Re: 2015 Emergency Action Plan Update
Forestville and Tourist Park Developments
Marquette Hydroelectric Project (FERC Project No. 2589)

Dear Mr. Kitt:

We have completed our review of the 2015 Emergency Action Plan (EAP) update for the Forestville (P-2589-01) and Tourist Park (P-2589-03) Developments of your Marquette Hydroelectric Project, submitted with you December 17, 2015 letter. The annual requirements and their status are as follows. All items are complete. Your submittal satisfies the EAP requirements outlined in 18 CFR §12.24.

1. EAP updates - Submitted with your December 17, 2015 letter.
2. Summary of annual training - Submitted with your December 17, 2015 letter.
3. List of the personnel attending the training session - Submitted with your December 17, 2015 letter.
4. Annual test (drill) of EAP – Conducted in October 2015 per your December 17, 2015 letter.
5. Verification that plan holders have received the update – Submitted with your December 17, 2015 letter.
6. Confirmation of annual face-to-face meeting with EMAs – Submitted with your December 17, 2015 letter.

We have the following comments that you should address by **December 31, 2016**.

1. You should provide a complete reprint of the EAP in accordance with the Commission's revised Chapter 6 of our Engineering Guidelines.

2. You should revise the Notification Flow Charts with the following FERC contact information and call-in procedures.
