

FINANCES CAUSE FIGHT AT LANSING

CHICAGO MAY GET NATIONAL GOP MEETING

REPUBLICANS FAVOR WINDY CITY FOR CONVENTION

BY RICHARD L. TURNER Washington, Nov. 20 (AP)—The Republicans have on old habit of going to Chicago for their national conventions, one which, reinforced by other factors, makes that city a likely choice for next year's big party meeting.

The Democrats, on the other hand, have no ingrained habits of that sort. While the Republicans have held four of their last seven meetings in Chicago, the Democrats have met in seven different places. So the latter still are casting about for a city, with San Francisco considered a good bet, if the fair there runs into another year.

Good Convention Hall For the Republicans, Chicago is located fairly close to the party's center of population—away from the south and a little closer to the east than to the west.

Its hotel facilities are more than ample. It has a convention hall, which, while located at some little distance from the hotel center, is roomy, and has proved that its roof is of sufficiently solid construction to defy the noisy blasts of a party convention.

Moreover, the businessmen of the city apparently are ready with a sum in cash money satisfactorily attractive to the party fathers. This is usually called a "bid" or "guarantee." The businessmen pay the costs of the conventions of both parties, and a sizeable sum over and above that, for the privilege of feeding, housing and otherwise selling their merchandise to the delegates and convention followers.

City Is Neutral Of great importance, too, Chicago is neutral ground this time. Illinois has no formidable candidate for the nomination, as has Cleveland with Senator Taft, Detroit with Senator Vandenberg, and New York with Thomas E. Dewey.

Both parties have found that to take a convention to the principal city of a state with a favorite-son prospect for the nomination, is to plunge the convention into an atmosphere heavily loaded in favor of that candidate. The favorite son has usually lost, but on the whole such a convention has not worked out well.

So Chicago has everything in its favor—except its record. Of the four Republican presidential nominees chosen in the Windy City, three—Taft, 1912, Hughes, 1916, and Hoover, 1932—were defeated. The one winner was Warren G. Harding in 1920, and Harding's administration is not one of the things the Republicans like to talk about.

Confidence Runs High But around headquarters here, no one is talking of "jinx cities," or of jinxes of any kind, for that matter. The party confidence is running pretty high, and almost everyone thinks Chicago will be the place.

As for the Democrats, they have met successfully since 1912 at Baltimore, St. Louis, San Francisco, New York, Houston, Chicago

Fourth Hunting Fatality Listed; Deer Kill Light

BY THE ASSOCIATED PRESS The fourth fatal gun accident of the Michigan deer hunting season was reported Monday when the body of a 14-year-old George F. Savage of Cass was found three miles northeast of Shingleton in Alger county.

The young hunter had been missing since Sunday night. State police, Alger county deputies and 36 members of the Civilian Conservation Corps were mobilized for the search but the body was found by Emmett Anderson, of Brown City, the victim's hunting companion.

Investigators said Eldridge apparently placed his 12 gauge shotgun against a stump and was shot in the face and chest when the gun fell over and discharged.

This death brought the total to four for the 1939 season. Numerous non-fatal injuries have been suffered.

NO NEW TAXES IN WASHINGTON

Revenue Bill Avoided In Election Year By Legislators

Washington, Nov. 20 (AP)—Legislators wary of imposing new taxes in an election year brightened up today when Secretary Morgenthau reiterated that the treasury had "no tax program" and Senator Harrison (D-Miss.), said a tax bill might be unnecessary at the congressional session beginning in January.

Harrison, chairman of the finance committee which prepares tax legislation for senate consideration, discussed the outlook with reporters after lunching with President Roosevelt.

Guggenheim Leaves 5 Million To Help Manhattan Children

New York, Nov. 20 (AP)—Murry Guggenheim, philanthropist and mining magnate who died last week, left a trust of \$5,000,000 to the Murry and Leonie Guggenheim Foundation, the income from which is to erect and operate clinics for Manhattan children.

MINES WORST WAR MENACE TO NEUTRALS

BRITISH SAY NAZIS HAVE VIOLATED BATTLE RULES

(By The Associated Press) Great Britain's unusually heavy shipping losses over the weekend, attributed by the British to loose German mines in the North sea, mounted last (Monday) night with the disclosure that the steamer Arlington Court had been sunk by a submarine 200 miles off the Irish coast.

Word of the 4,915-ton Arlington Court's fate was received in Cork, Ireland, as the British totaled up a reckoning of five vessels sent to the bottom in the North sea during the week-end.

At least 133 persons—eleven from the Arlington Court—were

85 MISSING London, Nov. 20 (AP)—Agents of the Netherlands steamer, Simon Bolivar, sunk by mines off England's east coast Saturday, issued an official casualty list of only 85 missing and dead to-night.

Listed were the captain, 18 crewmen and 66 passengers. Previously, authoritative estimates had placed the dead and missing at 140.

reported dead or missing in ten disasters. Five of the sunken ships were neutrals.

Raiders Over London Meanwhile, Nazi planes suddenly stepped up the tempo of the war in the air with an unsuccessful raid which touched London's outskirts for the first time during the war.

British anti-aircraft guns, aided by the royal air force, drove off the lone German plane which was seen over the Thames estuary. British guns also repelled a Nazi flight over the Orkney Islands, site of the Scaapa Flow naval base, and a German airplane's assault on a British destroyer in the North sea was said to have been "unsuccessful."

The date of the Arlington Court's sinking was not given in brief dispatches received last night, the first information merely reciting that 22 survivors in a lifeboat were rescued by the Netherlands vessel Algenib. A lifeboat with 11 other crewmen was missing.

It was believed the Arlington Court sank several days ago, however, as the chief engineer was said to have died in the lifeboat found by the Algenib. The survivors were expected in Cork today.

Owners of the Netherlands passenger liner, Simon Bolivar, lowered the known death toll in the destruction of their ship by a mine Saturday to 85. Previously, 140 persons were reported to have been lost.

ERRING CZECHS SPIRITED AWAY

Nazis Put About 1,200 Students In Camps After Purge

Prague, Nov. 20 (AP)—Approximately 1,200 students have been sent to concentration camps in connection with recent demonstrations which led to the execution of 12 Czechs, it was announced officially tonight.

Parents and relatives and others making inquiries or attempting intervention were advised that such steps were "purposeless."

The conflict between dissident Czechs and the German-established government of the protectorate of Bohemia-Moravia began with clashes on Oct. 28, the 21st anniversary of the founding of the former Czechoslovak republic. A student injured on that day died last Wednesday, precipitating anti-German demonstrations which were said to have resulted in the shooting of firing squads of nine students, two policemen and an unidentified Czech.

A survey today showed eight Czech universities and academies, including the university of theology and faculties of Prague and Brno, have been closed for three years.

German War Aims Backed By House Of Hohenzollerns

Berlin, Nov. 20 (AP)—The House of Hohenzollern was said today by one of its members, Prince August Wilhelm, fourth son of the ex-Kaiser, to be solidly behind Nazi Germany's present struggle.

The prince, who made his statement to foreign correspondents, is the only Hohenzollern prominent in Nazi party affairs. He works in a Potsdam wartime food supply office.

"Immediately after the Munich incident on November 8 my father telephoned from Doorn to the German minister at The Hague to express his gratitude that the fuhrer escaped," said the prince. A bomb shattered the Munich Buergerbrau house only 11 minutes after Hitler departed November 8 following a speech.

"My entire house is absolutely against all efforts to injure Germany. And whatever is against the fuhrer is against Germany. It is unbelievable that anyone in my house or another German royal house could do anything against the fuhrer or the regime. We were as shocked by Munich as everyone else."

Scouting Planes Busy The prince said that his eldest brother, the former crown prince, was in Berlin today, and that he was engaged daily in the administration of Hohenzollern properties.

Meanwhile, with German troops on the western front kept busy removing trees uprooted by storms, a lively day was reported for German scouting planes.

DNB, official news agency, said German reconnaissance planes obtained "valuable scouting results" in flights over Scaapa Flow, the British naval base in the Orkneys north of Scotland, over southern England and over the channel coast of England, and northern France.

In the London area, DNB said, pursuit planes and anti-aircraft attacks met the great height of the German planes enabled them to escape.

HUSBAND CITED IN DEATH PLOT

Avoca Grocer Accused of Offering \$500 to Kill Wife

Port Huron, Mich., Nov. 20 (AP)—Harry J. Martin, 51-year-old grocer at Avoca, stood mute today when arraigned in circuit court accused of an attempt to plot the death of his wife, Minnie, 53.

The formal charge against him was "soliciting another to commit murder." He waived examination in police court before he was taken before Judge Laurie O. Telfer in the higher court.

Judge Telfer advised Martin to arrange for counsel and then remanded him to jail.

Martin was accused of offering a deputy sheriff, posing as a Detroit gangster, \$500 if he would kill Mrs. Martin by running her down with an automobile. The motive, it is alleged, was collection of a \$1,000 insurance policy.

However, deputies questioned a 42-year-old Port Huron woman with whom Martin has been friendly. The deputies quoted her as saying that Martin planned to marry her.

Gray-haired Mrs. Martin visited her husband in his cell Sunday. "I couldn't believe it—he had been so kind to me in the last year," Undersheriff David R. Hanton, Jr., quoted her as saying.

Mrs. Martin said "we had a little trouble a year ago, but that was all patched up."

Martin said to her at the jail: "Please forgive me. I never really intended to go through with it."

Under Fire

Mayor Ross of San Francisco has appealed to President Roosevelt to settle the West Coast water front dispute for which he held "the alien, Harry Bridges," responsible. Bridges, above, has worn out his welcome in San Francisco, the mayor said.

END OF DETROIT STRIKE AWAITED

Chrysler Workers Idle 46 Days; Compromise Sought On Wages

Detroit, Nov. 20 (AP)—While 58,000 Chrysler employees waited for word of an agreement that might return them to their jobs after 46 days of idleness, officials of the corporation and the CIO United Automobile Workers today sought a compromise on wage adjustments to end the prolonged contract dispute.

James F. Dewey, U. S. department of labor conciliator, reported the corporation had expressed willingness to make "substantial adjustments in rates of pay" but had made no offer of a general wage increase. The union, which had demanded a blanket wage increase of ten cents an hour, was reported ready to accept five cents.

At Lansing Governor Luren D. Dickinson expressed regret that the state lacked the power to force a settlement, and added: "Any industry that wants to operate will have our protection and workmen who really want to work will be protected in trying to do so to the full extent of all the power and authority of the state."

R. J. Thomas, UAW-CIO president, replied that "our people are determined not to go back to work until this thing is settled. They have the right to stay out if they wish."

Loud Scream Foils Holdup, But Takes Voice Of Cashier

Detroit, Nov. 20 (AP)—Maxine Grant, 21, theater cashier, screamed so loud tonight to foil a holdup attempt that she lost her voice for the next half hour.

When she could talk again she told police that when a man pointed a gun at her in the ticket window she became terror stricken and after one scream was speechless. The gunman, however, had fled.

Hindu-Moslem Riot Causes 23 Deaths

Sukkur, India, Nov. 20 (AP)—Twelve persons were killed today in a continuation of Hindu-Moslem rioting which assumed even greater proportions than yesterday when 11 persons met death.

Traffic Toll

Bay City, Mich., Nov. 20 (AP)—Mrs. Anna Wallack, 38, was killed today when struck by an automobile.

Flint, Mich., Nov. 20 (AP)—Richard Habirk, three, was killed today when struck by a coal truck near his home in Pine run.

Two-gun Girl Kills Attorney Accused Of Stabbing Attack

Dallas, Tex., Nov. 20 (AP)—Blonde Corinne Maddox fished two guns from her handbag today on Main street and shot down Brooks C. Coffman, 40 year old lawyer accused of stabbing her last spring because she refused to accompany him to California.

Coffman died with a half hour of two bullet wounds.

Murder charges were filed against Miss Maddox tonight by homicide Detective J. T. Luther. She was released under bond of \$7,500.

Witnesses told Detective Inspector William Fritz the young woman emptied one gun, ignoring the screams of the victim. She replaced in her purse, took out another, dropped the purse and pursued Coffman across the street.

After the shooting she retrieved the purse and appeared at a telephone office with an automatic and a six shooter.

"He hounded me to death," the 26 year old former stenographer told Detective Inspector Will Fritz. "I didn't want to do it, but what else could I do?"

"He called me at my home and told me he would kill me if I appeared against him in court," she added.

Coffman, charged with assault to murder in the ice-pick stabbing of Miss Maddox last May 20, was to have gone to trial October 9, but the case was postponed indefinitely because the victim had not recovered from her wounds.

Pleads For Mercy Fritz, in charge of the questioning, constructed this story from her verbal statements:

"For more than a month she had planned to kill Coffman, having a pistol repaired so it wouldn't jam, as it did in a previous attempt, and buying leaden bullets so they wouldn't ricochet into downtown crowds."

This morning, she said, she waited in a beauty shop for Coffman. He came along with a woman, whom police did not immediately identify, and Miss Maddox followed. She said she stepped up behind him, and within five feet began firing.

"She stood over him, firing into him," said Eye-witness George Lawton who was sitting about 20 feet away. "He was trying to hold himself up with one hand and hollering and pleading for mercy."

Assistant District Attorney Jimmy Martin, hearing the shooting, hurried to the scene and found Miss Maddox in a telephone office, telephoning the sheriff's office she wanted to surrender.

Lansing, Nov. 20 (AP)—Governor Dickinson today assigned the state social welfare commission to go to Washington next week to fight against a proposed reciprocal trade treaty between the United States and Chile that would lower tariff barriers against Chilean copper and bean imports.

He designated P. J. Hoffmaster, state conservation director and supervisor of wells, and R. A. Smith, state geologist, to represent the state in a protest against the lowering of tariffs on the importation of petroleum and petroleum products from Venezuela.

Walter F. Gries, chairman of the social welfare commission, said he wanted the entire commission to accompany him to the hearing scheduled for Monday before the committee for reciprocity information.

"A reduction of the copper tariff would be a major blow to the Upper Peninsula's copper mining industry and would throw thousands of persons on already overloaded relief rolls," Gries declared.

BUDGET STILL OFF BALANCE, SAYS AUDITOR

COLLAPSE OF STATE "PAY-AS-YOU-GO" PLAN REPORTED

BY G. MILTON KELLY Lansing, Nov. 20 (AP)—State officials divided into two camps today in a controversy provoked by statements of Auditor General Vernon J. Brown that Michigan's "pay-as-you-go" plan of financing its government has collapsed.

Brown declared the budget was out of balance, and that the incumbent Republican administration would add to the \$32,000,000 general fund deficit it inherited from its Democratic predecessor. Brown is a Republican.

New Taxes Not Needed Emerson R. Boyles, Governor Dickinson's legal adviser, tartly replied that there would be no overdrafts unless Brown permitted them. Boyles declared he and Governor Dickinson planned to make it their business to see that there was no deficit, even if the legislature would have to be recalled for a special session to enact some revenue-raising measure.

Budget Director Gust T. Hartman entered the controversy with a statement that new taxes were not needed.

An overdraft of \$540,000 a year would be required to finance aid to dependent children, he declared, and a deficit of about \$24,800 for aid to the blind but he insisted the general relief deficit would be nowhere near the \$2,500,000 a year estimated by Brown.

Economies Under Way The smaller deficits, Hartman said, could be covered by economies he now has underway. He delivered an impromptu lecture on the evils of over-taxation, declared he would fight officials who have challenged his authority to impose economies on their departments, and said he thought the time was not far away when he would "be in favor of a sit-down strike by taxpayers" to compel a lightening of their burden.

Although Brown struck no total, he made public figures that included the general fund might be an additional \$5,000,000 in the red at the close of the fiscal year. He pointed to \$1,224,779 due the primary school interest fund to meet statutory provisions and an estimated \$2,500,000 deficit in the welfare funds; \$500,000 deficit for aid to dependent children; \$2,318,944 needed for the soldiers' bonus sinking fund, and an unestimated amount needed to operate newly constructed additions to the state hospitals.

COPPER TARIFF CUT IS OPPOSED

Michigan Fights Treaty With Chile As Bad for Peninsula

Lansing, Nov. 20 (AP)—Governor Dickinson today assigned the state social welfare commission to go to Washington next week to fight against a proposed reciprocal trade treaty between the United States and Chile that would lower tariff barriers against Chilean copper and bean imports.

He designated P. J. Hoffmaster, state conservation director and supervisor of wells, and R. A. Smith, state geologist, to represent the state in a protest against the lowering of tariffs on the importation of petroleum and petroleum products from Venezuela.

Walter F. Gries, chairman of the social welfare commission, said he wanted the entire commission to accompany him to the hearing scheduled for Monday before the committee for reciprocity information.

"A reduction of the copper tariff would be a major blow to the Upper Peninsula's copper mining industry and would throw thousands of persons on already overloaded relief rolls," Gries declared.

"The copper industry has hung on for years in the hope of better days. To cut the tariff now would be to cut its throat."

Hollywood Movie Strike Is Averted Hollywood, Nov. 20 (AP)—A strike call to 35,000 film studio craftsmen scheduled for today was averted by an emergency conference between producers and union committeemen, who predicted probable amicable settlement of the dispute.

At the producers' request, the conference was recessed until next Friday afternoon. In the meantime, no further strike deadline will be set.

All American Federation of Labor unionists in the studios are seeking a 10 per cent wage increase.

NORMAN'S CASE IS CONTINUED

December 1 Set As Date for Hearing On Stabbing Charge

Preliminary examination in the case of Gunnar Norman, Escanaba, charged with assault with a dangerous weapon following an altercation in which John MacGillis was stabbed on November 5, was continued again yesterday in the court of Justice of the Peace H. E. Ranguette, until December 1.

Norman, arraigned on November 6, before Justice Ranguette, waived preliminary examination and was held to the circuit court, under \$1,000 bond. Later, on his lawyer's advice, Norman asked examination and the hearing was set for yesterday.

Yesterday, the new continuance was granted after the defense attorney had reportedly offered to enter a guilty plea on a less severe charge. Chief of Police Michael F. Ettenhofer, however, declined, insisting that the charge must stand.

Eight witnesses for the state are scheduled to be called in MacGillis' interest at the December 1 examination, and it is expected several witnesses will appear in Norman's behalf.

SCHOOL PLAYER DIES

New York, Nov. 20 (AP)—Allen Cohen, 15, Far Rockaway Long Island high school student, died today of injuries received Nov. 3 in a sand lot football game. He suffered hip and throat injuries.

The mistletoe parasite makes its home on apple, linden, locust, maple and thorn trees, and may be found on oak occasionally.

PLANS SET FOR LIGHT PARADE

Nine Business Blocks to Enter Floats in Celebration

Plans for a colorful parade to precede the Ludington street light dedication program next Friday night were made at a meeting of business representatives from the 600 to 1400 blocks of Ludington street last night at the city hall.

The parade, starting at Sixth street, at 7:30 o'clock will continue to the Junior high school where the celebration will conclude with speeches and music in the William W. Oliver Memorial Auditorium.

Business houses of each of the nine blocks where new lights have been placed will prepare floats. The Escanaba city band, the high school band, Boy Scout troops and individual floats, including a string of decorated cars, will be in the line.

A highlight of the program at the auditorium, designed by civic leaders to congratulate the city on the new lighting system, and also to formally launch the Christmas shopping season, will be a program by the Orpheus Choral society, who only last week won plaudits throughout the city for a recital in the auditorium.

The parade will progress under the new season's Christmas decorations, which will be turned on Friday night for the first time.

Committees have been named for each block to make arrangements for the celebration and a lively competition is developing in the preparation of parade entries.

"Rented the first day" said Smith. Try a For Rent Ad today.

Briefly Told

Boy Scout Meeting Postponed

The meeting of Boy Scout Troop 51, of the Knights of Columbus, scheduled for this evening, has been postponed for one week.

Shoot Three Bucks

Mr. and Mrs. Gilbert Vanderlin and George Vanderlin of Soo Hill filled their licenses last week while hunting for deer in the vicinity of Ralph. They returned home yesterday.

Bark River Townsend Club

A regular meeting of the Bark River Townsend club, No. 1, will be held this evening at 8 o'clock at the John Olson home. All old and new members are urged to attend as important business will be discussed.

Red Cross Report

Yesterday's receipts for Red Cross were \$93.95, making a total to date of \$915.09 as compared with \$698.46 for a corresponding period last year.

Gets His Buck

Charles Neumer of Escanaba shot a 140-pound buck last week while hunting near the Chalk Hills hunting camp in Menominee county.

Harry Bourke, Jr.

of 602 South Eighth street got a black bear late Saturday at the Max Kellerman camp near Alfred.

City and county officials were back at their desks Monday, empty handed, after forays for deer last week. Some said there aren't any deer this year, at least they didn't see them, and others had alibis about the ones they did see. All, however, said they'd get one yet.

Among these hard luck hunters was County Clerk P. A. LeClaire, who reported that others in his party were luckier. Olin Webber of Owosso and Robert Leighton of Muskegon got bucks and William Mercier of Nahma got a female

Sheriff Looking For Owner Of Car Minus Handle Of One Door

Wilbur Pilon, of the Welcome hotel, Escanaba, who told sheriff's deputies that he was struck by a hit and run driver early Sunday morning at Flat Rock, was released yesterday from St. Francis hospital, where he was treated for cuts and bruises.

Pilon said he was dickered with a motorist to bring him into Escanaba, standing outside the car in the road, when another car passed close, struck him and knocked him down.

Deputies investigated and found the handle of a car door at the scene. They are looking for the owner of a car with a handle missing, and asked cooperation of the public in reporting any such car.

Season's Last Boat Unloads At Reiss

The S. S. "Crete," a Pickands Mather vessel, was at the C. Reiss coal dock yesterday with the last coal cargo to be unloaded at the Reiss dock this season. It carried 7,975 tons of coal for the C. & N. W. railway.

On Sunday, the S. S. "Thomas Walters" of the Jones and Laughlin fleet, is due at the Reiss dock

Boy Scouts Dine With Lions Club; Sheahan Speaker

"Police officers invariably agree that they have never known of any boys trained in Boy Scout work to end up in juvenile court for delinquency," Sergeant Ralph Sheahan of the state police told Escanaba Lions club members last night at a special Boy Scout dinner at which members of Troop 54, sponsored by the Lions club, were guests.

Captain O. E. Demaray, head of the state police post at Marquette, also was a speaker at the meeting, and commended Boy Scout work as promoting a better relationship between youth and the police.

In addition to members of Troop 54, Scout leaders were present at the meeting, including B. W. Phillips, local Scout executive; Clarence Zerbel, district commissioner, who presented an annual charter to Troop 54; John Englebretten, Scoutmaster of Troop 54, and Clyde Frick, Jr., assistant Scoutmaster. Members of the troop gave demonstrations of their work as a feature of the program, which was arranged by Clyde Frick, Sr., Lions club member in charge of Scout activities.

As a closing number of the program, a sound movie showing the work of the Michigan State Police was presented.

H. S. Students Hear Dr. Tonney Tell Of Public Health Work

Dr. Fred O. Tonney, Delta county health commissioner, told members of the Escanaba high school Tri-S club last night at the high school that the function of the modern health department is to bring advances of medical and scientific discovery to the masses of the population.

Dr. Tonney's topic was "Know Your Health Department." He outlined the activities of the department here and invited greater interest in the work.

He pointed out that parents of present high school students had a life expectancy of 35 years, whereas the present generation can expect to live 50 years and he contrasted former with present

3 GUILTY ON AUTO COUNTS

2 Charged With Drunken Driving; One Goes to Jail

Two auto operators were sentenced Monday for drunken driving and a third was fined for reckless driving in justice of the peace courts.

Carl Eastman, whose address was given as 1127 Washington avenue, was assessed \$50 and costs on a drunken driving charge by Justice H. E. Ranguette, and Arne Rautenen, a woodsman of near Nahma, went to the county jail for 30 days in default of a like fine after arraignment before Justice of the Peace George W. Carr.

Clarence Bower, companion of Rautenen at the time of the arrest by city police, was sentenced to ten days in jail on a charge of being drunk.

Roy Chaput, 520 North Eleventh street, was fined \$10 and costs on a reckless driving charge. He was arrested early Monday morning on Ludington street. Rautenen was arrested Saturday as he and Bowers were parked on Stephenson avenue attempting to start their auto. Eastman was arrested late Saturday after he had knocked down a traffic sign and bumped over the curb into Rose park at the Washington-Sheridan street Y, police said.

controls of contagious and epidemic diseases, including water and milk epidemics.

Among major public health advances of recent years, he said, are wide use and improvement of immunization for smallpox, diphtheria, whooping cough and scarlet fever; improvements in treatment and wider use of serums, the discovery and use of new drugs and of advances in heat therapy, diet control and nursing care. He told of better water sanitation through the use of chlorine and of better milk control through pasteurization and strict regulations with regard to distribution.

LIVED IN KEWEEANAW

Calumet—The widow of Pierce Butler, associate justice of the United States Supreme Court, who died in Washington Thursday, is a native of the Copper Country, and a first cousin of Mrs. John C. Flynn of Hancock.

Mrs. Butler was born and raised in Keweenaw county and also resided in Hancock. Her father, the late Jerry Cronin, was a brother of Mrs. Flynn's father, Patrick Cronin, and both brothers were in charge of mail deliveries between Houghton and the early mining settlements of Keweenaw county.

Munising News

Capac Hunter Killed North of Shingleton

Munising, Nov. 20—A searching party of 45 men this morning found the body of 19-year-old George Franklin Eldridge, of Capac, Mich., in the woods north of Shingleton. The right side and top of Eldridge's head, from the eye up, was blown off, evidently by a charge from the 12 gauge shotgun which he had been carrying in hunting deer.

Death was declared to be an accident by Coroner John A. Schilling, who investigated. No inquest is planned.

The body was found by a group of 40 CCC enrollees of Camp Cusino headed by Conservation Officer Julius Thorson and William Crommell and State Trooper Harold Bliss who had joined Eldridge's hunting companions, Emmett Anderson of Brown City and Alvin Palmer of Shingleton in the search.

The CCC enrollees cut trail and assisted in bringing the body out of the woods. It was taken to the C. F. Beaulieu Funeral Home here to be prepared for burial.

Officers, after finding Eldridge's body, located the youth's father, Bertram Eldridge, who was hunting with a party of five east of Long Lake near Melstrand.

The younger Eldridge was not with his father's party but with Anderson and Palmer was hunting out of Shingleton. The three had started out early on Sunday morning, first hunting part of the Cusino swamp without success. Later they went northeast of Shingleton, separating at about 11:30 o'clock for a drive. Eldridge, using a double-barrel shotgun loaded with fine shot was driving one wing with Palmer on the other and Anderson stationed on a knoll ahead. At about 1:30 in the afternoon, Palmer jumped a deer which wheeled and went in the direction of Eldridge. Soon afterward the shot was heard. They at first assumed that Eldridge had taken a shot at the deer.

After a half hour had passed and nothing was heard from Eldridge they began looking for him. They searched until 6 o'clock and then came to Munising and called upon the officers for aid. Bliss, Thorson and Crommell joined the search which was continued until four o'clock this morning. A short time later the search was resumed with the aid of the CCC enrollees.

Two of the CCC enrollees found the body extended, face down on the ground with the gun stuck in a partly rotted tree stump, at about 10:25 this morning.

According to the theory of officers, Eldridge had climbed on the stump to gain a better view. They found his footprint on the stump. The stump was about six feet high and three feet in diameter with a hole about one foot wide. The belief is that the gun was cocked and that when Eldridge climbed upon the stump it slipped in the rotted wood, something catching the trigger and setting off the fatal charge. Only one barrel was fired, the other still being loaded when found.

Eldridge was a first year student at Michigan State college and been living in a trailer with Anderson at Shingleton while hunting. He is survived by his parents, two brothers and two sisters, all of Capac. The body is being taken to Capac for funeral services.

WOOD PRODUCTS STAFF CHANGED

J. L. Luke New President of Piqua Munising Company Here

Munising, Nov. 20—J. L. Luke, treasurer of the Cleveland-Cliffs Iron company, has succeeded V. P. Geffine as president of the Piqua Munising Wood Products company.

Mr. Geffine, vice president of the Cleveland-Cliffs Iron company, resigned the position of the president of the wood products company because demands made upon his time in his capacity as an officer of the Cleveland-Cliffs Iron company do not permit him to give sufficient time to the affairs of the woodenware company. Mr. Luke will represent the interest of the Cleveland-Cliffs Iron company as creditor and stockholder of the woodenware company.

Mr. Luke was elected director of the company at a meeting on September 6 and A. C. Brown was elected director at a meeting on November 15, succeeding G. M. Pfeffer, who resigned.

Other changes announced by the Cleveland office of the wood products company include: H. S. Harrison has been selected as treasurer and secretary of the company, succeeding V. P. Geffine in the office of treasurer and L. J. Melners in the office of secretary.

Mr. Melners will be comptroller of the organization. J. A. Husar has been elected as assistant secretary and assistant treasurer and M. W. Nunemaker has been appointed acting general manager of the company.

No Bear Killed in County As Yet

Munising, Nov. 20—Bear kill in Alger county during the last three years has numbered 91, but so far this season none have been reported killed. A total of 1,809 bears were killed in the state in three years. The bear is legal game during the deer season. Alger county ranked third in the kill of bears during the three years.

There's a Good Reason You're Constipated!

When there's something wrong with you, the first rule is: get at the cause. If you are constipated, don't endure it first and cure it afterward. Find out what's giving you the trouble.

Chances are it's simple if you eat the super-refined foods most people do: meat, white bread, potatoes. It's likely you don't get enough "bulk." And "bulk" doesn't mean a lot of food. It's a kind of food that isn't consumed in the body, but leaves a soft "bulky" mass in the intestines and helps a bowel movement.

If this is your trouble, you should eat a natural "bulk" producing food—such as one as the crunchy, toasted, ready-to-eat cereal—Kollig's All-Bran. All-Bran is the ounce of prevention that's worth a pound of emergency relief. Eat it every day, drink plenty of water, and "Join the Regulars." All-Bran is made by Kollig's in Battle Creek.

year period. Chippewa county had the highest kill, 123; Luce had 93; and Marquette county ranked fourth with a kill of 88.

X-Ray Clinic Will Take Place Today

Munising, Nov. 20—The Alger county X-ray clinic conducted by the Michigan Tuberculosis association will be held here in the Maier high school on Tuesday. The clinic will begin at 9 a. m. Dr. E. J. Brenner, director of the Alger-Schoolcraft health department, announced plans for the clinic last week.

X-ray clinics are used to aid in the location of early cases of tuberculosis. Importance of tuberculosis testing and X-raying of persons who have come in contact with active tuberculosis is being stressed by the tuberculosis association since the spread of the disease is only by contact.

Alger County Has Four Car Accidents Over The Week-End

Munising, Nov. 20—Four automobile accidents were reported to Alger county police over this week-end.

Matt Winkka, of Munising, was taken to the Munising hospital about 2 o'clock on Sunday morning after he had been struck by a car driven by William Phara of the Nelson location, Ishpeming, near the county garage on West Munising avenue. Riding with Phara were Earl Ball of Ishpeming and the Misses Dorothy and Viola Dahlstrom and Vivian Koski, of Marquette. Winkka suffered a broken leg and other injuries. He was taken to the hospital by Stanley Ryzansky, of Munising, who, with William Phara saw the accident. Phara was not held by police who investigated the accident.

Mrs. Hanna Wesa and Mrs. Alno Sarvari, of Detroit, were taken to the hospital on Saturday morning after their car left the road about six miles west of Munising on M-28. Mrs. Mannie Vehko, of Detroit, was driving and John Wesa, also of Detroit, was another passenger in the car. They were enroute to the Copper Country.

Leo Slutskin, of Chicago, lost control of his car about a mile west of Camp Evelyn on M-28 on Saturday. Miss Jennie Spencer, of Munising, and Miss Eva Hermonson, of Grand Marais, suffered a slight injury.

A car driven by Andrew Mahalle, of Van Meer, collided with the rear left wheel of a truck driven

Obituary

MRS. INGER PETERSON Funeral services for Mrs. Inger Peterson were held at 2:30 o'clock Monday afternoon in the chapel of the Anderson Funeral Home, Rev. D. E. Evans of the First Methodist Episcopal church officiating. Burial was made in the family lot in Lakeview cemetery.

Palbearers were John and Fred Costell, Arthur Chartrand, Omar Gagnier, Milton Godin and Lawrence Heron.

Mr. and Mrs. August Sorby of Iron River and Mr. and Mrs. Carl Sorby and Olat Sorby of Chicago were among those at the services.

MURRY K. BISSELL Final rites for Murry K. Bissell, prominent figure in business and civic life in Escanaba for many years, were held Sunday afternoon at 3 o'clock at the family home, 610 Lake Shore Drive, Rev. Carl E. Berger, pastor of the First Presbyterian church, conducting the service. Burial was in Lakeview cemetery.

Honorary pallbearers were Leslie French, E. G. Royce, George N. Harder, Herman Gessner, Dr. W. A. Cotton, Coleman Nee, William J. Hanrahan, John P. Norton, E. C. Voght and H. H. Shepeck.

by Clifford Wilkes, of Munising, about 2 miles east of here on M-94 early this morning. Mahalle's car was badly damaged. Mike Mahalle, a brother of Andrew, was riding with him in the car. There was no one injured.

Active pallbearers were Frederick F. Royce, Henry A. Peterson, Earl B. Harris, Roy G. Olson, Max Liedtke and E. R. Gustafson.

Those attending the services included Mr. and Mrs. William Gamble, Sr., of Wausau, Wis.; Mr. and Mrs. William Gamble, Jr., of White Lake, Wis.; Mr. and Mrs. Walter Bissell, Jr., of Wausau, Wis.; Schuyler Bissell of Fort Meyers, Florida, and his son, Murray Bissell, of Chicago; Mrs. Frank Ballister of Neenah, Wis.; Frank Bissell, of Ladysmith, Wis.; and Kenneth Lindsay, of Milwaukee.

MRS. HANNAH LYONS The body of Mrs. Hannah Lyons, resident of Escanaba for many years, who died Friday in Chicago, was brought here Monday morning, accompanied by Miss Cecile and James Lyons, and was taken to the Anderson Funeral Home where it is resting in state.

Services will be held Wednesday morning at 9 o'clock at St. Patrick's church, the Very Rev. Thomas A. Kennedy officiating, and burial will be made in the family lot in St. Joseph's cemetery.

Surviving Mrs. Lyons are one daughter and two sons, Miss Cecile and James of Chicago, and Chester of Los Angeles, Calif., and two grandchildren.

MRS. JOHN PETERS Funeral services for Mrs. John Peters, who died Saturday, will be held this morning at 9 o'clock at St. Patrick's church, the Very Rev. Fr. Thomas A. Kennedy officiating at the regular high mass. Burial will be in the family lot in St. Joseph's cemetery. Pallbearers will be Leo Whittens, Oliver Derouin, Ed Finn, John Sheehan, Michael Wurth and Napoleon Couillard.

MRS. JOSEPH LONDO Funeral services for Mrs. Joseph Londo, who died Saturday evening, will be held this morning at 10 o'clock at St. Patrick's church, the Very Rev. Fr. Thomas A. Kennedy officiating at the regular high mass. Burial will be in St. Joseph's cemetery.

Honorary pallbearers, of the Woman's Catholic Order of Foresters, of which Mrs. Londo was a member, will be Mesdames Nora Carr, Mary Whiston, Kevin Murphy, John Sullivan, Mary Kelly and Charles Molloy. Active pallbearers will be W. C. LaBelle, Tim Crowley, Joseph Beauchamp, John Zinkle, William Viou and Hans C. Larson.

The body is remaining in the chapel of the Boyce Funeral Home until the hour of the service. Members of the Woman's Catholic Order of Foresters met at the funeral home Monday afternoon at 4 o'clock for recitation of the Rosary.

Q. Please define an advertising slogan. M. J. H.

A. A slogan is defined in Printers' Ink as a specific phrase or sentence advertised in such a way as to acquire a definite meaning in the mind of the purchaser as referring to the goods or services of a certain company.

Among the many duties of African witch doctors is that of scaring away approaching hail clouds.

Escanaba, Gladstone Cub Leaders To Meet

A conference of all cub leaders of Escanaba and Gladstone districts will be held at the Jefferson school on November 27th. The conference will include cubmasters, den mothers, den dads, den chiefs, and other adults interested in the program.

Many adults connected with the cub program have asked for more training so they may extend the cub organization. Cubmasters will present topics at this course dealing with the functioning neighborhood den. Howard Dufour, Escanaba cub commissioner, will be in charge of the course.

latter's prosperity. Still others are inclined to let matters take their course, and they resent suggestions for betterment from any outside sources. The fact remains, however, that any successful move to bring back Mackinac's old-time patronage would be of benefit to everybody, including those who have never visited one of the loveliest islands on earth, and those who have been there but who do not care to leave their cars on the mainland while visiting an outstanding natural beauty spot, which the hand of man has further embellished and adorned.

Toys Go Peaceful

Back to the Soil CONCERNED over the growing seriousness of the relief problem, the New York State Taxpayers Federation listened recently to William E. Robertson, president of the United Taxpayers League of Buffalo, who advocated a general back-to-the-soil movement. On the land, at least, he said, men can feed their families.

YOUNG Ethelbert may need an advanced course in physics and electro-dynamics to play with his Christmas toys this year, but at least he won't need a working knowledge of military tactics and gunnery. To American parents, whose lives are at least indirectly influenced by the war, the news that military toys are not being emphasized this season should be encouraging.

Other Editors' Comments

LABOR HOME RULE? (Michigan Manufacturer and Financial Recorder)

Governor Dickinson may have put his finger on the sore spot of Michigan's current industrial relations this week when he declared that, in view of the Chrysler strike which has thrown 60,000 out of work and indirectly made idle another 50,000 or 60,000 the state's labor act should be "strengthened."

We feel that if Michigan government had the power, legally, and the administrative fortitude, morally, to handle its own labor problems, aside from Secretary Perkins, the NLRB and various other interests' interventions, that the Chrysler strike would never have occurred. We venture to say that better than 90 per cent of those now unemployed, due to the Chrysler situation, would be at work today if this policy argument of the CIO-UAW had not been put forward as a trial balloon for CIO's new contractual relations with all U. S. industry, in which it has a dues-collecting interest.

Actually, anyone familiar with Michigan labor conditions will readily admit that the automobile industry's workers have, over the last quarter century, had little to complain of as to wages, hours of employment, vacations, insurance and other normal conditions of living. It is enough to say and know that the automobile worker of 25 years ago received 23 cents an hour for the labor. Today, his son, at the same job gets 92 cents an hour.

Therefore, we say, there is no justification of the existing Chrysler strike other than to make it easier for the Frankensteins, the Thomases and their ilk to reap the rich rewards which comes to those smart enough to wield a great group of voters, union dues-payers and primary producers of wealth into units that can be marshaled for voting purposes, union executive livelihood and mass "demonstrations" in the public square. In this situation we feel that real Detroiters, among the hordes of labor that have made this city great in the World's eyes, have been sold out and hoodwinked.

Thus it may be that if Governor Dickinson can "strengthen" Michigan's labor laws to the point that Michigan can control its own destiny in labor relations Michigan labor can develop a greater sense of security from the machinations of outsiders—governmental and unionistic—to the end that labor can continue to draw top wages, own its own homes and take part in the living privileges that this country's Constitution and Bill of Rights guarantee, in spite of racketeering intervention.

Let's have Governor Dickinson's labor relations proposals as a possible means out of a situation which now seems controlled by those without, as against those within, the latter who pay the bills of industrial idleness.

FISHING PROTEST (Milwaukee Journal)

Now commercial fishermen on the south shore of Lake Superior have organized, their purpose being to join other similar organizations which may wish to combat the state's new commercial fishing regulations.

These regulations were devised after years of controversy and study. Again and again commercial fishermen were consulted. Gradually it became apparent that these fishermen could not agree among themselves.

Some seemed to believe that Great Lakes fishing should not be restricted in any way—that fishermen should be permitted to use such nets, and such methods, as they pleased.

Some argued for controlled mesh, but didn't agree with others on what mesh would be proper. Others urged greater restrictions on spawn fishing, but seemed to mean the other fellow's spawn fishing.

Anyway, the Wisconsin conservation department not only called in the commer-

World Affairs Reviewed

BY MILTON BRONNER NEA Service Staff Correspondent London — England's Jumping-Johnny, Sir Oswald Mosley, who has changed his politics more often than some men change their shirts, is still being allowed to speak his mind.

Mosley, an admirer of Nazism and Fascism, is today the beneficiary of a tolerance that Hitler would not extend to a German nor Mussolini to an Italian.

Though Mosley's country is engaged in a deadly war with Nazi Germany, he is permitted his howling derisive act of attacking the government and demanding peace negotiations. He is also permitted to publish his weekly hair-tearing sheet — "Action."

—RODE POLITICAL MERRY-GO-ROUND—

For one who is comparatively young—only 42—Mosley has boxed the compass in his political beliefs and then bounced back.

Rich and heir to a baronetcy, with an honorable record as a soldier in the last war, like most of his class he entered politics as a rigid Tory and was duly elected to Parliament.

With an abundant gift of gab and even more self-confidence, he was a young-man-in-a-hurry. He would not stay hitched. He became a sort of Independent Tory. Then one fine day he did the flying trapeze act and landed squarely in the Labor party.

The young aristocrat kept a sort of salon for the Socialists. He became the fair-haired boy of Labor Prime Minister Ramsay MacDonald, who made him Chancellor of the Duchy of Lancaster, thereby creating many heartburnings because he jumped his Oswald over the heads of many men who had grown grizzled in the service of their party.

But once more Mosley did not stay hitched. He left the Labor party and started his own party. This died of malnutrition.

But Mosley was not idle for long. He created his own British Union of Fascists. It was largely imitative. From the Fascists of Italy it took the black shirt. From Hitler it took the salute and the theatrical meeting at which all the lights are flooded on Mosley when he comes on the stage to speak. From Hitler, too, it took the idea of a corps of hefty young men to act as guards inside the meeting hall. From Hitler it took its anti-Semitism and set its sophomore speakers down into London's East End where trouble was often started.

—MOSLEY WANTS TO STOP THE WAR—

The war has not stopped Mosley. He has now started a stop-the-war campaign. His thesis is that neither the people nor Parliament were really consulted. He wants a plebiscite on the war. His paper screams it in every edition. It proclaims that the great Oswald is the leader who can give the British people peace and security.

Q. Who directed the first movie with a plot? C. A. H. A. "The Great Train Robbery," the first story-film which was produced in 1903, was directed by Edwin S. Porter.

Q. How much money has Joe Louis made in his fighting career? W. S. H. A. The Ring Magazine says that Joe Louis has collected \$1,551,332 for his professional fights.

Q. When is Thanksgiving Day in Canada? M. L. A. Thanksgiving Day in Canada was observed on October 9 this year. The date is fixed annually by the Canadian Government.

Q. Please give the membership of the Communist Party in Russia. Z. D. H. A. There are over two million members of the Communist Party in that country.

20 Years Ago

New York—From skyscrapers to churches and from the stock exchange to the "movies" with the horse show as a sideline, the Prince of Wales was whirled today in a kaleidoscopic view of the varied activities of the metropolis.

Everywhere huge crowds cheered him. Freddie Olmsted came within one pin of reaching the bowling record for the Delft alleys when yesterday afternoon in a regular game, he piled up a score of 278, which is the high score for the season and is one pin lower than the record for the alleys.

Mr. Olmsted made six straight strikes with a spare, picking it up in the next bowl, with a strike and finishing the game with strikes.

The highest score ever rolled since the Lyons opened last year was when Otis Larson hung up a record of 279 pins, which has never been beaten.

Louisville, Nov. 20 — Fritz Kreisler, violinist and one time Austrian army officer, officially advised of a widespread hostility to his appearance in recital here tonight, cancelled his engagement on the advice of Mayor G. W. Smith and tonight is speeding toward Lawrence, Mass., his next scheduled stop.

The first move against Kreisler's appearance was made several days ago when Jefferson post, American Legion, adopted resolutions condemning it. A number of other organizations followed and under their influence, matter advertising the concert was removed from store windows.

Frank Aley, Patrick Dagnan and Frank Bink, representing the negative, made up the team that was awarded the honors in a debate in St. Joseph's school Wednesday on the question, "Resolved: That the Women of the United States Should Be Granted Suffrage on the Same Terms as the Men." The affirmative side of the question was taken by the Misses Geraldine Finley, Ethel Olson and Tielchia Pizozek.

The firm of Pettin and Meyer, consisting of Joseph Pettin and Herman Meyer, co-partners doing business under the firm name of Escanaba New and Second Hand store, was dissolved today.

Pettin has bought out the interest of Mr. Meyer and will continue to conduct the business under the same name at the same place, 1012 Lexington street.

Nurses in New York City, and in 1872 the first class of trained nurses in the United States was graduated from Bellevue Hospital.

Q. How much does it cost to dock the Queen Mary in New York Harbor? W. B. M. A. The average cost of docking the SS "Queen Mary" in New York Harbor is approximately \$435 including the services of tugs, docking pilot, and labor.

Q. Who is the Hobo Philosopher? J. D. G. A. Roger Payne is known as the Hobo Philosopher and the Modern Diogenes. During the last twenty years he has spent most of his time traveling on foot in the United States, Canada, and Mexico. Clad in khaki clothes, eating simple food, and working one day a week, his philosophy is expressed in a pamphlet which he distributes on his trips called "Why Work Six Days a Week!" He has just published a book called "Why Work? or The Coming Age of Leisure and Plenty."

New York Column

BY GEORGE ROSS

New York—This ventriloquism fad is becoming a darned nuisance. The other morning I stepped into a Radio City drug store for morning coffee and buns. Seated on a stool, I gave the order, opened the morning paper and made myself comfortable. The man on the next stool seemed engrossed in his own tabloid. I couldn't even see his face.

Suddenly out of nowhere, a child's voice shattered the stillness. "Get off my foot, please, thank you!" Startled, I jumped from my perch. So did everybody else. There being no child in evidence, we all uttered mild epithets and went back to our matutinal reading. A moment later, the cry was heard again. "Ross, please read your own paper!"

Well, I don't know a child who would be bound to recognize me at 11 o'clock in the morning in a Radio City apothecary's and besides, I don't know an invisible one. Then the man next to me started to laugh and as he lowered the paper, Tommy Riggs greeted me with that well-known ethereal Betty Lou voice. There ought to be a law.

OH, GO BACK TO SLEEP

At the International Casino they were telling the loony yarn of the poor nut who complained he couldn't sleep nights because he woke himself up with his snoring. "It's terrible," he told a friend, "every time I doze off, I start to snore and every time I snore, I wake up."

After a few weeks of this, the cerebrally-febble one suddenly stopped complaining, so a friend asked if he had solved his problem. "Oh, everything's fine now," he said, "I sleep in another room."

OPERA MAKES TROTSKY SEE RED

Ramon Armengod, the Mexican singer, used to be an apprentice-painter under Diego Rivera in Mexico City. I asked Armengod if he ever had encountered Leon Trotsky when the latter was staying in Rivera's home.

"Only once," replied the reformed warbler. "I used to sing while I painted. I sang mostly Spanish love songs. One afternoon, though, I began to practice a couple of arias from Bizet's 'Carmen.' Trotsky sent a note to me via his secretary to say that if I was going to sing, I was to stick to Spanish love songs.

"Trotsky, he cannot concentrate on his work when you sing grand opera," said the secretary, "he hates opera!"

The job of taking care of the disabled veterans has not yet been completed, and the bill which is due them will not be paid for the next 30 years.

Lewis J. Murphy, national commander, Disabled American Veterans of the World War.

In the future, American citizens, personal or corporate, must not expect the United States to go to war to protect their interests and investments abroad.

Senator Elmer Thomas (Dem., Okla.).

There can be no greater fallacy than to say we should save others from defeat. We cannot settle quarrels nor maintain the balance of power in Europe. Americans must not bleed to death over there.

Gen. Charles P. Summerall, former chief of staff, U. S. Army.

The Washington Merry-Go-Round

BY PEARSON AND ALLEN

Washington—There was a lot more to that Roosevelt-McNutt conference than the handsome Indiana suavelly admitted when he emerged from the White House.

What is secretly in the works is a drastic shake-up of the Social Security Board, wiping out the present bureaucratic three-man agency and either replacing it with a single director or putting the agency directly under the control of McNutt as Federal Security Administrator.

Either is possible under the act passed by Congress last spring giving the President the power of extensive government reorganization. The SS Board has been under fire from two powerful groups for some time. They are:

(1.) New Deal insiders and congressional leaders, who are sore at Chairman Arthur Altmeyer for his diehard opposition to liberalizing old-age pension payments. Although vast sums in social security taxes are piling up in the Treasury, Altmeyer has grimly fought against amendments to increase monthly checks to oldsters. This, of course, has added fuel to the agitation of Townsendites and other "funny money" schemers.

(2.) Administration executives who are up in arms over the high-handed bureaucracy which dominates the Social Security Board, and concerned over the discovery of millions of unidentifiable "John Doe" records in the SSB files.

—"JOHN DOE" CARDS—

With pension payments due to start January 1, these unidentified records are loaded with political dynamite, especially for McNutt, who is a red-hot presidential white hope. And no one knows it better than he.

Behind-the-scenes, McNutt has been vigorously prodding Altmeyer and his crew to clean up the chaotic records. Considerable progress has been made, but millions of cards—exactly how many is a matter of controversy—still are unidentified and will require many months and considerable expense to straighten out.

That the Altmeyer clique tried to block McNutt's appointment and is furious at his firm-handed scrutiny of its operations, has not helped to improve relations between them. On the surface they observe the amenities, but privately they are at daggers' points.

How soon the axe will descend depends on the report of an investigation that McNutt initiated several weeks ago. Inward word is that it is only a matter of time before the Board goes the way of the junked Bituminous Coal Commission. In this case, the social security system will be placed in the hands of a single responsible executive.

—CHARLIE EDISON—

Charles Edison, Acting Secretary of the Navy, is doing his best to have a battleship named for his native State, New Jersey. His first efforts went awry, so he addressed a personal note to his Chief. Written in pencil on yellow scratch paper, the note said:

"Dear Mr. President: I had my heart set on having one of the battleships constructed during my 'tour of duty' named 'New Jersey.' Some real part of me would have been built into it. I can't help a feeling of keen disappointment."

And he signed himself, "Sentimental Charlie."

To this, the President replied with a memo, which said: "The noble State of Woodrow Wilson, Charles Edison, and Frank Hague will get a battleship just as soon as the dates allow it. . . . I am glad you are sentimental!"

Note—In naming battleships for States, the Navy takes each State in turn, according to the dates of decommissioning old battleships formerly bearing state names.

—DUTCH DILEMMA—

The situation in Holland is none too optimistic. Behind the scenes, disension between Queen Wilhelmina and more liberal members of her government continues.

In Holland, the political group which corresponds to the "New Dealers" is Catholic. They favor wide-scale social reforms somewhat similar to Roosevelt's.

Queen Wilhelmina, a staunch conservative and also a strict Lutheran, is not in sympathy with this faction. Neither are the big Dutch bankers, who during the past summer were worried about the economic condition of the country and their own financial status. As a result, they have been complaining about heavy government expenditures, even have favored curtailing the defense budget.

In some respects the situation is comparable to the balance-the-budget demands in the United States, except the Queen Wilhelmina, unlike Roosevelt, is emphatically on the side of the bankers.

Lines for Living

By Barrow Ross Fogg

THRU OTHER EYES
You have your chair by the fireplace,
Mine, on the other side,
Face our cheerful hearthstones,
And each, with pardnable pride,
Thinks his corner the choicest
In the glow of the soft-eyed light,
But for once resign these fancies—
Let me sit in your chair tonight.

From there I might be seeing,
With eyes of another hue,
The things I've neglected doing
For one so dear as you.
I might be getting a vision
Of something in me you miss,
I've wanted so much to please you—
There may be profit in this.

And you, well, you might see clearly
Some things to rearrange,
There's now and again a coldness
I wish, somehow, might change;
And eyes of mine may show you
The error of your desire,
If we change our chairs by the hearthside,
And gaze in the healing fire.

Three Badly Injured In U. S. 41 Accident

Auto, Truck Crash; Two May Have Fractured Skulls

Three persons were in St. Francis hospital last night suffering severe head injuries following a collision of a dairy truck and a sedan on highway U.S. 41 about a quarter of a mile beyond the Chicago and North Western railway viaduct near the north edge of the city.

They are Mrs. James Mingay and Aaron Jahnke of Gladstone and Oscar Pascal of 217 South 22nd street, Escanaba. Mrs. Mingay was reported to be the least seriously hurt, with numerous cuts about her face and head. Mr. Jahnke and Mr. Pascal, it was feared, besides having severe lacerations, also may have suffered skull fractures. Their condition last night prevented X-rays to determine the extent of their injuries.

Both in Ditch
The crash came as night was falling shortly before 5 o'clock.

City police investigated the wreck and reported that Mrs. Mingay and Mr. Jahnke, with Jahnke driving, were enroute to Gladstone in the milk truck and that Pascal, alone, was coming to Escanaba. The road is straight at this point, with no obstruction and police were at a loss last night to know how the accident occurred. Both cars were thrown into the ditch at the east side of the highway, both with their noses pointed toward the road.

The front end of the truck and the right side and front of the sedan were badly smashed. Police had not located any eye witnesses to the crash. At the hospital, Pascal told police that he only knew that suddenly he "saw something red" loom up ahead of him. Mrs. Mingay said that she only knew that suddenly there was a car ahead and then came the crash.

Stranger Gives Aid
Whether either had been attempting to pass a third car was not established.

Among the first at the scene were Robert Peterson of 1216 West avenue south, and Fritz Henkel of 944 Washington avenue, who aided in placing the injured in cars of passing motorists who took them to the hospital. Police were anxious to learn the identity of a woman in hunting clothes, driving an expensive car, apparently a stranger here, who took the injured men. The woman had been taken earlier.

Mr. Peterson said that Pascal was lying on the road when he arrived and that others were assisting him to his feet, and that he helped to remove Mr. Jahnke from the rear compartment of the truck, where the force of the impact had apparently thrown him.

SAVED BY HAIR
Weston-Super-Mare, England (P)—Nellie Thomas lost considerable hair when Eric Bidgood grabbed it to prevent her slipping down a 20-foot cliff over which she hung precariously.

Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to loosen germ laden phlegm, increase secretion and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding that you are to like the way it quickly allays the cough or you are to have your money back.

TRUCKER BLAMED

Menominee—Mrs. James Costello and Mrs. Charles Baker of Menominee, killed Tuesday morning in a car accident one mile north of Stephenson on US-41,

died as the result of "faulty lighting of a truck owned and operated by Walter Wangerin and parked so a corner of the truck body extended partially over the pavement," a coroner's jury reported last evening.

Prosecutor Michael J. Anuta today said it is his intention to take action against Wangerin, of Stephenson, in connection with the

accident, which resulted in the deaths of the women. The prosecutor said he would study the case farther before making a charge on Tuesday or Wednesday. The jury deliberated about 25 minutes.

Sumatra is the sixth largest island in the world, with 140,000 square miles of area.

THREE HUNTERS ARE ARRESTED

Violators Nabbed Over Week End; Officers Continue Vigil

Conservation officers emphasized over the week-end in a series of arrests that they do not intend to relax their vigil against violators during hunting season.

Roy Bergman of Bark River paid a fine of \$25 and costs of \$6.85 when arraigned yesterday in Justice Hector Landerville's court in Hermansville on a charge of having possession of parts of a deer without the required seal. He was apprehended by Conservation Officer John Shemky and State Police Officer Gordon Hanthorn.

Alvin Gudwer of Perronville, arrested by the same officers and arraigned in the same court, paid a fine of \$50 and costs of \$6.85 on a charge of having in his possession a deer with antlers less than three inches in length. Jack Watz of Stephenson was arraigned in Justice William J. Oberdorfer's court at Stephenson yesterday and fined \$10 and costs of \$6.85 for having a loaded gun in his car. He was arrested by Conservation Officers Clarence Lienna and John Shemky and state troopers. Officers report that the kill of

Oscar Pascal of 217 South Twenty Second street, Escanaba, was driver of this car, which crashed with a truck driven by Aaron Jahnke of Gladstone shortly before 5 o'clock last night on U. S. highway 41 near the north city limits. Pascal, Jahnke and Mrs. James Mingay of Gladstone, passenger with Jahnke, were all seriously injured and taken to St. Francis hospital.

SEEKS OUTBOARD MEET
Boston—Central New England Regatta Association has filed a bid for the 1940 national outboard championships. It would put on the meeting during the American Legion convention in Boston in September.

deer was greater over the week-end than it had been earlier in the season.

Boys' Conference Reports Are Given At Kiwanis Meeting

Interesting reports on the Older Boys Conference, held in Iron River, were given by three boys at the meeting of the Kiwanis club at the Sherman hotel Monday noon.

The boys were: Gerald Anderson, Bob Crebo and Raymond Michaud, who went to the conference under the sponsorship of the Kiwanis club.

Next Monday evening, the Kiwanians will enjoy a venison stew at Britt Hall's cottage. The speaker on Monday, Dec. 4, will be Dr. Wendell Lund, Washington, D. C., who will speak on the topic, "Planning for the Future of the Upper Peninsula."

More puffs per pack...and More Mildness, Coolness, and Flavor with Slower-Burning Camels

FAST BURNING—creates hot flat taste in smoke... ruins delicate flavor, aroma...

SLOW BURNING—protects natural qualities that produce mildness, thrilling taste, fragrance... a cooler smoke...

The costlier tobaccos are slower-burning...milder...cooler...mellow

MANY a smoker has switched to Camels because his value-sense applauded the thrift of getting more puffs per pack. But... that's only one small part of the story of slow burning. You get a lot more than savings! You get extra mildness! Common sense tells you that a fast, fiery, hot-burning cigarette will not smoke comfortably or yield a delicate taste and fragrance. And that slow-burning tobaccos naturally would be mild and mellow. You get extra coolness. You needn't be a scientist to know that the slower tobacco burns, the cooler the smoking. You get extra-fine flavor. Excess heat ruthlessly destroys the subtle elements of flavor and aroma. Slow-burning Camels tell their own taste-tale! So...for thrift and for a smoking thrill...light up a slow-burning Camell

By burning 25% slower than the average of the 15 other of the largest-selling brands tested—slower than any of them—CAMELS give a smoking plus equal to

5 EXTRA SMOKES PER PACK!

SLOW-BURNING COSTLIER TOBACCOS

GRIDDERS REST FOR OHIO STATE

Wolverines Peppery and Eager; Tough Battle Is Assured

BY GEORGE A. STAUTER Ann Arbor, Mich., Nov. 20 (AP)—A light drill, consisting mostly of running through plays, marked the opening of preparations by Michigan today for the anti-climatic gridiron battle with Ohio State here Saturday.

Coach Fritz Crisler let most of his gridders off with an hour's practice, which was followed by motion pictures of last Saturday's game with Penn and a scout report on the Buckeyes by Bennie Oosterbaan.

Trainer Ray Roberts reported the squad, with the possible exception of Halfback Paul Kromer, had only the usual aches and bruises to show for the win over the Quakers.

Kromer, who did not workout today, is expected to rejoin the team tomorrow, but whether he will start in the season finale remained a question mark. If not, Fred Trosko, Flint senior, will replace him.

Sell-Out Predicted Only one other line-up change appeared probable. That would send Ed Czak, Elyria, O., junior, to left end, replacing sophomore Joe Rogers. Czak accounted for the winning touchdown against Penn by grabbing one of Tom Harmon's passes.

Instead of the gloom that hung over the Wolverine camp following losses to Illinois and Minnesota the squad was peppery and eager to get down to work for what probably will be the season's toughest assignment.

Oosterbaan reported the Buckeyes as "big and tough" and "able to take it as well as give it," adding that Coach Francis Schmidt's squad is "undoubtedly the class of the conference."

Ohio State, already assured a share of the Big Ten title, can win undisputed possession of the crown by defeating Michigan. Even if they lose the Buckeyes can grab the championship unless Iowa beats Northwestern.

Tickets were still available for the contest, but going rapidly, and Ticket Manager Harry Tillotson predicted a sell-out of \$5,000 if weather is favorable.

Banker Sentenced \$12,000 Is Missing

Grand Rapids, Mich., Nov. 20 (AP)—Durward E. Ewing, 38-year-old former executive vice president and cashier of the Union State Bank of Buchanan, was sentenced in United States district court today to serve three years in prison for embezzlement.

Sentence was passed by Judge Fred M. Raymond. The case involved more than \$12,000. Carl K. Oldt, 42, a former cashier of the Pentwater State Bank, was sentenced to serve two years for embezzlement of \$1,300.

Blackout Accident Halts Legion Talk

Indianapolis, Nov. 20 (AP)—High American Legion officials experienced a "blackout" tonight—it was accidental.

Rep. Joe Starnes (D-Ala.), a member of the Dies un-American activities investigating committee was reading a report of the committee's findings at the annual meeting of Legion department commanders and national officers when the lights in the building and the World War Memorial Plaza flickered and went out.

Rep. Starnes finished his report by candlelight.

"Rented the first day" said Smith. Try a For Rent Ad today.

BUDGET STILL OFF BALANCE, SAYS AUDITOR

(Continued from Page One)

revenues would be \$1,000,000 more than anticipated, and declared the sales tax would produce \$2,000,000 more than original estimates. Economies would be broader than originally believed, he added, and declared he was far from pessimistic over the state's financial future.

"We shouldn't talk about more taxes until they have been proved to be absolutely necessary," Hartman declared.

He said he was discussing with Governor Dickinson and the state social welfare commission the feasibility of hiring a firm of accountants from outside the state to survey 10,000 typical cases from the welfare case loads to determine whether the number included "chiselers."

"We shouldn't have chiselers on the rolls, and I know that some of our welfare clients are spending money for beer and liquor," Hartman continued. "They have no business on the welfare lists if they can afford such non-essentials."

Bergland Tax Claim Blocked By Courts

Grand Rapids, Mich., Nov. 20 (AP)—Federal Judge Fred M. Raymond sustained today the finding of a special master in chancery which prevented the government from filing a tardy tax claim against the Bergland Lumber company, of Iron Mountain, Mich.

The government had asked a review of the master's finding of August 22, 1939, to file late claim for income taxes for the year ending August 30, 1937.

In the opinion Judge Raymond said that if the "additional claim of the government is allowed material injury to creditors and stockholders will follow." He held that such allowance probably would result in failure of a plan approved and partially consummated in reorganization, and in liquidation of a substantial portion of the assets at a forced sale with a loss to the general creditors of approximately \$11,500.

Dies Finds Spies Active In Detroit; Tells Of Sabotage

Detroit, Nov. 20 (AP)—Arriving in Detroit today to arrange for a hearing on Nazi and Communist activities, Rep. Martin Dies (Dem-Tex.), said that foreign spies had stolen industrial secrets of military value here and imparted the information abroad.

Dies, chairman of the house committee on subversive and un-American activities, said in an interview that "we know important information has been gathered in Detroit by Nazi and Communist agents."

Sabotage also has been planned, he said. Dies spent the day interviewing informants. He said the Russian-German alliance has caused many Communists to quit the party and disclose information of value to the house committee. The conferences were private.

Utica Bartender Held For Murder

Mt. Clemens, Mich., Nov. 20 (AP)—Macomb county prosecutor Ivan A. Johnston today authorized a warrant charging Clarence Shipperley, 32, Utica, Mich., bartender with murder in the slaying of James McManus, 63, pool room operator. McManus was fatally wounded early Sunday morning when he attempted to act as peacemaker in a quarrel between Shipperley and James Hodges in an apartment over McManus' establishment in Utica.

Injuries Fatal

Stanley Mroczkowski, 46, died at St. Francis hospital Sunday afternoon of injuries received in an automobile accident near Bark River Saturday night. Mr. Mroczkowski operated a farm in Bark River and was long active in farm organization activities. He also was one of the founders of the Pulaski club in Bark River township.

LUCK ALL BAD FOR SPARTANS

Temple Owls Game Will Wind Up Season for Michigan State

East Lansing, Nov. 20 (AP)—Michigan State college entered a final week of practice today for Saturday's home football game with the Temple Owls, which will ring down the curtain on the Spartans' most disastrous season under the tutelage of Coach Charles Bachman.

Not since 1928, when Harry G. Kipke was coach, had Michigan State suffered four defeats in a single season. This year they have won only from Little Wayne university, Illinois Wesleyan and Syracuse, salvaging a tie with Saturday's Big Ten opponent, Indiana, and losing the rest of the games on the schedule.

Temple's record this season also is unimpressive, the main accomplishment of the Owls to date being a 13-11 victory over Texas Christian. Temple has not won from State in four encounters.

Ten Spartan seniors will be wearing the green and white for the last time Saturday. They are quarterback Don Rossi and Herman Klewicki, halfbacks Eddie Pearce and Jerry Drake, center Ron Alling, guard Lyle Rockenbach, tackles Les Bruckner and George Gargett and ends Mike Kinek and Ralph Bennett.

Green Bay Youth Is Iron Man On Marquette Crew

Milwaukee, Nov. 20 (AP)—Speaking of football "iron men," there's Bob Kemnitz, junior left guard of the Marquette university eleven which completed its season Saturday with a 22-19 victory over Texas Tech at Lubbock, Tex.

Coach Paddy Driscoll of the Golden Avalanche pointed out today that Kemnitz had played 476 minutes of a possible 480 in Marquette's eight-game schedule this fall. He missed three minutes of the Southern Methodist game, played in a temperature of 90 degrees at Dallas, and a minute of the Iowa State game.

Kemnitz was third among Marquette scorers this year with 13 points on a field goal and 10 of 14 possible conversions after touchdowns.

Line Coach Taran Taylor, who has been in the business 17 years, termed the Green Bay, Wis., youngster "one of the two best guards I've ever coached."

Finland Can't Get C.O.D. From U.S.A.

Washington, Nov. 20 (AP)—The postoffice department announced today the suspension of C.O.D. service to Finland until further notice.

Officials said the action was necessary because Finland had suspended issuance of money orders for payment in foreign countries.

CROSS COUNTRY GRUELLING RACE

New York U. Lad Takes Title; Hasn't Lost One Major Event

BY BILL WHITE New York, Nov. 20 (AP)—The lad who has yet to lose a major race since he took up the sport as a senior in high school today won the coveted intercollegiate 4-A cross country championship over a gruelling five-mile course in freezing weather.

The victor was Leslie MacMitchell, 19-year-old New York university sophomore who has won the I-C 4-A freshman title, and the national scholastic championship among others.

Running a cleverly planned race today, the dark haired youngster let his nearest competitors wear themselves out on the hills and then pulled away brilliantly on the flats to romp home in 26:28.6—almost five seconds faster than the race was run last year over this standardized course.

MacMitchell was a full sixty yards in front of Lawrence Moriarty of Manhattan university, who led William J. Smith of Penn State to the wire by only a few yards. Smith, last year's winner, got in barely ahead of Jesse R. Cavleer of Syracuse, who nipped the New England champion, Donald C. Smith of Maine, in the last stride.

Team honors, surprisingly enough, went to Manhattan's sophomore dominated squad which finished with only 42 points. Michigan State, a five time winner of the event, was second with 70 and Penn State third with 118.

The freshman three-mile race went to Glenn V. Masten of Colgate, who did the distance in 15:54 in a performance that was decided by a stirring battle.

Masten beat out Robert C. Nichols of Rhode Island State by about 30 yards and in third place was one in such a race where comparisons are few—Francis Leary of Fordham, whose leg injury, suffered recently, was a severe handicap.

Maine won the team title in the yearling group, with 40 points, beating out Rhode Island State, with 65, and Manhattan with 114. Among the first 25 finishers were these Michigan State runners: Roy Fehr, eighth in 27:20; Edward Mills, 13th in 27:31; Richard Frey, 14th in 27:44; William Mansfield, 17th in 27:51; Albert J. Ingan, 18th in 27:54.

Grand Beach Resort Hotel Burned Down

St. Joseph, Mich., Nov. 20 (AP)—A \$200,000 fire that destroyed Golfmore, one of the largest summer hotels on this shore of Lake Michigan, complicated tonight the plans of a Chicago syndicate to operate the widely known Grand Beach resort property.

The hotel burned to the ground during the night. Origin of the flames was not determined.

The Grand Beach resort, in litigation for 16 years, was sold by the Grand Rapids Trust company recently to the Chicago syndicate. Charles S. Abbott, who founded the resort as a million dollar development twenty years ago, recently was sent to jail by Federal Judge Fred Raymond of Grand Rapids for contempt of court, the citation growing out of the long litigation. Abbott was removed from the jail at Grand Haven to a hospital after he suffered a heart attack.

The resort is located 20 miles south of St. Joseph.

SMOKE FUMES FATAL

Columbiaville, Mich., Nov. 20 (AP)—Ephraim Maxfield, 84, died today from the effects of being overcome by smoke Saturday when his home burned.

MINES WORST WAR MENACE TO NEUTRALS

(Continued from Page One)

R. O. Borjesson, Swedish, 1,586 tons; Carcia Milica, Yugo-Slav, 6,371 tons; Kaunas, Lithuanian, 1,521 tons; Torchbearer, British, 1,267 tons; Wigmore, British, 345 tons; Pensilva, British, 4,258 tons.

Most of the losses in the North sea were attributed by the British to German mines—but the Germans said their mines could not have been responsible.

On the Western front, military affairs were forgotten temporarily while German troops cleared debris caused by violent storms. Both the French and German armies virtually had to forego ever patrol action because of the flooded Rhine and other border rivers.

German airmen were reported active over France, however, their scouting flights causing air raid alarms to be sounded in wide spread sections.

One German pilot crashed to his death in the Netherlands—his plane apparently disabled by Netherlands anti-aircraft guns. It was the third time in as many days that German planes flying over Netherlands had been fired upon.

In Berlin, Prince August Wilhelm, fourth son of the former kaiser, told foreign correspondents the House of Hohenzollern was solidly behind Nazi Germany's present struggle.

The prince himself works in a Potsdam wartime food supply office.

BY KIRKE L. SIMPSON (Associated Press Staff Writer) It is a fact that sea mines have been set drifting in the path of neutral shipping in the North sea, it brings home to the world, as has no other incident, the horrors that may lie ahead.

It may take some time to establish the truth of the situation. According to the British version, Nazi submarines have deliberately sown floating contact mines outside formally proscribed war areas. This is a graver charge against Germany than even the unrestricted U-boat warfare of World war days, with its sink-without-trace slogan.

Denied in Berlin The Germans, on their part, enter a denial, saying that an inquiry showed a German mine "could not have been responsible" for the sinking of the Dutch ship Simon Bolivar.

Floating mines of the type the British refer to are blind and terrible to all shipping and are outlawed by The Hague convention of 1909 to which all sea-using nations, including Germany and the Franco-British allies, have subscribed.

A floating mine that does not conform to the rigid specifications of The Hague conventions might jeopardize lives in waters far removed from the war zones. Drifting at the whim of wind and currents, such mines could wander the seas for years, a deadly peril to all vessels before rust and corrosion rendered them harmless. It is the unwritten as well as the covenanted rule of the sea, as old as gun-powder, that belligerents shall leave neither mines nor torpedoes drifting in the wake of their battles to strike at any comer on the seaways with not as much warning as a rattlesnake gives.

Safeguards Required The Hague rules provide that unanchored mines, fused to explode on contact, may be used by warfare sea powers, but only if so safe-guarded as to become harmless within an hour after they are launched. The clause permitting short-lived mines was inserted to meet a special condition of warfare. It is designed to cover the case of a belligerent war vessel, or even a fleet, fleeing from a stronger enemy in close pursuit. Floating mines, dumped over-

board by the fleeing craft, offer an hour's leeway for escape. The pursuers would not dare close in from directly astern if they knew that floating mine might be awaiting them. Yet The Hague rules require that such "unanchored automatic contact mines" must be fitted to sink or become harmless within an hour after the "person who laid them ceases to control them."

Anchored mines must be fitted with devices to sink them or disconnect their contact firing mechanism as soon as they go adrift. A torpedo must be similarly fitted to become harmless when it reaches the end of its run without hitting anything.

But if floating mines sank the ships that went down over the week-end, circumstantial evidence of their source and nature, may soon be forthcoming. Where so many mines exploded there must be others.

Sooner or later some vessel will bring one to shore intact. Then it may be examined to determine what nation made it. On the result of such examination the verdict of world opinion may be rendered.

CHICAGO MAY GET NATIONAL GOP MEETING

(Continued from Page One)

and Philadelphia. If the fair continues, San Francisco is reportedly ready to go as high as \$300,000 or so. This is high as such "bids" run for Philadelphia got the convention in 1936 for \$240,000. If the San Francisco boom should peter out, the convention might be expected to go almost anywhere—except Dallas, San Antonio, Houston or any other city in Vice President Garner's state of Texas.

Million Dollar Suit Against Railroad Is Dropped In Detroit

Detroit, Nov. 20 (AP)—A \$1,000,000 damage suit based on the reported attempted of a New York woman to toss \$174,196 in money and jewelry from a railroad car was dismissed in federal court here today.

Judge Ernest A. O'Brien acted after attorneys for the late Mrs. Isabel McHie and the administrator of her estate reported they were not prepared to proceed with the case.

Mrs. McHie filed the suit against the Grand Trunk Western Railway Co., in July, 1935, charging assault and false arrest by a railroad detective while she was enroute from Chicago to Montreal on March 20, 1935. She claimed she was forcibly ejected from the train at Battle Creek and spent three days in a hospital there.

A railroad detective said at the time he was trying to prevent Mrs. McHie from pushing \$174,196 in money and jewels through a ventilator in the car.

WOMAN DIES IN FIRE Ludington, Mich., Nov. 20 (AP)—Miss Elizabeth Abair, 67, was burned to death early this morning in a fire that destroyed her residence here. Her body was recovered today. Funeral services will be held here Wednesday.

KruGon Proved A Pleasant Surprise

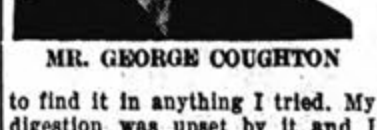

Other Medicines of His Experience Did Not Fit His Case; Relieved of Gas and Bloating Distress

"I feel good again and cannot praise KruGon enough for it," said Mr. George Coughton, 1634 Clermont St., Antigo, Wisconsin. "For so many years I had needed proper regulation but was unable

to find it in anything I tried. My digestion was upset by it and I found myself suffering with gas and bloating after my meals. It got so the foods I enjoyed most disagreed with me. I was also bothered frequently with night risings which greatly disturbed my rest and sleep until I always had that tired, worn-out feeling. When I began to develop aches and pains over my body I became alarmed but was unable to find anything to give me proper relief. When KruGon was first brought to my attention I decided that to receive such praise this laxative- tonic formula must be different from the medicines of my experience, so gave it a trial."

"It is a glad to say that KruGon met my highest expectations," continued Mr. Coughton. "My digestion is fine now and those aches and pains have been relieved from my body. I sleep the whole nights through without any disturbances and arise each morning refreshed. And to think, KruGon could do this for me by properly relieving that clogged intestinal condition. I had been wanting KruGon all this time and I am so happy now that I found it."

KruGon is sold by West End Drug Store, 1221 Ludington St., this city.

MR. GEORGE COUGHTON

to find it in anything I tried. My digestion was upset by it and I found myself suffering with gas and bloating after my meals. It got so the foods I enjoyed most disagreed with me. When KruGon was first brought to my attention I decided that to receive such praise this laxative- tonic formula must be different from the medicines of my experience, so gave it a trial."

"It is a glad to say that KruGon met my highest expectations," continued Mr. Coughton. "My digestion is fine now and those aches and pains have been relieved from my body. I sleep the whole nights through without any disturbances and arise each morning refreshed. And to think, KruGon could do this for me by properly relieving that clogged intestinal condition. I had been wanting KruGon all this time and I am so happy now that I found it."

KruGon is sold by West End Drug Store, 1221 Ludington St., this city.

BALLOON CHOKES BODY Detroit, Nov. 20 (AP)—Lois St. Laurent, four-year-old daughter of Police Patrolman Louis St. Laurent, choked to death this afternoon when a balloon with which

she was playing forced itself into her throat. A physician removed the obstruction but efforts to resuscitate the child failed. Your Phon and 698 Will Buy, Sell and Rent for you.

STATE SENATOR TALKS TO ROTES

Finance and Other State Problems Discussed By McCallum

Affairs of the state government were discussed by State Senator George B. McCallum, Ann Arbor, at the meeting of the Rotary club at the Delta hotel yesterday noon.

"State finances are a terrible problem and a very unfortunate one," Senator McCallum asserted in his address.

But the state tax commission, he said, had reached the conclusions that, first, there is no need of new taxes; second, there should be no further impeding of business through taxation or otherwise, and third, there should be an overhauling of the machinery of tax collection.

As an example of how the state has been victimized out of revenues, the senator discussed automobile sales. On this item alone he asserted, the state has been losing \$4,000,000 a year through the simple failure of many dealers to turn over the money they collected in sales tax from their customers.

One Wayne county dealer, he said, accumulated an unpaid tax of \$80,000 which he later settled for \$4,000 with the threat that he otherwise would go into bankruptcy and despite the fact that the then sales tax director, Draper Allen, had no authority to make such settlement.

Under a new law, the senator stated, the customer now pays the tax directly to the state when he purchases the license for his car, with the result that there has been an increase in revenues from this source now averaging at the rate of more than \$4,000,000 a year.

"Tax evasion," the speaker said, "is in direct proportion to tax collection machinery."

From January 1, 1939, to June 30, the state's 34 auditors in the sales tax division checked 657 cases, collecting \$338,000 in additional tax at an expense of \$29,000 in salaries and \$10,000 in expense.

"For every 11.6 cents the state spent it got back \$1," the senator said. "In addition, before the audit these cases paid in \$356,000 a year; since then the return is now up to \$572,000, or an increase in regular payments of 60 per cent."

"California," the senator continued, "has only one-seventh more population than Michigan. It has a sales tax of three per cent, but none on food. Of the Michigan sales tax revenue 23 1/2 per cent comes from foodstuffs. Yet last year California collected \$87,000,000 in sales tax with no levy on food, while Michigan collected only \$52,000,000."

Good Auditing Responsible

The senator ascribed the California result largely to good auditing. The California sales tax division, he said, employs 717 persons, of whom 510 are auditors. Michigan has 210 employees, only 49 of whom are auditors.

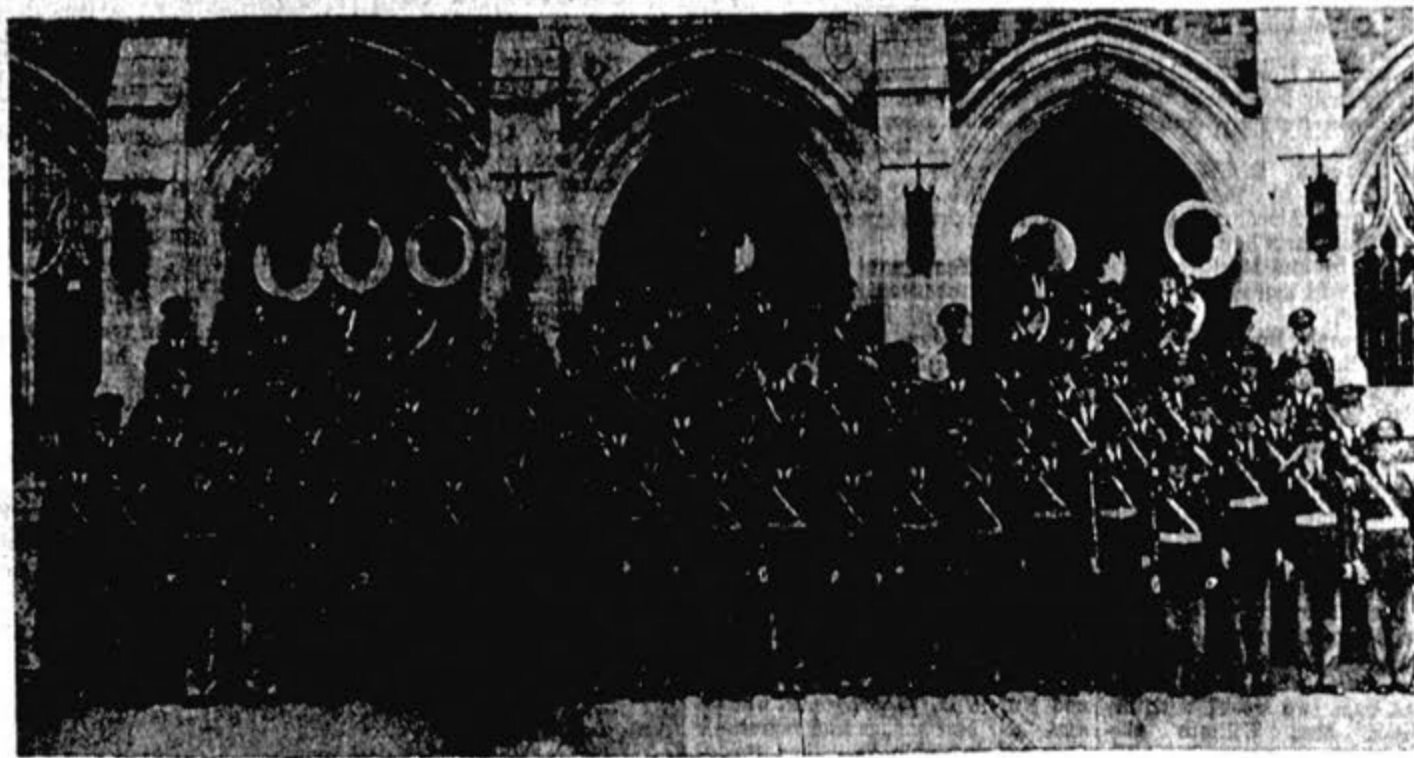

McCallum asserted it is now impossible to get a true and accurate statement of the state's finances. Part of this, he claimed, is due to the fact there are four independent auditing departments, including the auditor general's department, the state treasurer, the accounting division and the budget director. These departments, he said, have disagreed to the extent of \$15,000,000 over the state's financial condition.

To add further confusion, he said, there are 22 major and 56 minor collection agencies.

To correct the situation, McCallum said, he had introduced a bill providing for the appointment of a director of finance responsible to no individual and the appointment of four assistants with the governor's approval, the plan being to centralize auditing and accounting and likewise the collection of taxes.

The bill died in the senate. The senator asserted that if the sales tax collection were properly carried on Michigan would benefit

Escanaba and Munising Boys On Crack MSC Band

David Charland of Escanaba and Robert Shaffstall of Munising are members of the crack Michigan State college band this

fall. Composed entirely of students, the Michigan State band is famous throughout the Middle West for its precision formations and excellent playing. Leonard Falcone, of

the music department, directs the organization, and Major Mark Doty, of the military department, supervises marching and formations.

OAKWOOD BEACH CLUB PURCHASED

Honolulu Woman Acquires Resort Property At Marinette

Marinette, Wis.—Purchase of the Oakwood Beach club, former exclusive summer recreation resort situated a half mile south of the city limits on Shore Drive, was made yesterday by Mrs. Suzanne C. Adams of Honolulu, at a meeting held in the offices of Attorney Carney Nelligan and ordered by Circuit Judge Arold F. Murphy.

Mrs. Adams, the daughter of the late George T. Cook, founder of the M. & M. Box company, will subdivide the timber tract of 26 and three-quarters acres extending 1,336 feet on Shore Drive and 1,138 feet to Green Bay, for public sale.

Agreements to repurchase properties on which their cottages are located have been made by Mrs. Elizabeth Dafter Belnap, of Lake Forest, and Minnie C. Han-

sen, of this city, Attorney Nelligan, counsel for Mrs. Adams, said today. Terms of the sales were not divulged.

Was Closed Corporation

The Oakwood Beach club, with a limited membership, was organized for summer recreation purposes in 1914. Active for more than a score of years, interest waned about 1920 after several members died and their children married and established residences elsewhere. Somewhat of a closed corporation, the club's by-laws made no provision for continuance.

In 1910 a trust mortgage of \$4,500 was placed on the club property which over a period of years was reduced to \$2,655. The certificates of indebtedness were purchased by Mrs. Adams who also paid \$1,305 in taxes for the year 1937 and 1938.

Instead of foreclosure, Mrs. Adams agreed to accept title to the entire personal and real properties.

Three Attend Meeting

Attending yesterday's meeting were W. C. Campbell and Minnie C. Hansen, both of this city, and a third party who held the proxy of Francis Tideman, also of this city, who is executor of the Francis A. Brown estate.

Proxies secured from other club members authorizing the sale included those of Bertha M. Olmsted, Dallas; Carl D. Greene, Los Angeles; John Ames Cook, Chicago; Elizabeth Dafter Belnap, Lake Forest, Ill.; Mrs. Mary M. Edgerton, Cleveland, Ohio; Mrs. Helen Schindhelm, Indianapolis; and Mrs. S. C. Adams, Honolulu.

Documents authorizing the bill of sale and warranty deed to Mrs. Adams have been sent to Lake Forest for the signature of Mrs. Belnap, club president.

A certified copy of the minutes of yesterday's meeting have been filed with Warner M. Lund, clerk of courts.

Flowers in Bloom

Bark River, Mich.—Mrs. Arthur E. Nelson of Bark River reports finding dandelions and pansies in bloom in a flower bed on her farm on Sunday. Samples of the flowers were sent to the Press for verification.

Albert Einstein conceived the idea of his relativity theory while still in his teens.

REV. MERRILL PASSES AWAY

Former Methodist Church Pastor Is Stricken In Florida

Rev. Charles M. Merrill, of Albion, Mich., retired minister of the Methodist Episcopal church, and former pastor of the First Methodist Episcopal church of this city, died Thursday in Lakeland, Florida, where he and Mrs. Merrill had gone to spend the winter.

Rev. Mr. Merrill suffered a fractured hip in a fall several days ago, and this, aggravating a heart ailment with which he had been afflicted, caused his death.

The retired minister served the First Methodist church here seventeen years ago, and he was widely known and esteemed throughout the community.

He is survived by Mrs. Merrill and one son, Robert.

The body was taken from Lakeland, accompanied by Mrs. Merrill, to Albion, where funeral services will be held this afternoon.

Mrs. Merrill, according to the

message telling of her husband's death, which Mr. and Mrs. W. J. Anthony of this city received, will not return south, but will go to the home of her sister, at 1517 Twenty-fifth street, Detroit, for an indefinite stay.

It is not advisable to use gasoline as a cleaner on an automobile finish, because it will dull the finish.

to the extent of \$15,000,000 more annually.

The senator also discussed the intangible tax law which, he said, if set up as he proposed would yield \$7,000,000 more a year.

Criticize Liquor Setup

The state liquor setup was sharply criticized, the senator asserting "there isn't a man in this room who couldn't do a better job of running the commission than is being done now."

"It's had enough when the state sells poison to its own citizens," he said, "and the way it is now of it gets the parents drunk enough and continuously it will take in enough money to keep their children in school."

"Put liquor in the state warehouses and let the state collect when it leaves there, with other outlets taking care of the retail trade. If we did this we would also pick up an other \$5,000,000 in taxes."

"Either do one or the other, sell all liquor in the state stores or abolish the stores and sell through the warehouse to the dealers."

McCallum said the state is forfeiting considerable sums in inheritance taxes, estates being dissipated while the heirs fight over them.

"We should tax the estate," he said, "and take ours right at the start. Then let the heirs have all the fun they want."

By plugging existing leakages, McCallum said, the state "can pick up \$30,000,000 without adding one new tax."

"It would have plenty of money," he stated, "to comfortably support its schools, care for crippled, carry on welfare work and maintain the hospitals. All we need is frugal and intelligent administration."

Rapid River

North Delta Meeting

The first fall meeting of the North Delta Home Extension Club was held at the home of Mrs. Adam Franklin, Thursday evening.

The meeting began at 8 o'clock with eleven women present.

The business meeting was called to order by the chairman, Mrs. Charles Rabideau.

Following the business meeting the leaders Mrs. Albert Whybrow and Mrs. Charles Rabideau presented the lesson which was, "Making Every Stitch Count."

A Raffle Prize was won by Mrs. Edward Birch, who will provide the prize at the next meeting.

A pot luck lunch was served by the hostess, Mrs. Adam Franklin. A social meeting will be held early in December at the home of Mrs. Elmer Marin.

Greece issued the first coin to bear a human likeness, that of Athens, goddess of wisdom. On the reverse side was the figure of an owl.

Hermansville

P. T. A. News
Hermansville, Mich.—Mrs. Got-
herd Logman, president of the
Parent-Teachers Association, has
announced the choice of her com-
mittees for the coming year as
follows:

Membership: Mrs. Pat Grenier,
chairman, Mrs. Harry Deacon,
Mrs. Ed. Roland, Mrs. A. Fish,
Mrs. DeCamp, Harold Cass, Mrs.
A. E. Spaulding, Mrs. Wm. Dus-
terhoff, Mrs. Norma St. Onge and
Mrs. John Belmore.

Budget: Mrs. Logman, chair-
man, Mrs. Wm. Radue, Mrs. Hen-
ry Lombard, and Mrs. Harold Cass.
Finance: Mrs. Edgar Farley,
chairman, Mrs. G. H. Earle, Mrs.
H. Landreville, Mrs. Fred Mar-
cher, Mrs. Alex Raiche, Mrs. T.
J. Toussignant, Mrs. Joe St. Jul-
iana, Mrs. Art Morreau, Mrs. A.
Mattson, Mrs. Pieropont.

Publicity: Miss Letta Beaudry,
chairman, Jack Kleimola, Mrs.
James Riedy, Howard Landree.

Hot Lunch: Mr. H. MacEach-
ern, chairman, Mr. A. E. Spald-
ing, Miss Sarah Downey and Miss
Lucille Dillingham.

Program: Mrs. L. T. Doran,
chairman, Mrs. Emil La Cossa,
Mrs. Cyril Mondak, Mrs. Evano
Dani, Mrs. Rueben Marcoe, Miss
Stella Donovan, Mrs. Carl Allen,
Mrs. Ed. Lohf, and Mrs. William
Eisenzoph.

R. N. A. Party
The November committee of the
Royal Neighbor Lodge entertain-
ed the members at a pedro and
bridge party Thursday evening at
the lodge hall. First honors were
won by Mrs. Clem Richards, a
visitor, and Mrs. George Farley.
Refreshments were served. Mrs.
Rudolph Pegoraro was chairman
of the committee in charge.

Personals
Mrs. W. J. Eisenzoph has as
her guest her mother, Mrs. O. G.
Lindsay of Crystal Falls.

Stewart Earle, George Curran,
Vern Rader, Elmer Johnson, Hen-
old Stecker, and William Eisen-
zoph have left for Blaney Park
where they will serve as guides
for the guests during the hunting
season.

Mr. and Mrs. John Duca of Her-
mansville celebrated their silver
wedding anniversary during the
past week.

Violet Raiche has been award-
ed a gold medal for being a county
winner in the 4-H club canning
project.

Eunice Brunelle has left for
Milwaukee where she has accepted
employment.

Harlan Schroeder visited with
friends in Milwaukee and Chi-
cago during the past week end.

Mr. and Mrs. Wesley Casey and
children, Mrs. Jennie Casey and
daughters and A. Gardner of Es-
canaba visited at the Berger Ol-

News of FOOD Specials

son home last week.
Mrs. Henry Lombard's father
and sister and families from De-
troit were visitors last week at the
former's home.

Measmes J. W. Kleimola,
George Daniels, Earl Juhl, Henry
Jensen, Clem Richards, and Har-
old Cass attended the Cooking
School at the Powers Town Hall
Thursday afternoon. Miss Marion
Eads, Home Extension expert,
was in charge of the meeting
which is the third given in this
part of the upper peninsula, the
other two having been at Stephenson and Birch Creek.

Mrs. Fred Marchatere, Mrs.
Fred Gamache and Mrs. Alex La-
Fave were also present at the
Cooking School.

Tubby Redman attended the
Powers-Alpha game at Powers
Friday evening.

Mrs. William Eisenzoph and her
mother, Mrs. Lindsay, motored to
Escanaba Sunday.

Mr. and Mrs. DuBois of Spald-
ing spent Sunday at the home of
their daughter, Mrs. Clem Rich-
ards.

Successful Hermansville deer
hunters by the first of this week
include the following: Emil Ay-
otte, who was one of the very
first, David Downey, Clifford
Yale, Ike Polozak and William
Benetti.

Mr. and Mrs. Clem Richards
were Escanaba callers Saturday.
Mr. and Mrs. Jacob Nauer call-
ed Wednesday evening on their
uncle, Peter Krutch, who is a patient
in St. Francis hospital in Es-
canaba.

Mr. and Mrs. Chester Jack-
omino and baby of Norway spent
Sunday with Mrs. Jackomino's
father, Mrs. Charles Schwichten-
berg.

Mr. and Mrs. H. MacEachern
and son Robert and Mr. and Mrs.
Jack Kleimola motored to Iron
Mountain Friday where Mr. Mac-
Eachern and Mr. Kleimola attend-
ed the Extension Course class.

Mr. and Mrs. William Radue
motored to Escanaba Saturday
evening.

When driving in a fog after
dark, it is wise to drive slowly
and be guided by the right side
of the road, focusing the spotlight
in this direction, rather than to
rely entirely on the headlights to
penetrate the mist.

Schaffer News

Shower Party
Schaffer, Mich.—Mrs. Clyde
Viau and Mrs. Edward Pilon were
hostesses at a shower party, Sun-
day evening at the club rooms
given in honor of Mrs. Arthur
Pilon. The guests enjoyed card
games, bunco and dancing. Five
hundred award recipients were:
Mrs. Thomas Lafleur, Mrs. Emory
Martin, Mr. Louis Pilon, Mr. Pete
Chaput; bunco recipients were:
Mrs. Albert Guenette and Mrs.
Emanuel Taylor. Mrs. Emory
Martin received the guest award.
A delicious lunch was served after
Mrs. Pilon displayed her dainti-
ty gifts received from her friends.

School News
School will be closed Thursday
and Friday of this week, Novem-
ber 23 and 24 in observance of
the Thanksgiving holiday.

Church Card Party
A card party for the benefit of
the Sacred Heart church of Schaf-
fer will be held Sunday evening,
November 26 in the club room.
The public is invited.

Personals
Mr. and Mrs. Edward Olson and
family, Mrs. Laura Cotoir of Es-
canaba, Mr. and Mrs. Arthur St.
Cyr of Wells, Mr. and Mrs. Harry
St. Cyr of Wells, Mr. and Mrs.
John Beaumier of Kenosha, Wis.,
Mrs. Mary Hurtubese and Mr. and
Mrs. Edmond Hurtubese of Eustis
were recent visitors at the home
of Mrs. Alphonse Leclair.

Mrs. Gordon Jackette, Jr. of
Chicago, returned to her home
Friday after a week's visit here
with relatives.

Mr. and Mrs. Albert Guenette
have moved to the Eugene Daig-
neault home.

Armand Lafranboise of De-
troit was here during the past
week for deer hunting and has re-
turned having filled his license.

Theophil Bouchard has re-
turned to his home after having
been a patient at the University
hospital at Ann Arbor.

Mr. and Mrs. Arthur Nault and
daughter of Neenah, Wis., visited
over the week end at the home of
Mrs. Nault's parents, Mr. and Mrs.
Charles Morin, Sr.

Mr. and Mrs. Wallace Nantelle
of Kenosha, Wis., spent the week
end at the Hurtubese home at
Eustis.

Mrs. Francis Perrow, and Mr.
and Mrs. Emory Perrow of Esca-
naba attended the shower party
on Mrs. Arthur Pilon here Sunday
evening.

The Thomas Morin family have
moved to their new home recent-
ly purchased from Mr. and Mrs.
P. Glingras.

The Leonard Richer family
moved Sunday to the upstairs
rooms of the Amede Toussignant
home. Their farm home has been
purchased by Jim Martin of Flat
Rock who will move there in the
near future.

Mrs. Joseph Morin has re-
turned to her home after having
been a patient at the Ishpeming
hospital.

Mrs. Russell LaMotte of De-
troit, who has been visiting at
the home of her parents, Mr. and
Mrs. John Gauthier at Bark Riv-
er, spent Thursday afternoon and
evening at the Louis Racicot home
an dalso visited with Mr. and
Mrs. Fred Morin.

Mrs. Eugene Gagnon returned
to her home Saturday from Green
Bay where she had been visiting
for the past two weeks with her
daughter, Mrs. William Ell-
sworth.

Mr. and Mrs. Louis Auger of

Escanaba visited with relatives
here, Sunday.

Mrs. Clarence Demare, son
Ronald from here, and Mr. and
Mrs. T. Finnendale and daugh-
ter Marian of Bark River visited
at Green Bay, Friday.

Miss Isabelle Seymour of Esca-
naba visited at the home of her
parents Sunday.

Ernest Briere of the CCC camp
at Morman Creek spent the week
end here.

Thomas Toussignant and Eman-
uel Taylor returned Sunday from
Hells where they had been hunt-
ing for four days. Both were un-
successful in filling their license.

DOTSCH GIVES TALK
St. Ignace—About one hundred
persons attended the Roosevelt
banquet at the Old Mission Hall
Thursday evening. Guests heard
brief remarks from Senator Prentis
M. Brown and State Senator
James Dotsch.

Prosecuting Attorney Edward
Fenlon was master of ceremonies
and the toastmaster. He read
telegrams from Frank Murphy
and Murray D. VanWagoner, who
sent their best wishes and regrets
at not being able to attend the
banquet.

SHOT IN LEG

Newberry—A lower Michigan
hunter who fired a shot which
wounded Forest Purple, 43, of Al-
ger Mills, 15 miles north of Se-
ney, late Friday afternoon, today
was being held for questioning by
state police and conservation offi-
cers.

Purple, first hunting casualty
this season in the eastern part of
the Upper Peninsula, suffered a
fractured lower right leg. Both
bones were broken. He was
brought to the Newberry Clinic,
where he is being treated, by the
hunter who shot him. Officers
refused to disclose the name of
the hunter who fired the shot.

Trooper Arns Maki of the state police and Conservation Officer Frank Beneron investigated.

GORMELY POST FUROR CENTER

Governor Gives No Clue to Liquor Commission Member's Future

Lansing—All the political razzle-dazzle is being used to influence the approaching appointment of the successor to V. F. Gormely of Newberry as a member of the liquor control commission.

Gormely's term expires Dec. 15, and from the activities around the executive office one would believe a king is to be crowned.

But Gov. Dickinson attends to his daily business, apparently oblivious to all the plans that are being made to continue or replace Gormely on the pay roll.

In the Gormely cheering section sit such political bigwigs as Frank D. McKay of Grand Rapids, the Republican boss; Democratic Senator Prentiss M. Brown of St. Ignace, former Gov. William A. Comstock of Ann Arbor, and a lot of lesser lights.

Gormely's opposition comes from Theodore I. Fry of Fremont, three-time state treasurer, who has on his side of the field a group of Republicans headed by Grove M. Rouse of East Lansing, and a number of Democrats who want Gormely retired to private life.

Since Fry was suggested as the Democratic member of the commission, the former treasurer has remained silent as to whether he would accept the appointment if offered it. He will decide the first of next week. For several months Fry has been acting as Reo Motor Co. trustee for the federal district court.

Lawrence, Munshaw in Lansing

As evidence of the interest in that situation and the probable successor to Marvin L. Coon, warden of the Marquette branch prison, McKay, Howard C. Lawrence, campaign manager for Senator Arthur H. Vandenberg of Grand Rapids, and Senator Earl W. Munshaw, also of Grand Rapids, were executive office callers Thursday. Rouse kept tabs on the visitors. None offered any reason for his visit.

Republican leaders in the upper peninsula are to be asked to make the appointment.

Such leaders as former Senator Herbert J. Rushton of Escanaba, Walter F. Gries, chairman of the welfare commission; John Norton, Escanaba newspaper publisher, and Joseph Green of Crystal Falls, former state representative, are among those expected to get together.

Elmer Swanson of Escanaba, former Delta county sheriff, is being advanced as a likely candidate for Coon's place. Coon has been on the hot spot since the recent prison break when he, his deputy and two members of the parole board were held as hostages by the inmates in making their escape in a prison automobile.

Rock News

Rock, Mich.—Ernest Fosterling is confined to bed with influenza at the hospital at Camp Mormon Creek.

The first hair-curling method consisted of winding the hair about a cylindrical stick, moistening it with a chemical solution, enclosing it in a metal tube, and then heating it.

Hospital

Morris Harrison, Cornell, submitted to an operation for relief from appendicitis at St. Francis hospital.

Dorothy Eitenhofer, 310 North 11th street, submitted to an operation for relief from appendicitis.

Adelote Vlau, Trenary, was admitted suffering from a fracture of the right leg, received when he was hit by a car.

Evelyn Hanson, 523 South 12th street, is receiving treatment.

Leroy White, Flat Rock, was admitted suffering from a severe gash in his left foot, received when he struck it with an axe, while chopping wood. Three tendons were severed and he suffered considerable loss of blood.

Patients dismissed are Verle Buckmaster, Mrs. Evelyn Reynolds, George Saunders, Mrs. George Roche and baby, Russell Cherevete, Henry Van de Weghe, Mary Ann Laing, Alva Maloney, Mrs. Bert Sharkey, Mrs. Glen Davis and baby, Edsel Robinson, Mrs. Tom Wilkinson and baby, Arne Johnson, Alfred Johns, Jeffrey Nault, Mrs. William Pare and Mrs. H. H. Bathke.

Vocational Survey Will Be Conducted

About 2100 Escanaba young people will be interviewed, starting this week, as a part of Michigan's state-wide vocational survey, it was announced today by Frank A. Paduan, district supervisor. The survey is being made in an effort to solve the unemployment problem of youth 16 to 24 years of age.

The survey is sponsored by Dr. Eugene B. Elliott, state superintendent of public instruction, who asks the cooperation of the young people and their parents in obtaining the desired information. This will be held strictly confidential, he points out, and no identities will be revealed in any reports based on the survey.

"We are simply trying to find out," said Dr. Elliott, "how many young people are out of school and without jobs, in order that appropriate agencies may equip them for work when it becomes available and put them on the road to good citizenship. The survey also will enable us to appraise the existing vocational training facilities in our schools and should indicate what changes, if any, are needed to make them more effective."

The survey has the endorsement of John A. Lemmer, superintendent of schools, and school officials throughout the state. Co-operating agencies include the State Board of Control for Vocational Education, the Michigan Unemployment Compensation Commission and the Michigan State Employment Service. The School of Education and the Institute for Human Adjustment of the University of Michigan, the Detroit Council for Youth Service, the Michigan Child Guidance Institute, the Michigan Secondary School Association, and various state colleges.

The National Youth Administration of Michigan is taking an active part in the survey, which will employ about 700 young people as enumerators, and funds are being furnished largely by the Work Projects Administration.

Churches Sponsor Special Services During the Week

A Christian Emphasis Week will be observed, beginning tonight, under the co-sponsorship of the Evangelical Covenant church and Calvary Baptist church.

The services will culminate Sunday evening in a union service at the Evangelical Covenant church.

Rev. Mr. Swenson and Rev. William Hultman will alternate in giving the sermon messages which will be centered around the theme chosen for the week, "Revitalizing Our Christian Life."

The public is invited to attend the meetings.

Personal News

Mrs. Harry W. Long returned Sunday morning from Gary, Ind., where she has been visiting with Mr. and Mrs. Marshall Long and family.

Miss June Jennings, of Houghton, a student at Northern State Teachers' college, Marquette, is arriving here on Wednesday, to spend the Thanksgiving holiday as the house guest of Mr. and Mrs. W. J. Anthony, 404 Lake Shore Drive.

David and John Anthony, students at the Michigan College of Mining and Technology at Houghton, are arriving here Wednesday to spend the Thanksgiving vacation with their parents, Mr. and Mrs. W. J. Anthony, 404 Lake Shore Drive.

Stanton Abrahamson has returned to Alma, Mich., where he is attending Alma college, following a week end visit at the home of his parents, Mr. and Mrs. Stanton E. Abrahamson, 1119 Ninth Avenue South.

Mr. and Mrs. M. E. Vandenburg had as their guests over the week-end, Mr. and Mrs. Louis Nowicki and sons, Louis and George, of Oshkosh, Wis.

Mrs. Foss Eitwyn of Sault Ste. Marie is spending several days here at the home of her parents, Mr. and Mrs. John A. Stromberg, 1607 Ludington street.

Miss Alta Brotherton is arriving Wednesday from Palmsdale, Mich., where she is teaching, to spend the Thanksgiving vacation with her parents, Mr. and Mrs. H. O. Brotherton.

Mrs. George Harvey is returning this morning from a week's visit with relatives in Fond du Lac, Wis.

How To Relieve Misery of Your CHEST COLD

Massage throat, chest, and back with plenty of Vicks VapoRub at bedtime! Then spread a thick layer on chest and cover with a warm cloth.

Vicks VapoRub's double action brings double relief. It acts as a poultice to penetrate the surface skin; and its soothing medicinal vapors are breathed direct to the irritated air passages.

Try it, to loosen phlegm—to clear air passages—check tendency to cough—and also to relieve the tightness and soreness of chest muscles.

Panel Bodice Style Feature Of House Dress

BY MARIAN MARTIN

PATTERN 9240

PATTERN 9240

"Some day I'll sew a dress!" Sound familiar? Change that "some day" to TODAY—and start with this cheerful, slenderizing house-frock, Marian Martin's Pattern 9240. It takes such a few hours to make.

Pattern 9240 may be ordered only in misses' and women's sizes 16, 18, 20, 22, 24, 26, 28, 30, 32, 34, 36, 38, 40, 42, 44 and 46. Size 36 requires 3 1/2 yards 35 inch fabric and 2 1/2 yards ric-rac.

write plainly your SIZE, NAME, ADDRESS, and STYLE NUMBER. Fashion is at your finger-tips... with a MARIAN MARTIN WINTER PATTERN BOOK in your hands!

MEET IN MEMONIEE

Menominee—Spanish War Veterans of the upper peninsula, of which organization W. A. Lyons, of Marquette, is president, has accepted the invitation of the Menominee Chamber of Commerce to hold a joint 1940 convention with the 34th Regiment of Michigan Volunteers in Menominee July 2, 3 and 4.

Mr. Lyons and Joseph P. Shepard, 114 West Arch street, Marquette, secretary of the Spanish War Veterans association, have written Franklin Merritt, secretary of the Menominee Chamber, accepting the invitation.

It will mark the eleventh annual session of the 34th Michigan Volunteers. Included in plans for the convention is a memorial service for the late Lieutenant James Lelsen, of Menominee, who served in Cuba with the 34th Michigan Volunteers in 1898 and died in February 1, 1905.

WE, the WOMEN

BY RUTH MILLIETT

Whether you live in one of the 22 states which have declared that the old Thanksgiving date is good enough for them, or whether your state is going along with the President in his better-for-business choice of a Thanksgiving Day—chances are you are a bit hazy about the origin of Thanksgiving as a national holiday.

You know the Pilgrims started the Thanksgiving idea. But who carried it on from there? Well, it was a woman.

From the time of George Washington to the time of Abraham Lincoln, Thanksgiving was celebrated in a hit or miss fashion.

But along about 1846 Sara Josepha Hale, a New England widow and the most influential "lady" of her time, began a 17-year campaign in Godey's Lady's Book (she was its editor for more than 40 years) to make Thanksgiving a national holiday.

A "RADICAL" TO VICTORIANS Mrs. Hale—who had a lot of radical notions like dropping the Female from Vassar Female College and insisting there should be such a thing as "domestic science"—fervently believed that a National Thanksgiving Day would be a step toward a better understanding between the North and the South. The war came before she had her way and in '61 her plea was that "we lay aside our enmities and strifes... on this day." The plea was overlooked in the bitterness of war.

But in 1863 President Lincoln proclaimed the first national celebration of Thanksgiving since Washington's time. Mrs. Hale had won her long campaign.

From 1863 until 1939 the President of the United States each year set aside the last Thursday in November as a Day of Thanksgiving. And the Governors of the various states dutifully followed the President's example by making their own proclamations.

This year, however, finds the country once again unable to agree on the date of Thanksgiving. Sara Josepha Hale, who worked 17 years to get a nation to sit down as one family to a feast of Thanksgiving, might not mind a great deal.

For her reason for a national celebration was to tie the Union more closely together. Now America is together—and will give thanks as a nation, whether those

Social-Club

Dinner Party Miss Lois Abrahamson and her brother Stanton Abrahamson, who was home from Alma college, for the week end, entertained a group of their friends at a dinner party Friday evening at their home, 1119 Ninth Avenue South.

Dinner, with baby mums and white tapers centering the table appointments, was served at seven o'clock. A scavenger hunt followed after which the young people returned to the Abrahamson home for dancing.

Guests at the party were Mary Lou Bisbee, Mildred Thorson, Jean Stack, Louette St. Martin, Thelma Berquist, Patricia McPherson, Florence Tobin, Roy Kress, Billy Bisbee, Ray Pepin, James L'Heureux, Bill Harwood and James Davidson.

V. F. W. Auxiliary A meeting of the Veterans of Foreign Wars Auxiliary will be held this evening at 7:30 o'clock at the home of Mrs. John Ham, 1110 Second Avenue North. All members are asked to be present.

Eastern Star Meeting The annual meeting of R. C. Hatheway Chapter, No. 49, Order of the Eastern Star, for election of officers and yearly reports, will be held this evening at the Masonic Temple, opening with a planned pot-luck supper at 6 o'clock.

B. A. of R. E. A regular meeting of the B. A. of R. E. will be held at the Odd Fellows' hall this evening at 8 o'clock. A social with a program of games for members only will follow the meeting.

Party a Success The pre-bazaar card party held Sunday evening at St. Anne's parish hall has a successful affair, with a large crowd in attendance. Mrs. Peter C. Dube had high score in auction; Mrs. John DeGrand, high in five hundred; and Rev.

Guests of Mr. and Mrs. John Bloomquist, 1326 Sheridan Road, over the week-end were Mr. and Mrs. Clarence Bloomquist and their daughter, Adrienne, of New Buffalo and Mr. and Mrs. William Champion and son, Robert, of Newberry.

thanks are given on the last or the next to last Thursday in November.

Fr. Joseph E. Guertin was high in pinochle. Mrs. Louis DeGrand was chairman of the party.

Isabella Rummage Sale The Daughters of Isabella of Trinity Circle will sponsor a rummage sale Saturday, beginning at 8 o'clock, at St. Joseph's club rooms, the proceeds to be added to the Circle's welfare fund. Those who have articles to donate to the sale are asked to leave them at the club rooms Friday morning or afternoon, or if they wish them collected, to call Mrs. Charles Lantz, 1999, or Miss Lillian Grenier, 2191.

Eshoma Club Organized Officers of the newly organized Eshoma club, one of the small groups of girls of the Junior high school interested in handicraft, were announced yesterday as follows:

Helen Jerow—President. Helen Bennette—First vice president. Lorraine Northrup—Second vice president. Shirley Baker—Recording secretary. Patty Flanagan—corresponding secretary. Evelyn Johnson—Publicity chairman.

Miss Ethel Knutsen is faculty advisor of the group. The club is one of several of the small groups into which Junior high school girls interested in handicraft have been organized. Each club will engage in a specific craft, such as soap carving, knitting, crocheting, embroidery and the like, and the groups will re-organize every two months.

Births

Mr. and Mrs. Kenneth Carter of Gary, Ind., are the parents of twins—a boy and girl. Mrs. Carter is the former Edna Wiltzius, daughter of Mr. and Mrs. Joseph Wiltzius, Chemical Plant location. VIGOR MISSING ON STOCK LIST

STOCK MARKET AVERAGES. Compiled by The Associated Press. Includes Net change, Monday, Tuesday, etc.

BY FREDERICK GARDNER. New York, Nov. 20 (AP)—Quiet strength appeared in selected stock market issues today, but the list as a whole apparently lacked sustained rising vigor.

Deals, fairly lively on the forenoon upturn, slowed to a crawl in the afternoon. Transfers amounted to 744,570 shares against 770,840 last Friday.

Steel, well in front in the morning, backed down later notwithstanding another upturn in this week's mill operations to the highest level since the Iron & Steel Institute began issuing weekly estimates in 1933.

Chrysler fell a point and General Motors 1/4 as negotiations for settlement of the former's labor dispute seemed deadlocked.

Helpful were October figures on Machine Tool Manufacturing, considered by many an important industrial barometer, disclosing activity in that month as the highest for that year to date.

Notice was taken of the forecast of the Standard Statistics Co. that corporate earnings in the final 1939 quarter would be the best since the last months of 1936.

Among losers were Western Union, Douglas Aircraft, Montgomery Ward, Allied Chemical and J. I. Case.

Fractions to a point higher among curb issues were Borne Sermoryn, Lake Shore and American Gas & Electric.

Turnover of 154,000 shares compared with 158,000 Friday.

The home owner setting out to modernize his kitchen can accomplish much in one stroke by installing a sink which comes complete with a waste unit that replaces the messy garbage pail.

The waste unit whips food waste to a clean, flowing liquid, and washes it down the drain, thus banishing the unsightly and odorous garbage pail.

The same sink is available with a dishwasher unit that rinses, washes, and dries dishes, pots, pans, and silverware.

Home owners may install these sinks with funds obtainable from qualified lending institutions under the Property Improvement Credit Plan of the Federal Housing Administration.

HUNTER SHOT DRIVING DEER

Vernon Lee, 21, of Newton Township Badly Injured

Vernon Lee, 21, resident of Newton township, Mackinac county was shot through the left shoulder Monday afternoon by a 30-30 rifle shell fired by a hunting companion, Edward Ruby, 21, also of Newton township. The accident occurred 5 miles east of Blaney Junction, one-half mile south of highway US-2 at 1:30. Lee was taken to the Shaw hospital in Manistique for treatment. His condition is serious, but he was given an even chance to recover. The shell entered his left shoulder from the rear, broke his shoulder blade and came out about four inches above the heart. The bullet pierced the upper portion of the lung. State police from Manistique who investigated the mishap reported that Ruby had shot at a deer which Lee had been driving and the shell ricocheted from a tree and hit Lee. Ruby and Lee were obstructed from each other's view at the time of the mishap, they reported. Lee and Donald Siegel were driving for seven other members of the hunting party before the accident occurred. They drove out a buck and Lee took two shots at the animal. Ruby then fired twice

LAW VIOLATORS FINED IN COURT

Three Men Arraigned on Various Charges, All Plead Guilty

Francis Holohik, of Manistique, was fined \$50 and costs of \$5 when he pleaded guilty in justice court here yesterday to a charge of driving an automobile under the influence of intoxicating liquor. He was arrested by state police on Main Street in the city Saturday night. Given an alternative of serving 30 days in the county jail in lieu of the fine, Holohik made arrangements to pay the fine. His driver's license also was revoked for a period of one year, a mandatory provision. Fred Griffin, Jr., of Hiawatha township, pleaded guilty to a charge of carrying a loaded rifle in a deer area during the closed season. He was arrested in Mueller township Nov. 13 by Conservation Officer Harold Peters and was arraigned here yesterday. Griffin made arrangements to pay the fine. Frank Warczak, of Manistique township, paid a fine of \$5 upon a plea of guilty to a charge of assault and battery. The complainant was his wife, Elizabeth. Warczak was arrested Saturday night by Undersheriff Emery Barnes.

Briefly Told

Fire Call—The Manistique fire department was called to the residence of Ed LaVance, 502 Michigan avenue, Saturday afternoon to extinguish a fire under the house. There was no damage. Luther League Scavenger Hunt—The Luther League will sponsor a scavenger hunt tonight at 8:15. Meet at the church and come properly dressed for the weather. Refreshments will be served following the hunt. Lady Maccabees—There will be a social meeting of the Lady Maccabees this evening in the K. of C. hall. All members are urged to attend. Thanksgiving Services—Thanksgiving day services will be held at the Zion Lutheran church Thursday evening at 8 o'clock. Special music will be rendered by the choir. Towns Club—The Towns club will meet this evening at the courthouse at 8 o'clock. The public is invited. Penquin Troop—The St. Francis de Sales Penquin scout troop will meet this evening from 4:00 until 6:00 o'clock in the school basement for a Thanksgiving party. Scout leader, Mrs. Harold Hughson, urges all members to attend. Notice—There will be no matches in the Elks Women's Bowling League on Thanksgiving day as previously scheduled. The games will be rolled on Wednesday afternoon. Presbyterian Guild—The Presbyterian Guild will meet Tuesday, November 21, in the church parlors. Mrs. N. L. Lindquist and Mrs. Geo. Morton are the hosts.

HEALTH TALK HERE TONIGHT

Lecture Deals With Care and Training of Children

The third of a series of health lectures for women will be presented tonight at 8 o'clock in the high school assembly room by Dr. Marie Hagele, lecturer for the Michigan Department of Health. "Care and Training of Babies and Young Children" will be the subject of tonight's lecture and in conjunction a film entitled "Around the Clock With You and Your Child" is to be shown. The talk deals with problems in caring and training babies and young children and the film illustrates various points. The series of lectures, five in all, are being sponsored by the Child's Welfare department in cooperation with the Michigan Health department. Mrs. C. H. Fitzpatrick is chairman of the committee in charge and is assisted by Miss Lorraine LaFramboise, school nurse. Following each lecture an opportunity is given for open discussion of individual problems and women are encouraged to bring questions. Next week the lecture will also be on Tuesday evening.

City Briefs

Mrs. Edward Cannon and son Richard left yesterday for New Buffalo, Mich., where they will visit relatives. Mrs. A. C. Allert returned Monday morning from Minneapolis after spending several days with friends and relatives. Mr. and Mrs. Alton Spaulding and daughter, Beverly, returned to Bridgman, Mich., on Sunday following a week's visit at the Charles Erickson home. They were accompanied to Benton Harbor by Mrs. Clem Stevens, the former Irene McCauley. Miss Edith LeGault returned Sunday from Rudyard where she has been visiting for the past week with relatives and friends. Mr. and Mrs. John S. Pettit, Minnesota Avenue, and Mr. and Mrs. H. B. Lemmen of Grand Rapids visited Sunday at the home of Mrs. Charles Fernea at Ishpeming. Mrs. Pettit, Mrs. Lemmen and Mrs. Fernea are sisters. Mr. and Mrs. Robert Haskins of Detroit are expected to arrive here Wednesday night to spend the Thanksgiving holidays with Mrs. Haskins' parents, Mr. and Mrs. Charles Gogran, Lake Shore Drive. Mrs. Katherine Rice, Fond du Lac, Wis., is visiting with relatives and friends here and at Kipling. Mr. and Mrs. Clyde McGonagle and Mrs. Wm. L. Marble left yesterday for Rochester, Minn., where Mrs. McGonagle will go through the Ear Department of the Mayo Clinic. GOES TO MEDICAL CORPS Marquette—Paul C. LeGolian, senior medical student at the University of Michigan, Ann Arbor, has received an appointment to the United States army medical corps. He is the son of Dr. and Mrs. Celestin LeGolian, of this city. Two others who received appointments are William H. Anderson, of Ewen, and John C. Benson, of Flint. Col. Leon A. Fox, of the University of Michigan ROTC medical unit, said in announcing the three appointments that they are based upon strict army physical requirements and high academic standing, and are more like a fellowship than a regular internship because the men will be on the payroll of the army for one year. LeGolian attended St. John's parochial school and was graduated from the Baraga high school in 1932. He took his pre-professional work at Northern State Teachers college, transferring to the university in 1936. Q. Whose likeness is on a \$100,000 bill? A. M. A. A portrait of Woodrow Wilson appears on the \$100,000 bill.

In Memoriam

In loving memory of our husband, son, and brother, Elmer G. Swanson, who passed away one year ago, November 21, 1938. Time cannot heal the aching heart. Nor from our memory tear. The form and face we loved so well. Will dwell forever there. None knows the silent heartache. Only those who have lost can tell. Of the grief that is borne in silence. For the one we loved so well. You are not forgotten, dear. Nor will you ever be. While life and memory last We will remember thee. The flowers we placed upon your grave May wither and decay. But love for you who sleeps beneath. Shall never fade away. From those who loved him best. Signed, Swanson Families Nelson Family Sevrre Family

Chemicals were used and slight damage reported.

Long Illness Proves Fatal to Matt Petre

Matt Petre, 52, of Skelton Road, passed away Sunday at Pinecrest Sanatorium at Powers following an 8-month illness. Petre was born Jan. 15, 1887, in Yugoslavia and came to the United States and almost immediately to Gladstone when 27 years of age. He has resided here for 25 years. Petre never married. Three brothers, all living in Yugoslavia, survive. The body was removed to Swenson Brothers funeral parlors. Last rites will be conducted Wednesday morning.

Manistique Boys Class Officers At Teachers' College

Two Manistique young men, Norma Slough and Harold Peasley, were honored by their classmates at Northern State Teachers College last week. Slough, son of Mr. and Mrs. Emery Slough, was elected president of the sophomore class at the college and Peasley, son of Mr. and Mrs. Sam Peasley, was elected vice president of the freshman class. Slough and Peasley also are active in athletic and extra-curricular activities at the college. Slough is a member of Tri Mu fraternity and Peasley is a pledge of the same fraternity.

City Is Presented With Honor Plaque

The City of Manistique has been presented a plaque by the Employers' Mutual in commemoration of their achievement of having no lost time accidents for the fiscal year 1938-39.

NAB FOUR FOR HEADLIGHTING

Group Pleads Not Guilty and Trial Is Set for Dec. 1

A plea of not guilty was entered by Walter Lessard, Harold Pelkey and Ferdinand Sebeck, Gladstone, and Edward Hanson, Ensign, upon their arraignment yesterday morning before Justice of Peace Alger Strom on a charge of using an artificial light in hunting and attempting to kill deer. Trial of the quartet was set for Friday, Dec. 1, at 9:30 a. m., before Justice Strom. Arrests were made Sunday night on the Silverdale Road in Ensign township by Conservation Officers Allan Tweedy and Oscar Sundquist of Rapid River.

FREDERICK-JAMES First in FURS Since 1893 It's an acknowledged fact that you cannot buy an inferior Frederick-James fur coat—we just don't carry them. When we first set our high standards and eliminated from our business all furs below these standards, it sounded revolutionary. Today quality loving women are telling us what a joy it is to buy fur coats for their fashion and becomingness—never once having to question quality. We have taken all responsibility as to that and in doing so, we have been able to do an outstanding job in value—which means— THAT YOU NEVER SEE FREDERICK - JAMES' QUALITY UNDERSOLD ANYWHERE ELSE TO OUR KNOWLEDGE. SEE THESE COATS—THEN MATCH THESE VALUES, IF YOU CAN!!! Grand Marais

Grand Marais, Mich.—Mr. and Mrs. Arthur Hubert of Escanaba are visiting his parents, Mr. and Mrs. Charles Hubert.
Mr. and Mrs. Charles Beaudou Jr. and niece, Susanne Grondin, of Newberry called on relatives Wednesday evening.
Marion Boonenberg of Seney spent several days visiting friends here last week.
Mrs. A. D. Barney and son, Roy, were Newberry visitors Thursday.
S. H. Ostrander and Louis Desjardin were in Munising Thursday.
Joe Leighton, former Grand Marais resident and son, Lionel, of Lansing, are spending the hunting season here.
"Pug" Endress brought in a coyote Thursday.
Among local hunters who shot their bucks the first couple days of the season were Sam LaRouie, Vernon Newberg, John Masse, and Leo Cherette. James Thorrington Jr. shot his deer the first day.
Mr. and Mrs. Stanley Warner and Mr. and Mrs. M. D. Orr and daughter, Sally, who were guests of Mr. and Mrs. C. B. Walsh a few days have left for their homes in lower Michigan.
Mr. and Mrs. William Aho and children spent several days in Trenary recently visiting relatives.
Mr. and Mrs. Joseph Fish of Escanaba were visitors here Friday.
Mrs. A. C. Gross motored to Whitefish Point Friday. Mr. Gross accompanied her home to spend a few days with his family.
Lose To Trenary
In a hard fought game played at Trenary Friday evening, the local basketball team lost with a score of 23-44.
Those who took part in the game included Jack Newberg, Guy Boonenberg, James Martin, Francis Bleckner, Lester Radcliff, Donald Carpenter, Donald Nettleton, William Tomkiel, Billy Pugh. Coach Elvin Bomaster accompanied the team.

Close Call For Vols Opens Up Grid Ranking Race

So Sonja Henie Picks Her All-America Team

Hollywood, Nov. 20 (AP)—Sonja Henie, with nothing better to do at the moment, sat down and picked herself an all-American football team.

What's more, she picked 'em, not merely because they're good players, but mainly because "they looked the prettiest in the country."

"You might call them 'glamour boys of the gridiron,' only I'm afraid they might not like it," explained the curvaceous starlet of the ice. "But I based my selections on their ability to attract women to a football game, along with their playing ability."

PACKERS GAIN LEAGUE LEAD

Soundly Trounce Dodgers Sunday; Lions Beaten By Rams

Brooklyn, Nov. 19 (AP)—Green Bay's tough and rugged Packers overwhelmed the Brooklyn Dodgers, 28 to 0, to take undisputed possession of the western division lead today.

The Packers' seventh triumph of the season was coupled with Detroit's 14 to 3 defeat by the Cleveland Rams.

The game here was never any more of a contest than last Sunday's 42-0 debacle against the Washington Redskins, although the Packers didn't get a chance to run back the opening kickoff for a score, but had to wait until the second play after they got the ball to tally. It not only stunned the 19,843 fans, but sealed Brooklyn's fate.

Herber To Hutson
The game was just four minutes old when Herber shot a spot pass to Hutson, waiting unopposed on the Packers' 45, and he scooted across the goal line with the speed of a sprinter.

Six minutes later the Packers scored again with equal suddenness. Brooklyn had driven back with the kickoff to its own 43, only to have Ralph Kercheval fumble on a wide reverse and Bud Svendsen gobble up the ball on the 38 for a touchdown trip.

In the second period the Packers paraded 55 yards for their third touchdown with Cecil Isbell, passing and Clark Hinkle running. When they reached the Brooklyn 19, Isbell passed to Harry Jacunski on the three and he leaped across the goal line.

The final scoring drive started with a pass interception by Joe Laws on his own four-yard line. He returned the ball to the Green Bay 14 and the march was on. Isbell worked a pass to Hutson good for 53 yards and the same combination completed another on Brooklyn's one-yard line. Isbell then tried to punch right kick unsuccessfully and on the following play skirted his own right end for the touchdown.

Dodgers Threaten Once
Paul Engelbretson place-kicked points after three of the touchdowns and Isbell made the other by the same method.

Hinkle tried for a placement field goal from Brooklyn's 44 early in the second period, but it failed. Green Bay had its second and third stringers in practically all of the final period.

Brooklyn's only touchdown threat came in the third. A 40-yard run by Ray Carnelly to Green Bay's 35 ended in a pass interception, but Kercheval put them right back with a 49-yard gallop to Green Bay's eight. Brooklyn went to the two and finished on the five.

RAMS TIP LIONS
Cleveland, Nov. 19 (AP)—The underdog Cleveland Rams rose to their greatest heights of the season today on the wings of Parker Hall's sensational passing and smashed down the Detroit Lions, 14 to 3, in a national pro league game before 28,142 fans.

The victory, Cleveland's fourth in nine games, dropped the Lions into third place in the western division behind Green Bay and the Chicago Bears, virtually killing Detroit's title hopes.

Hall, 1933 Mississippi all-American, turned the contest into a virtual one-man show as he peppered passes all over the Detroit secondary to register 16 completions in 25 attempts. His aerials were good for 149 yards and brought both touchdowns.

Today's total left Hall with 76 completions in 155 tosses this season, five short of the record held by Sammy Baugh of the Washington Redskins.

Rams Inspired
The inspired Rams, fired to fever pitch by Coach Earl (Dutch) Clark's desire for a victory over the club he formerly coached, scored both touchdowns in the second period to overcome a 3 to 0 edge posted by the Lions in the opening stanza on Chuck Hanne-man's 12-yard field goal.

COMPLETE 21 PASSES
Chicago, Nov. 19 (AP)—Little Davey O'Brien gave an amazing exhibition of forward passing today, but it wasn't enough to keep the powerful Chicago Bears from running over the Philadelphia Eagles, 37 to 14, in a National Pro

Football league game before 21,398.

The 150-pound Eagle quarterback broke his own league record for the most passes completed in a single game, connecting for 21 out of 36 tries, for 247 yards. He established the former mark of 19 completions a week ago. Only one of his darts was intercepted and two were ruled complete because of interference. He lost 68 yards on attempted passes.

TEXAS A & M IN TOP PLACE

Cornell Creeps Up to Crowd Tennessee for Second Honors

BY BILL BONI
New York, Nov. 20 (AP)—Driving past a Tennessee team which had a hard time protecting its winning streak against long-shot Vanderbilt, Texas A. and M. today shot into first place in the race for selection as No. 1 football power in the nation.

After four straight weeks in the driver's seat, the Vols were dropped into second place in the season's sixth Associated Press ranking pool. At the same time the Aggies, a team which Coach Homer Norton converted from a Southwest conference also-ran into a club only one game away from a perfect season, drew 35 first-place votes, 37 seconds and 17 thirds on 110 ballots for a total of 963 points.

Auker Hunting Near Newberry

Eldon Auker, former Detroit Tiger pitcher now with the Boston Red Sox, and his team mate, Fritz Ostermuller, also a pitcher, are guests of J. A. Baetz of Newberry this week while hunting deer. The submarine baller's former hurling mate, Tommy Bridges of the Tigers, will join them shortly.

WANT SOME FUN? . . . that donkey basketball game at the junior high school tonight ought to be a dilly . . . members of the Lion's club and the high school faculty will be astride the stubborn long-eared beasts and will attempt to play basketball . . . they are specially trained—the donkeys, we mean—and provide plenty of laughs . . . personally, the affair ought to be as funny as the recent ballet . . . and proceeds realized from the game will be used toward the purchase of new uniforms for Jim Rousman's high school basketball team, which makes its bow to the public about two or three weeks hence . . . that is, if the boys can forget football long enough to play basketball . . . Jim is afraid some of the boys are going to freeze their ears when the cold weather comes . . . last year's winter caps aren't large enough!

There are three classes of girls, the good looking, the clever and the majority.

FOOTBALL TIME DISPUTE AIRD

Fifth Official Proposed to Handle Electric Clock Controls

Philadelphia, Nov. 20 (AP)—A timing dispute at the close of Saturday's Penn-Michigan game here brought a suggestion today from a football rules committee member that a fifth official be appointed for college games timed by electric clocks.

Wilmer G. Crowell, district member of the committee, said he would recommend such an appointment.

Saturday's controversy grew from an argument over the legality of a short kickoff by Penn in the final minute of the game. Penn players fell on the ball as soon as it struck the ground—and it was given to them.

While officials strove to settle an argument over the kick, the electric clock over the field—chosen before the game as the official timer—moved on and the game ended with Michigan the winner 19-17.

Although Head Linesman Joseph McKenney said he signalled for time out with about 13 seconds left to play—a Western Union employee controlling the clock switch said he saw no signal.

"The man who controls the clock," said Crowell, who umpired the game, "is, in fact, the official timer, and I believe he should be appointed and governed by the commissioner of officials."

Asked if the referee would not have the right, under the rules, to rectify a mistake in timing, Crowell replied:

"The referee does not have the right under the rules to turn back the hands of the official clock."

DAVEY DAY WEDS
Chicago, Nov. 20 (AP)—Davey Day, Chicago's contender for the welterweight title, revealed today that he was married a week ago to Miss Sylvia Copeland of Chicago at Crown Point, Ind.

Pointe; Homer Frazier and Maurice Trimble, Eaton Rapids; Albert Federico, Mayfield Heights, O.; Dave Luehberg, Ellwood City, Pa.; Carl Renda, Albion; Robert Grimes, Flint; John Rybachak, Grand Rapids; Steve Beban, Akron, O.; Ed Alsip, Roseville; Joseph Hill, Detroit.

TROJANS COME TO SOUTH BEND

Irish Will Try to Wreck Perfect Season for Southern Cal.

Los Angeles, Nov. 20 (AP)—The Mighty Trojans of Southern California headed east tonight, bound for South Bend and the fourteenth grid battle with the Irish of Notre Dame.

Thirty-nine stalwarts of Troy were selected for the trip. Of these at least two were hopeful that history would repeat itself in this bitterly-waged inter-sectional warfare.

They were Grenville Lansdell, No. 1 man of Troy's imposing array of quarterbacks, and Harry Smith, 220-pound running guard, Southern California's leading candidate for All-American honors.

Two years ago when U. S. C. invaded the Notre Dame backyard Big Harry Smith suddenly barged out of the substitute ranks and turned in a game that started him on the road to national recognition as the most feared of Troy's W'emen.

And it was in the same game that Lansdell, the lad they call "Fog over Pasadena," executed the feat a Trojan quarterback hadn't done since the days of Morley Drury a decade before. He played a full 60 minutes against the hard hitting Irish, and played it well, even in defeat.

The spotlight will be on those two Saturday, but it may shift to others. Back of Lansdell, for instance, will be Doyle Nave, the pass-throwing hero of Troy's victory over Duke in the Rose Bowl, and behind him comes Am Schindler, 190 pounds of activity.

Schindler, however, may see duty in the fullback spot as reserve for Bob Peoples. S. C.'s other fullback replacements, Jack Banta and Bill Sangster, being on the doubtful playing list.

Mishaps to those two gentlemen took up Coach Howard Jones' triple-play quarterback threat, but he has little need to worry. Schindler can carry the mail whether they call him a quarterback, a fullback or the waterboy.

Last year U. S. C. wrecked a perfect season for the Irish, Notre Dame can return the favor this year, with interest, because Troy happens to be the best bet to win the right to represent the Pacific Coast Conference in the Rose Bowl.

It's things like this, year in and year out, that makes the U. S. C. Notre Dame series the annual sell-out it is.

Crisler Pays Tribute To Pennsylvania Boys

BY WHITNEY MARTIN

New York, Nov. 20 (AP)—The old professor waited patiently until his Monday morning class of football coaches was seated, then riffled a stack of cards in his hand.

Old Professor—Gentlemen, I have here your grade cards. You might call them your playing cards. Anyway, I am happy to say you all are doing very well and undoubtedly will exchange pigskins for sheepskins. Mr. Snavely, you have been a little terse with your answers, maybe you can raise your grade by giving that fine team of yours some credit.

Carl Snavely, Cornell—I'll do that, Professor. The boys looked like a great team against Dartmouth. It was by far their best performance.

Earl Blaik, Dartmouth—I second that, Professor. I never saw such blocking or more good backs on one team.

Old Professor—Looking for inspiration, Mr. Crisler?

Fritz Crisler, Michigan—No, I know who has, or had, that. The Penn boys. They played an inspired game, and was it a wild one!

Jack Munger, Penn—It was a swell game. That Harmon, with a good back, but give me Frankie Reagan any day. He was great.

Old Professor—You appear disgruntled, Mr. Bierman.

Bernie Bierman, Minnesota—As far as I am concerned, Iowa will have to finish the season as the underdog. We had more power, and Northwestern next week. That Kinnick, though, what can you do about a guy like that?

Eddie Anderson, Iowa—I'm glad Kinnick saved some good passing plays until the last quarter. He was calling signals, you know, after Couppee was injured. No matter how many jobs you give him, he handles them all well. The boys may be the underdogs but they do a pretty fair job of coming out on top.

Old Professor—And speaking of underdogs, how are you, Mr. Wade?

Wallace Wade, Duke—Very well, thank you. I think our boys played their most spirited game since the Tennessee game of 1933.

Ray Wolf, North Carolina—No alibis from this corner, Professor. Our boys played mighty well, but Duke was the better team, and Frank Ribar was a standout in a line that was too much for us.

Old Professor—Mr. Stidham, are you day-dreaming?

Tom Stidham, Oklahoma—I guess so. My second team played exceptionally well against Missouri, and those are the boys who will be back next year. What a kicker that Ronald King is. That's what beat us.

Perkins Defeats Faculty By 22-19

Perkins, Nov. 20.—A last quarter rally enabled the Perkins high school cagers to nose out the Faculty, 22-19, in an interesting game Friday night.

The teachers held a slight lead at half time but LaChance and Lancour teamed up in the final frame to put the game on ice.

McNamara led the faculty scoring while Peterson shone on defense.

The box score:

Faculty	FG	FT	PP
Mannon	5	0	2
McNamara	5	1	0
Wilson	0	0	1
Deloria	1	0	0
Peterson	3	0	0
Totals	9	1	3

High School	FG	FT	PP
Lancour	1	0	3
Johnson	4	0	0
LaChance	6	0	0
Turan	0	0	0
Whitney	0	0	0
Trudell	0	0	0
Totals	11	0	3

The entrance hole of a wren house should be the size of a 25-cent piece.

Donkey basketball, that goofy sport that has been sweeping the country of late, comes to Escanaba tonight when the Tail Twisters of the Lions club and the Escanaba high school faculty members mount the ornery brutes at the junior high school at 8 o'clock.

Manager Jim Frenn of the Lions club crew, on the eve of the epochal battle, issued this communiqué:

"SONEWHERE BEHIND THE FRONT—It was learned through good authority tonight that the Lions club crew is planning a heavy offensive barrage at the zero hour of 8 o'clock tomorrow night at the junior high school, with the faculty as its objective. The night cavalry, under the command of Major Grover Lewis, will be headed by Nick Bink, Ross Gamble, T. A. Trams, George Coplan, Harlan Yelland, Cliff Vadinai, John Boyle, Russell Owens and Clyde Nelson. Major Lewis is not expected to throw the weight of his experience into the struggle unless at least four of the members of the crew fall by the wayside. The intrepid major will have distinctive markings on the Tail Twisters so the bystanders will be able to distinguish them from the donkeys."

Meanwhile, Commander Jim Rousman of the Faculty marshalled his forces and made them go to bed at 8 o'clock last night on quarter rations in order to have them in a vicious mood tonight. He velleed his intended maneuvers in secrecy and even tried to keep his lineup a dark mystery. However, it was learned through the sources close to the master technician that Lyle and Ray Shaw, the Riding Kids from Kokomo, will lead the charge against the Lions.

Facial Kick Puts Pingel In Hospital

Detroit, Nov. 20 (AP)—Johnny Pingel, star tailback of the Detroit Lions of the National Professional Football league, was treated at Ford hospital today for facial cuts suffered in Sunday's game with the Cleveland Rams.

The former Michigan State college star was accidentally kicked in the mouth by Johnny Drake, Cleveland fullback, and was forced out of action. He was taken to Lakeside hospital in Cleveland where seven stitches were taken.

Upon the return of the club to Detroit Pingel was running a slight temperature as a result of anti-tetanus injections and it was considered advisable to have him under observation. He was to remain in the hospital through Tuesday at least but it was believed he might be ready for action Sunday in Washington against the Redskins.

Football league game before 21,398.

The 150-pound Eagle quarterback broke his own league record for the most passes completed in a single game, connecting for 21 out of 36 tries, for 247 yards. He established the former mark of 19 completions a week ago. Only one of his darts was intercepted and two were ruled complete because of interference. He lost 68 yards on attempted passes.

Auto Accident Injury Fatal to Mroczkowski

Stanley Mroczkowski, 46, Bark River, died in St. Francis hospital at 3 o'clock Sunday afternoon of injuries received in an automobile collision on county highway 535 Saturday night. He was the second victim of the accident. The other was Joseph Skroblick, 16, Escanaba high school junior of

Bark River, who was almost instantly killed. The five others, who were injured, were reported to be getting along satisfactorily at St. Francis hospital last evening. They are: Frank Barr, 26; Joseph Butryn, 18; Edward Kwarclany, 17; Carl Mroczkowski, 16, and Louis Pokrowski, 16, all of Bark River. Stanley Mroczkowski was born in Rublin, Poland, December 15, 1893, and came to the United States with his parents in 1910. He worked as a miner at Nantloke, Pa., and Perry, N. Y., and came to Bark River in June, 1914, to engage in farming.

Active in Public Affairs
He was active in the affairs of the Grange and Farmers Union of Bark River, and also was president of the Pulaski club, which was organized to promote a park and other community betterment projects in Bark River township.

Mr. Mroczkowski was married to Rose Flis in Perry, April 28, 1912. Besides the widow, he is survived by one daughter, Victoria of Escanaba, two sons, Henry and Eugene, Bark River; one sister, Mrs. Mary Stubidia, of Nantloke, Pa.; four half-sisters, Frances, Sophie, Helen and Valva, Nantloke, Pa.

The body was taken to the Boyle undertaking parlors to be prepared for burial, and will be returned to the Mroczkowski home this afternoon. Funeral services will be held at 2 o'clock Wednesday afternoon, with Rev. Fr. D. Joseph Breat officiating. Burial will be in the Bark River cemetery.

Skroblick Funeral
Funeral services for Joseph Skroblick, 16, who was killed in an automobile accident near Bark River Saturday night, will be held at St. George's Catholic church in Bark River at 9 o'clock Wednesday morning. Burial will be in the family lot in the Bark River cemetery.

Joseph Skroblick was born in Bark River, December 24, 1922. He was a graduate of the Bark River grade school, and was attending the Escanaba high school as a member of the junior class.

Besides his parents, Mr. and Mrs. Anthony Skroblick, he is survived by four sisters and two brothers, Mrs. John Holochwest, Stonington; Mrs. Emil Martin, Ferronville; Mrs. Joseph Janowski, Chicago; Leona, Michael and Emil Skroblick, Bark River.

The body will be taken from the Boyle undertaking parlors

MAYOR MAKES PROCLAMATION

Asks Observance Be Made Thursday "With Grateful Hearts"

It was official before, but to settle any doubts, Mayor Peter N. Logan yesterday issued a proclamation setting Thursday, November 23, as Thanksgiving Day for Escanaba and asking appropriate observance.

The proclamation follows:
In remembrance of the first Thanksgiving Day in 1621, which was set aside by the New England colonists, after their first harvest, as a day of prayer and thanksgiving that they had survived the many hardships of the first winter in the new land, Thanksgiving Day has been made an annual na-

tional holiday by an act of Congress, this year being set by President Roosevelt as Thursday, November 23rd.

I therefore urge that the citizens of Escanaba observe this day in a fitting manner, with grateful hearts for the many favors which we have received and for the continued peace and freedom with which this land has been blessed; that we make Thursday, November 23rd, truly a Thanksgiving Day.

I also urge that stores and other places of business be closed in observance of the day.

Archbishop Stritch Heads Conference
Washington, Nov. 20 (AP)—The National Catholic Welfare conference announced election of the most Rev. Samuel A. Stritch, Archbishop of Milwaukee, as chairman of the administrative board of the conference.

He succeeds the most Rev. Edward Mooney, Archbishop of Detroit, who was ineligible for reelection because of having held the office for five consecutive terms. Other board officers were reelected.

Mr. Mroczkowski was married to Rose Flis in Perry, April 28, 1912. Besides the widow, he is survived by one daughter, Victoria of Escanaba, two sons, Henry and Eugene, Bark River; one sister, Mrs. Mary Stubidia, of Nantloke, Pa.; four half-sisters, Frances, Sophie, Helen and Valva, Nantloke, Pa.

The body was taken to the Boyle undertaking parlors to be prepared for burial, and will be returned to the Mroczkowski home this afternoon. Funeral services will be held at 2 o'clock Wednesday afternoon, with Rev. Fr. D. Joseph Breat officiating. Burial will be in the Bark River cemetery.

Joseph Skroblick was born in Bark River, December 24, 1922. He was a graduate of the Bark River grade school, and was attending the Escanaba high school as a member of the junior class.

Besides his parents, Mr. and Mrs. Anthony Skroblick, he is survived by four sisters and two brothers, Mrs. John Holochwest, Stonington; Mrs. Emil Martin, Ferronville; Mrs. Joseph Janowski, Chicago; Leona, Michael and Emil Skroblick, Bark River.

The body will be taken from the Boyle undertaking parlors

Newberry News

Newberry, Mich.—The Newberry Presbyterian and Methodist church congregations will unite and hold a Thanksgiving Day service in the Presbyterian church on Thanksgiving Day at 9:30 a. m. Rev. J. E. Lewis will deliver the sermon and a Red Cross offering will be taken.

Mrs. Catherine Richmond of this city has been appointed chairman of the Civilian Home Service for the local county chapter of the Red Cross.

Capt. and Mrs. P. T. Gregory were in Newberry last week visiting friends and relatives.

RUSTLING UP-TO-DATE
London, Ont. (AP)—A 20th-century cattle rustler, who made his raids with an automobile instead of a horse, was sentenced to two years' imprisonment for stealing livestock.

TURK SOCCER STAR
Durham, N. C.—Haydarasan, a Turk, is starring as center forward for the Duke University soccer team.
