**Re: 2012 Emergency Action Plan Updates
Dead River Hydroelectric Project (P-10855), Bond Falls Hydroelectric Project
(P-1864), Prickett Hydroelectric Project (P-2402), Escanaba River Hydroelectric
Project (P-2506)**

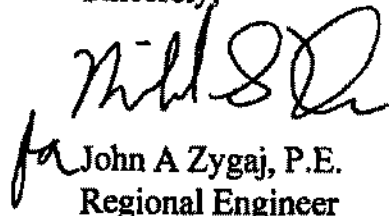

Dear Mr. Jensky:

We acknowledge receipt of the December 5, 2012 and December 31, 2012 Emergency Action Plan (EAP) updates for the above mentioned Hydroelectric Projects operated by Upper Peninsula Power Company (UPPCO). With this submittal, you have met the annual requirement of Section 12.24(d) of the Commission's regulations which consist of:

1. EAP update
2. Summary of annual training.
3. List of personnel attending the training.
4. Annual test (drill) of the EAP with a summary critique.
5. The EAP verification forms from all the resources agencies.
6. Confirmation of annual face-to-face meeting with the primary emergency response agencies whose jurisdictions would be quickly inundated or significantly impacted by a dam failure.

Please contact Mr. Peter Chapman (312) 596-4446 or myself at (312) 596-4430 if you have any questions regarding this letter.

Sincerely,

John A Zygaj, P.E.
Regional Engineer
