

**BIG INDOOR SKI SLIDE ERECTED**

Ore Dock Timbers Used In Construction of Scaffold

Work of erecting the scaffold of the huge indoor slide at the Coliseum, which will be used for skiing exhibitions at the first annual ski show Friday evening, was completed by a crew of workmen yesterday.

Large timbers loaned by the concern, engaged in wrecking the Milwaukee Road docks, were used to build the slide, which rises more than 17 feet high to the ceiling of the hall. The slide runway is about ten feet wide, and the drop to the floor is 50 feet. Large sheets of discarded paper mill felts have been laid on the runway, and will be extended out on the floor for another thirty feet. The runway will be covered with borax to permit skiing.

Exhibitions of skiing will be given by Joseph Maurin, instructor at the Gateway winter resort, and Walter Bratlund and Roy Laramie of the Iron Mountain ski club. The skiers will be introduced by Don Smith, secretary of the Iron Mountain Chamber of Commerce, who will comment briefly on the plans for the Iron Mountain ski tournament on Feb. 11.

The hall is being decorated to represent a north woods winter scene.

High school boys and girls will be used as models in the winter sports wear style revue. Following the style revue and skiing exhibition, the Escanaba Ski club's "snow ball" will be held, with Kobosick's orchestra furnishing the music. Snow ball favors will be distributed during the dance for the staging of a mock battle.

Student tickets were placed on sale yesterday at the Escanaba and St. Joseph's high schools.

**Mrs. Charles Berg Claimed By Death**

Mrs. Charles J. Berg, 58, of 1014 1/2 Michigan avenue, Menominee, former resident of Escanaba, died at St. Joseph's hospital Menominee. She had been ill for the past several months suffering from a chronic ailment.

Mrs. Berg, who was Maude Vassaw, was born in Petersburg, Ontario, Canada, September 3, 1881. She came to the United States when she was a child, four years old, and had made her home in Escanaba until five years ago. Her marriage to Mr. Berg took place in this city.

She was a member of the Daughters of Isabella. Surviving are her husband, one brother, William H. Vassaw, of Des Moines, Ia.; and four sisters, Mrs. Charles Bouton of Detroit; Mrs. Charles Rivet of Bay City; and Miss Margaret Vassaw and Mrs. R. N. Fellows of Seattle, Wash.

Funeral services will be held this morning at 9 o'clock at the Church of the Epiphany, Menominee, Rev. Fr. Sebastian Mater officiating, and burial will be made in Riverside cemetery.

**Chief To Marquette For Annual Session Of U. P. Enforcers**

Chief of Police Michael F. Etchenhofer plans to attend a meeting of the Upper Peninsula Association of Law Enforcement Officers in Marquette Thursday, when annual election of officers will be held.

Judge Farn C. Gilbert of Traverse City will be principal speaker. The meeting will open with luncheon at noon and the business session will follow, with plans to be made for a police school next spring, similar to one held for five days last spring, with 100 regular police officers in charge.

Ralph Sheehan of the Michigan state police is program chairman for Thursday's meeting, assisted by Donald McCormick, Marquette police chief, who is president of the association, and George A. Hager, secretary.

**State Political Gossip**

Huckle May Be Gunning for Flynn Under Cover of "War on Bosses"

BY GUY H. JENKINS (Grand Rapids Press) Lansing—For the last six years the people of the nation have been intrigued with the white-rabbit-out-of-the-hat-tricks given them by Washington.

They have seen nothing yet. A group of weekly and small daily newspaper publishers is going to give Michigan "a bossless government." At least that was the announcement made over the signatures of a group that recently gathered at the Michigan State college Union building with the intent of declaring an open season on all political bosses.

So that there may be a complete understanding of the purpose of the crusade, here is what the editors' committee had to say on the situation:

"Faith in some phases of our government has been rocked to its very depths by misplaced confidence in public officials in several states. What has Michigan suffered in recent years through invisible government in both Republican and Democratic regimes?"

"So far the public does not know, nor do we know for that matter, but suffice to say, real daylight is needed right here in Lansing."

In the prospectus read to the editors by Thomas O. Huckle of Cadillac "a crusade for bossless government in Michigan" was recommended.

**BOSSSES NOT LISTED, YET IT'S NOT HARD TO GUESS**

Huckle seems to be the spark-plug of the movement. The bosses are not listed. This department might suggest that maybe Huckle means Frank D. McKay of Grand Rapids, Edward N. Bernard of Detroit and William H. McKeighan of Flint as the Republican targets.

Of the Democrats one might list Murray D. VanWagoner, state highway commissioner; Charles S. Porritt, state central committee chairman; Harry H. Mead of Detroit, "silver eagle" of the Murphy administration, and Edmund C. Shields, national committee member.

If and when the Huckle group finishes off these boys what will happen? Are the party organizations to become mobs? Is the law that requires election of state chairmen, national committee members, county chairmen, etc., to be ignored? In the event the movement is successful whom would Huckle contact to get a friend a job?

Or is Huckle shooting at the moon in an effort to get State Senator Felix H. H. Flynn, a resident of Cadillac, who may become the Republican candidate for lieutenant governor?

It's common gossip that Huckle does not like Flynn. In fact it would be safe to say that if Huckle never saw Flynn again it would be too soon.

Of course the scrap between Huckle and Flynn is purely personal and may not have a part in the move to bring about a bossless political era, but it's hard for some to believe otherwise, especially in view of the fact Huckle has been tooting Ernest T. Conlon's political horn.

Conlon is organizing a taxpayers league. He is manager of the Michigan Chamber of Commerce, and also is a candidate for lieutenant governor. Huckle prefers Conlon over Flynn.

Now if Huckle is after McKay, et al, that is one thing, but if he wants a bossless Republican party and succeeded in his program, there would be no party. Any-

one who knows anything about politics—or business for that matter, and politics is a specialized business—knows Huckle is just using a lot of words.

**LANSING WONDERS WHOM HUCKLE IS BOOSTING**  
Official Lansing is wondering for whom Huckle is shouting. Whom has he to offer in the event he can oust McKay? Is it Conlon?

One editor attending Huckle's meeting decided the program would accomplish nothing except to make the sponsors the laughing stock of the state.

"You just can't run things that way," the editor said. "Painting a halo around one's head does not mean a thing. If they don't want McKay and his crowd you must beat them with the votes and there must be a boss."

Huckle will have another meeting in Grand Rapids, Dec. 15, when more detailed information may be available. But the program to end all political bosses is doomed to fail.

**PORRITT HAS CHANCE TO PROVE SINCERITY**  
And further discussing the subject of bosses, Porritt recently filed several hot blasts at the Republican legislature for what it did to civil service.

Of course, most everyone thought Porritt was just making political thunder, but if he really meant what he said Porritt now has a swell chance to convince the people he was sincere.

Of course the Republicans don't want to hold their breaths until Charlie does it, but the suggestion was made that when the organization is built up next year to take the United States census the enumerators be selected by civil service examinations.

And what an army the party organization will have. Notices from Washington say the state will have 14,300 enumerators. The Republicans would give a lot to be able to get that many persons on the pay rolls, even for a short time.

**THOMPSON WANTS GOP CONVENTION IN JUNE**

James F. Thompson, chairman of the Republican state central committee, is rather concerned about the date of the national convention. He wants it in June.

John D. M. Hamilton, chairman of the national committee, prefers a July date.

The deadline for filing nominating petitions in Michigan is July 23. The fall primary is Sept. 10.

"A July national convention date will upset us," Thomson said. "We must assume that Senator Vandenberg will be the presidential candidate, but we will file nominating petitions for the United States senate. If he is nominated by the national convention meeting in July that will prevent candidates wanting to run for the senatorial nomination qualifying for the primary election."

"Until we know when the national convention is to take place there is little the state committee can do."

The same situation confronts the Democrats. Originally the committee, in addition to some routine matters, was to select the place and fix the time of the spring convention at a meeting scheduled for Jan. 8 in Detroit. But until the national committee acts the state central committee intends to mark time.

**Cub Leader**

Allen Harwood, Cubmaster of 50 boys at the Franklin school, is one of the many former Scouts who are now serving as leaders.

Harwood has had experiences with older boys as well as younger, having conducted a boys' club for nine years.

A graduate of Escanaba high school and Cloverland Commercial college, Harwood is now employed by the First National Bank of Escanaba.

He is entering his served year as a Cub Leader and as one of the outstanding Cub leaders for the U. P. Cubbers conference.

Harwood stressed the importance of parental cooperation in the Cub program.

His pack has many activities to its honor in local and council competition. The Franklin P. T. A. is the sponsoring institution.

Mr. Harwood was born in Escanaba in 1915 and is single.

**CIVIL SERVICE PLAN ADVANCED**

Chamber of Commerce and Labor Group Are Notified

Steps toward effecting the city's new civil service ordinance, passed at a council session last week on second and final reading, have been taken by City Manager George E. Bean in letters addressed to the Chamber of Commerce and the Escanaba Trades and Labor council.

The letters ask that these bodies appoint committees to select representatives to form a committee of three, including a representative from the city schools. The city manager will select, according to the ordinance, the member from the schools.

This committee, when the members have been chosen, will be called together to name nine candidates for positions on the three member civil service commission, which will have charge of administration of the program. The three members will be chosen from the nine candidates by the city council.

The ordinance will be effective when the commission has been named and the ordinance has been officially published. Whether the commission could be appointed by the next council meeting was doubtful.

**HELD FOR ABANDONMENT**  
Albert Maynard of Garden, halted before Justice of the Peace Thomas Trucky at Garden yesterday, was held to the circuit court on a charge of desertion and abandonment. In default of \$500 bond he was sent to the county jail.

Harold Lesner of Ford River, held before Justice of the Peace Thomas Trucky at Garden yesterday, was held to the circuit court on a charge of desertion and abandonment. In default of \$500 bond he was sent to the county jail.

Mr. Harwood was born in Escanaba in 1915 and is single.

**Red Cross Funds Exceed Last Year**

With a few scattered districts left to report, receipts for the Red Cross campaign already have exceeded that of last year by \$315.73, it was learned from the roll call chairman yesterday.

Receipts up to yesterday amounted to \$2,074.09 as compared with last year's total of \$1,758.36. Recent receipts included \$227.60 from Mrs. C. S. Norton of Gladstone and \$19 from Wallace Cameron at Rapid River.

Last year, 220 individuals were aided in Escanaba by Red Cross and 21 families were cared for in the county. Before help is given, a careful check is made to be certain the persons are deserving and that there is no duplication with other organizations.

PATTERN 9086

Even the duller household tasks have added zest with a neat, crisp frock like Pattern 9086 to work about in. Marian Martin has designed it along easy-fitting lines. See that flattering crossed-over neckline—nice shirring or fullness below the shoulder yokes keeps it from pulling apart or stretching out of shape. Take your choice of a double-breasted style or a side-fastening version; have sleeves short or three-quarter length. Lace makes a pretty edging, or may be used to trim a scalloped collar and trim little cuffs, which are smart in self-fabric or contrast. Don't you like the slim lines of the panelled skirt?
Pattern 9086 may be ordered only in women's sizes, 34, 36, 38, 40, 42, 44, 46 and 48. Size 36 requires 5 1/2 yards 5 1/2 inch fabric.

The installing Queen was introduced by C. Arthur Anderson, Senior Association Guardian, following his greeting to the assembly. The new Queen was escorted to her station through an archway of flowers which afterward were presented to her by the Guardian Council, a particularly lovely part of the ceremony.

WE, the WOMEN BY RUTH MILLETT

The man who doesn't want his wife to work could keep her happy just being the "little woman" if he would put his mind to it.
When a woman decides she wants to turn "one of the boys" into a Joe-sit-by-the-fire she does it by making his home so pleasant and comfortable that he hates to leave it once he gets home at night.
Part of her campaign is seeing that he gets a better build-up at home than he gets anywhere else. Part of it is encouraging him in interests that can be pursued right at home.

International Affairs Shape Doll Situation BY JOAN DURHAM

AP Feature Service Writer
International affairs are stealing the limelight from Hollywood in this year's Christmas dolls.
Shirley Temple, long a favorite, seems to be losing ground to Princess Beatrix, small daughter of Juliana of Holland, Deanna Durbin, whose popularity was gaining—particularly in the teenage group, seems to have been overshadowed by Princess Elizabeth.
To be sure some of the likenesses are a bit of a stretch on the imagination. We never yet have seen a photograph of Her Royal Highness, Princess Elizabeth, with Shirley Temple curls. (The doll has 'em.) And we must admit that a lot of babies look alike to us—so we wouldn't know whether Princess Beatrix is as "cuddly" as the saleswoman who showed her to us says she is. "The cuddliest, softest baby-doll we're showing." Those were her very words.

Resort Clothes For 1940 Season Are All-American BY ADELAIDE KERR

AP Fashion Editor
All-American fashions—designed in the United States to be worn in the United States—have made their debut in midwinter play clothes for what is expected to be the biggest resort season this country has had.
The war has cut short ocean travel and as a result, most of those who have time for play in the winter are expected to concentrate on American resorts.

RECOGNITION IS THE KEY

In business a woman's work is respected—if in no other way—by the fact that she gets paid for doing it. And the men with whom she works give her credit for having a brain.
What so many husbands fail to realize is that it is important to a woman to have her work and her ideas respected. If a man realized that—he would give a woman enough recognition to keep her happy without a career.
It would be so easy and so simple.

A remark now and then that would let her know he realizes that it is as hard to run a house well as to run an office efficiently.

Assurance that the new draperies have done wonders for the living room instead of the tiresome masculine protest "You women—always changing things."

And a hint now and then that lets her know the home she is making is as important to him as to her.

Initial Meeting of Music Study Section Today

The first scheduled meeting of the Music Appreciation Study Section of the Escanaba Woman's Club will be held this afternoon at 2:30 o'clock at the Carnegie Library hall. Mrs. Charles Gessner is in charge of the meeting and will present an analysis and demonstration of the opera "Aida," by the Italian composer, Giuseppe Verdi.
The studies of the opera planned for the program of the section this year are a definite extension of the course followed last year when a general outline of opera-study developed by Mrs. I. W. Smith formed a study basis. This outline was accepted by the State Federation chairman of music, Mrs. H. G. Shutes, of Detroit, for use in her department and has proved of value in music appreciation work to other clubs in the state.

4-H LEADERS MEET TONIGHT

Clare Rood and Marcella Meyer of Marquette To Be Present

Clare Rood and Marcella Meyer of Marquette, assistant state leaders in 4-H club work, will be present at the first dinner and business meeting of the Delta county 4-H Leaders club tonight.

Winter handicraft and clothing project work, getting under way throughout the county now will be discussed and reviewed and plans will be made for the balance of the winter work.

Two or three other meetings of this sort are planned later.

Michigan In Washington

By Esther Van Wagoner Tufty It's understandable when conflicting war stories are printed—but not so understandable are conflicting "economy" stories coming out of the House Appropriations committee.

Michigan has three representatives on this committee now holding all day meetings—two Republicans and a Democrat. But two Clarence McLeod, Detroit, Republican, and Louis A. Rabaut, Detroit Democrat are here.

Republican McLeod, an ardent critic of government spending, is doubtful that any economy will be achieved. He's pledged to a drive for economy, and will do all in his power "no matter whether the administration is sincere or not."

Well, if the President doesn't mean all this economy talk, a lot of New Dealers are feeling about nothing. You see they are annoyed at the President's treatment of their budget requests.

So McLeod is not likely to see an economy on his Navy subcommittee. Or on the Post office bill, but when his subcommittee considers the Treasury bill he may encounter some real economy pruning.

Quite rightly, our Michigan members will not reveal what is going on at the Committee hearings and meetings. They talk for the record at least, only in generalities.

Employees Of Local Store Enjoy Their 51st Annual Party

Members of the staff of the Fair Store were entertained by Herman Gessner last evening at the fifty-first annual employees party.

The invocation was given by John J. Bartella, and Harold Gessner was toastmaster of the evening's program.

Appreciation of Democracy Charles Gessner, one of the main speakers of the banquet program, gave a brief resume of the happenings of historical importance during the years since the founding of the institution in 1888.

Mr. Bartella recited a number of amusing anecdotes and urged continuance of the spirit of cooperation among members of the staff.

Tribute to Associates Herman Gessner, final speaker of the evening, paid tribute to the members of his staff of many years of service.

### CITY WILL PUT TREES ON POLES

**Business Houses Asked to Provide Lamps and Electricity**

The City of Manistique will install small Christmas trees in the flag holders on the city's boulevard street light standards if business houses will furnish the colored lights and the electricity, it was decided Monday evening at the regular meeting of the city council.

Last year the street lamps on the business blocks on Cedar street and Deer street were decorated for the Christmas season with ornamental designs which were hung from the globes. Because they considerably reduce the amount of illumination from the street lamps, it was decided not to install those decorations this season.

The city installed the community Christmas tree on the triangle intersection of River street, Cedar street and Main street Monday.

An application for a dance hall permit for the Trio Club was approved by the council Monday evening.

Bids for the purchase of the city's coal were not opened at the Monday evening meeting of the council. The council decided to delay the opening for several days to permit all local dealers to submit bids.

Appearing upon behalf of the American Legion mid-winter conference committee, Henry Weber requested the city to make a donation for the event. The council appropriated \$50 for the conference.

Henry Gardner requested the city to install two pole lights in an alley parallel with Deer street, between North Houghton and Mackinac. The council authorized the city manager to inspect the location and have the necessary alley lamps installed.

### George E. Bishop Talks At Rotary Meeting Monday

"The substantial growth of accommodations and services for summer visitors in this territory probably is not appreciated by many of our citizens because of its gradual expansion," said Geo. E. Bishop of Marquette, secretary-manager of the Upper Peninsula Development Bureau, at the weekly meeting of the Manistique Rotary club Monday.

"Ten years ago a survey of facilities in Mackinac county showed accommodations for less than a dozen families in other than hotel quarters," continued Mr. Bishop. "Today there are 1,250 cottages and cabins for tourists in Mackinac. Five years ago not more than half a dozen visiting families could be accommodated north of Mohawk, in Keweenaw county. This year there are more than 400 cottages and cabins in that territory.

"Development at Indian Lake and farther north in the great Hiawatha national forest are going ahead at a surprising rate, and it is the consensus of considered opinion that growth will continue. People from all over the country are finding that the Upper Peninsula has what they want in the way of fine climate and varied attractions. The situation and the prospects offer a challenge to our foresight and enterprise, tendering new rewards to those who will keep abreast of this new industry."

### OPTION TAKEN ON YACHT BASIN

Municipal Development Planned As Future WPA Project

Two civic improvement programs, construction of which is planned as future WPA projects, were given tentative approval by the Manistique city council Monday evening.

One of the projects provides for the continuation of the development of Lakeside park eastward to and beyond the Manistique trailer park and extending to the end of the city's lakefront property almost to the east city limits.

The second project provides for the development of a municipal yacht basin in the Manistique harbor.

The council authorized City Manager Beauvais to draw up plans and cost estimates for the extension of the Lakeside park for future development. Considerable work is now being done in constructing the first portion of the park but this program, when completed, will develop only a small portion of the city's lake frontage.

In connection with the municipal yacht basin project, the city council voted to take an option on a slip owned by William Sellman at the outlet of the Manistique river. The slip is about 1700 feet in length and would provide at least 3200 feet of excellent dockage. No dredging would be required as one side of the slip would accommodate vessels with a draught of 12 to 15 feet and the other side would provide dockage for boats of smaller draught. The city decided to take a six months' option on the property with a 90 day renewal privilege. The purchase price would be \$3,000.

### VENISON FEED HERE TONIGHT

**Legion Post Sponsors Entertainment at Hall**

August Mattson Post, American Legion, is sponsoring its annual venison feed and entertainment this evening at the Legion hall.

The dinner will be served at 6:30 o'clock and the event is open to the general public.

Entertainment will include accordion selections by Chet Anderson, piano numbers by Dad Sanford and musical saw and guitar duets by Wallace Cameron, Rapid River, and Al Bouchard, city.

The event, held each year shortly after the close of hunting season, has proved very popular and based on advance ticket sale Ernest DeFoose, post commander, predicts a large attendance.

### MAIL PACKAGES BEFORE DEC. 18

**Plans for Handling Rush at Postoffice Are Announced**

There will be no city carrier, R.F.D., or lobby service at the Manistique postoffice Monday, Dec. 18, Christmas Day, but special delivery matter will be delivered on those days and if sufficient regular employees or substitutes are available for delivery of gift parcels, they will also be delivered on Christmas Day, Postmaster Frank Gierke has announced.

All persons must do their Christmas mailing before five o'clock daily because later mailings cannot be dispatched the same day. This regulation is made necessary by the heavy volume of mail received at the postoffice during the Christmas rush and the arrival of the last mail train at eight p. m. Mail presented at the postoffice before five o'clock can be sorted and dispatched that day.

No first class mail or newspapers will be sorted on Christmas Day and the postoffice will be closed throughout the day.

Persons mailing Christmas cards, letters or packages should mail those letters not later than Dec. 18. During the holiday season Christmas mail is sent to terminals for distribution and is not mailed direct to addressed destinations. As a result the mail is delayed briefly and the mail dispatched after Dec. 18 may not reach the destination before Christmas. Combined airmail and special delivery service can be conveniently used when dispatches are made after Dec. 18, however.

The mail rates and suggestions by the local postmaster include the following: Christmas cards in envelopes, out of town, sealed—3c; within the city and local R. F. D.—2c; unsealed cards, either within the city or out of town—1½c; but they must bear no writing, except a simple greeting; ordinary picture postcards, without envelopes, 1c in USA, 2c to Canada; and 3c to all foreign countries. Cards bearing 1½c postage are not entitled to the free forwarding and return privileges accorded cards mailed in sealed envelopes.

Cards to be delivered within the city should be separated from cards going out of the city and tied with a string or rubber band with the face up. All mail should bear a return address. Persons are particularly urged to purchase postage stamps well in advance of the Christmas rush to avoid waiting in line.

Business mail should be sent in long envelopes during the period from now until Christmas to permit expedient handling of the mail during the holiday rush. Most Christmas cards are sent in small envelopes and long envelopes used for business mail can be easily distinguished by sorting clerks.

spent the past three weeks' visiting in Chicago.

Mrs. Arthur Cockram spent the week-end in Marquette with her sister, Mrs. L. Larson.

Mrs. Maude Thompson left Sunday for Waterloo, Iowa, where she will make her home following a three weeks' visit here with her son-in-law and daughter, Dr. and Mrs. N. L. Lindquist, Arbutus avenue.

Mrs. Maurice Reid is seriously ill at her home, Maple avenue.

Mrs. Walter Richards spent the week-end with her parents, Mr. and Mrs. Robert Bryers, Jr. at Lakeland.

Mrs. Noah Deloria, 158 River street, is seriously ill at her home. Gordon Hoedel is recovering from his recent illness at his home, N. Male avenue.

### MAIL IN FORENOON

To avoid delay in waiting at the window mail packages and cards in the forenoon. This results in the first dispatch of mail out of the city and first delivery upon arrival at destination. Do not seal packages with Christmas seals or adhesive tape as this subjects them to the first class rate.

### COMMISSION IN BUSY SESSION

**Revamp Voting Precincts to Equalize Work at Elections**

Action to revamp voting precincts in Gladstone in order to equalize, as nearly as possible, the number of registered voters in each, was taken by the city commission in regular session Monday night.

Through the action, each of Gladstone's four precincts now contains an average of 645 voters, some a little more, some a few less. There are 2,581 registrations in this city.

Under the new setup the area east of Eighth street and a line extending from Eighth street north across the commons will comprise the First precinct. Previously Sixth street formed the western boundary of the First and the precinct following the removal of many homes in 1931 contained only a little over 400 voters.

Boundaries of the Second precinct will be Eighth street on the east, the alley between Delta and Superior on the north, and Twelfth street to Lake Shore on the west.

Bounding the Third precinct will be a north and south line across the commons to Eighth street, southeasterly on Eighth to the alley between Delta and Superior, then westerly a little south along this alley to Fourteenth, north to the Soo Line tracks, west to a point just above the bluff and then north to the city limits.

The Fourth precinct will be bounded on the east by Twelfth street, on the north by the alley between Delta and Superior and on the west by the alley between Delta and Superior and then west.

The Fourth Precinct boundaries will run from the west along Lake Shore Drive to Twelfth, north on 12th to the alley between Delta and Superior, west in this alley to 14th, north to the Soo Line tracks and then west.

**Reject Lights**  
A proposal to install new type lights on four blocks of Delta avenue in the business district was lost when it ended in a 2-2 tie on roll call.

The cost of units for 6 blocks was set at \$468 by City Manager A. F. Raddant who estimated the total cost of the project at slightly over \$1,400, which would have been proportionately lower on 4 blocks.

Mayor Milton Berg opposed it saying that he believed the amount of labor which could be procured in setting it up under WPA was too small in comparison with the sponsor's contribution and was supported in his contention by Commissioner Joseph La-Framboise though the proposal a good investment from the standpoint of making the business district more attractive and after considerable discussion offered a motion seeking approval of the project and was supported by Commissioner J. V. Erickson. The vote on roll call stood 2-2, and was lost. Commissioner J. F. Richardson was absent from the session.

Commissioner La-Framboise suggested the possibility of lumping relief projects and was assured by the City Manager that this may be possible after the first of the year.

Installation of a street light at Dakota and Fourth street was approved and action taken to end installations of this type, except in cases of emergency until after the close of the fiscal year.

City Manager Raddant was authorized to dispose of the old bathroom and bids on it are being sought. The right is being reserved to accept or reject any or all bids.

Submission of a project calling for laying of concrete storm sewer on Dakota between 7th and 8th streets and down 8th to the bay was ok'ed.

Approval was also given submission of a project calling for resurfacing of fairways at the golf course at Days River.

A list of tax delinquent property was received from the county treasurer and submitted to the commission.

Hilmer Hendrickson, superintendent of the light department, was named to act as assistant city manager during the absence of City Manager Raddant who was granted a month's vacation. It will be the city manager's first vacation since assuming the office.

Painting of the cells in the city jail was authorized and installation of lights in alleys of three blocks in the business section discussed.

# Escanaba Cagers Defeat Kingsford By 26 to 16

## ESKYMOS WIN SECOND GAME

### Barron Sparks Locals With 14 Points In Good Game

Sparked by Capt. Bobby Barron, who dropped in 14 points, an aggressive Escanaba high school basketball team defeated a lanky Kingsford crew, 26-16, at the junior high school last night, the win being the second of the year.

The local reserves trounced the visiting second in a preliminary. The Eskymos, opening with the same smooth passing game they exhibited against Marquette in the opener, ran up a wide margin in the first half and then played semi-defensive ball in the second half to win easily. In the first half, the Rouman crew displayed a scrappy defense that hounded the ball and they corralled the loose ball all over the floor. In spite of their lack of height, they controlled most of the rebound and were so effective in this department that Kingsford had few close shots. In fact Kingsford's sole offensive effort in the whole first half was Kirkpatrick's free throw on McDonald's foul for the opening point of the game.

Get Early Start  
Escanaba scored nine points in the first half on two field goals and a free throw by Barron and field goals by Schram and Anderson. Barron and Gauthier, sophomores who played another fine game last night, scored field goals for the only scoring in the second quarter.

Kingsford came back in the third period with a new mode of attack, resorting to long shots, which clicked. McCarny, Rose, Klatt and Boufford dropped in field goals for eight points but Barron kept Escanaba in the running with three neat field goals and Goymerac added a free throw.

Play Iron Mountain  
With play somewhat less polished, both teams abandoned caution in the last quarter and the players again outscored the locals by one point. After Kirkpatrick had brought the score to 20-10 on a free throw, Escanaba ran the score up to 24 points on a field goal by Anderson and free throw by Barron and Gauthier. McCarny and Gauthier scored offsetting field goals in quick succession and the game ended with Kingsford scoring a field goal on a long shot by Klatt and two free throws by McCarny on fouls by Holmes.

As in the first game of the season, the play of the Eskymos was spotty—very good at times and only mediocre at other times. The starting five worked well as a unit but when broken up the team dragged. The boys will face a tough opponent here Friday night when they take on Iron Mountain, the team which won the Upper Peninsula title last year. Coach George Mason and his cagers were interested spectators at last night's game and were planning a defense to stop the locals.

## Texas Aggies Voted Top U. S. Grid Team

New York, Dec. 12 (AP)—For the second straight season, a member of the Southwest Conference has been voted the nation's outstanding football team by the final ballot of sports writers and gridiron experts in every section of the country.

Last year Texas Christian university, sparked by Davey O'Brien, was on top of the heap in the closing Associated Press poll. This time the Texas Aggies, having waded undefeated and untied through a tough schedule, won the distinction by an impressive margin over their closest rivals, the Tennessee Volunteers, Tennessee also wound up in second place in 1938.

Of 116 observers who participated in the poll, 55 picked the Aggies as the team of the year, while 26 plugged for the Volunteers. Tennessee lost ground the final week, the experts apparently not being impressed by the Vols' 7 to 0 victory over Auburn.

The Aggies polled 1091 points on the basis of ten first place votes, nine for second, etc. Tennessee had 970; Southern California, 891; Cornell, 889; Tulane, 804; Missouri, 318 1-2; U. C. L. A., 220 5-6; Duke, 232; Iowa, 220 5-6; and Duquesne, 130, to round out the nation's "big ten."

Of the first five leaders, four will participate in outstanding "bowl" games on New Year's Day. Tennessee meeting Southern Cal in the Rose Bowl and the Aggies tackling Tulane in the Sugar Bowl at New Orleans. Cornell's great undefeated, untied team announced early it would not accept invitations. Missouri, sixth in the final balloting, meets Georgia Tech in the Orange Bowl at Miami.

Eleventh and twelfth in the voting, with 120 1/2 and 112 points, respectively, were Boston college and Clemson, who collide in the Cotton Bowl game at Dallas. Notre Dame had 92 points, Santa Clara 87, Ohio State 70, Georgia Tech 59; Fordham 26, Nebraska 22, Oklahoma 20, Michigan 18, Princeton 17, North Carolina 16.

## Tops for 1939 ALICE MARBLE NO. 1 ATHLETE

### Blonde Tennis Star Runs Away With Women's Sports Poll

New York, Dec. 12 (AP)—First choice of 54 of the 63 experts who voted, blonde Alice Marble made a runaway of the Associated Press poll to determine the outstanding woman athlete of 1939, her selection marking the first time since 1935 that a tennis player has been so honored.

California Alice, winner of this year's Wimbledon and national championships, polled a total of 167 points, based on a count of three, two and one, respectively, for first, second and third places.

In second place was Betty Jameson of San Antonio, Texas, golf champion, who was selected for first place by two experts and whose point total was 55, leaving Miss Marble's margin the largest ever compiled by a winner in the history of the Associated Press annual poll.

Patty Berg, despite an appendectomy which cut short her competition, finished in third place with 31 points, although she did not receive one first place vote.

The complete voting:  
Alice Marble, San Francisco, tennis; 64 firsts; 167 points.  
Betty Jameson, San Antonio, golf; 2 firsts; 55 points.  
Patty Berg, Minneapolis, golf; no firsts; 31 points.  
Eleanor Holm, New York, swimming; 1 first; 9 points.  
Dorothy Kirby, Atlanta, golf; 1 first; 9 points.  
Betty Hicks, Long Beach, golf; 1 first; 9 points.

Katherine Rawls Thompson, Miami, swimming; no firsts; 8 points.  
Elsie Crabtree, Nevada, band leader; 1 first; 6 points.  
Marjorie Gestring, Los Angeles, diving; no firsts; 6 points.  
Esther Williams, Los Angeles, swimming; 1 first; 6 points.

Nancy Merkl, Portland, Ore., swimming; no firsts; 5 points.  
Three points each—Mrs. William Gilbert, trapezohunting (one first); Sonia Henle, Norway, skating (one first); Marion Milne, Lexington, Ky., golf; Kay Stammers, England, tennis.  
Two points each—Helen Crenkovich, San Francisco, diving; Ellamao Williams, Chicago, golf; Ida Simmons, bowling; Hazel Franklia, England, skating.

One point each—Helen Dett-Waller, Washington, golf; Charlotte Glutting, West Orange, N. J., golf; Belta Jepson Turner, England, skating; Mrs. Lela Hall, Strasburg, Mo., trapezohunting; Helen Jacobs, Berkeley, Calif., tennis.

## Fitzgerald Lands Regular Berth On Wolverine Squad

Ann Arbor, Mich., Dec. 12 (AP)—A lanky sophomore, unheralded before the season opened, has landed himself a regular job on the University of Michigan basketball team.

He's Bob Fitzgerald of Kalamazoo, whose six-foot-five inches adds some needed height to the scrawpy little Wolverines.  
Fitzgerald won the promotion for his sensational play in the opening game last Saturday in which Michigan pulled an upset by trimming Michigan State, 33 to 27.

The Kalamazoo youngster was thrust into the contest late in the first period. Five seconds after he entered the game he sank a field goal and midway in the final stanza sent the Wolverines into a lead they never relinquished. He was all over the court, intercepting passes and scrapping for possession of the ball and, with Capt. James Rae, shared scoring honors.

The Wolverines play Notre Dame's unbeaten quintet here Saturday night. A year ago they won a thriller from the Irish at South Bend, 40 to 38.

## Puck Teams Still Waiting For Ice

Houghton, Mich., Dec. 12 (AP)—Michigan's unusually warm December, may be saving the coal pile but it is creating havoc with hockey in the upper peninsula.

Tonight, E. J. Schumacher, president of the Northern Michigan Hockey League, announced that in addition to this week's games, two games scheduled for next Sunday and another scheduled for next Monday are being postponed for want of ice. He said he hoped the league would be able to swing into action Wednesday, December 20, when the American Sault is slated to play Postage Lake at Houghton.

The American Sault is the only team in the circuit that has a rink with an artificial ice plant.

## St. Joe Is Idle; Error Causes Postponement

Because of a conflict in schedules, the basketball game between St. Joseph and Rock, which was to have been held here Thursday night, has been postponed until after Christmas, Coach Carl Kant said yesterday, following a telephone conversation with Rock school officials.

As a result, the Parochials will be idle until after Christmas. Kant said yesterday he will disband the team until after the holidays, during which time the gym floor will be given a new surface.

Misunderstanding on the game Thursday came as a result of discrepancies in the contracts between the two schools. The Rock contract called for the game on Friday, December 22 while the St.

Joe Contract had December 14 as the date. Cause of the error is unknown. In the discussions that followed discovery of the error, Rock officials felt it inadvisable to play Thursday of this week because they already have a game scheduled for Wednesday and another for Friday and they felt the welfare of the players was too important to risk three games in succession. Although St. Joe has no game for December 22, local officials did not wish to play the game at that time because of reconditioning of the gym floor. So it was decided to postpone the game until after the holidays.

The Parochials end their pre-holiday campaign with a victory over Harris and defeat by Manistique and Baraga of Marquette.

## SPILLING the DOPE

OLD HOME WEEK was held by several Escanabans at East Lansing last Saturday. . . Henry Wyllie took three gridlers, Merle Pfothbauer, Ray Pepin and Bobby Barron, to the football "bust" at Michigan State. . . while there, they visited with Frankie Karas, former Eskymo who was a regular tackle on the Spartan team this fall. . . they also spent some time with Clyde Cox, Andy Skaug, Don Goullais and Evans Bergquist, all former Eskymo athletes now attending Michigan State. . . the affair was made 100 per cent when the boys bumped into Carl Nordberg, former coach who was attending the banquet. . . the Escanaba gridlers were introduced at the banquet and received a big hand. . . and Pfothbauer was awarded a football autographed by all the Spartans, including Frankie Karas. . . the ball was thrown across the room to Pfothbauer by Athletic Director Young of State. . . when Merle caught it, he was given a big hand. . . when

he sat down, he grew faint as he thought: "Gosh, what if I would have dropped it."

Just when you think you can make both ends meet, someone moves the ends.

GEORGE EMBS, former Escanaban and son of Mr. and Mrs. Joe Embs, 816 South Eighth Street, recently rolled the second highest bowling score in Iron River league competition. . . he chucked a 702 three-game series. . . local ice skating and skiing fans are anxiously awaiting cold weather so they can indulge in their favorite sports. . . the skating arena in Ludington park has been leveled off and probably won't take half the work to prepare this year as last. . . hockey fans are awaiting word about the indoor rink at the fairgrounds. . . there seems to be a hitch somewhere in getting the exhibition building this year. . . it would be too bad if the sport couldn't be continued this year after the fine start last year. . . and the exhibition building might as well be used for something.

## Garden City Team Opens Sked With Neenah-Menasha

The Garden City team is rounding into shape for its first game this week-end against a strong team from Neenah-Menasha, Wis. James Doitsch, who just a few years ago was quite a flash himself on the floor, believes his team this year will be even better than the strong quintet of last year that capped the gold medal tournament after winning 14 straight games.

Four players on the squad have had ten or more years of the independent basketball under their belts, and if they can hold out this year, they should be even better. These members are Hennessy, Ranguette, Potvin and B. Tatrow. Other members who round out the team include "Hank" Feldhusen, J. Tatrow, Bob Tatrow and Van Deloria who was the backbone of the high school team last year.

Any independent team wanting games communicate with Dude Ranguette at Garden.

## Escanaba Youth On Swimming Team At U. Of Michigan

Robert Luery of Escanaba is leaving Ann Arbor Sunday for Fort Lauderdale, Florida, accompanying the University of Michigan swimming team.

Several members of the Michigan Daily Staff and two senior sports managers will spend their two weeks' Christmas vacation at Fort Lauderdale aboard the Amphitrite which was converted into a beach hotel. Some of the group will attend the New Year's Day Orange Bowl game at Miami. They will also take in the Notre Dame Michigan basketball game before leaving Ann Arbor.

Robert is the Senior Manager of the Intramural Department and also a member of the Board of Directors of the Board in Control of Physical Education at the University. He is the son of Mr. and Mrs. Harry Luery of Second Avenue South.

## Wisconsin Handed Beating By Irish

South Bend, Ind., Dec. 12 (AP)—Notre Dame's unbeaten basketball team handed Wisconsin its first defeat in three games, 51 to 33, here tonight. The Irish have won four straight.  
The home five ran up a 31-to-10 lead by half-time and triumphed, though outscored in the second half.

Eddie Risks, Irish forward, scored 14 points and Captain Mark Ertel, center, 12. Don Timmerman, center, made eight to lead Wisconsin.  
Notre Dame plays Michigan at Ann Arbor Saturday.

## GRID BANQUET DETAILS GIVEN

### Annual "Bust" Is Monday; Waldorf Will Speak

Details for the seventh annual football recognition banquet to be given by the chamber of commerce here next Monday night at 6:15 o'clock have been worked out this week by a committee of chamber of commerce members.

Lynn Waldorf, likeable coach of the Northwestern University football team for the past several years, will be the principal speaker. Waldorf is available for only one address in the upper peninsula, cancellation of a previous engagement on that date enabling him to come to Escanaba. The genial Wildcat mentor has a wide following and is said to have a great fund of football information and stories at his fingertips, gleaned over a long period of years from his undergraduate days at Syracuse when he was an All American tackle. He has coached at four universities since 1925 and his teams have won 76 games, lost 32 and tied 14.

Clyde McGonagle, assistant prosecuting attorney and well known local sports fan, will preside at the banquet as toastmaster while coaches, athletic directors and players of Escanaba and St. Joseph high schools will be guests of the chamber of commerce.

Members of the chamber of commerce committee in charge of arrangements are as follows: M. Robert Deo, chairman, P. S. Clark, James Degnan, Walter Dickson, E. E. Edick, James Frenn, Harold Gessner, Dr. Louis Groos, Dr. K. F. Harrington, Dr. Fred J. Hirn, H. H. Hughtitt, W. J. Schmit, Wm. J. Smith, C. W. Stoll and O. V. Thatcher.

## Hoton Tech Beats Grand Rapids U.

Houghton, Mich., Dec. 12 (AP)—Michigan Tech rallied in the second half tonight to defeat Grand Rapids university's basketball team, 39 to 33. The Techmen held the visitors to three field goals in the second half while caging eight themselves.

Sharlow, Grand Rapids forward, took scoring honors with 13 points on five field goals and three free throws.

Grand Rapids held a 20-16 lead at the half.

TAX LEAGUE TO PLAN ECONOMY

Group to Recommend Finance Changes; Carter Speaks

Plans toward installing a county board of auditors or a county comptroller were inaugurated last night at a meeting of the Delta County Taxpayers League in the city hall, addressed by Harry A. Carter of Cheboygan, district manager of the Michigan Public Expenditures survey.

Mr. Carter, citing experiences in other counties, said that the county organization is so loose that a closer scrutiny of all expenditures, with a central checking up or a regular check-out of expenditures by an auditing board could save this county, as well as many others, considerable funds.

Centralize Finances In Cheboygan county, he said, such a plan resulted in 25 percent savings and in Crawford county the saving was 30 percent, while substantial savings have been reported in other counties.

One of the primary purposes of the Taxpayers League, he pointed out, is to centralize all general financial transactions of the county and in particular to centralize the purchasing duties.

A spirit of co-operation between public officials and citizens can lead to greater efficiency and economy throughout government, the speaker said. The Delta Taxpayers League is one of 110 similar groups now organized throughout the state with similar aims.

Mr. Carter compared the county organization to a raimless wheel, with the county supervisors as the hub, and the various departments as the spokes. There is nothing to hold the spokes together, he said, and each department must work by itself, with no close relation to the others.

James Dotch Speaks January 10 was set as a tentative date for another meeting of the League at which a committee will be appointed to study the county's financial structure toward recommending economy moves. On the basis of this committee's study, definite suggestions will be made to the county board of supervisors as to what should be done in Delta county, officers of the league said.

James Dotch of Garden, state senator, spoke briefly endorsing the league's program and deploring the general apathy of taxpayers toward how their money is spent. The meeting was opened by Robert Lemire of Escanaba, who stressed the need for such an organization as the league and introduced Mr. Carter. H. George Nelson of Escanaba, league president, presided.

OBSERVE SUGAR WEEK

Menominee — Superior Crystal Sugar Week will be celebrated by the women of the Twin Cities from Monday, December 11 through Saturday, December 16, with the cooperation of all local grocers.

This promotion of a home product will mark the closing week of the 1939 season of the great factory of the Superior Sugar Refining company in Menominee, and the 36th anniversary of its beginning.

Not only has this year produced the greatest tonnage of refined sugar, the largest shipment from the farms of sugar beets, the longest period of factory operation and the largest payroll and employment record, but it has also developed a new refining process for beet sugar, bringing its quality and purity to a par with any cane or beet sugar ever produced.

Delta Crop Value Is Second In This Area

Among the five counties including Delta and bordering counties, Delta rates second in value of agricultural products, being bettered only by Menominee county, according to the annual report of E. A. Wenner, county agricultural agent, who based his calculations largely on the last federal census figures.

The total value of nine leading crops in Delta county is listed in the report at \$695,973 while that of Menominee county for the same nine crops is listed at \$1,079,859.

DEATH CLOSES MOVIE CAREER OF FAIRBANKS

(Continued From Page One)

as he died. His Mastiff bulldog, Marco Polo, barked so loudly he awakened Mrs. Fairbanks. She rushed to the bedside too late to see her husband alive.

Native of Denver Doug, Jr. and his bride of a few months, hastened from their home, as did Robert Fairbanks, brother of the elder Doug, and Clarence Ericksen, Doug, Sr.'s manager.

Fairbanks had telephoned Ericksen Sunday about plans for "an adventure picture to end all adventure pictures," with his son and namesake in the stellar role and with himself perhaps taking a minor part.

"It was to have been called 'The Californian,' and we were almost ready to start," Ericksen added.

Fairbanks had been in retirement from screen work for six years, but there was no retirement as far as other activity went. He and Mrs. Fairbanks traveled widely, entertained frequently and kept up many interests. Fairbanks kept to a rigid gymnastic schedule which included a daily dip in his outdoor swimming pool. He was seldom ill.

A native of Denver, where he was born May 23, 1884, he attended the Colorado School of Mines. At 17, he decided to try the Shakespearean stage. After some years of mediocre success, he won attention in plays calling for spectacular acrobatic stunts. In 1914, he signed with producer D. W. Griffith, at \$2,000 a week.

Success Came Fast Quick success in romantic, virile screen roles followed. Among the outstanding hits were "The Three Musketeers," "The Mark of Zorro," "Robin Hood," "The Thief of Bagdad" and "The Black Pirate."

Fairbanks was divorced in 1918 from Beth Sully Fairbanks, mother of Douglas, Jr. On May 28, 1920, he married Mary Pickford in a ceremony kept secret because of her recent divorce from Owen Moore. Moore died last summer.

The Fairbanks-Pickford union long was called Hollywood's "perfect romance," and their mansion, "Pickfair," was the film colony's social center for years. In 1935, Miss Pickford disclosed their separation, and a year later Lord Anthony Ashley-Cooper Ashley won a divorce from the former actress. Sylvia Hawkes, naming Fairbanks as co-respondent.

Early in 1935 Miss Pickford sued for divorce. Two months after her decree became final in 1936, Fairbanks and Lady Ashley were married in Paris.

As of July 1, 1939, there were 2326 landing fields in the United States with 730 of this number lighted for night use.

Warnock To Give Series Of Talks

Joseph Warnock of Galeburg, Mich., will speak in various sections of the upper peninsula, according to a tentative schedule released by officers of the Townsend movement.

His subject, dealing with taxation and economics will be: "Is the Townsend Plan Economic a Lily Soudner?"

Mr. Warnock answers economic questions in a reasonable and convincing manner. Citizens who are for or against the Townsend Plan are cordially invited to the meetings scheduled, which are as follows: Manistiquet, Dec. 14; Rapid River, Dec. 15; Escanaba, Dec. 16; L'Anse, Dec. 17; Iron Mountain, Dec. 18.

Mr. St. John Finds Car Back In Yard

Joe St. John of Fayette, who Monday night reported the theft of his car to the sheriff's office, woke up Tuesday morning, and there the car was in the yard, just where it was taken from.

The car had a full tank of gasoline and a drum containing 16 more gallons of gasoline stored in the back end, when it was taken. The tank was not full when the car was returned, but the spare gas was still there, it was reported.

Michigan state police were broad-casting Monday night throughout the state, especially in lower Michigan, in an effort to stop the flight. Sheriff William E. Miron Tuesday said he thought the whole affair was something of a family matter.

Annual Buck Feed Enjoyed By K. Of C.

About 175 attended the annual venison banquet of Escanaba Council 640, Knights of Columbus, held at their clubrooms last night. Among those present were members of the clergy from Escanaba and surrounding communities, visiting priests including the Rev. Fr. Joseph Scherlinger of Rapid River; the Rev. Fr. Matthias Laviolette, Flat Rock; and the Rev. Fr. Joseph Schaul, Gladstone.

On the entertainment program were vocal solos by Briton W. Hall and story telling by R. C. Pryal. Boy Scouts of Troop 51 served at the tables.

Week-End Arrests Bring 5 To Court

Munising, Dec. 12—Five persons were taken into justice court here on Monday as the result of week-end arrests.

Reino W. Makie, 19, of Deerton, pleaded guilty to a charge of drunken driving when arraigned before Justice T. J. Walters on Monday morning. Makie paid a fine of \$50 and court costs of \$10.05 and his license was suspended for one year. Oscar Paananen was brought into justice court for permitting a drunk to drive his car and a fine of \$50 and court costs of \$5.05 and had his license revoked for one year.

Alex Kaarla paid court costs of \$5.05 when he pleaded guilty to being drunk. His case was heard before Justice L. D. Lelphart. Hugo Richard Hill, 19, of Deerton, was arrested for making a false statement of his age to procure liquor. He paid a fine of \$5 and court costs of \$5.05.

As the result of an accident, west of here on M-94 near the Knotty Klub, in which two cars were involved, Arne Henry Herrala, 27, of Eben Junction, was brought before Justice Lelphart and given thirty days in the county jail for being drunk. Herrala was walking on the road near the Knotty Klub and was weaving from side to side. In order to avoid hitting him, Mrs. Dora Mackie swung her car and was struck by an automobile driven by Toivo M. Kaanta of Chatham.

MUNISING BRIEFS Mrs. Floyd Smale and son George will leave this week-end for Lansing where Mr. Smale is employed. Mr. Smale is in Lansing now and will return on Saturday for Mrs. Smale and George.

Ettore Treves of Marquette lost control of his car east of here on M-94 on the clay Saturday and struck a ditch. The car was damaged but Mr. Treves escaped injury.

Conservation Officer Gilbert Larson of Chatham was a business visitor in Munising yesterday. R. W. Nebel is a business visitor in Lansing.

The home of Mr. and Mrs. Theodore Krasts, east of Munising on M-94, was destroyed by fire early Monday morning. Mr. and Mrs. Krasts had built a fire in the stove at the house and then left. When they returned, the building was in flames.

A special laymen's meeting will

be held in the Methodist Episcopal church at 7:30 o'clock Thursday evening. Dr. John A. Yeoman, of Marquette, will be the speaker. The meeting is sponsored by several churches in the city.

BIRTHDAY OBSERVED

Munising, Dec. 12—Thirty guests celebrated Miss Marie Montcalm's twenty-first birthday at a dancing party at Eddy's Place last night. Miss Montcalm is the daughter of Mr. and Mrs. Edward Montcalm, East Superior street. Refreshments were served following the dancing.

Increasing the anti-knock quality of motor fuels has been costly to petroleum refiners, but despite this fact, the average price of motor fuel at the service stations as of Aug. 1, 1939 was 13.25 cents a gallon as compared to 14.07 cents a gallon average during 1938.

When your grandfather needed tobacco he probably went to the tobacconist in his community and had a lot of fun blending different types of tobacco together and trying out the different mixtures:

HE MAY HAVE FINALLY HIT on a combination of tobaccos that was pretty much to his fancy: . . . that tasted all right to him and wasn't too strong. So the tobacconist, with an eye to future business, would make up this private blend and keep some of it on hand for him.

THIS HIT OR MISS METHOD of tobacco blending was never very satisfactory. But it proved one thing to both smokers and manufacturers, that you must have a blend of tobaccos to get better smoking results, because no one tobacco by itself has all the qualities necessary to a good smoke.

THE CHESTERFIELD tobacco buyers select and bid in at the auction sales the tobacco types that best fit the Chesterfield blend, which is the right combination of exactly the right amounts of Maryland, Burley and Bright with just enough Turkish. These tobaccos and the Chesterfield way of blending them make Chesterfield different from any other cigarette.

THAT IS WHY there are millions of enthusiastic Chesterfield smokers clear across the country. They find Chesterfield COOLER, BETTER-TASTING and DEFINITELY MILDER. . . just what they want for real smoking pleasure. You can't buy a better cigarette.
