Re: Schedule Extension Request – Supporting Technical Information Documents
Forestville and Tourist Park Developments
Marquette Hydroelectric Project (FERC Nos. P-2589-01 and P-2589-03)

Dear Mr. Kitt:

We have reviewed your schedule extension request for submittal of the updates to the Supporting Technical Information Documents (STID) for both the Forestville and Tourist Park Developments of your Marquette Hydroelectric Project submitted with your November 30, 2016 letter. The STID updates correspond to the recommendations made by the Independent Consultant in the Seventh and Third Part 12D Consultant Safety Inspection Reports for the Forestville and Tourist Park Developments respectively. You propose to submit the STID for Tourist Park by **July 30, 2017** and the STID for Forestville by **December 31, 2017**. Your request for an extension of time is granted.

If you have any questions, you may contact Mr. David Olson at 312.596.4464 (david.olson@ferc.gov) or me at 312.596.4430.

Sincerely,

John A. Zygaj, P.E.
Regional Engineer
