SERIAL STORY

JOAN OF ARKANSAS BY JERRY BRONFIELD

CAST OF CHARACTERS. JOAN JOHNSON—a mysterious, glamorous girl of the Tech campus.

KEITH RHODES—Tech's star halfback, headed for All-American honors.

DAN WEBBER—the blocking back who clears Keith's way; a steady, industrious student.

Yesterday: Joan realizes that she does not love Keith. When Dan is named chairman of "Last Week" activities, Joan wonders what girl he will suggest as his co-chairman.

CHAPTER XIX. They were in the midst of dinner that night when the phone rang. It was for Joan.

She sat down and turned an accusing gaze on Elaine. "For your information," she announced, "that was the Student Senate office calling to tell me I've been named co-chairman of the 'Last Week' committee. You wouldn't know anything about that, would you, squirt?"

"Elaine squealed with delight. 'Jeepers, that's swell.' And then soberly, somewhat hurt, 'Who, me? Know about what?' 'Who, me? You were forced to laugh and the other girls around her chattered their congratulations.

"You... you accepted, of course," Elaine inquired, just a little meekly. "Oooh, you little... you little..." Joan tried to be angry but couldn't. She had to laugh.

"That was practically an understatement on Elaine's part. Five seconds after a pledge had given him the message from the Senate office he was dialing Barney Hughes."

"Hey, Barney," he wailed. "I resign... quit... I've been victimized or something. And Rhodes'll have my life blood!"

Barney roared when Dan had explained everything to him but he succeeded in convincing him he probably would come through unscathed.

Nor did Keith take it with very great surprise. "Don't mind me," he tossed off diffidently. "You have my blessings if that's what you're after."

Dan wondered at the attitude but made no reply. Okay, then. Might as well have a little fun out of it.

He called Joan on the phone. "Coming right over... unless you're busy tonight," he told her. She suddenly forgot all about the three chapters of political science she was to read that night.

"Sure, you can recognize her!" Scarface asked without looking up. He was still occupied with his nails.

"Two minutes later he stiffened sharply. 'Here she comes.'" Scarface looked up, then, casually, indifferently, but there was a glint in his eye. He watched Joan Johnson come down the steps toward the sidewalk.

Chaledon Wins 'Horse Of Year' Title At Pimlico

STRETCH DRIVE BEATS KAYAK II

Purse Boosts Winnings to \$252,235 for Two Years

BY SID FEDER
Pimlico Race Course, Baltimore, Nov. 1 (AP)—Chaledon, the local boy who made good, came home today to win the racing championship of the year.

With a great stretch drive that was all heart, William L. Brann's Maryland-bred colt got up to take the Pimlico Special by half a length from Charles S. Howard's Kayak II, with Townsend B. Martin's Cravat a distant third.

With the victory, Chaledon took the \$10,000 purse in this mile and three-sixteenths "dream race," a beautiful gold cup, and, since he was "top man" of the three outstanding horses in training today, he naturally earned ranking as the horse-of-the-year.

Most of the approximately 22,000 fans who turned out for the gallop which young Alfred G. Vanderbilt conceived and brought to reality, were strong for the local lad even before the race started. As a result, the bay son of Challenger II-Laura Gal, winner of the Preakness last May on this same track, was backed down to \$2.90 for \$2 in the mutuels.

Jockey Uses Whip
Only once was there any question about his coming home winning. That occurred as the three-horse field rounded into the stretch turn and Kayak made his bid, after chasing Chaledon all the way up to that point. As they left the bend and headed for home, Kayak poked himself in front. And it was right there that the colt with the floppy ears and the mane that droops into his eyes to make him look like a big kid, showed his heart.

Jockey Eddie Arcaro, part of the 120-pound load on Chaledon's back, went to the whip and Chaledon stepped on the gas. He drew even halfway down the stretch, then slowly, but as surely as the color of the grass is green in the infield here, he shoved his nose in front. Then he was on top a head, and finally his saddle was even with the South American's head. After that, he just travelled the final few yards to the wire without fooling around.

He finished the race in 1:59, fair time for a track, which, while in good condition, was not yet completely dried out from three days of rain.

The purse in this winner-take-all affair boosted Chaledon's earnings for the year to \$184,535 and marked his ninth victory in 15 starts in '39. He has been out of the money only once this year and only once last year as a two-year-old. His two-year money earnings now are \$252,235. He probably will be given a rest for the remainder of this season.

Evanston, (AP)—Ollie (Red) Hahnstein, Northwestern's ace left halfback, donned full uniform Wednesday and coaches indicated he would see considerable service at Minnesota Saturday. Hahnstein has been sidelined with an injury since the Wisconsin game. The Wildcats worked on defense against Gopher running plays.

Big Ten Briefs About Football

Minneapolis, (AP)—Switching from defense to offense, Coach Bernie Bierman concentrated Wednesday on tuning up Minnesota's attack for Saturday's game with Northwestern here. John Bartel continued in the quarterback role in the practice sessions, and the rest of the positions were unchanged.

Bloomington, (AP)—Indiana university's freshmen and reserves used Ohio State plays against the varsity football team Wednesday with too much success to suit Coach Bo McMillin. The Hoosiers will practice Friday morning in the Ohio State stadium for Saturday's game with the Buckeyes.

Champaign, (AP)—Illinois' first stringers, back to heavy football workouts after two days of light exercises, stopped freshmen using Michigan plays in an hour long tag scrimmage Wednesday.

Capt. Mel Brewer, a guard, left for Carbondale, Ill., after receiving word that his stepmother had died. Coaches said he would return for Saturday's game here, but expressed doubt that he would see much action.

Columbus, (AP)—Ohio State's Buckeye griders turned in a practice performance Wednesday that might be entitled, "You don't need a defense if your offense is strong enough," and Coach Francis Schmidt's boys spent the afternoon reeling off scoring plays that left observers expecting a "shoot the works" game against Indiana here Saturday.

Iowa City, (AP)—The University of Iowa football team got its first workout against Purdue plays on Wednesday as Coach Eddie Anderson sent his first and second teams against reserves using combinations the Bollermakers are expected to try in the game at Lafayette Saturday.

Fistic Trail Near End For Canzoneri After Technical KO

New York, Nov. 1 (AP)—The end of the fistic comeback trail came for old Tony Canzoneri tonight with a technical knockout in the third round of a scheduled ten rounder against young Al Davis of Brooklyn.

Outweighed 4 1/2 pounds at 143, the former champion, in his 24th fight in Madison Square Garden, was stopped after 2:13 on the third round after he had "been floored twice."

He went down from a blistering left early in the round for a count of three, then was felled again, rose to his feet at six, glassy-eyed as his young foe came charging across the ring.

But Arthur Donovan threw his arm around Tony and warned off Davis—and that marked the end of a trail that was one of the brightest in fistic history, at least, Tony had said before the fight that if he lost this one he was through.

Virtually all the action of the fight was concentrated in the third round and a crowd of 15,000 sat stunned at the unexpected sudden conclusion. It was Davis' 36th straight victory.

SPILLING the DOPE

BY JOHNNY INKALINGER

ROSE BOWL tip: A Los Angeles station aired the Tennessee-Mercer game last Saturday... Henry Cotton is in the British Navy... Reason Dave Smukler walked out on Philadelphia Eagles is a five-letter word meaning "what-it-takes"... Abner Doubleday, who invented baseball, has a grand-nephew playing football at Syracuse.

Electrical industry is the largest user of copper... Journalism takes most of the brass.

CARL SNAVELY, Cornell coach, told his squad before the Ohio State game: "No players have been maimed or killed against Ohio State this year... Hans Wagner, retained as Pirate coach, got his start with Louisville in 1897... Frank Metha, rookie from Fort Worth, already is being boosted as Marvin Owen's successor at third base for the White Sox..."

Charles Graham, owner of San Francisco Seals, has placed a \$75,000 price tag on Dominick, youngest outfielding member of DiMaggio clan.

They say the onion's chief characteristic is supplied by vitamin A... smells like L to us.

WISCONSIN AND IOWA are the only Big Ten teams that do not use the huddle... Bucky Walters has batted better as a pitcher than as an outfielder... Pershing Mondorff, Maryland back, was born on Armistice Day, 1918... Reaction of Ralph Harris, Oklahoma sophomore tackle, after his first game: "A guy sure gets tired walking back up the field after he gets blocked."

CRIPPLES STILL STATE'S WORRY

Regular Backfield Man, Pearce, On Bench With Ankle Injury

BY JACK I. GREEN
East Lansing, Nov. 1 (AP)—Coach Charley Bachman said Monday that the Michigan State football squad would devote this week to "getting well again." It appeared today that Bachman's program for the week was not succeeding.

With the Spartans in need of every experienced player they have for Saturday's clash with Syracuse in the east, the progress of State's cripples was a gloomy preview of State's victory chances.

Little Eddie Pearce, the Spartans only regular backfield man who has been lost for three games, still is having trouble with an injured ankle. Some observers believe the loss of Pearce has had more to do with State's poor showing this fall than anything else.

Pearce was a hard, dependable backfield blocker, a sure tackler and an eagle on pass defense. No other player whom Bachman has put in the backfield this season has those qualities.

It also appeared that the three injured guards, Ed Abdo and Ed Fogor and Paul Griffith will not be in playing form Saturday. The sophomore Bill Rupp has been used exclusively in practice this week, indicating he may have to carry the load.

Because the veteran center Ron Alling still is not developing to the point he had reached when injuries struck him a month ago, and because the third string pivotman, Tony Arena, also is injured, Bill Chartos has been moved up to replace replacement for Bill Batchelor.

Madison, (AP)—The University of Wisconsin second team displayed disappointing form in a scrimmage Wednesday with the freshman football team. The griders lacked class in handling the ball and missed assignments frequently.

SKATING CLUB MEETS FRIDAY

Will Make Plans for Open Meet In Escanaba Jan. 13-14

The executive committee of the Bay de Noc Speed Skating club will meet at the office of Bevier Butts, director of parks and recreation, at the municipal garage building at 7:30 o'clock Friday evening to discuss plans for the winter season.

Preliminary arrangements for the Bay de Noc open skating meeting to be held in Escanaba, January 13 and 14 will be made at the meeting. Much interest in the event is being shown. Letters already have been received from skaters in various skating centers of the Middle West.

The Amateur Skating Union recently invited the Bay de Noc Skating club to sponsor either the National Open or North American Open skating meet in Escanaba. The offer was rejected with regrets for it is felt that Escanaba is not yet ready to stage an event of this magnitude.

An effort also will be made to induce some Upper Peninsula city to sponsor the Upper Peninsula Skating Meet this winter as a means of promoting interest in other communities. Sault Ste. Marie is one of the cities thinking seriously of accepting the sponsorship.

Members of the executive committee of the Bay de Noc Speed Skating club are: James J. Frenn, president; Bevier Butts, secretary; William J. Schmit, treasurer; Sid Shank, Gust Peterson, Hazen Hengesh, William Smith, Dr. Edward Hrn, Dr. Harold Groos, Edward Edick, Al Gerrits, Harold Gessner, Jack Erickson and W. H. Dickson. Alvin Ness is the official trainer of the club.

Scribe Says Football Has Screwly Angles

BY BILL BONI
New York, Nov. 1 (AP)—Proving that there's a bright side even to a goal-line pileup with cleat in your face, we present herewith the second issue of football's "Screwly News."

Things were going badly for Ohio State, Coach Francis Schmidt sat on the bench, muttering directions about all his players but mentioning one name over and over again. Finally he felt a touch on his arm.

"Listen, coach," said the boy, "you're been giving me hell, and I'm not even on the field. I've been sitting here all along."

"What's the difference?" Schmidt moaned. "If you had been in there, things would have been worse."

Jerry Courtney and Right Guard Hugh Daugherty of Syracuse really got themselves into a jam in the Penn State game. Courtney, rushed off his feet, threw a frantic, unplanned forward pass right later all four officials were pointing fingers at them.

The referee and linesman nailed Courtney for throwing a pass from within five yards of the line of scrimmage; the field judge levelled off on Daugherty as an illegal receiver, and the umpire tabbed Daugherty for illegal screening on a forward pass.

At least it made things simple for the Penn State captain. He just picked out the biggest penalty and said: "I'll take that one."

Referee Red Friesell said recently he thought New York State's "little three"—Canisius, Niagara, St. Bonaventure—played some of the hardest football in the country. And no wonder—the St. Bonaventure frosh collected 30 baskets of stones in a cleanup of the varsity field the other day.

They hit the high point of confusion in a recent intra-mural game at Texas A. & M. With time for about two plays, the ball was in mid-field and the defensive team leading, 7-6. The play was a pass, to the left end, and completed on the 40-yard line. The boy high-tailed down the field, until only the safety man stood between him and the goal-line.

At that point he had a change of heart. Apparently feeling he couldn't get by that last obstacle, he stopped dead in his tracks and drop-kicked a perfect field goal. The game broke up in an argument, the officials made no ruling, and there was no final score.

P. S.—Rules officials say the play was perfectly legal.

As if Rice weren't having a bad enough season, they tell this one on the Owls. After Rice had scored its second touchdown on Vanderbilt, Coach Jimmy Kitts sent in a placement specialist, a left-footed kicker. But in the excitement the hall-holder made the mistake of setting the ball up for a right-footer.

The kicker was afraid that, if he said anything, there'd be a penalty for a substitute "communicating" before the first play had been run. In his disgust, he booted his team-mate square in the pants.

P. S.—Rice lost the game on the extra point.

The Pitt Jayvees were playing the Navy Jayvees, and Bill Fitchko, the Panther left half, was having rough sledding. Finally, after four Navy men had swarmed over him on an attempted pass, he came back into the huddle and demanded:

"Which one of you let those Navy guys through?"

There was a ten-man chorus of "I got my man" and "I made my block." Fitchko strode out of the huddle and over to the referee.

"Mr. Referee," he said, "I demand a recount of the Navy team. My boys insist they had ten of them down on the last play, and four of 'em hit me, so there must be fourteen in the game."

Someone asked Lou Little how Les Stanczyk, Columbia's star back who's out with a broken nose, was getting along.

"Ought to be back in a week or two," Lou replied. "But say, that nose of his is much better-looking now than it used to be. matter of fact, I've got a half a mind to get one of my own like that," added the Schnozzie Du-rante of the football coaches.

MICHIGAN TEAM NOT TOO COCKY

Anything Can Happen In Illini Tilt, Crisler Points Out

BY GEORGE A. STAUTER
Ann Arbor, Mich., Nov. 1 (AP)—Michigan's football team was told today that "anything can happen" when it encounters Illinois this week-end.

"Illinois will be primed for us—just as they always have been in the past—and with the same will to win," he reminded his players.

The Illini, always a tough foe for the Wolverines, will have the benefit of their own backyard for the game, the third Big Ten tilt for each eleven.

Crisler fears that his squad, thinking more of the "little brown jug" battle here with mighty Minnesota, a week from Saturday might not be psychologically ready for the tilt.

"If that's the case, we'll be lucky to win," he remarked. "It's Illinois' home-coming game, too." Worrying the coaching staff just as much is what wily Bob Zuppke, in his 27th year as coach of the Illini, has up his sleeve.

More than once Michigan has worked long and hard on ways and means of stopping Illinois plays only to have Zuppke, known for his craftiness, spring a flock of new formations on the day of the game.

This year Zuppke has a freak defensive formation known as the "blackout" in which the linemen and two line-backers remain in a huddle until the offensive quarterback has selected a play and then move into a five, six or seven man line.

Michigan, only Western conference eleven with a clear record, will go into the game a big favorite and a batch of new plays to call upon if the going proves difficult.

Crisler divided today's practice session between offense, and defense. Passing played a big part in the offensive maneuvers with Tom Harmon, the Wolverine ace, on the tossing end.

For five years prior to last season the margin of victory between the two teams was never more than three points. Michigan won last year's game here, 14 to 0 on Harmon's running and passing.

Roll Of Escanaba Hockey Men Called

Preparations for the Escanaba hockey season will get under way tonight at a meeting called by the Escanaba Hawks, local puck crew. All former members of the Hawks and all others interested in playing hockey are asked to meet at the Webster school annex at seven o'clock tonight to discuss plans for the season and inspect new uniforms which will be shown for the first time.

Players not able to attend but who intend to take part in games are asked to call Melvin Wicklander.

The oldest copper roof in the world is that on the Hildesheim Cathedral, in Germany. It was put on in 1320.
