Chief of Police Urges Summer Safety Training

Negaunee parents were triged this week by Chief of Police Arne Pynnonen to continue during the autaner months the safety train-ling which youngsters have receiv-ed throughout the school year.

en introgrant the sensor year.

"Although school children me nafety conscious right at present, if we are to keep our necident toil at a minimum, purents must accept the responsibility of varrying on safety training in the home," Chief Pynnonen said.

In panten out that one results is over and children return home a ries are down and asfery Ise-partent. Incee lessons must continue in the force and parents must perfect andrey activers for the ries of the ries are expected to be collimated, he stressed.

The police chief listed the following the ries are expected to be collimated, he stressed.

It is a compared to the collimate of the ries are expected to be collimated, he stressed.

The police chief listed the following the ries are expected to be collimated.

 Stop at the curb or roadside, look both ways and wait until it is safe to cross the road or street. is safe to cross the road or street.

2. Do not cross at a place where motorists cannot see you, for example, between parked cars.

3. Observe and obey the traffic lights. Do not cross on red or amber lights.

Be particularly careful during he hours of approaching dark-less and night.

ness and night.

5. Never Jay-walk, the few steps you save may be costly. Remember, even an alert driver can not stop his cer on a dime, At 25 miles per hour, it takes at least 60 feet for him to bring his cer to a full stop, At 50 miles per hour with perfect brakes it takes 186 to stop,
