EDWARD J. REINDL, SHERIFF

MENOMINEE, MICHIGAN

Feb., 6, 1955.

Dear Mrs, Perras,

I wanted to write you before this, but felt I was intruding. I was sorry to hear of you husband's death. Indeed, I have lost a good friend. I was unable to attend the funeral, which I deeply regret.

I have a very happy memory of Mr. Perras, when I met and visited with him one day last fall, at the church dinner. I want to remember him that way.

I have never forgotten how helpful and interested he was during my years with the Highway Patrol. I always felt welcome and looked forward to my stop at your place.

I wanted you to know that I am holding in remembrance, and send you my belated and deepest sympathy. The memory of the wonderful years you and he spent together will comfort you in the years to come.

My services and assistance are available to you at any time.. as always.

Sincerely,
