INSTRUCTIONS

V-Mail Service provides the most expeditious dispatch and reduces the weight of mail to and from personnel of our Armed Forces outside the continental United States. When addressed to points where micro-film equipment is operated, a miniature photographic negative of the message will be made and sent by the most expeditious transportation available for reproduction and delivery. The original message will be destroyed after the reproduction has been delivered. Messages addressed to or from points where micro-film equipment is not operated will be transmitted in their original form by the most expeditious means available.

Editor (-AND WHO BE YOU?)

Hey, somebody's slipping back 'thar at Northern. I ain't receiving my News regularly. If something don't happen I'm agoin' to write my Congressman (Is dat guy Hook still in office?) ('da bum!)

Seriously, I received the News quite regularly for a while, then it fell off. If you can address all copies to the above address I'm sure I'll be back on the Northern beam again.

I still haven't seen a Man of Northern in No. Africa as yet - but I'm still a' lookin'. There must be good men in this country!

I imagine this letter will reach you about the same time summer session begins. I would be the "real McCoy" to be back at Northern again - but that'll come a day. Regards to the hull damn faculty and tell 'em to keep those students studying. --- 30.
