CHINATOWN'S TELEPHONE EXCHANGE BUILDING

The quaint San Francisco Chinatown Pacific Tel. & Tel. Co. building was erected in 1909 to conform with Chinese architectural traditions. It houses what is believed to be the only Chinese Telephone Office outside of China itself.

Dear Mr. Gant, Fri pm.  
Just "dropping in" for a short visit - hello! So you see I'm still in the U.S. Alden Clark was up at the apt several nights ago - good visit. He expects to leave soon. So far - I'm in S.F. as duty officer on gate vessel. Much fog and rain here - miss the cold clear weather the U.P. Have been ice - tho! Say hellos to Mrs Gant. Sincerely Stanley S.
