Dear Editor,

I have been receiving the Monterey News for quite some time now, and this is the first time I have written to thank you for my copy.

The paper still seems the same when I receive it, and it brings back many happy memories of college days, and gives me a desire to live them over again. Unfortunately that cannot be done, but perhaps, someday we can resume our activities where we left off.

I am writing this to tell you of my change in address. Although I have been over here for quite some time, this is my first literary effort your way. I wish you would send my copy to the following address:

Tech/Sgt. John C. Meiser USMC
Hdqtr, Sqd, 2nd M.A.U. F.M.F.
c/o Club post Office
San Francisco, California.

Perhaps my copy will get here a little sooner with that change on it.

Thanks again for sending the "News" which keeps me up on all the latest scuttlebutt from home. I remain sincerely

Tech/Sgt. John C. Meiser
