

Negaunee Iron Herald

The only Paper in the World that gives a darn about Negaunee

VOLUME LXXVI

NEGAUNEE, MICHIGAN, FRIDAY, JULY 8, 1919.

NUMBER 31.

Pioneer Local Man Observes 90th Birthday

Michael C. Quinn, pioneer Negaunee resident, was the recipient of good wishes Tuesday, July 7, from friends and relatives gathered at his home in Main street to extend greetings on the occasion of his 90th birthday.

Mr. Quinn was born in 1829 in Weyauwega, Wis., following graduation from Valparaiso University, he taught school for a number of years in Wisconsin before moving to Negaunee, where he joined his brother John H. Quinn, who had made mercantile business. In 1886 he opened his own business in Negaunee in the Quinn block, now known as the First National bank.

In 1884 Mr. Quinn married Emma Kruse, daughter of Theodore and Sarah Kruse, old residents of Negaunee. In 1898, Mr. Quinn moved to Charlevoix to become the cooperative store, which he later purchased from the Charlevoix Cooperative association. In 1907, he retired in Negaunee to live and devote days to agriculture until he retired in 1908.

Mr. Quinn has three children, Clement K. Quinn, of Duluth, Minn., Mrs. Ralph S. Archibald of this city and Sister M. Seraphine, S. S. N. D. of Menasha, Wis. Mr. Quinn has eight grandchildren and 16 great grandchildren.

The annual family celebration in his honor was held at the home of Mr. and Mrs. S. Archibald. Out of town residents present included Clement K. Quinn, Duluth, Michael Archibald, Sr. and son, Michael, Jr., Detroit, Miss Susan Richards, Grand Rapids, Mrs. R. S. Rath, Archibald, and children, Ralph, Curtis and Gail, South Bend, Ind., Mr. and Mrs. R. C. Dalyany and children, Christian, Jr. and Robert, Ishpeming, Mr. and W. Q. Archibald and children, Anthony, Peter, Anne and Robt. Ishpeming, and H. S. Ahlovieta, Detroit.

U. P. Attorneys To Hold Institute At Blaney Park

Upper Peninsula attorneys will participate in a two-day institute, sponsored by the State Bar of Michigan, at Blaney Park on Thursday and Friday.

William J. Sheehan, president of the Schoolcraft County Bar Association, will welcome the delegates at a luncheon on Thursday. The afternoon program will be followed by a dinner session. Frank, State Bar Commissioner Edward Turner of Iron Mountain will preside. Speakers will be J. H. Bona, Detroit, president of the State Bar Association and Charles H. King, dean of the Detroit College of Law.

Meetings are scheduled for Friday morning and the institute will conclude with a luncheon Friday noon at which E. Bayne Stearns, dean of the University of Michigan Law School and a national authority on administrative procedure, will speak on the subject, "Should Michigan Adopt an Administrative Code?"

Farm Safety Week Plans Scheduled

National Farm Safety Week, to urge elimination of costly and unnecessary farm accidents, is to be observed from July 21, to be

Change MSC Experiment Station Directors

Retiring director of the Michigan Agricultural Experiment Station, V. E. Gardner (right) talks over luncheon in the current Quarterly Bulletin with Dr. C. M. Hardin who succeeds him as director. Director of the Michigan State College staff since 1912, Director Gardner became head of the department of horticulture and was named director of the experiment station in 1918. He is a member of numerous scientific societies and author of several bulletins and three books. Dr. Hardin who has served as assistant director since 1908 became director. He joined the college as a member of the agricultural economics staff in 1914.

Record-Breaking Vote Predicted Monday In School Election

Negaunee school elections will attract to the polls Monday to cast their ballots in what school officials believe will be the largest vote in recent election history in the city. The prediction is based on the predicted increase in registration, 200 new voters, 200 registered and 60 retained, making a total of 2000 residents eligible to vote in the election.

Responsible for the decided increase in this year's election are two factors: the entry of Jack Powell, CIO organizer, into the race for the vacant seat on the school board in opposition to Leslie Hildan, the incumbent and present board secretary; and the three leaves available to the election, a new elementary school and gymnasium.

VFW Announces Plans For V-J Day Observance

Solicitations were started Tuesday in the business district and in the home by committees representing the Veterans of Foreign Wars, Post 3163, for the V-J Day observance which the post will sponsor next on Saturday, August 3.

The battle for the board seat between Powell and Hildan, is regarded as a lesson. Powell, who came to Negaunee in 1915, is making his first attempt at gaining the office. In 1915, he was named as state representative by the United Stateboard of American Citizens, Post 23, covering the Minnesota and Iron ranges, a position he holds at Negaunee office. In 1915, he was elected to the advisory committee to the board of education on his own motion. The new elementary school and gymnasium, Mr. Hildan, the incumbent, will be seeking his third term on the board of education. He was first elected to the city clerk's office, which he occupies at the Jones and Lehigh laboratory, is a past president of the City of Negaunee and at present is also a member of the Marquette County Board of Education, office as president of that group.

It is expected that voters in connection with the election of the school and gymnasium are as follows: 200 new voters, 200 registered and 60 retained. It is estimated that the total vote will be in the neighborhood of 2000. The board of education is asking for authority to purchase the site for the new school and gymnasium. The new school and gymnasium would be located on S. 4th north of Collins Highway on which the new school and gymnasium would be built. The Park and Jackson Program consists of five and one-half acre site which includes 50 jobs. The area in which the new school and gym would be located is owned by the Cleveland Cliffs Iron Company.

Proposed one in which the board is asking for authority to purchase the site for the new school and gymnasium would be located on S. 4th north of Collins Highway on which the new school and gymnasium would be built. The Park and Jackson Program consists of five and one-half acre site which includes 50 jobs. The area in which the new school and gym would be located is owned by the Cleveland Cliffs Iron Company.

Organizations And Merchants Approve School Project

Propositions regarding the construction of the new elementary school and gymnasium in Negaunee, which will be voted on by the residents Monday, will carry the endorsement of all the organizations and business concerns.

Local organizations, which have their endorsement on the project include the Negaunee Business and Professional Association, Negaunee Women's Club, the American Legion Executive Committee, the Negaunee Fire Department, American Legion Auxiliary, Lady Druids, Daughters of Isabella.

In addition the project has been sanctioned by the greater share of Negaunee's business men, one of which is contained in this issue of the Iron Herald. It was impossible due to lack of time to list the names of all the business organizations who unanimously endorse the terms of some merchants who are in favor of the project are not listed in this advertisement. Among them was Zavorony with the approval of the Iron Herald.

Legion Will Name Delegates To UP Conclave Monday

Delegates to the Upper Peninsula Legion Convention, scheduled to be held July 15-16-17 in Escanaba, will be elected by the John H. Mitchell Post at a meeting to be held Monday night in the Legion clubrooms.

Highlighting the convention will be a parade Saturday afternoon, July 16, on Escanaba's main thoroughfare, two-mile long Lullwater street. Featured in the parade will be picturesque floats entering by Peninsula business establishments.

The tentative convention schedule provides for registration of delegates Friday, plus a luncheon and '40 and 8 parade in the evening.

In addition to the convention parade on Saturday there will be a business session in the morning, and a dinner Saturday evening, which will be followed by a music festival under the lights at the Escanaba Athletic Field. Demonstrations will be given by the International Yarns of Jackson Zouaves, Racine Boy Scout Drum and Bagge Corps, and the Ironwood Choral Club.

of Battle Creek, are spending two weeks at the home of Mr. and Mrs. Thomas Seaman.

Stanley Pawlowicz of Chicago spent the holiday week visiting here.

William Mann has returned to his home in Warsaw, following a weekend visit here with his mother, Mrs. Rose Mann.

Mrs. Rachel Nelmark has returned to her home in Warsaw, Wis., following a visit with relatives here.

Received here yesterday by tray newly a member of the John H. Mitchell American Legion post, was J. J. Lett, Detroit, Zavorony, 7597 Holmes street, who is attempting to find a Negaunee man who with him in service.

Mr. and Mrs. George E. Sivan returned Monday from a weekend trip to Hibbing, Minnesota.

Mr. and Mrs. John W. Fugh of Milwaukee are visiting at the home of Mrs. Schenk's parents, Mr. and Mrs. William Richards.

Mr. and Mrs. H. B. Swank and children, Kishbicon and Patricia, are visiting at the home of Mrs. Schenk's parents, Mr. and Mrs. William Richards.

EDITORIALS

NO DEPRESSION IN VIEW

In an analysis of present business trends in this country, Nation's Business says: "Banks advanced in 1938 are not likely to be discredited in 1939, but credit and cash are more available."

"What it all adds up to is that the boom line pretty well spent its life, but that nothing that can be called a depression is in view. There has been some trouble in employment which is a natural result of a late war industry is trying to cut operating costs in order to better prices. As Nation's Business also says, "A return to vigorous selling is now necessary. Inexpensive, high-quality manufacturing or selling will be penalized here." Proof of this is found in the fact that the number of business failures is far greater than it was a year or two ago."

On the consumer side, two important things seem to have happened. Many families which were living beyond their means and were spending vast unaccumulated savings have been forced to come to earth. This is reflected in the falling prices of luxuries and semi-luxuries like jewelry, recreational entertainments, certain kinds of home appliances and the like. In fact, the fact that these things are dropping during recent months has convinced many people that still greater drops are in prospect. So they are postponing purchasing in the line of getting things that will last a few months.

The automobile supply-demand situation is one of the most interesting. Passenger cars are being sold at a record price. This is not so possible to buy almost any make of new car with little or no delay. Most manufacturers have made price cuts of varying sizes. The day when used cars brought more than they cost when new is definitely over. The bottom began dropping out from under the used car market last winter, and the bottom for new cars started that winter. Trade-in values are well down, with many dealers overstocked. That is now a happy sign.

It must be remembered that the American economy is being supported at a high level by government spending. Many believe that the necessity we are enjoying is a relief. It is a considerable degree on the home front money now necessary by the cold war, by the Marshall Plan spending, by necessary loans all along the line. Few are willing to risk long-term forecasts.

Shirley Foster And John Bennett Wed in Detroit

Miss Shirley Foster, daughter of Mr. and Mrs. Gerald Foster, 21414 Clairmont, Ingham, became the bride of John Bennett, son of Mr. and Mrs. John Bennett of Eckford, former local residents, June 17th, at St. Albanus church at 11:30 a. m. Rev. Fr. Sullivan administered the double ring ceremony.

Given in marriage by her father, the bride appeared in white, satin fashioned with a berth, on which extending lace and tulle skirt extending into a circular train. Her finger tip was accentuated by a crown of pearl sprays. The bridal bouquet was of white roses.

Royald Hank was best man, with Robert Bozner and Henry Ostreich as ushers.

A wedding breakfast was served at the Shores Cafe to members of the wedding party and immediate families.

The reception in the evening at the Regaire Temple was attended by 250 guests. During the evening Mr. Wesley Dalton sang "Beaumont."

For her daughter's wedding Mrs. Foster chose a dark blue dress with white accessories while the groom's mother wore a pink lace dress with blue accessories, the bouquets being orchid corsages. Gift corsages of orchids were presented to each bridegroom.

Among the out of town guests were Mr. and Mrs. Foster and son Roger, Mrs. Myrtle Foster, grandmother of the bride, Charles J. Mrs. Marguerite Johnson and Mrs. and Mrs. Ronald Fletcher of Chicago; Mrs. Anna Simo, grandmother of the groom, Oscar Simo, Mr. and Mrs. Leslie Simo of Negaunee; Mr. and Mrs. Duncan Simo of Montross Heights; Mr. and Mrs. Walker Simo of Rochester, Indiana; Mr. and Mrs. Thomas

Food Preparation On Homemakers' Round-Up Program

Those canned foods a work-a-day homemaker desires good storage space to prevent spoilage. Good storage space, according to Olivia C. Meyer, extension home management specialist at Michigan State College, is cool, dry and dark. Insulation and ventilation will help keep the sun's heat out in summer and protect against freezing in cold weather.

Ventilation helps to cool the air and prevent moisture from being at the top and bottom of food storage. Shutters make it possible to open or close the windows as needed.

Food storage may be either in a closet or storage room, depending on the amount and kind of food and the space available. It should be located near the canning center which may be a kitchen or basement, but not either the kitchen.

Shelves with inside depth of 12 inches are best and two rows of jars can be placed on each shelf. A cabinet with an inside depth of six inches will take care of one row of fruit jars.

Storage rooms usually are best for basement use. At least two square feet of floor space should be allowed to provide room for one person to enter and see cans and remove them. You can plan the amount of shelf space needed if you will allow one foot of 12 inch shelf space for each five cans of any size. Allow 20 feet of shelf space for 100 cans.

Clancy and Mr. and Mrs. Walter Phillips, of Washington, D. C., were the officiating minister. The bride was faced at a miscellaneous number of 12 inch shelves by Helen Hewlett, Shirley Lassila and Miss Joyce Livingston.

Top shelves should not be more than 72 inches above the floor. If shelves are more than 3 or 4 feet long they should be supported at 32 inch intervals. Place the canned meats on the lower shelves, vegetables next, and fruits on the top.

PERFECTS SIMPLE CANCER DETECTOR

NEW YORK—A simplified and minutes new method for detecting cancer has been perfected by Dr. J. C. Glendon, U. S. Department of Pathology, Polyclinic Medical School and Hospital here, which may be performed in the physician's office without surgical biopsy. The cancer test consists of rubbing a section of Gelfoam, a protein sponge, over the suspected area. Where cancer is present, the protein material picks up cancer cells. Clinically tested for more than a year, the new method did not fall into a more than 70 percent, and actually proved the presence of cancer in some cases where standard surgical biopsy procedure had failed to reveal it. Dr. Glendon has just been awarded a New York Medical Society "scientific award" for his contribution to medical science.

Effective July 2 NEW LONG DISTANCE TELEPHONE RATES for calls within Michigan

INCREASED RATES for long distance telephone calls between Michigan points, effective July 2, 1949, have been authorized by the Michigan Public Service Commission.

Last December, Michigan Bell requested rate increases for both local telephone service and long distance service within Michigan as it might continue giving the kind of telephone service the people of Michigan demand.

The Public Service Commission's order provides only for that part of the application which requested an increase in long distance rates (including rates for teletypewriter exchange service messages) within the state. But it will provide urgently needed revenue which the Commission is able to furnish its investigation of the complete request and rule on it.

HERE'S WHAT THE NEW RATES MEAN

Initial-period rates for DAY STATION-TO-STATION calls are increased 5¢ to 15¢, depending on the distance.
Initial-period rates for NIGHT STATION-TO-STATION calls are increased 5¢ to 30¢, depending on the distance.
Initial-period rates for DAY PERSON-TO-PERSON calls are increased 5¢ to 30¢, depending on the distance.
Initial-period rates for NIGHT PERSON-TO-PERSON calls are increased 5¢ to 45¢, depending on the distance.
Rates for each additional minute, which are approximately 1/2 of the initial-period rates, are increased proportionately.
The initial period for 10¢ calls on the new rate schedule is 4 instead of 5 minutes; and for 20¢ calls, 3 instead of 4 minutes.
Rates for teletypewriter exchange service messages between Michigan points are increased proportionately.

Your Long Distance operator gladly will give you the new rate to any Michigan point.

Former Local Resident Writes Article on Finland

Editor, News: After reading an article by Eric Ingdger, Wisconsin teacher, regarding his visit to Finland, which appeared in a recent issue of the Iron Herald, Mrs. Roy E. Stott, of Wilkes-Barre, Pa., former Martha Maki of this city, submitted this article to the Iron Herald.

When we moved to Wilkes-Barre, Pa., on January 1st, I was surprised not to meet any Finnish people. Several weeks ago I received a letter from a relative in Finland and was at a loss to understand the letter as a whole, not having a working knowledge of the language. I wrote Finnish at first only well, but I did have some trouble understanding a letter translated in the language. I wrote Finnish at first only well, but I did have some trouble understanding a letter translated in the language. I wrote Finnish at first only well, but I did have some trouble understanding a letter translated in the language.

who could help me with my letter to and from Finland. In response I received two phone calls from a woman who is a resident of Calumet, Mich., and a letter from Aavo Koppinen, an elderly old boy from Helsinki, Finland, who came here last August on a seasanship and is at present visiting at some home, Pa. He enjoys visiting at our home and has told us some very interesting things of his homeland that I never knew before.

One of the new housing units in Helsinki in Helsinki is individually owned. They are all constructed of brick on the outside and concrete. All are wired for electricity and most people have telephones, however, are a real luxury, costing 30.00 marks to install (at the rate of 1977) marks to the dollar, this comes to

almost \$300 in American money, very expensive and of poor quality delivery. The best dressed people are the many students who attend the use advantage of electricity, there are no washing machines, no electric irons or other appliances because of the fact that repairs from Brazil and Argentina. When time comes they are constructed of compressed paper and fell apart when wet. Washed-out sheets with cloth pieces are still used.

Children are washed by hand with a minimum of soap. People in the country find it much easier to live than city people, for the land gives them so much. They ride cattle, hogs and sheep and have fresh vegetables from their gardens. They use the fat from the larders to make soap and trade the wool from sheep for the much needed blankets and material for clothes. Clothing is not repaired but continues to be

very expensive and of poor quality delivery. The best dressed people are the many students who attend the use advantage of electricity, there are no washing machines, no electric irons or other appliances because of the fact that repairs from Brazil and Argentina. When time comes they are constructed of compressed paper and fell apart when wet. Washed-out sheets with cloth pieces are still used.

The highest paid jobs in Finland are for concrete layer, mason and construction workers. They are paid about 30.00 marks (\$200) per month. Many women are employed in heavy work such as carrying bricks and mortar, and are also working on street car and railroad conductors as well as bus

The food habits of our Finns have improved a lot since the end of the war, but people still eat a lot of potatoes, bread and other heavy foods, since vegetables and fruits are seasonal and it is expensive. City people in all their bread and hardware at least thought of potatoes is a luxury. American coffee is a delicacy in every home in Finland and is bought on the black market. Finnish coffee is over-roasted because they buy green coffee beans from South America and roast it themselves with poor equipment. Hotels also working on street car and railroad conductors as well as bus

Chief Wampum Say:

W! Revaluation

Affect The New School Tax Rate?

Yes, the Revaluation of Property in Negaunee will have a definite effect on the millage necessary to retire the bonds.

You have heard many rumors— Here are the facts:

The estimated levy of 5 mills is based on the present assessed valuation of eleven and one-half million (\$11,500,000). Less millage will be required if the assessed valuation is increased.

Concerning City Taxes:

Reports from cities throughout the state show that tax rates of city governments have been substantially reduced in cases where the valuations have increased so the taxes of the individual property owner have remained about the same.

PROBATE NOTICE
STATE OF MICHIGAN
 The Probate Court for the County of Marquette

AT A session of said Court, held at the Probate Office in the City of Plover, Michigan, on the 5th day of July A. D. 1939 Present, Hon. Carroll C. Rushen, Judge of Probate.

In the Matter of the Estate of Percy W. Bourne, Deceased.

Paul Lemere, administrator of said estate, having filed in said Court his petition praying for license to sell the interest of said estate in certain real estate described therein for the purpose of paying expenses of administration and to preserve the value of the same of said estate.

It is Ordered, That the 5th day of August A. D. 1939, at an o'clock in the forenoon, at said Probate Office, be and is hereby appointed, for the hearing and trial of the said petition, and that all persons interested in said estate appear before said Court, at said time and place, to show cause why a license to sell the interest of said estate in real estate should not be granted;

It is Further Ordered, That the contents thereof be given by publication of a copy of this order once each for three consecutive weeks previous to said Court day of hearing in the NEGAUNEE IRON HERALD, a newspaper printed and circulated in said County of Marquette.

CARROLL C. RUSHEN
 Judge of Probate
 A true copy: BELL M. PINCKNELL, Registrar of Probate.

FORMER LOCAL RESIDENT
 Mrs. Joseph Guzzetti and Mrs. Desminie Guavio have returned from Chicago, where they visited relatives and friends. Mrs. Guavio's husband, Mr. R. H. Guavio, is in the army.

Dr. and Mrs. George Knutson and family have returned home from a visit with Dr. Knutson's parents in Buxton, North Dakota.

and profits to be shared by J. K. Laska, former American "Stork" pilot on the 50-day market.

I will feel you more about Pittsburgh and how they are reforming in a non-expensive way.

ITEMS REPRODUCED FROM

Negaunee Iron Herald

In Pitt S. Wilson of this city, was married on Wednesday, June 26th, at Grand Rapids to Miss Tina Carter. Mr. Wilson, who is a member of the Negaunee Hospital staff and his bride are now enjoying a wedding trip before coming to Negaunee. They will be at home in the Mackinac Inn after August 1st.

The cemetery committee of the common council reported Wednesday evening that after due consideration of all sites suggested it had reached the conclusion that certain tracts chiefly located at the northwest corner of the municipal boundary are the most desirable and available site for a new cemetery. The land which in all probability will become the new cemetery may be roughly described as lying north and east of the present cemetery, the distance between the two tracts being between a mile and a mile and one-half.

Miss Frances Winter arrived here Sunday morning from a visit of several days with her sister, Mrs. Cummings, in Chicago.

Charles and William Strouwenfeld, down the Muskegon River on Saturday and returned Monday evening with well-filled baskets.

Mr. and Mrs. Alexander Mandel and daughters Kate and Helen, left Thursday for Duluth from which point they intended to take a lake trip. They were accompanied by Mrs. J. H. Winter and will be absent several days.

James Hodge was down from his hometown near Trout Creek early in the week.

George Wells came up from Norway last Saturday and remained until yesterday visiting relatives and friends.

Negaunee easily defeated the disappointing aggregation of ball players by a score of 9 to 3 last Sunday. The locals took the lead in the fourth inning when they scored seven runs and killed Coakley, impending pitcher, at will, and at last time the other dirt baptingers have a look in.

Oscar Sundin, who has been here on a visit to his brother, Albert Sundin, departed this morning.

for his home in Chicago.

The Co. party No. 2 held its annual meeting at the hall on Wednesday evening and the following officers were elected: Foreman, H. J. LaFramboise, assistant foreman, James Curley, boom captain, Bert Hansen, hook and ladder captain, T. A. Thayer, secretary, William Neenan, treasurer, J. A. Wood, fourth.

Alce Linn Stines entertained a number of her young friends on Tuesday afternoon, the occasion being the celebration of her nineteenth birthday.

Dr. N. J. Robbins spent a handsome new Buick automobile in his manipulation with an auto repair, because no an experienced chauffeur.

A bullet from a .38 caliber rifle penetrated through one of the leaded windows in the home of Mrs. Phillip Abbott, Berry street, Sunday evening, giving the occupants quite a scare, but doing no other damage than breaking an extension window.

The annual school election will be held on Monday, the polls being open at the city hall between the hours of 8 and 8 p. m. There are no indications of any opposition to the two members of the board whose terms expire, Dr. J. H. Andrus and Nicholas Laugel.

Miss Anna Schurz left by the

PROMOTED TO CORPORAL

Robert E. Boes, son of Mr. and Mrs. M. H. Boes, of ages four, was promoted to the grade of Corporal. He was announced recently by Col. James H. Ginn, Jr., commanding officer of Volusia AFH, one of the first social officers of the War I Legion Air Force, bested over of nearly 20 miles northeast of the city of Tokyo, the world's third largest city.

A former student of Henry Ford Trade school, Boes enlisted in the U. S. Air Force during August of 1941 and reported to sea command at Forbes, for his re-training upon completion of the last phase of Air Force training he received his orders for overseas duty in the Far East theater of operations.

Early Sunday morning train left Boston.

Mr. and Mrs. Ralph Wilcox have a new daughter at their home on Main street.

Dr. Schurz, superintendent of schools, left the last part of the week for Lower Michigan where he will spend a week or 10 days of visiting relatives and attending to some personal affairs, as well as looking after some matter in connection with school work. He was accompanied by his daughter, Miss Leola Schurz, who will spend the remainder of the summer in the lower part of the state.

NEW MEA PRESIDENT

Planned above is Cydon L. Kallman, of Kalamazoo, who is the new president of the Michigan Education Association. Mr. Schurz's parents, Charles E. Kallman of Kalamazoo, and his last more than 20 years of teaching experience in Michigan.

Sports Powwow from the

BY TOM FELLOW

When the polls open at 10 o'clock Monday morning in the lower corridor of the high school building, Negaunee sports fans, headed by the playing court and seating accommodations in the high school gymnasium, will have an opportunity of expressing their views on the question of changing a gym, which will be several years in the Upper Peninsula.

Back in 1922, when the present school was considered the best home of Minor case squaws was voted in gymnasium facilities. However, back in that dark era, the game invented by Dr. Naismith, which went to Europe and America, was still in its infancy and indoor basketball was the principal winter pastime. The Negaunee High gym was ideal for that purpose and was still considered one of the most outstanding in the U. P. in the early 20's, when such stars as the likes of Charles, Charlie Kozias, Goble Lindstrom, Sandquist and Pillsbury performed for the Mize and Blue teams. These were the days of the "standing guard" and low scoring games.

However, basketball beginning in the late 20's underwent a

change and the tempo of the game began to speed up. By the mid 30's the Indiana and U. S. "cross-horse" style of play was becoming popular in the colleges and by the early 40's it had infiltrated the high school gyms. It was a low scoring game in which at least one of the participating teams didn't really score where from 50 to 70 points. With the increase in points there came an increase in the size of the crowd, particularly in the past 5 years, as the spectators "ate up" the standing seats of play.

Unfortunately, Negaunee could not change its gymnasium to keep pace with the "new look" in basketball. Other schools throughout the Upper Peninsula erected new gymnasiums with larger seating courts and greatly enhanced seating facilities, until at the present time the local gym with one or two exceptions is the poorest seen up in the Upper Peninsula. This is not the opinion of your columnist alone, as visiting coaches and officials will concur. Practicing Blue. Under such conditions is a definite disadvantage to Mize and Blue teams, particularly when they are in such a position as to be in a such as that employed by Bob

Dorey's engines during the past season. After playing five or six weeks in the local "quarter back" they are "lost" when they get on the next year provided you court in big floor and it was this factor that was in part responsible for their defeat in the semifinals of the state championship.

In addition to the playing court disadvantages, there is the handicap of limited seating facilities.

There can be only a limited number of present seats and the majority all reserved even before they are put on sale. It is impractical to find standing room in the gym when sponsoring, State, Marquette or any of the other inter-collegiate rival plays are. Several officials from any point of view are bound to "back" the track and all of this has resulted in considerable morning participation in the "mud" and people employed in the business district who are unable to find a place in
