Dear Sir,

During my past year and a half in the Army Air Forces I've enjoyed every issue of the Northern News that I have received. It has followed me to three different Fields and now my address is changed again as you can see by the letter head.

I'd appreciate your sending the News to my new address at Officer's Candidate School.

Heris hoping you have a white Xmas. There will be a green one down here.

Sincerely,

Wilbur H. Schenk
