19. ABSTRACT (Continue on reverse if necessary and identify by block number) This report provides information on Department of Defense (DoD) personnel by operating location. This information is provided in two sections showing: (1) The percent distribution of DoD active duty military and direct hire civilian personnel, by state, according to Defense component; and (2) DoD active duty military and direct hire civilian personnel, by installation or selected city, according to Defense component. The earliest report of this series is dated 30 June 1956.
