Marquette, Mich.

AN EIGHTH AIR FORCE SERVICE COMMAND STATION, England.---For exemplary performance of duty at this large aerial repair depot, Master Sergeant LeRoy F. Micin, Marquette, Mich., recently was awarded the Certificate of Merit at impressive ceremonies here. He is shown receiving the sword from the hands of Col. William E. Shuttles, Dallas, Texas, Commanding Officer of this depot, where M/Sgt Micin is on duty as supervisor in the sheet metal repair section.

Son of Mr and Mrs Frank Micin, Marquette, he is a graduate of E Gravenet high school and Northern State Teachers College, Marquette, and was formerly manager of Shoreland Bowling Alleys in that city. Since entering service in February 1941 he has attended Army Air Forces technical training school at Chanute Field, Ill. Overseas for 31 months, he has been awarded the Army Air Forces sheet metal technician's badge. He was cited for his work in the wing panel repair section which repairs battle-damaged B-17 Flying Fortress bombers for more air attacks on Hitler's Reich.
