Dear Helen;

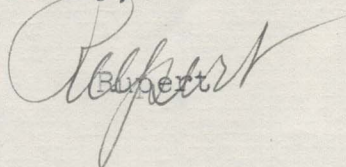

How's everything at good ol' Northern?

As I look back on those days when I could bask in the rays of knowledge, they seem like a mirage or something I dreamed. Least of all did I ever think I'd be doing my part to protect my country by commanding an ASTP company of medical men here at Ohio State University.

Does your office have any knowledge of where I might find George Cavender's address? Y'know, I think a 'swap' column in the NEWS would be a big help to those of us in the service.

Well, I just dropped a line to let you know my address. Guess it will be the same for quite some time to come.

Sincerely,

  
Rupert
