The Northern News
Northern Michigan College of Education
Marquette, Michigan

Attention: Mr. G. C. Meyland

Gentlemen:

I understand that copies of the Northern News will be sent to former students of the college who are now in the service. I have the names of two former students to submit, who would be very happy to receive the college paper:

✓ Pfc. Arthur Palmer Craze - 36457409
Base Det. #1, Q. M. Section
Avon Park Army Air Field
Avon Park, Florida

Robert John Theriault, Ph.M. 3/c
U.S. Naval Hospital Staff
Lake Front
New Orleans, La.

The first name is that of my son, who was a student at N.M.C.E. at the time of his induction into the army in March, 1943. Robert John Theriault attended the summer term of the college in 1943.

Sincerely yours,

Margaret Craze
